The Jewish Media's Pound of Mel Gibson's Flesh

Christopher Jon Bjerknes

http://www.jewishracism.com

Hollywood Jews have long had it in for Mel Gibson. He has committed the unpardonable sin of offering the public a Gentile perspective. Gibson has broken the Jewish media monopoly and provided the American public with a superior alternative to the deliberately degenerative, superficial and hackneyed Hollywood motion picture. Hollywood Jews want film to be a medium for Christian and Moslem bashing. They want to be in complete control of public opinion. Gibson has uncomfortably encroached upon their territory.

What is worse, Gibson is good at what he does. His products sell and resonate with a vast audience. He has power. When he exercises it in an attempt to forward the interests of humanity over the selfish interests of racist Jews, he becomes a threat to those Jews who mean the non-Jews harm.

This situation is not unprecedented. Richard Wagner was a far better composer than any Jew

has yet been. Wagner objected to the Jewish monopolization and degeneration of the opera, from which the opera has never recovered. Jews organized to defame Wagner and spread false rumors that he had gone mad. His music was later banned in Israel. Racist Jews are often spiteful toward those who have challenged their racist monopolies. They evidently are convinced that they cannot compete on a level playing field, and instead depend upon their monopolistic corruption of the press, tribal loyalties and accumulated fortunes to achieve what they could never achieve by fair and ethical means.

Like Arthur Schopenhauer and countless others before him, Gibson has recognized the fact that Jews are today, and have forever been, warmongers and war profiteers. This does not mean that all Jews, or most Jews, or any but a small fraction of Jews are those Jews who are guilty of this perpetual war on humanity, but those Jews who are guilty, are guilty and are Jewish. "Saul hath slain his thousands, and David his ten thousands," and the Jewish bankers of the modern era have given us Napoleon, the Imperial Japanese, the Nazis, the Holocaust, the Bolshevik terror and a hundred million dead by war. Today, the racist and genocidal Jews of Israel want to ruin the world with a third world war—all the horrors the mind can imagine for the sake of their five million racist tribesmen who refuse to live in peace. When Gibson speaks the truth, Jews pour shame on him to paint over their sins with the blood of his innocence. Like the Lebanese People, Gibson is yet another Gentile to suffer the hevlei Mashiah, or birth pangs of the Jewish Messiah. No sacrifice is too great to achieve the Messianic goals of racist Jews, even if that sacrifice is the lot of humanity.

But there is true shame. It is truly a shame that Gibson, who made *The Passion of the Christ,* does not make a movie entitled *Anti-Christ*, which would expose the State of Israel and its

warmongering leaders and followers. Why stop there? Why not make a movie entitled *The Russian Holocaust*, which would reveal the genocide of tens of millions of Slavic Christians at the hands of racist Jews? Of course, there is also a need for a movie which would expose the fact that Zionist Jews orchestrated and led the Holocaust of Europe's Jews. And what could be more dramatic than the exposure of the Jewish Frankist plan to take over the world through the subversion of societies by crypto-Jews?

When Henry Ford spoke honestly and openly about corrupt and disproportionate Jewish influence in the world, the Jewish maffia tried to kill him. Jewish leaders then wrote an apology for Ford for unwisely telling the truth. Racists Jews must indeed chill the public disclosure of the fact that Jews have been behind the wars of the world, in particular the world wars—the third of which is just now getting underway. We witness before our eyes the Bolshevik style press of America filtering and fabricating the news in order to ensure that the truth of the Jewish genocide of the Arabs remains hidden from the bulk of the American public. One can only wonder how many Mossad agents and Israel firsters have infiltrated our media and our government. No doubt they constitute a majority. It is sickening to watch these sycophantic traitors against America and against humanity interview their psychopathic Israeli leaders, while pretending to represent an American viewpoint. Yes, there is much Jewish segregationists seek to keep concealed. It is important for them to crush Gibson, lest someone else dare to speak the truth, and then another, and may the Jewish God forbid it, the truth might someday become generally known to the American People.

Perpetual War for Perpetual Peace: A Jewish Mantra for 2,500 Years

Christopher Jon Bjerknes

http://www.jewishracism.com

For 2,500 years, Jews have been calling for apocalyptic war for the sake of perpetual peace. They hope that Jews will exterminate all Gentiles, and then the remnant of Jews left after these genocidal Jewish wars, some scant one third of the present Jewish population, will live in perpetual peace in the Messianic Jewish Age.

The Jewish book of *Ezekiel* 27 plans the present genocide of Lebanon (Tyrus is Tyre and Zidon is Sidon):

"1 The word of the LORD came again unto me, saying, 2 Now, thou son of man, take up a lamentation for Tyrus; 3 And say unto Tyrus, O thou that art situate at the entry of the sea, *which art* a merchant of the people for many isles, Thus saith the Lord GOD; O Tyrus, thou hast said, I *am* of perfect beauty. 4 Thy borders *are* in the midst of the seas, thy builders have perfected thy beauty. 5 They have made all thy *ship* boards of fir trees of Senir: they have taken

cedars from Lebanon to make masts for thee. 6 *Of* the oaks of Bashan have they made thine oars; the company of the Ashurites have made thy benches of ivory, *brought* out of the isles of Chittim. 7 Fine linen with broidered work from Egypt was that which thou spreadest forth to be thy sail; blue and purple from the isles of Elishah was that which covered thee. 8 The inhabitants of Zidon and Arvad were thy mariners: thy wise *men*, O Tyrus, *that* were in thee, *were* thy pilots. 9 The ancients of Gebal and the wise *men* thereof were in thee thy calkers: all the ships of the sea with their mariners were in thee to occupy thy merchandise. 10 They of Persia and of Lud and of Phut were in thine army, thy men of war: they hanged the shield and helmet in thee; they set forth thy comeliness. 11 The men of Arvad with thine army *were* upon thy walls round about, and the Gammadims were in thy towers: they hanged their shields upon thy walls round about; they have made thy beauty perfect. 12 Tarshish *was* thy merchant by reason of the multitude of all *kind of* riches; with silver, iron, tin, and lead, they traded in thy fairs. 13 Javan, Tubal, and Meshech, they *were* thy merchants: they traded the persons of men and vessels of brass in thy market. 14 They of the house of Togarmah traded in thy fairs with horses and horsemen and mules. 15 The men of Dedan *were* thy merchants; many isles *were* the merchandise of thine hand: they brought thee *for* a present horns of ivory and ebony. 16 Syria *was* thy merchant by reason of the multitude of the wares of thy making: they occupied in thy fairs with emeralds, purple, and broidered work, and fine linen, and coral, and agate. 17 Judah, and the land of Israel, they *were* thy merchants: they traded in thy market wheat of Minnith, and Pannag, and honey, and oil, and balm. 18 Damascus *was* thy merchant in the multitude of the wares of thy making, for the multitude of all riches; in the wine of Helbon, and white wool. 19 Dan also and Javan going to and fro occupied in thy fairs: bright iron, cassia, and calamus, were in thy market. 20 Dedan *was* thy merchant in precious clothes for chariots. 21 Arabia, and

all the princes of Kedar, they occupied with thee in lambs, and rams, and goats: in these *were they* thy merchants. 22 The merchants of Sheba and Raamah, they *were* thy merchants: they occupied in thy fairs with chief of all spices, and with all precious stones, and gold. 23 Haran, and Canneh, and Eden, the merchants of Sheba, Assur, *and* Chilmad, *were* thy merchants. 24 These *were* thy merchants in all sorts of things, in blue clothes, and broidered work, and in chests of rich apparel, bound with cords, and made of cedar, among thy merchandise. 25 The ships of Tarshish did sing of thee *in* thy market: and thou wast replenished, and made very glorious in the midst of the seas. 26 Thy rowers have brought thee into great waters: the east wind hath broken thee in the midst of the seas. 27 Thy riches, and thy fairs, thy merchandise, thy mariners, and thy pilots, thy calkers, and the occupiers of thy merchandise, and all thy men of war, that *are* in thee, and in all thy company which *is* in the midst of thee, shall fall into the midst of the seas in the day of thy ruin. 28 The suburbs shall shake at the sound of the cry of thy pilots. 29 And all that handle the oar, the mariners, *and* all the pilots of the sea, shall come down from their ships, they shall stand upon the land; 30 And shall cause their voice to be heard against thee, and shall cry bitterly, and shall cast up dust upon their heads, they shall wallow themselves in the ashes: 31 And they shall make themselves utterly bald for thee, and gird them with sackcloth, and they shall weep for thee with bitterness of heart *and* bitter wailing. 32 And in their wailing they shall take up a lamentation for thee, and lament over thee, *saying* What *city is* like Tyrus, like the destroyed in the midst of the sea? 33 When thy wares went forth out of the seas, thou filledst many people; thou didst enrich the kings of the earth with the multitude of thy riches and of thy merchandise. 34 *In* the time when *thou shalt* be broken by the seas in the depths of the waters thy merchandise and all thy company in the midst of thee shall fall. 35 All

the inhabitants of the isles shall be astonished at thee, and their kings shall be sore afraid, they shall be troubled *in their* countenance. 36 The merchants among the people shall hiss at thee; thou shalt be a terror, and never *shalt be* any more."

The Jewish book of *Ezekiel* 28 states:

"1 The word of the LORD came again unto me, saying, 2 Son of man, say unto the prince of Tyrus, Thus saith the Lord GOD; Because thine heart is lifted up, and thou hast said, I *am* a God, I sit *in* the seat of God, in the midst of the seas; yet thou *art* a man, and not God, though thou set thine heart as the heart of God: 3 Behold, thou *art* wiser than Daniel; *there is* no secret *that* they can hide *from* thee: 4 With thy wisdom and with thine understanding thou hast gotten thee riches, and hast gotten gold and silver into thy treasures: 5 By thy great wisdom *and* by thy traffick hast thou increased thy riches, and thine heart is lifted up because of thy riches: 6 Therefore thus saith the Lord GOD; Because thou hast set thine heart as the heart of God; 7 Behold, therefore I *will* bring strangers upon thee, the terrible of the nations: and they shall draw their swords against the beauty of thy wisdom, and they shall defile thy brightness. 8 They shall bring thee down to the pit, and thou shalt die the deaths of *them that are* slain in the midst of the seas. 9 Wilt thou yet say before him that slayeth thee, I *am* God? but thou *shalt be* a man, and no God, in the hand of him that slayeth thee. 10 Thou shalt die the deaths of the uncircumcised by the hand of strangers: for I have spoken *it*, saith the Lord GOD. 11 Moreover the word of the LORD came unto me, saying, 12 Son of man, take up a lamentation upon the king of Tyrus, and say unto him, Thus saith the Lord GOD; Thou sealest up the sum, full *of* wisdom, and perfect in beauty. 13 Thou hast been in Eden the garden of God; every precious stone *was* thy covering, the sardius, topaz, and the diamond, the beryl, the onyx, and the jasper,

the sapphire, the emerald, and the carbuncle, and gold: the workmanship of thy tabrets and of thy pipes was prepared in thee in the day that thou wast created. 14 Thou *art* the anointed cherub that covereth; and I have set thee *so:* thou wast upon the holy mountain of God; thou hast walked up and down in the midst of the stones of fire. 15 Thou *wast* perfect in thy ways from the day that thou wast created, till iniquity was found in thee. 16 By the multitude of thy merchandise they have filled the midst of thee *with* violence, and thou hast sinned: therefore I will cast thee as profane out of the mountain of God: and I will destroy thee, O covering cherub, from the midst of the stones of fire. 17 Thine heart was lifted up because of thy beauty, thou hast corrupted thy wisdom by reason of thy brightness: I will cast thee to the ground, I will lay thee before kings, that *they* may behold thee. 18 Thou hast defiled thy sanctuaries by the multitude of thine iniquities, by the iniquity of thy traffick; therefore will I bring forth a fire from the midst of thee, it shall devour thee, and I will bring thee to ashes upon the earth in the sight of all them that behold thee. 19 All they that know thee among the people shall be astonished at thee: thou shalt be a terror, and never *shalt* thou be any more. 20 Again the word of the LORD came unto me, saying, 21 Son of man, set thy face against Zidon, and prophesy against it, 22 And say, Thus saith the Lord GOD; Behold, I *am* against thee, O Zidon; and I will be glorified in the midst of thee: and they shall know that I *am* the LORD, when I shall have executed judgments in her, and shall be sanctified in her. 23 For I will send into her pestilence, and blood into her streets; and the wounded shall be judged in the midst of her by the sword upon her on every side; and they shall know that I *am* the LORD. 24 And there shall be no more a pricking brier unto the house of Israel, nor *any* grieving thorn of all *that are* round about them, that despised them; and they shall know that I *am* the Lord GOD. 25 Thus saith the Lord GOD; When I shall have

gathered the house of Israel from the people among whom they are scattered, and shall be sanctified in them in the sight of the heathen, then shall they dwell in their land that I have given to my servant Jacob. 26 And they shall dwell safely therein, and shall build houses, and plant vineyards; yea, they shall dwell with confidence, when I have executed judgments upon all those that despise them round about them; and they shall know that I *am* the LORD their God."

The Jewish book of *Zechariah* 13:8, 9 calls on Jews to ensure that two thirds of the extant population of Jews in the world will be exterminated:

"8 And it shall come to pass, *that* in all the land, saith the LORD, two parts therein shall be cut off *and* die; but the third shall be left therein. 9 And I will bring the third *part* through the fire, and will refine them as silver is refined, and will try them as gold is tried: they shall call on my name, and I will hear them: I will say, It *is* my people: and they shall say, The LORD is my God."

The Jewish book of *Isaiah* 2:4 promises the Jews that when they have destroyed the Gentile nations through war, the Jews will live in perpetual peace:

"4 And he shall judge among the nations, and shall rebuke many people: and they shall beat their swords into plowshares, and their spears into pruninghooks: nation shall not lift up sword against nation, neither shall they learn war any more."

The Jewish book of *Zechariah* 8:23 promises the Jews that they will be able to enslave the Gentiles in the Messianic Jewish Era:

"23 Thus saith the LORD of hosts; In those days *it shall come to pass*, that ten men shall take hold out of all languages of the nations, even shall take hold of the skirt of him that is a Jew,

saying, We will go with you: for we have heard *that* God *is* with you."

The Jewish book of *Isaiah* 40:15-17; 61:5-6 teaches the Jews that their holocaust of Lebanon, their burnt offering of the Lebanese People to Baal, will not suffice, but that the Jews must destroy all Gentile nations and enslave the Gentiles:

"40:15 Behold, the nations *are* as a drop of a bucket, and are counted as the small dust of the balance: behold, he taketh up the isles as a very little thing. 40:16 And Lebanon *is* not sufficient to burn, nor the beasts thereof sufficient for a burnt offering. 40:17 All nations before him *are* as nothing; and they are counted to him less than nothing, and vanity. [***] 61:5 And strangers shall stand and feed your flocks, and the sons of the alien *shall be* your plowmen and your vinedressers. 61:6 But ye shall be named the Priests of the LORD: *men* shall call you the Ministers of our God: ye shall eat the riches of the Gentiles, and in their glory shall ye boast yourselves."

George Bush Is a Racist Warmonger

Christopher Jon Bjerknes

http://www.jewishracism.com

It is becoming increasingly clear that George Bush irrationally hates Moslem people. The President of our United States of America has smeared the Moslem world with the racist slur of "Islamic Fascists". What is that you say, Moslems are not a race? I think in George Bush's eyes

they are. To Bush, the Moslems are a race of "evil doers", the sub-human cattle that the cabalistic Jews must exterminate, directly or through proxies, during the "birth pangs" of the Messiah or "hevlei Mashiah".

Why is it that Bush uses the word "fascist" to describe Moslems? It is a buzz word which to the Jewish community means Hitler and the Holocaust. Bush wants to unify the Jewish community with racist hatred against the manufactured and artificial enemy of Islam. Bush is blind with genocidal hatred. His hatred comes from his racist friends who want to slay Amalek to the last man, woman and child. Ironically, it is Bush who is the fascist. He has no regard for liberty. His administration has an incestuous relationship with the war industry and the media.

Bush and his racist friends regularly smear and dehumanize a large segment of humanity with the hateful terms of "terrorist", "extremist" and "fascist". They offer no proof, but rely on emotion and manufactured hatred to blind the public to fact that they are being manipulated to despise and mass murder our fellow human beings. It does not bother the Bushes of the world that Christian Zionists regularly call for the mass murder of two billion human beings. They do not need to be watched, or even discussed. Their plans for genocide cause no alarm. Bush speaks not a word in condemnation of Israel's terrorism and crimes against humanity. In Bush's mind, Israel is killing off an evil race and doing the world a favor. It does not bother Bush that the self-proclaimed "Jewish State", a racist nation of but five million hatefilled Jews, is forever destabalizing the world and causing wars. Bush wants war. Why? So that he can kill more Moslems. Bush won't be satisfied until he has killed all Moslems. Terror and genocide do not alarm Bush. They are his modus operandi.

The Deadly Lack of Lebanese Leadership

Christopher Jon Bjerknes

http://www.jewishracism.com

It is perhaps an open question whether Lebanese Prime Minister Fouad Siniora is a spineless fool without any vision or leadership abilities, or a billionaire banker who is working for the Israelis. What is certain is that Siniora is standing idly by while the genocidal Israelis are destroying Lebanon. Lebanon desperately needs a new leader. Siniora ought to step down and make room for someone who will forcefully fight for the nation's survival. If he won't leave voluntarily, then the Lebanese should feed him to his wealthy Israeli friends.

In order to survive, the Lebanese will have to take immediate action to change American public opinion and create dissensions between the America public, who are at heart decent folk, and the racist Israelis who are leading Americans by the nose into the abyss of partnering up with the Israelis in their planned mass genocide of the Islamic world. If the Israelis can control American public opinion with obvious lies, and hateful, racist and bellicose rhetoric; then the Lebanese can counter those lies with the honest facts and reveal to the Americans that they have been duped by a warmongering tribe who ultimately plan to destroy America.

I suggest the Lebanese government produce a national video documentary and use some of Siniora's fortune to show it on American television in every possible venue. They should also

make it freely available on the internet. Rather than letting the image of the Moslem world be (a crypto-Jew dressed as) an Arab burning the America flag, the Lebanese should assemble the most graphic footage available of the Israeli genocide of Lebanon. They should contrast the current devastation by the Jewish State, with scenes of beautiful Lebanon before the unprovoked Israeli aggression. They should dispel the Israeli myth of provocation. They must have polished and well spoken advocates who appeal to American sensibilities, and who can convince Americans of what is happening. They must counter the racist Jewish lies which claim that all Moslems are subhuman terrorists. They must garner the sympathy of Americans with the truth. They must rescue Americans from the senseless hatreds which racist Jews have instilled in them.

Islam can and must drive a wedge between honest Americans, and the genocidal Israelis who are out to destroy humanity. Once Americans understand that duplicitous racist Jews have led Americans to blindly hate people who have done them no harm, and to commit economic and spiritual suicide for the sake of Jewish racism, the American People will quickly turn against the hatemongering Israelis and side with justice and peace against warmongering Jewish supremacism.

The Lebanese should make an open appeal to the people of the world in this documentary and call on us all to help save the Lebanese People from the barbaric and cowardly Israel destruction of their country. If the racist Jews can win Americans to their sick cause with pure and unprovoked hatred, then the Lebanese can persuade the world that the Lebanese People need and deserve our help to save them from this vicious, merciless and murderous Israeli attack. When the American People see all that the racist Jews and Israeli firsters have kept hidden from

them, they will quickly realize that they have been used and deceived by evil and heartless monsters. Americans will speedily discover that the Jewish controlled American media have closed off Americans from the world and from the truth, in the same way that Jewish-Bolsheviks closed off the Russian People from the world and from the truth.

The Lebanese must work for American support and the Islamic world must not fall into the trap of associating America with Israel. Nothing could better serve Israeli warmongering interests than for the Moslem world to alienate itself from America and foster the false Israeli propaganda that America should unite with Israel against Islam. The Islamic world ought to reveal the truth, that they want to live in peace and harmony with all nations and that it is Israel which is starting wars and spreading hatred and terrorism, that it is Israel which is behind most of the terrorism in the world, and that Israel is the worst enemy America has ever had. The Lebanese should appeal to the citizens of the world, the common people, to question why the governments of the world are doing nothing to end Israel's crimes against humanity, and why the media fails to broadly condemn Israel for its genocidal attack on Lebanon. The governments of the world shirk their responsibility to act against the rape of Lebanon, and disingenuously call on the United States to take measures to stop the Israeli violence, knowing full well that the American government is a puppet government serving the Israelis. The people of the world should demand that their governments break off diplomatic relations with monstrous Israel and crush the tiny nation economically.

We must bring about peace before the Israeli war criminals finish off Lebanon and then move on to an unprovoked attack on Syria and worse yet, the Israelis' planned nuclear attack on Iran.

America is already stained with the blood of hundreds of thousands, if not millions of Iraqis. Israel plans to bathe us in more innocent blood. We must not let ourselves be led by Jewish racists into further inhuman hatred and war. This madness must end. We can end it immediately through the collective will of our individual conscience. Let us never again become murderous robots programed by racist Jews to hate other human beings.

The False Charge of Anti-Semitism

Christopher Jon Bjerknes

http://www.jewishracism.com

There is nothing new about racist Jews silencing criticism with the false charge of anti-Semitism. Racist Jews segregated themselves throughout the ancient world. They demanded religious tolerance, which for Jews meant intolerance towards all other religions and the divine Jewish right to rule the world and destroy it. For example, Jews formed golden ghettoes throughout the Roman Empire and forbade their children from marrying into other "races". They robbed the wealth of other nations by means of usury, monopolies, tax collection, money changing, etc. Though Jews demanded the right to practice their religion in all parts of the ancient world, Jews forbade others from practicing Gentile religions in Judea or in any of the golden ghettoes which the Jews themselves had established throughout the ancient world. Furthermore, Jews did what they could to undermine other religions, cultures and governments wherever they could, and sought to bring Gentiles into perpetual war and perpetual debt.

Whenever anyone would challenge Jewish hypocrisy and racist Jewish supremacism, the Jews would unite as a racist, segregationist tribe and cry out, "You are against the Jews! You are intolerant! You are a hatemonger!" No, the tribal hypocrisy of the Jews is not new. It has been a part of Jewish culture and religion for 2,500 years. The Jews have always believed that they are a master race above all others (*Deuteronomy* 7:6) and that one would have to be an anti-Semite to not recognize that fact and refuse to bow down to the Jews as a tribe and as individuals. The Jews even fabricated the racist myth that the reason why Gentiles refuse to acknowledge the Jews' God given right to rule the world and destroy it, is that the Gentiles have a genetic predilection to hate the Jews (*Genesis* 25:23; 27:38-41); and, therefore, the Jews must kill off the Gentiles or face death at their hands. In this way, the Jews scapegoat the Gentiles for Jewish racism, Jewish intolerance, and Jewish genocide of all other peoples. The cry of "anti-Semitism" is Jewish means of scapegoating Gentiles for Jewish intolerance, Jewish hatred and Jewish destruction. It is a declaration that if you refuse to let the Jews kill you because they hate you, you then you deserve death because you are hateful.

When a racist Jew shakes his fist in your face and whines, "Anti-Semite!" he is really saying, "God has chosen us, not you! If you refuse to obey our divine superiority and let us ruin your reputation and your life, then we will ruin your life and your reputation! Our way is God's way and if you do not obey us, then we have a God given right to destroy you, and obedience to us means your destruction!" As they say, "Heads I win, tails you lose." That is the tale of Jewish racism. In it, the Gentiles always lose. Haven't you heard? "Jews are a blessing and curse." Sycophants thrive and dignified Gentiles perish. That is the game. Don't tell anyone, but the sycophants will perish, too. Only "righteous Jews" have the right to live. If you don't believe it,

pick up a Hebrew Bible and do a little reading. For the moment, the Jews of racist Israel and their racist tribesmen throughout the world, the Jews who form a hostile State within a State, must remain content to kill off the Iraqis, the Palestinians and the Lebanese; but give them a few more months and they will attack the Syrians, the Iranians, then the Jordanians, the Saudis, the Egyptians, and inevitably the world. They rejoice in their hateful vengeance upon the world for being happier and saner than they will ever be. If you deny them this God given right to kill you, then you must be an anti-Semite who deserves death. For your sin of living, the racist Jews will rub their sins upon your back and send you into Hell.

Who Violated United Nations Resolution 1559?

Christopher Jon Bjerknes

http://www.jewishracism.com

Israel is trying desperately to scapegoat Lebanon for the Jewish destruction of the Lebanese nation and its people. Mossad agents and Israel firsters in the American Government and press propagate the Israeli lie that Lebanon allegedly violated U. N. Res. 1559, and that this alleged violation gives legal justification for Israel's illegal genocide of the Lebanese.

In fact, it is Israel which has violated United Nations Security Council Resolution 1559, in that the resolution protects Lebanon's national sovereignty and Israel has invaded and occupied Lebanon in violation of Lebanon's national sovereignty. In addition, Resolution 1559 does not

provide for genocide as a sanction in the event that this selfsame resolution is violated, nor does the resolution mandate a time schedule, nor does the resolution provide for an Israeli invasion and occupation of Lebanon.

The United Nations never declared that Israel should invade Lebanon. The United Nations never sanctioned Israel's unprovoked and barbaric aggression against Lebanon.

Lacking any legal justification for their long planned and unprovoked attack, Israel sent a few of its soldiers into Lebanon knowing that the Lebanese would have to take action against them and capture them. Israel then used Israel's violations of international law as a spurious pretext to invade Lebanon. Far from being sanctioned by the United Nations, Israel's unprovoked and genocidal aggression is instead the fulfillment of an illegal and inhuman 2,500 year old Jewish genocidal plan for the destruction of Lebanon mapped out in the Jewish book of *Ezekiel* chapters 27 and 28.

It is ludicrous for Israel to claim that Lebanon is in violation of 1559 and that, in effect, the U. N. has called upon Israel to grind Lebanon into dust. However, it should come as no surprise that the Jewish State does not honor international obligations or fundamental human principles. Jews are taught in the Hebrew Bible (*Deuteronomy* 7:6. *Isaiah* 2:3) and in the Talmud that Jews are a master race, which makes all laws for all peoples and need honor none when dealing with Gentiles. Jews deliberately disavow any obligations in their annual dishonorable prayer of *kol nidre*.

Furthermore, it is ludicrous for Jews to claim that Hezbullah constitutes a State within a State. Jews know a little bit about being a State within a State and this accusation has been leveled at

Jews for thousands of years. Not only have masses of racist Jews formed a State within a State around the world, they have formed a State hostile to all others which violates the trust and good will of its host nations and subverts the interests of Gentiles and deliberately leads them into ruin and death. Disloyal Jews and their Israel first agents form a disloyal and hostile State within the United States, and they constitute a fifth column and fourth estate of the Israeli war machine which is driving us all into World War III in deliberate and artificial fulfillment of Jewish Messianic prophecy.

Hezbullah is a political faction in the Lebanese People, not a State within a State. If it is a "Militia" it is the only Army defending Lebanon from Israel's illegal and barbaric aggression. Hezbullah has proven itself to be the only Lebanese national defense force, and therefore it is not subject to 1559. Unlike racist and disloyal Jews around the globe, Hezbullah defends the nation which is its home and does not claim racial and national distinctions from the nation which is its home, which racist Jews claim no matter where they happen to live. It is the racist Jews who form a State within a State. Hezbullah has proven itself to be Lebanon's only national defense.

Since when does Israel heed United Nations resolutions? There have been scores of United Nations Resolutions demanding Israel take action to end its many violations of international law. There have been scores of United Nations Resolutions condemning Israel for the racist atrocities Israel has committed against its neighbors. Israel has always violated United Nations resolutions and continues to do so. It is Israel which has violated United Nations Resolution 1559.

Jews Have Always Scapegoated Their Victims

Christopher Jon Bjerknes

http://www.jewishracism.com

Messianic Jewish religious mythology teaches Jews to commit genocide against all other peoples. Jews are taught to ruin the religions, cultures, nations and lives of the rest of humanity. They often hide their evil acts by scapegoating their victims and blaming them for the atrocities Jews have committed and are committing today.

The Jewish mythology of the scapegoat is found in the Hebrew Bible at *Leviticus* 16 and in the Jewish Talmud in the book of *Yoma*. On the day of atonement, Jews used to select two goats, one to be sacrificed to God in the Temple, the other to be sent into the wilderness to Azazel. All the sins of the Jews were placed on the goat which was sent into the wilderness and in this way Jews unburdened themselves of the guilt of their sins. About the time Jesus Christ was said to have been sacrificed to atone for the sins of mankind, the rituals of atonement in the Jewish Temple began to fail. Forty years later, the Romans destroyed the Jewish Temple. Some Christians believe that Jewish ritual sacrifices ended with the sacrifice of Jesus, and that the Jews ought not to rebuild a Temple and must not resume animal sacrifices, for such sacrifices would constitute a blasphemy against the sacrifice on the cross.

In recent times, organized Jewry have scapegoated the Czar of Russia for the crimes against the Russian People Jews have deliberately committed. In this way, criminal Jews were able to drive a wedge between the Russian People and the government which was desperately trying to protect the Russian People from organized Jewry which sought to destroy them. Racist Jews organized strikes and carried out pogroms against Jews, and then Jews defamed the Czar in the international press by falsely blaming him for the misery Jews were deliberately causing other Jews and Gentiles. Jews promoted war between the Japanese and the Russians, and financed the Japanese while blocking Russia's access to funds. Jews heavily financed violent and destructive revolutionaries to create discontent and unrest among the Russian People. Jews made the Russian People suffer and blamed the Czar for the harm Jews had done. In this way, Jews caused the Russian People to destroy themselves and their government and hand over all their independence and power to organized Jewry. Jews were then able to carry out their ancient plans as they mass murdered tens of millions of Slavic Christians.

Zionist Jews then placed Adolf Hitler into power to further the spread of Communism and to drive reluctant Jews to Palestine against their will. Jews then blamed German Gentiles for the harm to Jews and other Europeans, which these same Jews had deliberately caused.

Zionist Jews placed George Bush into power in America. Jews had their agent George Bush bring America into perpetual war and perpetual debt. These same Jews now blame Bush and Gentile government in the United States for the harm Jews are deliberately causing Americans and the non-Jewish peoples of the Middle East. Jews even blame the United States for Israel's unprovoked aggression and genocide against Lebanon. In this way, Jews not only unburden

themselves from their guilt, they discredit Gentile governments and bring Gentile governments into unnecessary war with each other, all of which furthers the ambitions of ancient Jewish Messianic goals.

Jews are presently also scapegoating Hezbullah and the Palestinian People for the barbaric Jewish genocide of the Palestinian and Lebanese Peoples. Israelis followed the same model to create a pretext for the Jewish mass murder of helpless Arabs. Israelis sent Jewish soldiers into foreign territory and then pretended that the capture of these soldiers constituted a *casus belli* for the genocidal wars Jews have been planning for 2,500 as found in the book of *Ezekiel*. Jews overrate the strength of Hezbullah so as to provide a pretext for the complete destruction of Lebanon Jews planned in *Ezekiel* Chapters 27 and 28. Jews offer false hope that their unprovoked aggression will soon end, then dash those hopes by intensifying their murder of helpless Lebanese children and babies and pour the blood of their victims back onto their victims by scapegoating them for Jewish atrocities.

Scapegoating is but one form of deceit which is deeply ingrained in the Judaic psyche. Another ancient Jewish deceit is the use of crypto-Jews to undermine Gentile societies and religions. Christian Zionists, often led by crypto-Jews, are desperate to commit genocide against at least two billion human beings in the false and utterly selfish hopes that by mass murdering these innocents Christian Zionist mass murderers will provoke Jesus to Rapture the Christian Zionists mass murderers into Heaven. Crypto-Jews created these false beliefs (and others like them) and sponsor them today in an effort to trick Gentiles into killing one another off. Ancient Jews taught this behavior in the Hebrew Bible in the book of *Esther*. Jews celebrate the genocide of Gentiles, and the deceit of the crypto-Jew, once every year in the Jewish festival of *Purim*. It is

the Jews' favorite holiday.

Crypto-Jews, Zionist Jews, and Israel firsters have infiltrated the mass media and governments of all the world. They are deliberately attempting to orchestrate a nuclear World War III in the hopes that it will kill off the Gentiles and leave only "righteous Jews" alive in the "End Times". The People of the World must take action to save themselves from the genocide racist Jews have been planning for 2,500 years and which they believe they must carry out now that they have created the Jewish Kingdom in Palestine. We cannot depend upon government or media to help. Both have been corrupted by genocidal Jewish influence.

Sefer Zerubbabel

Christopher Jon Bjerknes

http://www.jewishracism.com

Racist Jewish leaders are planning revolutions and civil wars world wide. What they have done to destroy Iraq, they will do in America. The Hebrew Bible instructs Jews to pit brother against brother, as in the American Civil War, and in Iraq, and in the strife racist Jews are trying to foment between Sunni and Shia Moslems, and Pakistanis and Indians, etc.

The Jewish book of *Haggai* 2:22 states:

"And I will overthrow the throne of kingdoms, and I will destroy the strength of the kingdoms of the heathen; and I will overthrow the chariots, and those that ride in them; and the horses and their riders shall come down, every one by the sword of his brother."

Jewish leaders have installed Mahmoud Ahmadinejad to play act as the "Persian King" of Jewish apocalyptic mythology (*Ezekiel* 38; 39). *Sefer Zerubbabel* instructs the Jews to war with Persia and then with the world. It teaches Jews to destroy Islam and its Mosques and to rebuild

the Jewish temple. The *Book of Zerubbabel* also demands that the Jews steal the land of Greater Israel from its inhabitants:

http://www.religiousstudies.uncc.edu/jcreeves/sefer_zerubbabel.htm

http://www.jewishracism.com/Johannes_Buxtorf.pdf

Ancient Jewish mythology claimed the land extending north to the Litani River in Lebanon. The supposed Israelite Tribes of Asher and Naphtali, which never existed, allegedly inhabited this region of southern Lebanon. Jewish designs on this land are ancient, and were then, as now, based on deliberate lies and false pretenses. However, racist Jews want yet more land than that which was allegedly occupied by the ancient tribes of Israel, which tribes never existed, and, of course, have never been ingathered in violation of Jewish prophecy:

http://en.wikipedia.org/wiki/Greater_Israel

Christian Zionists who sponsor Israeli aggression and genocide are violating the tenets of the Christian faith. *Acts* 1:6-7 states:

"6 When they therefore were come together, they asked of him, saying, Lord, wilt thou at this time restore again the kingdom to Israel? 7 And he said unto them, It is not for you to know the times or the seasons, which the Father hath put in his own power."

Matthew 5:9 states:

"Blessed are the peacemakers: for they shall be called the children of God."

Matthew 10:16-18 states:

"16 Behold, I send you forth as sheep in the midst of wolves: be ye therefore wise as serpents, and harmless as doves. 17 But beware of men: for they will deliver you up to the councils, and they will scourge you in their synagogues; 18 And ye shall be brought before governors and kings for my sake, for a testimony against them and the Gentiles."

Apartheid America and Racist Profiling

Christopher Jon Bjerknes

http://www.jewishracism.com

Racist Jews have poisoned America with all of the problems they have deliberately created in Israel. We now see American soldiers attacking Islamic families in their homes—just like the Israelis. Racist Jews are teaching Americans to irrationally hate Moslems—just like the Israelis. Racist Jews are teaching Americans that Moslem life has no value—just like the Israelis. Racist Jews have brought terrorism to America—just as racist Jews brought terrorism to the Middle East. Racist Jews propose the same solutions to the problems they create in America, which racist Jews propose in Israel—hatred, racism, segregation, war and genocide.

In order to distract from the Israeli genocide of the Lebanese, the Jewish media are promoting the Israeli apartheid system in America. They are scapegoating Moslems for Jewish hatred, Jewish atrocities and Jewish warmongering. In violation of the First, Fourth, Fifth, Sixth, Eight, Thirteenth, and Fourteenth Amendments to the Constitution of the United States of America;

racist Jews are asking Americans to adopt institutional racism and religious intolerance by creating an artificial class of persons called Moslems, which the racist Jews broadly stigmatize with the lie that they are terrorist suspects by reason of their religious choice.

Never mind that millions of American Christian Zionists, who have been made hateful and genocidal by Israeli leaders and their agents, are plotting to commit genocide against one third of humanity and two thirds of Jews. There is no need to worry about this group's desire to end the world with nuclear war. They have the full support of the racist Jews who created them. There is no need to worry about the Christian and Jewish terrorists who are plotting to destroy the Al Aqsa Mosque and Dome of the Rock to both provoke the Moslem world with this injustice and attack, and to enable the racist Jews to build a Jewish temple on the site.

The goal of the racist Jews is not to prevent terrorism, but rather to commit state sponsored terrorism against one billion Moslems. Racist Jews want Moslems to feel subhuman. They want all non-Moslem people to look at the persecution of Moslems and presume that there must be a good reason for it. Racist Jews want Moslems perpetually back on their heels defending themselves from Jewish attacks so that they can never gain forward momentum in their defense against Jewish racism and Jewish genocidal designs on their lives. Racist Jews want Moslems docile and supplicant as the racist Jews kill them off.

Racist Jews want to Bolshevize America and establish a legal precedent that fundamental human rights are the enemy of Americans and are the source of terror. Racist Jews are teaching Americans that free speech, liberty, equality under the law, etc. are weapons which will destroy us, and that we must therefore banish these allegedly dangerous fundamental rights from our

nation.

When the Zionist Nazis marked Jewish shops with identifying badges in response to the Jewish call for war against Germany, Zionist Jews welcomed this act of segregation. Racist Jews love segregation. Racist Jews have always promoted segregation and racist hatred. Their current desire to dehumanize and segregate Moslems is not new. Jews have been dehumanizing Christians, Moslems and more broadly all non-Jews, for thousands of years.

There are many ways to counter this racist Jewish push to divide and destroy America. Americans should ask themselves if they want to buy products which sponsor racism in the American media through their advertising dollars. Americans could write to sponsors who finance the propagation of blind hatred and racist intolerance in the American media and let those sponsors know that they will not purchase their products or use their services.

Racist Jews are spreading their message of hatred, war and genocide around the globe. They will try to incite a war between Pakistan and India. They will promote an alliance between Israel and India, though they have planned to exterminate the idol worshiping Hindus for thousands of years and will provide both sides with weapons to destroy one another. Racist Jews would love to see millions of Pakistani Moslems and Indian Hindus massacre one another with nuclear weapons, just as they applauded and sponsored the prolonged war between Iraq and Iran in the hopes that the senseless violence would take more innocent Goy life. War, segregation, racist hatred and genocide are the racist Jewish agenda. Moslems are the present primary target. Christians and Hindus will be next.

We each have a moral obligation to oppose the racist Jews' desire to make America an apartheid

state. Do we really want to sponsor the sponors of racism in the American media?

The Apparent Enemy of Your Enemy Is Not Always Your Friend

Christopher Jon Bjerknes

http://www.jewishracism.com

The Shabbataians were a sect of Jews who feigned conversion to Islam in order to destroy the Turkish Empire and the Moslem faith. Converso, or Marrano, Jews of Spain, and Frankists of Poland, Bohemia, Moravia and elsewhere, likewise feigned conversion to Islam and Christianity in order to gain access to power and subvert Gentile society and the Christian and Moslem faiths. The Frankists even deliberately provoked anti-Semitism in order to gain power in the Gentile world in the hopes that they would ultimately destroy it. These racist Jews love to promote hatred, racism and war. Such luminaries as Louis Brandeis are the descendents of these subversive Jews.

Between the false Jewish Messiah Shabbatai Zevi and the false Jewish Messiah Jacob Frank, was the false Jewish Messiah Barukhyah Russo. Russo led the Dönmeh crypto-Jews of Salonika, who eventually morphed into the Young Turks, destroyed the Turkish Empire and committed genocide against Christian Armenians. The lineage of false genocidal Jewish Messiahs followed from Shabbatai Zevi, to Barukhyah Russo, to Jacob Frank, to Mayer Amschel Bauer, a. k. a. Rothschild, the red shield of the Communists, who, like Moses' brother Aaron, worshiped gold.

One wonders about the intentions of the descendants of these subversive Jews. The writings of the Frankists have mysteriously disappeared, even from prestigious libraries. They have always sought to fulfill the Messianic prophecies of the Jews, which is to say they seek to take all the wealth of the Gentiles, destroy all religions save Judaism and to exterminate the Gentiles and resistant Jews.

Jewish bankers have often led Gentiles to clamor for banking "reforms" which enslave the Gentiles and their future generations, and which enrich Jewish leaders. One such "reform" would be to sucker the Goyim into demanding that the American Government embrace the gold standard. Foolish and greedy gold merchants in America would sponsor this move, some perhaps mistakenly believing that it would enrich them. They would try to persuade Americans that it was in their best interests to demand a gold standard and that the gold standard is the only way to remove the influence of the Jewish bankers from American society. Many of these subversives would likely secretly be in cahoots with the Jewish bankers. The gold standard would in fact ruin the American economy and generate unimaginable profits for the Jewish bankers who own much of the gold, a good portion of that stolen from the American People. Jewish bankers would profit even if they held no gold, from the commissions on transactions. But the holders of gold in America would likely lose out, not only because the American economy would collapse, but also because the Jewish bankers would see to it that gold would be confiscated at below market values from American citizens. The apparent enemies of the Jewish bankers who would "reform" the banking system have often been paid agents of those same bankers.

The Dönmeh crypto-Jews have corrupted the governments of the Middle East. One has to wonder if revolutionary puppets like Mahmoud Ahmadinejad are in fact crypto-Jews. Jewish leaders have long sought to destroy the governments of the Middle East with the controlled opposition of revolutionary Communism. Jewish leaders use anti-Semitism, anti-Zionism and Communism as a trap to put their leaders into power. Egypt was a primary target of this campaign, as was Iran. In other nations, billionaire bankers like Hariri and Siniora take charge and serve the interests of Jewish bankers against the interests of their people. In yet other nations, such as Saudi Arabia and Jordan, the CIA and Mossad funnel in billions in bribes to leaders who work against the interests of their people. This has also occurred in Egypt and other Arab nations. The late Prime Minister of Lebanon, Rafik Hariri made immense profits from his construction contracts. Who will profiteer from the genocidal Israeli destruction of Lebanon this time around?

A State Within a State: The Racist Jewish Fifth Column and Fourth Estate in America

Christopher Jon Bjerknes

http://www.jewishracism.com

Racist Jews have always prided themselves on the fact that they form a subversive and hostile "state within a state" in the nations in which they live. We have a large contingent of these racist Jews here in America. One of the tactics racist Jews use to destroy their host nation is to

promote hatred, racism and war. The racist Jewish Zionist Young Turks promoted hatred of Christian Armenians and mass murdered 1.5 million of them. This not only satisfied Jewish bloodlust, it discredited the Turkish Empire worldwide and led to its downfall. The racist Jewish Bolsheviks of the Soviet Union mass murdered tens of millions of Slavic Christians. This not only satisfied the Jewish desire for a sacrificial holocaust, it discredited the Russian nation and set it back hundreds of years. The racist Jewish Zionists placed Adolf Hitler in power to promote hatred and racist crypto-Jews created youth organizations whose purpose it was to turn the German youth into hate filled, warmongering racists. Racist Jews destroyed the German People with wars Jews financed and deliberately provoked.

Today, racist Jews are destroying America by promoting irrational hatred of Moslems and perpetual war. The racist Jews plan to eventual destroy America, after the racist Jews have finished using America to mass murder Moslems. The racist Jews will then cry loudest of all that Americans are bloodthirsty racists who ought to be wiped off the face of the Earth, just as the racist Jews who were behind the Young Turks, the Bolsheviks and the Nazis turned on them and destroyed their nations. Racist Jews are duty bound to ruin all nations save Israel. They only pretend to back one side against another so that they can eventually destroy both "enemies"—racist Jews view all Gentiles as genetic enemies of the Jews. Though modern racist Jews are broadly smearing all Moslems as if disloyal citizens, it is the racist Jews who have always been disloyal citizens in the nations of the world, as many racist Jews have openly admitted.

The Jewish book of *Haggai* 2:22 states:

"And I will overthrow the throne of kingdoms, and I will destroy the strength of the kingdoms of

the heathen; and I will overthrow the chariots, and those that ride in them; and the horses and their riders shall come down, every one by the sword of his brother."

Jewish author Maurice Samuel wrote in his book *You Gentiles*,

"Philosophies do not remold natures. What your radicals want is another form of the Game, with other rules. Their discontent joins hands with Jewish discontent. But it is not the same kind of discontent. A little distance down the road the ways part for ever. The Jewish radical will turn from your social movement: he will discover his mistake. He will discover that nothing can bridge the gulf between you and us. He will discover that the spiritual satisfaction which he thought he would find in social revolution is not to be purchased from you. I believe the movement has already started, the gradual secession of the Jewish radicals, their realization that your radicalism is of the same essential stuff as your conservatism. The disillusionment has set in. A century of partial tolerance gave us Jews access to your world. In that period the great attempt was made, by advance guards of reconciliation, to bring our two worlds together. It was a century of failure. Our Jewish radicals are beginning to understand it dimly. We Jews, we, the destroyers, will remain the destroyers for ever. Nothing that you will do will meet our needs and demands. We will for ever destroy because we need a world of our own, a God-world, which it is not in your nature to build. Beyond all temporary alliances with this or that faction lies the ultimate split in nature and destiny, the enmity between the Game and God. But those of us who fail to understand that truth will always be found in alliance with your rebellious factions, until disillusionment comes. The wretched fate which scattered us through your midst has thrust this unwelcome role upon us."—M. Samuel, *You Gentiles*, Harcourt, Brace & Co., New York, (1924), pp. 154-155.

The Jewish book of *Exodus* 1:8-14 states:

"8 Now there arose up a new king over Egypt, which knew not Joseph. 9 And he said unto his people, Behold, the people of the children of Israel *are* more and mightier than we: 10 Come on, let us deal wisely with them; lest they multiply, and it come to pass, that, when there falleth out any war, they join also unto our enemies, and fight against us, and so get them up out of the land. 11 Therefore they did set over them taskmasters to afflict them with their burdens. And they built for Pharaoh treasure cities, Pithom and Raamses. 12 But the more they afflicted them, the more they multiplied and grew. And they were grieved because of the children of Israel. 13 And the Egyptians made the children of Israel to serve with rigour: 14 And they made their lives bitter with hard bondage, in morter, and in brick, and in all manner of service in the field: all their service, wherein they made them serve, *was* with rigour."

Adolf Stoecker stated in 1879,

"The Jews are and remain a people within a people, a state within a state, a separate tribe within a foreign race."—P. W. Massing, *Rehearsal for Destruction: A Study of Political Anti-Semitism in Imperial Germany*, Howard Fertig, New York, (1967), pp. 285-285.

Zionist Napoleon Bonaparte stated,

"The Jews must be considered as a nation, and not as a sect. They are a nation within a nation."—S. Schwarzfuchs, *Napoleon, the Jews, and the Sanhedrin,* Routledge & Kegan Paul, London, Boston, (1979), p. 49.

Thomas Jefferson declared that Jews constitute a nation within a nation. Daniel J. Boorstein

wrote in his book *The Americans: The Colonial Experience*,

"The Society of Friends had become a kind of international conspiracy for Peace and for primitive Christian perfection. Some years after the Revolution, Thomas Jefferson called them 'a religious sect . . . acting with one mind, and that directed by the mother society in England. Dispersed, as the Jews, they still form, as those do, one nation, foreign to the land they live in. They are Protestant Jesuits, implicitly devoted to the will of their superior, and forgetting all duties to their country in the execution of the policy of their order.'"—D. J. Boorstein, *The Americans: The Colonial Experience*, Vintage Books, New York, (1958), pp. 64-65.

Jewish Zionist Richard Gottheil stated in 1898,

"We believe that the Jews are something more than a purely religious body; that they are not only a race, but also a nation; though a nation without as yet two important requisites — a common home and a common language."—R. Gottheil, "The Jews as a Race and as a Nation", *The World's Best Orations*, Volume 6, F. P. Kaiser, St. Louis, (1899), pp. 2294-2298, at 2296, at 2297.

Gottheil repeated this in a pamphlet and also stated in 1898,

"Zionism has sought and has found for us a basis which is a broader one than the religious one (and on which all religious distinctions vanish), that of race and of nationality. And even though we do not know it, and even though we refuse to recognize it, there are forces which are unconsciously making for the same end, working out in spite of us the will of Almighty God. Never before has such intelligent interest been taken by the Jews in their own past history.

Germany has become honeycombed with societies for the study of Jewish history. Vienna, Hamburg, and Frankfurt have associations for the preservation of Jewish art. The Société des Etudes Juives, the American Jewish Historical Society, the Anglo-Jewish Historical Society, the Maccabeans in London, the Judaeans in New York, the Council of Jewish Women, the Chautauqua Assembly meetings—all of these and many others are working in the same direction. They are welding the people of Israel together once more. They are not religious societies, mark you. They rest upon the solid basis of common racial and national affinity. [***] Nay! it would seem to me that just those who are so afraid that our action will be misinterpreted should be among the greatest helpers in the Zionist cause. For those who feel no racial and national communion with the life from which they have sprung should greet with joy the turning of Jewish immigration to some place other than the land in which they dwell. They must feel, e. g., that a continual influx of Jews who are not Americans is a continual menace to the more or less complete absorption for which they are striving. But I must not detain you much longer. Will you permit me to sum up for you the position which we Zionists take in the following statements: We believe that the Jews are something more than a purely religious body; that they are not only a race, but also a nation; though a nation without as yet two important requisites—a common home and a common language."—R. Gottheil, *The Aims of Zionism,* Publication No. 1 of the American Federation of Zionists, New York, (1899); quoted in A. Hertzberg, *The Zionist Idea*, Harper Torchbooks, New York, (1959), pp. 496-500, at 498-500.

Jewish Zionist racist Max Nordau declared,

"The first Zionist congress solemnly proclaimed in the face of the attentive world that the Jews are a nation, and that they do not desire to be absorbed by other nations."—M. Nordau and G.

Gottheil, *Zionism and Anti-Semitism*, Fox, Duffield & Company, New York, (1905), p. 27.

Zionist Rabbi Abraham Isaac Kook proclaimed,

"After our race was weaned [***] This people was fashioned by God to speak of His Glory; it was granted the heritage of the blessing of Abraham so that it might disseminate the knowledge of God, and it was commanded to live its life apart from the nations of the world. [***] It is a grave error to be insensitive to the distinctive unity of the Jewish spirit, to imagine that the Divine stuff which uniquely characterizes Israel is comparable to the spiritual content of all the other national civilizations. [***] It is a fundamental error to [***] discard the concept that we are a chosen people. We are not only different from all the nations, set apart by a historical experience that is unique and unparalleled, but we are also of a much higher and greater spiritual order."—A. I. Kook, *Orat*, Second Edition, Jerusalem, (1950); English translation in A. Hertzberg, *The Zionist Idea*, Harper Torchbooks, New York, (1959), pp. 419-431, at 422, 425, 427.

Jewish Zionist leader Nachum Goldman stated,

"Diaspora Jewry (all Jews outside Palestine) has to overcome the conscious or subconscious fear of so-called double loyalty. It has to be convinced that it is fully justified in tying up its destiny with Israel's. It has to have the courage to reject the idea that Jewish communities owe loyalty only to the states where they live."—English translation from K. A. Strom, Editor, The *Best of Attack! and National Vanguard Tabloid*, National Alliance, Arlington, Virginia, (1984), p. 60.

Goldman also stated,

"Judaism can have nothing in common with Germanism, if we go by the standards of race,

history and culture, and the Germans have the right to prevent the Jews from intruding into the affairs of their folk. [***] The same demand I raise for the Jewish folk, as against the German. The tragedy of the situation consists in the fact that it is not yet possible to establish the rule whereby the Jews should be assisted to move toward their state in Palestine. The Jews are divided into two categories, those who admit that they belong to a race distinguished by a history thousands of years old and those who don't. The latter are open to the charge of dishonesty. [***] It is true that the participation of Jews in subversive movements and in the overthrow of the German government in November, 1918, was extraordinarily strong. This is to be regretted since as a consequence of these activities, the Jewish people lost forces which could have been useful in its own folkist affairs."—N. Goldman, quoted by C. Bloch, *Mi Natan Li-meshisah Ya'akov ve-Yisrael Le-vozezim? Meharsim ve-maharivim mi-Hertsl ve-Nordoy derekh Goldman ve-Klatskin el ha-shehitah ve-hurban ha-Yahadut, mishak dam 'im goral Yisra'el*, Bronx, (1957). English translation from J. B. Agus, *The Meaning of Jewish History*, Volume 2, Abelard-Schuman, New York, (1963), p. 427-428.

The Jewish Zionist ideologist Jakob Klatzkin stated, among other things, in his book of 1921 *Krisis und Entscheidung im Judentum; der Probleme des modernen Judentums*, Second Enlarged Edition, Jüdischer Verlag, Berlin, pages 61-63, and 118:

" [I applaud] the contribution of our enemies in the continuance of Jewry in eastern Europe. [***] We ought to be thankful to our oppressors that they closed the gates of assimilation to us and took care that our people were concentrated and not dispersed, segregatedly united and not diffusedly mixed [***] One ought to investigate in the West and note the great share which antisemitism had in the continuance of Jewry and in all the emotions and movements of our

national rebirth . [***] Truly our enemies have done much for the strengthening of Judaism in the diaspora. [***] Experience teaches that the liberals have understood better than the antisemites how to destroy us as a nation. [***] We are, in a word, naturally foreigners; we are an alien nation in your midst and we want to remain one."—K. J. Herrmann, "Historical Perspectives on Political Zionism and Antisemitism", *Zionism & Racism: Proceedings of an International Symposium*, International Organization for the Elimination of All Forms of Racial Discrimination, Tripoli, (1977), pp. 197-210, at 204-205. A lengthy quotation from Klatzkin, in English translation, appears in: M. Menuhin, *The Decadence of Judaism in Our Time*, Exposition Press, New York, (1965), pp. 482-483.

World Public Opinion

Christopher Jon Bjerknes

http://www.jewishracism.com

The current break in the genocidal Jewish attack on Lebanon is the result of world public opinion. Hezbullah is not chasing Israel out of Lebanon. Hezbullah did not inflict heavy damage on the IDF. The Jewish war machine had free rein in Lebanon and is fully intact.

I caution the Moslem world to capture this moment to discredit Israel in several important ways but to consider refraining from attacking Israel in other more provocative ways. The Jewish war on humanity is not over and will never end until Judaism is discredited as the hateful, racist and

genocidal threat to mankind that it is.

I suggest that the Moslems and all well meaning people of the world flood the internet and the media with images of the deliberate and barbaric Jewish destruction of Lebanon. Show what Zionism truly signifies! Call for an economic embargo on the aggressive nation of Israel until it has paid for its crimes against humanity and paid reparations to the Lebanese and Palestinians for the Jewish led Holocaust of the Lebanese and Palestinian Peoples. Demand that Israel disband its aggressive, imperialistic, colonial and genocidal army. Demand that genocidal and inhuman Israel peacefully dispose of its nuclear arsenal, which is a real and present threat to all of humanity.

Point out the Jewish control over many nations in the region, and the international racism sponsored by the Jewish media which prolonged and prolongs the Jewish campaign to bring the world into war. Cry out against the injustice and madness of the racist Jewish State, which consists of some small number of five million racist Jews, but which feels justified in its never ending campaign to ruin the lives of a billion Moslems and its relentless efforts to kill off hundreds of millions of Arabs, Turks and Persians. Speak out against the warmongering and inhuman nation of Israel, which unimportant and hate filled nation perpetually throws the world into turmoil because it believes that five million racist Jews are a master race, superior to the sum total of six billion cattle which dare to inhabit the world against the Jewish God's genocidal wishes. Demand justice! Demand reparations! Demand that racist Israel disarm!

Rather than threaten war, sing the praises of peace. Show that helpless Lebanese and Palestinians have been decimated by the genocidal Israelis. Drive a wedge between America and

Israel! Do nothing to help the Jewish fifth column in America to use the American People to murder the Moslem and Christian People of the Middle East. It is true that the United States has committed and continues to commit horrific injustices in the Middle East. Our government has been usurped by racist Jews and their ill gotten fortunes. But it is an elemental tactic of war to drive a wedge between ones enemies and to promote compassion in an enemy who irrational hates you because a vile fifth column has infected the nation. Only a fool would promote the racist Jewish campaign to unite Americans with racist Jews against the world.

World public opinion is a fickle thing and racist Jews have a near universal lock on the international media. Let them shoot themselves with their hubris and hatred. Show that the Moslems are compassionate and peace loving people and that it is the racist Jews and their terrible and genocidal army who spread war and turmoil. It is the racist Jews who oppress and harm their neighbors. It is the self-obsessed racist Jews, a tiny horde of five million, who must surrender their desires for world conquest and let the billion Moslems and more broadly the six billion citizens of humanity live in peace and prosperity.

Speedily take the opportunity to photograph and record on video the damage racist Jews have inflicted on helpless people and show it to the world again and again. The racist Jews have not done with their killing. We can all be certain of that.

Ahmadinejad and Bush Are Willing Scapegoats for Jewish Warlust

Christopher Jon Bjerknes

http://www.jewishracism.com

When racist Jews wanted to discredit the Turkish Empire, they overthrew it and put their crypto-Jewish leadership in power. Then the Jews committed genocide against the Armenians. The racist Jews slaughtered Christians, who are in the minds of racist Jews an enemy that must be exterminated. But the racist Jews cleverly blamed the Turks for the genocide they had covertly carried out. In this way, the racist Jews killed two birds with one stone. They killed Christians and made the Turks hated throughout the civilized world. The racist Jews killed the Christians and scapegoated the Turks.

When the racist Jews wanted to discredit the Czar of Russia, the racist Jews threw the nation into turmoil through various means, and then blamed the Czar. The racist Jews then overthrew the Czar and mass murdered Slavic Christians. They continued to blame the dead Czar for the atrocities the Bolshevik Jews committed against the Slavs. The racist Jews killed Christians and scapegoated the Czar and the Russian People.

When the racist Jews wanted to discredit the German People and force reluctant Jews to Palestine, the racist Jews placed the crypto-Jewish Nazi-Zionists in power and killed tens of millions more Christian Slavs, and other Christians, while blaming the Germans for the atrocities which the racist Jews covertly caused. To this day, racist Jews blame the German People for the Zionists' atrocities, and go so far as to claim that Germans are genetically defective and programmed in their genes to hate Jews. The racist Jews killed Christians and scapegoated the German People.

Today, the racist Jews want to carry out their 2,500 year old plan for the destruction of humanity. They have placed Bush and Ahmadinejad in power, just as the racist Jews placed the Young Turks, Lenin, Trotsky, Wilson, Roosevelt, Churchill, Stalin, and Hitler, etc. in power . The racist Jews are again fomenting war with their media, where Mossad agents, Israeli Government officials and Israel firsters in the media interview other Mossad agents, Israeli Government officials and Israel firsters, and agree for the American People that their only option is war. No mention of peace or how it may be obtained and maintained is allowed. The consensus in the Jewish media is always for war, more war and nuclear world war.

The pseudo-leftist—racist Jews are loyal to no principles other than Jewish supremacy and whatever means is convenient to achieve it—the pseudo-leftist Jewish media scapegoats Bush and faceless corporations, even when Israel illegally and unilaterally invaded Lebanon. Jews can do no wrong and are never at fault. Racist Jews are the victims when racist Jews commit cowardly and merciless genocide against defenseless Lebanese. The Hebrew Bible, the Talmud and the Cabalistic writings must have been written by the corporations and George Bush so that they could blame the innocent Jews who are deliberately, and with the full support of the Israeli People, carrying out the plans set forth in those racist Jewish instruments of genocide. Leftist Jewish apologists for Jewish genocide would have us believe that their Jewish religious literature must have been a trap set for those poor innocent Jewish racists who dominate the media and political life of America, those racist Jews of Israel and America who want to slaughter all Moslems; because Jews are perfect and are always blameless. God made them that way.

Even supposed Arab resistance organizations appear to have been infiltrated by Jews who want to deceive the Arabs into believing that the Israelis are innocent victims of a Bush corporate conspiracy to trick the Jews into following the ancient Jewish agenda of war and genocide. This furthers the racist Jewish agenda of pitting Americans against Moslems and Moslems against Americans, while scapegoating both and leaving the guilty Jews blameless in the eyes of their dupes. Jewish leftists want to trick Moslems into going Communist, knowing that Communist regimes will destroy Islam just as they have tried to destroy Christianity; and knowing that Communist regimes will be led by Jews, crypto-Jews and the agents of Jewish bankers in the Moslem world, just as they were led by Jews, crypto-Jews and the agents of Jewish bankers in the Christian world. Leftist Jews have all the answers for the Moslems except one, the truth, that Israel is at fault and that the Jews have an ancient plan to wipe out the Arabs.

The pseudo-rightist—racist Jews are loyal to no principles other than Jewish supremacy and whatever means is convenient to achieve it—the pseudo-rightist Jewish media blames Ahmadinejad and faceless "Islamic Fascists", even when Israel illegally and unilaterally invaded Lebanon. Jews can do no wrong and are never at fault. Racist Jews are the victims when racist Jews commit cowardly and merciless genocide against defenseless Lebanese. The Hebrew Bible, the Talmud and the Cabalistic writings must have been written by Ahmadinejad and faceless "Islamic Fascists", so that they could blame the innocent Jews who are deliberately, and with the full support of the Israeli People, carrying out the plans set forth in those racist Jewish instruments of genocide. Rightist Jewish apologists for Jewish genocide would have us believe that their Jewish religious literature must have been a trap set for those poor innocent Jewish racists who dominate the media and political life of America, those racist Jews of Israel and

America who want to slaughter all Moslems; because Jews are perfect and are always blameless. God made them that way.

Yes, the clever racist Jews will provoke the stupid Goyim into killing one another off. But that is not enough. The real art involved in racist Judaism is the art of making the Goyim want to kill each other for the sake of the Jews, of making them eager to kill each other for the sake of the Jews, of making them desperate to kill each other for the sake of the Jews. And the piece de resistance, the sweet meat closest to the bone of racist Jewish treachery, is the high art of leading the Goyim to blame each other for what the racist Jews are causing them to do. The racist Jews are the sickly kid on the schoolyard who whispers into the ears of the two biggest boys, "Do you know he said about you? Wow, if he said that about me, I'd kill him!" The racist Jews are the cheat on the basketball court who pushes an opponent he cannot defeat with fair play when the referee has his back turned, in the hopes that the fool will push back when the referee is looking. The racist Jews dress up as Arabs and blow up synagogues and then use their control of the media to smear innocent Arabs and force decent Jews into segregation, fear and blind hatred.

The Moslem world ought not to let the racist Jews instruct them on their demise, be it in the racist Jewish disguise of the rightist Jew or the leftist Jew. Do not let racist Jews deceive you into believing that your enemy is America, when it is the racist Jews who run America. Work hard to win American and world public opinion to your side. Do not fall into the racist Jewish trap of alienating yourselves from the American public. Tell the rightist Jews that the Moslem leadership which cries out for war is Jewish leadership, not Moslem. Moslems want peace. Jews want war and always have. Tell the leftist Jews that America is not your enemy, the racist Jews

who provoke America into war are your enemy. Shun the racist Jews who lead you into war and alienation from America. Sing the praises of peace. And beware of Greeks bearing gifts, especially when they are racist Jews dressed up as American and Iranian Presidents, or leftist leaders promising the Utopia of Communist Revolution.

The Significance of the Noahide Laws

Christopher Jon Bjerknes

http://www.jewishracism.com

The Jewish Talmud, in the book of Sanhedrin folios 56-60, sets forth seven laws which it insists non-Jews must follow on pain of death. Rabbinical scholars fabricated these laws in part as a response to Christianity. Jewish leaders have already introduced these laws into the laws of the United States of America. Christians, Hindus, Moslems, Buddhists, etc. who refuse to abandon their religious beliefs and become slaves of the Jews, will be killed. Anyone who questions Judaism will be killed. Anyone who disobeys the commands of the Jews will be killed.

The Saddam Model

Christopher Jon Bjerknes

http://www.jewishracism.com

Over the course of many years, Saddam Hussein angered and frustrated Americans. He repeatedly built up false hopes and then dashed them. He thumbed his nose at American power. Tensions rose again and again. Eventually, the President of the United States was able to vilify Saddam with lies to the point where the American People were conditioned with enough blind rage to enter a war that has in many ways destroyed America. The Jewish warmongers who beat the drums for unnecessary war with Iraq, now scapegoat the American People to the world for the Jewish crime of the Iraq war. Zionist Jews and Israel firsters are now beating the war drums for war with Iran. They fault Bush and Olmert for not being brutal and genocidal enough, for not waging enough wars and for not waging wars of extermination.

The sword of Damocles hangs tenuously on the thread of public opinion over George Bush's head. Bush followed Jewish advice to commit crimes against humanity. They own him. If he will not wage the nuclear war Jewish leaders want him to wage, he faces impeachment, disgrace and perhaps revolution, imprisonment and the angry mob. Bush probably does not want to end the world with a bang, but whenever he whimpers, the Jewish media reminds him that they control public opinion and with it Bush's future and fortunes. Ultimately, he will obey.

It appears that the Jewish warmongers are following the Saddam Hussein model with their agent Mahmoud Ahmadinejad. They used aspects of this model in their unprovoked war on Lebanon. The Israelis, the Jewish media and Zionist Jews and Israel firsters in the American Government cooperated to build up false hopes among the American People in order to buy time for Israel to impart as much damage on helpless Lebanese as they could. They promised that the crisis would soon end, and again and again asked for few more days to ruin Lebanon. They carefully regulated the news cycle with talk that the devastation was on the verge of ending, and then filled their reports with violence in the hope that the American People would grow angry with the Lebanese, who dared die and in dying under Israeli bombs interrupted the normal routines of American life.

Made to order for the role, Ahmadinejad has appeared on the stage as the new Saddam. We enter the same cycle of false hope and frustration, cheerful smiles and angry threats. The media and the Zionist controlled government of the United States spread lies of WMD's and Armageddon, then propose the solution of WMD's and Armageddon. There is no talk of peace and how it may be sustained. All talk is of war and of how war will prevent war. The American People are being deliberately conditioned to grow frustrated with and angry at Ahmadinejad, and to hate Iranians. This is obviously part of a plan and Ahmadinejad is obviously a willing participant. It appears likely that the Kurds will again be used to fuel divisions between Sunnis and Shias, Turks, Iraqis, Syrians and Iranians. We know how this farcical drama will end and who will be blamed for Jewish warmongering. Racist Jews will again curse Americans with their blessing.

The Saddam Model: Part II "Deja vu all over again!"

Christopher Jon Bjerknes

http://www.jewishracism.com

It is difficult to know whether to call Ahmadinejad a puppet or a clown, so I'll compromise and call him a clownish puppet. Jewish leaders, Jewish warmongers, have scripted Ahmadinejad:

http://www.cnn.com/2003/WORLD/. . .

to mimic Saddam's call for a public debate:

http://english.aljazeera.net/NR/exeres/C748DD25-FA65-4BDE-8145-FD7DD993D5F8.htm

Ahmadinejad is working for Israel to help them destroy the Iranian People by providing a pretext for nuclear war against the Iranians.

Peace Is an Economic Necessity

Christopher Jon Bjerknes

http://www.jewishracism.com

Many disloyal Jews, Jews who place the interests of Israel above those of the United States of America, have thoroughly corrupted the government and the press. A large number of these Jews are warmongers. It could be argued that our national debt is in large measure, if not entirely, the product of Jewish warmongering. Not only have leading Jews inhibited us economically with deliberately destructive economic policy and unnecessary war, these same Jewish leaders have created and financed the chief enemies of the United States, including the British enemy, the Southern Secession, the German war machine of WW I, the Nazi regime, the Imperial Japanese, the Soviet Union and Warsaw Pact, Communist China, Israel, etc. etc. etc. We can afford no more of this "Jewish blessing".

Though figures and definitions vary, Jews constitute less than 5% of the US population, much less. Of those, a large percentage are anti-war when Jewish interests are not openly at stake. Why is it that the media is today filled with Jews who refuse to rebuke Israel for its unprovoked genocide of the Lebanese and Palestinians? We know that many Gentiles who would otherwise do so are inhibited by the threat of career infringement, boycott and smear campaign. Why is it that so many Jews join the tribal chorus calling anyone who dares side with American and humanitarian interests over the perceived interests of Israel, an "anti-Semite"?

Though many Jews rightfully ridicule the old Germanic theme "Deutschland ueber alles!", too many carry with them their traditional Jewish supremacism, Jewish disloyalty and Jewish tribalism. We can expect that this situation will worsen as tensions rise and the Jewish Messiah asserts himself. We can expect with some measure of certainty that masses of Jews will feel the

calling of their Jewish souls and fight covertly and openly for the tribal cause and forsake all loyalties outside the tribe, and that this treachery will expand geometrically—that's just human nature.

Consider the large numbers of Jewish spies around the world who betray their neighbors for Israel. Consider the reaction of the Jewish controlled press to Israeli genocide of its neighbors. Consider the reaction of the governments of the world to Israel's blatant crimes against humanity, which governments are largely in Jewish hands, and which shirk their responsibility to act against Israel by calling on Israel's number one client state, America, to act against Israel, and thereby ensure that nothing will stand in Israel's way, because they know America serves Israel, and if they do nothing, they too are acting in favor of Israel. The governments of the world could quite easily shut Israel down economically and prevent the genocide of Palestinians and Lebanese. They do not need the permission of, nor the cooperation of, the United States to do this. By passing the buck to Israel's client state, the many governments of the world show that they tacitly agree with the racist devastation of these innocent peoples.

This should come as no surprise. Jewish leadership controls the wealth of the world. Jewish leadership is racist and is only concerned with forwarding the interests of "the Jewish People". When Jewish religious mythology refers to a Jew's neighbor, it is referring only to fellow Jews. Good Jews are loyal only to their Israeli brothers and cannot work against the interests of the tribe. The Jewish book of *Leviticus* 19:17-18 states:

"17 Thou shalt not hate thy brother in thine heart: thou shalt in any wise rebuke thy neighbour, and not suffer sin upon him. 18 Thou shalt not avenge, nor bear any grudge against the children

of thy people, but thou shalt love thy neighbour as thyself: I *am* the LORD."

The Jewish book of *Deuteronomy* 7:6 iterates the ancient racist Jewish cry of Israel, Israel ueber alles, ueber alles in der Welt:

"For thou *art* an holy people unto the LORD thy God: the LORD thy God hath chosen thee to be a special people unto himself, above all people that *are* upon the face of the earth."

Our mass media largely controls the fate of our politicians, as do campaign contributions. Our system of government has been subverted by a foreign enemy, an enemy which has openly pronounced itself to be the enemy of mankind, an enemy whose raison d'etre is the destruction of our nation, our people and the world. Let all decent people, including decent Jews, unite against that enemy by striving for peace and justice, and by serving the genuine interests of the United States of America.

If we do not stop the Israel-first warmongers, we will destroy ourselves, exactly according to their ancient plan.

Fool Me Three Times, Shame on Me

Christopher Jon Bjerknes

http://www.jewishracism.com

I am curious about the destiny of our human race. The Zionists, Christian and Jew, want to

unburden this world of its fallen folk in the hope that mass murder will usher in the Messianic Age. Ill-intentioned Jewish leaders want to test their black magic and see if universal evil really will bring the Jewish Messiah into universal power. The crazy Dispensationalist Christians have been led to believe that if they nuke humanity they will be "Raptured" into Heaven as a reward for committing genocide against the heathen. It is difficult to argue with that kind of logic, like trying to convince an old drunk to surrender his bottle.

It appears that the warmongers at the top have their puppets in place. We may soon be flushed into WW III. The more I study the history, the more it appears that parts I and II of the three part series of devastation were contrived and did not have to happen. The news media and the governments are in the same wretched hands as before, warty hands which will again wring blood and destruction from the twisted fabric of five thousand years of civilization.

It must be very clear to the Moslem world that their governments are working against them and working with the Israelis to deliberately bring the Middle East into tumult and war. I wonder if it is possible for the people to unite and shake off the stones the governments are piling upon them. It would seem an easy thing to do, were it not for the human instinct to follow the leader with the most followers. That momentum is difficult to overcome, and the Judas goat which bleats the loudest brings the most to slaughter. Unfortunately, the loudest mouths appear to attach themselves to psychopaths whose immorality can be purchased on the open market for thirty pieces of silver and a few moments of fame. I wonder if the people of the world, twice fooled, will shame themselves with a third world war, or will we finally punch the teeth out of the smiling liars who rule it and defang the beast so that we can at long last live in peace?

What Is the Fate of Mother Russia?

Christopher Jon Bjerknes

http://www.jewishracism.com

According to Jewish End Times prophecy, Israel will be the only nation left standing after the Jewish Messiah has laid all other nations and peoples to waste. In other words, racist Jews feel duty bound to eliminate all challenges to Israel, not merely as a superpower, but as the ultimate and only power on the face of the Earth. Russia has always had the potential to be the greatest nation on Earth. Russia has long been the primary target of Jewish bloodlust.

Jews and their agents have, for centuries, flooded Western Europe and America with hateful propaganda against Russia. Jews have repeatedly decimated Russia through their agents Napoleon, the Imperial Japanese, Kaiser Wilhelm II, Trotsky, Lenin, Stalin, Hitler, Bush, Clinton, etc. Genocidal Jews have mass murdered tens of millions of Slavs through deliberate famine, mass executions, wars and the deliberate poisoning of their living environment. They have deliberately exterminated the best and brightest of the Slavic Peoples in the hopes that those Peoples would suffer irreparable genetic degradation.

In anticipation of World War III, which hugely destructive war racist Jews have been planning and arranging for decades, really for 2,500 years, racist Jews have been the hidden, and not so hidden, hand fabricating the Christian Zionist fallacy that it will be a good thing and the

fulfillment of prophecy to commit genocide against the Russian People. Racist Jews have coached American Christians to adopt the false beliefs that Jesus will Rapture them into Heaven if only they deliberately exterminate the Russians in supposed, though false, fulfillment of the prophecies of *Ezekiel* in chapters 38 and 39. If racist Jews are successful in their ancient plans, then the fate of Mother Russia will be to perish from the face of the Earth forever.

The government of Russia, and the Russian People, ought to engage in a broad and aggressive campaign to expose and discredit these genocidal Christian Zionists, and those racist and genocidal Jews who are behind them, directing them. The fate of the Russian People, and the people of the world, is at stake.

Was the Motivation to Create the "Jewish State" Political (Racist), or Religious (Messianic)?

Christopher Jon Bjerknes

http://www.jewishracism.com

Judaism is both political and religious. Judaism is largely a system of laws and the political ambition to destroy the rest of humanity. These laws and ambitions are justified on a religious basis—the political and the religious are one in Judaism. In the past, to be a Jew meant that one belonged to a segregated nation, a distinct faith and a unique "race". These definitions of what it means to be a Jew are each products Judaism itself.

According to the Christian faith, Jews can only be readmitted to Palestine as a nation if they

recognize Jesus Christ as the Messiah. Jewish leaders realized early on that if they failed to convert large numbers of Jews to Christianity, there would be a politico-religious war against the Jews if they established a nation in Palestine. The plan was never for genuine conversions, but rather superficial and false conversions meant to placate the Christian concern that the establishment of a "Jewish State" in Palestine would be the manifestation of the anti-Christ. Jewish leaders planned to give the appearance that large numbers of Jews were converting to Christianity so that Christians, under the careful and covert guidance of a hidden Jewish hand, would interpret this as a sign that Christ would soon return and, therefore, Christians would sponsor the establishment of a "Jewish State" in Palestine and would protect the "Jewish State" from Islam.

This plan failed because large numbers of Jews did not want to convert, but it was only one part of a two-pronged strategy. The Frankist Jews had a backup plan, which was to secularize Jews and to use these secularized Jews to destroy Christianity, so that there would be no Christian opposition to the formation of a "Jewish State". Talmudic Jews, including Moses Mendelssohn and Karl Marx, created schools of thought that led Jews down the path to atheism, while inspiring Jews to Judaize and destroy Gentile culture and civilization world-wide. Moses Hess proudly pointed out that Judaism itself was a racist political belief system, and Theodor Herzl protested loudly that the political Zionist movement was a secular racist movement to protect the Jewish race from disappearing through assimilation. Few noticed that this racist aspect of the Zionist movement was very much a religious aspect of Judaism itself, despite Herzl's disingenuous protests.

The driving force behind these efforts was the Rothschild dynasty, which assumed the role of

Jewish Messiah from Jacob Frank through the illusion of Metempsychosis. The Jewish-led move to secularize masses of Jews and kill off two thirds of Jews is a part of the process of the "birth pangs of the Messiah" and is entirely religious. The darkness must precede the light. The majority of Jews alive today will be mass murdered, if the Frankist Jews have their way. This results from the Jewish leaders' interpretation of the Jewish faith. It is a deliberate illusion that the "Jewish State" is a secular state. The leaders of this state, the true and ultimate leaders, are not only religious, but have assumed the role of Jewish King, Messianic sons of Joseph and David, and are deliberately acting out the horrors of Jewish apocalyptic mythology, an important aspect of which is the turning away from God of the majority of Jews. As Judas fulfilled the prophecies by betraying Christ, and was in that sense a hero to early Jewish Christians, modern day Jewish leaders intend to bring the worst evil to the world it has yet known, in order to provoke God to bring about the Messianic Age. Israel is a religious state and it is likely that a large percentage of the secular Jews in the world will be sacrificed in a Holocaust for the sake of the Messiah, King of the Jews, just as the Jews of Europe were degraded, murdered and corralled as a precondition to the formation of the "Jewish State". Paradoxically, religion is the motive, though in many instances, irreligion is the deliberate means.

Have You Ever Longed to Be Jewish? Have You Ever Longed to Be a Slave? Have You Ever Longed to Be Dead?

Christopher Jon Bjerknes

http://www.jewishracism.com

The Jewish book of *Zechariah* 8:23 promises the Jews that ten Gentiles will gladly slave for every Jew,

"Thus saith the LORD of hosts; In those days it shall come to pass, that ten men shall take hold out of all languages of the nations, even shall take hold of the skirt of him that is a Jew, saying, We will go with you: for we have heard that God is with you."

The Jewish Talmud in the book of Shabbath folio 32*b* increases the number of Gentile slaves per Jew to 2,800. Israeli brothels are perhaps characteristic of what life as the slave of a Jew is like.

The Jewish prayer of Kiddush for the New Year summarizes the genocidal ambitions of the Jewish faith. It states, *inter alia*,

"Blessed art thou, O Lord our God, King of the universe, who hast chosen us from all peoples and exalted us above all tongues, and sanctified us by thy commandments. [***] For thou hast chosen us and hast sanctified us above all nations; and thy word is truth and endureth for ever. Blessed art thou, O Lord, King over all the earth, who sanctifiest [the Sabbath and Israel and the Day of Memorial. [***] We therefore hope in thee, O Lord our God, that we may speedily behold the glory of thy might, when thou wilt remove the abominations from the earth, and the idols will be utterly cut off, when the world will be perfected under the kingdom of the Almighty, and all the children of flesh will call upon thy name, when thou wilt turn unto thyself all the wicked of the earth. Let all the inhabitants of the world perceive and know that unto thee every knee

must bow, every tongue must swear. Before thee, O Lord our God, let them bow and fall; and unto thy glorious name let them give honour; let them all accept the yoke of thy kingdom, and do thou reign over them speedily, and forever and ever. For the kingdom is thine, and to all eternity thou wilt reign in glory; as it is written in thy Law, The Lord shall reign for ever and ever."—English translation by S. Singer, "Kiddush for New Year", *The Authorized Daily Prayer Book of the United Hebrew Congregations of the British Empire*, Ninth American Edition, Hebrew Publishing Co., New York, (not dated), pp. 243-255, at 243, 247-248.

Cabalistic Jews consider themselves to be the divine presence on Earth. They believe that their King, the Jewish Messiah, will be God ruling the Earth. Gentiles will have to serve him and each Jew or face death. The infamous Nazi Zionist film *Der ewige Jude* quotes an older rendition of the Benediction of the Sabbath about 55 minutes into the film, which recalls the sentiments of Rabbi Simon ben Yohai,

"Praise to the Lord who has set apart the Holy and the common nations, Israel and the other races. The heathens, who do not keep your commandments, you have made enemies to be wiped out. God's anger is on them, and he says, even the best among the heathens will I kill. There are none good among the peoples of the world, for they are blasphemers, but the sons of Israel are all righteous."

There have lately been many television shows in America, which degrade human beings, treat adults like slaves, and reward adults for degrading and subservient behavior, for mimicking celebrities and for obeying the commands of the hosts, often Jewish hosts.

Kol Nidre

Christopher Jon Bjerknes

http://www.jewishracism.com

During the evening service for Yom Kippur, Jews recite the following dispensation of vows three times. It is called the Kol Nidre, and is based on the Talmud in the book of Nedarim folio 23*b*:

"All vows, obligations, oaths or anathemas, pledges of all names, which we have vowed, sworn, devoted, or bound ourselves to, from this day of atonement, until the next day of atonement (whose arrival we hope for in happiness) we repent, aforehand, of them all, they shall all be deemed absolved, forgiven, annulled, void and made of no effect; they shall not be binding, nor have any power; the vows shall not be reckoned vows, the obligations shall not be obligatory, nor the oaths considered as oaths."

Many Jews believe that reciting the Kol Nidre on the Day of Atonement entitles them to lie, violate contracts, etc. Some Rabbis will swear that the Kol Nidre refers only to personal vows made to ones self, but if these selfsame Rabbis have recited the Kol Nidre, of what value is their oath?

Is Israel Deliberately Sowing the Seeds of Its Own Destruction?

Christopher Jon Bjerknes

http://www.jewishracism.com

Jewish leaders often do crazy things. They created the Nazis and then put them in power in order to spread Communism across Europe and, more importantly for them, to chase reluctant Jews to Palestine. Jim Condit, Jr. has assembled a plethora of sources which evince this fact:

Jim Condit Jr. — The Final Solution to Adolf Hitler

With each new day, it is becoming increasingly obvious that Jewish leaders are artificially and deliberately fulfilling Jewish messianic prophecy in the hopes that they can provoke God to bring the Jewish messiah, the Jewish King, into world dominion. In Jewish myth, the world must be destroyed in order for the Messianic Era to begin. Two thirds of Jews must be killed and all Gentiles must be enslaved then killed. Only the "righteous" "remnant" of Jews will be allowed to survive.

Consider the Jewish book of *Isaiah* chapter 33, and compare its deliberate plan with events

taking place in the world today (note that in more modern translations the parallels are even more glaring):

"1 Woe to thee that spoilest, and thou wast not spoiled; and dealest treacherously, and they dealt not treacherously with thee! when thou shalt cease to spoil, thou shalt be spoiled; and when thou shalt make an end to deal treacherously, they shall deal treacherously with thee. 2 O LORD, be gracious unto us; we have waited for thee: be thou their arm every morning, our salvation also in the time of trouble. 3 At the noise of the tumult the people fled; at the lifting up of thyself the nations were scattered. 4 And your spoil shall be gathered like the gathering of the caterpiller: as the running to and fro of locusts shall he run upon them. 5 The LORD is exalted; for he dwelleth on high: he hath filled Zion with judgment and righteousness. 6 And wisdom and knowledge shall be the stability of thy times, and strength of salvation: the fear of the LORD is his treasure. **7 Behold, their valiant ones shall cry without: the ambassadors of peace shall weep bitterly. 8 The highways lie waste, the wayfaring man ceaseth: he hath broken the covenant, he hath despised the cities, he regardeth no man. 9 The earth mourneth and languisheth: Lebanon is ashamed and hewn down: Sharon is like a wilderness; and Bashan and Carmel shake off their fruits. 10 Now will I rise, saith the LORD; now will I be exalted; now will I lift up myself. 11 Ye shall conceive chaff, ye shall bring forth stubble: your breath, as fire, shall devour you. 12 And the people shall be as the burnings of lime: as thorns cut up shall they be burned in the fire.** 13 Hear, ye that are far off, what I have done; and, ye that are near, acknowledge my might. 14 The sinners in Zion are

afraid; fearfulness hath surprised the hypocrites. Who among us shall dwell with the devouring fire? who among us shall dwell with everlasting burnings? 15 He that walketh righteously, and speaketh uprightly; he that despiseth the gain of oppressions, that shaketh his hands from holding of bribes, that stoppeth his ears from hearing of blood, and shutteth his eyes from seeing evil; 16 He shall dwell on high: his place of defence shall be the munitions of rocks: bread shall be given him; his waters shall be sure. **17 Thine eyes shall see the king in his beauty: they shall behold the land that is very far off.** 18 Thine heart shall meditate terror. Where is the scribe? where is the receiver? where is he that counted the towers? 19 Thou shalt not see a fierce people, a people of a deeper speech than thou canst perceive; of a stammering tongue, that thou canst not understand. 20 Look upon Zion, the city of our solemnities: thine eyes shall see Jerusalem a quiet habitation, a tabernacle that shall not be taken down; not one of the stakes thereof shall ever be removed, neither shall any of the cords thereof be broken. 21 But there the glorious LORD will be unto us a place of broad rivers and streams; wherein shall go no galley with oars, neither shall gallant ship pass thereby. 22 For the LORD is our judge, the LORD is our lawgiver, the LORD is our king; he will save us. 23 Thy tacklings are loosed; they could not well strengthen their mast, they could not spread the sail: then is the prey of a great spoil divided; the lame take the prey. 24 And the inhabitant shall not say, I am sick: the people that dwell therein shall be forgiven their iniquity."

Hevlei Mashiah

Christopher Jon Bjerknes

http://www.jewishracism.com

Please watch the following short video clip:

"Kissinger's Birth Pangs"

Is Kissinger referring to the "hevlei Mashiah" or "birth pangs of the Messiah" of Jewish messianic myth? This myth holds that the World must suffer terrible devastation so that the Jews can bring about the end times horror of a one world government ruled by the Jewish King from Jerusalem. In this period all Gentiles will be enslaved and then exterminated. Compare Kissinger's comments to Condoleezza Rice's use of the phrase "birth pangs" in reference to the genocide of the Arabs. Note the similarity of language and context. After the Moslems have been exterminated, the Christians, Hindus, Buddhists, etc. will be next. According to the Noahide Laws, the "righteous Jews" will exterminate all "idolaters" in the Jewish end times. The so-called "New World Order" is nothing other than the fulfillment of Judaic messianic prophecy. It is being brought about by Jewish leaders. If successful in carrying out their plans, they will exterminate all Gentiles and assimilated Jews.

Isolating Israel

Christopher Jon Bjerknes

http://www.jewishracism.com

Americans who love America above Israel, loyal Americans who desire peace and prosperity, should call for the American Government to end all aid to Israel, cut off diplomatic relations with Israel, impose economic sanctions on Israel, impose an arms embargo on Israel, and demand that Israel disarm. Israel must pay reparations to the Lebanese and Palestinians. Israel must end its apartheid practices and allow all persons the right of return without regard to ethnic, "racial" or religious origin.

Should we Americans fail to disassociate ourselves from the racist, genocidal, warmongering nation of Israel, the world will be forced to subvert our economy, attack our people and pray for our demise. We gain nothing from helping Israel to attack humanity. Instead, we are losing our human dignity, our economic strength and our moral character. We are placing our lives and those of our future descendants in mortal jeopardy, all for the sake of a people who hates us and who actively seeks our ultimate destruction. Though many of our own people are too stupid to recognize these facts, the people whom we are assaulting with our unprovoked and self-destructive attacks are increasingly coming to realize that their survival depends upon our demise.

There is a much better alternative for us to choose than perpetual war and antagonism towards all other nations of the world but Israel. In truth, all nations have a common enemy in racist, warmongering Israel, and we can cooperate to peacefully end the threat by simply applying

commonly accepted standards of international behavior in a fair and equitable fashion to all nations of the world. For the very reason that Israel does not exist in a vacuum, it can be suffocated economically in a matter of weeks.

Israel has threatened humanity with nuclear devastation. Israel has committed unprovoked and genocidal aggression against its neighbors and has openly avowed in its Jewish literature over the course of millennia that it will exterminate all non-Jews. Jewish Israelis and racist and tribal Jews around the world must cure themselves of their hateful sickness. Americans can no longer afford to have our interests subverted by disloyal Jews who hate us and who use us to attack humanity. Decent Jews have a duty to disassociate themselves from racist and tribal Jews. They ought to educate themselves on the true goals and objectives of Judaism and realize that many of those who speak in their name fully intend to fulfill these horrific goals by any and all means. The clannishness inherent in Judaism and Jewish culture is ultimately destructive to Jews, as history has proven again and again. The racist Jewish imperative, "Is it good for the Jews?" should be applied to Judaism itself, and the answer is clearly no.

We can drive a wedge between Turkey and Israel by educating the world of the fact that Jews destroyed the Turkish Empire and committed genocide against the Armenian Christians in the name of the Turks. Turks want to deny this history, but their denials are misguided and self-defeating. The true culprits must be exposed. This will drive Turkey away from Israel, which is an important factor in avoiding World War III. Turkey is a NATO nation. Jewish influences are attempting to foment war and revolution between Turks, Kurds, Sunnis, Shias, Iraqis, Syrians, Iranians, Arabians, Jordanians, Egyptians, Sudanese, Ethiopians, Lybians, etc. Given their proven past conduct, it is a given that Jews and their agents have, are, and will continue to

imposture as other peoples and commit acts of terror and war so as to instigate war, civil war and ethnic strife.

We can drive a wedge between Russia and Israel by exposing the fact that Jews have sought for centuries to exterminate the Slavic Peoples. In recent times, Jews have fomented genocidal hatred toward Russians among Americans in the hopes that America will destroy Russia with a nuclear attack. Jews in Russia have likewise been fomenting genocidal hatred of Americans for a very long time. The Cold War was a Jewish creation meant to divide and destroy humanity. Americans and Russians must at long last confront this deliberate campaign by leading Jews to kill us all off.

Interview with Former Malaysian PM Mahathir Mohammad reveals the danger in which disloyal Jews are placing all Americans:

Why the Itchy Trigger Finger?

Christopher Jon Bjerknes

http://www.jewishracism.com

Why are Jewish leaders so desperate to create a third world war at this time? There are likely

many reasons which are converging all at once, including but not limited to the following:

1). Genocidal Jews have their puppet governments in place. Bush, Blair, Ahmadinejad, Siniora, Aziz, Abdullah II, Mubarak, Merkel, Putin, etc. will each do what they are told to do. This creates a time pressure.

2). The United States is in decline. Israel desires to use the United States as its sword for both direct attacks and as a threat. Israel cannot afford to wait, because should the United States fall into economic, spiritual and educational chaos, it will not be the effective fighting force it is today.

3). The Jews are eager to remove all Moslem military threats so that they can destroy the Al Aqsa Mosque and the Dome of the Rock and build a Jewish temple in their place. They have ready the instruments and the priests to reinstitute the sacrifice and the red hefeirs. They did not prepare for this eventuality without also having a plan in place to make it a reality.

4). The Jewish King is eager to become the anointed Messiah, King of the World, and supposedly God's divine presence on the Earth to rule the World from Jerusalem, enslave Gentiles, then exterminate them. The Jews are eager to artificially and deliberately fulfill Jewish prophecy, for example *Psalm* 2 (*see also, among other examples: Exodus* 34:11-17. *Psalm* 72. *Isaiah* 2:1-4; 9:6-7; 11:4, 9-10; 42:1; 61:6. *Jeremiah* 3:17. *Micah* 4:2-3. *Zechariah* 8:20-23; 14:9. *Sukkah* 52*a-b*):

"Why do the heathen rage, and the people imagine a vain thing? 2 The kings of the earth set themselves, and the rulers take counsel together, against the LORD, and against his

anointed, *saying*, 3 Let us break their bands asunder, and cast away their cords from us. 4 He that sitteth in the heavens shall laugh: the Lord shall have them in derision. 5 Then shall he speak unto them in his wrath, and vex them in his sore displeasure. 6 Yet have I set my king upon my holy hill of Zion. 7 I will declare the decree: the LORD hath said unto me, Thou *art* my Son; this day have I begotten thee. 8 Ask of me, and I shall give *thee* the heathen *for* thine inheritance, and the uttermost parts of the earth *for* thy possession. 9 Thou shalt break them with a rod of iron; thou shalt dash them in pieces like a potter's vessel. 10 Be wise now therefore, O ye kings: be instructed, ye judges of the earth. 11 Serve the LORD with fear, and rejoice with trembling. 12 Kiss the Son, lest he be angry, and ye perish *from* the way, when his wrath is kindled but a little. Blessed *are* all they that put their trust in him."

5). It is possible that the Jewish King is in failing health, or is aging. It would be helpful to know his name and his status.

6). Increasing numbers of people are becoming aware of the ancient Jewish plan to destroy humanity. The means of disseminating information are increasingly efficient and more easily accessible. The amount of information is growing exponentially. The quality of information is improving.

As in all such situations, we can expect that the warmongers will become increasingly desperate and reckless as their deadlines approach.

A Suggestion to President Ahmadinejad

Christopher Jon Bjerknes

http://www.jewishracism.com

President Ahmadinejad, instead of calling international attention to historical crimes done to Jews, which can only serve the interests of the warmongering Israelis, why not focus attention instead on the historical crimes Jews have committed against others? Why not open an international debate on the Jewish genocide of the Armenians, committed by the crypto-Jewish Young Turks? Why not join with the Russians and expose the Jewish genocide of tens of millions of Christian Slavs by engineered famine, mass execution and world war? Why not expose the fact that Jews have corrupted a very significant number of Christian Americans to hate and to want to commit genocide against Russians and Iranians? Of course, you could call attention to the fact that leading Jews have been promoting hatred towards Russians and Moslems for centuries and have openly planned for world wars to exterminate these peoples. Why, President Ahmadinejad, are you helping the Jewish racists to bring Americans to their warmongering cause? Would it not be wiser to drive a wedge between Israel and America?

Might I suggest that instead of playing war games, you could hold an international peace conference? Instead of helping the Jewish racists to drive a wedge between Sunni and Shia, you could hold a conference calling for Moslem unity and emphasize the humanity and humanitarianism common to all Islam.

What Is and What Isn't Happening

Christopher Jon Bjerknes

http://www.jewishracism.com

Russia is not addressing the open threat issued by American Christian Zionists. In one of the more recent incarnations of the Jewish desire to exterminate the Russian People, genocidal Jewish Zionist Meir Kahane attempted to instigate World War III in the 1970's so that he could force Russian Jews to move to Israel. Christian Zionists suddenly began praying for the nuclear devastation of Russia and the Russian People. Their leaders were coached to preach that Russia was the anti-Christ and had to be attacked with nuclear weapons in order to fulfill the prophecies of *Ezekiel* chapters 38 and 39. Genocidal Jews and their Christian Zionist stooges are again preaching to Americans that Russia must be utterly annihilated. To date, the Russian Government has not addressed this open threat, which is the greatest threat to Russia's security in its history. Are Russian leaders truly so stupid as to not realize that they ought begin a campaign in the American media to discredit these warmongers and reveal their true agenda? Are they so helpless that they could not write books and produce movies demonstrating the threat and attempting to counteract it? Why would Russia bleed itself dry building defenses for a military attack, but completely neglect its duty to engage in a campaign to defend itself from the genocidal Jews and Christian Zionists who want to pound the nuclear nail into Russia's coffin? Why aren't Lebanese groups requesting aid with televised campaigns, which requests would necessarily expose the Israeli genocide? We see Jews begging for money for Israeli

victims of Israel's aggression on American television. Why isn't the Lebanese Government engaged in a campaign to expose Israel's crimes to the world? Would it be so difficult for the Lebanese to film the devastation and show it on American television? One has to wonder whose interests the leaders of Lebanon and Russia are serving.

Contrast this lack of action with the constant portrayal of Israel as if a victim by the American press and American politicians. We see pleas for money for Israeli victims. We constantly hear of the alleged danger that Syria and Iran pose to the world.

Isn't it strange that Hezbullah is being asked to disarm because it dared to defend itself, but the world community has not demanded that Israel disarm, Israel which invaded and devastated its neighbor with an unprovoked and long planned attack—Israel which is threatening to launch an unprovoked nuclear attack on Iran? Isn't it strange that Israel has called for a "buffer zone" with its peaceful neighbor, and to accomplish this end attacked its neighbor and laid it to waste, but instead of demanding that Israel pull back its borders and establish a "buffer zone" on formerly Israeli territory, the world community has violated Lebanese sovereignty and invaded the country with hostile foreign troops? Is it just a coincidence that this foreign invasion artificially fulfills Jewish prophecy in the book of *Ezekiel* 28:7-10, which states, in the context of an unprovoked Israeli attack on southern Lebanon,

"7 Behold, therefore I will bring strangers upon thee, the terrible of the nations: and they shall draw their swords against the beauty of thy wisdom, and they shall defile thy brightness. 8 They shall bring thee down to the pit, and thou shalt die the deaths of them that are slain in the midst of the seas. 9 Wilt thou yet say before him that slayeth thee, I am God? but thou shalt be a man, and no God, in the hand of him that slayeth thee. 10 Thou shalt die the deaths of the

uncircumcised by the hand of strangers: for I have spoken it, saith the Lord GOD."

Is it just a coincidence that Lebanon south of the Litani River, and the Golan Heights, were the supposed territory of the non-existent ancient Israelite tribes of Asher, Naphtali and East Manasseh?

The Pope's Eleatic and Cabalistic Tirade Against the Moslems, and What to Make of it

Christopher Jon Bjerknes

http://www.jewishracism.com

On Tuesday, 12 September 2006, the Pope presented a lecture to the Aula Magna of the University of Regensburg. In his lecture, the Pope began by defaming Moslems. I will analyze the apparent purpose of the lecture, its true intent, and I will open questions as to how and why it came about.

The Pope opens his lecture by defaming Islam with the smear that all which is new in the religion is "evil and inhuman" and that Mohammed allegedly commanded that the faith he taught be spread by the sword—as opposed to the humane "reason" which is the basis of Christianity. The Pope makes no mention of the historical actions of the Roman Catholic Church to spread Christianity by the sword, nor does the Pope acknowledge the evil and inhumanity present in other religions, but instead directly targets Islam for an unsubstantiated assault. The Pope does not present any evidence to support the conclusion to which he leads his listeners, by

quoting a Fourteenth Century source hostile to Islam, nor does the Pope repudiate the empty assertions he has parroted.

Why was it necessary to defame Islam in this way in this lecture? The Pope attempts to justify his attack, but concedes the contrived nature of his justifications. The Pope states that he was reminded of his theme that Christianity depends upon a form of reason which is broader than the positivistic restrictions of empirical science, reminded only "recently" when he read Theodore Khoury's edition of a Fourteenth Century dialogue between the Byzantine Emperor Manuell II Paleologus and his "Persian interlocutor". What occasioned this reading?

The Pope immediately dismisses the bulk of the conversation, but instead focuses on a sole issue which can used to defame Moslems, an issue the Pope concedes is "rather marginal to the dialogue as a whole", but which can be used to open the Pope's open assault on the Moslems of the world. The argument the Pope presents to shroud his vicious attack on Moslems in a cloak of scholarly pontificating, whom the Pope effectively dubs non-European and antagonistic to reason, progress and the mighty European way, whom the Pope subtly implies by trickery of language are hellish idol worshipers; the argument is that reason is Godly and that the essence of reason is far broader than the narrow restrictions of empirical science, which requires that a theory be falsifiable through physical experiment.

The Pope is excusing blind faith as a reasonable belief, which need not be proven beyond its internal logical consistency, and which cannot be contradicted by physical facts. This is all well and good, though it is presented in a typically unenlightened and sophomoric appeal to the trite proclamations of the Eleatics and Cabalistic writers, such as Parmenides who both said that God is, and God is all, which outright pantheism Cabalistic Judaism repeats, and which Eleatic belief

in the unity of all things in time was copied by ancient Jews in the proclamation of their God, "I am". Parmenides also entreated us to accept that the rational is the real, and the real is the rational—another theme adopted in the Cabalistic Zohar, and reiterated by Hegel—a more modern advocate of the *Logos* as the basis of knowledge and substance.

The Pope reflects upon the true meaning of John's opening *words* which declare that God is the *Logos*; which word has been incorrectly translated as "word", as in the Bible as God. The Pope, however, restores some of the import to the word "Logos" by giving the classic neo-Platonic definition of the term as "reason", while neglecting the dialectic Heraclitian definition which preceded and which superceded the Platonic, that of unity in contradiction and of perpetual change, whereby the term *Logos* is defined as never ending fire and change. Suffice it to say that the Pope's arguments are trite and shallow and nothing more than an excuse to hide behind while defaming Moslems. His reference in such a context to the Fourteenth Century dialogue is not even obscure, rather his subsequent diatribe is meant to obscure his attack in a cowardly and vicious manner, and to add fuel to the fire by offering the Pope the opportunity to smear Moslems as if non-European irrational barbarians, who allegedly act and think "contrary to God's nature."

The Pope appears to be steering the Catholic Church towards the Cabala, which itself is a rather primitive rehashing of Eleatic pantheism. The Pope appears to be steering the Catholic Church towards the Noahide Laws. The Pope is obviously spreading hatred and fomenting conflict. But why is the Pope acting like a Cabalistic Jew? Could it be that when the Rothschild's took over Rome, the Vatican and the Catholic Church, through debt and with the intent to destroy it and bleed off the wealth of Catholic nations like France, could it be that they also bought the loyalty

and the voice of the Papacy?

The Chicago Tribune reported on 27 February 1867 on page 2,

"**The Rothschilds of Rome.**

[Rome Correspondence of the London News.]

Who, whether he has set foot in the Eternal City or no, has not heard of the Torlonias—the Rothschilds of Rome? In the course of last summer, when the monetary crisis here was at its height, Don Alessandro Torlonia—the acting head of the house—won extraordinary popularity by writing a letter to the Pope, in which he offered to buy up the unconvertible Government paper, and substituting a metal currency in its place, providing that the existing managers of the Roman Bank, with Cardinal Antonelli's brother at their head, were sent about their business, and the direction confided to himself. At that time it was quite impossible to get notes converted into coin at any price for the simple reason that there was no coin in the bank. Even now, when things have improved somewhat, it is with the utmost difficulty that you can get change for a scudi note, even at shops in the Corso, and there is not a hotel keeper or a tradesman in Rome who would even look at a five scudi note if you were sufficiently ignorant of the state of things here to present it in payment in the expectation of getting any change out. Of the small pieces of silver, which you obtain with no little difficulty, many are so worn and thin that they seem in a sort of transition state between sliver and paper, and have long since lost all trace of any image or superscription whatever.

So rolling in wealth is Don Alessandro Torlonia that his riches are admitted to be literally untold, and only this much is known certain, that everything in Rome worth having, except the Pope and St. Peter's, already belongs to him. No wonder then that at the Vatican Don Alessandro should be looked upon as a hardly less dangerous character than Victor Emanuel himself, and that the insulting offer which he made last summer to buy up the Holy Father, and add him so his possessions, should have been decidedly rejected, though it had not entailed the removal of an Antonelli from a lucrative place. On his first appearance in public after making the above mentioned patriotic offer, Don Alessandro received such an ovation as has not been witnessed in Rome since those of which Pius IX. was himself the object, when he gave the first impulse to the Italian Revolution in 1846. This Don Alessandro is the same Torlonia who risked his whole fortune on the gigantic enterprise of draining the Fucine Lake, the issue of which struggle with nature was so long doubtful that it became a common saying in Rome, 'Either Torlonia will drain the Fucine Lake, or the Fucine will drain Torlonia.' In the end, however, Torlonia got the better of the lake, and redeemed about one hundred thousand acres of land for cultivation. Over what was a few years ago a barren waste of waters, flourishing crops may now be seen waving every harvest time, and with last year's produce Don Alessandro had a scheme of feeding the now almost starving Roman people by selling them bread of his own baking at a reduced rate. Such, at least, was the account of the story given me by a patriotic and exceedingly liberal Roman, who made a severe case against the Government out of the stoppage of Torlonia's extensive bread baking-by-machinery works, which threw some two hundred workmen out of employment just a fortnight ago. I am bound, however, to add that, on proceeding to the spot and making inquiries, I

learned quite a different version of the affair, entirely exculpating the Government from any direct interference in the matter. Only this much is certain, that the works are stopped, and that the Roman people stand little chance, at present, of getting their bread at reduced rates."

On 2 June 1867, *The Chicago Tribune* reported on page 3,

"THE ROTHSCHILDS AND THE POPE.

For fifteen centuries the Jews have been cursed by the Pope, and persecuted by the Roman Church. There is no more revolting chapter of horrors in history than that of the treatment of the Jews at the hands of the Pontiffs. In all lands where the Roman religion is dominant the children of Israel have been treated with barbaric rigor—allowed few privileges, denied all rights, looked upon as a people accursed of God, and set apart by divine ordination to be trampled upon by the church. In Rome, at the present day, the Jews are confined to the Ghetto; they are not allowed to set up a shop in any other part of the city; they cannot leave the city without a permit; they can engage only in certain trades; they are compelled to pay enormous taxes into the Papal treasury; the are subject to a stringent code of laws established by the Pope for their special government; they are imprisoned and fined for the most trivial of offences. They cannot own any real estate in the city; cannot build or tear down or remodel any dwelling or change their place of business, without Papal permission. They are in abject slavery, with no right whatever, and entitled to no privileges, and receive none, except upon the gracious condescension

of the Pope. In former times they were unmercifully whipped and compelled to listen once a week to the *Christian* doctrine of the priests. But time is bringing changes. The Pope is in want of money; and the house of the red shield has money to lend on good security. The house is always ready to accommodate Governments. Italy wants money, so she sells her fine system of railroads to the Rothschilds. The Pope wants money, and he sends his Nuncio to the wealthy house of the despised race, offers them security on the property of the church, the Compagna, and receives ten million dollars to maintain his army and Imperial State. That was in 1865. A year passes, and the Pontificial expenditures are five million more than the income, and the deficit is made up by the Rothschilds, who take a second security at a higher rate of interest. Another year has passed and there is a third great annual vacuum in the Papal treasury of six million, which quite likely will be filled by the same house. The firm can do it with as much ease as your readers can pay their yearly subscription to the weekly *Journal*. When will the Pope redeem his loan at the rate he is going? Never. Manifestly the day is not far distant when these representatives of the persecuted race will have all the available property of the Church in their possession. Surely time works wonders."

On 24 December 1893, *The Chicago Daily Tribune* reported, on page 6,

"**INCOME AND EXPENSES OF THE POPE.**

Economy Necessary Because of the Continual

Decrease in the Revenues.

Since the heavy losses made by the Pope a year or more ago the finances of the Vatican have been superintended with great care. 'It is known,' says a Paris paper, 'that a committee of prelates and several Cardinals exists at Rome whose duty it is to regulate the use of the sums of money which flow into the treasury of the Vatican. These sums come principally from two sources: The revenues of the property possessed by the Pope and the gifts of the faithful, known as Peter's Pence. The property of the Vatican is of various kinds, but the greater part of it consists of money or bonds, placed in England and France, under control of the Paris house of Rothschild. Peter's Pence is an annual revenue which far from being fixed. In good years the total of the sum received from all countries of the world reaches 8,000,000 francs. Sometimes it is as low as 6,000,000 and even 5,000,000. This has been the case for the last five years. This diminution is due, in great part, to the discord between the Royalists and the French Catholics produced by the republican policy of the Pope. France alone furnished two-thirds and often three-quarters of Peter's Pence. And in France it is the royalists who prove themselves most generous. But since the adhesion of Leo XIII. to the republic many of them, more Royalist than Catholic, have closed their purses to the Pope. However, despite all this, French Bishops still forward the largest sums to his Holiness. Thus, the Bishop of Nante sent a few days ago 100,000 francs from his flock as their gift to the Vatican treasury.

'Italy,' adds the *Journal*, 'contributes only a small part of the revenue—a few hundred thousand francs a year. The Romans show themselves in this regard less generous than

other Italians. On the other hand, the Anglo-Saxon countries—England, Ireland, Australia, and the United States—begin to send important sums. If Catholicism continues to grow in these countries, it is easy to see that in time the Vatican will draw considerable sums from them.

'Again, there are the royal courts, such as that of Austria, which send annually rich presents to the Pope. This is even true of princes of ancient Italian families. Francis II., ex-King of Naples, and Maria Theresa, formerly Grand-Duchess of Tuscany, never fail to send their offerings, which consist of several thousands of francs. The Comte de Chambord was accustomed to give annually 50,000 francs; the Count of Paris sends the same sum.

'The expenses of the Vatican,' continues the writer, 'amount annually to more than 7,000,000 francs. They are regulated as follows: for the personal wants of the Pope, 500,000 francs; for the Cardinals, 700,000; for poor dioceses, 400,000; administration of the Vatican, 1,800,000; Secretary of State, 1,000,000; employés and ablegates, 1,500,000; support of schools and poor, 1,200,000.

'The Cardinals at Rome live at the expense of the Pope. The income of each from this source is at least 22,000 francs. The Secretary of State is charged with upholding relations with foreign governments by the mediation of nuncios. The four most important —Paris, Vienna, Madrid, and Lisbon—each receive an allowance of 60,000 francs a year.

'The last jubilee of Pope Leo XIII. brought to the Vatican 3,000,000 francs. At the first, celebrated five years ago, 12,000,000 francs were received. In the course of years the

Pope has introduced a number of economies in the different branches of the Vatican service, and for that reason he has been called miserly. This accusation is not merited; the economies became necessary in a State whose expenses are considerable and whose revenues continue to diminish. Leo XIII. has many reasons to follow the example of his illustrious predecessor, Sixtus, as it is difficult in the present time to count on the generosity of the faithful.'"

The utter hypocrisy of the Pope's attack on the Moslems of the world, and the many logical failures of his arguments, are not worth addressing in detail at this time.

The Zionist Plague on America

Christopher Jon Bjerknes

http://www.jewishracism.com

We are approaching an economic collapse. Our loss will be a tremendous gain for Jewish financiers. Throughout America's history, Jewish bankers have deliberately created economic calamities in America for their personal gain. Bernard Baruch boasted, in reference to the Depression of 1893,

"I had never experienced a depression before. But even then I began to grasp dimly that the period of emergence from a depression provides rare opportunities for financial

profit.

During a depression people come to feel that better times never will come. They cannot see through their despair to the sunny future that lies behind the fog. At such times a basic confidence in the country's future pays off, if one purchases securities and holds them until prosperity returns.

From what I saw, heard, and read, I knew that was exactly what the giants of finance and industry were doing. They were quietly acquiring interests in properties which bad defaulted but which would pay out under competent management once normal economic conditions were restored. I tried to do the same thing with my limited means."—B. M. Baruch, *Baruch: My Own Story*, Henry Holt and Company, New York, (1957), p. 92. See also page 191.

Jewish exploitation of the generosity of their Gentile neighbors is not a new phenomenon. Jews are in fact taught to deceive their neighbors, to spread plagues upon them, to steal from them, and to enslave them. The Jews are told that their ancestors played on the kindness of the Egyptians and borrowed their gold and silver, then stole it when they fled the nation. *Exodus* chapter 11 states,

"1 And the LORD said unto Moses, Yet will I bring one plague *more* upon Pharaoh, and upon Egypt; afterwards he will let you go hence: when he shall let *you* go, he shall surely thrust you out hence altogether. 2 **Speak now in the ears of the people, and let**

every man borrow of his neighbour, and every woman of her neighbour, jewels of silver, and jewels of gold. 3 And the LORD gave the people favour in the sight of the Egyptians. Moreover the man Moses *was* very great in the land of Egypt, in the sight of Pharaoh's servants, and in the sight of the people. 4 And Moses said, Thus saith the LORD, About midnight will I go out into the midst of Egypt: 5 And all the firstborn in the land of Egypt shall die, from the firstborn of Pharaoh that sitteth upon his throne, even unto the firstborn of the maidservant that *is* behind the mill; and all the firstborn of beasts. 6 And there shall be a great cry throughout all the land of Egypt, such as there was none like it, nor shall be like it any more. 7 But against any of the children of Israel shall not a dog move his tongue, against man or beast: that ye may know how that the LORD doth put a difference between the Egyptians and Israel. 8 And all these thy servants shall come down unto me, and bow down themselves unto me, saying, Get thee out, and all the people that follow thee: and after that I will go out. And he went out from Pharaoh in a great anger. 9 And the LORD said unto Moses, Pharaoh shall not hearken unto you; that my wonders may be multiplied in the land of Egypt. 10 And Moses and Aaron did all these wonders before Pharaoh: and the LORD hardened Pharaoh's heart, so that he would not let the children of Israel go out of his land."

Jewish leaders are today borrowing the treasure of the American People and running our nation into unpayable debt and inevitable ruin. They will walk away with our wealth and take as many "righteous Jews" with them as will go. They did it to the Germans. They did it to the Russians. They did it to the Spanish. They did it to the Romans. By their own spurious accounts, they did it to the Egyptians.

Jewish leaders are also scapegoating America for the atrocities Jewish leaders are covertly perpetrating around the world. It is a part of their ancient plan to ruin and discredit all Gentile government and religion. They call it their "Jewish mission" to destroy and defame all other peoples, cultures and religions. They often accomplish their objectives by covertly causing nations to take self-destructive actions, and then heap scorn and condemnation on the very nations they have deliberately and actively led into ruin, pretending that they themselves are forever the victims of all other peoples of the earth.

The ancient Jews tell that they had another gift for the Egyptians, who housed and helped them. The ancient Jews proudly claimed that they ruined the currency and economy of Egypt and stole its wealth. Jewish leadership is today actively ruining American currency and the American economy. Our debt is their gain. Through debt, they have enslaved us. *Genesis* chapter 47 states,

"1 Then Joseph came and told Pharaoh, and said, My father and my brethren, and their flocks, and their herds, and all that they have, are come out of the land of Canaan; and, behold, they *are* in the land of Goshen. 2 And he took some of his brethren, *even* five men, and presented them unto Pharaoh. 3 And Pharaoh said unto his brethren, What *is* your occupation? And they said unto Pharaoh, Thy servants *are* shepherds, both we, *and* also our fathers. 4 They said moreover unto Pharaoh, For to sojourn in the land are we come; for thy servants have no pasture for their flocks; for the famine *is* sore in the land of Canaan: now therefore, we pray thee, let thy servants dwell in the land of Goshen. 5 And Pharaoh spake unto Joseph, saying, Thy father and thy brethren are come unto thee: 6 The land of Egypt *is* before thee; in the best of the land make thy father and brethren to

dwell; in the land of Goshen let them dwell: and if thou knowest *any* men of activity among them, then make them rulers over my cattle. 7 And Joseph brought in Jacob his father, and set him before Pharaoh: and Jacob blessed Pharaoh. 8 And Pharaoh said unto Jacob, How old *art* thou? 9 And Jacob said unto Pharaoh, The days of the years of my pilgrimage *are* an hundred and thirty years: few and evil have the days of the years of my life been, and have not attained unto the days of the years of the life of my fathers in the days of their pilgrimage. 10 And Jacob blessed Pharaoh, and went out from before Pharaoh. 11 And Joseph placed his father and his brethren, and gave them a possession in the land of Egypt, in the best of the land, in the land of Rameses, as Pharaoh had commanded. 12 And Joseph nourished his father, and his brethren, and all his father's household, *with* bread, according to *their* families. 13 ¶ And *there was* no bread in all the land; for the famine *was* very sore, so that the land of Egypt and *all* the land of Canaan fainted by reason of the famine. 14 And Joseph gathered up all the money that was found in the land of Egypt, and in the land of Canaan, for the corn which they bought: and Joseph brought the money into Pharaoh's house. 15 And when money failed in the land of Egypt, and in the land of Canaan, all the Egyptians came unto Joseph, and said, Give us bread: for why should we die in thy presence? for the money faileth. 16 And Joseph said, Give your cattle; and I will give you for your cattle, if money fail. 17 And they brought their cattle unto Joseph: and Joseph gave them bread *in exchange* for horses, and for the flocks, and for the cattle of the herds, and for the asses: and he fed them with bread for all their cattle for that year. 18 When that year was ended, they came unto him the second year, and said unto him, We will not hide *it* from my lord, how that our money is spent; my lord also hath our herds of cattle; there is not ought left in the sight

of my lord, but our bodies, and our lands: 19 Wherefore shall we die before thine eyes, both we and our land? buy us and our land for bread, and we and our land will be servants unto Pharaoh: and give *us* seed, that we may live, and not die, that the land be not desolate. 20 And Joseph bought all the land of Egypt for Pharaoh; for the Egyptians sold every man his field, because the famine prevailed over them: so the land became Pharaoh's. 21 And as for the people, he removed them to cities from *one* end of the borders of Egypt even to the *other* end thereof. 22 Only the land of the priests bought he not; for the priests had a portion assigned them of Pharaoh, and did eat their portion which Pharaoh gave them: wherefore they sold not their lands. 23 Then Joseph said unto the people, Behold, I have bought you *this* day and your land for Pharaoh: lo, *here is* seed for you, and ye shall sow the land. 24 And it shall come to pass in the increase, that ye shall give the fifth *part* unto Pharaoh, and four parts shall be your own, for seed of the field, and for your food, and for them of your households, and for food for your little ones. 25 And they said, Thou hast saved our lives: let us find grace in the sight of my lord, and we will be Pharaoh's servants. 26 And Joseph made it a law over the land of Egypt unto this day, *that* Pharaoh should have the fifth *part*; except the land of the priests only, which became not Pharaoh's. 27 ¶ And Israel dwelt in the land of Egypt, in the country of Goshen; and they had possessions therein, and grew, and multiplied exceedingly. 28 And Jacob lived in the land of Egypt seventeen years: so the whole age of Jacob was an hundred forty and seven years. 29 And the time drew nigh that Israel must die: and he called his son Joseph, and said unto him, If now I have found grace in thy sight, put, I pray thee, thy hand under my thigh, and deal kindly and truly with me; bury me not, I

pray thee, in Egypt: 30 But I will lie with my fathers, and thou shalt carry me out of Egypt, and bury me in their buryingplace. And he said, I will do as thou hast said. 31 And he said, Swear unto me. And he sware unto him. And Israel bowed himself upon the bed's head."

Many Jews believe that they are justified in using America as their slaves, soldiers and treasury. It is our blessing from their Isaac onto his son Esau to be the slave and soldier of Jacob, the Jews.

"25:23 And the LORD said unto her, Two nations *are* in thy womb, and two manner of people shall be separated from thy bowels; and the one people shall be stronger than *the other* people; and the elder shall serve the younger. [***] 27:38 And Esau said unto his father, Hast thou but one blessing, my father? bless me, *even* me also, O my father. And Esau lifted up his voice, and wept. 27:39 And Isaac his father answered and said unto him, Behold, thy dwelling shall be the fatness of the earth, and of the dew of heaven from above; 27:40 And by thy sword shalt thou live, and shalt serve thy brother; and it shall come to pass when thou shalt have the dominion, that thou shalt break his yoke from off thy neck. 27:41 And Esau hated Jacob because of the blessing wherewith his father blessed him: and Esau said in his heart, The days of mourning for my father are at hand; then will I slay my brother Jacob."

Many Jews believe they are entitled to steal the land of Lebanon, and to use America as their

battering ram to put the fear of God in all the peoples they want to kill, whatever the cost to Americans and the rest of the world. *Deuteronomy* 6:10-11 and 11:24-25 (see also: *Joshua* 1:2-5) states,

"6:10 And it shall be, when the LORD thy God shall bring thee into the land which He swore unto thy fathers, to Abraham, to Isaac, and to Jacob, to give thee—great and goodly cities, which thou didst not build, 6:11 and houses full of all good things, which thou didst not fill, and cisterns hewn out, which thou the didst not hew, vineyards and olive-trees, which thou didst not plant, and thou shalt eat and be satisfied— [***] 11:24 Every place whereon the sole of your foot shall tread shall be yours: from the wilderness, and Lebanon, from the river, the river Euphrates, even unto the hinder sea shall be your border. 11:25 There shall no man be able to stand against you: the LORD your God shall lay the fear of you and the dread of you upon all the land that ye shall tread upon, as He hath spoken unto you. Syria's Guardian Angel

Christopher Jon Bjerknes

http://www.jewishracism.com

Israel has been desperately attempting to drag Syria into a war. Israel is committing genocide against the Palestinians, and laid Lebanon to waste, in large part in the hope that Syria would

feel compelled to war with the barbaric Israelis and rescue fellow Arabs from Jewish genocidal murder. Israel went so far as to openly threaten Syria's borders. In spite of all the Israeli provocation, Syria miraculously avoided a suicidal counter-attack. The warmongering Jewish controlled American media and government *lamented* the fact that they could not drag Syria into war. Never did they call for or celebrate peace. This alone ought to wake Americans up to the fact that leading Jews want to involve America in unnecessary genocidal, and ultimately suicidal, war for the sake of disloyal Jewish leadership.

The recent "terrorist" attack on the United States Embassy in Syria may well have been a staged event meant to initiate World War III. What are the odds of such an attack occuring in Syria, a primary target of the Bush Administration, on the day after September 11, on the day of key elections? The timing and place of this event could only favor warmongering Zionists. Thankfully, Syria's guardian angel again intervened. Again, instead of rejoicing that American lives had been spared, the American media largely buried the story and when it did mention the attack, the American media took the opportunity to defame Moslems in general terms, and to call for war with Syria and Iran. This attack likely either was instigated by agents provocateur who coached fools to attack, or directly by agents of the Zionist warmongers. One analyst attempted through the American media to scapegoat the Syrians for the attack and claimed they were able to counteract it because they were in fact behind it. It seems a rather obvious point that were the Syrians behind the attack, they would not have allowed any of the attackers to have survived. In addition, we have the somber, as opposed to celebratory, attitude of the Israel-firsters in the Bush regime, and the media, when they ought to have instead hyped the fact that "terrorists" had been defeated and been delighted that American lives were spared.

The quiet in the media hides the tremendous import of this failed attack, which was likely intended to create a pretext for an American attack on the Moslem world. We have very narrowly escaped a nuclear war Jewish leaders plan to artificially cause. Note that just as the Jews of Israel used the capture of two intruding Israeli soldiers as a pretext to commit an unprovoked genocidal attack in which the Jews of Israel hacked Lebanon to the ground, and which Israeli attack would have continued until Lebanon was completely annihilated had not world public opinion intervened, this failed attack on the US could well have been used a pretext to attack the Moslem world with nuclear weapons—we just don't have the troop strength or the funds to commit genocide in any other way, or so will our Israel-first leaders "reason". The truth is they want to take the lives of what they consider to be sub-human idol worshippers and concurrently fulfill the religious myths of Judaism.

It is truly the people of the world who are under attack and we cannot depend upon our leaders or our media, because both have made it painfully obvious that their goal is nuclear world war. Who is it that staffs and owns these warmongering media outlets? Why is their agenda war instead of peace, hatred instead of harmony? What is the common link? Would it be impossible to trace the backgrounds of the stars of the warmongering media? Would be impossible to put pressure on their paying sponsors to end the warmongering, race baiting and religious intolerance? Could not one billion Moslems have an influence? It is no more their duty than ours in general, but they will be the first murdered and the sights of leading Jews are trained between Moslem eyes.

Zionist Treachery and Warmongering: How Leading Jews Have Cursed America

Christopher Jon Bjerknes

http://www.jewishracism.com

Treacherous Zionist Jews brought America into the First World War in exchange for the Balfour Declaration on a *quid pro quo* basis. Political Zionist leader Samuel Landman wrote in 1936,

"During the critical days of 1916 and of the impending defection of Russia, Jewry, as a whole, was against the Czarist regime and had hopes that Germany, if victorious, would in certain circumstances give them Palestine. Several attempts to bring America into the War on the side of the Allies by influencing influential Jewish opinion were made and had failed. Mr. James A. Malcolm, who was already aware of German pre-war efforts to secure a foothold in Palestine through the Zionist Jews and of the abortive Anglo-French démarches at Washington and New York; and knew that Mr. Woodrow Wilson, for good and sufficient reasons, always attached the greatest possible importance to the advice of a very prominent Zionist (Mr. Justice Brandeis, of the US Supreme Court); and was in close touch with Mr. Greenberg, Editor of the *Jewish Chronicle* (London); and knew that several important Zionist Jewish leaders had already gravitated to London from the Continent on the *qui vive* awaiting events; and appreciated and realised the depth and

strength of Jewish national aspirations; spontaneously took the initiative, to convince first of all Sir Mark Sykes, Under-Secretary to the War Cabinet, and afterwards Monsieur Georges Picot, of the French Embassy in London, and Monsieur Goût of the Quai d'Orsay (Eastern Section), that the best and perhaps the only way (which proved so to be) to induce the American President to come into the War was to secure the co-operation of Zionist Jews by promising them Palestine, and thus enlist and mobilise the hitherto unsuspectedly powerful forces of Zionist Jews in America and elsewhere in favour of the Allies on a *quid pro quo* contract basis. Thus, as will be seen, the Zionists, having carried out their part, and greatly helped to bring America in, the Balfour Declaration of 1917 was but the public confirmation of the necessarily secret 'gentleman's' agreement of 1916 made with the previous knowledge, acquiescence and/or approval of the Arabs and of the British, American, French and other Allied Governments, and not merely a voluntary altruistic and romantic gesture on the part of Great Britain as certain people either through pardonable ignorance assume or unpardonable ill-will would represent or misrepresent.

Sir Mark Sykes was Under-Secretary to the War Cabinet specially concerned with Near Eastern affairs, and, although at the time scarcely acquainted with the Zionist movement, and unaware of the existence of its leaders, he had the flair to respond to the arguments advanced by Mr. Malcolm as to the strength and importance of this movement in Jewry, in spite of the fact that many wealthy and prominent international or semi-assimilated Jews in Europe and America were openly or tacitly opposed to it (Zionist movement), or

timidly indifferent. MM. Picot and Goût were likewise receptive.

An interesting account of the negotiations carried on in London and Paris, and subsequent developments, has already appeared in the Jewish press and need not be repeated here in detail, except to recall that immediately after the 'gentleman's' agreement between Sir Mark Sykes, authorized by the War Cabinet, and the Zionist leaders, cable facilities through the War Office, the Foreign Office and British Embassies, Legations, etc., were given to the latter to communicate the glad tidings to their friends and organizations in America and elsewhere, and the change in official and public opinion as reflected in the American press in favour of joining the Allies in the War, was as gratifying as it was surprisingly rapid. [***] In Germany, the value of the bargain to the Allies, apparently, was duly and carefully noted. In his 'Through Thirty Years' Mr. Wickham Steed, in a chapter appreciative of the value of Zionist support in America and elsewhere to the Allied cause, says General Ludendorff is alleged to have said after the War, that: 'The Balfour Declaration was the cleverest thing done by the Allies in the way of propaganda, and that he wished Germany had thought of it first.' [*Footnote:* Volume 2, page 392.] As a matter of fact, this was said by Ludendorff to Sir Alfred Mond (afterwards Lord Melchett), soon after the War. The fact that it was Jewish help that brought U.S.A. into the War on the side of the Allies has rankled ever since in German—especially Nazi—minds, and has contributed in no small measure to the prominence which anti-Semitism occupies in the Nazi programme."—S. Landman, *Great Britain, the Jews and Palestine*, New Zionist Press (New Zionist Publication Number 1), London,

(1936), pp. 4-6.

Louis Brandeis: A Frankist Jew

Christopher Jon Bjerknes

http://www.jewishracism.com

Racist Zionist United States Supreme Court Justice Louis Dembitz Brandeis was a Frankist Jew. Frankist Jews were committed to the destruction of Gentile society. They deliberately wormed their way into positions of power in order to subvert Gentile religions and governments and bring them into war and ruin. Brandeis brought America into the First World War in a *quid pro quo* deal with the British in exchange for the Zionist Balfour Declaration by blackmailing Woodrow Wilson with love letters Wilson had written to Mrs. Peck. Brandeis and his leading Jewish friends instituted Rothschild's banking system in America, which led to the Great Depression. Brandeis was known as the most deceitful lawyer in America. His appointment to the United States Supreme Court was the most scandalous event in the Court's history. Like all Frankist Jews, Brandeis returned Gentile generosity with treachery. Arthur Hertzberg discussed Brandeis' Frankist roots,

"On the surface Brandeis was a strange kind of leader for the Zionists. Born in Louisville, Kentucky, in 1856 to recent immigrants from Bohemia, who were not much involved in

Jewish life, Brandeis had a brilliant career at Harvard Law School, and by the late 1880s had become a successful Boston lawyer. True, many of his initial clients were 'German Jews' to whose social set he inevitably belonged, but he was even more peripheral to the Jewish community than the most assimilated among them. There was some memory in his family of its origins in Prague in a circle that still harbored loyalty to the memory of Jacob Frank, the false messiah who had appeared in Poland in the latter half of the eighteenth century. Brandeis's mother was very opposed to Jewish particularism. In his earliest Boston years, he was to be found, at least once, on the list of contributors to the First Unitarian Church. On the other hand, he had been deeply influenced in his earliest years by an uncle, Louis Dembitz (whose family name he adopted as his own middle name), a learned, Orthodox Jew."—A. Hertzberg, *The Jews in America: Four Centuries of an Uneasy Encounter: A History*, Simon and Schuster, New York, (1989), p. 218.

What Jews Think of Jesus and of Christians: A Warning to Christian Zionists

Christopher Jon Bjerknes

http://www.jewishracism.com

Christian Zionists ought to know what it is that they are supporting. Jews believe that Jesus was the son of a prostitute and a Roman soldier, who learned witchcraft in Egypt and who beguiled

Jews to worship him as an idol. While this myth is more fully enunciated in the *Toledoth Jeshua*, the Talmud also iterates similar beliefs in Shabbath104*b* (see especially endnote 19) and in *Sanhedrin*106*a-b*,

"*Balaam also the son of Beor, the soothsayer,* [*did the children of Israel slay with the sword*].[3] A soothsayer? But he was a prophet! — R. Johanan said: At first he was a prophet, but subsequently a soothsayer.[4] R. Papa observed: This is what men say, 'She who was the descendant of princes and governors, played the harlot with carpenters.'[5] *Did the children of Israel slay with the sword among them that were slain by them*.[6] Rab said: They subjected him to four deaths, stoning, burning, decapitation and strangulation.[7]"—I. Epstein, Sanhedrin 106*a-b*, "Sanhedrin II", *The Babylonian Talmud*, Volume 28, The Soncino Press, London, (1935), pp. 721-729, at 725.

Jesus ridiculed the scribes and Pharisees (*Matthew* 22; 23. *Mark* 7; 12:38-40. *Luke* 11. *John* 8). That was just one of the reasons why the Jews killed Jesus in the New Testament story, and that is one of the reasons why the Jewish Talmud says that Jesus is boiling in excrement in hell. The Jewish Talmud, in the book of *Erubin* 21*b*, states,

"[A]s to the laws of the Scribes, whoever transgresses any of the enactments of the Scribes incurs the penalty of death. [***] This[8] teaches that he who scoffs at the words of the Sages will be condemned to boiling excrements. [***] [F]or [neglecting] the words of the Rabbis[3] one deserves death[.]"—I. Epstein, Erubin 21*b*, "Erubin", *The Babylonian Talmud*, Volume 9, The Soncino Press, London, (1938), pp. 148-151, at 149-150.

The Jewish Talmud states in *Rosh Hashanah* 17*a* that all Christians are going to burn in hell forever,

"But as for the *minim*[11] and the informers and scoffers,[1] who rejected the Torah and denied the resurrection of the dead, and those who abandoned the ways of the community,[2] and those who 'spread their terror in the land of the living', [3] and who sinned and made the masses sin, like Jeroboam the son of Nebat and his fellows—these will go down to Gehinnom and be punished there for all generations, as it says, *And they shall go forth and look upon the carcasses of the men that have rebelled against me*[4] etc."—I. Epstein, Rosh Hashanah 17*a*, "Rosh Hashanah", *The Babylonian Talmud*, The Soncino Press, London, (1938), pp. 64-67, at 64-65.

The Jewish Talmud in the book of *Shabbath* 116*a* instructs Jews to burn all Christian books,

"Come and hear: The blank spaces[5] and the Books of the Minim[6] may not be saved from a fire, but they must be burnt in their place, they and the Divine Names occurring in them. Now surely it means the blank portions of a Scroll of the Law? No: the blank spaces in the Books of Minim. Seeing that we may not save the Books of Minim themselves, need their blank spaces be stated?—This is its meaning: And the Books of Minim are like blank spaces."—I. Epstein, Shabbath 116a, "Shabbath", *The Babylonian Talmud*, Volume 8, The Soncino Press, London, (1938), pp. 567-571, at 569.

The Jewish Talmud tells Jews in *Gittin* 57*a* that Jesus is boiling in hell in hot excrement and semen, which is his curse for questioning Jewish authority,

"He then went and raised Balaam by incantations. He asked him: Who is in repute in the other world? He replied: Israel. What then, he said, about joining them? He replied: *Thou shalt not seek their peace nor their prosperity all thy days for ever*.[*Footnote:* Deut. XXIII, 7.] He then asked: What is your punishment? He replied: With boiling hot semen.[*Footnote:* Because he enticed Israel to go astray after the daughters of Moab. V. Sanh. 106*a*.] He then went and raised by incantations the sinners of Israel.[*Footnote:* {MS.M. Jesus}.] He asked them: Who is in repute in the other world? They replied: Israel. What about joining them? They replied: Seek their welfare, seek not their harm. Whoever touches them touches the apple of his eye. He said: What is your punishment? They replied: With boiling hot excrement, since a Master has said: Whoever mocks at the words of the Sages is punished with boiling hot excrement. Observe the difference between the sinners of Israel and the prophets of the other nations who worship idols."—I. Epstein, Gittin 57*a*, "Gittin", *The Babylonian Talmud*, Volume 21, The Soncino Press, London, (1936), pp. 261-265, at 261.

The Jewish Talmud in the book of *Shabbath* folio 32*b* promises the Jews 2,800 Gentile slaves per Jew in the Jewish End Times,

"Resh Lakish said: He who is observant of fringes will be privileged to be served by two thousand eight hundred slaves, for it is said, *Thus saith the Lord of hosts: In those days*

it shall come to pass, that ten men shall take hold, out of all the languages of the nations, shall even take hold of the skirt of him that is a Jew, saying, We will go with you, etc.[5]"— I. Epstein, Shabbath 32*b*, "Shabbath", *The Babylonian Talmud*, Volume 7, The Soncino Press, London, (1938), pp. 147-150, at 149.

In the Jewish End Times, according to the Jewish Talmud in the book of *Sanhedrin* 57*a*-60*b*, all Gentiles must obey the Noahide Laws. In other words, Christians will be beheaded when the Jewish Temple replaces the Dome of the Rock and Al Aqsa Mosque and the Jewish King ascends his throne in Jerusalem.

The Jewish Talmud in *Hagigah* 27*a* states that Jews, and especially Rabbis, never go to hell—so don't waste your breath,

"R. Abbahu said that R. Eleazar said: The fire of Gehinnom[4] has no power over the Scholars. It is an *ad majus* conclusion [to be drawn] from the salamander.[5] If now [in the case of] the salamander, which is [only] an offspring of fire, he who anoints himself with its blood is not affected by fire, how much more so the Scholars, whose whole body is fire, for it is written: *Is not My word like as fire? saith the Lord*.[6] Resh Lakish said: The fire of Gehinnom has no power over the transgressors of Israel. It is an *ad majus* conclusion [to be drawn] from the altar of gold. If the altar of gold, on which there is only a *denar* thickness of gold,[7] is not affected through so many years by the fire, how much less so the transgressors of Israel, who are full of good deeds[8] as a pomegranate [is of seeds]; for it is written, *Thy temples are like a pomegranate split open*.[9] Read not 'thy

temples' [*rakkathek*] but 'thy worthless ones' [*rekanim shebak*].[10]"—I. Epstein, Hagigah 27*a*, "Hagigah", *The Babylonian Talmud*, Volume 14, The Soncino Press, London, (1938), pp. 170-171, at 171.

The Jewish Talmud in *Gittin* 57*b* claims that the Romans murdered four *billion* Jews,

"*The voice is the voice of Jacob and the hands are the hands of Esau:*[3] 'the voice' here refers to [the cry caused by] the Emperor Hadrian[4] who killed in Alexandria of Egypt sixty myriads on sixty myriads, twice as many as went forth from Egypt. *'The voice of Jacob':* this is the cry caused by the Emperor Vespasian[5] who killed in the city of Bethar four hundred thousand myriads, or as some say, four thousand myriads. *'The hands are the hands of Esau:'* this is the Government of Rome which has destroyed our House and burnt our Temple and driven us out of our land."—I. Epstein, Gittin 57*b*, "Gittin", *The Babylonian Talmud*, Volume 21, The Soncino Press, London, (1936), pp. 265-268, at 266.

and *Gittin* folio 58*a* falsely records that the Romans rolled 64 million Jewish children in their scrolls and burned them,

"Rab Judah reported Samuel as saying in the name of Rabban Simeon b. Gamaliel: What is signified by the verse, *Mine eye affecteth my soul, because of all the daughters of my city?*[6] There were four hundred synagogues in the city of Bethar, and in every one were four hundred teachers of children, and each one had under him four hundred pupils,[7] and when the enemy entered there they pierced them with their staves, and when the

enemy prevailed and captured them, they wrapped them in their scrolls and burnt them with fire."—I. Epstein, Gittin 57*b*, "Gittin", *The Babylonian Talmud*, Volume 21, The Soncino Press, London, (1936), pp. 268-272, at 269-270.

The "Jewish State" Is Fomenting World War III: Part 2: More Evidence from the BBC

Christopher Jon Bjerknes

http://www.jewishracism.com

Some interesting BBC reportage has been posted on YouTube. The BBC argues that the Israelis might want to use a Kurdish airport as refueling a station for air attacks on Iran. The Israelis' strategy is far broader. They want to use the Kurds to foment war between Turkey, Syria, Iraq and Iran. Israelis are training Kurdish terrorists to conduct operations in each of these countries. Mossad agents are also acting as agents provocateur to talk Kurds into committing acts of terrorism and are providing them with the training and means. Mossad agents are also dressing up as Kurds and conducting their own operations, which they blame on Kurds. Kurds are just another of the desperate peoples Jewish leaders are exploiting as scapegoats for messianic Jewish bloodlust and warlust. Billions of human beings are likely to die in the war Jewish leaders have engineered to destroy humanity. The genetic and environmental damage they plan to cause will forever ruin the human race. It could possibly end life on this planet, which is the goal of the Cabalistic Jew, who believes that we must die so that the Jews can enter

a new aeon on a "New Earth" with a "New Heaven".

The following documentary on Rabbi Abraham Isaac Kook reveals that Jewish secularism is paradoxically a part of Jewish religiosity:

http://www.israelnationalnews.com/news.php3?id=112536

The "reformists" and Communists who ultimately secularized a very large sector of the Jewish population, did so as part of a religious plan to bring about the "End Times". Israel, as a political state, exists for religious reasons. One of those reasons is to bring about our deaths and in so doing hasten the arrival of the Jewish Messiah.

The Zionist Vampires Have Cost Us Our Honor

Christopher Jon Bjerknes

http://www.jewishracism.com

The Jewish controlled media has orchestrated a tag team event with Chavez and Ahmadinejad in their corner to wrestle away the last remnants of American honor. Chavez, in his Commie red shirt (for now sans the Che Guevara beret), is rallying the world against America. With the help of the Jewish dominated American media, Chavez is playing the bad cop to Ahmadinejad's good cop. Chavez is deflecting negative attention away from Iran and Israel, and is focusing it onto the US.

We used to be criticized as being the "policemen of the world". The Israel first traitors have now relegated us to the status of "genocidal criminals" of the world, who are led by a stupid witless Satan. And that is what the racist Jews want, the US to be the enemy of the world, together with Israel, so that we will be their iron scepter with which they can smash the potter's vessel of humanity. The racist, supremacist Jews have installed their puppet as our leader and he has terribly shamed the American nation. While our government sends our tax dollars to Israel and Egypt, the Communist Chavez gives oil to our poor and mocks our presidency to the world, and all the while the Communist Jews in America laugh alongside him and the rest of the world, as America is shamed. Oh, what we have lost as the Zionists have deliberately ruined us. It is truly pathetic!

And Jewish leadership has ready our "saviors" to save us from the devils and demons they have imposed upon us. While America should have been spreading universities and advanced industries and agricultural methods to our neighbors to the south, the Jewish leaders instead oppressed and impoverished these nations, deliberately inhibiting their progress and developing an oppressed class to use as a hammer against the American People. For more than a century and a half, the Rothschilds have been planning to grab us with a desperate hand from the south

and tear us in two. Instead of America leading our hemisphere to a better and brighter future, Jewish leadership has done what it can to guarantee our common demise. Jewish leadership has raised up red shirted scum to come and spit in our faces for the crimes Jewish leadership has covertly committed against humanity in our name. After deliberately discrediting our government in the eyes of the world, Jewish leadership is attempting to discredit our government in our own eyes so that we will beg Jewish leadership to provide us with a savior like Communist Chavez who will bring us a Utopia of free oil and freedom from fascists like the Zionist traitor George Bush. Jewish leadership will next offer us freedom from income taxes and coins made of gold. What they won't tell you is that you'll have to buy your gold from them and that they will once again melt it down after you buy it and return it to their coffers. What they won't tell you is that your property will become theirs and you will have no income upon which taxes can be levied. You see, Jewish religious mythology teaches Jews that all the gold and property in the world is theirs by God's decree. Communism is not, and was never meant to be, a means to eliminate personal property. It is a means for Jewish leadership to steal all the wealth of the world. It is a means for Jewish leadership to destroy all religion in the world. It is a means for Jewish leadership to destroy all culture in the world. It is a means for Jewish leadership to destroy all national sovereignties in the world, save Israel—and there is the resolution to the Zionist/Communist Jewish paradox. There is no contradiction for a Jew to simultaneously call for all nations to surrender their sovereignty in obedience to God, and for Jews to have no goal but strengthening the nation of Israel. That is messianic Judaism in all its horror and racist hypocrisy. Ironically and paradoxically, a major part of the Jewish religious plan is the objective of making Jews irreligious. Jewish leaders believe that the prophets commanded that Jews fall

away from God and that they are duty bound to see to it that two thirds of Jews perish as a result (*Zechariah* 13:8-9). They believe that the Messiah will only come when Jews have embraced heresy and have made the world evil (*Sanhedrin 97a*).

But the two-headed snake which has slithered onto our shores, and filled our thoughts courtesy of the Jewish controlled media, has another fanged fiend, another agent of Jewish leadership, Ahmadinejad. His Iranian fellows tempered his rhetoric, wisely and appropriately, but he slipped in a telling tribute to his Shabbataian-Frankist past. Round about the time crypto-Jewish Communists were infiltrating Iran in their campaign to surround Israel with Communist nations, with Communism which would destroy Islam and any Islamic ability to resist Jewish domination, round about that time in the 1950's, crypto-Jews created a Frankist-style sect among the Shia called "Hojjatieh" or "Hojjatiya". This sect used all the Frankist techniques of worming their way into power by hiding their true beliefs and keeping their genocidal literature secret. They also preached the Frankist Jewish doctrine that the world must deliberately be brought into chaos and evil and heresy must rule the world in order to provoke God to bring the Messiah, named in this sect the twelfth imam to appease Islamic sensibilities, but it is Frankist Jews who are behind it. It was Frankist Jews who bred Ahmadinejad, the Communist Revolutionary, and it was Frankist Jews who placed him in power to bring Iran into its own deliberate destruction. The Jews have had this plan for a very long time, and their green tinged anti-Messiah, Armilus, has an anti-Elijah—the Persian King. It is all told in the Jewish myth of Sefer Zerubbabel. Hence the myth of the green halo surrounding Ahmadinejad to foreshadow Armilus, and Ahmadinejad's scripted role as forerunner of the anti-Messiah and leader of the war on Israel.

Once America has been sufficiently alienated and humiliated by Chavez and Co., I suspect Ahmadinejad will return to the Saddam script and heat up the rhetoric. I hope I am wrong. It would be better that it were a bad dream.

The "Jewish State" Is Fomenting World War III

Christopher Jon Bjerknes

The Jews of Israel have been caught red handed coaching and preparing the Kurds for war with their neighbors. The BBC issued an interesting report:

"Israel 'trains Iraqi Kurd forces'" by Magdi Abdelhadi

The Turks are being intentionally provoked into war by the covert operations of the Israel warmongers and war starters through their Kurdish dupes, who will inevitably also be destroyed:

Turkey urges Iraq to take concrete measures against PKK

Note that the "Jewish State" would like to scapegoat the Kurds for the war the Jews of Israel are going to start between the Kurds, Turks, Syrians, Iraqis, Irans, and eventually the Jordanians, Saudis, Egyptians, Libyans, Sudanese, Ethiopians, Pakistanis, Malaysians—ultimately the world. But the Jews of Israel and their racist tribesmen around the world will deny any responsibility, and instead claim to be the victims of the Goy wars these Jews artificially created.

What We Are Losing: What the Traitors Are Taking from Us

Christopher Jon Bjerknes

http://www.jewishracism.com

America has great power, but is too often using it to do harm instead of good. It is a shame, because if the American nation led the world to better times, peace and prosperity; we would be loved and other nations would rush to aid us. Instead, traitors have made America a tool of racist Zionist policy and power.

The world is compelled to react to the attack of the Zionists. As a result, the world is compelled to curtail American power. Where will this lead the world, if not into a world conflict?

Let us not lose sight of what we could accomplish as an American People leading the world to a new era of peace—what we could accomplish if we could unseat the power of the Zionist traitors. Imagine a world in which Israel occupied as little attention in the international press as Latvia. Think if we spent as much time in the future improving the world and focusing our attention on constructing better societies and better international relations, as is today wasted on Israel's plans for destroying humanity.

America is our country, not Israel's. It is our duty to defend our interests. First and foremost, we must actively defend our fundamental human liberties from the traitorous Israel firsters who are trying to intimated and silence us. These rights grow stronger with exercise. Speak up! Speak out! Speak often!

George Bush is a Zionist Traitor

Christopher Jon Bjerknes

http://www.jewishracism.com

We have a hostile state within a state in America. Zionists place the perceived self interests of the Israelis and Israel above the genuine interests of the American People and the United States. Cabalistic Jews are training Christian children to be cannon fodder, and to mindlessly mass murder our fellow human beings, in the name of securing Israel. Esau is dutifully slaving and soldiering for Jacob. Once that duty is fulfilled, Jacob and its "Messiah" will slyly slay Esau in the Jewish genocidal "End Times". That is the documented plan, which has been openly stated by leading Jewish figures throughout the history of the tribe.

Christian Zionists are as stupid as they are dangerous. Furthermore, they are disloyal to the teachings of Jesus Christ and the United States. They are the enemies of the People of America, they are the enemies of Christianity and they are the enemies of humanity—the pro-Zionists are anti-Christ, anti-America and anti-humanity.

Members of the tribe gathered in New York to protest free speech and support the racist apartheid nation of Israel. They are blindly obedient to their warmongering leadership and attempt to present a unified front based on obedience to the "Jewish race", as opposed to obedience to the principles of justice, peace and humanity. They are slaves to a racist, tribal mythology and are the declared the enemies of humanity—the declared enemies of American

values. And they are powerful in their united effort to destroy.

Since racist Jewish mythology teaches the Jews that they are a master race, and that the rest of humanity is sub-human, has no rights and is duty bound to slave for the Jews, racist Jews claim it is anti-Jewish for any other people to assert its human rights. Non-Jews do not have the human right of free speech, and unless non-Jews wag their tongues in praise of Jewish racism, they must be silenced and ultimately killed, and beyond death will supposedly boil in excrement in hell (*Erubin* 21*b*, *Sanhedrin* 88*b*, *Gittin* 57*a*, *Rosh Hashanah* 17*a*, *Shabbath* 32*b*, *Shabbath* 116*a*). Pro-human is deliberately confused with "anti-Jewish", because racist Jews define the "Jewish race" in anti-human terms (see for example the Jewish Torah in the Jewish book of *Deuteronomy* chapter 7, verse 6, the Jewish *Zohar*, and the Jewish Talmud in the Jewish book of *Sanhedrin* folios 56*a*-60*b*).

I suspect that the mass media is taking note of 911 research, if at first in a mocking fashion, as a warning to the traitor George Bush that he had better toe the Zionist line. It is a sword of Damocles they hang over his cowardly head. The left-wing propagandist "main stream" media has the same tribal loyalties to Israel as the pseudo-right media. They care not at all for America, in fact they are deliberately destroying us, the US. They have Bush in a trap he did not foresee. We are caught in the same trap if we fail to recognize who it is that destroying us, the US. Our enemy is the nation within our nation, who actively work against our interests and who place traitors before our eyes to lead us down the path of our destruction. We ought to investigate the stars of the mass media with an eye toward exposing their motives and hidden, and not so hidden, loyalties. Many of them are the treasonous and venomous voice of the hostile nation within our nation. We should be encouraged by the fact that they can be largely defeated

by exposing them to the sanitizing light of day. That is why they so actively seek to censor honest voices and open debate.

Ahmadinejad's Speech

Christopher Jon Bjerknes

http://www.jewishracism.com

President Ahmadinejad delivered a good speech. It was mature, statesmanly and very reasonable. In contrast, George Bush pushed the Zionists' warmongering agenda.

I suggest the Iranians make President Ahmadinejad's speech easily available on the internet in several languages. The Iranians have the opportunity to follow up in the press and point out that President Ahmadinejad is asking for peace and justice, while Zionist George Bush is pushing for death and destruction. I hope the Iranians remind the world again and again who is asking for peace, and who is calling for war.

We Americans must defend ourselves from the warmongering media. We must understand that unprovoked, aggressive war is mass murder. We have mass murderers in control of our government and the media of our country. It is our duty to oppose them with boycott and political action. Ahmadinejad has just made our job a little easier.

Ahmadinejad's Upcoming Speech at the UN

Christopher Jon Bjerknes

http://www.jewishracism.com

Ahmadinejad should take advantage of his opportunity to address the United Nations to make an issue of the foot dragging that went on in that body while Israel leveled Lebanon to the ground. He should address the undue influence the United States exerts over that body. The President of Iran should make an issue of Israel's unprovoked aggression on Lebanon and speak of the genocide Israel committed. Then Ahmadinejad should call for the UN to insist that Israel disarm, and most importantly that Israel allow inspections of Israel's nuclear program and nuclear weapons program. Ahmadinejad should demand that Israel, the only aggressive nation in the Middle East, disarm its nuclear arsenal. Ahmadinejad should not mention Iran's nuclear program, but should instead turn everything around on the Israelis. He should call on Americans to help the world to pressure the Israelis to give up the Israeli weapons of mass destruction before it is too late. Ahmadinejad should point out that barbaric and aggressive Israel could at this very moment attack its peaceful neighbors with nuclear weapons just as Israel attacked its peaceful neighbors with cluster bombs, which Israel used against civilians. Ahmadinejad should demand that the UN finally and forcefully act on its resolutions against the Israelis such as 242, etc.

Bravado Is a Blunt Tool

Christopher Jon Bjerknes

http://www.jewishracism.com

It is a strange phenomenon. The fierce pride of the Moslem Peoples, most especially the Arab Peoples, is the spine which holds these peoples upright and dignified. On the other hand, the bravado of these persons works against them, by inhibiting them from working together, and from crying out against the injustices Jewish leaders have done to them. While Jews take pride in portraying themselves as victims, even when they know there is no cause to do so; dignified Arabs foolishly puff themselves up with the myths of martyrdom and hold their tongues when victimized by Jews. There can be no trial of Israel's crimes against the Arabs in the court of world public opinion, until the Arabs change their cultural imperatives and bring the evidence of Israeli crimes to the world and ask for help.

Another stumbling stone over which Islam is tripping is the religious respect it gives to Judaism. Judaism is more a political ideology than a spiritual one. It has thrived by spawning both Christianity and Islam and implanting in both the seeds of a poisonous plant that will choke the planet with war and poverty. Islam should not feel inhibited from exposing the criminal nature of Judaism and the attacks the Jewish Talmud and Jewish Cabalistic writings make on both the Prophet Mohammed and Jesus Christ. It is not wrong to target a religion for attacks, when that religion has targeted you for death.

Turks and Kurds

Christopher Jon Bjerknes

http://www.jewishracism.com

Back on 28 July 2006, I told Daryl Bradford Smith that I believed that the Turks and the Kurds would be used by the Zionists to begin World War III. I asked him to kindly conduct an interview with me so that I could express some of my views and exposit upon the Turkish/ Kurdish dilemma I foresaw:

http://www.iamthewitness.com/DarylBradfordSmith-Bjerknes28July2006.mp3

I did not fully explain exactly what I believed would happen, and I will not do so now, because I would not want to give the enemy any ideas. Suffice it to say that what I expected to happen has unfortunately begun to happen. Iraq is being deliberately divided by false flag terrorist acts committed by Israeli Mossad, and American and British intelligence groups. The nation of Iraq will break apart in a civil war between Kurds, Sunni and Shia. Jewish leaders have lied to each of these factions, and provoked each against the others, in order to divide and eventually destroy them all. Jewish leaders have promised the Turks admittance into the EU and a resolution to their Kurdish problem. Meanwhile, Jewish leaders have promised Kurds that they will at long last attain a sovereign nation of Kurdistan, and Jewish leaders have helped the Kurds to conduct a propaganda campaign in the US which will eventually morph into an attack on Turkey. Jewish leaders have orchestrated "Kurdish" terrorist attacks in Turkey. It is likely that when the civil war in Iraq erupts their will be massive loss of life, and Turkey, Syria, Iran and Jordan will enter the conflict. We will then see an artificial war between Sunni and Shia, fomented behind the scenes by the Israelis. The Pope and other racists will attempt to drive a wedge between Turkey

and other NATO nations, while others will call on NATO to intervene on behalf of Turkey. This slide into world war can be stopped. The key issue to bring before the world, is that Israel is behind all of this tragic trauma. Shine a spotlight onto the ultimate provocateur, Israel, and make it clear to all parties that they will lose if they follow the advice of Jewish leaders and that all promises will ultimately be broken.

Islamic nations should seize control over their own fate and conduct peace talks and work each with other Islamic nations towards Islamic unity with a just and noble purpose. Islam ought to work to promote the economic and territorial interests of its peoples. Just as the EU was designed to unify Europeans, Islam can do a much better job of resolving problems facing Moslems and improving the lives of its member communities. Moslems must take control of their own future. In so doing, Moslems should actively work to drive a wedge between Israel and all other nations by exposing Israel's crimes and Israel's express purpose, which is to destroy humanity. One and one half billion Moslems working together can expose the criminal and apartheid nation of Israel. Moslems can control the debate if they work together and express themselves to the world public. Israel's crime are indefensible and easily exposed. Force Israel into a defensive posture and take the offensive in order to promote peace and justice across the world and especially in the Middle East.

It is not enough to defeat the Israelis. The territorial and economic issues must also be addressed. A new source of energy would destroy the economies of many Islamic nations. Famine and war are a present danger and plans should be made and nations coordinated to react to these problems. It is not enough to identify the enemy. There must also be plans for allied efforts to improve the lives of Moslems around the world. This effort would also serve

many other purposes. It will ease some of the insecurity in the Islamic world and enable a new spirit of power in the numbers of Moslems working together towards positive ends, instead of forever defending themselves from defamations from Israel and its agents. Again, Moslems must take control over their own fate and unify to both face a common enemy, and to promote positive ends and a brighter future for the Moslem peoples.

The Pitiful Pope

Christopher Jon Bjerknes

http://www.jewishracism.com

It was clear from the Pope's 12 September 2006 speech, that the infamous quotation the Pope reiterated, and the Pope's subsequent diatribe, were an excuse to hide behind in order to lend credibility to the Pope's deliberate, deceitful and cowardly attack upon Islam and Moslems as if irrational, evil and inhuman—sub-European (allegedly sub-human)—you see there is no moral crime in killing off supposed idol worshiping animals, which allegedly have no souls; and Jewish leaders have set their sights on the Moslem world. The Pope has not apologized for his insulting and degrading attack upon one billion innocent people, nor has he apologized for condemning a world religion to the trash heap. Rather, the Pope pretends to regret that the allegedly soulless barbarians caught on to the deliberate attack and realized that the sophistical argument, and reference to a 14th Century dialogue which was beyond obscure, were merely cowardly cover for

the Pope's vindictive and hateful sniping at innocent people. But the Pope's transparent pretense is so transparent as to be obviously deliberately transparent—more fuel for the fire.

The Pope states that he regrets that Moslems took offense at his offensive comments. He does not regret making his offensive comments and denies that they were offensive, though they undeniably were. The Pope's disingenuous "apology" is yet another insult to the intelligence of the Moslem community. Make no mistake about it, the Pope first sought to defame Islam, then found a cowardly way in which to do it, which would offer him some spurious means of deniability. The Pope is again showing the world that he is a spineless coward and vicious liar by pretending to apologize, but instead further insulting people who have done him no harm. The Pope is blaming the people he has deliberately offended, for his offense, for daring to be offended by it! His actions are so absurd and disingenuous as to be unmistakably contrived and deliberately provocative.

The Pope and the media sidestep the other vicious and offensive elements of the Pope's tirade. The Pope effectively called the Moslems sub-human, violent, irrational and non-European; while defining Europeans as if God's master race. The Pope is repeating the Jewish curse upon Ishmael, whose inheritance is stolen by the Jews in their Jewish Torah, in which Jewish Torah Ishmael (who came to be associated with Islam) is cursed to be stupid and violent and less than Isaac and Jacob, less than the Jews (*Genesis* 16; 17:18-27; 21:9-21). The Jewish book of *Genesis* 16:12 is exploited by Jews and their agents to defame Islam, because the Prophet Mohammed stated that Ishmael, who was Abraham's firstborn, inherited the covenant to which the Jews lay claim through Isaac and Jacob,

"And [Ishmael] will be a wild man; his hand *will be* against every man, and every man's hand against him; and he shall dwell in the presence of all his brethren."

The Pope's supposed invitation to dialogue was instead a deliberately dishonest, vicious, reckless and unprovoked attack—much like the Jewish State's deliberately dishonest, vicious, reckless and unprovoked attack on Lebanon. Who instructed the Pope to attack Islam, and why? How did his attack become an international story? Who benefits from this circus?

The Pope's outrageous and venomous slander can be equated to the Jewish anarchists' assassination of Archduke Ferdinand, which was used as a pretext to provoke the First World War by pitting pan-Germanics against the pan-Slavics. In reality, Kaiser Wilhelm II and his cousin Czar Nicolas II were following an incestuous script handed to them by the Jewish bankers. It is likely the Pope is doing the same, as are the supposed "Moslem leaders" in Turkey, Egypt and elsewhere who outwardly appear to be falling into the trap the Pope set, but who are likely paid agents playing their role in the third and final act of world war, which will draw the curtain closed on humanity.

The Jewish controlled media has been destroying the Catholic Church and Islam for centuries and has pitted them against one another for hundreds of years. The *Kulturkampf*, the Armenian genocide committed by crypto-Jewish "Young Turks", and other such engineered conflicts down through history, were each contrived battles created by Jewish leaders to discredit Catholicism and Islam, and to pit Catholics against Judaized Protestants, and to pit all Christians against Islam so that they would destroy one another and leave the Jews standing in Palestine.

Jewish leaders always hide behind others so that they can cast blame for their evil actions on others. Jewish leaders are today trying to provoke World War III, but are trying to do it in a way which will make it appear that Catholics and Moslems are at fault. Jewish leaders were behind the Nazi attack on Jews, but it is the German People who are blamed. Jewish leaders were behind the Soviet genocides of Slavic Christians, but it is the Russian People who are blamed. Jewish leaders were behind the Armenian genocide, but it is the Turkish People who are blamed. Jewish leaders were behind the American Civil War, but it is the Southern Christians who are blamed. Etc. Etc. Etc. Jewish leaders are cleverly trying to trap Christians and Moslems into killing one another off. The non-Jewish peoples of the world are, and always have been, the targets of Jewish genocidal ambitions. We all must recognize the true enemy and defang it. The time we have to accomplish this necessary end is running short.

Coup d'Etat

Christopher Jon Bjerknes

http://www.jewishracism.com

It smells like a coup is brewing in Iran. Iran's neighbors have recently met with Washington. Plans have been discussed. Deals have been made. Both Ahmadinejad and Chavez have met with their contacts in America. Ahmadinejad may have outlasted his usefulness. The press is beginning to talk a little bit more about "Tehran" and a little bit less about Ahmadinejad. In the eyes of Israelis, it is the Syrians who are encroaching upon the ancient lands of the Israelite tribes. A coup in Iran could place Syria in a precarious position. Then there are the Kurds, who are allies of the Israelis, and who would be strengthened by a weakened Syria and Iran, and seize the opportunity to make their bid for independence and secession from Iraq, Turkey, Syria and Iran—this could spark the broad war the Israelis have been trying desperately to foment.

If it becomes overly obvious to the Iranians that Ahmadinejad is leading them over a cliff, a true leader might emerge and take charge of the nation. Jewish leaders do not like to wait. It leaves them doubting. It confuses them. Dissensions arise. Deadlines approach. Expenses increase.

Public opinion changes. More and more people become involved in the planning, which inevitably increases the risks of detection and failure. Within Iran the populace is growing impatient with its crypto-Jewish theocratic leadership. There is a massive amount of oil at stake. Pressures are mounting, but are they mounting a coup? The Mossad and the CIA must reason that if their boys in charge of Iran today are to be ousted, it would be best to find suitable replacements and install them before control is lost.

How War Can Spread

Christopher Jon Bjerknes

http://www.jewishracism.com

If the US and/or Israel attack Iran with a nuclear weapon, it is possible that the US and/or Israel will also detonate a bomb in India and Israel and blame it on Pakistan and Syria. Israel will then unload its nuclear arsenal on Iran, Iraq, Syria, Egypt, Jordan, Saudi Arabia, etc. India will then strike Pakistan and an exchange will begin which will draw in Communist China. North Korea may strike South Korea and/or Japan, or the US might itself attack Japan and blame it on North Korea or China. The US would then attack North Korea and China, which would bring in Russia with a preemptive attack on the US and Western Europe, which would then retaliate with an all out attack on the US, Germany, France and England. The first bomb dropped would also afford the Zionist traitors in America an opportunity to bomb other populations and claim that it was a

Russian attack.

It is important to note that the existence of nuclear weapons in North Korea and Pakistan affords Zionists the opportunity to conduct a false flag nuclear attack and blame it on these nations. This might account for the fact that the Zionists allowed and covertly encouraged the manufacture of nuclear weapons in these countries.

If Ever You Needed Proof

Christopher Jon Bjerknes

http://www.jewishracism.com

If ever anyone needed proof that racist Jews exercise a grossly undue and destructive influence over the press, institutions of influence and governments around the world, examine what is happening today as the racist Jews deliberately prepare the way to Armageddon. Though the Jewish controlled media and government in the United States hype the threat of terrorism in a way that makes Americans unnecessarily fear and loathe Moslems, there is very little spoken of the threat of the nuclear war leading Jews are planning for the world. Why is there no major motion picture depicting the horrors of nuclear war—as opposed to nuclear terrorism? Why don't we see Hollywood images of dumbfounded Christian Zionists with their blistered and bloodied faces falling off into their hands, asking God why they have not been raptured? After all, Hollywood is in general so quick to ridicule zealot Christians. Surely a direct nuclear attack on the United States would be vastly more destructive than any terrorist attack. Why do our

Jewish led leaders hide from the danger? Why are they not concerned that we be informed of the risks, and why are they not teaching us what we should do in the event their nuclear war takes place?

During the Cold War, we were taught a little about the horrors of a nuclear strike. The Soviets were even more concerned for their citizens, and young Soviet children lived in fear of nuclear war, because they were shown graphic images of what a nuclear war would mean—just as American children are taught to fear anti-Semitism by being shown images of the Holocaust, some of which have been doctored to increase—even fabricate—the horror. American children are not allowed to see other such images which do not profit Jewish leadership—it would be considered child abuse and obscenity to show such images in any other context than the Holocaust—as many have pointed out in the past. American children are not shown starving German dead from either world war, nor the mutilated victims of Jewish Bolshevism. No, there is a definite screening process which excludes concerns over the actions and plans of racist Jewish leaders. There is a deliberate filter placed between Americans and the truth, which is meant to prevent Americans from taking action to prevent nuclear war and unseat the power of Zionist warmongers and Jewish Bolshevists.

This situation must change. Politicians and the media should inform Americans that if a nuclear war comes, they will be annihilated and the human race is likely to perish from the Earth. There should be an urgency to prevent such an event, and a spotlight must be focused on all the players on the field. We should conduct drills to prepare for this event, and, hopefully, as the consciousness of Americans becomes aware of the real terror of nuclear war, we as a people will put an end to this mad rush to the Apocalypse. It is hardly enough to vaguely refer to Iran's

nuclear enrichment program as if that were the extent of the threat. There is no imminent threat there, though there is a declared and open threat from Israel and leading Jews around the world that they are planning a nuclear attack on Iran. Americans simply have to become aware of what that war will become and the genocide it will commit. There can be no vague talk or cartoon religious delusions.

Leading Jews are leading us into a nuclear abyss in order to fulfill their horrific religious mythology. They have recruited traitors in the Christian and Moslem communities, and they have made no secret of the fact that over the course of the centuries they have deliberately infiltrated both religions with crypto-Jews who intend to destroy humanity. This is a very well documented fact and the American People must hear about it before it is too late.

The most zealot Christians and Moslem have always been crypto-Jews, from Paul to Pope Benedict XVI and Ahmadinejad and the Saudi Royals. In fact, it was well known in Spain and Turkey that those households which held most rigidly to Christian and Moslem traditions were Jewish households. You can expect that the most severe fanatics in both the Christian and Moslem communities are crypto-Jews or dupes, or paid agents of crypto-Jews. Why is there so strong a racist bias in the public debate, that Americans are willing to accept the mass murder of tens of millions of innocent Iranians as if progress towards a brighter future, but cannot begin to contemplate that Israel be forced to abandon its racist apartheid system of genocide against the Palestinians? How do the genocidal and territorial desires of five million racist Jews in Israel justify the extermination of the human race? Is it so difficult to see that something is here out of balance—unbalanced—insane?

But America is not the only nation being blindly led into its own demise. Why are not Iranians conducting drills to prepare for a nuclear strike? What would happen if tens of millions of Iranians were asked to leave their homes and taught to treat the wounds and sicknesses which are about to befall them? Surely such steps are not only necessary, but urgently needed. But then the Iranians might question their crypto-Jewish leaders. They might take a deep breath, step back and pause to contemplate their fate.

Let us bring it closer to home. Consider how the public debate would change if New Yorkers, Chicagoans, and the residents of LA were told to evacuate their cities withing two hours. What if the mayors of these cities and the governors of each State insisted that the citizens be trained and schooled on what nuclear war will mean and to respond to it as best we can. The American People would then demand a more reasonable and responsible approach from the Jewish controlled media and government.

But this won't happen on its own. Jewish leaders want war. They will only allow images of war that promote war and blind hatred of the enemies of the Jews. But we as an American People must demand that the government exercise its duty to prepare for the wars they are starting. It is one way our fellow citizens can clear their eyes of the lies the Jewish media has shown them and begin to see the ugly reality of racist Jewish power in the world and what it signifies for them and for their future generations. They would be well advised to take a closer look at the plight of the Palestinians to understand how they are viewed by their racist Jewish neighbors and to realize that their lives are an annoyance to the Jewish faith. That is something else the Jewish contolled media will not show.

Informed Consent Citizenship

Christopher Jon Bjerknes

http://www.jewishracism.com

My fellow American citizens are submitting to a fifth column of traitors, who are loyal only to Israel. I believe in democracy. I also believe in the collective wisdom of an *informed* public. My fellow citizens should be informed of the nature of the disaster into which they are being led by enemies of the nation, before consenting to it. But they should also be forced to feel its oppressive weight.

Americans should know that to attack Iran will likely mean nuclear war and a severe and probably permanent economic depression. They should also know that this attack will be entirely unnecessary and will come at the behest of the enemy nation of Israel, not be fought in the best interests of the United States of America. Americans should know that if they allow George W. Bush to bring us into more unprovoked war, they risk losing their jobs, the sovereignty of the United States and exponentially greater risks of severe, chronic or fatal health problems. They risk a nuclear attack from Russia and China.

But they know this already. It is not enough that they know it. They must begin to experience it. Responsible leaders at the State and local level must prepare to aid Americans in the dark times to which Americans have willingly consigned themselves. Imagine if governors and mayors

tomorrow demanded that Americans sign a consent form for war, which would inform them in detail of the risks they are assuming. Imagine if Americans were forced to listen to top medical people explain to them what will happen if we are attacked with nuclear weapons. Imagine if Americans were forced to listen to top economists explain to them what will be their likely economic future if Americans engage in perpetual war and abandon responsible fiscal policy. Imagine if Americans were forced to listen to top political scientists explain to them how the sovereignty of the United States will be lost and how personal property will be "collectivized" among all the citizens of a Union of Soviet Socialist Republics of the Americas.

Americans should only be asked to sign away their future under conditions of informed consent, if indeed we are collectively crazy enough to consent to let the Zionist media run our lives into ruin and war. Maybe if the governors of the various states insisted that drills be performed where cities are evacuated and mock treatments are given for radiation sickness, people would begin to wake up to the risks they are passively assuming. Maybe if one day a week citizens were forced into concentration camps to welcome them into the future they have elected for themselves, maybe, just maybe, they would begin to doubt their coerced and manipulated choices. In any event, we must begin to prepare for the calamities our citizens have elected to bring upon us; and those of us who have retained our sanity are obliged for our own sake to inform our fellow citizens what it is they are consenting to when they consent to let our nation be run from Jerusalem.

Informed Consent Christian Zionism is a topic for another day. . . .

An Indictment of George W. Bush and the Enemy Nation of Israel

Christopher Jon Bjerknes

http://www.jewishracism.com

President George W. Bush and a fifth column of traitors loyal only to Israel, individually and collectively, have engaged in a criminal conspiracy to wage unprovoked war against innocent nations and commit mass murder of both the citizens of those nations and members of the American military. They have deliberately plotted to destroy the sovereignty of the United States of America. They are committing deliberate acts of sabotage meant to ruin the American economy. They are purposefully eroding the liberty of the American People and imposing their Zionist tyranny over the world. They have infiltrated the mass media and all branches of government, as well as most institutions of influence in the United States in order to subvert the interests of the American People and in order to further the perceived self interests of the enemy nation of Israel. They have conducted an ongoing campaign of intimidation, violence and wrongful imprisonment to silence their critics and prevent free and open debate on matters of national importance. They have conspired to disenfranchise the American People through voter fraud and through disproportionate, corrupt and undemocratic control of the press and other institutions of influence.

Ahmadinejad Should Resign and in So Doing Shame the West and Save His Nation

Christopher Jon Bjerknes

http://www.jewishracism.com

President Ahmadinejad should resign and state that because of his love for the Iranian People, he cannot allow the Zionists who dominate Israel, the United States of America and the international media to use him as a spurious *casus belli* for an unprovoked nuclear attack on Iran. The Iranian People should allow inspection of their nuclear facilities by Russia, Pakistan, China, Syria, France and the United States, provided that Israel allow inspection of its nuclear facilities, including its nuclear weapons facilities, by the same nations. Another stipulation of the agreement to inspections should be that the same standards and restrictions which are applied to Iran also be applied to Israel. Iran has a much larger population than Israel and therefore a proportionally greater responsibility and right to security. This call for equity in standards is in fact a concession, given that Israel has invaded its neighbors and threatened many countries with nuclear attack. Since Iran has not committed these offenses, it would be reasonable to hold Israel to stricter standards.

In a few years, as the Zionists are further exposed and their power has diminished, if the Iranian People desire, they can then reelect Ahmadinejad, who might then be a national hero due to his personal sacrifice for the sake of the welfare of the nation. For now, the Iranian People and Ahmadinejad's supporters abroad must ask themselves what has Ahmadinejad done to lessen the chances of a nuclear strike against Iran? How successful has Ahmadinejad been at improving Iran's position in the world? How successful have the enemies of Iran been in vilifying Iran by way of vilifying Ahmadinejad? Has Ahmadinejad deliberately played into their hands, or is he incompetent or unable to meet the challenge and overcome it? What would be

lost by replacing him? What are the risks of his staying in office given that the enemies of Iran are using him to justify an unprovoked nuclear strike on Iran?

On the Use of Hindus in the Mass Media to Defame Moslems

Christopher Jon Bjerknes

http://www.jewishracism.com

Many Hindus bear an animus towards Moslems. Both Moslems and Hindus have committed atrocities against one another in modern times. The mass media in America are exploiting hateful Hindus to attack Moslems in general terms. This serves many purposes for Jewish leadership. The American public is notoriously ignorant of the nature and motives of various ethnicities and nationalities around the globe. Many Americans will believe that East Indians are "Arabs" and that "Arabs" are self-critical. Many Americans will believe that the Indians who are defaming Moslems in the American media are Moslem insiders who are shocked by their fellows' beliefs. The Jewish controlled media almost never allows the Moslems it attacks on camera to defend themselves from these vicious and deceptive attacks. Jewish leaders hide behind the Indians to make the attacks, and thereby both escape detection and create a deeper rift between Indian Hindus and Moslems amongst themselves, because these people are apt to know the ethnic origins of the Hindus making the attacks, which escape the "average American".

Hindus ought to realize that some Jews plan to impose the Noahide laws on humanity. When

they have accomplished this end, they will behead all Hindus, who are evil "idol worshipers" in the eyes of Jews. Jews helped the Russians, the Indians, the Pakistanis, the Chinese and the Koreans to develop nuclear weapons in the hopes that these peoples could eventually be provoked to destroy one another so as to make it easier for the Jews in the "End Times" to kill off Christians, Moslems, Buddhists *and Hindus*. Those Hindus who take advantage of Jewish hatred and Jewish power to attack the Moslems and indulge their egos with self-promotion, are in fact helping Jewish leadership to foment wars which will eventually kill off hundreds of millions of Hindus.

Did Zionists Deliberately Sabotage the Democratic Party in America?

Christopher Jon Bjerknes

http://www.jewishracism.com

I recall that beginning in the primaries which resulted in a Bush -v- Kerry presidential election, leading Democrats adopted the suicidal policy of refusing to iterate their policies—they adopted an anti-policy policy. Jews in the media promoted a vile form of public discourse, which was apparently intended to discourage "average Americans" from taking an active interest in politics. Democrats did not enter the debate with a platform of innovative remedies or rational proposals to improve the lot of the American People, but instead made what appeared to be scripted mistakes, fell into obvious traps, and perpetually left the American People with the bitter taste of negative spin on the pressing issues of the day. In other words, it appeared that

the Democrats intentionally left the American People without a reasonable alternative to the so-called "neo-Conservatives". And whose advice (read "orders") were they following? Anecdotally, I can say that I often heard far left Jews in the media telling Democrats that the wise move was to say nothing and allow the Republicans (read "neo-Cons") to self-destruct. However, I also heard concerned Democratic voters calling into to these supposedly Democratic talk show hosts and pleading with them to encourage Democrats to be creative, positive and innovative—to provide a viable alternative to the Republicans. It was obvious to Democratic voters that the Republican policies were easily defeated if only the Democratic leaders would try to defeat them. The Jewish talk show hosts would say, "Trust me! We are going to win this. If we fight back, the Republicans will spin what we say, so it is better to say and do nothing other than criticize." The callers knew better, and the callers also pleaded with supposedly Democratic talk show hosts to cool their mindless and hateful rhetoric and engage in reasonable discourse. The requests of the audience went unheeded. It was almost as if the Protocols had come to life and Jews in the media deliberately turned off Democratic voters with mindless, adolescent and pointless personal attacks, which led no where, and accomplished nothing. It appeared that Jewish leaders had taken over the Democratic Party in order to destroy it so that the warmongering neo-Conservative Jews could weaponize the Republican Party and use it to instigate World War III. Of course, if Zionist traitor George Bush gets cold feet, the Democratic Party will rise and with it new Zionist traitors will predominate. War is what is wanted. The loyalty of the majority of those Jews who are allowed to mold opinions in the American media is clearly first to Israel, lastly to Israel, and only to Israel. This behavior by leading Jews is not new. *The Chicago Daily Tribune* reported an accusation on 3 February 1873 on page 2, that the Rothschilds had gained

control over a political party in America in order to sabotage it and secure victory for the Rothschilds' candidate,

"In a paper on Federalism, read before the Liberal Club last night by Mr. Delmar, the following remarkable passage made some sensation: 'The people have tacitly committed their entire interests and fortunes to the keeping of two political parties, whose leaders and managers, instead of Congress, as was intended, sway their destinies. It is charged that, knowing this, the Rothschilds, through their American agent, obtained control of one of these parties in the general election of 1868, and threw it into confusion by abandoning its Presidential candidate on the eve of election, so as to afford victory to its opponent, whose financial views more nearly accorded with the interests of that great house.'"

Henry Morgenthau reported that in 1919 the Zionist Jews in Poland used unscrupulous tactics to subvert Polish democracy and attain Jewish control over the Polish Government,

"They admitted that their fifty-six could sway legislation only in case of close divisions among the other parties. It became clear that their hope must be to encourage such divisions."—Henry Morgenthau, "The Jews in Poland", *The World's Work*, Volume 43, Number 5, (April, 1922), pp. 617-630, at 624.

The Failure of the Zionist Bush Regime's Foreign Policy

Christopher Jon Bjerknes

http://www.jewishracism.com

There are several striking points about the reaction of the traitorous Bush administration to the threatened nuclear bomb test by North Korea. First, it is incredible that the Zionist Bushkovites apparently had no plan to deal with such a threat. How could they not have anticipated that a nuclear North Korea would someday conduct a test of its weapons? Or, were they in fact hoping that North Korea would prove its nuclear capabilities so that the Zionist Bushkovites, and/or Israel, could then blame North Korea for any nuclear event in the world, or so that they could use this as an excuse to justify an attack on Iran with North Korea as an example of the danger of complacency in the face of nuclear proliferation? It appears that there is more at work in the treasonous Bush camp than incompetence. They may well be working with our enemies to generate World War III in an era when peace is the rule and prosperity for all a real possibility.

Why isn't America voicing our support for our allies in the region? Why aren't we applying

leverage to Communist China, and cautioning them that North Korea's aggression will lead to a massive proliferation of nuclear weapons in the region, including the influx of nuclear weapons into South Korea, Taiwan, and Japan, which would not profit Communist China or Communist North Korea? We must, of course, make it clear that we seek to avoid this proliferation. We must ask North Korea why it feels so threatened, and begin a dialogue. Talking cannot hurt us or weaken our position. Why is there no concern that misunderstandings might be at play and why is there an almost apparent delight that the situation, which is imminently dangerous, appears to be spiraling out of control?

There is evidently something far more sinister than incompetence at play. There are ways of dealing with this crisis and they are not being employed.

The Curious Divide

Christopher Jon Bjerknes

http://www.jewishracism.com

There is a strange split between good natured and humane Jews, and psychopathic Jewish leadership. On issues where the interests of the tribe are not openly threatened, the gulf grows even wider.

The genocide taking place in Darfur provides us with an interesting case study of this phenomenon. Good hearted Jews, and there are a great many, know the urgency of providing help to the struggling people who are under attack. The violence, especially against women and children, is a threat to all of humanity—and perhaps no one recognizes that threat and feels greater compassion for the people under attack, than Jews of good conscience, and there are many. They not only feel for the oppressed people, they organize and *act* on behalf of the oppressed people. Everyone should learn from their example.

However, when we contrast the fact of Jewish compassion with the fact that the Jewish controlled media is focusing less attention on Darfur than on Foley and Hastert in order to manipulate the complexion of the Congress of the United States of America, and to create distrust and hatred between the American People and their government, we see that the real power in the Jewish community lies in its leaders. We see that Jewish leaders are inhumane and manipulative, in spite of the good naturedness of many Jews. We see that if Jewish leaders had the desire, they could, with the near full support of the Jewish community, prevent much of the evil that takes place in the world, but instead encourage evil and artificially create it—to the detriment of all.

Protocol X

Christopher Jon Bjerknes

http://www.jewishracism.com

The following quotation is from the Small, Maynard & Co. translation of *The Protocols of the Learned Elders of Zion*. Protocol X seems to fit current events.

The entire translation *The Protocols and World Revolution Including a Translation and Analysis of the "Protocols of the Meetings of the Zionist Men of Wisdom"*, Small, Maynard & Co., Boston, (1920), pp. 11-73; is reproduced in Chapter Five of my book *The Manufacture and Sale of Saint Einstein*.

Protocol No. X

TODAY I will begin by reiterating what has already been stated. *I beg you to remember that the government and the masses are satisfied with visible results in politics*. How can they examine the inner meaning of things when their representatives consider that pleasure is above everything? It is important to know one detail in our policy. It will help us in discussing division of authority, freedom of speech, of the press, of religion (faith), the right of assembly, equality before the law, inviolability of property and of the home, indirect taxes and the retrospective force of law. All such questions should never be directly and openly discussed before the masses. When it becomes necessary for us to discuss them, they should not be elaborated but merely mentioned, without going into details, pointing out that modern legal principles are being accepted by us. The significance of this reticence lies in the fact that a principle which has not

been openly declared gives us freedom of action to exclude unnoticed one point or another, whereas if elaborated the principle becomes as good as established.

The people feel an especial love and admiration towards the political genius, and they always react to their acts of violence as follows:

'Yes, of course it is villainy, but how clever!—It is a trick but cleverly done! So majestically! so impudently! . . .'

We count upon attracting all nations to the construction of the foundations of the new edifice which has been planned by us. It is for this reason that it is necessary for us first of all to acquire that spirit of daring, enterprise, and force which, through our agents, will enable us to overcome all obstacles in our path.

When we accomplish our coup d'état, we will say to the peoples: 'Everything went badly; all of you have suffered. We will abolish the cause of your sufferings, that is to say, nationalities, frontiers, and national currencies. Of course you are free to condemn us, but would your judgment be just if you were to pronounce it before giving a trial to what we will give you?' Thereafter they will exalt us with a sentiment of unanimous delight and hope. The voting system which we have used as a tool for our enthronement, and to which we have accustomed even the most humble members of humanity by organizing meetings and prearranged agreements, will have performed its last service and will make its last appearance in the expression of unanimous desire to become more closely acquainted with us before hazing pronounced a judgment.

To attain this we must force all to vote, without class discrimination, to establish the autocracy of the majority, which cannot be obtained from the intellectual classes alone. Through this method of accustoming every one to the idea of self determination, we will shatter the Goy family and its educational importance. We will not allow the formation of individual minds, because the mob, under our guidance. will prevent them from distinguishing themselves or even expressing themselves. The mob has become accustomed to listen only to us who pay it for obedience and attention. We will thus create such a blind power that it will be unable to move without the guidance of our agents, sent by us to replace their leaders.

The masses will submit to this régime because they will know that their earnings, perquisites, and other benefits depend upon these leaders.

The plan of government must emanate already formed from one head, as it would be impossible to put it together if disintegration by many minds into small pieces is allowed. That is why we only are allowed to know the plan of action; but we must not discuss it in order not to affect its ingenuity, the correlation between its component parts, the practical force of the secret meaning of its every clause. Were such a plan to be submitted to and altered by frequent voting, it would reflect the stamp of the misconceptions of every one who has not penetrated its depth and the correlation of its aims. For this reason our plans must be strongly and clearly conceived. Consequently, the inspired work of our leader must not be thrown to the mercy of the mob or even of a limited group.

These plans will not immediately upset contemporary institutions. They will only alter their organization, and consequently the entire combination of their development, which will thus be

directed according to the plans laid down by us.

More or less the same institutions exist in different countries under different names, such as representative bodies, ministries, senate, state council, legislative and executive bodies. It is not necessary for me to explain to you the connecting mechanism of these different institutions, as it is well known to you. I only call to your attention that every one of the aforesaid institutions fulfills some important governmental function, and, moreover, I beg you to notice that the word 'important' refers not to the institution but to the function. Consequently, it is not the institutions that are important but their functions. Such institutions have divided among themselves all the functions of government, namely, administrative, legislative, and executive powers; therefore, their functions in the state organism have become similar to those in a human body. If one part of the governmental machine is injured, the state itself falls ill, in the same way as the human body, and then it dies.

When we injected the poison of liberalism into the state organism, its entire political complexion changed; the states became infected with a mortal disease, namely, the decomposition of the blood. It is only necessary to await the end of their agony.

Constitutional governments were born of liberalism, which replaced the autocracy that was the salvation of the Goys, for the constitution, as you well know, is nothing more than a school for dispute, discussion, disagreement, fruitless party agitation, dissension, party tendencies—in other words, a school for everything which weakens the efficiency of government. The platform no less than the press condemned the authorities to inaction and impotency and thereby rendered them useless and superfluous, for which reason they were overthrown in many

countries. The rise of the republican era then became possible, and then we substituted for the ruler a caricature of government—a president chosen from the mob, from among our creatures, our slaves. This was the kind of mine we laid under the Goys, or, more correctly, under the Goy nations.

In the near future we will make the president a responsible officer, whereupon we will no longer stand on ceremony in carrying out the things for which our dummy will be responsible. What difference does it make to us that the ranks of those aiming at authority will thin out, that confusion will result from inability to find presidents, confusion which will definitely disorganize the country?

To accomplish our plan, we will engineer the election of presidents whose past record contains some hidden scandal, some 'Panama'—then they will be faithful executors of our orders from fear of exposure, and from the natural desire of every man who has reached authority to retain the privileges, advantages, and dignity connected with the position of president. The Chamber of Deputies will elect, protect, and screen presidents, but we will deprive it of the right of initiating laws or of amending them, for this right will be granted by us to the responsible president, a puppet in our hands. Of course then the power of the president will become the target of numerous attacks, but we will give him the means of self-protection by giving him the right of directly applying to the people, for their decision, over the heads of their representatives. In other words, he will turn to the same blind slave—to the majority of the mob. Moreover, we will empower the president to proclaim martial law. We will justify this prerogative under the pretext that the president, as chief of the national army, must control it in order to protect the

new republican constitution, which he, as a responsible representative of this constitution, is bound to defend.

It is obvious that under such conditions the keys to the shrine will be in our hands, and nobody except ourselves will be able to guide the legislative power.

We will also take away from the Chamber, with the introduction of the new republican constitution, the right of interpellation in regard to governmental measures, under the pretext that political secrets must be preserved. With the aid of this new constitution we will reduce the number of representatives to the minimum, thus also reducing to the same extent political passions and passion for politics. If, in spite of this, those remaining are recalcitrant, we will abolish them completely by appealing to the majority of the people.

The appointment of the president and vice presidents of the Chamber and Senate will be the prerogative of the president. Instead of continuous parliamentary sessions, we will shorten them to a few months. Moreover, the president, as chief executive, will have the right to convene or dissolve parliament, and in the case of dissolution, defer the appointment of a new parliament. But to prevent the president from being held responsible before our plans are matured for the results of all these essentially illegal actions inaugurated by us, we will give the ministers and other high administrative officials surrounding the president the idea of circumventing his orders by issuing instructions of their own. Consequently, they will be made responsible instead of him. We recommend that the execution of this plan be given especially to the Senate, State Council, or Council of Ministers, and not to individuals. Under our guidance the president will interpret in ambiguous ways such existing laws as it is possible so to interpret. Moreover, he will

annul them when the need is pointed out to him by us: he will also have the right to propose temporary laws and even modifications in the constitutional work of government, alleging as the motive for so doing the exigencies of the welfare of the country.

By such measures we will be able to destroy gradually, step by step, everything that, upon entering into our rights, we were obliged to introduce into government constitutions as a transition to the imperceptible abolition of all constitutions, when the time comes to convert all government into *our autocracy*.

The recognition of our autocrat may come even before the abolition of the constitution; the moment for this recognition will come when the people, tormented by dissension and the incompetency of their rulers, incited by us, will exclaim: Depose them, and give us one universal sovereign who will unite us and abolish the causes of dissension—national frontiers, religion, state indebtedness—and who will give us the peace and quiet which we cannot find with our rulers and representatives.

But you know well that to render such a universal expression of desire possible, it is necessary continuously to disturb the relationship between the people and the government in all countries, and so to exhaust everybody by the dissension, hostility, struggle, hatred, and even martyrdom, hunger, inoculation of diseases, and misery, as to make the Goys see no other solution than anappeal to our money and complete rule.

Should we give the people a rest, however, the longed for moment will probably never arrive.

Jewish Leaders Are Isolating Japan

Christopher Jon Bjerknes

http://www.jewishracism.com

In the last century, the Zionists built up Japan in order to knock it down—after Japan accomplished a few goals for Jewish leadership. Leading Jewish financiers used Japan to attack Russia, which weakened the State and lessened the Russian People's faith in its government. During the Russo-Japanese War, the Jews financed Japan while concurrently cutting off Russia's access to funds. Jews corrupted Russian society with revolutionary talk and Jews organized devastating strikes which crippled the Russian economy. Jews blamed the Russian Government for the all the ails Jews had deliberately caused the Russian People to both weaken them and to make them hate their government. Jews issued Jewish revolutionary propaganda to Russian prisoners of war under Japanese control, who were bored and discouraged, and therefore highly vulnerable to the lies. Then Jews offered their puppets as suitable replacements for the Czar, after Jews had destroyed Russia with a another war, a world war. Numerous eyewitnesses recount that it was usually the Jews in a crowd who would cast aspersions at the State and defame those who were trying to save the nation.

Zionist Jews used the same tactics in the United States during World War I to propagandize the American People with speeches by "five minute men" who were paid agents of Zionist Jews, and

who gave the appearance of giving spontaneous talks by neutral observers to rouse the American People against "enemies" foreign and domestic. In fact, these paid propagandists were the agents of the true enemies of the American People—Jewish Zionists. They conducted psychological warfare on the American People and led them into unnecessary war and a totalitarian State. It was vital for them to control American public opinion, and they did so by using traitors, often Jews, who would pretend that they represented American common sense and that common sense demanded that Americans abandon their principles in the name of preserving them. A paid agent would make an irrational claim in a large crowd, and a paid claque of a handful of traitors would applaud the irrational and the mob would be deluded into doubting its hard won sensibilities and cheer for its own destruction—in fact, the mob would be deluded into demanding its own destruction in the name of preserving the nation and its values.

The process is reoccurring today in the American media, which is dominated by traitorous Jews and their agents, who place the perceived self-interests of Israel above the genuine interests and traditions of the United States. As they contort what is considered to be American into their evil, they ridicule the evil they have caused and concurrently cause Americans to hate America. They then exploit the heightened state of tension to justify infringing on the liberties of the American People, whom they have made an enemy of their occupation government, which foreign government they have made hostile to the American People. Leading Jews are using the same tactics to create a war between the American People and the American Government, that they used to destroy the relationship between the Russian Government and the Russian People. And it will be loud-mouthed Jewish Communists who will step farthest forward, with the help of the media they control, to propose that Americans destroy their government, which leading Jews have made the enemy of the People. Then these traitors and subversives will impose perpetual

war and serfdom on the American People in the name of liberty, equality and fraternity—just as they did in Russia.

Jews built the Imperial Japanese war machine, which would eventually attack the United States of America in the Second World War. They did so to weaken China and leave it ripe for Jewish revolution, and to destroy Chinese sovereignty so that Jews could form a Jewish State on Chinese soil. Jews also used Japan to attack Korea, the United States, and other nations and leave them vulnerable to Jewish revolution. The Jews believe in the myth of *hevlei Mashiah*, or the "birth pangs of the Messiah", and this is one way in which they justify genocidal war and genocidal Jewish revolution. Leading Jews write off the lives of tens of millions of Gentiles as the price that must be paid for the world to enter the Messianic Era, in which period the Jews will kill off the remaining Gentiles and restore Cabalistic "order" to the world by purging it of the spirit of Satan Jews believe is implanted in the genes of Gentiles. This is made clear in, among other Jewish works, the *Zohar*.

The Jewish war on America through the surrogate nation of Japan led America far down path to Bolshevism. The Jews who provoked Japan into World War, then saw to it that Japan would be bombed with atomic bombs. Their intent was always to use Japan to destroy itself and as many other Gentiles as possible, while promising them world conquest. Leading Jews are doing the same to America, and America is bound to be attacked by nuclear weapons launched from silos covertly under Jewish control.

Today, Japan is being used a pawn between China, North Korea, Russia and the United States. The Japanese know better than anyone what it means to be bombed with *the bomb*. North

Korea's saber rattling, its stated intention to conduct a test of its nuclear arsenal, is an open threat to Japan, and the U. S. knows that Japan must run to America with its tail between its legs begging for protection. Once mighty Japan has been reduced to a sniveling nation of self doubting and emasculated pollyannaish pacifists by a prolonged covert attack stemming from Jewish leadership. Enlightened pacifists, who know the true source of the wars, know that this is a set up for a nuclear exchange. With their submarine capabilities, Israel and the United States could easily launch a false flag nuclear attack on Japan and blame it on North Korea. China wants the West out of the East. Japan is our Western presence on the coast of Asia. We would do well to support them, not only for humanitarian reasons, but also to protect our markets and interests and way of life.

The Zionist traitor George Bush is alienating us from our true allies. Bush is helping Jewish leaders to drive a wedge between America and our allies in Europe and the East. The future of our economy is very dependent upon stability in the East and good relations with the Asians. Our currency depends upon them. Leading Jews are setting us up to fall after we have been used to destroy ourselves and as many other Gentiles as possible. The probable result of these games will be the dangerous proliferation of nuclear weapons if not a short term prospect of a nuclear World War III, which apocalyptic war is the more likely outcome of the machinations of Jewish leadership.

Imagine if our enemy Israel were so threatened as our friend Japan. Oh, how things would proceed differently!

Irony of Ironies

Christopher Jon Bjerknes

http://www.jewishracism.com

It is indeed ironic that racist Jews have confounded an America first attitude with racism, when their Israel first attitude is the result of these Jews' genocidal racism and hatred of humanity. Racist Jews are fomenting a Communist Revolution in Mexico. They are alienating Americans from our friendly Mexican neighbors. Racist Jews want to create a literal divide between Americans and Mexico with a wall—much like the wall racist Jews are building in Palestine.

This proposed wall is an unprovoked and hostile gesture toward our neighbor. If America does not want Mexican labor, then let Americans stop hiring Mexican nationals who have illegally crossed the border. I suspect that it would be a mistake to remove this labor asset. We must, of course, protect our interests from criminals and the diseased, but there are much better means to accomplish these desirable ends then beginning a war against Mexico while concurrently inviting the artificially created enemy into our home.

Rather than play into the hands of the Jewish bankers who want to destroy both Mexico and the United States, a Rothschild plan from long ago, we should help our neighbor and ourselves and use this immense labor force to build a better United States and a better Mexico. Why not put Mexican criminals in American prisons to work building Mexican universities? Instead of spending monies to build a wall, which sends a terrible and hateful message to our neighbor, why not spend the money building Mexican infrastructure and schools? Jewish racists want Mexicans to move north, but they also want Mexicans to hate Americans and for Americans to hate Mexicans. What Jewish racists don't want is a strong and friendly sovereign Mexico and a strong and friendly sovereign America working together as good neighbors for the benefit of both, using the labor of both to its best effect for the benefit of humanity. What do we see happening before our eyes? We see a racist Jewish designed American foreign policy of isolating Mexico and generating animosity, while inviting this manufactured enemy into our land to subvert our interests.

For many centuries racist Jewish bankers have used the Americas to generate wealth, while subverting the interests of the native populations. Racist Jews even brought slaves from Africa to exploit the wealth of the peoples of the Americas and funnel it into the banks controlled by Jews. America should reverse this policy and help our neighbors to the south. They are a tremendous labor force and potential market. Jewish leadership are busy building up Communists like Chavez to destroy us all in the Americas. We easily defeat this threat by helping our neighbors. It is in our own best interest to do so.

When Protectionism Becomes a Matter of Self-Defense

Christopher Jon Bjerknes

http://www.jewishracism.com

It is time for America to reassert itself and join with our true allies to rescue our economies and our cultures. America has true allies in Japan and Taiwan. We should impose a self-defense tax on Communist China, since it is clearly acting through its proxy state, North Korea, to destabilize the region and create divisions between America and our true allies. America should use its influence to hurt Communist China economically while bolstering truly American, Japanese and Taiwanese businesses and interests. We should begin to create clearer distinctions between the nationality of products and services. The threats by North Korea, which originate in Communist China, and ultimately in the Jewish financiers, are so severe and aggressive, that we must take aggressive actions against them. We cannot tolerate Communist Chinese games which increase the likelihood of nuclear war. We must also bolster the defenses of our allies. It is regrettable that Communist China, at the behest of Jewish leadership, is starting a new arms race and promoting nuclear proliferation. It is regrettable that we have allowed our enemy, Israel, and its disloyal agents in America, to place our lives in danger. It is they who have created and armed our enemies. We cannot defend ourselves from the racist Jews who want to destroy humanity until we identify this enemy and defang it. Were we to recover the wealth they have stolen from us, and promote the welfare of our citizens and of humanity, our debts would be

paid and we could assist other nations, instead of destroying them at the behest of disloyal and racist Jews.

How Bush Ought to React to North Korea

Christopher Jon Bjerknes

http://www.jewishracism.com

North Korea has detonated a nuclear of device of significant power. It is possible they have previously attempted to trigger such a device, but failed. Both Communist China and the Zionist Bush regime of the United States have betrayed the People of Japan. The Zionist media of America is making excuses for China. The People of North Korea are in a very precarious situation. The Democratic Party in the United States is not a real political party. American youth are not motivated to vote in force to secure their future.

Bush should not give the Communist Chinese any basis for making excuses not to act to contain North Korea's aggression. If the Chinese are worried that North Koreans will migrate to China in search of food, the world community should come to the rescue and fund massive refugee camps in China and Russia to help feed the starving People of North Korea. The Chinese and Russians can thereby profit from the migration of North Koreans out of North Korea. The people who leave North Korea can then be schooled in ways beneficial to our interests and theirs. Some of

the pressure on the North Korean regime would be relieved. The Communist Chinese would not have any excuse not to work with the world community to resolve this crisis and they should be motivated to prevent nuclear proliferation in Japan, South Korea and Taiwan.

Bush should express strong support for the Japanese, South Koreans and the People of North Korea. He should express his desire to see to it that the People of North Korea not die out as a result of their government's aggression, and offer to feed those who leave and to negotiate with the North Korean Government directly in bilateral talks to hear out their position. This is not a reward for North Korea, simply an opportunity to reverse this trend toward nuclear proliferation. Any give and take will have to be negotiated. Bush can simply state that North Korea's actions make no sense, are self-destructive, and that the United States is concerned for the welfare of all the people of the region and is interested in a negotiated settlement. This test is a new event and calls for new measures.

The People of America should be greatly concerned by the failure of United States foreign policy for decades. There are forces higher than our government who are setting up Japan and China, and the United States. Debt, trade and the balance of power in the Asian countries are the real motivating forces behind North Korea's actions. North Korea would not take this step if they did not have orders from Communist China to conduct it. George Bush is a traitor to the American People. He is strengthening China's hand and alienating America from our allies. Our economy and world peace are being deliberately subverted. Bush is working with Jewish leaders to make Americans distrust American Government so that Americans will conduct strikes and boycotts which will bury our economy. Bush is working with our enemies to bring us into such hardships

that we plead for revolution. When our nation is ruined, Jewish leaders will offer their financing as a way out, and they will finance their puppets, and then the Jewish Bolshevization of America will be complete, and the Americans will be begging for it.

American youth must become involved in politics and vote. They must take over their churches, schools and government and promote their interests and their future, or face inevitable ruin. Older people are too cowardly, complacent and filled with self-doubt to protect our youth. They must do it for themselves.

The Jewish Genocide of Armenian Christians

Christopher Jon Bjerknes

http://www.jewishracism.com

I have received several requests for further information regarding the massacres of Christian Armenians, which took place in 1915. I have decided to publish a book on the subject and have completed the first chapter, which I have posted on the internet in order to sponsor further research:

http://www.jewishracism.com/JewishGenocide.pdf *The Jewish Genocide of Armenian Christians*

Here is a small sampling of what you will find:

"It is a well-known fact that the Salonika Committee was formed under Masonic auspices with the help of the Jews and Donmehs, or crypto-Jews of Turkey, whose

headquarters are at Salonika, and whose organization took, even under Abdul Hamid, a Masonic form. Jews like Emmanuel Carasso, Salem, Sassun, Fardji, Meslah, and Donmehs or crypto-Jews, like Djavid Bey and the Baldji family, took an influential part both in the organization of the Committee and in the deliberations of its central body at Salonika. These facts, which are known to every Government in Europe, are also known throughout Turkey and the Balkans, where an increasing tendency is noticeable to saddle the Jews and Donmehs with responsibility for the sanguinary blunders which the Committee has made."—Vienna Correspondent for *The Times* of London Times, "Jews and the Situation in Albania", *The London Times*, (11 July 1911), p. 5.

"Anti-Semitism" a Crypto-Jew's Delight

Christopher Jon Bjerknes

http://www.jewishracism.com

The essentially meaningless term "anti-Semitism", a term for anti-Jewish which is employed as a weapon by hypocritical racist Jews with which to smear and threaten, was coined by an "anti-Semitic" crypto-Jew named Wilhelm Marr after Jewish corruption imploded the stock markets of Europe. In its article entitled "ANTI-SEMITISM", *The Universal Jewish Encyclopedia*,

Volume 1, The Universal Jewish Encyclopedia, Inc., New York, (1939), pp. 341-409, at 341; states:

"The word was probably first used by Wilhelm Marr, said to have been a converted Jew, in *Der Sieg des Judentums ueber das Germanentum*, a pamphlet which he published in 1879, the same year in which he founded the Anti-Semitic League; two years later he began publication of *Zwanglose antisemitische Hefte*."

Japan and South Korea Are in a Vise

Christopher Jon Bjerknes

http://www.jewishracism.com

Communist China has placed Japan and South Korea in a vise. North Korea claims that America has declared war on it. Communist China plays innocent, and Japan and South Korea must look to Communist China for help, because the US appears as an irritant, and China the salve. India must also be questioning its policy of non-alignment and be considering the value of the immense Chinese market and the influence of Communist China over a weakened North Asia and the loss of influence of the United States in the region. North Korea will pretend that Communist China has betrayed them to the Japanese, again drawing Japan closer to

Communist China. North Korea will threaten the Japanese and South Koreans should they seek to follow the sanctions regime of the United Nations, which will be blamed on the United States. Communist China will protest, "See what we get for helping the United States! We warned you not to agitate North Korea!"

Japan would be wise to be wary of the Communist Chinese. The Chinese and Koreans above and below have a long memory and have not forgotten the Second World War, and the Chinese see themselves as a master race from which all true and noble culture emanates—the Chinese see themselves as the center of the universe. There are forces overseeing the Communist Chinese Government, the racist Jews who created Communist China and armed Communist China and Russia—and North Korea—with nuclear weapons, in betrayal of the United States of America. These Jews despise the Japanese, who have a strong sense of independence. The Japanese are much like the Germans were, and the racist Jews destroyed the Germans because they posed a threat to Jewish supremacism. It appears that Japan and South Korea are being set up by Communist China, and the Jewish bankers behind Communist China, to take a hit from North Korea. Japanese and American leaders are working with the Communists and against the people of Japan and America.

The Zionist traitor George Bush is engaging in a farce diplomacy of preplanned impasse, as are the North Koreans. This game of chicken is engineered to end up in a collision. It would be well for the United States to have India, Pakistan, Japan, Taiwan and South Korea on our side working for peace, but peace we cannot have when the treasonous Bush regime is heading for war on all fronts and is deliberately ruining the good will of our former friends around the

world. The mass murder the United States Government has committed in Iraq at the behest of Jewish leaders is only a slight hint of the Bush regime's planned attack on all of humanity, the US included.

The thinner Bush spreads American military forces around the world, the more leverage he places on military leaders to utilize the nuclear option, which is what Israel and Israel first traitors in America want. The weaker Bush makes the American economy, and the more anxiety Bush causes the American People, the more vulnerable they will become to his dictatorial ambitions. Chaos breeds dictators. Order comes fastest from absolute rule and if Bush can bring America into ruin he can then more easily assert himself as an absolute ruler on the pretext that absolute rule will be the only means to restore order—never mind that he and the traitorous Israel firsters who placed him into power deliberately caused the chaos for this very reason. The same forces which placed Bush in power own the media, and just as they were silent when it came to defending the peoples of Lebanon and Palestine from Israel's aggression, they will be silent when it comes time to defend the American People. Just as the Jewish controlled media was a constant forum for Mossad agents, traitors, and Israeli government officials and unofficial propagandists when Israel committed its genocidal and unprovoked attack on Lebanon, the Jewish controlled media will do what they can to see to it that their warmongering puppets of whatever political stripe they make fashionable at any given time will go unopposed in the public "debate".

The people most immediately threatened by all of this at the present time are the South Koreans. It is odd that we hear little from them. One wonders if they are considering capitulating to the Communist Chinese.

Russo

Christopher Jon Bjerknes

http://www.jewishracism.com

The name "Russo" is a very important Jewish name. The false Jewish messiah Baruchya Russo (aka "Othman Baba", aka "Osman Baba", aka "Berahya", aka "Berochia"; d. 1720) succeeded the false Jewish messiah Shabbatai Zevi, and was succeeded by the false Jewish messiah Jacob Frank, who was in turn succeeded by Rothschild. Russo's followers believed that Russo was God.

Baruchya Russo founded the Doenmeh sect called "Kuniosos", which was centered in Salonika. The Russo family produced the "Young Turk" leader Djavid Bey. This crypto-Jewish group committed genocide against Armenian Christians, instigated the Balkan Wars, instigated World War I and destroyed the Turkish Empire. It is said that the Kuniosos have flat noses.

Like Aaron, these Jews worshiped gold. It is said that none were ever poor. They were strong advocates of revolution meant to ruin Gentile society. They would deceive non-Jews with

Utopian fantasies like Communism into surrendering their governments, cultures and religions to crypto-Jews intent upon mass murdering the Goyim.

Fiscal Policy and the Gold Standard: Beware the Trap

Christopher Jon Bjerknes

http://www.jewishracism.com

Consider the possibility that Jewish bankers have hired mouthpieces to pose as "patriots" to spread the message that America would be better off if we were to stop paying income taxes and went on the gold standard. Further consider the fact that Jewish leaders are deliberately destroying the American economy with war debt (to profit the "Jewish State" of Israel, and Jewish war profiteers, as well as to destroy the American economy), the exporting of American industry, and the deliberate sabotage of the American educational system.

Such a move would not be unprecedented. When the Jewish bankers wanted to create the Federal Reserve System, they first deliberately caused a financial crisis in 1907, and then hired journalists and others to spread the idea that reforms were needed in the banking system, and in this way opened the door to a change that would enable the Jewish bankers to plunder America of its vast wealth. Jewish bankers tricked Americans into clamoring for reforms, which the Jewish bankers would draft, and which would ruin the American economy. The Jewish bankers

were successful in creating a system that enabled them profit immensely from the World Wars they deliberately caused and to engineer the Stock Market Crash of 1929 and the Great Depression, which enabled Jewish financiers to buy up the accumulated wealth of America at pennies on the dollar. The Jewish bankers secured the debts of America with the Federal Income Tax.

It appears that the international Jewish bankers have slated the American economy for a terrible crash. They want to secure their debts with American land and personal property, because there will likely not be revenue to be had from income, when Americans fall into massive unemployment and American wages drop substantially. Immensely wealthy Americans also anticipate that they will not be able to avoid paying income taxes should Americans demand a more reasonable tax structure, and as income and expenditures become 100% traceable.

The Jewish bankers want to trick Americans into clamoring for reforms, which will open the door for these bankers to steal the wealth of America in the coming crash. The Jewish bankers want Americans to demand that the Federal Reserve System be replaced with a gold standard (and note that the gold standard was a disaster in the Twentieth Century), because the Jewish bankers hold large quantities of gold which they would like to sell to Americans at immense profit, and concurrently run Americans into unpayable debt, which the Jewish bankers would like to secure with something more substantial than abstract future income taxes. The Jewish bankers want to secure the debts, which they would like to impose on Americans, with Federal Lands and national resources, because the Jewish bankers plan to foreclose on those lands and steal them from the American public. The Jewish bankers have hired traitorous spokemen, who

clothe themselves in the flag, to trick stupid Americans into demanding policies which will ruin Americans and fatten Jewish bankers; as if it were a patriotic gesture to make the Jewish bankers richer, because they have the "freedom" to rob Americans of their future and their wealth. Jewish bankers also count on the greediness of the rich to go along with scheme to ruin America, by promising them lower taxes and greater opportunities for profit in the near term. Why, only a card carrying Communist would demand that the rich, who receive the greatest benefits from the American Government, pay a substantial share of the taxes, or so these traitors and greedy but shortsighted dupes will tell you.

In reality, the Jewish bankers are setting a trap. They are deliberately destroying the economy and will ruin the American job market, while concurrently running America into unpayable debt. They hold these debts, and would like to increase them by pushing America into a gold standard, while altering the tax system to secure these debts with land and personal property, property which can be taken quickly and efficiently. They will only get away with this scheme, if they can dupe Americans into demanding these "reforms" for themselves. The Jewish bankers also have other schemes they will play, once they have opened the door to change, by tricking Americans into demanding changes.

Changes are indeed warranted, but they should be changes which empower, and increase the wealth of, average American citizens and the American nation. One desperately needed change is to step off this Jewish led path toward perpetual war and perpetually growing debt. Another desperately needed change is stop helping the economies of our enemies to grow, while concurrently undercutting the growth of the American economy. It may well be wise to reform

the tax system and Federal Reserve System, but only if it is done in a way that profits the average American and the American Government. It would be disastrous to adopt the gold standard. It would be disastrous to sell off Federal Lands and resources, so that the Chinese, covertly led by Jewish bankers, can buy up America. It would be wise to go after the Jewish bankers who have stolen the wealth of America and recover that wealth. It would be wise to use the American military towards that end. We would then have more resources to improve the lot of humanity, instead of following the Jewish led path towards World War.

We should open up an international court and put the Jewish bankers on trial for plundering the wealth of humanity, for bringing humanity into perpetual war, and for deliberately hindering the progress of the human race in the hopes that Jews will eventually kill off non-Jews and rule the world. Let us put Judaism on trial and try the present lot of Jewish leaders, who have caused human beings so much pain for the last 2,500 years. Let us do it quickly, before they begin their Third World War.

Take Hold of the Skirt of Him That Is a Jew

Christopher Jon Bjerknes

http://www.jewishracism.com

The following short clip shows a group adopting the seven "Noahide Laws":

http://www.youtube.com/watch?v=CkCSGmbiQcI

Before lining up to become the first one on your block to grace yourself with the Jewish Noahide Laws, consider that the Jewish book of *Zechariah* 8:23 promises the Jews that ten Gentiles will gladly slave for every Jew,

Thus saith the LORD of hosts; In those days *it shall come to pass*, that ten men shall take hold out of all languages of the nations, even shall take hold of the skirt of him that is a Jew, saying, We will go with you: for we have heard *that* God *is* with you."

The Jewish Talmud at *Shabbath* 32*b* increases the number of Gentile slaves per Jew to 2,800,

"Resh Lakish said: He who is observant of fringes will be privileged to be served by two thousand eight hundred slaves, for it is said, *Thus saith the Lord of hosts: In those days it shall come to pass, that ten men shall take hold, out of all the languages of the nations, shall even take hold of the skirt of him that is a Jew, saying, We will go with you*, etc."— I. Epstein, Editor, *Shabbath* 32*b*, *The Babylonian Talmud*, Volume 7, The Soncino Press, London, (1938), p. 149.

The Significance of the Noahide Laws: Part 2: If They Have Their Way. . .

Christopher Jon Bjerknes

http://www.jewishracism.com

Jewish leaders are attempting to persuade Gentiles to adopt the "Noahide Laws". These laws forbid Gentiles to worship idols. Jews view Christianity, Islam, Hinduism, Buddhism, and all other religions as forbidden religions (*Zechariah* 14:9). Jewish leaders are planning a nuclear war, which will turn night into day, and will eat the flesh off your bones, as prophesied in *Zechariah* 14:6-7, 12-13. Jewish leaders are planning to steal all of the wealth of the world (*Zechariah* 14:14. *See also: Deuteronomy* 6:10-11; 11:24-25. *Joshua* 1:2-5. *Isaiah* 2:1-4; 40:15-17, 22-24; 54:1-4; 60:5, 8-12, 16-17; and 61:5-6. *Obadiah*. *Baba Kamma* 38*a*).

Some Jews insist that Gentiles obey the seven "Noahide Laws", or the seven "Mitzvoth" of the "Bnei Noach". Jews are taught to cut off the heads of Gentiles, Christians, Hindus, Moslems, Buddhists, etc. who refuse to bow down and worship the Jewish King, and who refuse to renounce their religions, and obey the Noahide Laws and the Rabbis (*Zechariah* 14:16-20. *See also: Zechariah* 8:23. *Shabbath* 32*b*. *Sanhedrin* 56*a*-60*b*, 88*b*. *Erubin* 21*b*).

Zechariah chapter 14 states,

"Behold, the day of the LORD cometh, and thy spoil shall be divided in the midst of thee. 2 For I will gather all nations against Jerusalem to battle; and the city shall be taken, and the houses rifled, and the women ravished; and half of the city shall go forth into captivity, and the residue of the people shall not be cut off from the city. 3 Then shall the LORD go forth, and fight against those nations, as when he fought in the day of battle. 4

And his feet shall stand in that day upon the mount of Olives, which is before Jerusalem on the east, and the mount of Olives shall cleave in the midst thereof toward the east and toward the west, *and there shall be* a very great valley; and half of the mountain shall remove toward the north, and half of it toward the south. 5 And ye shall flee *to* the valley of the mountains; for the valley of the mountains shall reach unto Azal: yea, ye shall flee, like as ye fled from before the earthquake in the days of Uzziah king of Judah: and the LORD my God shall come, *and* all the saints with thee. **6 And it shall come to pass in that day, *that* the light shall not be clear, *nor* dark: 7 But it shall be one day which shall be known to the LORD, not day, nor night: but it shall come to pass, *that* at evening time it shall be light.** 8 And it shall be in that day, *that* living waters shall go out from Jerusalem; half of them toward the former sea, and half of them toward the hinder sea: in summer and in winter shall it be. **9 And the LORD shall be king over all the earth: in that day shall there be one LORD, and his name one.** 10 All the land shall be turned as a plain from Geba to Rimmon south of Jerusalem: and it shall be lifted up, and inhabited in her place, from Benjamin's gate unto the place of the first gate, unto the corner gate, and *from* the tower of Hananeel unto the king's winepresses. 11 And *men* shall dwell in it, and there shall be no more utter destruction; but Jerusalem shall be safely inhabited. **12 ¶ And this shall be the plague where*with* the LORD will smite all the people that have fought against Jerusalem; Their flesh *shall* consume away while they stand upon their feet, and their eyes shall consume away in their holes, and their tongue shall consume away in their mouth. 13 And it shall come to pass in that day, *that* a**

great tumult from the LORD shall be among them; and they shall lay hold every one on the hand of his neighbour, and his hand shall rise up against the hand of his neighbour. 14 And Judah also shall fight at Jerusalem; and the wealth of all the heathen round about shall be gathered together, gold, and silver, and apparel, in great abundance. 15 And so shall be the plague of the horse, of the mule, of the camel, and of the ass, and of all the beasts that shall be in these tents, as this plague. 16 And it shall come to pass, *that* every one that is left of all the nations which came against Jerusalem shall even go up from year to year to worship the King, the LORD of hosts, and to keep the feast of tabernacles. 17 And it shall be, *that* whoso will not come up of *all* the families of the earth unto Jerusalem to worship the King, the LORD of hosts, even upon them shall be no rain. 18 And if the family of Egypt go not up, and come not, *that* have no *rain*; there shall be the plague, where*with* the LORD will smite the heathen that come not up to keep the feast of tabernacles. 19 This shall be the punishment of Egypt, and the punishment of all nations that come not up to keep the feast of tabernacles. 20 In that day shall there be upon the bells of the horses, HOLINESS UNTO THE LORD; and the pots in the LORD's house shall be like the bowl's before the altar. 21 Yea, every pot in Jerusalem and in Judah shall be holiness unto the LORD of hosts: and all they that sacrifice shall come and take of them, and seethe therein: and in that day there shall be no more the Canaanite in the house of the LORD of hosts. Barack Obama's Amazing Good Luck

Christopher Jon Bjerknes

http://www.jewishracism.com

In both the primaries and in the general election, the Senate race which concluded with Barack Obama's win was one of the most dirty, disgusting and bizarre series of campaigns in the history of American politics—and that's saying something! There were a herd of hopefuls from both Parties. The heads of the heads fell as scandal after scandal unfolded before a befuddled public. Slow and steady, Obama won the Democratic primary. The Republican Party utterly collapsed, as if by magic. Jack Ryan fell so far from grace that he became a disgrace, but still held a strong lead. The People didn't seem to care about his personal life as much as the Party leaders and the newspapers. Ryan was pushed, and pushed some more, and then jumped, leaving it up to the Party to choose their candidate. With two handfuls of contenders vying for the spot, the Party mysteriously made one of the worst moves it could have made, and brought in the Straussian neo-Conservative William "Bill" Kristol's old roommate Alan Keyes, whose campaign sabotaged the Party, whether it was by intent or incompetence matters little. Those in the Republican Party who chose Keyes must have known that he was the key to Obama's easy victory. Obama taught at the University of Chicago, Leo Strauss' institution. Obama is smart enough to succeed, but not insightful enough to get himself into trouble. He is very polished, but does not shine brightly on

controversial and important issues. If he is to be a great man, he has yet to show any signs of it. He is certainly a great politician and a favorite of talk show hosts from Larry King to Oprah. His Senate seat is much sought, and if he has any skeletons in his closet, there are those who would pay much to see them. It will be interesting to see if his probes for a Presidential bid find deep pockets and staunch support. He would certainly be a favorite in the press, though they often lift a man up to the highest heights, so that they can drop him hard.

An Irrational Excuse

Christopher Jon Bjerknes

http://www.jewishracism.com

Apologists for Israel would have you believe that the United States is being driven to war with Iran in order to secure the petrodollar system. Their argument is fallacious. There is only one reason why the United States is being driven to war with Iran, and that reason is that a traitorous fifth column and fourth estate of Israel first agents have infiltrated our government, press, universities and other institutions of influence, and they want this war. Attacking Iran will not rescue the United States economy. On the contrary, attacking Iran will destroy the United States economy, and those beating the war drums know it, and want America to crumble into dust so that they can then have their Jewish Bolshevist revolution in America. The tried and true method of securing American dollar hegemony is peace, loans, bribes and blackmail. An attack on Iran is rather the best means to guarantee the destruction of the value of the dollar and a very effective means to alienate the United States from the rest of the world, which is what the Israel first traitors want to see happen. They want the US hated around the world. They are

training US soldiers to abuse and degrade Iraqis and Afghanistanis, and to hate all Moslems, Arabs, Persians, Turks, Pakistanis, etc. so that US soldiers will kill civilian populations without regard to normal human standards of decency. They also want the world to hate and attack Americans, so that the Americans will destroy the world and in the process consume themselves. Racist Jews believe this will profit them, and they are not out to secure the value of the US dollar, of that you can be sure. The myth of the petrodollar as a *casus belli* is just another means for disloyal Jews to scapegoat America for the covert actions of Israel meant to generate war, famine and world-wide economic collapse.

Ahmadinejad and Kim Jong-Il are Republicans

Christopher Jon Bjerknes

http://www.jewishracism.com

Iran and North Korea are working hard to put Republicans in office. North Korea inexplicably agreed to engage in six party talks just in time to profit the Republican neo-Conservatives. Iran is enganging in war games just in time to profit the neo-Conservative Republicans. Even the leaders of the Democratic Party are conspiring to put Republicans in office. Now we need Chavez and Putin to chime in and the choir will be complete.

World War III: Genocide of the Moslems

Christopher Jon Bjerknes

http://www.jewishracism.com

The First World War was the theater for the Jewish led genocide of Armenian and Slavic Christians. The Second World War was the theater for the Jewish led genocide of European Jews. The Third World War will be the theater for the Jewish led genocide of Moslems. In the First World War, Jewish leaders scapegoated Armenian and Slavic Christians as counter-

revolutionaries to the crypto-Jewish "Young Turk" and Bolshevik revolutions. In the Second World War, Jewish leaders scapegoated European Jews as counter-revolutionaries to the crypto-Jewish Nazi revolution. In the Third World War, Jewish leaders are scapegoating Moslems as counter-revolutionaries to the crypto-Jewish Globalization revolution. Jewish leaders conducted each of these revolutions to further their hopes of artificially bringing about the Jewish Messianic Era.

The ultimate holocaust will consume the confused corpse of humanity. The Moslems are being scapegoated, but the real target of the ancient Jewish war on mankind is the entire human race. The crypto-Jewish "Young Turk" revolution ruined Turkey. The crypto-Jewish Bolshevik revolution ruined Russia, the Ukraine and much of the rest of Eastern Europe. The crypto-Jewish Nazi revolution ruined Germany. The crypto-Jewish Globalization revolution will ruin humanity.

Auto-Disenfranchisement: Political Suicide

Christopher Jon Bjerknes

http://www.jewishracism.com

There is an alarming trend in the so-called "alternative media" to persuade persons, who are

aware of the corrupting influence of the fifth column and fourth estate of Israeli agents in America, to not vote. Elections can be won by a single vote and elections can be challenged. Why give up your power and neglect your civic duty to influence election outcomes? The best method to counter voter fraud is to vote. There is no need for fraud if the electorate whose voting voice disloyal Jews would like to silence, stupidly silence themselves on the "good advice" of a controlled opposition. Assume you were an honest candidate, who interrupted your life to run for public office so that you could, among things, combat voter fraud. Would you ask your supporters not to vote? Are the neo-Conservatives asking their supporters to refrain from voting?

John Kerry Fires Up Republicans: Korean Fireworks—An Anticlimax

Christopher Jon Bjerknes

http://www.jewishracism.com

John Kerry has again proven himself to be a neo-Conservative saboteur in the Democratic Party. In his bid for President of the United States, Kerry dominated the debates in the primaries, with the help of Al Sharpton and an alternatively mute and self destructive Howard Dean. It appeared that Carol Moseley Braun smelled a rat, but she is one of many brought down by petty issues and had little power to prevent the Kerry victory. After winning the Democratic primary, John Kerry and his wife Theresa Heinz did a very good job of ensuring his defeat in the general

election. Heinz' "support" appeared less than half-hearted.

It is odd that the North Koreans have suggested that they will engage in six-party talks. This move favors George Bush and the Republican Congress. The timing is very suspicious, because if North Korea had done nothing at this time it would have helped the Democrats, and if North Korea had detonated a second nuclear device, the effect on American voters would have been uncertain potentially going either way; but vindicating to some extent Bush's non-foreign policy is a quite strange gesture. It will be interesting to see what happens in the next few days, and then after the election.

Beware Jewish and "Anti-Semitic" Revolutionaries

Christopher Jon Bjerknes

http://www.jewishracism.com

Jewish leaders know that they will not be successful in duping Americans into overthrowing their Government with an openly Bolshevistic platform. Americans are wise to the Communist deceit. Some Americans even realize that Communism is a Utopian lie, which Jewish leaders created in order to make Gentiles hate their own governments and destroy them. These Jews never intended to create "ideal" societies without separate social classes, or personal property.

These Jewish leaders always intended to enslave Gentiles and steal their wealth. "Communism" was simply a deliberate lie told to dupe the Gentiles into destroying their own governments, so that Jewish Bolsheviks could more easily enslave and exterminate non-Jews and assimilated Jews. It is vital to realize that "Communism" was a deliberate myth—an intentional fairy tale, and that the Jews who fabricated this myth never intended that it would benefit mankind.

Jewish leaders will use any Utopian myth that will further their aim of coaxing Gentiles into destroying their governments. Jewish leaders will mislead Americans with so-called "Patriot" movements and/or "Socialist" movements, and/or "Dispensationalist Christian" movements without having any intentions whatsoever of profiting Americans by these movements. Jewish leaders will give to Americans the same fate with their deceptive "Patriot", "Libertarian", "Socialist", or "Anti-Semitic" or "Christian Zionist" revolutions, that they gave to the Russian People with their Jewish led and financed "Bolshevist Revolution". That fate is slavery and death for Gentiles and the deportation of Jews to Palestine against their will. There is no sincerity in any of these Jewish led, financed and dominated attacks on the American system. In the eyes of Jewish leaders all these movements have the same objective, to trick the Goyim into destroying themselves in the false hope of a brighter future. These Jewish leaders intentionally weaken target societies so as to have the people clamoring for reforms. Once these Jewish leaders have opened the door to these "reforms" through revolution or economic collapse, they then use the opportunity to enslave the People.

Jewish leaders learned after they attempted a deceitful Bolshevik revolution in Germany that they would have to dupe the Germans with the Jewish led, financed and dominated Nazi

Revolution, because Germans were wise to the Bolshevik deceit; but the Nazi Revolution produced the same result in Eastern Europe, Jewish Bolshevism. Jewish leaders know that they must try to dupe Americans into ruining their own country with a false "Patriot" movement, led, financed and dominate by Jews. They won't simply attempt one approach or another, but will have some crypto-Jews preaching "anti-Semitism", while other Jews call on Americans to get rid of the Federal Reserve and go on the Gold Standard, while other Jews call on Americans to ruin the American economy with disastrous and self-defeating strikes and boycotts, all in the name of "freeing Americans". This "freedom" will inevitably be the Jewish run slavery and extermination of Jewish Bolshevism. The rhetoric is insincere and is only meant to inspire the subject nation to open the door to a Jewish run dictatorship, by destroying itself in the name of "liberty, equality and fraternity."

Americans have it very good today. Anyone genuinely interested in the fate of America ought to be working to preserve and improve on what we have, instead of calling for us to tear it down in the name of the "good old days" that never were. Beware of anyone asking you to abandon the political process, to disenfranchise yourself by not voting, or to promote ruinous fiscal policies and enrichen the gold merchants. Most especially beware of Jews and crypto-Jews preaching revolution and asking you to strike and ruin the economy and government of your own nation. Their only sincere wish is to deceive you into destroying yourself and they will use any and all means to accomplish this end that they think will work on you to bring you into conflict with your neighbors and your government. Beware Greeks bearing gifts, especially when they are Jewish revolutionaries promising you a Utopia after you commit suicide.

Had We Not Resisted

Christopher Jon Bjerknes

http://www.jewishracism.com

Had we not resisted the racist Jewish war on Lebanon, the Israelis would have reduced the entire country of Lebanon to stubble. Then, they would have exterminated every Lebanese man, woman and child, as the Jews are commanded to do in the genocidal Jewish book of *Ezekiel*.

Had we not resisted the racist Jews, they would have reduced to stubble every building owned by a Palestinian in the West bank and Gaza. Then, they would have exterminated every Palestinian man, woman and child, as they are commanded to do in the genocidal Jewish books of *Exodus* and *Deuteronomy*, and in the racist Talmud and Cabalistic writings.

Had we not resisted the racist Jews, then the Mossad would have conducted more false flag operations in the United States of America and Europe than it already has, and America would have committed nuclear genocide against Syria and Iran, at the behest of the traitorous fifth

column of Zionists who have infiltrated our government and our press.

Take pride and hope in the fact that we have saved millions of innocent lives in the world. Thank you all, and keep fighting the good fight!

The Presidential Line of Succession

Christopher Jon Bjerknes

http://www.jewishracism.com

Shakespeare's Hamlet said, "O villain, villain, smiling, damned villain! — My tables, — meet it is I set it down, That one may smile, and smile, and be a villain[.]" Madame Pelosi's perpetual smile reveals her black heart and empty head. As Shakespeare's Octavian stated, "Let us do so: for we are at the stake, And bay'd about with many enemies; And some that smile have in their hearts, I fear, Millions of mischiefs."

If Bush and Cheney are impeached, found guilty, and kicked out of office, then the Speaker of the House of Representatives is next in line to succeed as President of the United States of America. The Israelis have been dangling a sword of Damocles over Bush's head for some time now, the threat being that if Bush fails to attack Iran and instigate World War III, then the Israelis, through their fifth column of traitorous American politicians and through their fourth

estate of disloyal Jews and Zionists in the media, will start a drive to impeach Bush and ultimately imprison him, or worse.

Therefore, it is important that we make an attempt to prevent the Zionist Puppet Pelosi from becoming Speaker of the House by planting the seed in some member of Congress' mind to run against her on the grounds that the last election was a public mandate for change and Pelosi is just more of the same old Congressional corruption.

We Need a Candidate for Speaker of the House

Christopher Jon Bjerknes

http://www.jewishracism.com

Who, other than the Zionist Puppet Pelosi, is seeking to become Speaker of the House? We need to encourage candidates who are not in Israel's pocket to seek to become Speaker of the House. Only when another Representative makes an open bid will the Jewish controlled media be forced to inform the American People that we have an option other than Warmonger Pelosi.

Time to Participate in the Political Process

Christopher Jon Bjerknes

http://www.jewishracism.com

Call and/or write to the members of Congress and tell them that you do not want Warmonger Pelosi to be Speaker of the House. Do not let the Jewish controlled media speak for you, or your Government. And do not listen to the paid defeatists, who tell you your voice is mute. If Jewish organizations can influence Congress with letter writing campaigns, then so can you, and the numbers are on your side.

A Dramatic Change in Foreign Policy

Christopher Jon Bjerknes

http://www.jewishracism.com

We need a dramatic change in American foreign policy. It has obviously been the policy of the Zionist Bush administration to destroy Iraq in order to divide it into at least three different nations through civil war. The Zionist Bush administration has also given unconditional support to the racist and expansionist nation of Israel, much to the detriment of Israel's neighbors, the American economy and the reputation of Americans around the globe. Beyond the Bush administration, a substantial portion of the American populace has let itself be duped into

falsely believing that Moslems are the enemies of Americans. A change in American foreign policy should include both official and attitudinal changes in the United States.

There should be an unbiased investigation into the apparently partisan attacks taking place in Iraq to determine the involvement of Mossad, CIA and British intelligence in those attacks. These attacks must end, and the United States Government ought to inform the People of Iraq that foreign agents have been agitating for civil war in Iraq, which is against the best interests of the Iraqi People.

The US Government has thus far shown no hesitance to scapegoat Iran for these attacks, why would it hesitate to point out the true primary source, Israel? What has the United States done to bring these factions in Iraq together, not only with each other, but with Iraq's neighbors? Where are the international good faith discussions on the fate of the Sunnis, Shia and Kurds? Iran, Syria and Turkey, as well as Iraq, have a serious interest in the fate of the Iraqi People and ought to participate in talks to resolve the conflicts that are taking place. Thus far the USA, as a proxy for Israel, has only fomented hatreds and divisions, and stood in the way of international talks to resolve the crisis the United States, as a proxy state of Israel, has deliberately caused.

The United States Government has to change course from its support of Israel, which is a racist and aggressive nation that perpetually destabilizes the world. We have to cut off foreign aid of all kinds to Israel and embargo arms sales to the warmongering nation. The United States Government should work against Israeli influence in the governments of Turkey, Iran, Egypt, Saudi Arabia, Jordan, etc. The Israelis are actively seeking to destroy each of these nations and

have thoroughly corrupted their governments, press and universities. Once the American Government acknowledges the fact that Israel is an enemy nation of the United States and is undermining American interests foreign and domestic, we can progress rapidly toward peace and stability in the Middle East and around the world.

The Racist Ratio

Christopher Jon Bjerknes

http://www.jewishracism.com

There are about five million racist Jews in Israel playing at being the Chosen People of their genocidal God. One of their games has been to infiltrate the United States of America with a corrosive, coercive, racist and warmongering fifth column and fourth estate of Zionist traitors, who are training Americans to hate and to want to kill the one billion and five hundred million peace-loving Moslems of the world for the sake of five million warmongering Jews in Israel. Racist Jews and their agents are teaching Americans that we should murder one billion five hundred million innocent Moslems so that five million racist Jews in Israel can steal more land that they do not need. Racist Jews and their agents use their disproportionate control over American institutions of influence to convince the American People that it is wise and just to enter into a Third World War for the benefit of Apartheid Israel, that "Holy" "Jewish State", so that we can wholly wipe out one billion five hundred million people who have done us no harm.

The racist Jews fail to inform us that the five million racist Jews of Israel can live in peace if they so choose, and can keep the land they have already stolen if only they will stop attacking their defenseless neighbors. But it is not peace the racist Jews want. It is world war and the extermination of non-Jews, starting with the billions of peace-loving Moslems of the world. An added bonus for the racist Jews of Israel is the destruction of the stupid Gentiles of America who pay with their lives, their souls and with their prosperity for the racist Israeli wars without end.

Agents of the Enemy

Christopher Jon Bjerknes

Saying that it makes no difference who is elected to public office is like saying that it makes no difference which artist paints your portrait, or which doctor performs your operation, or which lawyer handles your case. No two people are exactly alike and whenever you are given a choice, there is an option which will produce a better or worse result. The Jewish controlled media, AIPAC and other Jewish groups spend so much time, money and effort to influence elections for the very reason that it makes a profound difference who is elected to public office in the United States of America.

Given that billions of dollars are spent to influence voting results, it should come as no surprise if Zionists placed subversives into anti-Zionist organizations, and created controlled opposition

media. In an election where the margin of victory is 2,000 votes, that margin represents but 1,000 voters.

For example, assume an election ended in a tie at 10,000 votes for candidate A, and 10,000 votes for candidate B. Further assume that the candidates agreed that a new election would be held. If 1,000 of candidate A's voters changed their minds, candidate A would receive 1,000 fewer votes, or 9,000 votes. If none of candidate B's voters changed their minds, then candidate B would pick up 1,000 more votes and receive a total of 11,000 votes. Therefore, the second election would produce a result of 11,000 to 9,000, with a 2,000 vote margin of victory, representing only 1,000 voters.

If the Zionists create anti-Zionist media which they control, and that media persuades 500 stupid anti-Zionists that is cool to NOT vote and that there is NO difference between candidates; and, further, if the Zionists have one of their quasi "anti-Zionist" agents deliberately make a blunder that causes another 500 anti-Zionists to become disgusted and refrain from voting while firing up 1,000 Zionists to vote who otherwise would not have; then the Zionists have won themselves 2,000 votes in an election. Another trick is for the anti-Zionists to run a ridiculous, extremist anti-Zionist spoiler candidate, who garners another 250 votes from the anti-Zionist vote. Dollar for dollar, these are comparatively very cheap ways to accomplish a political end and to render an opposition impotent—completely ineffective and inconsequential.

This represents but one direct way of subverting the interests of anti-Zionists. In an election there are infinite means to sway people to vote or not vote, each of which adds up to a total

cumulative effect. Anti-Zionists must lose their political naivete and be careful whose "good advice" they follow, and what they view as appropriate behavior. Zionists are masters at controlling mass behavior, and they are trying to lead you into many self-defeating traps with a silly smile on your face believing that you are in the know.

Perception and image are very important. Cigarette companies learned early on from Jewish propagandists the importance of making it appear to be cool, trendy and wise to smoke. Foolish people have made the cigarette companies immensely wealthy, while slowly committing suicide, on the absurd premise that it makes one appear sophisticated and sexy to inhale a highly addictive poison into one's lungs. Conversely, the image that the American Revolution was about securing liberty and rights, despite the ultimate true causes, won us the vitally important Bill of Rights.

We need to be more honest and open than our ancestors and change the image of Zionists and anti-Zionists in the public eye. We must educate the American public and teach them that Zionists blindly support the racist cowards of Israel, who bomb helpless women and children so that they can steal their land. We must teach them that anti-Zionists are peace-loving people, who oppose racism and genocidal violence. We must also teach Americans that Moslems are good people who need and deserve our support, and that Israelis have proven themselves time after time to be racist and genocidal maniacs. Once Americans learn where, when and how the Israelis have infiltrated our country with a racist, warmongering, anti-American fifth column and fourth estate, then it will be the most natural thing in the world for Americans to be openly anti-Zionist, and anti-Zionists will be recognized as the humane, peace-loving people we are and we will have an easy time electing openly anti-Zionist candidates.

Pillory Hillary, Put Down Pelosi, Shun Schumer, Be Wary of Kerry and Lambaste Lieberman

Christopher Jon Bjerknes

http://www.jewishracism.com

Send a message of congratulations to the new faces in the Congress. Let them know that you are as much opposed to the Israel first Zionists at the top of the Democratic Party, as you are opposed to the neo-Conservative traitors, all of whom have conspired to mass murder millions of innocent Iraqis. Both groups have the same ultimate leadership, who seek to bring America into perpetual war in the name of perpetual peace. Build on the anti-war and anti-Zionist momentum. Do not let them get away with their attempt to coopt the political movement to unseat traitorous Zionist power in America.

Fixing Iraq

Christopher Jon Bjerknes

http://www.jewishracism.com

Beware the Zionist trap of "changing direction in Iraq". Jewish leadership and their agents will attempt to corrupt the new Congress with the message that Iraq ought to be divided and that the United States has tried but failed to remedy the ails of Iraq. The truth of the matter is that, in obedience to Jewish leadership, the neo-Conservatives have deliberately destroyed Iraq in the hopes of bringing the nation into civil war, so that it will be terribly weak and divided in the coming world war. The five million racist Jews of Israel want to build a Temple to their "Messiah", to their anti-Christian King, and first need to obliterate the one billion Moslems of the world.

Racist Jews are pitting Kurds against the Sunnis and Shia of Iran, Syria, Iraq and Turkey. They are also planning to drag in Armenian Christians into a broad Middle East war in the hopes of another holocaust of that People. Instead of conducting meaningful programs to resolve the problems of the region, Jewish leaders will prompt the new Democrats to pull out and leave Iraq in ruins and civil war. It has been the Zionist plan from the beginning.

What are needed are negotiations and talks to bring the Iraqi People together with their own People, and with their neighbors. The Turks must come to realize that their society has been corrupted by Zionist Jews for centuries. The Iranians must depose their crypto-Jewish leadership. Responsible men and women in the American Government and Military need to root out the Zionist traitors and Mossad agents who are deliberately bringing Iraq into civil war. There must be international talks to rescue the Palestinians from the Jewish genocide of Arabs.

The best way to save the world from the Jewish Israeli attack on humanity is economically. Israel must be cut off financially and those few Jews in Israel who oppose the racist Jewish genocide of Moslems, Christians, Arabs, Persians, Turks, Pakistanis, etc. ought to leave Israel for good and take away the racist Jewish incentive to expand the borders of the illegal regime.

Democrats will be playing into the racist Jews' hands if they fail to take active measures to not only secure America's position by ceasing the march toward more war, but also if they fail to work with the players in the region to secure a lasting peace. We must act as a force for peace and justice in the Middle East, and that does not mean bringing Iraq into civil war and dissolution. It means stopping the Israeli genocide of its neighbors. It means counteracting the Israeli campaign to bring Iran, Syria, Turkey, and Iraq into a broad war. Most importantly, it means exposing the Zionist fifth column and fourth estate of traitors who are deliberately bringing America and the world into ruin.

The Margin of Victory

Christopher Jon Bjerknes

http://www.jewishracism.com

The Zionist Republican lock on all branches of the Federal Government has been broken, despite the best efforts of many top Democrats and many in the so-called "alternative media" to discourage anti-war voters from voting. Had not John Kerry sabotaged the Democratic Party,

and had the alternative media made a concerted and coordinated effort to get out the anti-war vote, the results would have been even more spectacular.

Politics is a dirty business. It may come as a disappointment to some of you to learn that those you have trusted to help you fight Zionist corruption have betrayed you. Even if you voted, others doubtlessly did not as a result of the "good advice" of some voices to not vote. It is a classic example of the work of subversives to destroy the effect of a political movement at a crucial time. This election has a tremendous impact on the ability of the Zionist traitors to wage war on Iran and Islam for the sake of the five million racist genocidal maniacs in Israel. The Zionist subversives in the alternative media, who have worked for years to earn the trust of anti-Zionists, have fulfilled their role by dissuading some from voting at a key time. Those votes represent the margin of victory in many key elections. If Kerry's sabotage accounted for a few hundred votes in crucial elections, and the deliberate defeatists in the alternative media account for a few hundred, the Zionists have won their elections, courtesy of the stupid anti-Zionists. The Zionists expected that Independent voters would favor Democrats at a ratio of 2:1, and they knew it would work to their favor to discourage anti-Zionist Independents from voting. After whining for years that something has to be done, when it came time to do something, the advice was to do nothing.

Many of these same voices are calling for a gold standard which would ruin our economy and profit the Jewish bankers. Many of these same voices are calling for a revolution, which would put a Zionist Bolshevist dictator in power in the Americas. They tell you that the crypto-Jewish agent Mahmoud Ahmadinejad will save you by bring the world into a nuclear World War III.

They promise you that the Communist agent of the bankers, Hugo Chavez, is the answer to your problems, because he hates your government and wants to help you destroy your country. What they fail to explain is how a people which cannot clean house at a crucial election, will somehow be better off when it has destroyed its government completely, and sent its people into civil war.

Look at what is going on in Iraq today. Why would we want that in the United States? Look at what happened to Russia, perhaps the wealthiest nation in the world, when the Jewish bankers had their subversive agents convince the Russian People that the problems the Jewish bankers were deliberately causing the Russian people were instead caused by the Russian Government, and the Jewish bankers, through their subversive agents, convinced the Russian People to revolt and destroy their own nation. The same will happen if the American People are stupid enough to listen to those voices who tell them not to vote in the hopes that America will fall apart.

The most pressing problem we face at the moment is to prevent the Jewish led war on Islam. Clearly the most important thing we could have done to slow or stop the Zionist Republican and Democratic leadership would have been to vote en masse against their most obvious agents. That would have had a greatly beneficial effect. Instead of seeking to prove that the anti-Zionists are a substantial, organized and effective political movement, some in the alternative media sought to prove that the anti-Zionists are of no consequence.

Time to Vote!

Christopher Jon Bjerknes

http://www.jewishracism.com

Do not let anyone trick you into surrendering your vote on the premise that voter fraud will take place this election. Voter fraud has taken place in elections ever since human beings began elections. An honest voter is no more participating in that fraud by voting, than an honest citizen is participating in theft when he is robbed by someone else. Again, vote fraud has always taken place, and yet we sometimes manage to elect better people over worse people. Your vote counts. Even if you are defrauded, which is not the same as committing fraud, you and the candidate for whom you voted will have the opportunity to object. If you do not vote, you have waived your right to object that your vote was denied by fraud. In addition, it is foolish to anticipate that you will be defrauded. It is like refusing your paycheck because you might get robbed. Vote and if you believe someone has defrauded you, then fight back!

We do not live in a perfect world and it is better to vote in this election than not to vote. Don't just lay down and die. Human beings have always had to struggle against corruption. Be as strong as your ancestors and exercise your hard won rights. Even if someone cheats you, your rights are inherent in your being and will only be respected when you demand them. Do not surrender to the cheats. Insist that they honor your rights. You ought to be suspicious of those who try to convince you not to vote. That itself has the same effect as vote fraud. What is their motive for trying to dissuade persons who are aware of Zionist corruption in America not to

vote? Are the neo-Conservatives trying to persuade their followers not to vote?

Don't be a sucker! VOTE!

The Battle of Armageddon for the Sake of Five Million Israelis

Christopher Jon Bjerknes

http://www.jewishracism.com

Jews who want to enter upon the "End Times", in their own words:

http://video.google.com/videoplay?docid=5023321040876648867&q

Shall we fight the battle of Armageddon in the hopes that the Jews will have the opportunity to build their Temple and anoint their King? Shall we kill off humanity? Don't think it will happen if you sit idly by? Consider that we have already fought two world wars in preparation for the third, and that the same group of people are in control today as were in control then.

Is "God with Us" Against Us?

Christopher Jon Bjerknes

http://www.jewishracism.com

The Jewish book of *Isaiah* 7:14 states:

"Therefore the Lord himself shall give you a sign; Behold, a virgin shall conceive, and bear a son, and shall call his name Immanuel."

The New Testament changed the Messiah's name from Emanuel to Jesus, and I think we now know why. *Matthew* 1:21 states:

"And she shall bring forth a son, and thou shalt call his name JESUS: for he shall save his people from their sins."

The word "Emanuel" means "God with us", and the word "Jesus" means "Jew". "Judas" as in "Judas Iscariot", bears the identical name in the original script as "Jesus" "the Nazarene", in both instances signifying "Jew". The New Testament can be interpreted allegorically to mean that the Jews are the divine presence on Earth, and that the divine is both good and evil. Indeed, the Frankist Jews have so interpreted it. The Frankist Jews took from this New Testament allegory the lesson that Jews betraying Jews is the surest way to provoke God to destroy the world and send the Messiah, which is in their minds a very good thing. They hope their Messiah will exterminate all non-Jews. These Jews' beliefs are based on the Talmud in the Jewish book of *Sanhedrin* folio 97*a* and the Hebrew Bible in the Jewish book of *Job*, chapter 12, and in the

Jewish book of *Isaiah* 45:7; and 59:15-16. Jewish dualism carries over into politics.

We have Jews, who are openly and unquestionably loyal to our foremost enemy, the "Jewish State" of Israel, dominating the American political process. These Jews regulate who and who will not succeed as politicians in America. Is that a good thing? Would it not be easy and wise to take back control over our nation from them, if only we could convince our fellow citizens, who are loyal to the United States of America and only to the United States of America, to take the situation seriously and the country back from our enemies?

The Slide into the Slavery of Bolshevik America

Christopher Jon Bjerknes

http://www.jewishracism.com

The Jewish led neo-Conservatives have eliminated our fundamental rights to due process. Our only means to regain Federal protection of our inherent rights is through our fundamental right of free speech, and, should the need arise, the right to keep and bear arms. The Jewish led Bolshevik Democrats threaten to not only sweep away Federal protection of those rights, but to criminalize criticism.

The first act of the Jewish Bolsheviks who destroyed Russia and then mass murdered millions of Christian Slavs, placing countless Jews into official positions of power, while executing Slavic leaders, intellectuals and police, was to criminal criticism of Jews and/or the disclosure of the names of crypto-Jews on pain of death. Adolf Hitler used the same Bolshevik principles to make himself a dictator, to mass murder his perceived political rivals in the *SA* and to justify the *Gleichschaltung* and the *Ermaechtigungsgesetz* laws in Nazi Germany, which forbade dissent of any kind. Lenin iterated his infamous doctrine of "Democratic Centralism" in 1901-1902 in his famous article "What is to be Done?", which doctrine prohibited dissent, or even discussion, on issues of Party dogma. Communist Party dogma covered all aspects of life, including science. Lenin employed this principle of "Democratic Centralism" to make himself a dictator, as did Joseph Stalin. Lenin censored the press and prohibited the publication even of revolutionary literature by such notables as Maxim Gorky, which dared to advocate democracy and freedom of thought. In 1948, Communists used terror tactics to close down the play "Thieves' Paradise" by outspoken Jewish anti-Communist Myron Fagan. The Communists largely destroyed Fagan's career and his life.

It is not enough for the Zionist Jewish traitors who are ruining America to control the media. They now seek to control what we say. When they have pitted the police against the public, they will then begin to mass murder Americans, as they mass murdered Armenians, Slavs, Chinese, Jews, etc. The same forces which have artificially created the World Wars and the worst genocides of human history now seek the shield of criminalizing criticism directed against them.

The only hope we have to prevent this slide into the hell of a Jewish Bolshevik state in America

is to become increasingly active in the political process and to voice our outrage at the criminals who are destroying our Republic. Beware, they will send out impostors, who will assure you that your efforts are futile, or worse, in effort to subtly silence you by persuading you to quietly surrender your soul to their devilish schemes. Most Americans have probably asked themselves how the Russian People allowed themselves to be controlled by the mass murderers Lenin, Trotsky, Kaganovich and Stalin. All they had to do was resist and the momentum of their mass would have toppled the dictators. Now ask yourselves, will you resist the Bolshevization of America?

Rev. Ted Pike has made herculean efforts to secure your rights to free speech. Please support him for all of our sakes and for the sake of goodness, that the promise of human freedom not perish forever from the face of the Earth under the tyranny of a Jewish "Messianic Era" otherwise known as "Bolshevism".

Colonial Confusion

Christopher Jon Bjerknes

American imperialism has not been successful in Iraq, because America has not established its bureaucratic rule over the Iraqi victim. When an empire, such as the Roman Empire, or the British Empire, or Imperial Japan, invaded a country, they took steps to secure their imperial commercial interests, and thereby created a financial incentive for the exploitation and improvement of the colony. The United States has failed to take these necessary steps toward building a successful colony, because we pretend that we are not an imperial power. This has created a power vacuum which cannot be filled by American military force sans American colonial policy and control.

Instead, the American policy of invasion and destruction of Iraq has been one of colonizing the American taxpayer through the venue of Iraq. The greater the destruction of Iraq, the greater the amount of money contractors stand to make by supplying and equipping American and foreign contractors and soldiers. Therefore, instead of creating a financial incentive to build an Iraqi colony, we have created a financial incentive to demolish the nation of Iraq and leave it without a government or a future. American enterprise then takes over with the incentive to destroy, instead of build, and rapes the Iraqis and the American taxpayer.

If we are to be an imperial power, then we must conduct ourselves as one, and create and implement policies and regulations which will enable us to successfully colonize Iraq. We must not continue down the path of destruction of the American economy and the Iraqi nation to the detriment of both Peoples, while profiting the war profiteers and creating an incentive for more war without any beneficial results for any nation. I do not think it is in America's best interest to

build an empire, but if are going to go that route, then we must go all the way, or face inevitable disaster.

The dilemma we face if we seek to restore Iraq is that we must effectively face the reality that it was a mistake to destroy it. Once we have eclipsed that hurdle, then we must talk to the leaders of the various factions of the nation and organize a centralized power base through reasonable means, not through hubris and aggression. We will have to break up the Mossad/CIA/British Intelligence operatives who are manufacturing sectarian violence for the purpose of destroying stability and centrality. More broadly, we should take the opportunity to negotiate just and wise solutions to the problems the Zionists have created throughout the Middle East and we must secure the safety and well being of the Palestinian People.

First though, we have a choice to make as to whether we are an empire, or respect the sovereignty and rights of other nations. We have to stop obeying the Israelis, who are exploiting us in the hopes that America and the non-Jewish nations of the Middle East will fall, leaving Israel standing, and in the hopes that American Jews will then move to Israel. If we are going to colonize Iraq, and I am against the idea, then let's do it without colonizing the American taxpayer, instead.

Peace Initiative

Christopher Jon Bjerknes

http://www.jewishracism.com

Based upon the following stories it appears that Bush and Blair are playing good cop and bad cop:

Bush rejects Blair plan for talks

Talking tough from a weak position

Ahmadinejad: Iran Willing to Talk If U.S. Changes

They are opening up possibilities, but trying to make the nations of the Middle East offer concessions before negotiations even begin. In return, Ahmadinejad is taking a similar tack. This is to be expected, and it is better to argue about how to argue, than to argue about how to go to war. But there are better ways to open up possibilities to resolve the crises in the Middle East the Zionists have artificially created.

We could have university people and institutions write up possibilities papers, as opposed to positions papers, which could then be discussed. The idea is to create a framework without commitments, that focuses on, and defines, the problems from various perspectives, and then which attempts to find common bonds back to the problems so that viable solutions can be proposed that do not contravene the major and legitimate interests of the parties involved. A system of arbitration is needed. We need someone, or some group, to sponsor a forum. Perhaps

the Scandinavians, or the Indians, or the Japanese, I'll have to consider the problem further from all points of the compass. However, if the nations involved in the Middle East were to avoid the opening vollies from the West over how to begin negotiations, and simply engage one another, I suspect America, England, France and Russia would demand access to the negotiating table.

Should Turkey, Iran, Iraq and Syria open a forum for discussing the future of the region and a plan to develop the interests of Sunnis, Shias and Kurds, as opposed to Israel and its client states, they would then start to identify their own interests in a progressive climate as opposed to a hostile one. They would then cease to allow Israel to control the agenda, which is an open attack on Islam carried out by dividing and destroying. The Moslems would then be able to make the agenda one of mutual benefits and the construction of infrastructure, trade programs and the building of education and industry. These Middle Eastern nations could have their intellectuals identify the common problems, the source of those problems, and potential resolutions to those problems. These nations would be unwise to allow their enemies to control the agenda, or to wait for their enemies to solve the problems their enemies have worked so hard to create.

Perpetual Zionist Dictatorship: Topple the Democrat/Republican Teeter Totter at the Top

Christopher Jon Bjerknes

http://www.jewishracism.com

For thousands of years, Jews have been talking non-Jews into suicide under the guise of suicidal "liberal" principles. One of their preferred methods is to bring a society into ruin, and then to propose a dictatorship as the solution to the chaos they have deliberately caused.

The Jews who fabricated the Hebrew Bible, those who copied their religion, history and poetry from Egyptian, Greek and Mesopotamian sources, those who fabricated their prophecies after the events had already occurred, those who created a virulently racist belief system in order to preserve their tribe; those Jews discovered that idealistic philosophies and the promise of a Utopia were powerful weapons with which to destroy Goy peoples.

They often infiltrated foreign governments with subversive agents. The mythical Jewish book of *Esther* taught the Jews to marry off their women to the leaders of other "races" and to then use this power to destroy the "enemies" of the Jews. The Zionist puppet Nero and his Jewish wife Poppaea burned Rome and scapegoated the Christians for the Jewish atrocity. The Zionist puppet Oliver Cromwell brought England into civil war and in so doing secured England for the Jewish bankers, while scapegoating the Catholics for the ails Cabalistic Jews had caused the British. Frankist Jews brought France into chaos through their Zionist puppets Robespierre and Napoleon. These Jews ensured that the best of the French would perish, that French genes would lose their strongest links. They did this, they ruined France and brought it into perpetual self-destructive war, in the name of "liberty, equality and freedom". They also made an

unrelenting attack on French Catholicism, preferring Judaized Protestantism, or, better still, leader worship. Crypto-Jews slaughtered Armenians to bring the Turkish Empire and Germany into conflict with Great Britain and Russia. Crypto-Jewish Revolutionaries then deliberately ruined the Turkish Empire, while scapegoating Moslems for the atrocities Jews had committed. These Jews taught the Turks that Islam was an antiquated and unscientific belief system that must be substituted with government worship, that would result in a positivistic Utopia. Soon after, Crypto-Jewish Revolutionaries deliberately destroyed Russia and mass murdered millions of Slavic Christians. They accomplished their goals by causing the Russian People to hate and to overthrow their own government—they scapegoated the Czar for the economic crises and wars Jews, in fact, had caused. The Jews taught the Russians that Christianity was their enemy, and that the State had assumed the rights which were previously the domain of the divine. Jewish Bolsheviks sought to destroy the world through revolution and preached that Communist Revolution was the messiah that would institute the Messianic Era. In Germany, crypto-Jewish Bolsheviks, calling themselves "National Socialists" or Nazis, called attention to the fact that Zionist Jews had betrayed Germany in the First World War. By causing the Germans to hate all Jews, the Jews were able to install their Zionist puppets in positions of power in the German Government and to bring Germany into perpetual war and ultimate ruin. They taught the Germans that the Zionist stooge Adolf Hitler was the messiah and that Germany had begun the birth pangs of the Messianic Era, or the thousand year Reich. These crypto-Jews taught the Germans that self-destructive wars without end were the means to the "End Times" of prophecy.

The Zionist puppet George Bush has brought America into perpetual war and has placed us on a course towards economic ruin. He rode to power on the backs of Christian Zionists, who

sincerely believed and hoped that Bush would bring us into the Messianic Era through nuclear war. Beware of the controlled opposition of alternative Zionist puppets who propose their "solutions" to the tyranny and crises Zionists have brought to America. Their plan is to intensify the tyranny and further undermine American industry and nationalism.

The true solution is for Americans to become more actively involved in the political process, so that we can assure that American, as opposed to Zionist, interests are served by the American Government. Do not listen to the defeatists who tell you to hate American Government and destroy it. They are working for the Zionists. They will promise you a Utopia if only you destroy the government which is the stage for their Zionist puppets. Do not burn down the American theater of government. Simply chase the clowns off the stage and insist that the new actors follow the script inscribed in the American Constitution. Build rather than burn. Speak out rather than tear down. Contact members of both houses of Congress and tell them that you do not want them to bow down to Israel. Tell them that Pelosi, Schumer, Emmanuel, Liebermann, Kerry and like minded types do not speak for you when they speak for Israel. But do not become disengaged and despondent and do not hope for the downfall of the American system. If you cannot effect change now when the American system is wealthy, comparatively healthy and functional, you certainly will not achieve your dreams if you destroy our institutions and economy with a revolution. Instead, you will afford the Jewish bankers the opportunity to rob your wealth and take away your national sovereignty. Russia did not advance by murdering the Czar and the Russian Government. Yes, the true solution for America's problems is Americans. We need Americans who want to improve America and chase out the Zionists who are destroying us. They will have no chance at success without your active support. A good start will

be to invite a candidate to oppose Pelosi for the position of Speaker of the House. Take a chainsaw to the Zionist teeter totter in the top leadership of both the Democratic and Republican Parties, where one Zionist dictator falls to raise another. The honest people in the lower ranks need your support and input. Do not assume that a Democrat is good or bad for being a Democrat. Likewise, do not assume that a Republican is good or bad for being a Republican.

A Clear Conflict Between American and Israeli Interests

Christopher Jon Bjerknes

http://www.jewishracism.com

The Frankist Jew and Zionist traitor, United States Supreme Court Justice Louis Dembitz Brandeis, wrote in 1915 in his booklet *The Jewish Problem: How to Solve It*,

"And a conflict between American interests or ambitions and Jewish aims is not conceivable. Our loyalty to America can never be questioned."

Brandeis then betrayed America in 1917, and needlessly brought the American People into the First World War for the sake of the Zionist Jews and in exchange for the illegal Balfour

Declaration. As a result, the war was prolonged and millions more needlessly died.

Another Jewish war criminal, Ehud Olmert, has come to America to influence our President to commit more crimes against humanity. The crisis in Iraq, which Zionist traitors in America have created, is a political problem and requires a political solution. But the genocidal Israelis always seek a genocidal "final solution" to the problems they artificially create. The Israeli final solution to the Iraq problem is to divide Iraq into at least three segregated countries so as to weaken it and to bring the sectarian factions into war, which civil war will broaden into a regional war, and then a World War. The Israelis will then have a stage upon which to commit their final act of genocide against the Moslems and exterminate them all. The Israelis do not want a political solution to the political problems of the Middle East. Israelis have always been "Social Darwinist" racists and they have always sought the "final solution" of Jewish supremacy and the extermination of their "enemies", of humanity. That is the official Jewish mindset written into Jewish law and carved on the stone of 2,500 years of Jewish contempt for assimilation, justice and humanity.

We Americans have different interests, which we have already betrayed by obeying the baying Zionist traitors in our midst, who have needlessly brought us into another bloody war with a people who have done us no harm. We Americans, at the behest of racist Israelis, have deliberately destroyed the nation of Iraq and created a political crisis in the entire region. We must resolve this crisis by engaging all the factions within Iraq, as well as Iraq's neighbors Iran, Syria, and Turkey, in good faith talks to bring about an equitable and sustainable peace, which will facilitate trade and good relations in the region. Israel wants instead perpetual war and the continual degradation and extermination of the Gentile Peoples of the Middle East. Israel is the

enemy of the United States of America, and of humanity. If Bush were a human being, instead of a Zionist puppet, he would spit in Olmert's face and organize the world to end the threat that Israel poses to its own People and to humanity. It will be interesting to see what the Zionist Puppet Bush does instead. In the meantime, the peoples of Iraq, and its neighbors, ought to sidestep the United States if it continues to create problems instead of solutions, and work together toward a peaceful and equitable solution of the crisis, despite the efforts of racist Jewish warmongers to bring the region into completely unnecessary and highly destructive conflict. Peace and stability are obviously in the best interests of the Americans, as well, and if the Sunnis, Shia and Kurds joined with the Iranians, Syrians and Turks to negotiate a sustainable settlement, the American People would insist that their government welcome and participate in the much needed move toward peace.

Leadership and Common Cause

Christopher Jon Bjerknes

http://www.jewishracism.com

The Israelis are pouring in money and military resources to their subversive agents in Lebanon and Iraq. The five million racist Jews of Israel are desperate for war. They want the United States of America to kill off one-and-one-half billion Moslems, so that the five million racist Jews of Israel can dominate the region and the world.

It is true that Lebanon's leaders are puppets of Israel and Israel's client state, the United States of America. The same is true of Jordan, Saudi Arabia and Egypt. These nations and the leadership of Lebanon did next to nothing to stop Israel's genocidal aggression. Hezbullah, too, only served Israeli interests by providing them with a pretext to grind the nation of Lebanon into dust. Israeli troops and air bombardments moved about freely. It is not true that the Israelis did not destroy each and every structure and life in Lebanon because the Hezbullah overwhelmed them. The Israelis simply did not have enough time to blow up every building and

snuff out every life. World public opinion stopped the Israelis.

Now the traitors in Lebanon want to cash in on the Israeli attack they covertly supported, just as they have done in past. Instead of calling the world's attention to the barbarity of Israel's aggression, the "leaders" of Lebanon are after lucrative contracts to rebuild what Israel has destroyed. Instead of uniting the People of Lebanon and the Moslem world against their common enemy, Hezbullah and the "leaders" of Lebanon are instead interfering with the Iranian, Syrian and Iraqi peace initiative. When the country of Lebanon is weak and vulnerable, its leaders are doing the Israelis' bidding and setting up the country for civil war, and the region for regional war. Lebanon does indeed need new leaders, leaders who will fight for Lebanon in the court of world public opinion, leaders who will call attention to the unprovoked atrocities Israel has committed against its defenseless neighbor. Lebanon needs leaders who will make documentary films to show to the world, which will make plain the violent and aggressive nature of the "Jewish State".

Lebanon needs leaders who will come to Syria's defense, as Syria has so often come to Lebanon's defense, and who will tell the world that it was not Syria which bombed Lebanon into ruins, rather it was barbaric and expansionistic Israel which launched an unprovoked attack on Lebanon, and which would have utterly destroyed the nation and mass murdered the Lebanese People had not the world intervened. It is Israel which tried to draw Syria into war. Syria consistently called for peace.

It would be wise for the leaders of the Moslems and Christians of the Middle East to come together and speak with a common voice to decry the violence and "internal" internecine

fighting, which Israel is covertly causing in Israel's protracted effort to destabilize the Middle East and the world. The political and religious heads of Syria, Iran, Iraq, Lebanon and Turkey ought to speak in a common chorus to all the people in the region and ask them to focus on their common enemy and work together for their common benefit, because only Israel benefits when Moslems and Christians war against each other.

The Jewish controlled press will have a much more difficult time distorting and lying about what is really happening in the Middle East, if the leaders of the region learn to speak with one voice and together on matters of vital importance to all the nations. Take control of your own destiny and cooperate! These nations do not need the permission or initiatives of the United States or the United Nations to speak to one another and to concurrently issue common statements in their common defense, common interest and in the interest of peace. Instead of complaining about what others do or do not do, they should act on their own initiative and exercise control over their own future.

Tone and perception are vital elements in controlling world public opinion, and if the Moslem world were to come together and fulfill its common cause to bring peace to the world, the world, and with them the American People, will welcome the initiative and step far away from the Israeli warmongers and their puppets in Washington. Americans are most influenced by audio-visual media. Please, would some innovative film maker make a documentary proving the horrors that Israel has perpetrated against its neighbors, and ask the cooperation of governments to translate and distribute it world-wide. Follow the example of the Jews with their focus on the Holocaust and never let the world forget who is the aggressor in the Middle East

and who is the victim. Israel attacked Lebanon. Israel is daily committing crimes against the Palestinian People and in so doing, humanity. Israel is openly calling for war with Syria and Iran. Do not fight each other, fight the "Jewish State" which is attacking you, and fight by exposing their crimes and by uniting for peace.

Lebanese Led into a Trap

Christopher Jon Bjerknes

http://www.jewishracism.com

The Lebanese are being led into a trap. Jewish revolutionaries have long coaxed and cajoled other peoples into engaging in strikes which cripple their nations at critical times. Jews in Great Britain destroyed British industry with crippling strikes. Jews in Russia talked the Russian People into striking and destroying their own country. Jews in Germany talked the Germans into striking during the First World War, which contributed to Germany's loss, and which led to a semi-successful Bolshevik revolution in Bavaria. Today, the Lebanese have swallowed the Jewish bait.

The Israelis have infiltrated many Moslem countries with Communist agitators. Israeli stooges run these nations and are deliberately ruining them. Other Israeli stooges lead the controlled

opposition, and are talking these nations into Communist revolutions, which will ultimately destroy Islam, result in endless wars, and deliver the Arabs, Turks, Kurds, Persians, etc. into Jewish run extermination camps.

The Israelis are stirring things up in Lebanon, so that they can finish their unsettled business of genocide. They are scapegoating the Syrians for Israeli agitations and assassinations. Racist Jews also want to exterminate the Syrians, who dare to live on the land the Jewish God promised to steal for the seed of Abraham from the native populations. Note that this land was never the native land of the Jews. The Jews were always unwanted genocidal occupiers in the native land of the Canaanites.

At the close of the latest unprovoked Israeli aggression against defenseless Lebanese, Israeli leaders asked their citizens, who were thirsting for more Lebanese blood, to be patient. They tacitly promised them that Israel would be back with an even greater vengeance into Lebanon for the purpose of occupying "Greater Israel".

The Lebanese have been betrayed by leaders who are in the pockets of Jewish bankers, both in the form of Siniora and Hezbullah. The foolish Lebanese have failed to demand reparations from racist and genocidal Israel. The Lebanese have failed to make documentary films showing the bloodbath and rampant destruction the racist Israelis wrought on Lebanon.

Instead, the foolish Lebanese consume one another and destroy their own country, just as the racist Israelis have coached them to do. It may well come about that the Islamic nations, under deliberate pressure from their crypto-Jewish leadership, who are leading them into destruction,

will endure a series of Communist revolts, which will deliver them completely into the Israelis' hands. This threat is very strong in Jordan, Saudi Arabia, Iran, Iraq, Egypt, etc.

These Peoples have a common enemy, and they ought to turn their attention to the enemy "Jewish State", which is perpetually undermining their genuine interests and setting them up for war and self-destructive revolution. If revolution there must be, then the Peoples of this region ought to be extremely careful in the selection of their leadership and the future course of their nations. Racist Jews have ready numerous old school Communists to lead these nations in self-destruction in the name of "peace", and "liberty, equality and fraternity". Racist Jews utterly destroyed the Turkish Empire through revolution. Beware the salvation of the crypto-Jewish Communists who promise to deliver you from Jewish influence, only to deliver you into the concentration camps run by racist Jews.

Racist Jews did it to their own, and they will not hesitate to do it to you.

Jews Betraying Jews

Christopher Jon Bjerknes

http://www.jewishracism.com

The Jewish book of *Zechariah* 13:8, 9 calls on Jews to ensure that two thirds of the extant population of Jews in the world is exterminated,

"8 And it shall come to pass, *that* in all the land, saith the LORD, two parts therein shall be cut off *and* die; but the third shall be left therein. 9 And I will bring the third *part* through the fire, and will refine them as silver is refined, and will try them as gold is tried: they shall call on my name, and I will hear them: I will say, It *is* my people: and they shall say, The LORD *is* my God."

Jews do not worry that the pogroms they intentionally cause will completely wipe out the Jewish populations of the Earth. They count on the promise of the Jewish book of *Leviticus* to ensure that a "remnant" of Jews will survive the persecutions Jews deliberately cause other Jews, in order to keep Jews segregated, which promise Jews believe ensures that some Jewish population will outlive those who are slaughtered by design by other Jews. *Leviticus* 26:44 states,

"And yet for all that, when they be in the land of their enemies, I will not cast them away, neither will I abhor them, to destroy them utterly, and to break my covenants with them: for I *am* the Lord their God."

Racist Jewish Zionist Israel Zangwill wrote,

"In the diaspora anti-Semitism will always be the shadow of Semitism. The law of dislike for the unlike will always prevail. And whereas the unlike is normally situated at a safe distance, the Jews bring the unlike into the heart of every milieu and must thus defend a frontier-line as large as the world.

The fortunes of war vary in every country, but there is a perpetual tension and friction even at the most peaceful points, which tend to throw back the race on itself. The drastic method of love—the only human dissolvent—has never been tried upon the Jew as a whole, and Russia carefully conserves—even by a ring fence—the breed she designs to destroy. But whether persecution extirpates or brotherhood melts, hate or love can never be simultaneous throughout the diaspora, and so there will probably always be a nucleus from which to restock this eternal type. But what a melancholy immortality! 'To be *and* not to be'—that is a question beside which Hamlet's alternative is crude."— I. Zangwill, *The Problem of the Jewish Race*, Judaen Publishing Company, New York, (1914), p. 18; which was first published as an article, "The Jewish Race", *The Independent*, Volume 71, Number 3271, (10 August 1911), pp. 288-295, at 294.

Racist Jewish Zionist Theodor Herzl wrote in his book *The Jewish State*,

"Oppression and persecution cannot exterminate us. No nation on earth has survived such struggles and sufferings as we have gone through. Jew-baiting has merely stripped off our weaklings; the strong among us were invariably true to their race when persecution broke out against them. This attitude was most clearly apparent in the period immediately following the emancipation of the Jews. Later on, those who rose to a higher degree of intelligence and to a better worldly position lost their communal feeling to a

very great extent. Wherever our political well-being has lasted for any length of time, we have assimilated with our surroundings. I think this is not discreditable. Hence, the statesman who would wish to see a Jewish strain in his nation would have to provide for the duration of our political well-being; and even Bismarck could not do that. [***] The Governments of all countries scourged by Anti-Semitism will serve their own interests in assisting us to obtain the sovereignty we want. [***] Great exertions will not be necessary to spur on the movement. Anti-Semites provide the requisite impetus. They need only do what they did before, and then they will create a love of emigration where it did not previously exist, and strengthen it where it existed before. [***] I imagine that Governments will, either voluntarily or under pressure from the Anti-Semites, pay certain attention to this scheme; and they may perhaps actually receive it here and there with a sympathy which they will also show to the Society of Jews."—T. Herzl, *A Jewish State: An Attempt at a Modern Solution of the Jewish Question*, The Maccabaean Publishing Co., New York, (1904), pp. 5-6, 25, 68, 93.

The Words "Kike" and "Anti-Semite" Were Both Coined by Racist Jews, Who Hated Other Jews

Christopher Jon Bjerknes

http://www.jewishracism.com

The term "Kike" was coined by racist German Jews, who hated the *Ostjuden* who flooded into America after the Russians opened up the Pale of Settlement in 1881, which is to say after Jews murdered the Czar and encouraged and orchestrated pogroms,

"It was I. M. Wise, typically, who broke the silence of the established Jews as they saw what was happening to the good name of their faith. From the fresh air of Cincinnati, Wise observed the noisy, smelly scenes in the eastern seaports and was revolted. 'It is next to an impossibility to associate or identify ourselves with that half-civilized orthodoxy which constitutes the bulk of the [Jewish] population in those cities,' he stormed. 'We are Americans and they are not. We are Israelites of the nineteenth century and a free country, and they gnaw the dead bones of past centuries.' Wise was never a man to mince words. 'The good reputation of Judaism must naturally suffer materially, which must without fail lower our social status.' The prosperous 'Uptown' Jew of New York found identification with the unsavory 'Downtown' Jew dangerous in the extreme. It was in the Uptown salons of the German-Jewish aristocracy that the word 'kike' first appeared, to deride the uncultured and unclean immigrants. Yet the emotional dilemma was acute, for the Uptown Jew was not without a sense of obligation and guilt."—Peter Grose, *Israel in the Mind of America*, Alfred A. Knopf,

New York, (1983), pp. 31-32.

The term "anti-semite" was coined by a crypto-Jew named Wilhelm Marr,

"The word [Anti-Semitism] was probably first used by Wilhelm Marr, said to have been a converted Jew, in *Der Sieg des Judentums ueber das Germanentum*, a pamphlet which he published in 1879, the same year in which he founded the Anti-Semitic League; two years later he began publication of *Zwanglose antisemitische Hefte*."—"ANTI-SEMITISM", *The Universal Jewish Encyclopedia*, Volume 1, The Universal Jewish Encyclopedia, Inc., New York, (1939), pp. 341-409, at 341.

Ahmadinejad, Moallem and Talabani

Christopher Jon Bjerknes

http://www.jewishracism.com

It appears that the nations in the region have begun a peace initiative. Hopefully, they will secure the integrity and national sovereignty of the nation of Iraq against the Zionist plan to Balkanize the nation into at least three hostile countries. CNN reports:

Iraqi president plans talks with Iran, Syria

Of course, the oil companies and the Western nations have a huge stake in the outcome of these talks, as do the Kurds and the Turks. The Israelis will do whatever they can to sabotage any effort at peace, and they are already using their fifth column and fourth estate in the United States to undermine this peace initiative.

One suggestion I would make to the leaders is that they establish a trilateral effort to curb the subversive actions of the Mossad, for example, by offering a reward for the capture of Mossad agents agitating for "sectarian" violence in Iraq, Turkey, etc. They will have to be careful not be trapped by the Israelis, who will attempt to trick them, but this can be avoided. However, significantly, the mere act of offering a reward for the capture of Mossad agents will shine a bright light on the activities of the Mossad to generate war and destabilize the region, and ultimately the world. The leaders should also make clear that they want peace and a united Iraq and that the United States is welcome to join them in this humane pursuit.

Judaism Sponsors the Racist Jewish Genocide of Arabs and Moslems

Christopher Jon Bjerknes

http://www.jewishracism.com

Moslems believe that they inherited God's covenant (*Genesis* 15:18) from Abraham through Abraham's firstborn child Ishmael, son of Abraham and Hagar. Jews believe that the Jewish God instead passed the covenant on to Isaac (*Genesis* 17:19-21), who was later born to Abraham and Sarah. Ishmael is the Biblical father of the Arabs, and has more generally come to symbolize Moslems in general. Racist Jews refer to Arabs, and Moslems in general, as "Ishmaelites". The racist Hebrew Bible stigmatizes "Ishmaelites". *Genesis* 16:12 states:

"And [Ishmael] will be a wild man; his hand will be against every man, and every man's hand against him; and he shall dwell in the presence of all his brethren."

Worse still, racist Jews believe that the racist Talmud grants them special license to murder

"Ishmaelites". In addition to the virulently anti-Gentile passages found throughout the Hebrew Bible and in the Jewish Talmud and the Cabalistic Jewish Zohar, the Talmudic book of *Sukkah*, folio 52*b*, not only dehumanizes Arabs, and in modern Jews' eyes, the Moslems in general, it makes them the enemies of the Jewish God,

"R. Hana b. Abba stated: It was said at the schoolhouse, There are four things of which the Holy One, blessed be He, repents that He had created them, and they are the following: Exile, the Chaldeans, the Ishmaelites and Evil Inclination. 'The Exile', since it is written, *Now, therefore, what do I here, saith the Lord, seeing that My people is taken away for naught* etc.;[9] 'the Chaldeans', since it is written, *Behold the land of the Chaldeans—this is the people that was not;*[10] 'the Ishmaelites', since it is written, *The tents of the robbers*[11] *prosper, and they that provoke God are secure since God brought them with His hand;*[12] 'the Evil Inclination', since it is written, [*And I will gather her that is driven away*] *and her that I have afflicted.*[13]"—I. Epstein, Editor, "Sukkah 52*b*", *The Babylonian Talmud*, Volume 12, The Soncino Press, London, (1935), pp. 249-252, at 250.

The racist Jewish *Zohar*, Volume 3, page 282*a*, degrades Jesus Christ, as does the Jewish Talmud. It also degrades the Prophet Mohammed,

"From the side of idolatry Shabbethaj (Saturn) is called Lilith [*Footnote:* Lilith is a female demon, comp. Is. XXXIV. 14 and Weber, *Altsynagogale palaestinische Theologie*, p. 246.], mixed dung, on account of the filth mixed

from all kinds of dirt and worms, into which they throw dead dogs and dead asses, the sons of 'Esau and Ishma'el, and there (read [Hebrew deleted]) Jesus and Mohammed, who are dead dogs, are buried among them. She (Lilith) is the grave of idolatry, where they bury the uncircumcised, (who are) dead dogs, abomination and bad smell, soiled and fetid, a bad family. She (Lilith) is the ligament [*Footnote:* {Hebrew deleted} is a fibre attached to the lungs] which holds fast the 'mixed multitude' (Ex. xii. 38), which is mixed among Israel, and which holds fast bone and flesh, that is, the sons of 'Esau and Ishma'el, dead bone and unclean flesh torn of beasts in the field, of which it is said (Ex. xxii. 31): 'Ye shall cast it to the dogs.'"—G. Dalman, *Jesus Christ in the Talmud, Midrash, Zohar, and the Liturgy of the Synagogue*, Deighton Bell, Cambridge, (1893), p. 40.

Lebanon, the Switzerland of the Middle East

Christopher Jon Bjerknes

http//www.jewishracism.com

My advice to the Lebanese People is to get rid of Siniora and Hezbullah. Siniora did not defend

Lebanon when Israel viciously attacked the nation. The Israeli attack was unprovoked and barbaric and Siniora did not call the world's attention to the atrocities Israel perpetrated against Lebanon, nor did Siniora defend the nation. Hezbullah is, at best, too sectarian to lead Lebanon, and at worst is working for Mossad to provide Israel with pretexts to attack Lebanon.

Putting my ear to the Dispensationalist Christian community, which is a subversive and traitorous group in the United States led and financed by rich Zionist Jews, I hear them discussing Israel's alleged right and duty to take over Lebanon and Syria, as well as Egypt, Iraq, Saudi Arabia, and all other territories of "Greater Israel". This propaganda comes from hardcore Jewish Zionists and reveals their intent to commit genocide on the Lebanese, etc. Lebanon's only means of defense from this relentless attack from Jewish leadership is to appeal to world public opinion. Lebanon might have a hope to secure its long term future by declaring its neutrality and by creating "Cantons" out of the primarily Christian, Sunni and Shia districts in the nation. Each would enjoy control in the triumverate government. Their interests relative to the outside world are so divergent, and if put to positive results, so mutually beneficial, that the nation could potentially thrive under such a system. Israel would have a very difficult time ever "justifying" another unprovoked attack on such a universalist and modern nation.

The model could work in Iraq among the Shia, Sunnis and Kurds. Of course, the most important problem to solve would be preventing Israeli flase flag attacks and other agitations meant to divide the nation against itself. With a triumverate, Canton system, one sector would have an incentive to turn in traitors in the midst of the other sectors, and the government could offer large rewards and hero status to those who exposed the Mossad agents in the country. There

would also be a two thirds majority against any break away movement among a third member. Since the nation would be officially neutral, it would serve as a wonderful buffer and a center for trade and international peace conferences to resolve the problems of the Middle East.

Israel Is the Enemy of Humanity

Christopher Jon Bjerknes

http://www.jewishracism.com

"We, like you, are aggrieved by the ever-worsening pain and misery of the Palestinian people. Persistent aggressions by the Zionists are making life more and more difficult for the rightful owners of the land of Palestine. In broad day-light, in front of cameras and before the eyes of the world, they are bombarding innocent defenseless civilians, bulldozing houses, firing machine guns at students in the streets and alleys, and subjecting their families to endless grief."—Mahmoud Ahmadinejad, President of the Islamic Republic of Iran, "Open Letter to the American People", (29 November 2006)

"Instead, the governments of Ariel Sharon and Ehud Olmert have built the fence and wall entirely within Palestinian territory, intruding deeply into the West Bank to encompass Israeli settlement blocs and large areas of other Palestinian land. It

is projected to be at least three and a half times as long as Israel's internationally recognized border and already cuts directly through Palestinian villages, divides families from their gardens and farmland, and includes 375,000 Palestinians on the 'Israeli' side of the wall, 175,000 of whom are outside Jerusalem. One example is that the wandering wall almost completely surrounds the Palestinian city of Qalqiliya with its 45,000 inhabitants, with most of the citizens' land and about one-third of their water supply confiscated by the Israelis. Almost the same encirclement has occurred around 170,000 citizens of Bethlehem, the birthplace of Jesus."—Jimmy Carter, Thirty-Ninth President of the United States of America, *Palestine: Peace not Apartheid*, Simon & Schuster, New York, (2006), pp. 190, 192.

The Quiet Counter-Attack

Christopher Jon Bjerknes

http://www.jewishracism.com

The Zionist Bush regime has blackened the image of America around the world. At the behest of Israel and Jewish leaders, the United States of America has committed genocide in Iraq and has sponsored the Israeli genocide in Lebanon. The world cannot but take notice of these events. The pro-Jewish, anti-everyone else racist bias among Jewish controlled American politicians and the Jewish controlled media in America is strikingly apparent. Iran and its leaders cannot

be mentioned in the American media without the obligatory mantra of holocaust denial and threats against Israel's existence, as well as the fictional charge of an imminent nuclear threat, also being mentioned.

However, Israel is forever praised, with no mention of its unprovoked and barbaric aggression against defenseless Lebanon, without calling attention to its hundreds of nuclear weapons and open threat to use them, without any condemnation of its repeated threats to wage war on Iran and Syria, or Israel's dehumanization and genocide of the Palestinian People. The American media does not present unbiased reporting of the news of the world. It is instead a forum for Israeli warmongering propaganda and for racist and groundless attacks against innocent, peace loving Moslems. The American media deliberately promotes hatred and cries out for war.

The fact that the American media has not embraced the historic peace initiatives beginning in Iran, Iraq and Syria, but instead ridicules them, demonstrates for the world to see that the fascistic American media/government combine fully intends to complete its deliberate destruction and balkanization of Iraq and Lebanon, at the behest of racist Jews; and they will fight any and all attempts to bring about peace and establish stability in the region. It could not be more clear that the Jewish controlled media and Jewish controlled American Government are deliberately destroying the region. It is not incompetence which has kept the Zionist Bush regime from engaging in diplomacy and negotiations to stabilize the Iraqi nation America has destroyed. Rather it is obedience to the Israelis who want perpetual war and revolution in the Middle East which has deliberately kept the American Government from solving the problems the Zionists have deliberately caused the innocent nations of the region.

Under the Zionists, the American Government has alienated the United States from the rest of the world and threatened the major powers of the world with world war. The other nations of the world know that the American military machine must be fed with dollars. Its appetite is enormous, and the war profiteers' corruption makes the pig of war even more gluttonous. Racist, traitorous, Zionist Jews have isolated America and given the rest of the world, not only the incentive, but the urgent imperative to destroy the American economy and thereby cut off the flow of funds to the American military beast. In turn, this puts a time pressure on the racist Jews, who have taken over American politics, to attack now, while America can still afford to wage war. We must resist them with all our might. Our economy cannot endure the pressure of another war. Moreover, if we do not begin to engage in honest diplomacy, the world will subtly and deliberately sink our economy.

China, Pakistan, India and Russia are uniting for self defense. They will discover that they do not need America as a mill through which to produce their wealth, as was the case in the past. Their banking reserves are growing and they can loan their own people the monies needed to grow their own economies. American debt will reach a breaking point very quickly if we engage in more war and continue to push other nations to ruin us economically. Deals are quietly being made by heads of state, and business leaders around the world. They are finally figuring out how to shut down Imperial America without pressuring America into war.

We can thank Jewish financiers and racist Zionists for our decline, but we must also take general responsibility for our own failure to rein in the disloyal Jews who are deliberately destroying us. The information is freely and widely available. If Americans continue to be brutal

to the world, complacent with our Zionist puppet government, and consume beyond our means, we will fall hard and fast; and the world will watch with delight as we slide into the abyss of Bolshevik America.

Many nations are presently sawing away the underpinnings of our economy. Racist Jewish bankers are well aware that they are driving America towards the precipice of a sharp decline. If they do not achieve their world war today, they will try to make war appear to be an economic necessity for America, and will exploit the opportunity of a depression to install a brutal dictator and steal our wealth. They are forming the alliances of great armies in preparation for the insane battle of Armageddon, which Jews have planned for thousands of years.

If so few evil persons armed with money and an evil plan can accomplish so much destruction, one would think that the good people of the human race could band together to oppose them. Is there no collective will to survive among the human race as a whole? Are we so trapped by the inertia of our mundane habits that we cannot act in new ways to save our human race? Are we so easily divided and by our natures so opposed to each other that such a vile plan as Judaic Messianic prophecy can divide and overtake us and destroy our lives?

Indeed, human beings are banding together to oppose this evil which has infected America. It is a strange, unnerving and sickening experience to settle upon the reality that criminal Zionist Jews have converted America into a poisoned well of hatred, war and bigotry, just as they turned magnificent Germany into a force for evil. We had better cure ourselves of this sickness quickly, or the world will be forced to quietly quarantine us and then burn or bury us to keep the infection from spreading. Know that there are at this hour powerful persons and coalitions

organizing to put an end to American aggression and hubris. We had better clean our own house, before others burn it down.

Why Does the "Jewish State" Refuse to Live in Peace with its Neighbors?

It is interesting to note that the charges made against Jews of corrosive materialism and of leading revolutionary movements to overthrow European civilization and with it Christendom were also made by the racist Zionist Jews, including: Moses Hess, Benjamin Disraeli, Bernard Lazare and Theodor Herzl. The Cabalistic Frankist Jews and their progeny, who were behind these revolutionary movements, wanted to Judaize Europe and destroy Christendom.

There are many instances in the Hebrew Bible where Jews are told to destroy other religions and that Judaism will become the only religion on Earth (*Exodus* 34:11-17. *Psalm* 2; 72. *Isaiah* 2:1-4; 9:6-7; 11:4, 9-10; 42:1; 61:6. *Jeremiah* 3:17. *Micah* 4:2-3. *Zechariah* 8:20-23; 14:9). Zionist Jews feared that should they openly anoint a Messiah, Christians would attack them for worshiping the anti-Christ. In order to hide their true intentions, Zionist Jews veiled their religious movement in a shroud of secular mythology.

Christians, Moslems, and Jews in general were concerned that should a "Jewish State" be formed in Palestine, that "Jewish State" would be obliged to obey Mosaic Law and chase out the

Christians and Moslems. Knowledgeable Christians, Moslems and Orthodox Jews, opposed the establishment of a "Jewish State" in Palestine on the grounds that it would lead to:

1.) The construction of a Jewish Temple in Jerusalem, which necessitates the destruction of the Dome of the Rock and Al Aqsa Mosque.

2.) The reestablishment of the Priests of Aaron and the Levitical ministration, together with the re-institution of the animal sacrifices of lambs, bulls and goats as David had done and as Jews are required to do for atonement (*Leviticus* 17:11. I *Samuel* 7:9. II *Samuel* 6; 24:22-25. *Ezra* 3. *Jeremiah* 33:18. *Daniel* 9:27; 12:11. I *Peter* 2:5. *Sanhedrin* 20*b*), but which blasphemes Jesus' sacrifice on the cross, which finally atoned for the sins of those who believe in him, according to Christians.

3.) The need to honor the year of release, the *Shemmitah* and perhaps even the Jubilee, as well as proscriptions against usury to fellow Jews (*Exodus* 23:10-11. *Leviticus* 25. *Deuteronomy* 15; 23:20; 31:10-13. II *Chronicles* 36:20-21. *Jeremiah* 33:15).

4.) The anointment of the Jewish Messiah (*Sanhedrin* 20*b*), who will signify the "anti-Christ" to Christians.

5.) The need to exterminate the Amalekites (*Exodus* 17:14-16. *Numbers* 24:17-20. *Deuteronomy* 25:17-19. I *Samuel* 15:1-35. *Malachi* 1:1-14. *Sanhedrin* 20*b*. P188L *Dvarim* 25:19).

These were probably among the many reasons why Herzl laid emphasis on his assertion that political Zionism was an atheistical movement, so as not to worry Christians and Moslems that

he was the anti-Christ and would destroy Moslem Mosques.

The truth is that Cabalistic Jews were always the motive force behind the "political Zionist" movement. Now that the Jews have stolen Palestine from its native inhabitants; and it should be noted that neither Judahites nor Israelites were ever a native population in Palestine; Judaism requires the Israelis to anoint a king, which is to say anoint the Jewish messiah, to build a temple, and to exterminate the "Amalekites".

In 1915, that meant killing off the Armenians, and Zionist Jews set about that task with a Cabalistic Jewish fervor that took 1,500,000 innocent Christian lives. Today, the racist and genocidal Jews of Israel view the Palestinians, Lebanese, and Moslems in general, as the "Amalekites". Religious Jews believe that there may be a decision as to whether to first exterminate the Moslems, or first destroy the Dome of the Rock and Al Aqsa Mosque. They are aggressively pursuing both "religious duties", and have decided to let fate decide the order. We bear witness to the brutal racist Jewish attempt to genocide these innocent Peoples in Israel's latest unprovoked attack on Lebanon. This is all according to an ancient Jewish plan, as revealed in, among many other texts, the Jewish Talmud in the book of *Sanhedrin* folio 20*b*.

Where Is the International Aid?

Christopher Jon Bjerknes

http//www.jewishracism.com

The political crisis in Lebanon has world-wide implications. Where is the world? Why is there no international effort to help resolve the legitimate disputes taking place in Lebanon? Why is there no international investigation of Israel's crimes against the Lebanese? The answer to these questions is that Jewish leaders are laughing loudly now that their plan to destroy Lebanon from within is bearing fruit, after their plan to destroy it by outright aggression failed due to world public opinion having turned sharply against Israel.

The Syrians and Iranians would be unwise to take equal delight in the rise of Hezbullah's civil disobedience *in the absence of a reasonable effort to peacefully resolve the crisis.* Hezbullah has gestured for talks, which is wise and appropriate. Hezbullah has also exposed Siniora and called on Shia and Sunni to unite against foreign influence coming from Israel to divide them, and has requested that other nations not interfere. It is now time for all Lebanese to openly declare that "We are all Lebanese" and call on all of the major ethnic and religious groups to come together and seek international neutrality and the healthy development of a cooperative and progressive nation. Lebanese should not look to foreign nations for support to fight other Lebanese, but should take advantage of their ethnic diversity so that they can look to other nations to help build a new and stronger Lebanon.

The Zionist Bush regime's policy of supporting Siniora and the other immensely wealthy families of Lebanon, while scapegoating Syria and Iran for problems Israel has obviously caused, is yet another pernicious element of the Bush foreign policy—a policy that knowingly

invites disaster and war. Hezbullah has called Siniora a traitor. Lebanese patriots would have an easy time exposing Siniora for what he is by calling on him to condemn Israel and demand reparations, and to also condemn the material and political support the US provided to Israel, and to call on Siniora to take aggressive action throughout the world to demand justice for the Lebanese People.

They should call on Siniora to spend some of his money and produce documentary films and books exposing Israeli barbarity to the world. They should ask Siniora to explain why he is so aggressive when attacking Lebanese patriots, but was so weak and meek while Israel pounded Lebanon into dust. They should ask the Lebanese People why the Israelis never targeted Siniora.

Most importantly, Lebanese patriots should encourage cooperation among all Lebanese to build Lebanon and to foster equity and justice for all of the Lebanese People. Do not fight each other. Help each other to resist the Israeli objective of destroying Lebanon so that the Jews of Israel can take possession of it as part of "Greater Israel".

Israel attacked Lebanon. Iran and Syria pleaded for peace and prayed for the safety and well being of the Lebanese People. And whom does Siniora criticize? And where does Siniora turn to for help to fight Lebanese patriots?

Condemnation of Israeli Warmongering and Subversion

Christopher Jon Bjerknes

http//www.jewishracism.com

It is clear that Israel is calling the shots for Bush, Blair, and the international media. The press reported that Lieberman rushed in to provide Bush and Blair with their marching orders from Tel Aviv. Indeed, Blair and Bush were careful to toe the Israeli line in their joint press conference today. Blair and Bush continue to pretend that they are impotent to do anything constructive to solve the problems they have created on behalf of warmongering Israel.

The Israelis are desperate to prevent any legitimate peace process in the Middle East. The racist Jews want war and more war. They want the opportunity to steal land and still more land. The genocidal Jews of Israel want to kill Moslems until they are gone from the face of the Earth.

The Zionist puppet George W. Bush continually iterates the obligatory racist and deceitful Jewish mantra that the Moslems of Syria and Iran are the root cause of the violence and disorder in Iraq and Lebanon. The Zionist controlled media parrots the mendacious mantra echoing from chortling trolls of Tel Aviv. Bush's claims are bald faced lies. Neither Syria, nor Iran, invaded and destroyed Iraq. The United States launched an aggressive war on Iraq and

deliberately ruined the nation. The United States was following an Israeli plan for the conquest and destruction of all of the non-Jewish nations of the Middle East. The United States and Israel are to blame for the problems of Iraq.

Bush also lies when he claims that Syria and Iran are responsible for the unrest and violence in Lebanon. Neither Syria, nor Iran, made an aggressive attack on Lebanon, reducing the defenseless nation to rubble. Israel launched an unprovoked attack on Lebanon and the United States gave Israel material and political support in Israel's genocide of the Lebanese, while the world's leaders mostly stood by pretending that they had no power to end the barbarous Israeli onslaught against defenseless people.

The leaders of Israel and the United States foment genocidal hatred against Syria and Iran by falsely accusing them of creating violence in the Middle East, while Israel and the United States lay vast nations to waste before the eyes of the world. The leaders of Russia, Syria and Iran should condemn the Israelis for fomenting genocidal hatred and wars of aggression against Slavs, Russians and Eastern Orthodox Christians, Arabs, Persians, Moslems, etc. It is the Israelis, and their client regimes in the US and UK, who are the demonstrable provocateurs of violence and sectarian strife.

Disloyal Jews have created a Fascistic coalition of Zionist puppet states and Zionist controlled media in the United States and Great Britain, which undermines the sovereignty, security and national interests of these states. Though the Israelis accuse, without proof, Iran and Syria of involving themselves in Lebanon and Iraq to create disorder; it is unquestionably the racist Jews

of Israel and the racist and disloyal Jews in *de facto* control of the governments, press and other institutions of influence in American and the United Kingdom, who are pressing for the annihilation of Iraq, Lebanon, and Syria, which sovereign nations the racist Jews see as Israeli territory. These warmongering Jews are also trying to coax the Americans and British to commit genocide against Iranians and to obliterate Iran, one of the few nations which defends the rights of Palestinian human beings against inhuman genocidal Israeli aggression.

Jewish leaders are also behind the genocidal aspirations of Dispensentionalist Christians, who seek the nuclear destruction of the Russians, Syrians, Iranians, Lebanese and Iraqis. Have Bush or Blair ever spoken out against this subversion of America by racist, disloyal Jewish infiltrators, or their genocidal call to violence? Why would it be wrong for Moslem nations to defend the interests of their neighbors, but right for Israelis and disloyal Jews to subvert the interests of the United States and Great Britain?

For the sake of their own survival, the leaders of Syria, Iran and Russia should join together and condemn the Israeli interference in the internal affairs of the United States and Great Britain, through their corruption of the American and British political process and media. They should condemn the Israeli call to violence and war. They should condemn Israeli, American and British false flag terrorism and assassination designed to artificially create "sectarian" war in Iraq and Lebanon. They should condemn the genocidal Christian Zionists, who are funded and promoted by Jewish subversives and infiltrators. All of that venom of which the racist, warmongering, terrorist Jews of Israel accuse Syria and Iran, should be thrown back on the "Jewish State's" doorstep, because that is where it originates and belongs.

After jointly condemning Israel (one should not surrender one's power to act to someone else) for Israel's subversion of the United States and the United Kingdom; Syria, Iran and Russia should move for a United Nations' condemnation of Israel for its subversive actions. Should they receive one tenth the support Chavez received with his condemnation of Bush, it would be a resounding and redounding success.

Jewish-Bolshevik "Hate Laws" Are Hateful and Illegal

Christopher Jon Bjerknes

http://www.jewishracism.com

The Constitution of the United States of America, at Article 6, and Amendments 1, 5, 6, 8 and 14, is the Supreme Law of the Land, and the Constitution secures our fundamental human rights to free speech, due process of law, redress of grievances (including grievances against traitors, and how can one raise grievances and accuse traitors and expose their crimes, when the traitors have made it "illegal" to do so?), fundamental fairness, and equality under the law. Those pushing for "Hate Laws" must hate the law, hate human freedom, hate equality, and hate loyal Americans. We have a traitorous fifth column, and fourth estate, of treacherous, disloyal Jews and Christian Zionists, who are deliberately destroying America in order to forward the perceived self-interests of the racist and expansionist Israelis. These Bolsheviks seek to hide behind an iron

curtain of unconstitutional "laws" which will make it "illegal" to expose their crimes and treasonous acts. They also want to make it "illegal" to expose Jewish lies and past Jewish crimes against humanity. In so doing, they show their true, bloody-red, Jewish-Bolshevik colors.

Kerensky immediately emancipated the Jews after the Russian Revolution of 1917, so that they could take over the government, educational institutions, the press and other institutions of influence throughout the Russian Empire. Lenin made "anti-Semitism" an offense punishable by death, and thereby shielded all Jews from any criticism or accusation.* Jews then mass murdered educated Gentiles, and elevated Jews into positions of power and influence. Crypto-Jews in the government changed their names to Russian-sounding names. It was a crime punishable by death to reveal their true Jewish identity.

The Racist Jewish Attitude Towards Those Whose Work Albert Einstein Plagiarized

Christopher Jon Bjerknes

http://www.jewishracism.com

I believe Albert Einstein was motivated by his racism to steal from Gentiles and to refuse to give them adequate credit for their work. In addition to his hatred for his first wife for being a Gentile, Einstein believed, due to his racism, that he was entitled to steal from her. Jews have long taught that a good Jew never speaks out against another Jew, and a good Jews does not praise a Gentile unless such praise results in even greater praise for a Jew. We sometimes see Jews deigning to give mild and grudging praise to Hendrik Antoon Lorentz and Jules Henri Poincare, or to Mileva Maric; but it is almost always so that they can lavish far greater praise on an undeserving Jew, Albert Einstein. *Leviticus* 19:17-8 states,

"17 Thou shalt not hate thy brother in thine heart: thou shalt in any wise rebuke thy neighbour, and not suffer sin upon him. 18 Thou shalt not avenge, nor bear any grudge against the children of thy people, but thou shalt love thy neighbour as thyself: I *am* the LORD."

In this admonition, "neighbor" refers only to fellow Jews. Jews are also taught to cover up the sins of fellow Jews, lest the tribe suffer as a whole. *Numbers* 16:22 states,

"And they fell upon their faces, and said, O God, the God of the spirits of all flesh, shall one man sin, and wilt thou be wroth with all the congregation?"

Israel Shahak wrote in his book *Jewish History, Jewish Religion: The Weight of Three Thousand Years*,

"There is also a series of rules forbidding any expression of praise for Gentiles or for their deeds, except where such praise implies an even greater praise of Jews and things Jewish. This rule is still observed by Orthodox Jews. For example, the writer Agnon, when interviewed on the Israeli radio upon his return from Stockholm, where he received the Nobel Prize for literature, praised the Swedish Academy, but hastened to add: 'I am not forgetting that it is forbidden to praise Gentiles, but here there is a special reason for my praise'—that is, that they awarded the prize to a Jew."—I. Shahak, *Jewish History, Jewish Religion: The Weight of Three Thousand Years*, Pluto Press, London, (1997/2002), p. 93.

Rev. I. B. Pranaitis wrote in his book *The Talmud Unmasked: The Secret Rabbinical Teachings Concerning Christians*, Eugene Nelson Sanctuary, New York, (1939),

"In Abhodah Zarah (20, a, Toseph) it says:

'Do not say anything in praise of them, lest it be said: How good that Goi

is!'[*Footnote:* Maimonides (in Hilkhoth Akum X, 5) adds: 'Moreover, you should seek opportunity to mix with them and find out about their evil doings.']

In this way they explain the words of Deuteronomy (VII, 2) . . . and thou shalt show no mercy unto them [Goim], as cited in the Gemarah. Rabbi S. Iarchi explains this Bible passage as follows:

'Do not pay them any compliments; for it is forbidden to say: how good that Goi is.'

In Iore Dea (151,14) it says:

'No one is allowed to praise them or to say how good an Akum is. How much less to praise what they do or to recount anything about them which would redound to their glory. If, however, while praising them you intend to give glory to God, namely, because he has created comely creatures, then it is allowed to do so.'"—English translation of I. B. Pranaitis, *Christianus in Talmude Iudaeorum sive, Rabbinicae doctrinae de Christianis secreta: quae patere fecit*, Officina Typographica Academiae Caesarae Scientiarum, Petropoli, (1892).

The Jewish book of *Deuteronomy* 2:7 states,

"And when the LORD thy God shall deliver them before thee; thou shalt smite them, *and* utterly destroy them; thou shalt make no covenant with them, nor shew mercy unto them:"

Pretexts, Profiteering, Oil and Then World War

Christopher Jon Bjerknes

http://www.jewishracism.com

I have often stated that the problems in Iraq are political and require political solutions. There are several reasons why the Zionist Bush regime refuses to engage in diplomatic efforts to resolve the crisis the neo-Conservative Jews deliberately created on behalf of Israeli perceived self[ish]-interests. The neo-Conservative Jews openly avowed that their goal was to destabilize the region and bring about revolution and war, including civil war.

It is well known that the pretexts given for annihilating the sovereign nation of Iraq were a series of deliberate lies. These lies were promoted in the Jewish controlled media and by politicians who are subservient to Jewish interest groups, and many of whom are themselves members of Jewish interest groups. Now that their lies have been unmasked, these groups use their disproportionate wealth and influence to spread the lie that the reason for the war was oil interests.

Numerous corporate contractors with close ties to the fascistic Zionist Bush regime have made immense profits from the unprovoked, aggressive war and occupation. The financial incentive has always been to destroy and consume, rather than build and benefit the People of Iraq. It has been an immensely profitable endeavor which encourages more war and occupation for profit. There has been no effort to colonize Iraq. No effort has been made to install an effective American colonial government to minister to the needs of Iraqis and facilitate trade and education which would profit both Americans and Iraqis, and which would create a financial incentive to stabilize and build Iraq, as opposed to the current financial incentive to destabilize and destroy Iraq.

This lies at the root of the failure of American Imperial Foreign Policy. If we are going to act as an imperial power, then we must go all the way and institute necessary rule in our colonies, or inevitably we will destroy them. Though it is the express goal of the neo-Conservative Jews to destroy the nations we conquer, it is not in the best interest of America or humanity to do so.

On the pretext of securing oil production and export, as well as facilitating the withdrawal of American forces, both the Zionist Bush regime and its Zionist controlled opposition are equipping and training a massive military in Iraq. The Zionist Bushies have ensured high unemployment in Iraq, thereby guaranteeing high enrollment in the military and quasi-military police. This is the worst possible thing to do, and they know it.

What they are intentionally doing is building up the *armies* in preparation for the Iraqi civil war. They know that in order to have a really effective civil war, one which will kill tens of millions of Iraqis, and which will draw in Turkey, Syria, Jordan, Saudi Arabia, Egypt, Iran, Israel, ect. in a broad regional conflict that will escalate into World War III; they need to first arm, train and organize the armies under the umbrella of Iraqi national defense. As soon as the US pulls out, these arms and armies will be divided into the armies of the Iraqi civil war, and a blood bath will ensue which will require the intervention of other nations, and the Jewish neo-Conservatives will have us embroiled in their World War III.

The solution to Iraq's unemployment problem, which is the second most important element in the sectarian strife, the first being false flag terrorism by Israeli agents, is to disarm all of Iraq and install a temporary American government in Iraq to colonize the nation for a transitional

period. Under this program, the US would have the financial incentive to build Iraq as a stable nation, instead of selling Iraq military equipment with which to destroy itself.

The war profiteering contractors, with intimate ties to the fascist Zionist Bush regime, want to sell Iraq US military equipment as the US pulls out, and then sell the US new replacement equipment, thereby reaping enormous profits from war and devastation, at the expense of the American tax payer and millions of innocent lives, and the reputation and good will of the United States abroad.

It is indeed necessary to secure Iraq for the sake of its own people, and to facilitate the flow of oil and promote foreign investment, which will ease the massive unemployment problem. This cannot be accomplished by arming the Iraqis. Disarmament and colonization are the only means to security.

The colonization must be transitional and in the best interests of the Iraqis and the Americans. Iraq should adopt a constitution modeled after the Swiss constitution and declare its neutrality. The US and our dwindling allies should make a good faith diplomatic effort to gain recognition of Iraq's proclaimed neutrality among all of its neighbors. Iraq should become a center for negotiating solutions to all of the problems of the Middle East.

Israel is the source of most all of the strife and instability in the region. Therefore, Israel must be contained and its subversive operations in the US and in the Middle East must be exposed and curtailed. The fifth column and fourth estate of Israel first traitors in the United States must be exposed and destroyed. It has nearly ruined our nation, and the international power of the

United States has been reduced to military power, with the good will of other nations lost. Other nations will no longer look to the United States to take the lead in international affairs, and this will cost us dearly for decades to come.

The United States should cut off all aid to Israel. It should impose a military embargo on Israel, and seek reparations for the covert war Israel has waged on the United States through its fifth column and corruption of the American press. All nations should cooperate to shut down Israel economically until it disarms and ends its war on humanity. The freedom and sovereignty of the Palestinians must be secured, and if the Israelis refuse to act as responsible human beings, then their nation must be brought into severe economic hardship and complete isolation from the civilized world.

The United States must regain its dignity, sovereignty and spirit of humanity. We must eliminate the racist Jewish influence which designs to use us as a sword with which to exterminate the Moslems. There is ample proof of this plan, which spans the course of centuries, and which is designed to result in our ruin and in the ruin of humanity. If we take these measures, we secure our own future, and that of Iraq and humanity. Otherwise, we face nuclear war and our own destruction all because we are too cowardly to confront the fifth column of Israelis and their Christian Zionist dupes who are led and financed by Zionist Jews. If we fail to act, we run the risk of destroying human life for the sake of five million racist, segregationist and genocidal Israelis who believe they have the God-given right to rule the world and destroy it.

Tzipity-Doo-Da

Christopher Jon Bjerknes

http://www.jewishracism.com

In politics, few things happen by accident. Is Tzipi Livni being promoted, or is Avigdor Lieberman slated to become Prime Minister of Israel, much like Pelosi stands to become President of the United States if Bush and Cheney are ousted? Is Ehud Olmert deliberately fumbling the ball? What is the Prime Ministerial line of succession in Israel? Troubling questions, as World War III approaches. . .

Deuteronomy 7:2, Israeli War Policy

Christopher Jon Bjerknes

http://www.jewishracism.com

The Israelis, and the Jewish bankers and Shabbataian/Frankists who created them, want a nuclear world war; but they want to scapegoat others for having started it. Behind the scenes, Jewish agents are making grand promises to the various religious, ethnic, and political factions in all of the nations of the Middle East.

The Jews are promising King Abdullah II of Jordan that they will protect his monarchy from revolution and expand his territory into what is today Saudi Arabia; if Abdullah will in turn pledge to war against Shia Moslems and absorb the Palestinians, which, so the Jews tell him, will only increase the breadth and power of the King's domains. The Jews are promising King Abdullah bin Abdul Aziz al-Saud that they will protect his monarchy from revolution and insulate him from the political and financial burden of maintaining and defending the Moslem holy sites, by pulling back the borders of Saudi Arabia to "ethnically purify" the country. The Jews will say, "There should be an official sacred 'Islamic State'", and thereby shield themselves from criticism for having formed a "Jewish State". The Jews have already promised the Kurds and the Shia that if they provoke World War III, then the Kurds will at long last have an independent and fully autonomous "Kurdistan Nation", and the Shia will have a mighty and massive "Greater Persia". Similar assurances, guarantees and bribes are being made to various subgroups and other nations in the region, all promising great rewards, financial gains and national independence as the fruits of World War III.

The following map is perhaps indicative of the backroom deals being made between the Israelis and the various factions the Israelis want to bring into self-destruction through war and revolution:

Ralph Peters, Armed Forces Journal, June 2006

Organized Jewry used similar tactics in the First World War. They promised the Arabs, through the British, that if the Arabs helped to dismantle the Turkish Empire through war, that the

Arabs would control Jerusalem and Palestine. The Jews promised the Armenians that they would, after many centuries, at last be able to form an independent State, if they would sacrifice themselves to create a pretext for war, a *casus belli* for Christians in England and Russia to attack the Turkish Empire. The Jews promised the British they would aid their war effort if the British would issue the illegal "Balfour Declaration".

Each of these contracts were broken, which should come as no surprise. The Jewish book of *Deuteronomy* 7:2 states, and note that a "covenant" is a contract,

"And when the LORD thy God shall deliver them before thee; thou shalt smite them, *and* utterly destroy them; thou shalt make no covenant with them, nor shew mercy unto them:"

The Balfour Declaration was a betrayal of the Arabs. The Jewish dictator Ataturk destroyed the southern prospects of an Armenian Republic, while the Jewish Bolsheviks destroyed the northern prospects of an Armenian Republic. The Jews destroyed Russia, which was Great Britain's ally in the war, thereby prolonging the war and increasing British and American causualties—and the Jews betrayed the Americans, Turks, and Germans, by bringing America into the war against America's best interests.

I caution all of the long suffering Peoples of the Middle East that the promises the Jews are making to you of independence and new found wealth in the new Utopia of the Middle East the Jews tell you will start after World War III, are all lies. They wish you death and destruction until the last of your cities lays ruined and radioactive, until the dogs eat the hearts out of your

corpses. Once the war begins, the Jews of Israel will have their theater in which to act out their vengeance on the world and artificially fulfill their horrific Messianic prophecies. There is a reason the Jews of Israel want there to be instability on their borders, wars and revolutions. This instability will provide them with the opportunity to exterminate the "Ishmaelites" and "Amalekites" and build their grand Kingdom of "Greater Israel" from which to rule the world and ruin it.

Beware Greeks bearing gifts, especially when they are smiling Israelis offering you a Utopia in exchange for a war, or revolution.

Official: Saudis to back Sunnis if U.S. leaves Iraq

Bush phones Kurdish leaders; set to meet with Pentagon brass

Hakim, Ahmadinejad, Talabani, Barzani, Abdullah, Abdullah II, etc. are all agents of the Israelis, who have agreed to bring their countries and sects into war and revolution. Many of them are crypto-Jews. They will only bring you death and destruction.

Adolf Hitler: The Zionist Stooge, Part II

Christopher Jon Bjerknes

http//www.jewishracism.com

Bolshevist Zionist Adolf Hitler received early support from Jewish financiers. In particular, Ignatz Trebitsch-Lincoln, a crypto-Jew whose real name was Moses Pinkeles, bought the Volkischer Beobachter newspaper for Hitler. In 1933, Jewish bankers flooded Hitler with cash. Samuel Untermyer stated,

"Revolting as it is, it would be an interesting study in psychology to analyze the motives, other than fear and cowardice, that have prompted Jewish bankers to lend money to Germany as they are now doing. It is in part their money that is being used by the Hitler regime in its reckless, wicked campaign of propaganda to make the world anti-Semitic; with that money

they have invaded Great Britain, the United States and other countries where they have established newspapers, subsidized agents and otherwise are spending untold millions in spreading their infamous creed. The suggestion that they use that money toward paying the honest debts they have repudiated is answered only by contemptuous sneers and silence. Meantime the infamous campaign goes on unabated with ever increasing intensity to the everlasting disgrace of the Jewish bankers who are helping to finance it and of the weaklings who are doing nothing effective to check it."—Samuel Untermyer as quoted in: "Text of Untermyer's Address", *The New York Times*, (7 August 1933), p. 4.

BBC Report on the Jewish Neo-Conservatives and Their Bolshevik-Style Foreign Policy of International Destabilization

Christopher Jon Bjerknes

http://www.jewishracism.com

The BBC produced a very interesting report on the Jewish neo-Conservative movement. Listen to Jewish "leaders" openly state that their intent is to deliberately create instability. This has meant war and more war for America. Their policies have placed America on the precipice of an economic collapse. Their policies have substantially increased American debt. Their policies

have resulted in the unnecessary deaths of hundreds of thousands of human beings. Their policies have caused the world to hate Americans. Their policies have stolen our fundamental human rights. Their policies have resulted in instability in the Middle East and throughout the world. Only the Israelis have benefitted from their Jewish-led policies.

Note that these people are not overly bright, nor are they charming. Why are they so successful? From where do they derive their "ideas"? From where do they derive their power?

Russia, China, North Korea, Iran, Georgia and Japan

Christopher Jon Bjerknes

http://www.jewishracism.com

Comparatively mild sanctions have been imposed on Iran by the UN with the acquiescence of the Russians and Red Chinese. It appears that a deal was struck, whereby the Russians would be allowed to squeeze the Georgians and others with increased prices on energy, and the Red Chinese would be able to squeeze the Japanese, South Koreans and Taiwanese through North Korea; in exchange for allowing Israel and the US to hammer the Iranians with a pretext for aggressive war; all the while skirting the issue of Israel's nuclear weapons program and letting China off the hook for North Korea's aggression which is engineered by the Red Chinese.

The Middle East better wake up to the fact that the Russians and Chinese have no love for Islam. The Middle Easterners ought to secure their own future while they still have a handle on the lever of oil. If Iran falls into the hands of the US and Israel, and/or if a new method of extracting energy is developed, the Middle East will be completely at the mercy of its devout enemies.

While there is still time, the Peoples of the Middle East ought to organize three neutral states to promote peace and stability, Lebanon, Iraq and an independent and autonomous Palestine. The world will accept pressure from the oil producing countries if it is justly applied in the name of ending the genocide of the Palestinians, Lebanese and Iraqis, and in the interest of promoting peace and stability in the Middle East and throughout the world. Israel has so openly screamed for aggressive war, that it has no credibility whatsoever in the court of world public opinion. Seize the moment, it will not last! Cut off Israel economically and call for an arms embargo on the aggressive nation, while concurrently demanding that Israel disarm, and the People of Palestine obtain some measure of justice and security. A well orchestrated public relations campaign would sway world public opinion in favor of such international pressure on the warmongering Zionists.

If you depend on the good will of the West and East, without taking charge of your own campaign for justice, peace and stability, you have no hope. Spend a little money, have a little courage and take a chance. If do not risk acting on your own behalf to preserve the survival of your nations and your lives, you risk extermination.

Break free from your colonial attitudes. There is a lesson to be had from the civil rights struggle in America. Too many of the blacks of America depend on the government for jobs and for justice, and they end up without equitable employment or social justice. Their opportunistic leaders, many of them coming from the church, betray their interests and supply them with little more than empty rhetoric.

The situation is similar in the Middle East, where opportunistic leaders, many of them theocratic, sell out your people for personal profit and social status. Those blacks who take control of their own fate fare far better than those who depend on others to help them. The same will be true for those Middle Eastern nations which stop turning to the American Government for justice, and organize their own international efforts to bring the region into a new era of peace and stability.

The Israelis want you to fight each other and live in perpetual turmoil. The last thing the Israelis want is for the nations of the Middle East to cooperate with each other for peace and stability. It is, of course, the first thing Middle Eastern nations ought to do. There is no God given law that states that the countries of the Middle East cannot organize themselves and broker their own deals with the other nations of the world. Why do you turn to the US to intervene in everything you do? Why give them that power?

Israel Is Founded on Jewish Terrorism and the Genocide of the Palestinians

Christopher Jon Bjerknes

http://www.jewishracism.com

Throughout the first half of the Twentieth Century, Jewish terrorists murdered innocent civilians and government officials around the world. Fascist Jewish terrorist organizations

sought a military alliance with the Nazis. The Irgun (led by future Israeli Prime Minister Menachem Begin), Haganah (led by future Israeli Prime Minister David Ben-Gurion) and Sternists (led by future Israeli Prime Minister Yitzhak Shamir) were each Jewish terrorist organizations. Former Israeli Prime Minister Ariel Sharon was also a terrorist. Only by murdering Palestinians and chasing them from their homeland, could a racist, segregated "Jewish State" be founded. Israel exists and expands through genocide.

In its article "Israel", the *Great Soviet Encyclopedia: A Translation of the Third Edition*, Volume 10, Macmillan, New York, (1976), pp. 477-484, at 478, wrote,

"Thus, despite the UN resolution of Nov. 29, 1947, Israel expanded its territory to include four-fifths of the area of mandated Palestine. Both before the formation of Israel and the outbreak of the war and during the course of the war itself, Zionist terror led to the mass destruction of Arabs and the expulsion of nearly a million Arabs from the territory of Israel and from the Arab portion of Palestine that it had seized. The problem of Palestinian refugees emerged—a problem that, because of Israel's unaltering refusal to implement the UN resolution of Dec. 11, 1948 (on the right of refugees to return to their homeland or, if they choose, to receive material compensation), became one of the most important issues complicating the Middle East crisis."

The *Great Soviet Encyclopedia*, published in the 1970's at the time when the United Nations General Assembly Resolution Number 3379 declared that Zionism is a form of racism, detailed

many of the Zionists' abuses and violations of international law. Israeli Terrorism Against the United States of America

Christopher Jon Bjerknes

http://www.jewishracism.com

The Israeli Government has committed acts of war against the United States by bombing American interests in Egypt in 1954 with Israel's "Operation Susannah" in the "Lavon Affair"[1] and by attempting to sink the *U. S. S. Liberty* in 1967.[2] In both instances, the Israeli Government tried to lay blame on Egypt for the Israeli attacks on the United States, in an attempt to incite the United States to fight Israel's enemies. In the 1970's, the Israelis attempted to assassinate United States Ambassador to Lebanon, John Gunther Dean, as well as his entire family.[3]

Zionist Jewish bankers have financed America's worst enemies including Great Britain, the Confederacy, Imperial Japan, Bolshevik Russia, Nazi Germany, etc. Zionist Jewish bankers are responsible for more American war casualties than any other group. Zionist Jewish bankers have deliberately caused America's worst recessions and depressions. They have corrupted the American media and American politics. Michael Collins Piper argues that Mossad agents were involved in the assassination of United States President John Fitzgerald Kennedy and that they wanted him dead because Kennedy opposed the Israeli nuclear weapons program, a program which is not in the best interests of the United States.[4] The Zionists have been a curse to America.

Messianic Judaic Bolshevism

Judaism and Jewish Bolshevism -v- Our Fundamental Human Rights

Christopher Jon Bjerknes

http://www.jewishracism.com

The First Amendment to the Constitution of the United States of America recognizes the fundamental and universal human right of free speech:

"Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the Government for a redress of grievances."

Judaism teaches Jews to destroy all other religions, cultures and governments (*Zechariah* 14:9). Judaism also teaches Jews to murder those who question the rabbis or the Jewish faith (*Sanhedrin* 56-60; 88*b*. *See also: Zechariah* 8:23; 14:16-20. *Shabbath* 32*b*; 116*a*. *Erubin* 21*b*. *Rosh Hashanah* 17*a*). Already, our Congress has shown its subservience to religious Jews and their desire to impose the Jewish "Noahide Laws" on every other member of the human race:

House Joint Resolution 104 recognizing and endorsing the Jewish "Noahide Laws", which call for the beheading of Christians, Moslems, Buddhists, Hindus, etc.

Wise men and women will realize that the slippery slope of bowing down to Jewish power has a guillotine waiting where the journey ends in the Jewish valley of death.

David Irving has been imprisoned for expressing opinions which run counter to the agenda of international Jewish power. Not only have his, and our, fundamental human rights to freedom of speech been violated, his fundamental rights to due process of law have also been suppressed. Hopefully, he is now free to leave Austria, but are any of us truly free when such illegal sanctions exist for daring not to obey Jewish power?

The Jewish Messianic Age and the universal recognition of fundamental human rights cannot coexist. Leading Jews did much to suppress our rights with their "Bolshevik World Revolution". They have not given up on their quest to impose tyrannical Judaism and a universal Jewish King on the world.

The Jewish Talmud in the book of *Sanhedrin* 97*a-b* teaches Jews that the history of the world consists of three phases, each lasting 2,000 years. At the end of the six thousand year cycle, the

Apocalypse is due. Then the Jews plan to openly rule the world. There are supremely powerful religious Jews orchestrating current events to make them conform to Judaic prophecy. They believe it is their religious duty to take away our rights, commit genocide against us, and bring the world into war.

Even in America, leading Jews are beginning to impose the absolute tyranny of the Jewish Messianic Era upon us. We are viciously attacked if we criticize Jewish power. Our rights to free speech, habeas corpus and due process of law are being eroded away. Our national sovereignty is being subverted in order to create the world government of Jewish prophecy. The Noahide Laws are being imposed upon us, and there are increasing restrictions on the practice of religions other than Judaism. Our system of government is ruled by a "Jewish King" who has repeatedly sent us to war against our own interests. Jews are bribing "Christian" leaders to send us into the "Battle of Armageddon" for the sake of the "Jewish State" of Israel, etc.

Do Not Negotiate with the Genocidal Jewish Terrorists

Christopher Jon Bjerknes

http://www.jewishracism.com

The Jews of Israel, and their agents around the globe, are terrorizing the Palestinians with

illegal sanctions, concentration camps, dehumanization, and the theft of their land. They have brought the Palestinians to such a point of desperation, that the Palestinians are contemplating capitulation to the terrorist Jews. The result of any such capitulation will be increased misery and the eventual extermination of the Palestinian People. The lessons of history teach us that Israeli "concessions" are instead traps leading to genocide.

The Palestinians knew that the Israeli "withdrawal" from Gaza (and note that the "withdrawal" implies the illegal occupation—the theft of land and rights), the apparent amendment of the Israeli policy of genociding of the Palestinians of the Gaza strip, was instead an inhuman trap meant to isolate the Palestinians in a vast concentration camp and starve them into submission. The Israelis are not only not acting in bad faith, they are deliberately baiting a spring trap upon which should the Palestinians nibble, their necks will be broken and the land of Palestine will become the stolen property of the European and American Jews who have no legitimate claim to it. It will become an Arab grave and Jewish resort.

Regard the deceitful and treacherous Tony Blair as the Zionist stooge that he is. His efforts to play "good cop" to Bush's "bad cop" indicate the collusion of at least one shade of Palestinian leadership with the Israelis to utterly destroy the Palestinian People. Ask him, if indeed he wishes the Palestinian People well, why Blair does not call upon the Israelis and the world to immediately free the Palestinians and give them financial and material aid, *before entering into negotiations*, so that there is no absolute proof of, let alone the appearance of, coercion, duress and extortion on the part of the Israelis and their Zionist puppets around the world against the Palestinian People to surrender their Palestinian birthright?

Do not allow the Israeli thieves to pretend that their theft and terrorism grant them the right to negotiate for the division and acquisition of the lands they have stolen. A court of justice does not grant a thief the privilege of asking for a portion of the property he has stolen. Rather, an honest arbiter demands that the thief return what he has stolen. Why is Blair blaming the Palestinian victims for the fact that Jews have stolen their land, and asking the Palestinians to concede their property, rights and dignity to the thief?

England has long been a violent intercessor in Middle Eastern affairs. Under its ultimate Jewish leadership, England has long been a crusader and invader in the Middle East. Trust them not. They are acting on behalf of the Jewish bankers who have ruled England for hundreds of years, in betrayal of the interests of the British People, and the Peoples of the Middle East. Recall that the British lured the Arabs into the trap of fighting the Turkish Empire, only to then issue the illegal Balfour Declaration.

Seize control over your own fate. Call upon the Moslem world to unite and demand justice, and further demand that the most basic human principles of fairness be enforced against the "Jewish State", which perpetually terrorizes you and corrupts the nations of the world, thereby deliberately causing unnecessary wars and economic calamities. If you make a pact with the devilish Israelis, you will inevitably end up in hell.

Demand that the non-democratic "Arab" nations cease their false pretense that they are powerless to act on the behalf of Palestinians and justice to end the Jewish genocide of Arabs. Demand that they use their control of oil to leverage the world community in the righteous and

just pursuit of Middle East peace, by providing the Palestinians with *equitable* and *immediate* relief. There can be no just conditions placed on the alleviation of a genocide, and Jewish leaders around the world are genociding the Palestinians in order to extort them into giving up their property and rights. Demand that the Israelis stop their criminal acts and terrorism, and expose the vile and disgusting use of genocide as a means to coerce the Palestinians into surrendering their fundamental human rights.

More Aggressive War for Israel

Christopher Jon Bjerknes

http://www.jewishracism.com

Neo-Conservative Jews are determined to crush Arab nationalism, the Arab nationalism which serves as a source of hope for Palestinians, the Arab nationalism which prevents Israel from illegally expanding its borders from the Nile to the Euphrates. Jews scapegoat Syria for their failures to utterly destroy the Lebanese and Iraqi Arabs, who continue to dare to live in their native Arab homelands. Jews cry out for more war, and more war, and still more war. They hypocritically charge Syria with subverting the governments of other nations, while these same Jews concurrently plot to subvert the national government of Syria, and have successfully subverted the governments of America and Great Britain. Their hypocrisy knows no bounds.

Consider the following news articles:

Syria in Bush's Crosshairs

Neocons: We expected Israel to attack Syria

McCain, Lieberman, urge Israel not to talk to Syria

Israeli PM brushes off Assad's call for talks

Rice rejects talks with Iran, Syria on Iraq

Syria is requesting peace talks with Israel and the USA. Israel and the USA refuse to talk to Syria. Israel and the USA cry out for aggressive, unprovoked war against Syria. Who are the aggressors?

Israel and the USA condemn the Lebanese People for seeking to replace democratically elected representatives, who they believe betrayed the nation during a time of war. It is not only the right of the Lebanese People to do so, it is their duty. Israel and the USA are hypocritically and concurrently demanding that the Palestinian People replace their democratically elected representatives, because those representatives dare to defend Palestinian interests. At the same time, Israel and the USA hypocritically condemn Syria for allegedly interfering in the internal affairs of Lebanon and Palestine, and are attempting to manufacture a bogus pretext for unprovoked aggressive war on this sophistical and unproven premise. Israel and the USA are not only interfering in the internal affairs of Lebanon and Palestine, they are interfering in the internal affairs of Syria and Iran. In addition, Israel has a well funded and highly organized system of subverting the American government, and has a well established fifth column in our

country who are destroying us.

There is no legal or moral justification for Israeli and American imperialism, which seeks to impose Zionist puppet regimes throughout the Arab world and in Iran. They call it "democratization", but it is no such thing, and even if were, there would be no legal justification for violating the rights of sovereignty and self determination of other nations by force, coercion or subversion. Israel and the US do not have the right or the lawful authority to impose their political ambitions on other nations. Their actions are criminal, not humanitarian.

One would have hoped that the failures of the CIA throughout the world would have taught us, the US, a lesson we would not soon forget. The CIA installed puppet governments around the world, and these have resulted in many of the current crises which face us today. The Jewish theft of Palestine has created perpetual instability in the world for more than fifty years and things have only gotten worse as the Jews of Israel seek to steal more land and finish off their genocide of the Palestinians.

Esau and Jacob, the Palestinians and the Israelis

Christopher Jon Bjerknes

http://www.jewishracism.com

Tony Blair is pretending to be the Palestinians' best friend. He pretends to want to help them out of the current crisis. Abbas runs to lick his boots. Zionists around the world cheer the Palestinian supplication. "Blair is so good to the Palestinians!" How so? By starving them to death so that those left alive will trade their birthright for a bowl of soup.

Why is it that when the People of Lebanon want to elect new leaders, the Zionist puppets Bush and Blair object; but when Abbas wants new leaders under him in Palestine, the Zionist puppets Bush and Blair show him strong support? Why do Bush and Blair run to intervene on behalf of the Israelis in both instances? Do not both the Lebanese and the Palestinians enjoy the fundamental human rights of self determination, or do the Zionists consider them to be subhuman? There is no right, duty or moral imperative to force a republican system of government on a sovereign nation. To impose a replacement system on another nation is a crime against humanity, no matter what incorrect label is placed on that replacement system.

Bush and Blair are no friends to the Palestinians. They are instead helping the Israelis and Abbas to scapegoat Hamas for the problems caused by the sanctions the Jews of Israel have imposed on the long suffering Palestinians. If Bush and Blair want to help the Palestinians, then let them eat. Let them feed their children and move about freely in the lands in which they were born. Do not starve them to the point of death and then blame them for their hunger and ask them for their birthright in exchange for food.

I caution the Palestinians in your hour of desperate need to know your enemy. Recall the Jewish story of Esau and Jacob. The Jews will first make you hungry to the point of death, then they

will be good to you and offer you porridge if you give up your birthright. You are under extreme duress. Demand the world rescue you, but do not give away your rights to the Israelis. The Jewish book of *Genesis* 25:21-34 states:

"21 And Isaac intreated the LORD for his wife, because she *was* barren: and the LORD was intreated of him, and Rebekah his wife conceived. 22 And the children struggled together within her; and she said, If *it* be so, why *am* I thus? And she went to inquire of the LORD. 23 And the LORD said unto her, Two nations *are* in thy womb, and two manner of people shall be separated from thy bowels; and *the one* people shall be stronger than *the other* people; and the elder shall serve the younger. 24 And when her days to be delivered were fulfilled, behold, *there were* twins in her womb. 25 And the first came out red, all over like an hairy garment; and they called his name Esau. 26 And after that came his brother out, and his hand took hold on Esau's heel; and his name was called Jacob: and Isaac *was* threescore years old when she bare them. 27 And the boys grew: and Esau was a cunning hunter, a man of the field; and Jacob *was* a plain man, dwelling in tents. 28 And Isaac loved Esau, because he did eat of *his* venison: but Rebekah loved Jacob. 29 And Jacob sod pottage: and Esau came from the field, and he *was* faint: 30 And Esau said to Jacob, Feed me, I pray thee, with that same red *pottage;* for I *am* faint: therefore was his name called Edom. 31 And Jacob said, Sell me this day thy birthright. 32 And Esau said, Behold, I *am* at the point to die: and what profit shall this birthright do to me? 33 And Jacob said, Swear to

me this day; and he sware unto him: and he sold his birthright unto Jacob. 34 Then Jacob gave Esau bread and pottage of lentiles; and he did eat and drink, and rose up, and went his way: thus Esau despised *his* birthright."

Make it crystal clear to the world that the Palestinians are in a life threatening situation because of foreign sanctions made on behalf of the racist and genocidal Israelis. Make it absolutely clear to the world that the exigent problem the Palestinians face is a genocide imposed on your People by Israel. The problem is NOT internal Palestinian politics. Even if the Israelis disagree with internal Palestinian politics, that disagreement does not give the Israelis the right to exterminate the Palestinians. Internal political crises are arising as a result of the Israeli genocide of the Palestinians. All that is required for that genocide to end is for the Israelis to stop killing off the Palestinians through direct murder, sanctions, and Israeli subversion of other governments to cause harm and death to the Palestinians. Do not let yourselves be scapegoated for Israeli atrocities against you. Do not allow the Israelis to change the subject from the genocide they are committing against you, to your internal politics. Demand food, our human rights and international justice.

The Israelis intentionally shoot the brightest and most courageous Palestinians, whom the Israelis imprison in concentration camps. Cowardly and bloodthirsty Jewish guards challenge Palestinians to show any sense of pride, and those who do, they murder. Beware Palestinians, they are artificially selecting subservient members of your people to survive and bear children. They are trying to breed you into cowards and fools. But also be prudent. Arabs are wonderful people filled with just pride. Jews have always had the reputation of complaining and being

ungrateful. Do not give up your pride, but learn the lesson that when you are attacked it is your right and duty to complain about it. Do not let your pride leave you behind in the battle for world public opinion. Know that a fifth column of disloyal Jews in America are viciously and unfairly smearing you day after day. Know that this group of traitors have vilified your very appearance to many gullible Americans. Your survival depends in part on changing that Jewish sponsored American misperception and prejudice. Do not hesitate to reveal the harm and murder done to you, to the American People. There is no shame in telling the truth. The shame is all on the Israelis who are genociding your People, and on the blinded and hateful Americans who help them. Expose both for the crimes done to you.

There are many hopeful signs. Academics and other leading figures in America are speaking on your behalf. If the Moslem world unifies, help will come to you quickly. Bush and Blair are only offering to intervene because they fear that the Moslems will unify, and they want to create divisions on behalf of the racist Jews who want to kill you all. Do not fall into their trap. The pit is deep and the stakes at the bottom are sharp and drenched in poison.

A Lever Long Enough to Move the World and a Fulcrum Upon Which to Set It

Christopher Jon Bjerknes

http://www.jewishracism.com

The complicity of the leaders of the Arab and Persian world with the Israelis is proven by the fact that these nations of the Middle East fail to use their oil to leverage the world to demand that Israel and the US end their attack on the dignity, rights and lives of the Palestinians.

Archimedes declared that he could move the Earth if a he had a lever of sufficient length and a fulcrum on which to place it. Oil is a lever long enough to move the world in favor of justice for the Palestinians and end the sanctions the US and Israel are imposing on them. The injustices of American imperialism in Iraq and Israeli aggression in Lebanon are a fulcrum upon which to fix the lever of justice and move world public opinion.

With their share in oil production, Venezuela, Saudi Arabia and Iran could shut down the world economy in a week. Israelis and their agents in America and Britain have been working hard to crush Arab nationalism (to wit their relentless attacks on Iraq and Syria), and to pit Sunnis against Shia, Arabs against Persians.

Unwise and shortsighted Palestinians, made desperate by the illegal and inhumane sanctions placed upon them, see an opportunity to pressure Israel and Saudi Arabia for an independent and autonomous Palestinian State. The Saudis, under the bogus Israeli sponsored pretext that the "Persians" are out to get the Arabs", are lining up to support Sunnis in a future divided Iraq, which the Saudi leadership know Israel will balkanize. The Jordanians, too, under Israeli direction, are headed toward war against "Persian Shia".

They will pretend that they want the nuclear arsenal of Israel to back them up, but the reality is

that Israelis are behind all of these machinations, and the leaders of the Arab nations dance to the tune of an Israeli Hora, with the possible exceptions of the Arab nationalists of Syria and Lebanon. However, this pact with the devil between Saudis, Jordanians and Israelis, requires the Israelis to give the Palestinians a State, so that the Arab world will not rise up against its traitorous leadership and overthrow them.

The Palestinians, in their desperate condition, are being tricked into facilitating an alliance of Arab Sunnis with the Israelis, against the "Persian Shia"; in exchange for the promise of an independent nation.

Who can blame the Palestinians for clinging to whatever hope they can muster in the face of American and Israeli efforts to exterminate them? Unfortunately for the Palestinians, the Israelis are setting a trap for the entire Moslem and Christian world of the Middle East.

As I stated long ago, the Israelis want to use the Sunnis to wipe out the Shia. After the Shia weaken the Sunnis, the Israelis will apply the *coup de grace* to the Shia with a minimum of expense and with the support of the Sunni Moslems. Israel will then not only have killed off the Shia, it will have the Sunni world in a weakened state of turmoil and desperation. The West will then have absolute control over the oil of Iraq and Iran and be well positioned to control the Persian Gulf.

The Israelis will then sick the Christians on the Sunni and will join with the Christians in exterminating the Sunni, beginning with Syria and the Palestinians, and then including Egypt, Lybia, Lebanon, Turkey, Yemen, Oman, United Arab Emerites, Kuwait, Sudan, etc. There is no

future for the Palestinians in an alliance between the Sunni and the Israelis. Recall that the Jewish book of *Deuteronomy* 7:2 states, and note that a "covenant" is a contract,

"And when the LORD thy God shall deliver them before thee; thou shalt smite them, *and* utterly destroy them; thou shalt make no covenant with them, nor shew mercy unto them:"

The Jews of Israel want to divide and conquer Islam, then exterminate the Palestinians. Do not fall into their trap! An alliance between Sunni and Jew is a recipe for disaster.

A far brighter future awaits the Middle East if the Shia and Sunni ally with each other to shut down Israel, and use their combined weight on the lever of oil to force the rest of the world to join with them to rescue the Palestinians and demand justice for the Lebanese and Iraqis. This would bring about peace in the Middle East and would benefit all of the nations, including apartheid Israel, which would be freed from the burden of its own warmongering and genocidal intrigues.

Iraq, instead of devolving into a civil war which will spark WW III, would evolve into a strong neutral nation. The oil would flow. Israelis could live in peace and security. The West and the Middle East could repair the breaks in their relationships, and the world could proceed toward building a better a life for all of humanity, rather than advancing toward a nuclear World War III.

Palestinians, please resist this temptation to side with the Israelis against the Shia. The power is in the hands of Arab and Persian leaders to control the destiny of your Palestinian People. If

those leaders will not act on your behalf, then press the Sunni and Shia to join forces and replace their leaders with leaders who will work in the interests of their Peoples to bring peace and security to the Middle East, instead of following the Israeli orders for war and genocide between Moslems.

A war between Sunni and Shia would strengthen the Israeli position and inevitably result in the extermination of the Palestinains.

An economic and political alliance between Sunni and Shia against the Israelis will bring lasting Palestinian independence, and peace and prosperity to the Middle East.

Jewish Power Is Inciting Genocide Against Iranians and Committing Genocide Against the Palestinians

Christopher Jon Bjerknes

http//www.jewishracism.com

Israel has incited the United States to commit genocide against millions of Iraqis, and a fifth column of Zionist American traitors have obliged the warmongering and racist Israelis.

Is it justice that millions of Iraqis should be murdered so that the Israelis can commit genocide

against the Palestinians unopposed, and so the Jews can eventually steal Arab land from the Nile to the Euphrates?

Incitement to genocide? The Hebrew Bible is an incitement to genocide! (*Exodus* 17:14-16. *Numbers* 24:17-20. *Deuteronomy* 25:17-19. I *Samuel* 15:1-35. *Malachi* 1:1-14). The Jewish Talmud is an incitement to genocide! (*Sanhedrin* 20*b*) The Cabalistic Jewish *Zohar* is an incitement to genocide! (*Zohar*, Volume I, 25*a*-25*b*, 28*b*-29*a*)

I was recently asked by *Current Issues* what I thought of the Jewish incitement to genocide of the Jewish book of *Numbers* 33:50-56, which states:

"50 And the LORD spake unto Moses in the plains of Moab by Jordan *near* Jericho, saying, 51 Speak unto the children of Israel, and say unto them, When ye are passed over Jordan into the land of Canaan; 52 Then ye shall drive out all the inhabitants of the land from before you, and destroy all their pictures, and destroy all their molten images, and quite pluck down all their high places: 53 And ye shall dispossess *the inhabitants of* the land, and dwell therein: for I have given you the land to possess it. 54 And ye shall divide the land by lot for an inheritance among your families: *and* to the more ye shall give the more inheritance, and to the fewer ye shall give the less inheritance: every man's *inheritance* shall be in the place where his lot falleth; according to the tribes of your fathers ye shall inherit. 55 But if ye will not drive out the inhabitants of the land from before you; then it shall come to pass, *that those* which ye let remain of them *shall be* pricks in your

eyes, and thorns in your sides, and shall vex you in the land wherein ye dwell. 56 Moreover it shall come to pass, *that* I shall do unto you, as I thought to do unto them."

These verses, which are unequivocal incitements to genocide—a genocide which Jews are committing against Palestinians at this very moment, these Jewish inducements to genocide were favorites of the racist Rabbi Meir Kahane. We see how ingrained this Jewish hypocrisy and Jewish need to scapegoat others for Jewish bloodlust are in the modern Zionist psyche, by the Zionist calls to indict Ahmadinejad for alleged incitement to genocide. These alarmist calls are a farce meant to generate a *casus belli* from thin air—are of their nature bogus inducements to aggressive war in the name of "self defense". Just as the ancient Jews justified their aggressive genocide of the Canaanites by the manufactured fear of their God, the transparent myth that a supernatural force would murder them if they did not murder innocent Canaanites and steal their land as they wanted to do; many Jews today justify their bloodlust to exterminate the tens of millions of innocent Iranians, so that Jews can rule the world without opposition, and exterminate all Moslems without any fear of retaliation, by scapegoating their victims for Jewish desire for war.

Consider what these ancient Jewish incitements to genocide have wrought. In the Twentieth Century, in order to steal the land of the Palestinians and usher in the Jewish "Messianic Age" by artificial means, world Jewry have committed genocide against the Armenians, against the tens of millions of victims of Jewish Bolshevism, and against all the victims of the two world wars they incited. Jews stole the land of the Palestinians and have been genociding them for

almost a century. Jews aggressively invaded Lebanon several times and committed genocide against Lebanese. Zionists have infiltrated America and subverted our interests with a traitorous press and government under their control. This Jewish controlled press and government incited Americans to murder millions of Iraqis, and the killing continues.

This farce of accusing Ahmadinejad of incitement to genocide is just another Jewish call to incite Americans to commit genocide against a People whom racist and bloodthirsty Jews want to exterminate—a People Jews have wanted to exterminate for thousands of years. Jewish leaders are again trying to justify their desire to commit genocide against Iranians, by scapegoating the Iranians through the use of lies and a subversive Jewish agent named Mahmoud Ahmadinejad.

While on the subject of the Jewish method of scapegoating their victims for Jewish lust for war and genocide, indulge me to pose a few rhetorical questions. Who is it who is today committing genocide against the Palestinians, cutting off their access to aid and deliberately dehumanizing them and aggressively driving them to the point where they are led to fight one another in order to attempt to survive? Who is it that aggressively invaded Lebanon and vindictively dropped millions of cluster bombs on the nation as they were pulling back? Who provided military and political assistance to the genocidal Israelis? Who incited Americans to provide this aid to commit genocide? Who incited Americans to commit genocide in Iraq, and who is presently inciting Americans to commit genocide against Syrians and Iranians who have done Americans no harm? Who is inciting Sunnis to hate and war with Shia? Who is inciting Shia to hate and war with Sunnis? Who seeks to profit from this hatred and war? What countries have stockpiles

of nuclear weapons and are devising plans to strike Iran and Syria with an offensive, aggressive and genocidal nuclear attack? What is the only country which has ever attacked human beings with an atomic bomb? What has America done to combat Israel's genocide of the Palestinians and the Lebanese? What has America done to combat Israel's incitement to Sunni Moslems in Jordan, Saudi Arabia, Turkey, Egypt, Lebanon, Palestine, etc. to attack Iran? What has America done to end the genocides in Africa? Why is it that American Zionist leaders value Israeli comfort and supremacy over the lives of the rest of humanity? If prevention of genocide is indeed the goal, would it not be wise to pressure Israel to end its never ending campaign to incite genocide, and its active genocide of the Palestinians, and in so doing do little more than apply mild economic and political pressure on the racist warmongers in Israel—and in so doing spare the lives of tens of millions, if not hundred of millions, if not billions of human beings? Why are American Zionists willing to risk the life of humanity as a whole, in order to whistle the ancient genocidal tune of Judaism and heed the modern war drums of Israel?

No group on Earth has ever incited, planned, financed and perpetrated more genocide than Zionist Jews, and they are only now just getting started. Throw their vile lies back in their scowling faces, hypocrites them all. If Israeli Jews want to prevent another Jewish sponsored genocide let them stop leeching off the American taxpayer and leave the land they stole from the Palestinians, so that the world can live in peace, finally freed from the turmoil the warmongering Israelis are perpetually inciting throughout the world. There is no justice in murdering, or ruining the lives of, hundreds of millions of people in the Middle East for the sake of five million racist Israelis, who are not only inciting genocide, but committing it. Let the scales of Justice tip so weightily in favor of the Moslems and Christians of the Middle East, that

the racist Jews are tossed out and their racist and genocidal ideology discredited for all future times; which would put an end to the Israeli genocide of the Palestinians. The very existence of the "Jewish State" and its racist policy of refusing Palestinians the right of return are acts of genocide perpetrated by a group forever scapegoating others for its crimes and racism.

Israeli Fifth Column, Fourth Estate, Religious Subversion, and Incitements to Illegal Aggressive War and Genocide

Christopher Jon Bjerknes

http//www.jewishracism.com

In their perpetual search for a pretext to launch illegal aggressive war against Iran and Syria, Jews have been accusing both nations of interfering in the internal politics of Iraq, Lebanon and Palestine. The reality is that the Israelis have been interfering in the internal politics of the United States of America for decades and have incited genocide against the Palestinians, Iraqis, Lebanese, Iranians and Syrians, among others. By their own standards, many Jews are guilty of the crimes of which they accuse others, and their crimes are a legitimate grounds for war, sanctions, military embargoes, asset seizures, international prosecutions, and regime change against Israel, its government and its warmongering people, who are subverting the national interests of the US, undermining our government, press and religious institutions in an organized campaign to attack peaceful nations and bring about genocide and world war. It is not the first time that world Jewry has attacked humanity in this vile fashion. It is time for humanity

to fight back against these monsters.

Mahmoud Ahmadinejad and Bashar al-Assad ought to protest these attacks on the lives of the Syrian and Iranian Peoples. We Americans ought to demand our government protect us from this Israeli takeover of our political system. Israel is waging war on the United States of America. It is time for America to declare war on Israel! If we do not, the Israelis will force us into additional criminal wars and genocides. The Jews of Israel and their disloyal agents in America continue to ruin our economy, cause our soldiers to needlessly die and needlessly murder, and submerge us in a Jewish Bolshevik police state.

IN THE NEWS:

What to do with Iran?

"We must turn to Hillary Clinton and other potential presidential candidates in the Democratic Party so that they publicly support immediate action by Bush against Iran. We should also approach European countries so that they support American actions in Iran, so that Bush will not be isolated in the international arena again. We must clandestinely cooperate with Saudi Arabia so that it also persuades the US to strike Iran."—Brigadier General (Res.) Oded Tira, Former IDF Chief Artillery Officer, "blank>What to do with Iran?", (30 December 2006), http://www.ynetnews.com/articles/0,7340,L-3346275,00.html

Right On!: In praise of Christian Zionists

"* First, Israel should appoint a roving ambassador tasked with responsibility for maintaining relations with Christians in America. This should not be just an honorary title, nor should it go to one of the usual organizational fund-raisers or foreign service hacks. Instead, the government should appoint a person of faith, one who can communicate with evangelicals in terms they both understand and appreciate.

*** Second, Israel should reach out to Christian leaders and their communities, and initiate the establishment of 'prayer battalions' in churches across the United States. Like rapid-deployment forces used by the military, these battalions could be mobilized at a moment's notice to pray for specific issues, such as the return of Israel's missing soldiers or the threat posed by Iran's nuclear ambitions."**—Michael Freund, Served as Deputy Director of Communications in Israel's Prime Minister's Office under former premier Binyamin Netanyahu, "Right On!: In praise of Christian Zionists", (21 December 2006), http://www.jpost.com/servlet/Satellite?cid=1164881944891&pagename=JPost%2FJPArticle%2FShowFull

Palestinians Need a Future, Not Assault Rifles Meant to Kill Palestinians

Christopher Jon Bjerknes

http//www.jewishracism.com

Under the direction of Israeli Prime Minister Ehud Olmert, who aggressively and illegally bombed Lebanon into ruins this summer, 2,000 assault rifles and 20,000 magazines of ammunition have been sent from Egypt to Palestine from the Zionist puppet government under Hosni Mubarak to the Zionist puppet Mahmoud Abbas for use by the Fatah. These small arms are intended to be used to kill Palestinians in the civil war, which the subversive Jews of Israel are fomenting among their Palestinian neighbors.

Recall that the Zionists fomented the Iraq-Iran War in order to weaken both nations in preparation for the current Iraq War and the war to come on Iran. Just as the Zionist Bush Administration is arming and training Iraqi factions in the hopes that they will annihilate each other in the planned and orchestrated civil war Jewish leaders are arranging in Iraq, "Arab leaders" are working with the Jews to provide Palestinians with the means to kill Palestinians and leave them fighting each other, instead of demanding justice from the oppressive Jews of Israel who have stolen the Palestinians' land. Bush and the Arab leaders are working against the best interests of their own Peoples, and the Peoples of the Middle East. Israel is their intended beneficiary. Iraqis and Palestinians pay with their lives in the millions, so that Israeli Jews, a scant five million—a population smaller than many cities in the world—can steal more land and kill still more Moslems.

Abbas and Olmert are working together to give the appearance that they are finally going to ease illegal and inhuman Jewish persecutions of Palestinians, but watch what happens. They are freeing up the movement of Palestinians between cities as part of a plan to allow forces to organize for civil war and to facilitate the transfer of arms and ammunition. Mossad dupes and hirelings will also be able to move into position to fire upon Israelis, giving the Jews the pretext they always seek for more attacks on Palestinians.

Be warned, Palestinians, the Israelis are deliberately tying up your young men in the most productive years of their lives. They are killing off the most healthy, courageous and noble men in your population in their child producing years.

Expansionism is always the goal of the Israelis. Israel has stolen most of Palestine from the Palestinians and now asks for "compromise" on the part of the Palestinians, that "compromise" being the rest of Palestine going to the invasive Jews.

Tell the Israeli warmongers, the Jewish death merchants, that you need recognition of your right of return, not guns. Tell the "Jewish State" that you want food for your children and salaries for your work, not bullets with which to kill fellow Palestinians.

Ehud Olmert on a PR Campaign

Christopher Jon Bjerknes

http://www.jewishracism.com

The Israeli Prime Minister Ehud Olmert, who mercilessly and senselessly bombed Lebanon into ruins this summer, is on a public relations campaign to improve racist and genocidal Israel's image. The resonant international Jewish cry for innocent Iranian blood has the world wondering if Israeli bloodlust knows any bounds. The Israeli genocide of the Palestinians also threatens to tarnish the reputation of the "Jewish State", despite the Jewish control of the international press and of politicians like Romano Prodi, George Bush, Andrea Merkel, Hosni Mubarak, Fouad Siniora, King Abdullah, King Abdullah II, the Pope, etc.

Indeed, Israeli Prime Minister Ehud Olmert; with the aid and complicity of the Jewish media who shy away from epitaphs to his name like warmonger, mass murderer, war criminal, baby killer, but which never mentions Ahmadinejad without attaching to his name the title of "holocaust denier who wants to wipe Israel off the map"—Olmert is out to polish Israel's image in the world. Olmert's A-list, the litany of Zionist puppets who run to lick his boots, reveal their true colors when they wrap themselves in the blue and white, and stand under the umbrella of the Jewish controlled press to bear false witness against the Palestinians, Lebanese, Syrians, Iranians, etc. by scapegoating them for Israel's crimes against them and humanity.

Olmert is vulnerable. He is naked on the mountain top and it is snowing humiliation. He would die a quick death by exposure if the tens millions of Moslems of the Middle East would seize this

opportunity and add an indictment of the many crimes that Olmert and Israel have committed just in the recent past to Olmert's name and to the escutcheon of the "Jewish State" just below the Magen David. "Olmert the Israeli Prime Minister who is starving Palestinian children at Christmas." "The Israelis who tell America to bomb Iran." "The Jewish State that leveled Lebanon."

Show Olmert's bitter face to the world together with graphic images of the harm he has wrought. Show Israeli tanks illegally invading Lebanon and occupying Palestinian territory and attach Olmert's name to the image. Then indict all those who stand with him. Reveal that it is a moral crime, and many instances an international war crime, to stand with Olmert and Israel.

It will be easy to make Olmert's shoddy PR campaign backfire against him and the Zionist puppets the Jewish media parades in lock step behind him. We need only point out what this man and his country represent. We need only expose the disloyalty of those who support Israel against the best interests of their own People and of humanity. The double standards are so obvious, the hypocrisy so transparent, that we need only mention the facts and show the pictures and Olmert will remain the pariah of humanity that he is.

A less obvious threat than the Zionist puppets who line up with Olmert, are the controlled opposition who divide Islam and unite genocidal Jews on his behalf. All Middle Easterners who value their homelands and their lives should realize that it is incumbent upon them to create divisions among Israelis and world Jewry, while uniting Islam, and Christianity, in a campaign for peace and justice against Israeli warmongering and Israeli subversion of the national sovereignty and stability of other nations.

Ahmadinejad, for example, is uniting Jews and dividing Moslems and creating ill will towards Moslems among Christians. Nationalistic Jews love Ahmadinejad. Not since the Zionist stooge Adolf Hitler, have world Jewry had such a unifying force for Jewish nationalism and world war. Force the world to focus on Olmert's atrocities and Israel's crimes. Let Israel enjoy the spotlight of scrutiny. Olmert's pretending to be a peacemaker is absurd on its face, but if the lie is repeated often enough without refutation the Jewish controlled media will succeed in refurbishing Israel's image and scapegoating Islam for Jewish crimes against humanity.

Ahmadinejad should focus on the crimes Jews and Israel have recently committed against Lebanon and Palestine, not on crimes done to Jews by other Jews in the past. Ahmadinejad should focus on Israeli hypocrisy and the Jewish controlled media's double standards. He should show graphic images of Israeli and American violence and the genocide of Palestinians, Lebanese and Iraqis. The world can rally to rescue these innocents. Let the world be shocked by Israel, by the truth; and hammer Olmert and his supporters.

This is a crucial time. At long last the world has Zionist power on its heels defending itself from its indefensible acts and policies. Increase the momentum! Show what a wretched man Ehud Olmert is.

Incentives for the Moslem Countries to Unite to Rescue the

Palestinians

Christopher Jon Bjerknes

http://www.jewishracism.com

Russia will do what is good for Russia. China will do what is good for China. The Middle Eastern nations should court their support, but continually bear in mind that both Russia and China will betray Middle Eastern nations at a moment's notice, if it is in their best interest to do so.

The Palestinians should remind the Arab States in particular, and the Moslem nations in general, why it is in their best interests to help the Palestinians to establish a neutral and autonomous nation in conformity with international law. As the Israelis steal more and more land in the West Bank, and strengthen their illegal grip on Jerusalem, they will push out Moslems and Christians, and the Jews will be emboldened to destroy the Dome of the Rock and the Al Aqsa Mosque. They may dupe Christians into committing a terrorist act, but it will be a Jewish Temple which will be built. One of the best means to prevent such an outcome is for the world to unite for justice and self determination for the Palestinians.

If the Jews of Israel complete their genocide of the Palestinians, they will be emboldened to roll over Lebanon, Syria, Egypt, Jordan and Saudi Arabia. It was always the Zionists' plan to first take some cities in Palestine, then grow the colonies to push out Moslems and Christians and eventually overtake all of the lands of "Greater Israel". It is important for Lebanon, Syria, Jordan, Saudi Arabia, Egypt, etc. to hold the Palestinian lines against Israeli expansion. It is their first line of defense for their own nations. If the Jews succeed in genociding the

Palestinians, they will view it as a sign from their Jewish God to continue their conquests. The genocide, if it goes unpunished, will serve as a precedent for further Israeli expansionism.

The existence of a Palestinian State, if properly formed and managed, will go far toward promoting peace and stability in the region. The People of Israel want relief from the constant stress Jewish leaders place them under. The formation of a Palestinian State and the opportunities it will offer for better relations between Moslems, Jews and Christians, will serve as a release for the tensions which have been escalating since 9/11; and turn frustration into hope. The establishment of permanent borders will take away Israeli and Arab incentives for war, revolution and instability.

It is my hope that the Peoples of Lebanon, Iraq and Palestine, elect to form neutral, secular states, for the sake of their own security, as well as that of their neighbors, and that their neighbors agree to honor their neutrality. The resolution of the Palestinian question through obedience to international law and the formation of a neutral autonomous State will go far towards providing hope and inspiration to the Lebanese and the Iraqis. Peace in Lebanon and Iraq would greatly improve the outlook for peace and prosperity in Jordan, Saudi Arabia, Turkey, Syria and Iran. Arab and Iranian leaders will help themselves by helping the Palestinians.

An Admiral from the Navy to Lead CENTCOM?

Christopher Jon Bjerknes

http://www.jewishracism.com

Shakespeare wrote in *Hamlet*,

"When sorrows come, they come not single spies, But in battalias!"

The Zionist traitor who launched a genocide against the People of Iraq, US President George W. Bush, plans to increase US troop levels in Iraq by 20,000. He has placed Navy Admiral William J. Fallon in charge of CENTCOM (United States Central Command).

These additional troops come with additional expenses, which is to say additional profits for Bush's war profiteering friends. Bush is readying a trap for them, which he will spring in the near future. The Zionists want the Iranians to attack these forces, and should they not, the Zionists will commit a false flag terrorist attack on these Americans so as to provoke the United States into attacking Iran with nuclear weapons. The Zionists, Bush among them, are inciting

genocide against the Iranian People, and are setting up American forces for an attack to provide them with a pretext for mass murder—the extra billions they make along the way is merely an added bonus for them.

The Zionists are planning a massive naval campaign against Iran, which is why they have placed a Navy Admiral in charge of CENTCOM. This naval force will also provide a sea based platform for attacks on other Persian Gulf Nations, as well as a center for launching nuclear strikes against Pakistan and India, which the Zionists will blame on India and Pakistan—perhaps Communist China and Russia as well—so as to provoke them into annihilating each other.

Americans largely sit idly by while the Zionists destroy us. Some, nay, many cheer on the march over the edge of sanity into the abyss of World War III.

It is incumbent upon the people of the world to rescue ourselves from our Jewish controlled governments and mass media.

The Palestinians Have Every Right to Deny Israel's False Claim to a "Right to Exist" on Stolen Land: It Is the Israelis Who Are Acting in Bad Faith

Christopher Jon Bjerknes

http://www.jewishracism.com

The Israelis act in "bad faith" when they refuse to talk to any Palestinian leader who refuses to accept the bad faith claim that Israel currently has a "right to exist", which "right to exist" signifies a false right to have stolen the Palestinian's property. There is no logical or legal basis for the Jews of Israel to demand that the Palestinians accept the lie that Israel has a "right to exist", which is to say that the Israeli Jews had a right to terrorize the Palestinians and steal their land.

Negotiations must instead proceed on the good faith basis that Israel recognize that it had no right to steal the Arab's land. The Israelis are thieves, and it is common practice to negotiate with thieves for restitution. Israel can acquire rights to the lands it has stolen, if and only if Israel equitably compensates the Palestinians for the damages it has inflicted upon them. This can only take place through good faith negotiations, and good faith negotiations cannot occur while Israel denies reality and in bad faith falsely claims a deed and title to the land it has in fact stolen. In fact, Israel has lost its privilege to enter claims in a court of equity by acting in bad faith and falsely claiming title to the land on bogus religious and political grounds, those being the "Covenant with Abraham" and the Holocaust of European Jewry. If there were justice in the world, the Jews of Israel would be forcibly expelled.

Short of the forcible expulsion of the Jews of Israel from Palestine, the next best equitable solution is for the Jews to acknowledge that they have no deed to the land and enter into arbitration with the Palestinians to compensate them for the theft of Palestinian territory, and to secure the formation of a sovereign Palestinian State. This already entails a waiver on the part of

the Palestinians to enforce their rights against the Israelis for the Israelis' having acted in bad faith and having thereby surrendered any rights to make claims in a court of equity.

In sum, it is the Israelis who act in bad faith by claiming a false title to property which they have stolen. The Palestinians act in good faith when they state that the Israelis have no right to currently claim a "right to exist" on stolen land. Not only is the Palestinian stance an acknowledgment of reality and an act of good faith, it is the legal and just beginning of any negotiation meant to equitably compensate the Palestinians and grant Israelis a future right to exist on what is to this day Palestinian territory. It is the Israelis who willfully and knowingly obstruct justice by falsely claiming rights they do not have to steal from their fellow human beings. It is the Israelis who are violating international law and fundamental human principles of equity, justice and law.

The Zionists Are Undermining the Best Interests of the Americans, Japanese, Taiwanese and South Koreans

Christopher Jon Bjerknes

http://www.jewishracism.com

The Zionist traitors of the Bush Administration have intentionally undermined American interests, and those of our allies, by openly stating that Japan, Taiwan and South Korea will not go nuclear. Before talks began, this treacherous policy took all the pressure off of Red China to

end North Korea's nuclear weapons program and leaves only sanctions and war as disincentives to North Koreans and Communist Chinese. The Communist Chinese welcome the deaths of North Koreans, so this is ultimately an incentive for them to push for more nuclear weapons tests in North Korea.

The Zionists want to artificially instigate World War III. By tying the hands of Japan, Taiwan and South Korea, they are strengthening the comparatively weak hands of Red China and North Korea in preparation for war. The Zionists cannot have their war, and make it as bloody as possible, until they have ensured that their controlled combatants on both sides are well armed and well trained.

Our authentic allies are foolish to trust in the Zionist controlled government of the United States for their national security. They must instead take steps to ensure their security independently of the traitorous Zionist Bush Administration. This Zionist maneuvering is designed to result in war, then unification of the Eastern Nations in a Jewish-led world government.

I am strongly opposed to nuclear proliferation, but proliferation is the reality, and a balance must be struck. At present, the Zionist controlled regimes are arming themselves to the teeth in preparation for a staged war, whilst concurrently preventing nationalist nations from arming themselves in their own best interests.

From the beginning, nuclear weapons proliferation has been the covert policy of the United States Government, which has been under the domination of Jewish leadership. Jewish leaders can only keep Gentile populations subservient if they artificially create perpetual turmoil and

conflict. Given this reality, world peace can only be secured if Japan and Taiwan move toward arming themselves. If they state their intentions to do so, the pressure would then be placed on North Korea and Red China to end their arms race.

The American public should recognize Bush's undermining of our allies' interests as yet another prime example of the Zionist Bush Administration's deliberate subversion of American interests.

A Secular Perspective on Israeli Warmongering: The Risks the Israelis Run and Why They Take Them

Christopher Jon Bjerknes

http://www.jewishracism.com

Israeli leadership are concurrently fearmongering and warmongering. They want Jews around the world to be "good Jews" and push for war against Iran. In order to create an incentive for this warmongering, Jewish leaders are fearmongering by accusing Iran of plotting to nuke Israel.

This will indeed inspire many Jews to overtly and covertly do what they can to instigate a war against Iran. It will also discourage immigration and tourism to Israel, and encourage emigration out of the "Jewish State". This is likely one reason why Olmert confirmed the existence Israel's nuclear arsenal. He sought to reassure Israelis and Jews that Israel can deter such an hypothetical attack, and to threaten Moslem nations with nuclear annihilation.

However, another consequence of Olmert's tacit assurances to world Jewry is to inspire fear and insecurity in Jews, who would otherwise contemplate a move to Israel. Olmert, of course, scapegoats Iran for what he is doing.

Israel is chocking itself demographically by discouraging Jews from moving to Israel, and its leadership knows it. Their policies are counterproductive, unless they plan to expand Israel's borders and increase anti-Semitism around the world so as to increase emigration to Israel.

War would only make sense for world Jewry, if the artificial fulfillment of Jewish prophecies is their goal. In addition to deliberately creating world-wide instability and world war, such plans directly threaten increased dangers to all Jews, assimilated, indifferent and Zionistic.

If world Jewry were truly motivated by secular reasons alone, their best options would be to create a neutral Palestinian State and to stabilize Palestine, Lebanon, Iraq and Iran. Jews in Israel could then live in peace and security with plenty of room for their current population and an additional increase through immigration, and/or internal growth, of another five million Jews. Quite obviously, they are not interested in merely creating a viable "Jewish State", as they are deliberately discouraging emigration to Israel. They want instead to artificially fulfill Jewish End Times prophecy.

For Jewry, this entails the prophesied deaths of two thirds of extant Jews. For assimilated Jews and Gentiles, the Jewish "End Times" signify world war and certain extinction.

Congress Can and Must Stop Bush and Cheney

Christopher Jon Bjerknes

http://www.jewishracism.com

Congress can and must do more than threaten to curtail funding for Bush's illegal aggression in the Middle East. Congress can and must impeach Bush and Cheney. This will rally the American People against the dictator and embolden our military leaders to step forward and save the nation from the Zionist traitor George W. Bush, who is planning to bring us into a nuclear World War III.

The international community must also act to rein in Bush's illegal aggression. The United Nations must respond to Bush's and Israel's open threats to attack peaceful nations in the Middle East, including Iran and Syria. Europeans, who suffered so terribly in World Wars One and Two—most especially the Russians, Poles and Germans—must act to curtail Bush's open aggression.

The lessons of history are clear. The vampires are hungry and are about to feed.

Bush is highly vulnerable. His face and demeanor during his speech revealed that he is exhausted and knows full well that his actions are criminal and threaten to destroy the human race. He is not a strong person and will not be able to endure a political fight. Congress can and must remove Bush from office and in so doing prevent the next world war. The world will respond with relief and the United States can begin to repair the damage that Bush has done to us and the rest of the human race.

Congress should also pass explicit laws making it a criminal offense to obey illegal orders from the President. The laws should, in exact terms, proscribe aggressive war, and proscribe war which has not been declared by Congress, and establish specific criminal sanctions for

obedience and complicity with illegal war against military officials who participate in such illegal acts, which illegal acts the Congress ought to define. This will not only deter such illegal acts, it will empower the military to save itself from a mad and traitorous dictator, who is destroying the country. The Congress should establish legal means for military officials to protect themselves from this criminal Commander-in-Chief, and grant them immunity and the lawful authority to reject criminal commands.

War's a Racket

Christopher Jon Bjerknes

http://www.jewishracism.com

Smedley D. Butler's book *War Is a Racket*, Round Table Press, New York, (1935), tells of the ungodly profits the warmongers made under the Wilson Administration at the expense of the American People they were duty bound to protect. Wilson was the perfect puppet dictator "Colonel" Edward Mandell House had envisioned in his apocalyptic book *Philip Dru: Administrator*, B. W. Huebsch, New York, (1912). The Zionists have themselves a new warmonger puppet, George W. Bush. He is pushing us towards another world war, one we are not meant to survive. Why do so many in corporate America gleefully surrender our future to the warmongering Zionists? Because the Siren's song echoes with golden laughter on the bloody

path to the bank, and the sweet stink of money perfumes the rotting corpses, as the following videos demonstrate:

Euphemisms Reveal Collusion and Deceit

Christopher Jon Bjerknes

http://www.jewishracism.com

The Bush regime speaks of a "surge" of troops in Iraq, in order to avoid images of President Johnson's Vietnam policy of aggressive military escalation. The media hum along with the lie.

There will indeed be a "surge". There will be a surge in violence and a surge in profits, as the numbers of US troops engaged in Israeli-style aggression against Islam escalates. Then there will be another surge in the war profiteers' proceeds, as they sell the Moslems weapons with which to annihilate one another.

The Zionists well understand Islamic bravado. They build up Moslem outrage by outrageous

Zionist aggression, then offer to help the Moslems vent their rage with weapons—weapons turned against other Moslems.

Jews covertly pound the drum beats of war in Moslem nations in order to lull the Moslems into a trap. Moslems must learn that they will be better served with video cameras revealing Jewish aggression, than with puny M16's, Kalashnikovs and rocket-propelled-grenades. Men with small arms cannot effectively battle against nuclear missiles. Instead, masked crypto-Jews, and native Arabs and Persians armed with insignificant automatic rifles, mortars and small rockets, only serve to provide the Zionists with a pretext for exterminating Moslems.

The real battle is one of public perceptions, which is why the Jewish controlled media forever lies to the world with deceitful euphemisms. Moslems have right on their side, and their "military might" is more of a "might not" than a means to success. Jews are few in number and are only heard in a chorus. As they sing of the alleged virtues of mass murdering Moslems, show the world the bloodied corpse of Israeli aggression. Trust in human compassion and set aside Moslem bravado. Demand peace and justice, but don't ask for guns. Cast an eye of suspicion on those who cry out for war. They may well be crypto-Jews singing Psalms of David, and sounding the death knell of Islam.

Destroy Israel by revealing Israel to the world as the corrupt and corrosive threat to humanity and human life that it is. Bring light, but not fire, and shine it on the flesh eating faces of the Jewish warmongers of Israel. The world will repulse from the horrendous face of Zionist blood lust. It always has.

It is the nature of man to survive and it is the nature of Zionism to destroy. Show Zionism for what it is and humanity will unite against it.

Time for Disclosure

Christopher Jon Bjerknes

http://www.jewishracism.com

The traitor and Zionist tyrant George W. Bush should tell the American public the cost of the Israeli instigated war in Iraq and the expected costs to the American People of escalation in blood and dollars. He should also disclose who will profit from the Israeli inspired mayhem, and reveal their connections to the Zionist Bush Administration. The Zionist stooge should explain to us, the US, why it is, exactly, that he is committing genocide in Iraq, and plans to commit genocide against the Iranians.

Drive a Wedge Between China and Israel—Drive a Wedge Between the World and Israel

Christopher Jon Bjerknes

http://www.jewishracism.com

China depends upon the US economy for growth. Though the Jews can help or hinder the Chinese with loans to sponsor growth and through the Jewish control of the American and European political and economic processes, the Chinese must realize, and ought to receive a friendly reminder, that a war against Iran would bury the US economy and with it the Chinese economy. China should suggest to the Israelis that their best option is also peace, and when the Jews of Israel respond that, no, the Jews' best option is war, it will raise eyebrows in Beijing among patriotic Chinese.

Israel has tremendous leverage over China, but does not want to use it, because it does not want to risk straining its relationship with the nation. Jews could threaten to hurt China's image in the Jewish controlled press, especially now that China is covertly attacking Japan and Taiwan through North Korea. Jews could also threaten to constrain China's growth in many ways. But World Jewry knows the risks of flexing its muscle.

Jews own top Chinese officials and the international flow of money and information, but what if some among the Chinese were forced to explore ways around Jewish power? Would they soon discover that they not only did not need Jewish support, but would be better off if they acknowledged the enemy and openly opposed it—and sought allies to combat the common threat of World Jewry to all the nations?

Iran should reiterate its peaceful stance. The more Israel screams for war, while Iran calls for peace, the more ridiculous and dangerous the Jewish warmongers will appear.

China will lose all it has strived for if the Israelis attack Iran and send the world into a deep and lasting depression. There are indeed many traitors among the top Chinese officials, and they would welcome this slide into chaos and war, but there are also Chinese patriots who can be woken up.

The Moslem Peoples have thus far done a poor job of iterating long term objectives which are beneficial to the world at large, and as a result have a miserable record in international diplomacy. Take for example the emerging and predictable crisis in Palestine fueled by the "Jewish State" and Palestinian traitors. Hamas is wisely trying to quell the rise in violence which the Jews are instigating so as to provoke a civil war.

However, they are failing in the international arena to voice the benefits to the world of a stable and healthy Palestinian population. They have thus far not given a strong and reasonable statement asking for international support to end the Israeli subversion of internal Palestinian politics and the Jewish led destruction of the Palestinian People through sanctions and deliberate degradation. The Palestinians should issue a comprehensive and enlightened report pointing out the countless benefits to the world if it will help them to break the yoke of the oppressing and inhuman Israelis. They should also point out that the Israelis are bringing the world into danger, while the Palestinians seek peace and stability as the harvest of justice and fairness.

Iranians, Palestinians, Syrians, Lebanese, etc. ought to appeal to the world and offer peace and prosperity, while pointing out that the Israelis are perpetually throwing the world into turmoil. Show that Israel is the problem and the solution is to contain the warmongering Israelis and

join together for peace and security for all nations in the Middle East and the world.

Force the traitors in China to expose themselves as sponsors of the irrational policy of supporting aggressive Jews, who will destroy the Chinese economy and bring the world into war. Do not make it easy for World Jewry to control the Chinese against their own best interests. Rather, make it easy for patriotic forces in China to assert their reasonable position.

Focus on incentives to sponsor peace in the Middle East, while subtly reminding the world of the risks to all nations of escalating Jewish sponsored wars. Act as well as react. Make much of the Jewish threat to aggressively attack Iran with nuclear weapons. Israel is a threat to humanity. Offer peace and prosperity as the alternative to Jewish aggression and destruction.

Beware of Communist China

Christopher Jon Bjerknes

http://www.jewishracism.com

The Communist Chinese are agents of the racist Jewish Zionist bankers. The Iranians ought to be very careful in their dealings with this nation.

Zionist agents repeatedly betrayed the People of China in the Twentieth Century. Mao Tse-Tung

and Chiang Kai-Shek were on the Jewish Zionist payroll, and both sacrificed the Chinese People to Imperial Japan. Both sought a Communist "revolution" in China. Chiang Kai-Shek was controlled opposition and helped the Japanese to destroy China. Mao Tse-Tung worked with German Jews to ruin the economy of China and leave China weak and vulnerable to Japanese attack and a Communist takeover.

Jewish bankers attempted to form a Jewish State on Chinese soil, with the assistance of their dupes, the Imperial Japanese, and in preparation for a move onto Palestinian soil. Red China was, and will remain, a creation of World Jewry, and it will never ultimately work for the best interests of Moslem nations. It will instead lead them into wars they cannot win with false promises of support, all the time working directly with Israel to destroy Islam.

Use them to whatever extent you can, but never trust them. Do not depend upon their promises. You will find them a fickle and unreliable "friend", not because the Mainland Chinese are bad people, but because their leaders are Zionist puppets—like most American and Arab "leaders". China will soon turn to fight you in the Moslem world. Then they will fight America.

The Saddam Snare

Christopher Jon Bjerknes

http://www.jewishracism.com

Those treacherous Arab "leaders" who are working with the Jews of Israel to launch an unprovoked war on Iran ought to consider the fate of Saddam Hussein. Saddam worked with the Zionist powers to attack Iran and Kuwait, and after they used him up, they executed him. The same fate may well await other aggressors, who work against the best interests of their own people.

World Jewry is intent upon stealing Arab land from the Nile to the Euphrates and building a Jewish Temple on the site of the Al Aqsa Mosque and Dome of the Rock. They will have an easier time accomplishing these objectives after they have used Arab traitors to kill off the Persians. They will then turn the Arab Peoples and Christians against Arab "leaders" in a slew of revolutions covertly orchestrated by Jews. Then they will turn the Christians against all Moslems.

Iranians Are Pushing the Wrong Buttons

Christopher Jon Bjerknes

http://www.jewishracism.com

When the Iranians should have focused attention on the fact that the Nazis were Zionists, and that Jews were behind the genocide of European Jewry, the Armenian Holocaust, the Bolshevik

Holocausts, the world wars, the genocide of the Palestinians, Lebanese and Iraqis, etc.; they instead unwisely called attention to historical wrongs done to Jews. Today, the Iranians are attempting to prevent the alliance of Sunni Moslems with Israelis against Persians and Shia. There is an urgent need to accomplish this end, but again the Iranians are going about it in the wrong way.

The Iranians should speak directly to Arab and Moslem Peoples, instead of issuing threats to the traitorous Zionist leaders of Arab and Moslem countries. All that the Iranians accomplish by attacking those Zionist leaders directly is to strengthen the bonds among Zionists and create an additional incentive among Zionist puppets to destroy Iran.

Iranians should instead focus attention on the primary enemy of all Moslems, and that is Israel and Judaism. Iranians should warn Arabs of the dangers they will inevitably face from the Israelis and their puppet Zionist states, if those states side with world Jewry against Shia and Persians. When that danger emerges, the Arabs will face it alone, if they have helped Israel, America and Britain to kill off the Iranians. Iranians should give the Arabs a friendly reminder that Iran is one of few nations in the world which has stood with Arab Palestinians, Lebanese and Syrians against the Zionists who have attacked them. Refresh the memory of pan-Arab states that the British tricked the Arabs into fighting for them in the First World War, and then British Zionists betrayed the Arabs to the Jews, which was the Zionist plan from the beginning. Remind them that the Israelis are after Arab land from the Nile to the Euphrates, that the Jews intend to destroy the Al Aqsa Mosque and the Dome of the Rock, and that the Jews intend to destroy Islam and exterminate the "Ishmaelites" and the "Amalekites", whom they see as the

enemies of God and of God's "Chosen People". All of these facts are easily demonstrated in Jewish religious literature and in statements by prominent Jews in the recent past.

It is better to talk to the Arab and Moslem Peoples directly, than to threaten, or even to warn the traitorous Zionist leadership of Arab and Moslem nations.

Islam is a universalist religion. Arab Sunnis and Shia, Kurds, Turks, and Persians have no reason to fight each other. In fact, Islam calls upon them to unite. It is only by uniting that Moslems can preserve themselves from the corrosive and genocidal Zionist threat.

An alliance between Sunni and Jew against Shia and Persians will only benifit the Jews, in that in will enable them to exterminate a large Moslem population without inflaming world public opinion against world Jewry. Once racist Jews have accomplished their genocide of the Persians, world Jewry will engage Christians as their ally to attack Sunni Moslems and Arabs, on the false grounds that Jesus has not returned because the Christians and Jews have not yet exterminated the Arabs and Russians, nor have they yet conquered all of "Greater Israel". Again, the Iranians would be better served to remind the Arabs and Moslems that they have a common enemy in Israel and Judaism, an enemy they can only contain if they work together for peace and common survival.

The Iranians should realize the tactics that the Israelis are using. The Jews are promising the Palestinians, Kurds, Saudis, Egyptians, Jordanians, etc. all kinds of things. They are creating subdivisions in these nations and pitting these peoples against themselves. The Jews promise one side a new independent nation, while promising the other the preservation of the entire old nation. It is incumbent upon the Iranians to make it crystal clear to fellow Moslems that these

Jewish promises are empty promises and will ultimately only serve to divide and weaken Moslems. The Iranians should organize Islam to resolve its own problems internally, which will strengthen the subgroups and enable them to face the Zionist threat in a strong and united fashion.

There is no future in Moslem disunity. If the racist Jews of Israel succeed in dividing Islam, the Jews will first kill one Moslem sector, then the other, by first pitting Moslems against Moslems, then Christians against Moslems and Russians. Should they succeed in this, the Jews will then pit the Asians against the Christians. Their only real ally is deceit.

Humanity Must Act!

Christopher Jon Bjerknes

http://www.jewishracism.com

Israel has threatened aggressive nuclear war. This is very different from a nation's having stated that if attacked, it will retaliate with nuclear weapons. Israel plans to make an aggressive nuclear attack on a peaceful nation, which is unprecedented in human history.

We must protest before Israeli embassies and consulates around the world. We must boycott Israeli products. Universities and businesses must shun Israelis. There must be an arms embargo of Israel. There must be sanctions against Israel. The human race must act now to defend human life from the "Jewish State", which racist and genocidal country of five million Jews is founded on a religious mythology that demands the extermination of human life.

They do not want peace. They do not want stability. They do not want life. They want war and death without end until that deadly end that knows no new beginnings.

World Jewry Has Become Deadly to the Human Race

Christopher Jon Bjerknes

http://www.jewishracism.com

Voltaire wrote of the Jews,

"They are, all of them, born with raging fanaticism in their hearts, just as the Bretons and the Germans are born with blond hair. I would not be in the

least bit surprised if these people would not some day become deadly to the human race."— Voltaire as quoted in A.Gould, What Did They Think of The Jews?, Jason Aronson Inc., New Jersey, (1991), p. 90. Gould cites: "Voltaire, Lettres de Memmius a Ciceron, 1771, in The French Enlightenment, p.300"

The news media report:

Focus: Mission Iran

Report: Israel planning to attack Iran's nuclear sites

World Jewry, which brought us genocide as a political tactic in the Twentieth Century, has started the Twenty-First Century off wrong with the illegal concept of "preventative war", and has now established the inhuman precedent of threatening aggressive nuclear war against a peaceful nation. Where is the outcry from the media? Where is the outcry from the governments of the world?

Israel bombed Lebanon into ruins this summer, and the Jewish controlled mass media and the Jewish controlled governments of the world were largely silent as the "Jewish State" committed genocide against a defenseless nation. Israel will not hesitate to take the unprecedented action of aggressive nuclear war against a defenseless nation. Israel will not hesitate to instigate nuclear World War III. It is the "Jewish mission" for the Jews of the world to kill us all. Trust that they intend to fulfill it, in their minds the sooner the better.

In their minds, we all must die for the sake of a few million racist Jews. Humanity must fight

back, or perish. There is little time left.

Criminals Dread Exposure

Christopher Jon Bjerknes

http://www.jewishracism.com

Iran should call on academics around the world to expose the Zionists' criminal plans to aggressively attack Iran. Think of what a difficult time a bank robber would have of robbing the local bank, if his plans to rob it were exposed in the local newspaper. Iran can save itself by pointing a finger of accusation at the criminal Bush Administration and at the Zionists who are deliberately ginning up an illegal aggressive war against peaceful Iran.

Iran should again and again repeat that they are a peaceful nation whose interests are only in peace and stability in the Middle East. Iran should expose the massive amounts of irrefutable evidence of the Zionists' criminal plans to attack Iran. Iran should be proactive, not reactive. Iran should defend its reputation against the Zionists who are defaming the Iranians and Moslems with deliberate and vicious lies. Turn the tables on the Zionists and expose them to the world as the criminal warmongers, hypocrites, liars and genocidal monsters that they are.

Think of what has already been accomplished. We have completely changed the debate in America and shined the spotlight of truth on the fact that Israel was behind American aggression in Iraq, and is behind the plan to illegally attack Iran. The situation is rapidly turning against the criminal Zionists. Jimmy Carter's book is a best seller! Keep up the pressure on the criminals by exposing their criminal plans.

Call for peace and for dialogue. Call for Moslem unity. The Zionists are trying to pit Sunnis against Shia. Expose this trap to the Islamic People.

Do everything you can to buy yourselves more time. Work with the UN. Complain to the UN of the illegal aggressive Zionist plans to commit genocide against your people. Do more than complain. Organize your academic community and press to publish documentary evidence of the Zionists' open calls to aggressive war and genocide. Do not assume that people in America and elsewhere are aware of these facts. Rather make it your goal to inform the world of these facts and explain them in detail. If the UN acts hypocritically, then take the opportunity to expose its bias, its injustice.

Win public support. Show that Iranians are reasonable people and call on the world to help you against this unprovoked American aggression. Prove to the world that Zionists want to murder your people. Prove to the world that Israel and America refuse to live in peace, refuse even to talk about living in peace.

Produce documentary films exposing Zionist crimes against Iraqis, Lebanese and Palestinians. Prove to the world who is the aggressor and who is the victim of aggression. The Zionists will

appear increasingly ridiculous, dishonest and dangerous as you expose their crimes, and their criminal plans. The bankrobber will not be able to rob the bank if you expose his plans.

Stop Thief!

Christopher Jon Bjerknes

http://www.jewishracism.com

The best means for the Iranians to prevent American aggression against Iran is to call international attention to America's threats of an aggressive attack on Iran. Consider that a person in a crowd can thwart a thief by pointing at him and shouting, "Stop Thief!" What is the crook going do then, steal in front of everyone?

If Iran loudly protests that the US is about to attack, and provides the evidence of a long standing policy and campaign by Israel to provoke the US to attack Iran, it will shine a spotlight on US aggression and deter it.

Can you imagine a court in which a thief refused to stand trial unless the plaintiff first granted that a thief has an inherent right to steal? It is a ridiculous proposition, yet Jews are making this sophistical and highly immoral claim in the court of public opinion.

When Israelis state that they will not negotiate a settlement with Hamas unless Hamas first states that Israel has a "right to exist" on the lands that Jews have stolen from the Palestinians, Palestinians ought to respond that, "Only a criminal would argue that a thief has a right to steal." When Israelis ask, "How can we negotiate a settlement with someone who refuses to acknowledge our right to exist?" Palestinians ought to respond, "We do not want to negotiate as to whether or not the Jews have a right to have stolen the Palestinians' lands. They obviously do not. We want to negotiate as to how the Israelis will make restitution to the Palestinian People for the lands that the Israelis have stolen from the Palestinians, and for the prolonged Israeli genocide of the Palestinian People. The Palestinians need not, and cannot, except the absurd proposition that a thief has a right to steal in order for negotiations for restitution to proceed. We want to negotiate a settlement. The Israelis obviously do not. The Israelis instead want to steal more of our land and blame us for their criminal actions. It is the Israelis who are refusing to recognize our right to exist as a sovereign People on the lands that the Israelis have stolen from us, and on the Palestinian lands they continue to invade in direct violation of international

law."

A Proposal to President Ahmadinejad

Christopher Jon Bjerknes

http://www.jewishracism.com

I think it would be a good idea if President Mahmoud Ahmadinejad were to sponsor and hold an international conference on Israel's attempts to manufacture a war on Iran. Topics covered should include: Israel's weapons of mass destruction and Israel's open plans to use them. Israel's open incitements to genocide and aggressive war against Lebanon, Iraq, Syria and Iran. Israel's influence in the international media, and other institutions of influence. How disproportional Zionist influence has corrupted the press to favor aggressive war; and how Zionist media sponsors irrational fear of, and belligerence towards, Moslems. Israel's corrupting influence on American and British politics, to the detriment of the best interests of the citizens of those nations, and world peace and stability. Israel's open refusals to engage in peace talks. Israel's genocide of the Palestinians. The rights of Palestinians and how the Zionists have subverted them. Israel's, America's and Britain's use of false flag terrorism as a pretext for aggressive war, etc.

Shine a spotlight on Israeli and Zionist warmongering, how it takes place, and the threat it poses to humanity. Defend yourselves by exposing Zionist crimes and how they occur. Create

sympathy for Moslems by documenting Zionist atrocities. Film and show the devastation of Lebanon, Palestine and Iraq. Loudly denounce war and violence, and again and again state and stress that Iranians want peace and stability in the Middle East, and are the victims of aggression, not aggressors.

The Zionists are going to attack Iran unless they are stopped by public opinion. Make the battle one of ideas and expose the truth—quickly—or the Zionists will soon annihilate Iran.

Why Don't More Jews Speak Out?

Christopher Jon Bjerknes

http://www.jewishracism.com

Jewish rabbinical culture had a firm grip on Jewish life for many, many centuries. Their clannish Talmudic doctrines are deeply ingrained in the Jewish psyche. The Jewish law of *din moser* entitles rabbis to pronounce a death sentence on any Jew who informs on the tribe:

"A group of rabbis have issued a halachic opinion implying that OC Central Command Maj.-Gen. Yair Naveh deserves to be killed. The rabbis, all connected with a movement to resurrect the Sanhedrin, the ancient Jewish governing body, said in their halachic ruling this week that Naveh was guilty of being a moser, a Hebrew word that can be roughly translated as an

informant or traitor."—Matthew Wagner, "Rabbis: Naveh deserves to be killed", *The Jerusalem Post*, http://www.jpost.com/servlet/Satellite?c=JPArticle&cid=1167467765105&pagename=JPost%2FJPArticle%2FShowFull, (18 January 2007).

"Two additional halachic laws are of special importance both generally and specifically when related to the Rabin assassination. These two laws, employed since talmudic times to kill Jews, were invoked by the assassin, Yigal Amir, as his justification for killing Prime Minister Rabin and are still emphasized by Jews who approved or have barely condemned that assassination. These are the 'law of the pursuer' (din rodef) and the 'law of the informer' (din moser).[*Notation:* 'Moser,' the Hebrew word for informer, is a terrible insult for Jews, similar to the word 'collaborator' for Palestinians.] The first law commands every Jew to kill or to wound severely any Jew who is perceived as intending to kill another Jew. According to halachic commentaries, it is not necessary to see such a person pursuing a Jewish victim. It is enough if rabbinic authorities, or even competent scholars, announce that the law of the pursuer applies to such a person. The second law commands every Jew to kill or wound severely any Jew who, without a decision of a competent rabbinical authority, has informed non-Jews, especially non-Jewish authorities, about Jewish affairs or who has given them information about Jewish property or who has delivered Jewish persons or property to their rule or authority. Competent religious

authorities are empowered to do, and at times have done, those things forbidden to other Jews in the second law. During the long period of incitement preceding the Rabin assassination, many Haredi and messianic writers applied these laws to Rabin and other Israeli leaders. The religious insiders based themselves on later developments in Halacha that came to include other categories of Jews who were defined as 'those to whom the law of the pursuer' applied. Every Jew had a religious duty to kill those Jews who were so included. Historically, Jews in the diaspora followed this law whenever possible, until at least the advent of the modern state. In the Tsarist Empire Jews followed this law until well into the nineteenth century."—I. Shahak and N. Mezvinsky, *Jewish Fundamentalism in Israel*, Pluto Press, London, (1999), pp. 137-138.

The Set Up: Ahmadinejad and the Saudis

Christopher Jon Bjerknes

http://www.jewishracism.com

Ahmadinejad is the crypto-Jewish pied piper of Iran, gleefully leading the Iranians to their doom. Saudis leaders are again using the Palestinians to justify attacks on Moslems, in this case

the Iranians, soon to be the Syrians, then the Lebanese, etc. The Zionist Bush Administration, against the will of the American People, is sending our military to the Gulf region to begin World War III.

The Saudis are promising Hamas that the Palestinians will soon have a State if the Arabs agree to attack Iran. This is not the first time "Arab leaders" have promised the Palestinians that if they go along with Zionist aggression against Moslems, it will help them. It won't be the last time that this treachery will occur, either. The Palestinians should realize that they are being used and will not receive a State from the Israelis, or the Saudis. The only hope the Palestinians have for the formation of an enduring nation is from a world wide consensus, or the collapse of the occupying "Jewish State". More war in the Middle East will only bring the Palestinians more, and increasingly worse, hardship. The Saudis are well aware of this fact and are counting on the desperation of the Palestinians to provide them with a pretext to help the Jews to kill off the Shia, and eventually all Moslems.

But the Jews have no intention of letting the Palestinians back into Palestinian territory which Jews have stolen, let alone to let them live in a peaceful nation of their own. The Jews want to kill off the Palestinians, as well as the Iranians. They could have agreed to a reasonable settlement long ago, and have not, by choice and by plan. They plan to take all of Palestine, as well as Lebanon, Syria, Iraq, Saudi Arabia and much of Egypt, and any Israeli agreement for settlement of the Palestinian question is merely a ploy done with the cooperation of "Arab leaders" to buy the Jews time to kill off more Moslems and weaken Islam to the point where they can openly kill off the Palestinians and take all of "Greater Israel" from the Nile to the

Euphrates.

If the Saudis and Ahmadinejad were sincere, they would cooperate to end the suffering of the Palestinians and Iraqis. Instead, they are working with the Jews to destabilize the Middle East and create a climate in which the Jews will be able to exterminate the Palestinians. The Saudis and Ahmadinejad have the leverage to close off the Gulf and close off the spigot of oil to the world. They could justify their action as a humanitarian gesture to relieve the suffering of the Palestinians and Iraqis, and call on the Americans to end their imperialism, and call on the Jews to cease their apartheid genocide of the Palestinians. They would also be able to resolve, together with Turkey, the crisis in Iraq.

Instead, the Saudis and Ahmadinejad are escalating the instability, just as the Jews want them to. The Palestinians and Iraqis are being used to provide cover for Jewish aggression and the dismemberment of Islamic countries. They are being used to pit Moslems against Moslems, so as to weaken the hand of the Palestinians and strengthen the hand of the Jews. The Palestinians will not receive a State at the cost of Iranian blood, nor should they. Neither should the Palestinians continue to suffer from Jewish oppression and genocide.

The best hope for the Palestinians is to ask the Saudis to make a deal with the Iranians to stabilize the Middle East, and ask the Iranians to rid themselves of Ahmadinejad and cool the uranium enrichment program which gains them nothing anyway. The best hope for the Palestinians is to strengthen the hand of Islam through Moslem unity, while weakening the hand of the Jews through peace and prosperity in the Middle East. More war is the worst case scenario for Palestinians, for it will escalate by design into war on Syria and Lebanon, and the

Jews will then close off the media and begin to kill off Palestinians in death camps, just as they killed off Armenians, Ukrainians, Russians, Poles, Cambodians, Chinese, Tibetans, etc. The world will enter a deep and lasting depression and will not much care about Palestinians, just as today they do not care about the plight of Africans.

The Saudis have never been the friend of the Palestinians. Had they been, they would have been loudly complaining to the world about the recent sanctions against the Palestinian People. The Saudis had every opportunity and every means to protest against the Jewish apartheid system of genociding the Palestinians, and have done next to nothing. They only champion your Palestinian cause when it is convenient for them to join with Israel to kill Moslems, and when the damage is an accomplished fact, they join with Israel to ensure that the Palestinians also lose, and they join with the Israelis to scapegoat the Palestinians for their loss. Where were the "Arab leaders" when Israel was genociding the Lebanese?

If you are foolish enough to step into the same trap again and again, nature will abandon you to the scrapheap of human history. Consider these matters logically and set aside your desperation as you plan your future. If the "Arab leaders" really wanted to help you, they would join with the Iranians to help you, because they surely know that an attack on Iran will lead to an attack on Syria and Lebanon and eventually all of Islam. Where will the Palestinians be when Islam is destroyed? Where will they be when Kissinger's Jewish Pope joins with Dispensationalist Christians to attack Islam, and especially the "Canaanite" Palestinians?

The Cowardly Jewish Pope Attacks Moslems, Again. . .

Christopher Jon Bjerknes

http://www.jewishracism.com

In another cowardly slight on Moslems, the Pope has effectively called for Christians and Jews to unite against Moslems, and to refuse the rights of Palestinians. In the name of "peace", the Pope wages a not-so-subtle unprovoked war on Islam, and the dignity and reputation of Moslems. Was it the Talmud, or Zohar, which inspired his latest cowardly call to arms?

Thoughts on the Nuremberg Trials

Christopher Jon Bjerknes

http://www.jewishracism.com

If the Government argues that a soldier has no right honor his oath to uphold and defend the Constitution and that a soldier has no right to refuse to break the law, then there is no longer an American Government. The Government will have violated the Supreme Law of the Land and rendered it meaningless and of no effect, and thereby have voided its founding document. The Government will have breached the social contract with the People. If the Government argues that the illegality of a war is not an absolute defense for a soldier's refusal to break the law, then the Government will have violated the fundamental principles of law and government and yet again have shown their illegal treatment of those whose rights they are charged to protect. What, after all, is a legal defense to the charges of refusal to obey a legal order, if not the fact that the actions a soldier is asked to take are illegal, or, more properly, that a soldier has reasonable grounds for believing the orders to be illegal? How can a soldier fulfill his duty to uphold the law and defend the Constitution, if upholding the law is no defense against a provocation by the government to break the law? How can the legality of an order not be at issue, when the law imposes a duty upon every soldier to obey the law and to refuse to break it? The illegality of a war ought to be recognized as an absolute defense to the charge of refusal to obey a legal order.

If a court relinquishes its jurisdiction to consider the absolute defense of the illegality of a war, has not the court by its ruling rendered the Uniform Code of Military Justice null and void; in that the UCMJ must provide the defendant with his fundamental rights of due process of law which require the court to honor the defendant's rights to a defense? If the court's jurisdiction is

limited so as to prevent the presentation of a defense, then are not the defendant's rights to due process of law violated and the procedures of the court illegal?

When a citizen is confronted with a government which is acting outside of the law, that citizen has no other recourse than to appeal to his fellow citizens to charge the Government with its crimes. The State enjoys powers and means not available to a common citizen. The Constitution and Natural Law provide that the People themselves have the power to police the Government. A soldier reporting Government crimes to the People ought to be recognized as acting within his rights of self defense and pursuant to his duty to report criminal offenses, lest there be no legal means for the People to police the Government when it steps outside the bounds of the law.

The Congress ought to enact specific laws to help define a soldier's rights and obligations. Since the Congress has thus far neglected its responsibilities to enact such laws, one would hope that the courts would employ a very broad interpretation of the law so as to favor a soldier's claim that a given war is illegal.

"Over the last couple of weeks, I have talked with people familiar with the meetings four U.S. senators recently had in the Middle East. One of them asked me a question: Can you guess which two meetings were the most similar? I tried and

failed, so he gave me the answer: 'The meeting with [King] Abdullah [of Saudi Arabia] was the Bedouin version of the meeting with [Israeli opposition leader] Benjamin Netanyahu.' Netanyahu is the most vocal alarmist on Iran, and in the meetings he has with U.S. visitors, he tends to repeat the analogy he uses in public. It's not about Vietnam, and it's not about Cambodia. 'This is 1938,' he says. 'Iran is Germany, and it is about to arm itself with nuclear weapons.' The Saudi monarch, I wrote in *Ha'aretz*, 'for whom the Nazi analogy is not his natural domain, expressed exactly the same fear, but in somewhat different words.'"—Shmuel Rosner, "Did We Just Declare War on Iran?", *www.slate.com*, http://www.slate.com/id/2157489/, (12 January 2007).

Olmert is facing a criminal investigation. Bush is facing an American public which is increasingly calling for his impeachment and for war crimes trials. "Arab leaders" are on the verge of being overthrown at any time the Jewish media, Mossad, British Intelligence and the CIA decide to throw pan-Arabia into turmoil. All of these Zionists are calling for an escalation of the war in Iraq, and for a war against Iran, which will likely spark a nuclear World War III. Profiting from the Suffering of the Palestinians and Iraqis: Promoting a War Between Moslems and Middle Easterners

Christopher Jon Bjerknes

http://www.jewishracism.com

The so-called "Arab leaders" of Saudi Arabia, Jordan, Egypt, Lebanon, etc., are showing their true face as they line up to lick Olmert's and Rice's boots. Why are they doing it, and what is to be done about it?

Many of these "Arab leaders" are in fact crypto-Jews loyal to the Magen David, but let's set that aside for this discussion. Let's instead focus in on the more obvious facts, and specifically on the Saudi leadership. Saudi leaders have intimate ties to both the Zionist Bush regime and the Israelis. Saudi leaders let themselves be used as the scapegoats for the Mossad attacks on the United States of America of 11 September 2001. Saudi leaders are spreading a self-destructive interpretation of Islam, which is exploited by the warmongering Zionist-Axis of American Zionists, British Zionists and Israelis as a pretext for their unprovoked wars and for their planned extermination of all Moslems. Saudi leaders are sponsoring the American escalation of the Zionist war on Iraq and American plans to aggressively attack Iran. Saudi leaders are sponsoring the subversion of Palestinian interests by Abbas, Rice and Olmert. Saudi leaders are helping the Israelis to pit Sunnis against Shia, and Arabs against Persians. Saudi leaders want the Americans to train Iraqis to kill each other, and to provide the Iraqis with the weapons to be used by Iraqis to kill Iraqis, and to start World War III.

Saudi leaders, and their less wealthy colleagues in the Gulf, have always had it within their power to secure the Palestinians' rights and have done nothing but exacerbate the Palestinian crisis by subverting the Palestinians' interests while pretending to provide for the Palestinians. Saudi leaders have had it within their power to buy up major media outlets around the world and use them to further Islamic interests, but have not done so. Saudi leaders have had it within their power to create Moslem lobbying organizations to rival and surpass Jewish lobbying organizations in the US, but have not done so. Saudi leaders could have sponsored secular education, industry and agriculture across the Moslem world, but have not done so. Instead, Saudi leaders again and again come to the aid of the Zionists and promote war against Moslems

and pit Moslems against Moslems, and provide Zionists with pretexts to kill Moslems.

The CIA and Mossad, and more generally the governments of America, Britain and Israel have made it very profitable for the Saudi leaders to subvert the interests of the Palestinians, and, more generally, the interests of Islam. From the Saudi leaders' perspective, the worst possible calamity would be for the Palestinians to be freed and for the Middle East to enjoy a new era of peace and prosperity. The Saudi leaders would then become less relevant and their game of playing both sides against the Middle East would come to an end.

There are ways to pressure the Saudi leaders, without profiting the Zionists. Decrease their relevance by speaking to the people directly. Do not let the issue become one of Arab versus Iranian, or Sunni versus Shia, but rather one of justice and Moslem unity. Ask why Saudi leaders, and their cohorts in Egypt and Jordan, want Moslems to attack other Moslems and help the Jews to destroy Islam. Ask why the Saudi leaders are so close to Bush. Ask why Saudi leaders are either afraid to stand up for justice, or want to promote injustice and perpetual Palestinian suffering. Once the eye of suspicion is cast on Saudi leadership, more effective measures can be implemented to promote justice and peace in the Middle East.

Is U. S. Secretary of State Condoleezza Rice an Arab-Hating Racist?

Christopher Jon Bjerknes

http://www.jewishracism.com

IN THE NEWS:

"Israel Beiteinu is a racist party which is a danger to the state of Israel, Defense Minister Amir Peretz said during the Labor faction meeting on Monday. 'The decision to appoint Ghaleb Majadle as minister is causing people to say things that are way out of proportion,' Peretz said. 'If there is a danger to the state of Israel, it is the danger [presented by] a racist party like Israel Beiteinu.'"—Gil Hoffman and JPOST Staff, "Amir Peretz calls Israel Beiteinu a 'racist party'", *The Jerusalem Post* , http://www.jpost.com/servlet/Satellite?cid=1167467737898&pagename=JPost%2FJPArticle%2FShowFull, (15 January 2007).

"A few hours after U.S. Secretary of State Condoleezza Rice came to Israel on another diplomatic mission, she hastened to meet with Strategic Threats Minister Avigdor Lieberman. Rice met Lieberman two days after the chairwoman of his Yisrael Beiteinu faction, MK Esterina Tartman, made crudely racist statements against the appointment (which has meanwhile been postponed) of MK Raleb Majadele as the first Arab minister in the country's history. [***] Rice's meeting with Lieberman was like giving a stamp of approval to the racist positions he and his party have adopted. It is not clear why the secretary of state saw a need to hold this meeting, which is not part of the standard protocol for her visits to Israel. Her meeting with Lieberman thus constituted a kind of American recognition of his

status and his stances."—Haaretz Editorial, "Down with racism", *www.haaretz.com*, http://www.haaretz.com/hasen/spages/813380.html, (15 January 2007?).

"Israeli media reported that hardline deputy prime minister, Avigdor Lieberman, told Rice that the Israeli Army will have to re-enter the Gaza Strip at some point, and that 30,000 U.N. troops are needed to secure the chaotic Palestinian territory on Israel's southern flank. Lieberman has in the past said Israel should assassinate Hamas' leadership, ignore the moderate Palestinian president and walk away from international peace efforts. His ideas do not necessarily carry weight, but Rice defended the decision to meet with him."—Anne Gearan, "Rice Says She Registers Mideast Demands", The Associated Press/WashingtonPost.com, http://www.washingtonpost.com/wp-dyn/content/article/2007/01/14/AR2007011400287.html, (14 January 2007).

Abbas Is Working with the Jews to Set up the Palestinians

Christopher Jon Bjerknes

http://www.jewishracism.com

World Jewry wants to have a pretext for killing Palestinians. They gave the Palestinians guns in the hopes that their agent, Abbas, could talk the Palestinians into killing one another. That effort failed.

Now they are building up Abbas as if he were the man who saved the Palestinians from the Jewish effort to instigate a Palestinian civil war, when in fact Abbas is the Jewish agent who tried but failed to instigate civil war. Now, Abbas is betraying the Palestinians by issuing threats of violence against Israelis. This affords Mossad an opportunity to conduct a false flag opperation and blame it on Arabs. Perhaps Abbas, *agent provocateur* that he is, will succeed in

coaxing some moronic Arab into killing a Jew. The Israelis will then have the pretext they are praying for to annihilate Gaza and provide additional military support to occupiers of the West Bank to attack defenseless Palestinians.

These are ancient Jewish tactics. It is by way of deception that they wage war. Consider the following quotations:

"The conclusions from Dayan's words are clear: This State has no international obligations, no economic problems, the question of peace is nonexistent. . . . It must calculate its steps narrow-mindedly and live on its sword. It must see the sword as the main, if not the only, instrument with which to keep its morale high and to retain its moral tension. Toward this end it may, no—it must—invent dangers, and to do this it must adopt the method of provocation-and-revenge. . . . And above all—let us hope for a new war with the Arab countries, so that we may finally get rid of our troubles and acquire our space. (Such a slip of the tongue: Ben Gurion himself said that it would be worth while to pay an Arab a million pounds to start a war.) (26 May 1955, 1021)"—Excerpt from a 26 May 1955 entry in Moshe Sheratt's personal diary as quoted in L. Rokach, *Israel's Sacred Terrorism*, Third Edition, AAUG Press, Belmont Massachusetts, p. 41.

"Yet the Jews of the Ottoman Empire, notwithstanding their degradation, exhibit a certain intellectual tendency. They live in an ideal world, frivolous and superstitious though it be. The Jew who fills the lowest offices, who deals out *raki* all day long to drunken Greeks, who trades in old nails, and to whose sordid soul

the very piastres he bandies have imparted their copper haze, finds his chief delight in mental pursuits. Seated by a taper in his dingy cabin, he spends the long hours of the night in poring over the Zohar, the Chaldaic book of the magic Cabala, or, with enthusiastic delight, plunges into the mystical commentaries on the Talmud, seeking to unravel their quaint traditions and sophistries, and attempting, like the astrologers and alchymists, to divine the secrets and command the powers of Nature. 'The humble dealer, who hawks some article of clothing or some old piece of furniture about the streets; the obsequious mass of animated filth and rags which approaches to obtrude offers of service on the passing traveller, is perhaps deeply versed in Talmudic lore, or aspiring, in nightly vigils, to read into futurity, to command the elements, and acquire invisibility.' Thus wisdom is preferred to wealth, and a Rothschild would reject a family alliance with a Christian prince to form one with the humblest of his tribe who is learned in Hebrew lore.

The Jew of the old world, has his revenge:

'The pound of flesh which I demand of him

Is dearly bought, is mine, and I will have it.'

Furnishing the hated Gentiles with the means of waging exterminating wars, he beholds, exultingly, in the fields of slaughtered victims a bloody satisfaction of his 'lodged hate' and 'certain loathing,' more gratifying even than the golden Four-per-

cents on his princely loans. Of like significance is the fact that in many parts of the world the despised Jews claim as their own the possessions of the Gentiles, among whom they dwell. Thus the squalid *Yeslir*, living in the Jews' quarter of Balata or Haskeni, and even more despised than the unbelieving dogs of Christians, traffics secretly in the estates, the palaces and the villages of the great Beys and Pachas, who would regard his touch as pollution. What, apparently, can be more absurd? Yet these assumed possessions, far more valuable, in fact, than the best 'estates in Spain,' are bought and sold for money, and inherited from generation to generation."—"The Jews", *The Knickerbocker; or New York Monthly Magazine*, Volume 53, Number 1, (January, 1859), pp. 41-51, at 44-45.

Do Not Trust Abbas

Christopher Jon Bjerknes

http://www.jewishracism.com

Abbas is working with the US and Israel to make it falsely appear that Palestinians have scuttled Israeli efforts to implement a two State solution. This is the new campaign to scapegoat Palestinians, following the alleged mistake of declining the previous "generous" Jewish offer.

Abbas is also setting up the Palestinians by asking them to raise arms against Israel. The

smartest move Palestinians could make is to give back the M16's and 5.56mm NATO ammunition that were initially given to Abbas in the hopes that Palestinians would use them to kill each other. Now that plan *A* has failed, Abbas is implementing Jewish plan *B*, the use of the ineffective small arms to attack Israelis, or what is more likely to create a climate where Mossad can attack Jews in a false flag operation and believably blame it on Palestinians. Send the rotten guns and bullets to Israel and tell the Jews that you want peace and justice, not war which will exterminate the Palestinians. Send them Abbas, too, in a chauffeured limousine flying the colors of Zion. His tough talk and apparent disagreement with Condi Rice is a staged deception. He is setting up the Palestinians, yet again, by calling for violence which will kill more Palestinians and generate world wide sympathy for Jews.

Trust NOT Their Assurances

Christopher Jon Bjerknes

http://www.jewishracism.com

Do not believe the Zionists' assurances that they do not plan to attack Iran. Unless they are stopped, the Jewish controlled Bush regime will wage aggressive war on Iran and they will attack Iran with nuclear weapons.

Recall how the Israelis lied to the world during their unprovoked aggressive war on the defenseless nation of Lebanon. The "Jewish State" bought itself more, and still more, time with

its endless lies that the Jewish genocide of the Arabs would soon end. The Jews sought to completely destroy the sovereign country of Lebanon, and did not care that their lies would eventually be exposed by their actions, because the absolute destruction of Lebanon would then be an accomplished fact and there would be nothing that could be done about it. The Jewish war criminals have gone unpunished, and traitors in Lebanon are at this very moment working with the Israelis to reopen the theater of aggressive war and finish the ancient Jewish job of annihilating Lebanon.

Bush and his fellow Zionists will continue to lie, and Zionist traitors in the Democratic Party will continue to stall with empty threats and meaningless and ineffective objections, until Bush attacks Iran. The destruction of Iran will then be an accomplished fact and the Jews of Israel, and their traitorous fifth column in America, will scapegoat America for their aggression, just as they have scapegoated America for their destruction of Lebanon, and of Iraq.

Recall the false assurances of the Zionists when they launched their unprovoked attacks on Iraq, that all would go well, and the expenses in lives and dollars would be repaid with stability and democracy in the Middle East. The Zionists' lies have been exposed by their actions, but their war crimes have gone unpunished, and the destruction of Iraq and instability of the Middle East, which were the Zionists' objectives from the beginning, are now an accomplished fact, and far too few are doing anything about these tragedies.

Never trust the Zionists or Israelis. Over and over again, they have proven that they are vile and psychopathic liars. Their promises of help are traps. Their promises of new nations are stumbling stones. Their promises of democracy open the doors to dictatorships and perpetual

war.

There will be an enormous amount of corruption chasing after it, as the society adjusts to the tumultuous changes Chavez is making. His success, or failure, will largely depend upon his ability to control those corrosive forces.

Chavez is depending upon oil revenues to accomplish what Communism cannot, distributing the wealth of the society to all of its members in order to build a strong and stable middle class. Russia had vast natural resources, but it was destroyed by Jewish subversion and corruption. To this day, the one factor holding Russia back is rampant corruption, which is a legacy of its Jewish Bolshevik past. Former Soviet citizens had no choice but to function through corruption, or starve. If you wanted a doctor to treat you, you first had to treat her to some ham from the farm, or a few bottles of vodka. Such corruption permeated every aspect of Soviet life.

Whenever government takes over businesses, petty tyrant bureaucrats find their way into positions of power they cannot manage and stick there, clotting the arteries of the society. Where there is no competition, where consumers have no choices or alternatives, petty and meanspirited bureaucrats feed off of bribes and treat the general population as if they were prison guards and the people were helpless criminals. Add onto that sorry fact of socialistic life the incentive to generalize wages, and you have a recipe for incompetence, indifference and vast corruption.

Chavez better have systems in place to curb this corruption, without himself becoming a petty tyrant. His survival will depend on his popular support. In order to maintain the People's

support, he will have to be just kind enough, and just cruel enough, and no more. He will have powerful enemies fueling his opposition. If he cracks down hard on the corrupt, the people may abandon him. If he allows corruption to spread, the people will lose their respect for him and look elsewhere. The CIA and Mossad will try to spread drugs and prostitution in the country and corrupt it in a million other ways. Organized crime and local politicians will take advantage of the chaos to demand their cut of the profits. When he deals with other nations, he will face their corrupt officials, without the open help of the World Bank behind him, rather with it apparently working against him.

Chavez had better focus on effective wage systems and provide the consumer, the public, with the means to regulate corrupt public officials, and provide incentives for good people to succeed. He had better model his society after Sweden, and not the Soviet Union, *or Cuba*. If he dumps his wealth into military spending and spreads his empire too thinly over poor countries, the bridge he thinks he is building will collapse from its own weight, and his people will be corrupted by foreign influences. On the other hand, if makes deals to generate wealth and savings for his People, and symbiotically for his neighbors, he may survive for a few years.

Americans ought to act now to improve the lot of our southern neighbors, or we will eventually face a red tidal wave from the South which will sweep away our liberty and then our lives. That is if we survive the Bolshevization taking place from within, and the march toward World War III that Zionist Bush is leading. We have neglected these problems for far too long. Our policy has been, for hundreds of years, to increase the problems of our southern neighbors, so that they will forever be too weak to threaten us. It was an inhumane policy and it will haunt us if we do not act immediately. But we still have time to make amends if we act now.

Chavez is giving the Indian populations hope. That is something the USA has never done. Power is shifting among South and Central American nations. Yet again, Zionist power is subverting American interests. You can bank on the fact that Chavez, like Castro, is working for the Jewish bankers. Without a controlled opposition, they have no means to destroy us. Do not forget that the bankers can work with Bush to destroy Islam, as they work with Chavez to destroy America, as they work with Bush to destroy Chavez. It is easier to bring down a massive structure if you destroy all of its underpinnings simultaneously.

Mahmoud Ahmadinejad, a. k. a. Emmanuel Goldstein

Christopher Jon Bjerknes

http://www.jewishracism.com

Mahmoud Ahmadinejad is a real life Emmanuel Goldstein. His uranium enrichment program promises only to serve as a pretext for Zionist aggression meant to annihilate innocent Iranians and to spark World War III. Consider the following article:

Nuclear plans in chaos as Iran leader flounders: Boasts of a nuclear programme are just propaganda, say insiders, but the PR could be enough to provoke Israel into war

Why, other than to ruin Iran and trigger World War III, is Ahmadinejad forwarding his fruitless plans? Consider the following articles:

Peres grateful to Nasrallah, Ahmadinejad

Ahmadinejad good for Jews

We have to defang Bush *and Ahmadinejad* in order to end this Jewish orchestrated march to the Battle of Armageddon. We must lay the blame for this tragedy on Israel and its agents, not Iran or the United States of America. There is more than ample proof that Israel is behind this push for nuclear world war:

Ahmadinejad Is a Crypto-Jewish Pied Piper

Christopher Jon Bjerknes

http://www.jewishracism.com

I have been asked to write something about the evolution of Communism and Zionism from the common root of Jewish apostasy.

The apostasy of the Jewish masses is itself a part of the religion of Judaism. Judaism teaches Jews that the world will turn to evil before the arrival of the Jewish Messiah (see, for example, the Talmud in the Tractate Sanhedrin 97a-99b). The leadership of World Jewry confronted several problems in its ceaseless campaign to keep the Jews segregated and to "restore the nation to Palestine". One problem was that Christianity prophesied the arrival of the anti-Christ, and the Jews did not want to be viewed as the arrival of the anti-Christ. Christians believe that those Jews who will constitute the prophesied "remnant" "restored to Palestine" will have

accepted Jesus Christ as their Messiah, will have converted to Christianity.

After printed versions of the Talmud appeared in the 1500's, Catholics became increasingly suspicious of the intentions of the Jews. In response to this "attack" from the Catholics, World Jewry created disunity in the Church by instituting the Reformation and developing the idea of the Pope as anti-Christ, so as to take the eye of suspicion off of the Jews. World Jewry, through false Christian crypto-Jews, initiated several movements which we would today call "Zionist movements".

These Zionist movements often sought to convince Jews to pretend to convert to Christianity, so that the Christians would not view Zionism as an evil force, and so that Christians would in fact help the Jews to steal Palestine from the Moslems.

At the time, Jews were highly religious, one could even say fanatically religious, and these attempts to gain false conversions were largely unsuccessful. More successful were the economic incentives given to Jews to convert by laws which required conversion to Christianity before a Jew could become a teacher, lawyer, civil servant, etc.

Another far more sinister force for Jewish apostasy was the Shabbataian-Frankist movement, which taught Jews to convert, or abandon Judaism, and instead embrace evil and only evil as their religion; so as to provoke God to grant the Jewish Messiah universal power, destroy the world, and "restore the Jews to Palestine". This Jewish group ridiculed Judaism, and especially the Talmud, in order to ingratiate themselves into the Christian and Moslem faiths, so that the Jews could destroy both from within, and in order to fulfil the prophesies of Jewish apostasy,

which actions would supposedly usher in the Messianic Age.

These subversive Jews and crypto-Jews embrace Cabbalah, which is revolutionary in nature, and which incorporates empirical science and the Jewish Dualistic belief that evil is good. These highly influential, *highly religious*, and unimaginably wealthy Jews fabricated Communism and secular Zionism from the Talmud and Cabbalah. They intended that Jews fall into apostasy in order to get the Christians off of the Zionists' back, and to provoke God to destroy the world.

The movement of Jewry towards apostasy was planned and orchestrated by *religious* Jews. After World War III, you can expect that they will anoint their Messiah King of the entire Earth; and then, by design, turn Jews back to Judaism, if any are left alive.

As for the crypto-Jewish pied piper Mahmoud Ahmadinejad, he serves a vital role in the artificial fulfilment of these prophesies. He is the Persian King who foreshadows the battle of Gog and Magog of Ezekiel. He is deliberately bringing Iran into a devastating war on behalf of World Jewry.

Consider the situation logically. Iran's nuclear program is obviously not worth the death of the nation and will be of no value whatsoever after Iran is annihilated. Ahmadinejad's actions would be completely irrational if we were to suppose that he truly intended to forward the best interests of the Iranian People. He does not, but is instead deliberately forwarding the genocidal plans of the Frankist Jews, who own most of the wealth of the human race.

Consider the fact that Bush, who leads the most powerful nation on Earth, is an obvious stooge of the Frankist Jews and openly defies the American People, and perhaps you will find it easier

to believe that Ahmadinejad is doing the same to the Iranian People. The Iranians know what Ahmadinejad is doing. They are not so stupid as to believe that it is righteous to stand in front of an approaching train on a matter of principle which gains the nation nothing and leads directly to its death. The moral imperative to save the nation and prevent the genocide of the Iranian People is far higher than the moral imperative to assert Iran's right to a peaceful nuclear program. Ahmadinejad, if he were "for real", would be nothing more than an immoral jack-ass hell bent on devastating Iran in the name of a legal right to enrich uranium, which will be denied in any event. In reality, he is a traitor.

Ahmadinejad has done next to nothing to expose the organized efforts of Israel and America to destroy Iran. He has done next to nothing to win world public opinion over to the Iranians' side. He has instead played into Israel's hands and assisted them in their goal of mass murdering Iranians. He has focused attention more on the USA than Israel. He has not pointed out Netanyahu's blatant hypocrisy, nor has he put to use the vast resources of the Iranian nation to wage a massive public relations campaign to expose the Jewish genocides of innocent peoples and their plan to aggressively attack Iran. He has instead unified Jews and cast scorn upon Iran. His actions are deliberately self destructive and Iran would be far better off with secular leadership which holds Iran's best interests at heart, instead of Israel's.

The Iranians are caught in the same bind as the Americans.

A Clear Pattern Emerges from the Rubble

Christopher Jon Bjerknes

http://www.jewishracism.com

I caution Moslem nations to consider the clear pattern of Zionist aggression against your countries. Note especially the use of treacherous "Moslem leaders" and false flag terrorism to provide the Zionists with an illegitimate pretext for illegal aggressive war, and to incite Moslems to kill other Moslems.

The Jewish-led attacks on Afghanistan, Iraq, Lebanon and Palestine each followed a similar model. The Taliban, Saddam Hussein, Fouad Siniora and Mahmoud Abbas were each products of the Mossad, CIA, British Intelligence and subversive Jewish influence. Each rose to power under the pressure of foreign attacks on sovereign peoples. Each provided pretexts for Jewish leaders to attack the peoples each were duty bound to protect. Following these orchestrated attacks, the peoples suffering under the rule of each of these "leaders" were led into civil war by false flag terrorism and deliberately misguided "leadership". Each of these "leaders" have helped World Jewry to scapegoat the United States for their destructive actions, and to force nations other than Israel to pay for Israel's crimes.

We can expect this pattern to repeat itself for as long as it continues to work. The next target on the Zionist hit list is Iran. Chavez and Ahmadinejad both focus on the USA and work with World

Jewry to scapegoat the USA for illegal actions which clearly emanate from orders from World Jewry. Their statements correspond to and bolster statements by Israeli politicians. They are agents of the Jewish bankers who help the bankers to start wars and blame Goys.

After World Jewry has annihilated Iran, and assuming World War III does not begin, Israel will start beating the drums for war against the Sunni, and will use their control over the media to create world-wide hatred for Moslems. Jordan, Saudi Arabia, and Egypt talk of nuclear development today, because the Sunnis are next on the Zionist hit list after Iran, and the "leaders" of these Sunni Arab nations are Zionist agents and are working for World Jewry to provide it with a series of pretexts for the next series of attacks on Moslem countries. In order that these Zionist agents not be overthrown, they will turn to their peoples and say that they need nuclear weapons for self defense, and offer up the example of Iran, a country they themselves will have helped to destroy. In reality, they will be deliberately providing World Jewry with a pretext to mass murder more Moslems and ruin more nations.

Moslems can seek to protect themselves by promoting Moslem unity and calling for peace and stability in the Middle East. You should offer rewards for the capture and conviction of anyone seeking to commit acts of violence. You should offer especially rich rewards for the capture of foreign intelligence agents and those working with them. It will be much more difficult for Mossad to operate if they face a public with a substantial financial incentive to catch them and turn them, and their agents, in for a large reward. When agents are captured, the events should be highly publicized with emphasis on the heroic persons who turn in the spies, and on the large amounts of money and fame they receive.

Moslems can further protect themselves by increasing the transparency and by diminishing the authoritarian control of their governments. In other words, Moslem peoples should exercise greater popular control over their governments. Be advised that one of oldest and most effective means World Jewry has for subverting and destroying a society is to place dictators in power on a Jew-baiting platform, who are secretly working for World Jewry to help World Jewry to gin up a war against the target nation. World Jewry will usually first build up the nation economically so that it buys up enough arms and builds an army strong enough to dare war. Then World Jewry will weaken the nation through economic means and comparatively minor wars. When it is sufficiently softened up, they will then instigate a major war to utterly destroy the nation.

Watch for the signs and act when it is comparatively easy to act.

The Golden Trap

Christopher Jon Bjerknes

http://www.jewishracism.com

Consider a hypothetical situation. What if a specific group of fork manufacturers, working in collusion, had a lock, a monopoly on the production of forks. Suppose they then used their influence to corrupt politicians and have them base our money on forks.

The price of forks would skyrocket and people who had no intention of using forks as a medium of exchange would be forced to do so, if only to pay their taxes. The fork you group, covertly run by Jewish bankers, would hire a feted Jew to lead a populist movement "against the Jewish bankers", who have thus far controlled the Federal Reserve System and inflated our currency, and this Jew would sucker the American People into demanding that bankers give up control of our currency by instituting the fork you standard. He would say that the American People must have the "FREEDOM" to enslave themselves to the fork you standard, thereby covertly taking away the freedom of the American People to issue their own currency through their Government and enslaving them to the hypothetical fork manufacturers covertly run in our hypothetical example by Jewish bankers. Gullible Goys would cling to their new savior and blindly extol the virtues of being forked by their feted Jewish Messiah, who promised to lead them into a new

Utopia of "FREEDOM".

The Jewish bankers, who initially secured the Goy debts they manufactured through unnecessary wars and other destructive means, while quietly robbing the treasury to ensure that those debts would accrue and could never be paid off, those same Jewish bankers who initially secured the debts with Federal Income Taxes, debts they deliberately created and increased, would seek to secure those debts with forks, and land, and the property and wealth of the American People. The Jewish bankers know that American incomes will soon diminish in value and that they will soon have the opportunity to foreclose on America. They want to secure the debt they created with property they can steal, instead of increasingly devalued Federal Reserve Notes and Income Taxes, which are becoming an increasingly risky means of securing debt for the Jewish bankers.

After suckering the American People into adopting the fork you standard in the name of "FREEDOM", the Jewish bankers would confiscate all the forks in America with little or no compensation given to the fork holder—how can one confiscate forks by giving forks in exchange? They would then circulate these stolen forks as currency and continue to sell the American Government more forks at inflated prices, thereby increasing the national debt substantially. They would secure this debt with the wealth of America, as opposed to Federal Income Taxes.

At the opportune moment, the Jewish bankers would then hoard all the forks and cut back drastically on all forms of loans. Without money available with which to make purchases, there would be a dramatic deflation of the currency, which would be increasingly held by the Jewish

bankers. Businesses would fail, foreclosures would increase further causing prices to fall, and unemployment would rise dramatically, but the value of forks would sharply rise. There would be dramatic deflation.

In other words, the Jewish bankers would be able to buy up the wealth of America with their forks, while the American Government went bankrupt. The Jewish bankers would then be able to foreclose on the American People, and steal national lands, and other forms of irreplaceable wealth from the American People, in addition to directly foreclosing on American property held in private hands. When the American People cry foul, their feted Jewish Messiah will say, no, we must have "FREEDOM", meaning the Jewish bankers must be allowed to fork the American People and the American People must not enjoy the freedom to issue their own currency through their Government. Only a card carrying Communist would deny the benefits of being forked or would allow the Government to issue its currency independent of the fork you group! or so say the feted Jew will say.

The gold standard is a trap, a pitfall that enslaves Goy nations to Jewish bankers. Jewish bankers first inflate currency they issue as notes, by instituting a fractional reserve banking system and charging the Government, the American People, an unnecessary fee for issuing these notes. Then the Jewish bankers create a controlled opposition which decries this banking system and demands a gold standard to replace it. The Jewish bankers hold the gold and will confiscate the gold held in private hands to provide the stock needed to start off the scheme. In so doing they have already made a profit by selling the Government gold, gold they have stolen from the American People long ago, and gold they will confiscate. Though they will pretend that

the Government is in control of the money system, they will maintain a firm grip on it from beginning to end.

The Jewish bankers will secure their investment in American debt with property they can confiscate, as opposed to income taxes they know will never be able to pay off the debt, by design. After again depriving the American People of the means of issuing their own currency through the American Government, the Jewish bankers will hoard the gold and cut back dramatically on loans, increasing the value of the gold they hold and making it impossible for the American economy to function. After collapsing the American economy, the Jewish bankers will foreclose on America and steal our wealth with the gold they hold.

A new feted Jewish Messiah (secretly working for the Jewish bankers) will appear, who will loudly decry the gold standard as the criminal enterprise of the Jewish bankers that it is. This new agent of the Jewish bankers posing as an "American patriot" will promise the gullible Goys that a Federal Reserve System and a Federal Income Tax will save them from the Jewish bankers. "FREEDOM" will now mean the freedom of the Jewish bankers to control the issue of notes to the detriment of the American People. The Jewish bankers, in the name of "FREEDOM", will again take from us the freedom to issue our own currency through our Government. The Jewish bankers will then again collect and hoard the gold and send it off to Jerusalem, and the American People will again have jumped from the golden frying pan to the inflated fire of crackling notes.

"Leadership" in Lebanon

Christopher Jon Bjerknes

http://www.jewishracism.com

Lebanon suffers under the "leadership" of unimaginably wealthy traitors, who conspired with the Israelis to bring Lebanon under attack, to ruin Lebanon, and then to profit from plans to reconstruct Lebanon. Some of the leaders and ruling families grew wealthy off of previous Zionist aggression. Others are bankers with intimate ties to World Jewry.

Instead of demanding that Israeli war criminals be prosecuted, and that Israel pay war reparations, the leaders of Lebanon seek to throw Lebanon deeper into debt and conspire with world finance to do it. Even if Lebanon does not live long enough to begin reconstruction, the money will flow, much of it into their pockets. The unprovoked and genocidal Israeli attack on Lebanon promises to be a very profitable opportunity for Lebanon's leadership, one that was planned from the beginning.

Naked Hypocrisy and Genocidal Plans

Christopher Jon Bjerknes

http://www.jewishracism.com

World Jewry makes many allegations that Iran and Syria are subverting the interests of the nations of Lebanon and Iraq. Israelis allege that Iranians and Syrians are funding and supporting warmongering groups in Lebanon and in Iraq and instructing them to wage war on Israel and America. The Israelis claim that this supposed activity is illegal and that it constitutes a *casus belli* for the world to attack Syria and Iran. However, the Israelis offer no proof to substantiate their dramatic claims.

Contrast this with the fact that the Israelis openly subvert the political processes of the United States of America by creating, funding and promoting warmongering Zionist puppets, who illegally bring America into aggressive war against peaceful nations. In addition, the Jewish controlled media both promotes Zionist warmongers and attacks loyal and decent Americans. The same can said of many other Jewish controlled institutions of influence in America. World Jewry plans to launch an aggressive nuclear attack on Iran, which is a peaceful non-nuclear nation. A fifth column of Israel-first disloyal Jewish Americans and their shabbas Goys intimidate Moslems to keep them out of the political process, and these disloyal, warmongering Jews are deliberately creating a very dangerous atmosphere of irrational hatred towards Moslems with the goals of eventually imprisoning them *en masse,* then mass murdering them. Warmongering Jews call all Moslems "terrorists" and "anti-Semites" in order dehumanize and criminalize them—in order to take away the humanity of Americans and the right of Moslem people to exist.

Americans must wake up and see who the real enemy is. Though we don't yet realize it, we are

not only being used to target innocent others, we are ourselves the targets of ancient Jewish bloodlust.

Let Israel Collapse from Within

Christopher Jon Bjerknes

http://www.jewishracism.com

Iranians should know that the Jews of Israel want you to hate them so badly that you will destroy yourselves simply to attack a few Jews. Hating Jews is immoral and it won't help you, it will destroy you, and the Jews of Israel know it. Nothing good will come from a war with Israel. Have faith in human morality and pursue peace.

The Jews count on the mythology of the Pharaoh and Amalek to destroy their enemies. They depend on the power of hate to consume the hater. Consider the historical analysis presented in the following article:

Vayeira: The Power of Hate

Israel is a terribly corrupt country that is crumbling from within. Let it fall from its own sinful weight. World Jewry want a war to unite the Jews and create Jewish support for the withering "Jewish State". Let Jewry's occupation of Palestine again be a short blip in human history, which historians will again record as a vile occupation fraught with violence and degeneracy, that fell

by its own corruption. Don't allow World Jewry to unite Jews (and Christians) against Moslems. Instead, let them turn against one another by their own will.

Instead of allowing immature bravado to lead you into suicidal action, fight your enemies with a message of love. Prove with the readily available evidence that World Jewry is waging a world wide campaign to incite genocide against the Iranian People. The Jews are basing their cruel and inhuman campaign on their lie that Iran is supposedly developing a nuclear arsenal with which to attack Israel. Disarm World Jewry by cooling your nuclear program. Turn the world against aggressive Israel and wage a campaign of peace and love that will result in the slow suicide of the racist and criminal "Jewish State" by the self inflicted wound of their own Jewish hatred of humanity. Israel will fall from its own corruption. Without the unifying force of a common enemy, real or in this case imagined, it will collapse by demographic realities alone.

Buy yourselves and the world time to expose the Zionists as the existential threat they are to themselves and to the rest of humanity. We are at long last beginning to win that victory. Don't undermine our efforts by playing into the Israelis' hateful hands. Every day of peace and stability in the Middle East is a day closer to the "Jewish State's" implosion by its own hatreds.

The way out is simple and honorable. Simply say something to the effect of,

"We have abundant proof that Israel and the United States are planning to attack Iran on the false pretext that Iran is developing nuclear weapons. In order that there be no room for confusion as to Iran's peaceful intentions, we will voluntarily halt our uranium enrichment program in the interest of world peace, which can only be preserved by

disarming the warmongering Israelis of their lies. We call upon the world community to condemn Israel and the United States for their aggressive plans to commit genocide against our people."

Then make every effort to accumulate the facts which prove this plan to annihilate you. Publish a report and produce documentary films which you can post on the internet for all the world to see. Win yourselves time with the truth. The world is growing increasingly disgusted with unprovoked Israeli aggression. You will lose nothing with this approach and just may save your people from a vicious attack. It is your responsibility to the Iranian People to do everything in your power to prevent this war which is being imposed upon you. There is no dishonor in the truth. The dishonor belongs to the genocidal warmongers. Do not give them their victory. Do not give the Israelis the opportunity to kill Iranians.

Jews Have No Right to Illegally Occupy Stolen Land

Christopher Jon Bjerknes

http://www.jewishracism.com

One wonders if World Jewry will soon attempt to make it illegal to "deny Israel's right to exist". The phrase "Israel's right to exist" is an unfortunate and misleading one, which deceitfully implies that anyone who acknowledges the reality that the Jews' theft of Palestinian land was illegal and immoral, also wants to exterminate the Jews. Of course, World Jewry has been violating Palestine's right to exist for a very long time now, though World Jewry, which largely controls public opinion, would deceitfully have us believe that anyone who recognizes Palestine's right to exist also wants to exterminate the Jews.

These facts further clarify the truth that the criminal enterprise known as "Israel" exists through theft, lies, mass murder and parasitism. Jews have confused an existential individual "right to exist" (read "an individual human being's right to life") with a criminal enterprise's "right" to

steal, lie, and feed off of, and mass murder, others. "Israel" is a violent, highly destructive, deliberately destabilizing and corrosive Mafia, which openly threatens the continued existence of humanity.

Mafias do not have an existential right to exist. Mafias, including the "Jewish State", do not enjoy the right to repeatedly throw the world into war and economic depression for the sake of the small numbers who constitute World Jewry. The Jewish Mafia does not have the right to destroy nations and exterminate peoples, despite its manual of death supposedly written by the mythological and demonic "Hashem".

It is true that sovereignty ultimately exists in the individual. The racist Jewish thieves who stole the land of Palestine have a right to life and a right to be citizens of a sovereign nation. They do not, however, have the right to steal land. They do not have the right to practice genocide. The Jews do not have the right to practice racist and religiously intolerant apartheid. This is why the racist, genocidal, thievish, and corrupting criminal enterprise known as the "Jewish State" has no right to commit its crimes, nor does it have a right to confuse sovereignty with theft and genocide, nor does it have the right to prevent the investigation and prosecution of its crimes, nor does it have the right to prevent the restitution of the land and rights of the Palestinians through the historically Jewish tactics of intimidation, genocide, corruption and subversion, or by any other means.

Palestinians and the rest of us should abandon the deceitful rhetoric of "Israel's right to exist" and instead simply tell the plain truth. Jews have no right to illegally occupy stolen land.

War Will Come Sooner Rather than Later

Christopher Jon Bjerknes

http://www.jewishracism.com

By simply keeping his mouth shut, Ahmadinejad could have bought Iran precious time to attempt to head off this war with an international diplomatic effort aimed at exposing Israeli and American aggression. Instead, Ahmadinejad gave the Israelis the excuse they want to not wait to attack Iran. Ahmadinejad has declared that his nation will not negotiate on the nuclear issue and will not be affected by sanctions. Ahmadinejad has purposefully made the UN and diplomacy non-issues. The only issues left now is when to attack, who will strike first and how.

Iran can save itself and the world from this imminent threat. So can the US and Israel. Will the people of the world do anything to save themselves from the coming disaster? If not, it will come sooner rather than later—I fear much sooner than most suspect. Bush, Olmert and Ahmadinejad are working together to accelerate the schedule.

Iranians, Beware of Chavez

Christopher Jon Bjerknes

http://www.jewishracism.com

Hugo Chavez is a Communist agent working for World Jewry. He is currently aiding Jewish bankers to spread Communism throughout Latin America. Chavez is also helping the crypto-Jewish pied piper Mahmoud Ahmadinejad to bring Iran into war with America and Israel.

Chavez knows that he will not have to make good on economic pledges to Iran, because Iran will soon be attacked, isolated and ultimately destroyed. The American and Israeli attack on Iran will likely cause oil prices to soar, which will benefit Chavez—note that he has already called on OPEC to cut production and an attack on Iran will certainly accomplish that goal. The American-Israeli attack will also weaken the United States, which will help Chavez and World Jewry to spread Communism across the Americas and destroy the USA. Beware Greeks bearing gifts, especially when they are red-shirted, Che Guevara / Fidel Castro worshiping, beret-wearing Communists working with Jewish bankers to destroy your nation.

I wish the South Americans well, but not at the price of a nuclear attack on Iran followed by World War III. I wish that we can work together to end the imperial injustice the Zionists impose on the South Americans through the USA and the World Bank, but not by means of Communism, which will ultimately only worsen their lot and ours.

Iran, Chavez does you no service by encouraging hostilities between the USA and Iran. He is instead working with Ahmadinejad to destroy your nation, the USA and to spread Communism.

He is doing these things on behalf of the Zionists who want a one-world government led from Jerusalem, and the death of all Moslems.

Iranian "Leaders" Fundamentally Misunderstand (or Deliberately Misrepresent) the Situation

Christopher Jon Bjerknes

http://www.jewishracism.com

Iranians are pretending that the USA has been humbled by its experiences in Iraq, and that Israel has also learned its lesson in Lebanon. Iranian leaders confidently assert that the neither the USA or Israel would dare attack Iran, because they have learned that such aggressive wars are self destructive.

In reality, the lessons those who were behind the criminal attacks learned from their unprovoked, aggressive, Jewish-led neo-Conservative war on Iraq, is that an ungodly amount of money can be made from aggressive war on Moslems, and American Goys are too cowardly and too stupid to demand that their politicians and Israel pay for their crimes. Jewish leaders reaffirmed how easy it is to blame America for their crimes against Moslems. Experience has taught Jewish leaders that they can annihilate Iran and profit from the crime.

Surely rational Iranians must realize that loyal Americans are not in control of the American Government, and the disloyal Jews who are in control of the American Government want to

destroy it, and America with it, so as to force assimilating Jews to flee to Israel. These Jews also want there to be a world war, which will fulfill their religious and political objectives, and for the world to sink into a deep depression so that unimaginably wealthy Jews can buy up the wealth of the world at deeply discounted prices, as they have in the past depressions which they have manufactured for the purpose.

Iranians are also pretending that Israel learned not to attack Moslems by their failure to exterminate the Lebanese. They point to the resignations and calls for resignations of Israeli leaders who led the unprovoked aggression. Iranians are misinterpreting Israeli discontent with these Jewish leaders. The Israelis are not calling for these leaders to resign because these leaders attacked Lebanon, but rather because they failed to kill every Lebanese and destroy every standing structure in Lebanon. The lesson the Jews of Israel took from their attack on Lebanon, and from the covertly Jewish-led American aggression on Iraq, is to exterminate Moslem populations in death camps, and to utterly destroy all Moslem property, which they will be happy to do because their genocidal Jewish God Hashem tells them that they must eradicate the Moslems.

All of those reasons which Iranian leaders are pretending are reasons why America and Israel won't dare to attack Iran, are among the very reasons why disloyal Jewish Americans are planning to attack Iran.

Instead of pounding their chests like adolescent idiots, Iranian leaders should point out the inhumanity and illegality of American and Israeli plans to attack them, and insist that they will not allow Iran's peaceful nuclear program to serve as a false pretext for illegal Zionist

aggression. Iran should then engage the UN and cool the nuclear program and call on the UN and the world community to halt the illegal American and Israeli build up to an attack on Iran. If Iranians have any desire to survive, they should rid themselves of Ahmadinejad, and take a mature and reasoned approach to world politics, instead of deliberately playing into the Zionists' genocidal hands.

Jewish Racism

More on 2/11/07. . .

Christopher Jon Bjerknes

http://www.jewishracism.com

World Jewry has built up Mahmoud Ahmadinejad as their latest international bogy. But they are worried that their campaign to destroy Iran could be derailed if the Iranian People deposed Ahmadinejad and the theocratic regime above him. World Jewry is not out to depose Ahmadinejad, who is their man, nor are they out to put an end to Iran's non-existent nuclear weapons program. World Jewry wants to wipe Iran off the map and annihilate the Iranian People. Therefore, it is important to World Jewry that the Iranian People in general be seen as a supposed threat to humanity.

Ask yourselves why it is that Ahmadinejad wants the Iranian People to rally around and support Iran's primitive and suicidal uranium enrichment program. Ask yourselves why Ahmadinejad is not only doing nothing to defuse the situation, but is instead fueling the march towards war. Consider how bizarre it is that the crypto-Jewish theocratic leadership of Iran is dedicating

itself, and the staged events planned for 2/11/07, to fooling the world into believing that there is unity among the Iranian People in support of him and his government, and unanimous popular support for Iran's uranium enrichment program. A national unity movement for uranium enrichment? What an odd thing for them to focus on!

They are ensuring that the Iranian People at large become the target of the coming attack. They are ensuring that even if Ahmadinejad and the crypto-Jews above him are deposed, that the nation of Iran and the Iranian People will still be destroyed.

The primary responsibility of the Iranian Government is to ensure the survival of the Iranian People. The government of Iran is instead working to destroy the Iranian People. The Iranian People must therefore reject their government and rally around the virtue of peace.

The Iranian People should demonstrate for peace and prosperity on 11 February 2007. Offer the world images of Iranians holding signs calling for peace, not images of goosestepping troops. Offer the world images of Iranians in business suits with their families calmly and reasonably explaining to the world that they are not a threat to anyone, but simply want to live out their lives in a peaceful and prosperous modern Iran.

Do not allow yourselves to be tricked into becoming the general targets of genocidal Zionist aggression! Rally around the beautiful virtues of PEACE, not Ahmadinejad's primitive centrifuges!

2/11/07: A Date That Will Live in Infamy?

Christopher Jon Bjerknes

http://www.jewishracism.com

The crypto-Jewish theocratic leadership of Iran is lying to the Iranian People. These leaders form a third world style religious junta, soon to turn into a third world military junta, led by Communist Jews calling themselves the "Islamic Revolution". Following the Saddam Model, they are threatening the US with the mother of all battles, and reassuring the Iranian People that Bush is bluffing, and in any event the US is powerless to harm Iran. These are Jewish Communist propaganda techniques used to lead the cattle quietly into the slaughterhouse.

Both the US and Iran are led by Zionist puppets following the common objective of a war between America and Iran, which will escalate into World War III. The ground is being prepared for this event, which will occur very soon. Blair, Bush and the political leaders of Israel, all of whom are subservient to the leaders of World Jewry, are each threatened with criminal prosecutions if they do not obey orders to instigate a nuclear attack on Iran.

Another key event in this deliberately accelerating march to war, are the planned events of 11 February 2007, in Iran (and around the world?). The crypto-Jews who lead Iran are planning to provide World Jewry with a staged circus that will give World Jewry the material they desire for world wide propaganda to defame the Iranian People. While Iran should be doing everything it

can to defuse the situation, its traitorous leaders are instead deliberately quickening the pace towards conflict at the behest of World Jewry.

As the United States military prepares for war by moving Naval forces into the Gulf to secure the flow of oil, and as a platform from which to bomb the hell out of Iran, the American Congress tapdances around the issues and follows a script designed to calm the American Public as the Zionist traitors lead us into unnecessary and illegal aggressive war. Once the war starts, it will be an accomplished fact and even if the traitors are tried, it will be like throwing a pile of marionettes into the fire and will not undo the genocide of the Iranian People. Rest assured that the Jewish leaders, who are but the latest in the countless generations of Jews who have planned this war for thousands of years, will go unpunished.

No matter what the government says, the Iranians should not goosestep in lockstep before the cameras of the Jewish controlled international media. They should not give Nazi salutes, nor tote weapons, nor parade missiles which connote nuclear missiles. No one should hint that the Iranians have been forced to turn their nuclear program into a military program. Anyone planning terrorist acts should be turned in to the authorities. Any of these actions will be used by the Jewish media to promote an attack on Iran.

Iranians who want the Persian People to survive should counter demonstrate on 2/11/07 against the Jewish Communists calling themselves the "Islamic Revolution", if not overthrow the traitorous regime currently in power, who are intentionally ruining Iran and cooperating with Israeli and American Zionists to bring the country into war so that they can annihilate it. The Iranian People should let the world know that they do not support Ahmadinejad, and simply

want to live out their lives in peace. They should point out to the world that their nation and their People are being betrayed by Zionists from within and without. This may be their last chance to prevent the coming cataclysm.

War is coming to kill you. Do not cheer on your own demise. Instead protest against Ahmadinejad, as well as Bush and the other Zionists who are planning to mass murder you.

Sunnis Are Being Set Up to Fall. . . into Their Graves

Christopher Jon Bjerknes

http://www.jewishracism.com

Jewish leaders have dark plans for Sunni Moslems. They are setting up the Sunnis for extermination.

World Jewry long ago decided to destroy Iraq. One of their objectives was to pit Sunnis against Shia. They knew that a Balkanized Iraq would result in a conflagration, because the Sunnis would lose out on oil revenues. They also knew that they could use a Sunni versus Shia conflict to create civil wars in Lebanon, Syria, and in Palestine, by dividing Palestinians between Arab States loyal to Israel, and Iran, which is the only nation calling for relief for the Palestinians. Both sides are setting up the Palestinians to kill each other, then in their weakened and utterly desperate condition, the Palestinians will be provoked by Zionist *agents provocateur* to launch

a suicidal attack on Israel with arms given to them at the behest of the Israelis for the purpose.

I, and others, have long ago predicted these revolutions and civil wars, and the rise of a Sunni versus Shia conflict across the Middle East. I also predict that when these forces weaken one another, attention will turn from the Shia to the Sunni, and World Jewry will attempt to exterminate both in death camps. Egypt is already being set up to fall.

We hear traitorous Zionist agents in the American media beginning to create a manufactured hysteria over the supposedly emerging Egyptian threat. The Jewish controlled media do not mention that huge portions are Egypt are a part of "Greater Israel". They do not mention that Jewish apocalyptic literature calls for the annihilation of Egypt and extermination of the Egyptians in the last battles of mankind. The do not say that Jews have always despised Egyptians and called for their extermination. They do not say that Jews call the Egyptians animals, the seed of asses, crocodiles, snakes, etc. Zionist agents in Egypt are calling for Egypt to acquire nuclear weapons, so as to provide Israeli pretexts for the next series of Zionist attacks on Moslems.

With World War III, we will face a world wide economic depression, the likes of which we have not yet seen. We have seen famine an the African Continent take the lives of millions of people. World Jewry will create worse famine by artificial means, as they did in Russia and the Ukraine after the Jews took control of Russia. They will kill off the Egyptians through war, through famine and in death camps, and the world will do nothing to stop them. They also plan to kill off the rest of the Arabs, and the Iranians. The Turks, Kurds, Armenians, and Pakistanis are also on their short list. The rest of us come next.

The Twentieth Century was far more violent than the virulently violent Nineteenth Century, which was bloodier than the bloody Eighteenth Century. World Jewry, with increased power over the purse and media of the world, artificially created these wars, civil wars and revolutions, so as to artificially fulfill Jewish end times prophecy. If we follow their plans, we will find that the Twenty-First Century is due to produce the extinction of the human race and the living environment of the Earth, not by "Hashem's" hand, but through the deliberate machinations of World Jewry (*Isaiah* 65:17; 66:22).

The Jewish Art of Deception Has Gone Impressionistic: "How Dare You Accuse Us of What We're Doing! We're the Victims Now Go Get 'em Goyim!"—Tribal Jew

Christopher Jon Bjerknes

http://www.jewishracism.com

As World Jewry press for war against innocent Iranians, they seek to hide what they are doing and scapegoat others. This has been a pattern for World Jewry for thousands of years.

In the News

"While Jewish communal leaders focus most of their current lobbying efforts on pressing the United States to take a tough line against Iran and its nuclear program, some are privately voicing fears that they will be accused of driving America into a war with the regime in Tehran."—Forward Staff, "Groups Fear Public Backlash Over Iran", *The Jewish Daily Forward*, http://www.forward.com/articles/groups-fear-public-backlash-over-iran/, (1 February 2007).

Drive a Wedge Between Turkey and Israel

Christopher Jon Bjerknes

http://www.jewishracism.com

World Jewry wants to make trouble for Turkey and escalate tensions in the Middle East. They want to defame Moslems and liken them to the Nazis. World Jewry wants to pit Christians against Moslems so that they will annihilate one another and leave the Jews standing in Jerusalem.

We have a good opportunity to drive a wedge between Turkey and Israel, and to in part reconcile the rift between Turkish Moslems and Armenian Christians, and more broadly between Christendom and Islam, by exposing the fact that World Jewry perpetrated the

genocide of the Armenian Christians under the guise of the crypto-Jewish "Young Turks":

Armenian Jews applaud genocide bill

I have documented the facts which prove that Jews were responsible for the genocidal murder of 1.5 million Christian Armenians in my book:

The Jewish Genocide of Armenian Christians

Turkey is a wild card in the upcoming conflagration in the Middle East. While it is a predominantly Moslem country, it has strong ties to the West and Israel, is a member of NATO, and seeks to join the EU. It is vital for the survival of Islam that Turkey remain loyal to its roots, and not be provoked into warring against fellow Moslems, including the Kurds. Turkey has long suffered under crypto-Jewish leadership, who regulate the business, government, finance and mass media of the country. The Turks should be woken up to this history, and to the fact that World Jewry continues to scapegoat Turkish Moslems for vile Jewish crimes against humanity.

Bush's State of the Union Address of 2003

Christopher Jon Bjerknes

http://www.jewishracism.com

The following quotation is taken from George W. Bush's State of the Union Address in 2003, when he was ginning up a war with Iraq:

"Twelve years ago, Saddam Hussein faced the prospect of being the last casualty in a war he had started and lost. To spare himself, he agreed to disarm of all weapons of mass destruction. For the next 12 years, he systematically violated that agreement. He pursued chemical, biological, and nuclear weapons, even while inspectors were in his country. Nothing to date has restrained him from his pursuit of these weapons — not economic sanctions, not isolation from the civilized world, not even cruise missile strikes on his military facilities.

Almost three months ago, the United Nations Security Council gave Saddam Hussein his final chance to disarm. He has shown instead utter contempt for the United Nations, and for the opinion of the world. The 108 U.N. inspectors were sent to conduct — were not sent to conduct a scavenger hunt for hidden materials across a country the size of California. The job of the inspectors is to verify that Iraq's regime is disarming. It is up to Iraq to show exactly where it is hiding its banned weapons, lay those weapons out for the world to see, and destroy them as directed. Nothing like this has happened.

The United Nations concluded in 1999 that Saddam Hussein had biological weapons sufficient to produce over 25,000 liters of anthrax — enough doses to kill several million people. He hasn't accounted for that material. He's given no

evidence that he has destroyed it.

The United Nations concluded that Saddam Hussein had materials sufficient to produce more than 38,000 liters of botulinum toxin — enough to subject millions of people to death by respiratory failure. He hadn't accounted for that material. He's given no evidence that he has destroyed it.

Our intelligence officials estimate that Saddam Hussein had the materials to produce as much as 500 tons of sarin, mustard and VX nerve agent. In such quantities, these chemical agents could also kill untold thousands. He's not accounted for these materials. He has given no evidence that he has destroyed them.

U.S. intelligence indicates that Saddam Hussein had upwards of 30,000 munitions capable of delivering chemical agents. Inspectors recently turned up 16 of them — despite Iraq's recent declaration denying their existence. Saddam Hussein has not accounted for the remaining 29,984 of these prohibited munitions. He's given no evidence that he has destroyed them.

From three Iraqi defectors we know that Iraq, in the late 1990s, had several mobile biological weapons labs. These are designed to produce germ warfare agents, and can be moved from place to a place to evade inspectors. Saddam Hussein has not disclosed these facilities. He's given no evidence that he has destroyed them.

The International Atomic Energy Agency confirmed in the 1990s that Saddam Hussein had an advanced nuclear weapons development program, had a design for a nuclear weapon and was working on five different methods of enriching uranium for a bomb. The British government has learned that Saddam Hussein recently sought significant quantities of uranium from Africa. Our intelligence sources tell us that he has attempted to purchase high-strength aluminum tubes suitable for nuclear weapons production. Saddam Hussein has not credibly explained these activities. He clearly has much to hide.

The dictator of Iraq is not disarming. To the contrary; he is deceiving. From intelligence sources we know, for instance, that thousands of Iraqi security personnel are at work hiding documents and materials from the U.N. inspectors, sanitizing inspection sites and monitoring the inspectors themselves. Iraqi officials accompany the inspectors in order to intimidate witnesses.

Iraq is blocking U-2 surveillance flights requested by the United Nations. Iraqi intelligence officers are posing as the scientists inspectors are supposed to interview. Real scientists have been coached by Iraqi officials on what to say. Intelligence sources indicate that Saddam Hussein has ordered that scientists who cooperate with U.N. inspectors in disarming Iraq will be killed, along with their families.

Year after year, Saddam Hussein has gone to elaborate lengths, spent enormous

sums, taken great risks to build and keep weapons of mass destruction. But why? The only possible explanation, the only possible use he could have for those weapons, is to dominate, intimidate, or attack.

With nuclear arms or a full arsenal of chemical and biological weapons, Saddam Hussein could resume his ambitions of conquest in the Middle East and create deadly havoc in that region. And this Congress and the America people must recognize another threat. Evidence from intelligence sources, secret communications, and statements by people now in custody reveal that Saddam Hussein aids and protects terrorists, including members of al Qaeda. Secretly, and without fingerprints, he could provide one of his hidden weapons to terrorists, or help them develop their own.

Before September the 11th, many in the world believed that Saddam Hussein could be contained. But chemical agents, lethal viruses and shadowy terrorist networks are not easily contained. Imagine those 19 hijackers with other weapons and other plans — this time armed by Saddam Hussein. It would take one vial, one canister, one crate slipped into this country to bring a day of horror like none we have ever known. We will do everything in our power to make sure that that day never comes. (Applause.)

Some have said we must not act until the threat is imminent. Since when have terrorists and tyrants announced their intentions, politely putting us on notice before they strike? If this threat is permitted to fully and suddenly emerge, all

actions, all words, and all recriminations would come too late. Trusting in the sanity and restraint of Saddam Hussein is not a strategy, and it is not an option. (Applause.)

The dictator who is assembling the world's most dangerous weapons has already used them on whole villages — leaving thousands of his own citizens dead, blind, or disfigured. Iraqi refugees tell us how forced confessions are obtained — by torturing children while their parents are made to watch. International human rights groups have catalogued other methods used in the torture chambers of Iraq: electric shock, burning with hot irons, dripping acid on the skin, mutilation with electric drills, cutting out tongues, and rape. If this is not evil, then evil has no meaning. (Applause.)

And tonight I have a message for the brave and oppressed people of Iraq: Your enemy is not surrounding your country — your enemy is ruling your country. (Applause.) And the day he and his regime are removed from power will be the day of your liberation. (Applause.)

The world has waited 12 years for Iraq to disarm. America will not accept a serious and mounting threat to our country, and our friends and our allies. The United States will ask the U.N. Security Council to convene on February the 5th to consider the facts of Iraq's ongoing defiance of the world. Secretary of State Powell will present information and intelligence about Iraqi's legal — Iraq's illegal weapons programs, its attempt to hide those weapons from inspectors, and its

links to terrorist groups.

We will consult. But let there be no misunderstanding: If Saddam Hussein does not fully disarm, for the safety of our people and for the peace of the world, we will lead a coalition to disarm him. (Applause.)

Tonight I have a message for the men and women who will keep the peace, members of the American Armed Forces: Many of you are assembling in or near the Middle East, and some crucial hours may lay ahead. In those hours, the success of our cause will depend on you. Your training has prepared you. Your honor will guide you. You believe in America, and America believes in you. (Applause.)

Sending Americans into battle is the most profound decision a President can make. The technologies of war have changed; the risks and suffering of war have not. For the brave Americans who bear the risk, no victory is free from sorrow. This nation fights reluctantly, because we know the cost and we dread the days of mourning that always come.

We seek peace. We strive for peace. And sometimes peace must be defended. A future lived at the mercy of terrible threats is no peace at all. If war is forced upon us, we will fight in a just cause and by just means — sparing, in every way we can, the innocent. And if war is forced upon us, we will fight with the full force and might of the United States military — and we will prevail. (Applause.)

And as we and our coalition partners are doing in Afghanistan, we will bring to the Iraqi people food and medicines and supplies — and freedom. (Applause.)

Many challenges, abroad and at home, have arrived in a single season. In two years, America has gone from a sense of invulnerability to an awareness of peril; from bitter division in small matters to calm unity in great causes. And we go forward with confidence, because this call of history has come to the right country.

Americans are a resolute people who have risen to every test of our time. Adversity has revealed the character of our country, to the world and to ourselves. America is a strong nation, and honorable in the use of our strength. We exercise power without conquest, and we sacrifice for the liberty of strangers.

Americans are a free people, who know that freedom is the right of every person and the future of every nation. The liberty we prize is not America's gift to the world, it is God's gift to humanity. (Applause.)

We Americans have faith in ourselves, but not in ourselves alone. We do not know — we do not claim to know all the ways of Providence, yet we can trust in them, placing our confidence in the loving God behind all of life, and all of history.

May He guide us now. And may God continue to bless the United States of America. (Applause.)"—George W. Bush, Forty-Third President of the United State of America, "State of the Union Address", (28 January 2003).

Syria Still an Israeli Target

Christopher Jon Bjerknes

http://www.jewishracism.com

It seems that Iran occupies the attention of the warmongering Zionist press at the moment, but do not be fooled. Israel still has its sights set on attacking Syria.

As the Israelis pull every dirty trick in the book to bring the long suffering Palestinians and Lebanese into civil wars, I would caution the Syrians to be very careful at this time and to not become complacent or lax. It is critical at this time for Arabs to unite and make peace among themselves, without giving in to traitors. It is not an easy thing to do, but it must be done.

If the "Jewish State" can bring Palestine and Lebanon into civil war, they will put pressure on NATO and Turkey to act and become involved in these conflicts. The escalation of conflict will afford the Israelis an opportunity to manufacture a pretext to attack Syria, and they will not need permission to use Saudi or Turkish air space. The Jews will also not need assistance from the United States to attack Syria, and US troops will not be endangered in Iraq, unless Iran were to join the fray, a consummation devoutly wished by the Israelis.

Please be especially careful in what you say and do and talk of peace and peace talks and ask all of Islam to join with you to solve your problems internally in spite of the deliberate provocations of the Americans and Israelis. To the greatest extent possible, take your destiny into your own hands and make it a peaceful one. No one needs permission from the West or Israel to work for peace, justice and stability in the Middle East. Break free from any lingering colonial mentality and for all of those problems for which you have historically turned to the USA, UN, Europe, and Israel for a solution, instead accomplish for yourselves. No one knows your needs and your peoples better than yourselves. Please hold international peace and development conferences among your own Moslem nations and build yourselves a secure future.

Be especially careful that Israeli land proposals not be used to lure you into a war as the result of a "misunderstanding" turned into a "provocation".

Israel's Kvetchfest 2007

Christopher Jon Bjerknes

http://www.jewishracism.com

World Jewry is self destructing in an ugly display of whining, spitting, and. . . worse. Israel is the little brat on the train tugging at his mother's skirt and complaining about all things real and imagined. Israel ceaselessly fits and fumes and people are growing tired of it. The "Jewish State" is crumbling from within and blames the world for its failures, crimes and lies. Israel and its lies

are so precious that we aren't even allowed to speak of them. No, delicate Jewish ears cannot bear to hear the truth and are sealed shut beneath the clamping force of a wide open mouth shrilly Kvetching to a world which refuses to acknowledge the obvious truth that the Jews are a master race who have uniquely suffered for the benefit of us all by bringing us to our divinely ordered deaths.

Jewry finally got what it has always sought. It segregated itself from humanity in the horrors it has committed against itself in the Holocaust that has lasted for 2,500 years. It has stolen the wealth of the world. It even stole the land of Palestine. Jews run the governments of the world and control world media. But what good comes of it? With all their power and all the roaring and vomitory intensity of the Israeli voice, what profit has mankind from World Jewry? War, rumors of war and poverty are the deliberate products of racist and supremacist genocidal Jewry.

Those of us familiar with the Jewish religion should not be surprised. When young we read the Hebrew Bible and the stories seemed distant and spoke of an ancient, unenlightened time, a time when brutality and tribalism were the norm. It seemed no more likely that the Jews would carry out the evil designs of their religion of genocide, than that Roman legions would march through the streets of New York City hacking off the heads of newspaper vendors and hot dog hawkers.

But there is a reason why clannish Jews have kept themselves segregated and have clung to their tribal religion for 2,500 years. They have been waiting for science to provide them with the tools

their mythical and demonic Jewish God "Hashem" cannot. They have indeed been waiting to become the light of the world, the nuclear fireball that will render life into naught. There is a message, a single note, heard above the discordant tones of Israeli kvetching. The signal is struck, the time is now, the Jews will have their vengeance and all the world will be consumed by the light of the nations burning down cities and storming fields with fire! Let the Jews rule the world though the house of mankind fall! A throne of stubble will have us we, your priests and guides to the grave!

As predictable as it was, it is none the less still tragic. Generation after generation of rabbis rocking and clutching their prayer shawls begging hellish "Hashem" for this day when the Jewish Messiah will punish the nations with a war of ultimate destruction. The centuries of robbing the Gentiles of their wealth and holding back the progress of humanity. All that painful effort in anticipation of the day when Jewry will be able to kill off humanity has brought us at long last to Kvetchfest 2007, which has instead turned into a pathetic anti-climax of screeching cowards pointing crooked inbred fingers at elderly statesmen and whining, "anti-Semite!" If there be any force for good to counter this evil, may it keep their warty thumbs off the nuclear triggers with which they have polluted this beautiful Earth. May mankind arise as a tender flower reaching from the ground that bore us like a hand asking for the sunlight to rescue us from the grave, may mankind rise yet higher and higher above this evil enemy, and catch our hands together in a whirlwind of happy song to sweep away the dust of death and silence the siren call of Israel's Kvetchfest 2007.

And may Israel's sick suicide not be a contagion infecting us all. . . .

Is It Good for the Jews?

Christopher Jon Bjerknes

http://www.jewishracism.com

World Jewry has traditionally shown no loyalty to principles, but rather foists a specific set of values on societies which it believes will further Jewish interests at a given time. If Communism in a certain country "is good for the Jews", then World Jewry will sponsor Communism in that society. If neo-Conservatism in a certain country "is good for the Jews", then World Jewry will sponsor neo-Conservatism in that society. They have no loyalty or genuine beliefs in the principles they foist on others. Rather their only loyalty is to the tribe and that is their only genuine principle.

Dispensationalist Christian Zionists, and the Jewish Zionists Behind Them, Are the Greatest Threat to Russia's National Security

Christopher Jon Bjerknes

http://www.jewishracism.com

The Wikipedia page on "Gog and Magog", under the subsection "Dispensationalism", states:

"According to one modern theory of dispensationalist Biblical hermeneutics, Gog and Magog are supposed to represent Russia. The Scofield Reference Bible's notes to Ezekiel claim that 'Meshech' is a Hebrew form of Moscow, and that 'Tubal' represents the Siberian capital Tobolsk. During the Cold War this identification led Hal Lindsey to claim that the

Soviet Union would play a major role in the End Times. Since the collapse of the Soviet Union and the retreat of Russia from the role of a military superpower, some commentators have attempted to cast some other country in the role of Gog."—See the Jewish book of *Ezekiel* chapters 38 & 39 in the Jewish Old Testament for the prophecies of the "Battle of Armageddon" and to understand what Christian Zionists and their Jewish Zionist handlers have in store for mother Russia.

Few Russians realize that Christian Zionists are openly calling for the genocide of the Russian People. Christian Zionists believe that God will soon "Rapture" them into Heaven, if only they can force the American Government to launch a nuclear strike on the nation of Russia and mass murder its People. I have yet to see either Russian or American media specifically call attention to this highly dangerous quasi-religous political movement for the destruction of Russia, which represents tens of millions of Americans.

The reason why this grave problem receives next to no attention is clear. These Christian Zionists are dupes of racist and genocidal Jewish Zionists. World Jewry has been mass murdering Russians for a very long time now. As recently as the 1970's, Jewish racist Meir Kahane sought to start World War III against Russia, so as to force the emigration of Russian Jews to Israel. It is no mere coincidence that at the same time Christian preachers began to preach that Russia is the "Gog and Magog" of Jewish apocalyptic myth. Wealthy Jews began to sponsor Christian Zionist preachers to encourage genocidal hatred of Russians, and the dehumanization and literal demonization of the Russian People, as if they are the armies of the

anti-Christ.

Russia must confront this problem, and Putin ought to confront Bush and his genocidal Christian Zionist flock with their plan to commit nuclear genocide against the Russian People. That would take some attention away from Ahmadinejad, who will likely again become a focus of the Jewish media tomorrow, 2/11/07. Regardless of what happens in Iran, Russia would be well advised to take this situation seriously. The Christian Zionists have already enabled Israel to mass murder Palestinians, Lebanese, Iraqis, and Afghanistanis, directly and through the US as their proxy. This is a very serious threat to the life and well being of every Russian citizen, and with the vast amount of resources which Russia devotes to national defense, it would be money well spent to produce a film documentary exposing this dire danger. There is readily available footage of televangelists and Christian radio personalities openly calling for the mass murder of all Russians. They put George W. Bush into the White House, and it was always Karl Rove's plan to use them to forward the Zionist agenda of the neo-Conservatives.

George Bush's Zionist Foreign Policy Is Making US Enemies

Christopher Jon Bjerknes

http://www.jewishracism.com

The neo-Conservatives openly state that their foreign policy is to create instability and chaos around the world. We must congratulate them on their success. They have made the world

highly unstable and placed us on the brink of World War III. They have also made the United States of America a nation hated around the world.

At a time when even the slightest show of American strength, were it gracefully put to honorable use, would have made America the most popular Empire in history, the Zionist George W. Bush has instead, at the behest of Israel, made America a Pariah State, both the instrument of and the scapegoat for Israel's aggressions, and a rabid monster against whom all nations must rally in order to save themselves from genocidal attack.

The major powers of Asia are congealing into an anti-American coalition destined to save the world from American aggression. The loss of American prestige and good will is not good for business. The loss of jobs, industry and educational advantage is likely to cost us our financial future. Instead of remedying these crises, Bush deliberately and needlessly worsens them.

Who benefits from a war between America and the World? Israel will marry its software empire with Asia's technological empire. Israel will transfer American and European financial capital to Asia. Israel will milk Asia, as the United States dries up. And what of all that the United States has done for Israel? Are they not grateful? No, Israel will blame the United States for all the problems Israel has itself caused. Then Israel will band the United States with a Communist red flag, and send America into the dark wilderness of economic depression to face the devils of famine and civil war (*Leviticus* 16).

Israel is a parasite. Israel is a vampire. It feeds off of blood and dreads the light of day. Peace will kill it. Exposure to the antiseptic cleansing sunlight of honest scrutiny will kill it. Lifting the

lying lips to show the hidden fangs and bloody tongues of its leaders and supporters around the globe will turn the world away from genocidal Jacob in disgust. We can no longer serve as the thoughtless mirror which hides the creeping fatal form of the expanding "Jewish State". We must drive a stake through its undead and heartless heart, before we too are bitten and the sun sets upon us forever.

The Jewish Desecration of Other Religions' Holy Places Is Not Unprecedented

Christopher Jon Bjerknes

http://www.jewishracism.com

When World Jewry conquered Russia in the Bolshevik "Revolution" and formed the Soviet Union, Jews desecrated countless Christian churches. They would gather Christians into their churches and then set flame to the buildings. Jews would demolish Christian churches. Jews

would turn Christian churches into pig barns.

In the Roman Empire, Jews angered the Emperors by refusing to allow anyone to erect temples or monuments of worship in Judaea or in any Jewish quarter in the cities of the ancient world. The Jews would destroy these religious sites. Jews are commanded to destroy those things divine to other religions. As but one of countless examples to be found in the utterly intolerant Jewish religious writings, the Jewish book of *Exodus* 34:11-17 states:

"11 Observe thou that which I command thee *this* day: behold, I drive out before thee the Amorite, and the Canaanite, and the Hittite, and the Perizzite, and the Hivite, and the Jebusite. 12 Take heed to thyself, lest thou make a covenant with the inhabitants of the land whither thou goest, lest it be for a snare in the midst of thee: 13 But ye shall destroy their altars, break their images, and cut down their groves: 14 For thou shalt worship no other god: for the LORD, whose name *is* Jealous, *is* a jealous God: 15 Lest thou make a covenant with the inhabitants of the land, and they go a whoring after their gods, and do sacrifice unto their gods, and *one* call thee, and thou eat of his sacrifice; 16 And thou take of their daughters unto thy sons, and their daughters go a whoring after their gods, and make thy sons go a whoring after their gods. 17 Thou shalt make thee no molten gods."

World Jewry will not rest until all other religions are destroyed (*Zechariah* 14:9), and the Goyim are forced to obey the Noahide Laws or be beheaded (*Sanhedrin* 56a-60b). If World Jewry is

successful in their campaign to annihilate Islam, they will next attack Christendom full force. The Vatican has for a very long time been a target of Jewish bloodlust. Do not be surprised if in the not too distant future, perhaps during World War III, World Jewry strikes the Vatican with nuclear weapons. Judaism permits no competition from the Mystical Body of Christ (*Romans* 12:4-5).

Can American Soldiers and Victim Nations File Civil Suits Against Those Who Instigate and Conduct Illegal Aggressive War?

Christopher Jon Bjerknes

http://www.jewishracism.com

Our soldiers are suffering damages as a result of the illegal war in Iraq. This illegal war was planned and instigated by neo-Conservative warmongers, and the nation of Israel, over the course of decades. This illegal war has resulted in physical and emotional harm to our troops, and has violated their fundamental constitutional rights. Can our soldiers recover damages for the harms done to them? Can Iraqis recover damages for the harms done to them? Is illegal war a cause of action for a civil suit?

Many parties were involved in manufacturing the criminal war of aggression America is waging against Iraq. These include those who knowingly falsified evidence, those who conspired with Israel to instigate the criminal war of aggression, those who fraudulently inspired patriotic

Americans to volunteer for the military to wage illegal war, etc.

If a judge should rule that the war is illegal, soldiers and officers would have a legal authority upon which to base a refusal to obey illegal orders. The mere act of filing suit, even if seeking the judgement of a nominal sum, would help to expose the Israeli fifth column and fourth estate operating in America, and would open up the process of discovery, whereby collusion between the media, American politicians, the arms and related military industries, and the nation of Israel could be further uncovered. The corruption of American politicians and the American press by the Israel Lobby would also be further exposed.

The American Congress and the White House have repeatedly demonstrated that they are a part of the Israeli fifth column, which is repeatedly and illegally bringing America into criminal aggressive war. The Constitution of the United States of America, Article 1, Section 8, states, "The Congress shall have power to [. . .] declare war[.]" We are further protected against a traitorous Presidency by the War Powers Resolution, Public Law 93-148.

Both the legislative and executive branches of our Government have been thoroughly corrupted by a hostile foreign power, namely the nation of Israel. The Judiciary alone affords the individual citizen the power to make a case before a jury of his or her peers, and seek a remedy directly through the will of the People.

Illegal war is a vast and highly profitable criminal conspiracy. Those who have lost limbs and loved ones should have a means by which to recover damages for their loss. The People should create a disincentive to illegal war by seeking punitive damages against those individuals, and

those nations, who deliberately create it.

Cut Oil Production to Protest Israeli Aggression

Christopher Jon Bjerknes

http://www.jewishracism.com

Moslem nations should cut oil production in protest against Israeli aggression against Islam. This will force the world to share the pain Israel is inflicting on innocent Moslems worldwide.

How long will "Arab leaders" sit idly by while Israel genocides Palestinians, genocides Lebanese, and openly desecrates Islamic Holy Sites in Jerusalem, and destroys other mosques through false flag terrorism in Iraq and elsewhere? All countries, but most especially Moslem nations, should defend themselves from this naked aggression by cutting off diplomatic relations with Israel and cutting off economic relations with Israel. All Americans, but most especially Moslems, should loudly protest Israel's aggression to American politicians, and call for them to cut off aid to Israel. All citizens of the world should insist that aggressive Israel disarm.

Israel Goes in Search of a Scapegoat: Saudi-Israeli Alliance Is a Recipe for Disaster

Christopher Jon Bjerknes

http://www.jewishracism.com

It is well known that the American public are not in favor of Bush's plan to attack Iran. If Bush attacks Iran, the American People, and the rest of the world, will know that Bush did so as a Zionist puppet at the behest of Israel.

Israel is desperate for allies, and still more desperate for a scapegoat upon whose neck Israel will hang its guilt for the coming genocide of the Iranian People. Back on 18 December 2006, I warned in this blog that the Israelis were going to use the Saudis as a front behind which to pit Sunnis against Shia, so that the Israelis could mass murder the Iranians and blame the Arabs for their crime.

"Unwise and shortsighted Palestinians, made desperate by the illegal and inhumane sanctions placed upon them, see an opportunity to pressure Israel and Saudi Arabia for an independent and autonomous Palestinian State. The Saudis, under the bogus Israeli sponsored pretext that the 'Persians' are out to get the 'Arabs', are lining up to support Sunnis in a future divided Iraq, which the Saudi leadership know Israel will balkanize. The Jordanians, too, under Israeli direction, are headed toward war against 'Persian Shia'.

They will pretend that they want the nuclear arsenal of Israel to back them up, but the reality is that Israelis are behind all of these machinations, and the leaders of the Arab nations dance to the tune of an Israeli Hora, with the possible exceptions of the Arab nationalists of Syria and Lebanon. However, this pact with the devil between Saudis, Jordanians and Israelis, requires the Israelis to give the Palestinians a State, so that the Arab world will not rise up against its traitorous leadership and overthrow them.

The Palestinians, in their desperate condition, are being tricked into facilitating an alliance of Arab Sunnis with the Israelis, against the 'Persian Shia'; in exchange for the promise of an independent nation."—A Lever Long Enough to Move the World and a Fulcrum Upon Which to Set It See also my many later posts on this subject.

I would again like to caution the Sunni not to ally themselves with the Israelis. The Israelis will not stop at destroying Iran. They will also destroy Syria, Lebanon, Palestine, Jordan, Saudi Arabia, Egypt, Kuwait, Libya, etc. They will destroy all of Islam.

After using the Sunni to instigate an attack on Iran, Israel will have the opportunity to escalate the war into a Christian attack on all of Islam. Already in the general American media, they are vilifying and dehumanizing Moslems, and generating genocidal hatred and paranoia against all Moslems. Just as Israel seeks to pit Sunni against Shia, once the wars start, they will aggressively pit Christendom against Islam, and leave only Jews standing in the Middle East.

In its eagerness to destroy any and all efforts to unite Palestinians, Israel is encroaching upon Al Aqsa, so that the Palestinians will react and provide the Israelis with an excuse to invade Gaza and the West Bank and wipe out Hamas. They want to do this before the 19 February 2007 meetings scheduled between Olmert, Rice and Abbas.

This is a tricky business for the Israelis, because their general aggression against Islam places the Arab puppet leaders in jeopardy, which is a part of their plan to pressure and control those leaders. The Arab nations of Saudi Arabia, Egypt, Jordan, etc. should each close off diplomatic relations with Israel and cut off all economic ties with the nation, but they have not yet done so. Israel has its hand on the tap which could open the flow of revolutions against its puppets in the Arab world should they fail to obey their commands to attack Iran.

Israel is cleverly pitting the USA and the Arab states against Iran, in the current phase of the Israeli genocide of all Moslems. Once the ball gets rolling, the Israelis will escalate the wars and genocide all Moslems, Sunni and Shia, and blame the Moslems and Christians for their actions.

Sunnis would be most unwise to take the bait of an alliance with Israel against Iran. The Moslems' only hope for survival is to unite against the one enemy which seeks to kill them all.

In the News:

"The Sunni-Shi'ite struggles in Lebanon and Iraq were understood in both their historic Persian-Arab contexts and their internal Islamic ones. Israel and the major Sunni Arab states — Egypt, Saudi Arabia, Jordan and the Gulf emirates — now appeared to share an enemy.

But could they actually make common cause? The Arabs made their condition clear: Israel had to make peace with its neighbors, beginning with the Palestinians, in order to confront Iran side by side with the Sunnis."— Yossi Alpher, "Could Israel Make Common Cause With Sunni Arabs?", *The Jewish Daily Forward*, http://www.forward.com/articles/could-israel-make-common-cause-with-sunni-arabs/, (9 February 2007).

"Martin Raffel, the JCPA associate director, is not among those who dismiss the Iran threat as overblown, and he agreed that Jewish groups have a role to play in pressing for a vigilant U.S. response.

'We don't want to have to look back and say, we were too complacent,' he said.

But he added, 'we need to be very careful not to overstate or understate the case. We have to recognize we have allies, including in the Arab world. It would be a big mistake for us to frame this as an Israeli or a Jewish issue. The threat of a nuclear Iran far transcends Israeli or Jewish concerns; it is a global concern.'"—James D. Zionist Crimes Against Peace

Christopher Jon Bjerknes

http://www.jewishracism.com

Iranians should defuse the current crisis by announcing on 2/11/07 that they will halt their nuclear enrichment program, while they formulate a criminal complaint against the Zionists who have openly threatened an illegal war of aggression against Iran. It can be easily proven that Israel, America and Great Britain have violated the UN Charter, which states in the relevant part:

Charter of the United Nations

Chapter 1, Article 1, Paragraphs 1 & 2:

"1. To maintain international peace and security, and to that end: to take effective collective measures for the prevention and removal of threats to the peace, and for the suppression of acts of aggression or other breaches of the peace, and to bring about by peaceful means, and in conformity with the principles of justice and international law, adjustment or settlement of international disputes or situations which might lead to a breach of the peace;

2. To develop friendly relations among nations based on respect for the principle of equal rights and self-determination of peoples, and to take other appropriate measures to strengthen universal peace;"

Chapter 1, Article 2, Paragraph 4:

"All Members shall refrain in their international relations from the threat or use of force against the territorial integrity or political independence of any state, or in any other manner inconsistent with the Purposes of the United Nations."

Chapter 6, Article 33, Paragraphs 1 & 2:

"1. The parties to any dispute, the continuance of which is likely to endanger the maintenance of international peace and security, shall, first of all, seek a solution by negotiation, enquiry, mediation, conciliation, arbitration, judicial settlement, resort to regional agencies or arrangements, or other peaceful means of their own choice.

2. The Security Council shall, when it deems necessary, call upon the parties to settle their dispute by such means."

Iraq, Afghanistan, Lebanon, Syria, Palestine, Jordan, Saudi Arabia, Lybia, and Egypt, should join with Iran in filing a complaint against the Zionists and their agents for fomenting aggressive wars against these nations, and in some instances carrying them out. Additional considerations of law include, but are by no means limited to, the following:

The North Atlantic Treaty

"The Parties undertake, as set forth in the Charter of the United Nations, to settle any international dispute in which they may be involved by peaceful

means in such a manner that international peace and security and justice are not endangered, and to refrain in their international relations from the threat or use of force in any manner inconsistent with the purposes of the United Nations."

Principles of the Nuremberg Tribunal, 1950

"Principle Vl

The crimes hereinafter set out are punishable as crimes under; international law:

a. Crimes against peace:

i. Planning, preparation, initiation or waging of a war of aggression or a war in violation of international treaties, agreements or assurances;

ii.Participation in a common plan or conspiracy for the accomplishment of any of the acts mentioned under (I)."

"To initiate a war of aggression, therefore, is not only an international crime; it is the supreme international crime differing only from other war crimes in that it contains within itself the accumulated evil of the whole."— Robert H. Jackson at the Nuremberg Tribunal, quoted in Curtis Doebbler, "A Farce of Law: The Trial of Saddam Hussein", *Jurist: Legal News & Research*, http://jurist.law.pitt.edu/forumy/2006/04/farce-of-law-trial-of-saddam-hussein.php, (24 April 2006).

Israel Is No Ally of the United States of America

Christopher Jon Bjerknes

http://www.jewishracism.com

At a time when American soldiers are dying in an alleged campaign to bring peace and stability to the Middle East, Israel is provoking the Moslem world by excavating near the Al Aqsa Mosque. Israel well knows the inevitable result of its aggressive actions, given the previous flare ups Israel has provoked by its encroachments on the Islamic Holy Site. Israel must know that its actions undermine American efforts and are likely to result in increased American casualties.

Note the bias of the Jewish controlled media in its failure to loudly condemn Israel's aggression against Islam, and Israel's recklessly and deliberately jeopardizing American military operations in Iraq and Afghanistan. Note that the Zionist controlled American Government takes no action against Israel's treachery and aggression.

Pardon My Politics

Christopher Jon Bjerknes

http://www.jewishracism.com

America first presidential candidates have a golden opportunity to distinguish themselves from the crew of Zionist puppets currently leading the polls in the presidential race. The power of the pardon was instituted in order to provide a safety net for American citizens who are wronged by actions of the Government. The courts have thus far denied Lt. Ehren Watada his constitutionally protected rights to due process under the law, in that the court has denied Watada his right to present a defense. The President, or the President to be, could undo any injustice which may result from the court's actions by pardoning Lt. Watada, and anyone else who legitimately refuses to obey orders which they believe are illegal, and who are denied their fundamental rights to due process of law.

Presidential candidates who place America's interests first, could also distinguish themselves by condemning the open prostitution of American politics to Israeli interests. This would not only draw attention to these issues, it would force the Jewish controlled media back on its heels. The coming exposure of the Israel Lobby in future and ongoing trials will build momentum for any candidate with the guts and self respect to tell the truth and defend America against a fifth column of Israel first traitors who want to drag America into more wars for Israel.

The denial of the right to present a defense is a blatant abuse and casts public suspicion on the court system itself. The fact that this issue arises in a circumstance directly linked to the Nuremberg Trials suggests that the legal profession ought to respond and formulate and state its position. The Bar Association should consider publishing an opinion on Lt. Watada's rights

to due process of law.

A Good Opportunity to Unify Palestinians

Christopher Jon Bjerknes

http://www.jewishracism.com

World Jewry is worried that sympathy for Palestinians is growing, even among Jews. World Jewry is worried that the Palestinians will unite and deprive the Israelis of the Palestinian civil war the Jews of Israel so want.

In order to provoke disunity among Palestinians and to provoke Palestinians to retaliatory violence, the "Jewish State" has begun to excavate near the Al Aqsa Mosque. Israel hopes that the Palestinians will react violently and that the Mossad will be able to use the emotionally charged atmosphere the Jews are deliberately creating to undermine not only the foundation of Al Aqsa, but the foundations of the current efforts to unify Palestinians in the face of Israeli efforts to divide them. The Israelis also hope to provoke Palestinain violence so as to turn world public opinion against the Palestinians and for the Israelis.

The Palestinians should turn this naked Israeli aggression into an opportunity to unite Palestinians, and to create international sympathy for Palestinians and Moslems in general, and to create international outrage at Israel. All of those things the Jews of Israel hope to do to harm

the Palestinians, the Palestinians should turn back on the aggressive Israelis.

Now is the time for Palestinian leadership to show an advanced level of restraint and wisdom and to call for Palestinians and the world to unite against this Israeli religious intolerance, this Israeli religious aggression, this deliberate Israeli provocation attacking Islam. This is the perfect time for Palestinians to demand that Abbas condemn Israel in the strongest terms and call for Palestinian unity. If Abbas refuses to do so, he will have again exposed himself.

No matter what Abbas does, Palestinians should react with political action, not military action. Calmly protest with a peaceful demonstration. Hold up signs condemning Israeli racism and religious intolerance. Call for the Pope to condemn this imposition of Judaism on other religious groups. Call for all of Islam to unite against this Israeli aggression in a peaceful and political campaign. Point out that this is an obvious Jewish religious provocation and meet it with a peaceful and political Islamic response.

Do not take the bait the Jews of Israel are laying at your doorstep, but instead let the Jews themselves fall into the pit they are digging on an Islamic Holy Site.

The Genocidal Siege of Gaza Seen in the Historical Context of Judaic Literature

Christopher Jon Bjerknes

http://www.jewishracism.com

We find irrefutable evidence of a plan to destabilize, Balkanize and destroy many Moslem nations in modern Jewish neo-Conservative and Likudnik documents. We must not forget that this plan is as ancient as it is vicious and relentless.

World War III, which World Jewry is fighting at this very moment, is, like World Wars I and II, an unprovoked war created by World Jewry in order to pit Christians against Moslems, and all Peoples against themselves. As was the case with World Wars I and II, World Jewry began fighting this Third World War long ago, long before the first major battles were fought on the fields, seas and skies. As was the case in the previous world wars, World Jewry installed crypto-Jewish and traitorous Zionist leadership in America, Great Britain and throughout the Moslem World. They took over the mass media of nearly all nations, as well as other institutions of influence. They seized control of Christian churches and Moslem sects and indoctrinated them with false beliefs and artificial hatreds, and they promoted infighting and sectarian strife.

Jews are taught to pit the Goyim against one another, and to destroy Gentile Governments, in their genocidal Jewish religious literature. The Jewish book of *Judges* 7:22 states:

"And the three hundred blew the trumpets, and the LORD set every man's sword against his fellow, even throughout all the host: and the host fled to Beth-shittah in Zererath, *and* to the border of Abel-meholah, unto Tabbath."

The Jewish book of *Haggai* 2:22 states:

"And I will overthrow the throne of kingdoms, and I will destroy the strength of the kingdoms of the heathen; and I will overthrow the chariots, and those that ride in them; and the horses and their riders shall come down, every one by the sword of his brother."

More on ancient Jewish designs on world government can be found here:

http://www.jewishracism.com/worldgov.htm

The Jews know well from their religious works the horrors of a siege. World Jewry is presently genociding the Palestinians of Gaza with an illegal and inhuman siege, in the hopes that the Palestinians will consume their own children in a civil war followed by a suicidal attack on Israel. The Jewish book of *Deuteronomy* 28:53-57 states:

"53 And thou shalt eat the fruit of thine own body, the flesh of thy sons and of thy daughters, which the LORD thy God hath given thee, in the siege, and in the straitness, wherewith thine enemies shall distress thee: 54 *So that* the man *that is* tender among you, and very delicate, his eye shall be evil toward his brother, and toward the wife of his bosom, and toward the remnant of his children which he shall leave: 55 So that *he* will not give to any of them of the flesh of his children whom he shall eat: because he hath nothing left him in the siege, and in the straitness, wherewith thine enemies shall distress thee in all thy gates. 56 The tender and delicate *woman* among you, which

would not adventure to set the sole of her foot upon the ground for delicateness and tenderness, her eye shall be evil toward the husband of her bosom, and toward her son, and toward her daughter, 57 And toward her young one that cometh out from between her feet, and toward her children which she shall bear: for she shall eat them for want of all *things* secretly in the siege and straitness, wherewith thine enemy shall distress thee in thy gates."

The Jewish book of II *Kings* 6:26-29 states:

"26 And as the king of Israel was passing by upon the wall, there cried a woman unto him, saying, Help, my lord, O king. 27 And he said, *If* the LORD do not help thee, whence shall I help thee? out of the barnfloor, or out of the winepress? 28 And the king said unto her, What aileth thee? And she answered, This woman said unto me, Give thy son, that we may eat him to day, and we will eat my son to morrow. 29 So we boiled my son, and did eat him: and I said unto her on the next day, Give thy son, that we may eat him: and she hath hid her son."

The Jewish book of *Jeremiah* 19:9 states:

"And I will cause them to eat the flesh of their sons and the flesh of their daughters, and they shall eat every one the flesh of his friend in the siege and straitness, wherewith their enemies, and they that seek their lives, shall

straiten them."

The genocidal Jews of Israel gleefully inflict this inhuman suffering of their God "Hashem" on their non-Jewish neighbors. The mythical Hashem commands the Jews to exterminate the Palestinians and to show them no mercy. The Jewish book of *Deuteronomy* 7:2 states:

"And when the LORD thy God shall deliver them before thee; thou shalt smite them, *and* utterly destroy them; thou shalt make no covenant with them, nor shew mercy unto them:"

In Jewish religious mythology, Jacob tricked Esau into surrendering his birthright, the Covenant for the land between the Nile and the Euphrates (*Genesis* 25:21-34). When Esau was starving to death and Jacob had ready food, Jacob demanded that Esau trade his birthright for a bowl of porridge. The Jews of Israel are today starving the Palestinians to death so that they will surrender their birthright for the mere necessities of life.

More on the use of this ancient Jewish style of theft can be found here:

Esau and Jacob, the Palestinians and the Israelis

The Jewish plan to destroy the nations of the Middle East and exterminate the Arabs, Iranians and Russians is plainly stated in the Jewish books of *Ezekiel*, especially in chapters 26-29 and 36-39; and in the Jewish book of *Zechariah*. Later Jewish works, including the Talmud and Zohar among many others, are still more explicit in their incitements to genocide.

Poor Palestine

Christopher Jon Bjerknes

http://www.jewishracism.com

At the behest of World Jewry, we won't give the Palestinians enough schools for their children. We won't even let them feed their children. In fact, we help Israelis to steal the Palestinians' money, so that Palestinian children will starve.

Instead of helping the Palestinians to thrive in peace and security, we eagerly teach Palestinians to kill other Palestinians. We give them arms and fund mass murder and civil war.

World Jewry must be stopped before it does to all of us what it is currently doing to the Palestinians.

The Mossad have been planning for these events for a very long time and have thoroughly infiltrated the Palestinian public and leadership. Money corrupts. World Jewry has a lot of money, and they dictate how American money is spent. . . and not spent. Palestinians should investigate how members of the community were recruited by the Mossad to murder other

Palestinians and create a civil war. Follow the money trail and it will lead to Mossad agents. Offer rewards to root out these subversives. If it is at all possible, solicit funds to counter the incentives the Israelis are offering to betray the Palestinian People. As far as is humanly possible, try to alleviate the economic crisis, and to the extent that you can, you will decrease the likelihood of full scale civil war. The Palestinians should call for an international investigation of the crimes being committed against you aimed at mass murdering Palestinians and creating a civil war in Palestine.

We in America have a moral obligation and a self interest in opposing this criminal and hypocritical use of American Intelligence forces and funds to promote the destruction of the Palestinian People. How dare we condemn others for allegedly interfering in the internal affairs of other nations, while we openly promote, pay for and train for mass murder and civil war among highly vulnerable and long suffering peoples? We have to insist that the American Government stop genociding the Palestinian People. We have to insist that the American Government provide direct aid to the Palestinians. We must demand that Israel disarm, and we must cut off all funding to the genocidal "Jewish State". We must demand that the Congress investigate this criminal use of American resources to promote death and destruction in Palestine. The world public should demand that the UN and other international bodies investigate and stop these criminal activities.

Judaism is a vile religion, which teaches the Jews to exterminate the Palestinians without mercy (*Deuteronomy* 7:2). If the US continues down the path World Jewry is paving, we will ourselves face the same fate as the Palestinians.

Bush Is Very Weak Mentally and Politically

Christopher Jon Bjerknes

http://www.jewishracism.com

It is a good time for Palestinians and all Moslem nations to confront Bush and Rice with their blindly pro-Israel and anti-Moslem Zionist policies. George W. Bush is on the verge of mental and political collapse. Olmert's government is falling apart. Ask Rice why she is again coming to the Middle East to spread more war and instability.

Tell her that it is time to talk peace, instead of spreading Zionist wars. Tell her that, despite her Zionist prejudices, Moslems are human beings with the God given right to self determination. Ask her to explain why she is calling for war against Syria and Iran for allegedly trying to stabilize Lebanon and Iraq, while she actively interferes in the internal affairs of the Palestinians, against the will of the Palestinian People, in an obvious effort to bring the Palestinians into civil war. Ask her why she is helping the Israelis to steal the Palestinians' money. Don't the Israelis already steal enough American money to get by on? What good does it

do Americans to make the Palestinians suffer?

Why Doesn't Rice Demand that the Israelis Abide by International Law and United Nations Resolutions?

Christopher Jon Bjerknes

http://www.jewishracism.com

Rice's presence in the Middle East affords Moslems with a golden opportunity to defend themselves from Zionist aggression. I would suggest, however, that they make a few changes in their rhetoric, so as to drive a wedge between patriotic Americans and the Israeli enemy, which is attacking Americans as well as Islam. Make common cause with loyal Americans.

Moslem leaders should ask again and again and again why Rice is always attacking Moslems and siding with Israel against the world? Does she hate Moslems? Is she being paid off by Israelis, like so many American presidential candidates? Why is she so consistently biased against Moslems? Are Moslems subhuman, Israelis superhuman, or both, in Rice's view?

Why is Rice always taking Israel's side? Why didn't Rice stop Israel from committing genocide against Lebanese Moslems? Why doesn't Rice stop Israel from committing genocide against Palestinian Moslems? Why does Rice slavishly make Israeli demands on the Palestinians, but never demands that Israel abide by International Law and United Nations Resolutions?

Learn to phrase things in ways which unite Moslems, and which alienate the Israeli enemy from loyal Americans. Speak of Israeli aggression against Christians, Shia and Sunni Moslems in Lebanon, instead of simply speaking of Israeli aggression against Lebanon. Unite Christians and all Moslems, while alienating the Israeli aggressor.

Don't say "US plots," but rather "neo-Conservative schemes," or better still "documented pro-Israel, anti-Moslem neo-Conservative plans for regional domination and Middle Eastern instability and war." That way, you don't unite Israelis and Americans, but sponsor suspicion of undue Israeli influence over American politics, thereby driving a wedge between Israel and America.

Speak of the "unpopular Zionist President, George W. Bush, whose grandfather paid for the Holocaust." Make Israelis suspicious of Bush. He is a traitorous tool of Jewish financiers, and he should be confronted with his treachery, and that of his ancestors. Plant the seed in the Israelis' mind that Bush is setting them up for their demise. Indeed, it appears that he is doing so.

Speak of Zionist aggression against Shia and Sunni Moslems in Iraq, instead of aggression against Iraq. Try to unite Shia and Sunni against the common enemy. Show that aggression against the one is aggression against the other. Speak of Israeli and Zionist aggression against Shia and Sunni Moslems in Syria and Iran. Speak of Israeli aggression against Islam at Al Aqsa. Place all Moslems under a common umbrella of unified protection and unified defense.

Rice will try to change the subject in this news cycle from the Congressional rejection of Bush, and the American People's rejection of Bush, to yet another attack on Moslems. Ask, "why is the

Zionist President George W. Bush, whose grandfather paid for the Holocaust, so Islamophobic?" Point out that Bush refuses to even speak to Palestinian, Syrian and Iranian Moslems, because he hates Moslems, even those in his pocket.

It will irritate loyal Americans to hear the President called the "Zionist President" instead of the "American President" and this will plant a seed in their minds and start them to questioning Bush's loyalties. Point out that Bush wants war, not peace, and that Rice is in the Middle East to spread war and create instability. She wraps herself in the Israeli flag and spits on the Moslems with her double standards and hateful arrogance. She demands that Moslems do as she says, while she helps the Israelis to flout International Law, and mass murder Moslems.

Ask Rice why she has no compassion for the Palestinian children who are starving. Ask her why it didn't bother her when Israel dropped bombs on Lebanese children. Ask her if Moslem life is just an obstacle to her Zionist plans for Israeli dominance in the Middle East.

Point out that Syrians are predominantly Sunni, and Iranians are predominantly Shia, and as true Moslems, the two nations are allies who are cooperating for international peace and regional stability in the Middle East.

Creating a New Brand Image for Iran

Christopher Jon Bjerknes

http://www.jewishracism.com

Persian women are widely recognized as being sophisticated, charming, beautiful and well educated. Iran should take advantage of its natural gifts and appoint one of its many articulate and endearing women as an international ambassador to speak to the world public on behalf of Iran.

This would create a softer, more maternal and approachable image for the nation. It would be helpful if she had an American, or better still, a proper British accent, without being stiff or pretentious. She should be warm, outgoing and friendly.

The Israeli Desecration of Al Aqsa Foreshadows the Abolition of Islam and of Christendom

Christopher Jon Bjerknes

http://www.jewishracism.com

The "Christian" Zionists are dupes of Trotskyite Jews, who deceptively call themselves "neo-Conservatives". Leon Trotsky was a Jew, whose real name was Lev Bronstein. He was a Bolshevist, who wanted to fulfil Jewish messianic prophecy by destroying all the Gentile nations of the Earth, by destroying all Gentile culture, and by eliminating Christianity and Islam. In

artificial fulfilment of Jewish messianic prophecy, Trotsky openly called for a World Government run by Jews, which would prohibit Gentile culture and religion. Trotsky was the human face of Cabalistic Judaism in his time, just as neo-Conservative Trotskyite Jews are the human face of Cabalistic Judaism in our time. Trotsky brought war, mass murder, the loss of national sovereignty and the suppression of fundamental human rights. Neo-Conservative Trotskyite Jews bring war, mass murder, the loss of national sovereignty and the suppression of fundamental human rights.

World Jewry is preparing to demolish the Al Aqsa Mosque and the Dome of the Rock and build the "Third" Jewish Temple on this sacred Moslem site. This is a blasphemy against Christianity, as well as Islam. According to Christian doctrine, Jesus was the sacrifice that ended the Temple sacrifices. Jesus was the final atonement for the sins of mankind. The Kingdom of Israel is a heavenly Kingdom in the tenets of the Christian faith.

World Jewry despises Jesus and Christendom, and Bolshevism was just one of many historical movements Jews began in order to ruin Christianity and Islam. "Christian" Zionism is another Jewish creation meant to destroy the Christian faith and enthrone the anti-Christ Jewish King of modern times in Jerusalem. "Christian" Zionism was created and financed by the same Jews who gave the world Bolshevism and the mass murder of Christians under Bolshevism and under the crypto-Jewish "Young Turk" movement.

In direct violation of International Law, the Jews of Israel have repeatedly attacked the Al Aqsa Mosque and Dome of the Rock. They have also desecrated Christian Holy Sites in Israel. The

Jews are taught that Christians and Moslems are forbidden to enter "Greater Israel", which means that all non-Jews must be expelled from the territory from the Nile River to the River Euphrates, and those who would linger must be exterminated.

Zionist Jews want to force all Gentiles, and especially Palestinians, out of Jerusalem (*Isaiah* 52:1), and out of Israel and "Greater Israel" from the Nile to the Euphrates. They follow the ancient law of the *halakha* that only Jews and Judaism be permitted in the "Holy Land", while hypocritically insisting that Jews be permitted religious freedom, be permitted citizenship and be enfranchised in all other lands of the Earth. Yehoshafat Harkabi noted that Rabbi Meir Kahane wrote in modern times,

"The Arabs of Israel are a desecration of God's name. Their non-acceptance of Jewish sovereignty over the Land of Israel is a rejection of the sovereignty of the God of Israel and of his kingdom. Removing them from the land is therefore more than a political matter. It is a religious matter, a religious obligation to wipe out the desecration of God's name. Instead of worrying about the reactions of the Gentiles if we act, we should tremble at the thought of God's wrath if we do not act. Tragedy will befall us if we do not remove the Arabs from the land, since redemption can come at once in its full glory if we do, as God commands us. . . . Let us remove the Arabs from Israel and hasten the Redemption (*Thorns in Your Eyes*, pp. 244-245)."—English translation in: Y. Harkabi, *Israel's Fateful Hour*, Harper & Row, New York, (1988), p. 148. Harkabi cites: M. Kahane, *Thorns in Your Eyes*, New York, Jerusalem, (1980?), pp. 244-245.

Yehoshafat Harkabi noted that Maimonides wrote long ago,

"An affirmative precept is enjoined for the destruction of idolatry and its worshippers, and everything made for its sake. . . . In the Land of Israel, it is a duty actively to chase out idolatry until we have exterminated it from the whole of our country. Outside of the holy land, however, we are not so commanded; but only that whenever we acquire any territory by conquest, we should destroy all the idolatry found there (*Hilkhot Avodah Zara*, ch. 7:1)."—Y. Harkabi, *Israel's Fateful Hour*, Harper & Row, New York, (1988), p. 156.

and,

"It is forbidden to show them mercy, as it was said, 'nor show mercy unto them' (Deut. 7:2). Hence, if one sees one of them who worships idols perishing or drowning, one is not to save him. . . . Hence you learn that it is forbidden to heal idolators even for a fee. But if one is afraid of them or apprehends that refusal might cause ill will, medical treatment may be given for a fee but not gratuitously. . . . The foregoing rules apply to the time when the people of Israel live exiled among the nations, or when the Gentiles' power is predominant. But when Israel is predominant over the nations of the world, we are forbidden to permit a gentile who is an idolator to dwell among us. He must not enter our land, even as a temporary resident; or even as a traveler, journeying with merchandise from place to place, until he

has undertaken to keep the seven precepts which the Noachides were commanded to observe (*Hilkhot Avodah Zara*, ch. 10:8)."—Y. Harkabi, *Israel's Fateful Hour*, Harper & Row, New York, (1988), p. 157.

Once the Jews anoint their anti-Christian King, they will be compelled by their religion to forbid all non-Jews to enter the Holy Land other than as the slaves of the Jews.

By Biblical Definition, the "Jewish State" Is Anti-Christ

Christopher Jon Bjerknes

http://www.jewishracism.com

Judaism is incompatible with Christianity. From the Jewish perspective, Jesus was a fraud, a blasphemer, a sorcerer, the son of a whore and a Roman soldier, is boiling in hot excrement, and, alternatively, is rotting in a dung heap with the Prophet Mohammed (Toledoth Yeshua. Shabbath 104b. Sotah 47a. Sanhedrin 43a; 67a; 106a-106b; 107b. Gittin 57a. Zohar, III, 282a). From the Jewish perspective, Jesus is a forbidden idol, all Christian books must be burned, all Christians must be beheaded, and all Christians burn in hell, or will burn in hell, forever (Sanhedrin 56a-60b; Rosh Hashanah 17a. Shabbath 116a). What do Pat Robertson, John Hagee, and their ilk, say about these Jewish defamations of Jesus Christ, and of Christians? What does the New Testament (the New Covenant) say about Judaism, which is incompatible with Christianity, and of the Jews' Messiah, who to Christians signifies the anti-Christ?

John 5:41-47 states:

"41 I receive not honour from men. 42 But I know you, that ye have not the love of God in you. 43 I am come in my Father's name, and ye receive me not: if another shall come in his own name, him ye will receive. 44 How can ye believe, which receive honour one of another, and seek not the honour that *cometh* from God only? 45 Do not think that I will accuse you to the Father: there is *one* that accuseth you, *even* Moses, in whom ye trust. 46 For had ye believed Moses, ye would have believed me: for he wrote of me. 47 But if ye believe not his writings, how shall ye believe my words?"

I *John* 2:18, 22 states:

"18 Little children, it is the last time: and as ye have heard that antichrist shall come, even now are there many antichrists; whereby we know that it is the last time. [***] 22 Who is a liar but he that denieth that Jesus is the Christ? He is antichrist, that denieth the Father and the Son."

I *John* 4:2-3 states:

"2 Hereby know ye the Spirit of God: Every spirit that confesseth that Jesus Christ is come in the flesh is of God: 3 And every spirit that confesseth not that Jesus Christ is come in the flesh is not of God: and this is *that spirit* of antichrist, whereof ye have heard that it should come; and *even* now already

is it in the world."

II *John* 1:7 states:

"7 For many deceivers are entered into the world, who confess not that Jesus Christ is come in the flesh. This is a deceiver and an antichrist."

Revelation 2:9 states:

"I know thy works, and tribulation, and poverty, (but thou art rich) and *I know* the blasphemy of them which say they are Jews, and are not, but *are* the synagogue of Satan."

Revelation 3:9 states:

"Behold, I *will* make *them* of the synagogue of Satan, which say they are Jews, and are not, but do lie; behold, I will make them to come and worship before thy feet, and to know that I have loved thee."

What do the "Christian" Zionists say to that?

Establish an International Islamic Coalition Court

Christopher Jon Bjerknes

http://www.jewishracism.com

Since many Moslem nations have been infiltrated with traitorous Zionist leadership, they are ineffective in combating Zionist atrocities against Islamic Peoples and Israeli crimes against humanity. Another bar to justice for Moslems is the Zionist corruption of international bodies such as the United Nations, by means of a fifth column of Zionist traitors in the American Government.

Moslem Peoples could take their fate into their own hands by establishing an International Islamic Coalition Court, which would have the jurisdiction and legal authority to force Moslem governments to abide by its rulings. Moslem Peoples would have the power to place Israel on trial in this court. The court would have the power to impose sanctions on Israel and to enforce these sanctions by binding Moslem governments to withdraw diplomatic, economic and military relations with Israel, until such time as Israel complied with the rulings of the court.

Palestinians, for example, could charge Israel with genocide through illegal sanctions. If the court ruled in favor of the Palestinians, it could order all Moslem nations to cut off relations with Israel until such time as Israel honored the human rights of the Palestinians.

Ernst Zuendel Sentenced to Five Years Imprisonment for Alleged

Thought Crimes Against Jewish Dogma

Christopher Jon Bjerknes

http://www.jewishracism.com

In violation of our fundamental human rights to free speech, Ernst Zuendel has been sentenced to prison for allegedly expressing views which World Jewry has suppressed and proscribed by law. World Jewry, which is pressing us into a nuclear World War III, demands immunity for its crimes, by criminalizing free speech.

"Christian" Zionists should know that Judaism forbids Gentiles from believing that Jesus Christ was and is the Messiah. Just as organized Jewry has criminalized the scientific investigation of their allegations regarding the Holocaust, they seek to criminalize Christianity world wide, as they had already done in the Soviet Union.

There is a growing movement in Jewry to institutionalize the Jewish Noahide Laws into international law—they have already become a part of American Congressional acts. Judaism is a rigidly dogmatic religion. Under Jewish law, non-Jews are considered subhuman and must obey all Jews as if the Jews were divine spirits (Zechariah 8:23; 14. Shabbath 32b). The Jews are taught that their King is the presence of God on Earth and has the right to judge the nations, destroy them and exterminate all non-Jews (Psalm 2).

Zuendel is being crucified by World Jewry for refusing to allow them to control his mind. This is part of an historical pattern of Jewish behavior, which reaches across the millennia and which is

an active threat to all of humanity. The New Testament book of *John* 7:1 tells us that,

"After these *things* Jesus walked in Galilee: for he would not walk in Jewry, because the Jews sought to kill him."

John 7:13 states:

"Howbeit no *man* spake openly of him for fear of the Jews."

John 19:38 states:

"And after this Joseph of Arimathaea, being a disciple of Jesus, but secretly for fear of the Jews, besought Pilate that he might take away the body of Jesus: and Pilate gave *him* leave. He came therefore, and took the body of Jesus."

John 20:19 states:

"Then the same day at evening, being the first *day* of the week, when the doors were shut where the disciples were assembled for fear of the Jews, came Jesus and stood in the midst, and saith unto them, Peace *be* unto you."

Ernst Zundel sentenced to 5 years for Holocaust denial

Why Are the Israelis Mass Murdering the Moslems?

Christopher Jon Bjerknes

http://www.jewishracism.com

The Israelis are following an ancient Jewish plan, which compels them to commit genocide against their neighbors.

The Jewish book of *Exodus* 17:14-16 states,

"And the LORD said unto Moses, Write this for a memorial in a book, and rehearse it in the ears of Joshua: for I will utterly put out the remembrance of Amalek from under heaven. And Moses built an altar, and called the name of it Jehovah-nissi: For he said, Because the LORD hath sworn *that* the LORD *will have* war with Amalek from generation to generation."

The Jewish book of *Exodus* 19:5-6 states,

"5 Now therefore, if ye will obey my voice indeed, and keep my covenant, then ye shall be a peculiar treasure unto me above all people: for all the earth *is* mine: 6 And ye shall be unto me a kingdom of priests, and an holy nation. These *are* the words which thou shalt speak unto the children of Israel."

The Jewish book of *Exodus* 34:11-17 states,

"11 Observe thou that which I command thee *this* day: behold, I drive out before thee the Amorite, and the Canaanite, and the Hittite, and the Perizzite, and the Hivite, and the Jebusite. 12 Take heed to thyself, lest thou make a covenant with the inhabitants of the land whither thou goest, lest it be for a snare in the midst of thee: 13 But ye shall destroy their altars, break their images, and cut down their groves: 14 For thou shalt worship no other god: for the LORD, whose name *is* Jealous, *is* a jealous God: 15 Lest thou make a covenant with the inhabitants of the land, and they go a whoring after their gods, and do sacrifice unto their gods, and *one* call thee, and thou eat of his sacrifice; 16 And thou take of their daughters unto thy sons, and their daughters go a whoring after their gods, and make thy sons go a whoring after their gods. 17 Thou shalt make thee no molten gods."

The Jewish book of *Numbers* 24:17-20 states,

"17 I shall see him, but not now: I shall behold him, but not nigh: there shall come a Star out of Jacob, and a Sceptre shall rise out of Israel, and shall smite the

corners of Moab, and destroy all the children of Sheth. 18 And Edom shall be a possession, Seir also shall be a possession for his enemies; and Israel shall do valiantly. 19 Out of Jacob shall come *he* that shall have dominion, and shall destroy him that remaineth of the city. 20 And when he looked on Amalek, he took up his parable, and said, Amalek *was* the first of the nations; but his latter end *shall be* that he perish for ever."

The Jewish book of *Numbers* 33:50-56 states,

"50 And the LORD spake unto Moses in the plains of Moab by Jordan *near* Jericho, saying, 51 Speak unto the children of Israel, and say unto them, When ye are passed over Jordan into the land of Canaan; 52 Then ye shall drive out all the inhabitants of the land from before you, and destroy all their pictures, and destroy all their molten images, and quite pluck down all their high places: 53 And ye shall dispossess *the inhabitants of* the land, and dwell therein: for I have given you the land to possess it. 54 And ye shall divide the land by lot for an inheritance among your families: *and* to the more ye shall give the more inheritance, and to the fewer ye shall give the less inheritance: every man's *inheritance* shall be in the place where his lot falleth; according to the tribes of your fathers ye shall inherit. 55 But if ye will not drive out the inhabitants of the land from before you; then it shall come to pass, *that those* which ye let remain of them *shall be* pricks in your eyes, and thorns in your sides, and shall vex you in the land wherein ye dwell. 56 Moreover it shall come to pass, *that* I shall do unto you, as I thought to do unto

them."

The Jewish book of *Deuteronomy* 7:6 states,

"For thou *art* an holy people unto the LORD thy God: the LORD thy God hath chosen thee to be a special people unto himself, above all people that *are* upon the face of the earth."

The Jewish book of *Deuteronomy* 25:17-19 states,

"17 Remember what Amalek did unto thee by the way, when ye were come forth out of Egypt; 18 How he met thee by the way, and smote the hindmost of thee, *even* all that were feeble behind thee, when thou *wast* faint and weary; and he feared not God. 19 Therefore it shall be, when the LORD thy God hath given thee rest from all thine enemies round about, in the land which the LORD thy God giveth thee *for* an inheritance to possess it, *that* thou shalt blot out the remembrance of Amalek from under heaven; thou shalt not forget *it*."

The Jewish book of *Deuteronomy* 28:10 states,

"And all people of the earth shall see that thou art called by the name of the LORD; and they shall be afraid of thee."

The Jewish book of I *Samuel* 15:1-35 states:

"Samuel also said unto Saul, The LORD sent me to anoint thee *to be* king over his

people, over Israel: now therefore hearken thou unto the voice of the words of the LORD. 2 Thus saith the LORD of hosts, I remember *that* which Amalek did to Israel, how he laid *wait* for him in the way, when he came up from Egypt. 3 Now go and smite Amalek, and utterly destroy all that they have, and spare them not; but slay both man and woman, infant and suckling, ox and sheep, camel and ass. 4 And Saul gathered the people together, and numbered them in Telaim, two hundred thousand footmen, and ten thousand men of Judah. 5 And Saul came to a city of Amalek, and laid wait in the valley. 6 And Saul said unto the Kenites, Go, depart, get you down from among the Amalekites, lest I destroy you with them: for ye shewed kindness to all the children of Israel, when they came up out of Egypt. So the Kenites departed from among the Amalekites. 7 And Saul smote the Amalekites from Havilah *until* thou comest to Shur, that *is* over against Egypt. 8 And he took Agag the king of the Amalekites alive, and utterly destroyed all the people with the edge of the sword. 9 But Saul and the people spared Agag, and the best of the sheep, and of the oxen, and of the fatlings, and the lambs, and all *that* was good, and would not utterly destroy them: but every thing *that was* vile and refuse, that they destroyed utterly. 10 Then came the word of the LORD unto Samuel, saying, 11 It repenteth me that I have set up Saul to be king: for he is turned back from following me, and hath not performed my commandments. And it grieved Samuel; and he cried unto the LORD all night. 12 And when Samuel rose early to meet Saul in the morning, it was told Samuel, saying, Saul came to Carmel, and, behold, he set him up a place, and is gone about, and passed on, and gone

down to Gilgal. 13 And Samuel came to Saul: and Saul said unto him, Blessed *be* thou of the LORD: I have performed the commandment of the LORD. 14 And Samuel said, What *meaneth* then this bleating of the sheep in mine ears, and the lowing of the oxen which I hear? 15 And Saul said, They have brought them from the Amalekites: for the people spared the best of the sheep and of the oxen, to sacrifice unto the LORD thy God; and the rest we have utterly destroyed. 16 Then Samuel said unto Saul, Stay, and I will tell thee what the LORD hath said to me this night. And he said unto him, Say on. 17 And Samuel said, When thou *wast* little in thine own sight, *wast* thou not *made* the head of the tribes of Israel, and the LORD anointed thee king over Israel? 18 And the LORD sent thee on a journey, and said, Go and utterly destroy the sinners the Amalekites, and fight against them until they be consumed. 19 Wherefore then didst thou not obey the voice of the LORD, but didst fly upon the spoil, and didst evil in the sight of the LORD? 20 And Saul said unto Samuel, Yea, I have obeyed the voice of the LORD, and have gone the way which the LORD sent me, and have brought Agag the king of Amalek, and have utterly destroyed the Amalekites. 21 But the people took of the spoil, sheep and oxen, the chief of the things which should have been utterly destroyed, to sacrifice unto the LORD thy God in Gilgal. 22 And Samuel said, Hath the LORD *as great* delight in burnt offerings and sacrifices, as in obeying the voice of the LORD? Behold, to obey *is* better than sacrifice, *and* to hearken than the fat of rams. 23 For rebellion *is as* the sin of witchcraft, and stubbornness *is as* iniquity and idolatry. Because thou hast rejected the word of the LORD, he hath also rejected thee from *being* king. 24 And Saul said unto Samuel, I have sinned: for I have transgressed

the commandment of the LORD, and thy words: because I feared the people, and obeyed their voice. 25 Now therefore, I pray thee, pardon my sin, and turn again with me, that I may worship the LORD. 26 And Samuel said unto Saul, I will not return with thee: for thou hast rejected the word of the LORD, and the LORD hath rejected thee from being king over Israel. 27 And as Samuel turned about to go away, he laid hold upon the skirt of his mantle, and it rent. 28 And Samuel said unto him, The LORD hath rent the kingdom of Israel from thee this day, and hath given it to a neighbour of thine, *that is* better than thou. 29 And also the Strength of Israel will not lie nor repent: for he *is* not a man, that he should repent. 30 Then he said, I have sinned: yet honour me now, I pray thee, before the elders of my people, and before Israel, and turn again with me, that I may worship the LORD thy God. 31 So Samuel turned again after Saul; and Saul worshipped the LORD. 32 Then said Samuel, Bring ye hither to me Agag the king of the Amalekites. And Agag came unto him delicately. And Agag said, Surely the bitterness of death is past. 33 And Samuel said, As thy sword hath made women childless, so shall thy mother be childless among women. And Samuel hewed Agag in pieces before the LORD in Gilgal. 34 Then Samuel went to Ramah; and Saul went up to his house to Gibeah of Saul. 35 And Samuel came no more to see Saul until the day of his death: nevertheless Samuel mourned for Saul: and the LORD repented that he had made Saul king over Israel."

The Jewish book of *Psalm* 2:1-12 (*see also the Jewish Talmud: Sukkah* 52*a-b*) states:

"Why do the heathen rage, and the people imagine a vain thing? 2 The kings of the earth set themselves, and the rulers take counsel together, against the LORD, and against his anointed, *saying*, 3 Let us break their bands asunder, and cast away their cords from us. 4 He that sitteth in the heavens shall laugh: the Lord shall have them in derision. 5 Then shall he speak unto them in his wrath, and vex them in his sore displeasure. 6 Yet have I set my king upon my holy hill of Zion. 7 I will declare the decree: the LORD hath said unto me, Thou *art* my Son; this day have I begotten thee. 8 Ask of me, and I shall give *thee* the heathen *for* thine inheritance, and the uttermost parts of the earth *for* thy possession. 9 Thou shalt break them with a rod of iron; thou shalt dash them in pieces like a potter's vessel. 10 Be wise now therefore, O ye kings: be instructed, ye judges of the earth. 11 Serve the LORD with fear, and rejoice with trembling. 12 Kiss the Son, lest he be angry, and ye perish *from* the way, when his wrath is kindled but a little. Blessed *are* all they that put their trust in him."

The Jewish book of *Psalm* 18:40-50 states,

"40 Thou hast also given me the necks of mine enemies; that I might destroy them that hate me. 41 They cried, but *there was* none to save *them: even* unto the LORD, but he answered them not. 42 Then did I beat them small as the dust before the wind: I did cast them out as the dirt in the streets. 43 Thou hast delivered me from the strivings of the people; *and* thou hast made me the head of the heathen: a people *whom* I have not known shall serve me. 44 As soon as they hear *of me*, they shall obey me: the strangers shall submit themselves unto me. 45 The strangers

shall fade away, and be afraid out of their close places. 46 The LORD liveth; and blessed *be* my rock; and let the God of my salvation be exalted. 47 *It is* God that avengeth me, and subdueth the people under me. 48 He delivereth me from mine enemies: yea, thou liftest me up above those that rise up against me: thou hast delivered me from the violent man. 49 Therefore will I give thanks unto thee, O LORD, among the heathen, and sing *praises* unto thy name. 50 Great deliverance giveth he to his king; and sheweth mercy to his anointed, to David, and to his seed for evermore."

The Jewish book of *Psalm* 72:8-11 states,

"8 He shall have dominion also from sea to sea, and from the river unto the ends of the earth. 9 They that dwell in the wilderness shall bow before him; and his enemies shall lick the dust. 10 The kings of Tarshish and *of* the isles shall bring presents: the kings of Sheba and Seba shall offer gifts. 11 Yea, all kings shall fall down before him: all nations shall serve him."

The Jewish book of *Psalm* 110:1-7 states,

"The LORD said unto my Lord, Sit thou at my right hand, until I make thine enemies thy footstool. 2 The LORD shall send the rod of thy strength out of Zion: rule thou in the midst of thine enemies. 3 Thy people *shall be* willing in the day of thy power, in the beauties of holiness from the womb of the morning: thou hast the dew of thy youth. 4 The LORD hath sworn, and will not repent, Thou *art* a

priest for ever after the order of Melchizedek. 5 The Lord at thy right hand shall strike through kings in the day of his wrath. 6 He shall judge among the heathen, he shall fill *the places with* the dead bodies; he shall wound the heads over many countries. 7 He shall drink of the brook in the way: therefore shall he lift up the head."

The Jewish book of *Isaiah* 40:23 states,

"That bringeth the princes to nothing; he maketh the judges of the earth as vanity."

The Jewish book of *Isaiah* 49:7 states,

"Thus saith HaShem, the Redeemer of Israel, his Holy One, to him who is despised of men, to him who is abhorred of nations, to a servant of rulers: kings shall see and arise, princes, and they shall prostrate themselves; because of HaShem that is faithful, even the Holy One of Israel, who hath chosen thee. [Masoretic Text Version of the Jewish Publication Society]"

The Jewish book of *Isaiah* 49:23 states,

"And kings shall be thy nursing fathers, and their queens thy nursing mothers: they shall bow down to thee *with their* face *toward* the earth, and lick up the dust of thy feet; and thou shalt know that I *am* the LORD: for they shall not be ashamed that wait for me."

The Jewish book of *Isaiah* 60:12 states,

"For the nation and kingdom that will not serve thee shall perish; yea, *those* nations shall be utterly wasted."

The Jewish book of *Isaiah* 61:9 states,

"And their seed shall be known among the Gentiles, and their offspring among the people: all that see them shall acknowledge them, that they *are* the seed *which* the LORD hath blessed."

The Jewish book of *Jeremiah* 10:10 states,

"But the LORD *is* the true God, he *is* the living God, and an everlasting king: at his wrath the earth shall tremble, and the nations shall not be able to abide his indignation."

The Jewish book of *Ezekiel* 39:17-18 states,

"17 And, thou son of man, thus saith the Lord GOD; Speak unto every feathered fowl, and to every beast of the field, Assemble yourselves, and come; gather yourselves on every side to my sacrifice that I do sacrifice for you, *even* a great sacrifice upon the mountains of Israel, that ye may eat flesh, and drink blood. 18 Ye shall eat the flesh of the mighty, and drink the blood of the princes of the earth, of rams, of lambs, and of goats, of bullocks, all of them fatlings of Bashan."

The Jewish book of *Micah* 17:16-17 states,

"The nations shall see and be confounded at all their might: they shall lay *their* hand upon *their* mouth, their ears shall be deaf. 17 They shall lick the dust like a serpent, they shall move out of their holes like worms of the earth: they shall be afraid of the LORD our God, and shall fear because of thee."

The Jewish book of *Zechariah* 14:9 states,

"And the LORD shall be king over all the earth: in that day shall there be one LORD, and his name one."

The Jewish book of *Malachi* 1:1-14 states,

"1 The burden of the word of the LORD to Israel by Malachi. 2 I have loved you, saith the LORD. Yet ye say, Wherein hast thou loved us? *Was* not Esau Jacob's brother? saith the LORD: yet I loved Jacob, 3 And I hated Esau, and laid his mountains and his heritage waste for the dragons of the wilderness. 4 Whereas Edom saith, We are impoverished, but we will return and build the desolate places; thus saith the LORD of hosts, They shall build, but I will throw down; and they shall call them, The border of wickedness, and, The people against whom the LORD hath indignation for ever. 5 And *your* eyes shall see, and ye shall say, The LORD will be magnified from the border of Israel. 6 A son honoureth *his* father, and a servant his master: if then I *be* a father, where *is* mine honour? and if I *be* a master, where *is* my fear? saith the LORD of hosts unto you, O priests, that despise

my name. And ye say, Wherein have we despised thy name? 7 Ye offer polluted bread upon mine altar; and ye say, Wherein have we polluted thee? In that ye say, The table of the LORD *is* contemptible. 8 And if ye offer the blind for sacrifice, *is it* not evil? and if ye offer the lame and sick, *is it* not evil? offer it now unto thy governor; will he be pleased with thee, or accept thy person? saith the LORD of hosts. 9 And now, I pray you, beseech God that he will be gracious unto us: this hath been by your means: will he regard your persons? saith the LORD of hosts. 10 Who *is there* even among you that would shut the doors *for nought?* neither do ye kindle *fire* on mine altar for nought. I have no pleasure in you, saith the LORD of hosts, neither will I accept an offering at your hand. 11 For from the rising of the sun even unto the going down of the same my name *shall* be great among the Gentiles; and in every place incense *shall* be offered unto my name, and a pure offering: for my name *shall* be great among the heathen, saith the LORD of hosts. 12 But ye have profaned it, in that ye say, The table of the LORD *is* polluted; and the fruit thereof, *even* his meat, *is* contemptible. 13 Ye said also, Behold, what a weariness *is it!* and ye have snuffed at it, saith the LORD of hosts; and ye brought *that which was* torn, and the lame, and the sick; thus ye brought an offering: should I accept this of your hand? saith the LORD. 14 But cursed *be* the deceiver, which hath in his flock a male, and voweth, and sacrificeth unto the LORD a corrupt thing: for I *am* a great King, saith the LORD of hosts, and my name *is* dreadful among the heathen."

The Jewish Talmud, in the book of *Sanhedrin*, folio 20*b*, states,

"It has been taught: R. Jose[12] said: Three commandments were given to Israel when they entered the land; [i] to appoint a king; [ii] to cut off the seed of Amalek; [iii] and to build themselves the chosen house [i.e. the Temple] and I do not know which of them has priority. But, when it is said: *The hand upon the throne of the Lord, the Lord will have war with Amalek from generation to generation,*[13] we must infer that they had first to set up a king, for *'throne'* implies a king, as it is written, *Then Solomon sat on the throne of the Lord as king.*[14] Yet I still do not know which [of the other two] comes first, the building of the chosen Temple or the cutting off of the seed of Amalek. Hence, when it is written, *And when He giveth you rest from all your enemies round about etc.*, and then [Scripture proceeds], *Then it shall come to pass that the place which the Lord your God shall choose,*[15] it is to be inferred that the extermination of Amalek is first. And so it is written of David, *And it came to pass when the king dwelt in his house, and the Lord had given him rest from his enemies round about,* and the passage continues; *that the king said unto Nathan the Prophet: See now, I dwell in a house of cedars etc.*"-- I. Constrain Abbas

Christopher Jon Bjerknes

http://www.jewishracism.com

The Palestinians should constrain Abbas in several ways. He should not be allowed to make any deals with Rice, or Olmert, on 19 February 2007, or even to meet with them. All proposals of a fundamental nature which will seriously affect the future of the Palestinians, and which are not agreed upon unanimously by the leaders of the various factions, should be subject to veto, which would then move the proposal to a referendum vote requiring a strong majority, perhaps 3/4, of the Palestinian People themselves.

It is key for loyal Palestinians to recover the funds the Israelis have stolen from the Palestinian People, and to ease the economic crisis, before any deals are struck. The Palestinian People must not be coerced into surrendering their birthright. The best means to prevent civil war is to improve the economic condition of the Palestinian People.

If the political parties are unable to overcome the Israeli efforts to divide the Palestinian People, then the Palestinians should hold a constitutional congress to establish a new constitution to secure their rights and to create a new government capable of representing the will of the Palestinian People, as opposed to the will of the Israelis. I would suggest something like the Swiss model. Make the "unity government" a transitional government to a new government which will ban political parties and disloyalty. Again, the Palestinians' problems are chiefly economic and their source is the inhuman Israeli campaign to genocide the Palestinian People.

The present parties should sharply focus on filing criminal and civil complaints in the international courts to recover damages for the harms Israel is inflicting upon the Palestinian People and for Israel's violations of United Nations Resolutions and International Law. The mere act of filing these complaints will focus attention on the Israeli genocide of the People of Palestine. Abbas should be forced to tell Rice and Olmert that he cannot meet with them under the present conditions of extortion and genocide, because no binding agreements can be made under conditions of duress and coercion. This will constrain not only Rice and Olmert, but also Abbas. It will also throw the Israelis' time schedule into disarray and create political problems for Olmert.

The Palestinians should invest in video cameras and launch a public relations blitz to expose the Israeli genocide of the Palestinian People. Israel's popularity is at an all time low. Jews do not want to travel to Israel, and the Zionist dream is dying. The more Palestinians can win the sympathy of the world, the stronger will be your hand when negotiating for a resolution of your national status. Emphasize the fact that Israel has always sought war and conflict and has never acted in good faith. Emphasize the fact that the United States has not been a neutral arbiter in the situation. All the world knows this, and you will establish a bond of trust with the people of the world by pointing out these simple truths, which the Jewish controlled media refuses to discuss.

Point the finger of accusation at the criminal Israelis and state that there can be "negotiations" through the extortion of the Palestinian People. Demand that Israel stop terrorizing the Palestinian People with genocidal sanctions.

Do everything in your power to prevent violence. The Israelis have a lock on the international media and take unfair advantage of every incident of violence to vilify Palestinians, Arabs and Moslems. Peace is your most reliable ally. Israel is a vampire that feeds off of your blood. Starve the vampire.

Troubling Questions for "Christian" Zionists

Christopher Jon Bjerknes

http://www.jewishracism.com

Do you believe that Rebbe Menachem Mendel Schneerson was and is God? Do you believe the modern Jews' Messiah is the second coming of Jesus Christ, or that Jesus was a fraud and Schneerson was and is the first Messiah, as do some of the Jews of Israel you are supporting financially and politically? Would someone please ask John Hagee, Pat Robertson, and their ilk, if they believe that Schneerson was and is the Messiah? What is their position on the Jewish plan to anoint a Jewish King, whom the Jews will assert is the first and only Messiah? Would it bother them if a Jewish King ascended the throne in Jerusalem and was declared the Messiah, and claimed to rule the world from Jerusalem as his God given right?

It is important for Jews to know the answers to these questions, as well as Christians. Let there be no ambiguity.

What is Hagee's stance on the Talmud and its defamations of Jesus and Mary? Does Robertson have an opinion on this issue?

Positioning Iran as the Lone Pariah

Christopher Jon Bjerknes

http://www.jewishracism.com

As I predicted, the crypto-Jewish leadership of Iran used the Iranian People against itself to falsely portray the Iranian People as if they were myopically focused on enriching uranium, so as to dash all hopes that should Ahmadinejad and his masters be removed, the crisis will end. North Korea, under the mandates of Communist China, under the mandates of World Jewry, has taken the reasonable route of backing off its nuclear weapons program. The timing of its actions are auspicious for World Jewry.

The "axis of evil" rhetoric is narrowing to constrict Iran. Now World Jewry can claim that even Kim Jong-il has seen the error of his ways, and Iran is worse than he. The Iranian People were set up by Ahmadinejad and Israel to vilify themselves in the court of world public opinion.

I suspect, though, the whining will back fire on World Jewry, but that won't prevent them from attacking Iran. The best means to prevent the Israeli attack, is to expose to all the World that World Jewry is behind it, and has been from the start. They are getting nervous that their crimes are being exposed. They desperately seek a scapegoat, a stupid Esau to wield their genocidal

sword. That is why it is so necessary to warn the World that Israel is the aggressor, and that it is against the best interests of the World to attack Iran, and that such an attack would stem from Israel and would only profit World Jewry. Even the dumbest Goy is not likely to knowingly step into a trap.

When Will Iranian "Leadership" Respond to the Open Israeli Aggression, When the Mushroom Clouds the Sky With the Blood of the Iranian People?

Christopher Jon Bjerknes

http://www.jewishracism.com

Are the crypto-Jewish theocrats misleading Iran ever going to directly respond to the open Israeli threats against the Islamic Republic of Iran, or will they continue to focus their attention almost exclusively on the United States and continue to lie to the Iranian People by telling them that they have nothing to fear—just as Israel would want them to do?

In the News:

"ISRAEL has drawn up secret plans to destroy Iran's uranium enrichment facilities with tactical nuclear weapons.

The next time the Jewish controlled media attack Ahmadinejad for sponsoring the Holocaust Conference, he should respond, "Why do you get angry at me for the Holocaust? George W. Why don't you punish the Jewish bankers who gave their gold to build the Ghetto walls and fill the concentration camps with their fellow Jews? They Dare to Accuse Putin of Reviving the Cold War?

Christopher Jon Bjerknes

http://www.jewishracism.com

The Zionist leaders of the West continually demonstrate their ineptitude to accomplish anything other than destruction and conflict; which is, after all, what they were hired to do. What is their reaction to the legitimate criticism from Russian President Vladimir Putin that they are destabilizing the World and sending humanity into escalating conflicts? Why the Zionist stooges take the opportunity to further destabilize the World and escalate global conflicts. What is their reaction to the accusation that they are blaming others for the problems they themselves are causing? Why they blame others for the problems they themselves are causing.

Putin should point out to a global audience that the Cold War was created by the same Jewish bankers who paid Trotsky and Lenin to mass murder tens of millions of Russian Christians.

Putin should enlighten the world public to the fact that the Cold War was created by the same Jewish bankers who, through Zionist agents like George W. Bush's grandfather Prescott Sheldon Bush, paid Adolf Hitler to mass murder tens of millions of Russian Christians. Putin should not shy away from pointing an accusatory finger at these same Jewish bankers who hold the leash of American politicians, those psychopathic whores who openly grovel for Jewish money and Jewish media attention, and pledge to wage illegal wars for Israel, wars of aggression which are destroying America and destabilizing the globe. Putin should expose to the World the fact that these same Jewish bankers are paying "Christian" preachers to spread the genocidal rhetoric that Russia must be attacked with nuclear weapons and that at least two billion human beings should be mass murdered for the sake of the nation of Israel. But why stop there? Why not openly accuse the Jewish bankers who stole the wealth of Russia after the Jewish Bolshevik war on Russia mutated into the more modern genocide of Russia taking place today in the gulags of unemployment, alcoholism and pollution?

Putin should show films of the American prostitutes, calling themselves the American Congress, begging before the Israeli kingmakers in Herzliya. Humiliate the sycophantic warmongers and expose those who own them. Prove to the World that the American Government is an Israeli brothel spreading the disease of war across the planet. Putin should rise like Mahathir Mohamad and shine a spotlight on the pale vampire feeding in the shadows off of the blood of humanity. Unite humanity against the Jewish bankers who despise humanity, and the wars will end.

Moslems greet one another with the blessing of peace, in Arabic, "As-Salaam-Alaikum". It is nice to see the nation of Iran greeting the world with the blessings of peace:

"The Islamic Republic of Iran seeks good neighborly relations with all the surrounding states, and it desires establishment of sustainable peace, friendship and tranquility in the region, particularly in the Persian Gulf."—Iranian Defense Minister Brigadier General Mostafa Mohammad Najjar, as quoted in "Iran Seeks Peace, Stability in Persian Gulf", *Fars News Agency www.farsnews.ir,* http://english.farsnews.com/newstext.php?nn=8511220267, (11 February 2007).

"That Iran is willing to threaten Israel is wrong[. . . .] We pose no threat and if we are conducting nuclear research and development we are no threat to Israel. We have no intention of aggression against any country. [. . .] Today we announce to you that the political will of Iran is aimed at the negotiated settlement of the case and we don't want to aggravate the situation in our region[. . . .] We know that this issue can be settled in a constructive dialogue and we welcome that."—Ali Larijani, Iranian Secretary of the Supreme National Security Council and Chief Iranian Nuclear Negotiator, as quoted in Associated

"Repeatedly and frankly we have announced that in Iran's national security doctrine there is no room for atomic and chemical weapons as we consider them against Islamic laws. Iran's Supreme Leader (Ayatollah Seyyed Ali Khamenei) in this connection had issued a decree that mass destruction weapons are prohibited by the Muslim religion. [. . .] Therefore we support the idea of a Middle East free from weapons of mass destruction[.]"—Ali Larijani, Iranian Secretary of the Supreme National Security Council and Chief Iranian Nuclear Negotiator, as quoted in "'No room for WMDs in Iran's national security doctrine,' says Larijani", *Islamic Republic News Agency*, http://www2.irna.com/en/news/view/line-203/0702111128162815.htm, (11 February 2007).

"We are committed not to launch aggression on any country and defend ourselves in the face of any aggression."—Mahmoud Ahmadinejad, President of Iran, as quoted in "IR calls for promotion of peace", *Islamic Republic of Iran Broadcasting www.iribnews.ir*, http://www.iribnews.ir/Full_en.asp?... (11 February 2007).

The Jewish media is floundering in its disappointed attempts to spin the situation in a way that unfairly vilifies Iran. It is our job to see to it that they continue to fail.

Israel Denies, America Sighs

Christopher Jon Bjerknes

http://www.jewishracism.com

Israel has wisely denied the press report that it is seeking permission to fly over Iraqi air space in the event of an Israeli attack on Iran.

The press has also reported that the Israelis are planning to use nuclear weapons to attack Iran. The American Congress is obliged to investigate these press reports. If they are true, Israel's aggression would likely destroy the World economy and plunge the World into a nuclear World War III. These press reports are consistent with numerous open and well documented threats made by Israeli authorities and by the Israeli press to wage aggressive war against Iran. Whether or not the reports of Israeli military plans to nuke Iran and use Iraqi air space to do it ultimately prove correct, the open and undeniable aggressive threats coming from Israel are grounds for Congressional action to curb Israeli warmongering.

Note that the leaders of Iran often respond immediately to statements made by American and British officials, and the American and British press; but usually do not respond to the often far more egregiously aggressive commentary coming from Israel. Why is that?

Why does Iran assert its rights in flamboyant and often counterproductive public declarations, but takes no action to assert them in the international courts, or through professional diplomacy?

Why is the American Congress quick to condemn Iran and Syria for unsubstantiated rumors that they are interfering in the internal affairs of other nations, and yet the American Congress openly whores itself out to Israel, thereby colluding with Israel to subvert the interests of the American People? Why are the Jewish controlled American media largely silent on this issue, while loudly parroting Israeli propaganda which accuses Iran and Syria of committing crimes Israel openly commits against the United States? Why is there next to NO condemnation of the Israeli subversion of American democratic processes to accomplish such vile ends as illegal aggressive war against nations which have done nothing to harm America, but which Israel has openly threatened to destroy? Why is there next to NO condemnation of the parasitic Israeli draining of the US Treasury?

Does the Jewish controlled press of America harbor loyalties to America, or to Israel? Clearly the two countries' interests are in opposition, and the Jewish controlled press refuses to inform the American People of facts, the exposure of which runs counter to the interests of Israel, but the exposure of which is essential to the American People. Why is it that Israel's desires trump America's interests in the Jewish controlled American media and in the Jewish controlled

American Government?

Would we tolerate it if Canadians and Canadian Americans bought up our media and government and used them to forward Canadian interests to the detriment of the American People? Our nation is being subverted by a foreign power that has a 2,500 year old plan to destroy our nation and all other nations along with it. This foreign power, the Jewish nation, has demonstrably destroyed numerous "super powers" throughout its long and terrible history. Will our hubris and complacency add America to the ever growing list?

Congress Must Intervene and Iran Must Make a Criminal Complaint

Christopher Jon Bjerknes

http://www.jewishracism.com

The press is reporting that Israel is requesting fly over rights over Iraq for a potential air strike against Iran.

Israel seeks all clear for Iran air strike

If these reports are accurate and are not denied, the American Congress should assert its powers to prevent this escalation of war in the Middle East and insist that Israel not be allowed to commit this crime with American consent and cooperation; which crime of aggression, if it were to occur, would place American forces in greater danger in Iraq, would make the American mission in Iraq impossible, and would endanger American vessels in the Gulf. Israel has already stabbed America in the back by excavating near the Al Aqsa Mosque and thereby inflaming Islam. The American People have an opportunity here to say "no more" to Israeli subversion of our national interest and reckless endangerment of American forces.

The mere act of making such a request constitutes an illegal Israeli threat of aggressive war against Iran, and Iran must respond with a formal complaint against Israel. The United Nations ought to be outraged at Israel for making these aggressive gestures as the UN attempts to end this crisis through peaceful means by way of negotiation. Force the member nations to condemn Israel for its aggression and subversion of peace negotiations, or reveal that they are biased against Iran and want to see Iran aggressively attacked by Israel.

Israeli Vampires and Russian Blood

Christopher Jon Bjerknes

http://www.jewishracism.com

The Nation of the Jews has repeatedly gorged itself on Russian blood. World Jewry sent the Zionist puppet Napoleon Bonaparte, who emancipated the Jews of Europe and sought to conquer Palestine for the Jews, to bathe in the blood of the Russian People. Jewish bankers cut off Russia's access to international money markets, organized crippling strikes and manufactured a war with Japan and financed Japan in this war against Russia. World Jewry orchestrated the First World War by artificially pitting pan-Germany against pan-Slavia, in order to leave pan-Judaea in control of the World. The leaders of Germany and Russia at the time, Czar Nicholas II and Kaiser Wilhelm II, were cousins. In addition to manufacturing the First World War, Jewish bankers financed Jewish revolutionaries to destroy Russia, and Jews organized strikes to cripple the Russian economy and leave it weak and ripe for Jewish revolution. Jewish bankers then had their Bolshevik agents mass murder Russians and other Slavs in the tens of millions. Jewish bankers thrust their agent Adolf Hitler, another Zionist Bolshevist, into power, and through him mass murdered tens of millions more Russians and Slavs.

For centuries, World Jewry has been promoting the myth that the "Gog and Magog" of the Jewish book of *Ezekiel* chapters 38 and 39 signifies Mother Russia. Gog and Magog is not Russia, *see: Genesis* 10:2-3; and the battle against Gog and Magog is post-Millennial in true Christianity, *see: Revelation* 20:7-8.

However, Jews and crypto-Jews have convinced their Protestant Christian dupes that Russia must be annihilated in the coming staged Jewish "Battle of Armageddon". Under the Jews' deliberate misinterpretation, the Jewish book of *Ezekiel* 39:2 calls upon the Jews to reduce the

population of the Slavs to one sixth its present population. You can expect that a fifth column of disloyal Jews in Russia will do their best to incapacitate Russia's nuclear arsenal, as the artificial fulfilment of *Ezekiel* 39:3. Under their misinterpretation, the Jewish book of *Ezekiel* 39:17-18 instructs the Israeli vampires to feast upon Russian blood and flesh:

"17 And, thou son of man, thus saith the Lord GOD; Speak unto every feathered fowl, and to every beast of the field, Assemble yourselves, and come; gather yourselves on every side to my sacrifice that I do sacrifice for you, *even* a great sacrifice upon the mountains of Israel, that ye may eat flesh, and drink blood. 18 Ye shall eat the flesh of the mighty, and drink the blood of the princes of the earth, of rams, of lambs, and of goats, of bullocks, all of them fatlings of Bashan."

Zionist Jews control the American media and the American Government. They also have financed and control the "Christian" Zionist movement in America, which, through a group of reckless and aggressive warmongering Jewish agents, regulates the opinions of tens of millions of politically active Americans, who do go out and vote. These "Christian" Zionists openly and regularly call for the "Battle of Armageddon" in the hopes that they will be "raptured" into Heaven, while the rest of World is consumed in a nuclear genocide. They openly and regularly call for nuclear war against Russia. Russians must respond to this threat. It is the single greatest threat to your national security.

Ahmadinejad's Posturing

Christopher Jon Bjerknes

http://www.jewishracism.com

It appears that Iran is being set up to fall by taking a hardline stance with the UN that will backfire on Iran. The United States and NATO have artificially and unnecessarily created a crisis by proposing that a missile defense system be installed in Poland and the Czech Republic. Russia has stated that such an action would force Russia to target these nations with nuclear missiles.

This manufactured crisis gives the US leverage with which to persuade the Russians to stab the Iranians in the back. Should Russia agree to betray Iran, then the US would reverse course from its Cold War maneuvers.

Ahmadinejad is taking a hardline response to the UN, because he has assurances from Russia and China that they will block further moves by the UN. As before, the US has more to offer Russia and China than does Iran. Russia and China will use Iran and the US to create a situation whereby Russia and China will profit from the conflict. If that means betraying Iran, then they will betray Iran. Ahmadinejad is most unwise to stretch out Iran's neck and to place the fate of the nation in the hands of foreign powers, who have no great interest in Iran, and generally despise Islam and its republics.

Recall that China has given the West a gift by reining in North Korea in the near term. The next gift might well be the betrayal of Iran. In exchange, the US will betray South Korea, Japan and Taiwan. In addition, Red China is greatly and justly concerned that American public opinion will soon call upon the American Government for protectionist policies against Red China, which would be devastating to the economy of Mainland China at this time. Beyond that, Zionist Jews are fueling Communist China's growth with investment capital, and are organizing its banking structure to replace the preeminence of American finance. In a *quid pro quo* deal between the West and China, Iran will lose.

The leadership of Iran are not stumbling along out of naivete, but rather they are working together with American Zionists to create a war. They have to be at least somewhat careful in how they accomplish this goal, for if they were to be too obvious, both the Iranian and American regimes might be overthrown. Hence the theater and Ahmadinejad.

Iran will lose public support if it does not make counter proposals to the UN that at least give the appearance of an atmosphere of negotiation, versus deliberate impasse. They must act in a mature and reasonable fashion, or world public opinion will turn against them. Iran should propose a forum in which it can voice its objections to the illegal impositions the UN is making on Iranian sovereignty and Iranian national rights. Without a peaceful means to resolve this artificial impasse, both sides will succeed in needlessly bringing about war, which is obviously what they want.

Russia will soon discover that they are next on the Zionist hit list, after Islam. There is a large and growing fifth column of Zionist Jews in Russia, and the country will be destroyed more

easily than the Russians dare imagine.

Due Process of Law

Christopher Jon Bjerknes

http://www.jewishracism.com

Iran maintains that United Nations Security Council Resolution 1737 is void and illegal, in that it violates Iran's rights to enjoy the same freedoms and powers as all other nations, and the resolution violates the Nuclear Non-Proliferation Treaty and other international regulations. I would add that the process appears to violate the People of Iran's natural right to due process of law.

Iran ought to have access to a legal process by which to contest actions taken against it, which Iran believes violate its natural rights, represent selective enforcement, and which demonstrate clear bias and favoritism for some nations, while unduly oppressing others. Iran has the natural right to appeal illegal orders issued against it.

A face saving way out of this crisis would be for the UN to create an appeals process through which Iran could contest Resolutions made against its sovereign powers and freedoms. In turn, once this body is established and the process begun, Iran could agree to suspend its uranium

enrichment activities pending appeal, and Iran should be given the right to recover damages from those nations seeking sanctions against Iran, should Iran's appeal be successful. Iran should also be entitled to file counter claims against Israel, America and other nations, seeking a judgement that a uniform and just standard be applied to all nations.

Humanity must find reasonable processes by which these crises can be resolved without resorting to war.

Malcolm X on Zionism

Christopher Jon Bjerknes

http://www.jewishracism.com

I received an e-mail, which made reference to the following article on Zionism by Malcolm X:

http://www.malcolm-x.org/docs/gen_zion.htm

He correctly identifies the Messianic nature of Zionism, its insistence on the theft of Palestine, its desire to rule the world with a rod of iron (*Numbers* 24:17-20. *Psalm* 2:9), the fact that the Jews were not permitted to enter Palestine *en masse* until their Messiah had arrived (*Leviticus* 26. *Deuteronomy* 4:24-27; 28:15-68; 30:1-3. II *Chronicles* 7:19-22. *Jeremiah* 29:1-7. *Kethuboth* 111*a*). However, Malcolm fell into the Zionist trap of proposing Arab and African unity under

Socialism. World Jewry sought to turn the Arab nations into Communist nations, which they could absolutely control with an iron fist, and this is why the Soviet Union sponsored the Arab States and appeared to oppose Zionism. Had the Arab countries gone Communist, their religion would have disappeared along with their culture and their wealth. They would have been Judaized and terrorized and eventually exterminated.

However, the Jewish Communist influence in the Middle East was strong, because it has always been backed by Jewish money and Jewish controlled media. Egypt is today run by Communists, as is Iran. Jewish Communists pretend to defend the rights of Palestinians, but they never allow the Palestinians to advance, but instead infiltrate the Arab leadership, serve as destructive *agents provocateur* and keep the Arabs from making any progress by keeping them from taking the proper steps of organizing international economic Israeli isolation and the condemnation of Jewish influence over the press and governments of the World—the Jewish Messianic rule by iron scepter. The Jews would have the Palestinians blame America and the "corporate elite" for the crimes Jews are committing. Malcolm was either the Zionists' agent, or their dupe, just as so many Palestinian supporters today are dupes of the controlled opposition of Marxist Jews, and suffer for it.

Palestinians would be far better off to take matters into their own hands and shun the Marxist Jews and their "good advice", which holds the Palestinians back, by design.

The Israeli Nazis and the Gaza Ghetto

Christopher Jon Bjerknes

http://www.jewishracism.com

The Israeli Nazis are starving Palestinian children in the Gaza Ghetto. Note that the Jewish controlled media is largely silent on this issue. Governments around the world say and do nothing to end the horror. Instead they blame the Palestinians for the fact that the Israelis are starving the Palestinians. What is the Palestinians' crime? They dare to live.

The psychopathic cruelty of the Israelis will escalate when they bring the world into World War III. The ghettoes of Gaza and the West Bank will become death camps. The forefathers of the Jews who live in Palestine, "Israel" they call it, mass murdered the Armenians, in no small part by means of controlled, deliberate and needless starvation. They mass murdered Ukrainians and Russians in the tens of millions by means of controlled, deliberate and needless starvation. Zionist Jews proudly starved hundreds of thousands of Iraqi children to death. They even murdered fellow Jews by the millions by starvation and disease. Today, we watch them starving Palestinian children and the world is silent.

When you look at the Israeli flag think of the starving Palestinians. Think of all of the wars that Zionist Jews have deliberately caused. Theirs is the flag of death the Israeli Nazis will drape over the coffin of humanity, if we let them.

Iranians and Sanctions

Christopher Jon Bjerknes

http://www.jewishracism.com

Iran has elected to call the UN's bluff. Iranians have decided that they will not likely lose anything by letting the UN deadline expire. That opens the door to the next round of diplomacy without diplomacy, whereby the member states of the UN will have to negotiate with one another as to what to do next. Iran is gambling that this impasse will in fact strengthen their hand, because their enemies will fear their resolve and look for other ways of resolving the crisis. They also hope that Iran's allies will persuade the UN to take steps which will offer Iran more than it is now offered for compliance with the will of the Israelis.

Iranians wonder: What will they do? How much time will we have? What will our allies do? What will our enemies do?

The US will push for harsher, more punitive sanctions, based on the premise that previous

sanctions have failed and that Iran was warned and has failed to respond positively, but has instead responded with defiance and delay, and has only promised to escalate its uranium enrichment program. The US will also state that incentives should be reduced based on the premise that Iran must be discouraged from stalling.

Iran will counter this argument by covertly asking Russia to call on the UN for more attractive incentives based on the premise that Iran has not been persuaded by previous incentives. If all goes well for the Iranians, the result might be a sweeter carrot and a sharper stick. If the UN reduces incentives under US pressure based on the premise that Iran must be discouraged from stalling, Iran will badly lose this silly game. The gambit is a foolish one, and the potential rewards in no way justify the risks. This reveals the fact that Iran is being led astray by traitors.

Time is a key factor in this conflict. The US gains by short term delays, in that it is preparing to soften up Iran with an intense bombing campaign, and Iran's "defiance" sways public opinion against Iran. This has been America's strategy in most recent wars, if not all recent wars. They will strike without warning, for there is no other way to protect American vessels and Gulf oil production. Their first strike will be devastating and may well include a nuclear attack, which may well escalate into a nuclear strike on Tehran. There is no one to stop them from doing this.

Loyal Iranians should consider the fact that they are not fighting against patriotic Americans, but instead with Israelis who stand to lose nothing by destroying America, but stand to gain a new wave of Jewish emigration to Palestine should America be destroyed. Iranians should know that America will be scapegoated for Israel's attack on Iran, and, therefore, there is no disincentive for those in charge of American foreign policy to attack Iran, because they are

Israelis by citizenship and by loyalties.

Iran can change that situation by accusing Israel of subverting American foreign policy and of illegally provoking aggressive war against Iran. This would create a disincentive to disloyal Jews from deliberately subverting American interests, because they would risk a higher probability of a severe backlash for their treachery.

It cannot be doubted, however, that Iran is run by the same forces who are destroying America. The arguments made above are simply an academic exercise to expose the excuses the top Iranian and American leadership are making by way of theater to keep their regimes in power as they deliberately create the preconditions for the coming war and the coming devastation of their countries. They are sham arguments made to keep the people from revolting against their revolting march towards war.

It is near the time when it will be futile to continue to try to resolve the problems that the Israelis are causing the Iranians and the Moslems. The Moslems and Americans are doing almost nothing to save themselves from this Israeli campaign to destroy both by pitting them against one another. I have been warning of these events publicly for two years.

I will soon have to turn my attention to warning of the coming war between Russia and America, just as I began two years ago to warn of the coming war between Iran and America. It is funny. Some people still suspect that when I refer to a war with Iran I am mistaking Iran for Iraq.

Indeed. . .

Billions Will Die for the Sake of Racist and Genocidal Jewish Mythology

Christopher Jon Bjerknes

http://www.jewishracism.com

The Jews' plan to slowly genocide the Palestinians is an ancient plan. Jews have always planned to slowly push the Palestinians off of the Palestinians' homeland. The Jews were never the original inhabitants of the Land of Palestine. They were always militant and temporary invaders. They were always murderous and genocidal thieves. The Jewish book of *Exodus* 23:28-33 states:

"28 And I will send hornets before thee, which shall drive out the Hivite, the Canaanite, and the Hittite, from before thee. 29 I will not drive them out from before thee in one year; lest the land become desolate, and the beast of the field multiply against thee. 30 By little and little I will drive them out from before thee, until thou be increased, and inherit the land. 31 And I will set thy bounds from the Red sea even unto the sea of the Philistines, and from the desert unto the river: for I will deliver the inhabitants of the land into your hand; and thou shalt drive them out before thee. 32 Thou shalt make no covenant with them, nor with their gods. 33 They shall not dwell in thy land, lest they make thee sin against me: for if thou serve their gods, it will surely be a snare unto thee."

This is why the Jews of Israel outwardly pretend to want to make peace with the Palestinians, but truly want to drive them out or exterminate them, and always deliberately spoil any attempts at peace. This is why the Israelis have never genuinely pursued peace and why the Israelis illegally refuse the Palestinians their right of return. The Jews of Israel consider Arabs to be poison to their holy Jewish genes, an offense against their racist God "Hashem". The Jews of Israel want all Goyim purged from the Nile River to the River Euphrates, ultimately from the face of the Earth.

The first phases of the Jews' ancient plans are complete. Now they seek the Battle of Armageddon planned in the Jewish book of *Ezekiel* chapters 38 and 39. The Jews have long planned to pit the Christian West against the Russians and genocide the Russians on the pretext that the Christians must mass murder the Gog of Russia in order for Jesus to return. However, the Jews hate Jesus, and it is their modern Jewish Messiah, whom they seek to enthrone in Jerusalem. Then they will mass murder all Christians.

In 1844, under the influence of the Jewish bankers, Mordecai Manuel Noah iterated the modern Jewish version of their ancient plan to destroy humanity by ginning up a war between Russia and England and America,

"Let it, however, be kept in mind, that the restoration will be at first limited and partial; the government which they may form will be transitory and contingent; the great war prophesied in Ezekiel against Gog, prince of Rush, Meshech, and Tubal, the power which now controls *Archanez*, *Refath*, and

Togarmah of the Scriptures, that is to say, the Germans, Sclavonians, Sarmatians, and Turks of our day, is Russia; the descendants of the joint colony of Meshech and Tubal, and the little horn of Daniel. Russia, in its attempt to wrest India from England and Turkey from the Ottomites, will make the Holy Land the theatre of a terrible conflict. Tarshish, 'with the young lions thereof'—evidently Great Britain, with her allies—will come to the rescue. Then will ensue the battle so sublimely described by the prophet: the fire and hailstones; the purification and victory; the advent of the Messiah, and the thousand years of happiness and peace which are to ensue."—M. M. Noah, *Discourse on the Restoration of the Jews: Delivered at the Tabernacle, Oct. 28 and Dec. 2., 1844*, Harper, New York, (1845), pp. 51-53.

Russia had better wake up to the fact that World Jewry is duping Christian America into making a nuclear strike against Russia. Americans had better wake up to the fact that World Jewry is duping Russian leaders into launching a nuclear strike on America. It is not yet too late to prevent World Jewry from murdering us all.

What Does Russia Know That We Don't? What Do We Know That the Russians Don't?

Christopher Jon Bjerknes

http://www.jewishracism.com

The recent problems between Russia and Iran over their nuclear cooperation indicate that Russian intelligence knows that the US and Israel will soon attack Iranian nuclear facilities, and that Iran will be unable to pay its bills. What both the Iranians and Russians should realize, is that the Jewish Battle of Armageddon will target Russia after it annihilates Iran and the rest of Islam. World Jewry will exploit "Christian" Zionists to force the American Government to nuke "Magog", a. k. a. Russia.

Russia obviously knows that NATO and the US are gearing up to attack them. They do not appear to understand why.

Iran and Russia should confront the Lobby of the "Christian Right" in America and put political pressure on it. Iran and Russia should investigate the leaders of these movements and expose any skeletons in their closets. The Jewish Zionists would not promote these "Christian" Zionists without the ability to control them. They are, therefore, vulnerable. Expose the Jewish Zionist financing of these charlatans and generate tensions between wealthy Jews and these clowning puppets, who are openly calling for the genocide of Moslems and Russians. Russia should demand that the UN investigate the "Christian" Zionist movement and its open incitements to aggressive nuclear war and genocide.

If Russia wants to save itself, it should let it be known that Russia knows that Israel and World Jewry is behind this new world war, with all that implies.

Censorship and the "Blood Libel"

Christopher Jon Bjerknes

http://www.jewishracism.com

Whenever Organized Jewry launches a major campaign to censor statements, opinions and thoughts they want suppressed and even outlawed, it tends to backfire on them, and instead results in greater exposure of the subject matter they want to hide from public view. We can discourage Organized Jewry from attempting to restrict and violate our fundamental human rights to free speech, by exercising them. Organized Jewry has made it clear that it does not want the issue of the "blood libel" discussed.

The Hebrew Bible contains many verses which make reference to human sacrifices, for example *Genesis* 22:1-18; *Exodus* 8:26;13:2. *Joshua* 13:14. *Judges* 11:29-40. I *Kings* 13:1-2. II *Kings* 16:3-4; 17:17; 21:6; 23:20-25. II *Chronicles* 28:1-4; *Jeremiah* 7:3; 19:5; 32:35. *Ezekiel* 16:20-21; 20:26, 31; 23:37. and *Leviticus* 27:28-29:

"28 Notwithstanding, no devoted thing, that a man shall devote unto the LORD of all that he hath, *both* of man and beast, and of the field of his possession, shall be sold or redeemed: every devoted thing *is* most holy unto the LORD. 29 None devoted, that shall be devoted of men, shall be

redeemed; *but* shall surely be put to death."

And *Leviticus* 20:1-7 admonishes Jews not to allow sacrifices of their own children to Moloch, indicating that Jewish child sacrifices were occurring, and perhaps prescribing that they should be made to the "Lord", Baal, instead of to Moloch:

"1 And the LORD spake unto Moses, saying, 2 Again, thou shalt say to the children of Israel, Whosoever *he be* of the children of Israel, or of the strangers that sojourn in Israel, that giveth *any* of his seed unto Molech; he shall surely be put to death: the people of the land shall stone him with stones. 3 And I will set my face against that man, and will cut him off from among his people; because he hath given of his seed unto Molech, to defile my sanctuary, and to profane my holy name. 4 And if the people of the land do any ways hide their eyes from the man, when he giveth of his seed unto Molech, and kill him not: 5 Then I will set my face against that man, and against his family, and will cut him off, and all that go a whoring after him, to commit whoredom with Molech, from among their people. 6 And the soul that turneth after such as have familiar spirits, and after wizards, to go a whoring after them, I will even set my face against that soul, and will cut him off from among his people. 7 Sanctify yourselves therefore, and be ye holy: for I *am* the LORD your God."

Beyond this, Judaism, as a religious doctrine, depends upon repeated instances, and prophecies, of the sacrifice of masses of human beings in genocides directed by God--ultimately the mass

murder of all Gentiles and apostate Jews as a human sacrifice to the Jewish God "Hashem" for the sake of Zionism and the remnant of "righteous" Jews.

Josephus recounts some of the Jewish critic Apion's tales, among them,

"Now, although I cannot but think that I have already demonstrated, and that abundantly more than was necessary, that our fathers were not originally Egyptians, nor were thence expelled, either on account of bodily diseases, or any other calamities of that sort; yet will I briefly take notice of what Apion adds upon that subject; for in his third book, which relates to the affairs of Egypt, he speaks thus:--'I have heard of the ancient men of Egypt, that Moses was of Heliopolis, and that he thought himself obliged to follow the customs of his forefathers, and offered his prayers in the open air, toward the city walls; but that he reduced them all to be directed toward sunrising, which was agreeable to the situation of Heliopolis: that he also set up pillars instead of gnomons, under which was represented a cavity like that of a boat, and the shadow that fell from their tops fell down upon that cavity, that it might go round about the like course as the sun itself goes round in the other.' [***] He then assigns a certain wonderful and plausible occasion for the name of Sabbath, for he says, that 'when the Jews had travelled a six days' journey, they had swellings on their groins; and that on this account it was that they rested on the seventh day, as having got safely to that country which is now called Judea; that then they preserved the

language of the Egyptians, and called that day the Sabbath, for that malady of swellings on their groin was named Sabbatosis by the Egyptians.' [***] And as for this grammatical translation of the word Sabbath, it either contains an instance of his great impudence or gross ignorance; for the words Sabbo and Sabbath are widely different from one another; for the word Sabbath in the Jewish language denotes rest from all sorts of work; but the word Sabbo, as he affirms, denotes among the Egyptians the malady of a swelling in the groin. [***] He adds another Grecian fable, in order to reproach us. In reply to which, it would be enough to say, that they who presume to speak about divine worship, ought not to be ignorant of this plain truth, that it is a degree of less impurity to pass through temples, than to forge wicked calumnies of its priests. Now, such men as he are more zealous to justify a sacrilegious king than to write what is just and what is true about us, and about our temple; for when they are desirous of gratifying Antiochus, and of concealing that perfidiousness and sacrilege which he was guilty of, with regard to our nation, when he wanted money, they endeavour to disgrace us, and tell lies even relating to futurities. Apion becomes other men's prophet upon this occasion, and says, that 'Antiochus found in our temple a bed, and a man lying upon it, with a small table before him, full of dainties, from the [fishes of the] sea, and the fowls of the dry land; that this man was amazed at these dainties thus set before him; that he immediately adored the king, upon his coming in, as hoping that he would afford him all possible assistance; that he fell down upon his knees, and stretched out to

him his right hand, and begged to be released; and that when the king bade him sit down, and tell him who he was, and why he dwelt there, and what was the meaning of those various sorts of food that were set before him, the man made a lamentable complaint, and with sighs, and tears in his eyes, gave him this account of the distress he was in; and said that he was a Greek, and that as he went over this province, in order to get his living, he was seized upon by foreigners, on a sudden, and brought to this temple, and shut up therein, and was seen by nobody, but was fattened by these curious provisions thus set before him: and that truly at the first such unexpected advantages seemed to him matter of great joy; that after a while they brought a suspicion upon him, and at length astonishment, what their meaning should be; that at last he inquired of the servants that came to him, and was by them informed that it was in order to the fulfilling a law of the Jews, which they must not tell him, that he was thus fed; and that they did the same at a set time every year: that they used to catch a Greek foreigner, and fatten him thus up every year, and then lead him to a certain wood, and kill him, and sacrifice with their accustomed solemnities, and taste of his entrails, and take an oath upon this sacrificing a Greek, that they would ever be at enmity with the Greeks; and that then they threw the remaining parts of the miserable wretch into a certain pit.' Apion adds further, that 'the man said there were but a few days to come ere he was to be slain, and implored of Antiochus that, out of the reverence he bore to the Grecian gods, he would

disappoint the snares the Jews laid for his blood, and would deliver him from the miseries with which he was encompassed.'"--Josephus, "Flavius Josephus Against Apion", *The Works of Flavius Josephus: Comprising the Antiquities of the Jews; a History of the Jewish Wars; and Life of Flavius Josephus, Written by Himself*, Book 2, S. S. Scranton Co., Hartford, Connecticutt, (1916), pp. 905-906, 911.

Many such charges of "ritual murder" were made against Jews throughout history. They have become known as "blood libels". One of the more famous of these is the story of Saint Simon of Trent. In Rev. S. Baring-Gould, *The Lives of the Saints*, New and Revised Edition, John Grant, Edinburgh, (1914), pp. 447-449, it states:

"S. SIMON, BOY M.

(A.D. 1475.)

[Roman Martyrology. Authority :--The Acts of Canonization by Benedict XIV., and the Acts published in the Italian immediately after the event took place.]

Through the Middle Ages, in Europe the Jews were harshly treated, suffering from sudden risings of the people, or from the exactions of princes and nobles. Tales of murder of Christian children were trumped up against them. This was, perhaps, the case in Trent, where on Tuesday in Holy Week, 1475, the Jews met to prepare for the approaching Passover, in the house of one of their number named Samuel, and it was agreed between three of them--Samuel, Tobias, and Angelus--that a child should be crucified, as an

act of revenge against their tyrants, and of hatred against Christianity. The difficulty, however, was how to get one. Samuel sounded his servant Lazarus, and attempted to bribe him into procuring one, but the suggestion so scared the fellow, that he packed up all his traps and ran away. On the Thursday, Tobias undertook to get the boy, and going out in the evening, whilst the people were in church during the singing of Tenebræ, he prowled about till he found a child sitting on the threshold of his father's door in the Fossati Street, aged twenty-nine months, and named Simon. The Jew began to coax the little fellow to follow him, and the boy did so, and he conducted him to the house of Samuel, where he was put to bed, and given raisins and apples to amuse him.

In the mean time the parents, Andrew and Mary, missing their child, began to seek him everywhere, but not finding him, and night falling darkly upon them, they returned, troubled and alarmed to their home.

During the night, when all was still, a Jew named Moses took the child from its bed, and carried it into the vestibule of the synagogue, which formed a part of the house of Samuel, and sitting down on a bench began to strip the infant; a handkerchief being twisted round its throat to prevent it from crying. Then stretching out his limbs in the shape of a cross they began the butchery of the child, cutting the body in several places, and gathering his blood in a basin. The child being half dead, they raised him on his feet, and

whilst two of them held him by the arms, the rest pierced his body on all sides with their awls.

When the child was dead, they hid the body in a cellar behind the barrels of wine.

All Friday the parents sought their son, but found him not, and the Jews, alarmed at the proceedings of the magistrates, who had taken the matter up, and were making investigations in all quarters, consulted what had better be done. They could not carry the body away, as every gate was watched, and the perplexity was great. At length they determined to dress the body again and throw it into the stream which ran under Samuel's window, but which was there blocked by an iron cage in which the refuse was caught. Tobias was to go to the bishop and chief magistrates and tell them that there was a child's body entangled in the grate, and he hoped that by thus drawing attention to it all suspicion of having been implicated in the murder would be diverted from him and his co-religionists.

This was done, and when John de Salis, the bishop, and James de Sporo, the governor, heard the report of the Jew, they at once went, and the body was removed before their eyes, and conveyed to the cathedral, followed by a crowd. As, according to a popular mediæval superstition, blood is supposed to flow from the wound when the murderer approaches, the officers of justice examined the body as the crowds passed it; and they noticed that blood exuded as Tobias approached. On the strength of this the house of

Samuel and the synagogue were examined, and blood and other traces of the butchery were found in the cellar, and in the place where the deed had been done, and the bowl of blood was discovered in a cupboard. The most eminent physicians were called to investigate the condition of the corpse, and they unanimously decided that the child could not have been drowned, as the body was not swollen, and as there were marks on the throat of strangulation. The wounds they decided were made by sharp instruments like awls and knives, and could not be attributed to the gnawing of water-rats. The popular voice now accusing the Jews, the magistrates seized on the Jews and threw them into prison, and on the accusation of a renegade Jew named John, who had been converted to Christianity seven years before, and who declared that the Jews had often sought to catch and kill a child, and had actually done this elsewhere, more than five of the Jews were sentenced to be broken on the wheel, and then burnt.

The blood found in the basin is preserved in the cathedral of Trent, and the body of the child is also enshrined there in a magnificent mausoleum. Such is the story. A boy was drowned, and his body gnawed by rats. This was worked up into a charge against the Jews, to excuse a massacre and plunder of the unfortunate Hebrews."

Facts "Christian" Zionists Should Consider

Christopher Jon Bjerknes

http://www.jewishracism.com

The Temple which the Jews of Israel are planning to build will NOT be a Temple for the worship of the Holy Trinity. Christians will NOT be allowed to enter the Jewish Temple, and once it is built, Christians will probably NOT be allowed to enter Jerusalem. The "Jews" who will run and minister the Temple will NOT be descendants of Aaron, nor even of Abraham. The Jewish King who will be anointed in the Temple will NOT be a descendant of David. The Jewish King will declare that he is the Messiah and that Jesus Christ was an impostor to his throne, the son of a whore, a devilish sorcerer and an idol to be shunned. The Jewish King will judge the nations and destroy all national sovereignty and will proscribe Christianity on pain of death by beheading. The animal sacrifices that will take place in the Jewish Temple will constitute a blasphemy against the sacrifice of Jesus Christ on the cross.

Consider also the fact that Israel is openly promoting war and hatred and the renunciation of the Christian values of peace, brotherly love and forgiveness.

Interfaith Council to Defeat the Anti-Christ Al-Dajjal

Christopher Jon Bjerknes

http://www.jewishracism.com

Christians and Moslems who are committed to preserving their respective religions should unite to fight back against the anti-Christian, anti-Moslem Zionist movement and form an Interfaith Council to Defeat the Anti-Christ Al-Dajjal. World Jewry has actively been trying to destroy Christendom and Islam for more than 1,000 years. Judaism preaches the destruction of all other religions by violent force. World Jewry imposed Communism on billions of people, and has ruined the cultures and religions of Eastern Europe, pan-Slavia, Tibet and Red China. World Jewry has infiltrated and corrupted the Catholic Church. World Jewry has infiltrated and corrupted American Protestant churches.

What is it that World Jewry preaches with its false messianic movements of Zionism and Communism? World Jewry teaches Christians to wage war, to hate and murder their "enemies", to have no compassion or love for Moslems or Russians, and to seek to artificially manufacture the Battle of Armageddon, mass murder billions of people, and fight for a One World Government (run by Jews from Jerusalem), a One World Religion (Judaism), the construction of a Third Temple under the reign of a Jewish King who denies Jesus Christ, etc. World Jewry has hired wolves in sheep's clothing, impostors posing as Christians, to mislead Christians into supporting their anti-Christian Jewish agenda.

The Catholic Church, as a result of Jewish subversion, has abandoned many of the most fundamental tenets of its faith. The Palestinians have been abandoned by "Arab" and "Moslem" "leaders" who have been bought and paid for with stolen American money. Israeli Jews attack Al

Aqsa with impunity. American politicians openly prostitute themselves to Israel and pledge to wage war on peaceful Moslem nations.

True Christians and Moslems around the World are calling for peace, while Israelis offer bribes to false prophets to promote war and genocide. "Christian" preachers on the Jewish payroll demand that Russia be annihilated and that Islam be reduced to a mass grave, and the American Government, under its traitorous Zionist leadership, not only does nothing to combat these monsters, but embraces them and their dangerous Jewish Zionist ideology. Why, because money and vanity rule these betrayers without a Christian or Moslem conscience.

The war is on and World Jewry is battling to reduce Christendom and Islam to ashes. What better way to fight back against Israel's campaign to pit Christianity against Islam, than to join together the forces of righteousness and peace to expose this organized Jewish campaign to corrupt and destroy Christianity and Islam? There can be no stronger calling of conscientious objection than to refuse to join the armies of anti-Christ al-Dajjal. There can be no stronger duty of faith for Moslems and Christians than to refuse hatred, unjust aggressive war, genocide and the organized destruction of one's own religion.

With a platform of peace, tolerance and dialogue, it would become instantly clear that the Council represents good, while the Israelis and their paid agents in America, who refuse to speak to Moslems, who foment and foster "Christian" hatred and warmongering, who call for One World Government and One World Religion, and who actively destroy the sovereignty and culture of all nations save Israel, are an evil force.

Do not allow Zionist Jews to hijack your religion and use it against you and against the principles you hold dear and divine. Do not allow Zionist Jews to use mass suggestion and crowd control techniques to turn Christianity into a machine for genocidal unjust war. Zionist Jews are doing to American Christians what they did to German patriots. Zionist Jews are teaching Christians to hate their fellow man and to murder him. Zionist Jews are doing to American Christians what they did to Russian patriots. Zionist Jews are teaching Christians that civil rights are a weapon of terror and must be destroyed, and that national sovereignty creates wars, which are in fact created by these same Zionist Jews. Zionist Jews are doing to American Christians what they did to Armenian patriots. Zionist Jews are teaching Christians that Christ will return if the Christians sacrifice themselves for the sake of the Jews.

What did the Germans, Russians, and Armenians profit from these "Jewish blessings"? The curse of millions dead and the loss of national sovereignty to a Jewish World Government. America's fate will be no different if American Christians continue to follow false prophets who openly desecrate the Scriptures and mock the Gospels by their actions.

Christians, you are being led by the impostor to commit acts of unspeakable evil and self destruction. Fight back with a message of love and peace.

Abbas Should Give Rice a Gift

Christopher Jon Bjerknes

Mahmoud Abbas should give Condoleezza Rice a gift for her trip back to Washington. He should give her a copy of President Jimmy Carter's book *Palestine: Peace Not Apartheid* wrapped in a Palestinian flag. He should then announce that it is more than Rice has ever given to the Palestinians.

Commonalities Between Christian and Moslem Eschatology

Christopher Jon Bjerknes

http://www.jewishracism.com

Christians and Moslems share the common belief that Jesus will return and that the "Jewish State" of Israel is the Kingdom of the anti-Christ, or as the Moslems say, "al-Dajjal". Organized Jewry is calling upon Christians and Moslems to abandon their faiths and submit to the Jewish Noahide Laws. Organized Jewry is actively engaged in desecrating and destroying the Al Aqsa Mosque and Dome of the Rock, in preparation for constructing a Jewish Temple on the site, and reinstituting Jewish ritual sacrifices. Organized Jewry is pitting Christians against Moslems so that they will kill one another and leave the Jews standing alone in the Middle East.

It should be noted that the ancients accused the Jews of sacrificing Greeks in their Jewish Temple. Ancient Greeks and Jews enjoyed a special hatred for one another. The Greeks tried to Hellenize the Jews, and the Jews have been attacking the Greeks ever since. Antiochus IV Epiphanes sacrificed a pig in the Temple and converted the Jewish Temple into a Temple of Zeus. He forced the Jews to eat swine flesh. This is one reason why Jews hate Syrians and fear that a King will rise in Syria to destroy them, as prophesied in the Jewish book of *Daniel* in chapters 9, 11 and 12. As with many other Judaic writings, the Jewish book of *Daniel* also calls upon the Jews to shed Iranian blood, in chapter 11. *Isaiah* 17:1 ominously instructs the Jews, "The burden of Damascus. Behold, Damascus *is* taken away from *being* a city, and it shall be a ruinous heap."

This is why Olmert and Bush refuse to speak to the Syrians and the Iranians. World Jewry wants to artificially manufacture a war, so that they can mass murder, exterminate, the Syrians and Iranians. The last thing Bush and Olmert want is peace in the Middle East. The Jewish manual forbids it. Peace is a sacrilege in the eyes of World Jewry.

"Christian" Zionists should know that the Jews view them as stupid and gullible slaves. The Jews know that the "Christian" Zionists ultimately plan to mass murder Jews, so as to whittle Jewry down to the Christian remnant, and this is one of many reasons why the Jews relish the thought of leading the "Christian" Zionists into their own demise. It gives Zionist Jews great pleasure to see "Christian" Zionists wrapping themselves in the Israeli flag with its Satanic six pointed Magen David, for they know that it is the "Christian" Zionists who will perish and be raptured into the darwinistic realm of the stupidly unfit—the unforgiving realm of maggots and

worms.

Yes, the Jews still hate the Greeks. They hate the Greeks for introducing formal principles of democracy, reason and civilized debate. For the Jews, their demonic God "Hashem" pronounces the Law, and man (meaning Jews) may not question it, let alone the Goyim. Jewry has always resented Greek culture, which tolerates dissent and debate and freedom. Jewish culture is a culture of servitude, servitude to demonic "Hashem" and his quest to destroy humanity, and servitude to the dogmatic and dictatorial Rabbinical class, which will soon be supplanted by the Jewish Messiah, himself, the anti-Christ, al-Dajjal.

Witness the vindictive spirit with which Organized Jewry has unleashed its venom on Ernst Zuendel and David Irving. Not only do Organized Jewry not tolerate free and open debate, not only do they instantly form jackal packs to snipe and snip at free men, they connive and cheat the law to make it Judaic, totalitarian and intolerant. In the name of Jewish "democracy" and "freedom", they strip the nations, the Goyim, of Gentile democracy and freedom, the beautiful virtues of democracy and freedom which have always been unknown to World Jewry, with its orchestrated obeisance to Hashem, the Rabbis, and ultimately the Jewish King, the anti-Christ, al-Dajjal.

Top Level Iranian-Saudi Dialogue

Christopher Jon Bjerknes

http://www.jewishracism.com

With luck, President Ahmadinejad will meet with King Abdullah on Saturday for historic talks aimed at achieving regional stability and the advancement of international Islamic interests. Both leaders would be very happy to see The Gulf demilitarized. Both would be very happy to see Iraq stabilized and unified in a just and equitable, and most importantly, peaceful way.

Many issues will be discussed and Ahmadinejad will enthusiastically speak of the wonderful prospects for both nations and for the region if the Saudis and Iranians were to cooperate. The Saudis will agree that there is great potential, but they will suggest that the first step should be to cool off the international situation by cooling uranium enrichment until things stabilize. Indeed, this is not bad advice, but it is not going to happen.

Iran should not at all be discouraged by this natural reaction, and should assure the Saudis that

Iran would most happy to negotiate with them to provide them with guarantees that they have nothing to fear from Iran's nuclear program and that the Saudis may wish to profit from it in many ways, but that this issue should not distract from the other important issues of stabilizing the region by stabilizing Iraq and by asserting Moslem unity and Islamic strength, especially in The Gulf. The needs of the Palestinians, Lebanese and Iraqis trump this issue for the moment, and can best be resolved by having the Saudis and Iranians cooperate to bring peace and prosperity to these nations. This cooperation will set the stage for even better things to come and will bring both nations prestige and good will. The Iranians want nothing but friendship with the Saudis and this is the only tree that will bear good fruit in the future.

As stability increases, interest in the Middle East will increase, and tourism and investment capital will flow into the region like never before. If the dark days of Zionist warmongering can be put behind the Moslem Peoples, they can turn their attention to massive and profitable land improvement, waterways, and transportation projects. They can sponsor a new era of trade and tourism. Their political power will grow immensely, as well as their institutions of higher education, industry and agriculture. The Gulf is a beautiful place and Iranians and Saudis can share it and develop it for their mutual benefit and for the benefit of the world.

The really pressing issue at the moment is Iraq and formulating a positive plan to put the Iraqis to work building their nation, building their pride and building their future. If the Iraqis see that the Saudis and Iranians have joined together as Moslem brothers, in no small part to help the Iraqis, this will give the Iraqis great hope and a positive point of departure. In turn, the increased stability that will come to the region when Iraq is a set on a positive course for independence and rejuvenation, will profit the Iranians and the Saudis, and will bring money to

the region, which is today scared off by the turbulent conditions. The image of King Abdullah and President Ahmadinejad embracing one another as Moslem brothers can become a powerful positive symbol and the basis for the unification of the Iraqi nation in an atmosphere of brotherhood, cooperation and hope. Let the world press capture this image and tell the world that the Iranians and Saudis are working together to help the Iraqis work together for a better future for all Moslems and for all mankind.

Join Voices to Condemn the Aggressor

Christopher Jon Bjerknes

http://www.jewishracism.com

Moslems have a religious duty to join voices against the Zionist aggressor. The Zionists plan to

destroy all Moslem nations, and are directly oppressing the Palestinians, and indirectly mass murdering the Iraqis.

Saudis and Iranians could join together to produce films and books advocating for Moslems and for peace. They could document Zionist crimes against Palestinians, Lebanese and Iraqis, as well as illegal Zionist threats against many other Moslem nations, including Saudi Arabia and Iran. Make it clear to the World that the Zionists are the aggressor, and the Moslems are the peaceful victims of illegal Zionist aggression. Also show how the Zionists are destroying the World economy and are planning to unnecessarily throw the World into World War III. The only group which has threatened nuclear attack are the Zionists.

Please, for the sake of peace and the survival of humanity, use your combined might and stand together for the truth against illegal Zionist aggression.

Opportunities

Christopher Jon Bjerknes

http://www.jewishracism.com

Ahmadinejad will meet with the Saudis. The Saudis now know that if Iran falls, Israel will expand into "Greater Israel", which means they will steal the nation of Saudi Arabia and make it a part of the territory of the "Jewish State". Israel also revealed its true intentions by desecrating

the Al Aqsa Mosque, and by continuing its push to conquer all of Jerusalem.

If Islam were to take control of The Gulf for Moslems and for the indigenous peoples, alone, then the Saudis, Iranians and Islam could incrementally gain control of international finance by "swing vote" and wrest it at long last from World Jewry. The Middle East could at long last fulfill its natural role as the center for international trade between East and West. Russia could at long last become the natural ally of Islam, that it should be.

It has only been by dividing Islam against itself, that World Jewry has held Islam back from fulfilling its economic and political potential in the World. The power of the Zionists is built on an edifice of fiction and fraud. All it would take for Zionism and the power of the Jewish bankers to fall is for a growing number of World leaders to expose criminal Zionism for the attack on humanity that it is. One book by Jimmy Carter has mortally wounded the Zionist regime. When Moslems unite for peace, justice and human brotherhood, Israel will crumble from within for lack of ability to feed off of the blood of their Moslem neighbors.

The security of the Gulf states depends upon their unity and cooperation for peace and progress. They can easily break the colonial yoke by simply asking the West to leave them alone and let them live in peace. Join voices and demand that the Zionist bloodshed stop now!

With peace in the Middle East, vast amounts of investment capital from around the world will flow into the Moslem nations. Trade will grow as never before. India and Pakistan will flower and no one will want to spoil the peace, once they learn that it was the Zionists who were behind the strife from the beginning.

Saudi Arabia has not yet made best use of its financial clout. It could become a political powerhouse and lead the World to a brighter future of peace and prosperity. The Israelis clearly have other plans for their Saudi neighbors.

"La verite est en marche et rien ne l'arretera."—Emile Zola

Christopher Jon Bjerknes

http://www.jewishracism.com

President Ahmadinejad's previous remarks have come as manna from heaven for Israel, serving to unite Jews, vilify Persians, and bolster relations between the US and Israel:

Ahmadinejad, our secret agent in Iran

Peres grateful to Nasrallah, Ahmadinejad

Ahmadinejad good for Jews

But oh how things have suddenly changed! The Iranians have today begun a new blitz with a winning strategy, a strategy Jews have successfully used for thousands of years: Accuse the enemy, "J'Accuse!", "Schrei Gevalt!", "Stop Thief!" Ahmadinejad, like Emil Zola, has shouted in righteous indignation, but Ahmadinejad, unlike Zola, has honestly accused the criminal Zionists.

Ahmadinejad has honestly and accurately pointed the finger of accusation at the warmongering, genocidal Zionists and warned all the world that this evil empire spreading from Zionists in Israel, America and Britain is a dire threat to all of humanity. He has pointed out the obvious fact that all other world leaders are afraid to state; that Israel, the Zionist regime, is evil, anti-Christian and anti-Moslem, and threatens to drag humanity into Hell.

This truthful warning we must support! We must take the offensive against the offensive Israelis and openly and fearlessly accuse them of their crimes. We must unite Moslems with one another and with Christendom against the anti-Moslem, anti-Christian, anti-American Israelis!

Make the Zionists and Oil Sponges Nervous

Christopher Jon Bjerknes

http://www.jewishracism.com

The Moslem powers can place the Zionists at a disadvantage by calling for audits of all of the transactions that have and are now taking place concerning Iraq. They can also call for complete transparency in the government and the management of the Iraqi nation's oil. That oil belongs to the Iraqi People, and no foreign companies or powers should regulate it or glean off the wealth of Iraq. The issue of reparations for America's illegal war of aggression also gives the Iraqis leverage to regain control over their nation and their wealth.

The various factions of Iraq can unite around these issues. Get the Iraqis to unite and fight the illegal invaders in the courts and the political arena, instead of fighting one another in the streets.

Piecing Together the Iraqi Puzzle

Christopher Jon Bjerknes

http://www.jewishracism.com

In preparation for the upcoming conference on stabilizing Iraq, Iran, Saudi Arabia, and Syria, should each meet with the leaders of the various factions in Iraq and listen to their concerns and suggestions for bringing peace and unity to Iraq. Iran has tremendous leverage with both the Shia and the Kurds, and working with the Saudis and Turks could work out an equitable resolution to the current Zionist manufactured crisis in Iraq. The Saudis hold great influence over the Sunni and have intimate relations with the Israelis and Americans. The Saudis represent a powerful source of influence to secure justice for the Sunni.

Though the Americans and Israelis have created and stoked religious and ethnic tensions through the use of false flag terrorism, the problems the Zionists have created have underlying political and economic roots. Oil is a great concern for all parties. Political influence is a great concern for all parties. However, Iraq has great potential beyond just oil. Iraqis should join forces to make the desert bloom, and learn from the Israeli example on how to manage land and water resources to promote agriculture and tourism. Such projects are a long way off, but they can be used to promote cooperation and mutual respect, as well as a sense of national unity and national pride.

In the near term, the regional powers should work to form a consensus within Iraq of common goals. It would be a large step forward if all parties agreed that the nation should be preserved and that power and profits should be shared and shared alike.

There is a lot of money to be had in rebuilding Iraq. Iraq should take back control of its oil and funnel the profits that oil generates into construction contracts managed and staffed by Iraqis.

This will create incentives for stability and an incentive to safeguard the oil. Nationalize the oil and have the revenues find their way back into the economy indirectly through construction contracts, schools, hospitals, transportation systems, etc., such that any party who sabotages the flow of oil and the stability of the nation cuts their own throat and gains nothing.

Iraqis need leadership, hope and employment. Creating business structures to clean up and rebuild Iraq will naturally result in the formation of a leadership structure with a profit motive. As Iraq improves and employment rises, there will be fewer men on the streets, greater pride in the nation and more hope for its future.

The Americans are deliberately undermining the future of Iraq, and are making ungodly profits by doing it, without producing anything of lasting value. Be careful not to destroy Iraq in order to punish the Americans. You will better undermine the plans of the Zionists by making Iraq a prosperous and peaceful united republic.

The local economy in each community is the key to stabilizing Iraq. The "sectarian" conflicts can be resolved by making the hub of the national government little more than a means of promoting local economies, not to the detriment of one another, but to the betterment of one another. In other words, keep the power local and rigidly define the powers of the central government in ways that provide equity to the local communities, but otherwise leave the regulatory powers closer to home, while securing minority rights with rigid federal protections.

Calm Waters

Christopher Jon Bjerknes

http://www.jewishracism.com

The Moslem States of the region have a common interest in demilitarizing The Gulf. These waters should be a resource for bounty, for facilitating trade, not a bathtub for Zionist warships. Iran, Saudi Arabia, UAE, Kuwait, Oman, etc. all have a vested interest in maintaining regional control over The Gulf for the benefit of the World. It would be wise for these nations to meet and discuss ways to purify and pacify these waters.

This would afford an opportunity for the nations to join together and unite in productive and mutually beneficial ways and to seize control over their own destinies.

Capture the Israelis with Video Cameras

Christopher Jon Bjerknes

http://www.jewishracism.com

It is far more effective to shoot the IDF with cameras and video cameras, than with bullets. Racist Zionist Meir Kahane long ago called upon the Israelis to ban journalists and cameras

from capturing Israeli crimes "on tape". The Israelis have heeded Kahane's advice, and IDF soldiers are instructed to prevent journalists and others from filming Israeli atrocities. When the Jews of Israel began smashing the bones of Palestinian children with large jagged rocks, allegedly to discourage them from throwing stones, it was only video images of these Zionist crimes that put an end to them.

The UN and other international bodies should prosecute any and all Israelis who violate the fundamental rights of those who would video or photograph Israeli crimes, by any means, including, but not limited to: seizing the cameras, obstructing the view of the cameras, or ordering the photographers and videographers to cease filming. The right to film crimes is a fundamental human right. This right to garner evidence of crimes against humanity incorporates the rights of free speech, freedom of expression, human dignity, self defense, freedom of movement, freedom of property, and freedom of the press, among other inalienable fundamental human rights.

Israel should be punished for violating these fundamental human rights. Palestinians should arm themselves with cameras, overtly and covertly, and establish networks to disseminate these images to the world public. These images destroy the reputation of the Israelis, reveal Israeli atrocities, and reveal the pro-Jewish, anti-Goyish bias of the Jewish controlled international press. These images garner sympathy for the Palestinians, show how the Palestinians are oppressed, and inspire the People of the World to take action on behalf of the oppressed Palestinians.

Gunboat Diplomacy Is a Crime Against Peace

Christopher Jon Bjerknes

http://www.jewishracism.com

The Zionist Bush Administration has again flouted International Law by sending American carrier battle groups into the Persian Gulf to threaten Iran with war. George W. Bush, whose grandfather paid for the Holocaust of European Jewry, is engaging in illegal gunboat diplomacy and is thereby committing yet another Zionist Crime Against Peace. Iran, Russia, and the American People must demand that this open and illegal American aggression against the peaceful nation of Iran end. We can make it far more difficult for the Zionists to attack Iran, if we can force them to withdraw their advanced forces from the Gulf. Israel will be less bold to attack Iran, if it doesn't have American slave forces in the Gulf to protect it.

Israelis are a cowardly people. They always seek not only a cowardly advantage, but an absolute cowardly advantage. It would be a major advance towards lasting peace if we could remove the advance guard of Zionist aggression from the Gulf. We should also put the criminal aggressors on trial for their crimes against peace.

Edwards Middle East policy doesn't acknowledge Israeli nukes

Well Done!

Fars News Agency reports today that Iran is making significant progress in gaining allies for peace and prosperity in Latin America. These moves have great potential for the immediate future and could build lasting and mutually beneficial relationships for centuries to come. A union of Catholic Latin America and the Islamic Middle East shows that humanity can function together in peace and harmony.

It would be wonderful if Iran could find many member states of pan-Islam to join them in this joint venture with Latin America. Central and South America have much to offer the Islamic States, as they have much to offer Latin America. It is likely that protectionist measures, which have always unfairly hurt Latin America, will worsen in years to come to create growth in the US and Europe, while slowing growth in Mainland China, and the Southern Asian States and India.

Moslem countries like Malaysia and Indonesia could form part of a bridge spanning the globe to include the Middle East and Latin America, which would shield them from protectionist measures. They could form their own banking, currency, and trade structures, which would be independent of the World Bank and the Jewish banking houses and central banks.

It would be a real coup if Moslem unity could join with Latin American unity, one fostering the growth and health of the other. Shia and Sunni could find common ground in Latin American, with its great potential, natural, economic, agricultural, industrial, and as labor. In turn, pan-Islam has at its disposal unbelievable pools of investment capital, of which the US and Europe have forever deprived Latin America. Iran is famous for its institutions of education and Latin America could make great progress in the field of education.

Again, these positive steps could serve as a basis for Iran to cooperate with Saudi Arabia, Egypt, Indonesia and other Moslem States to secure the long term future of Islam by building a bridge to South and Central America. This could be used to promote Moslem unity, as well as to promote international cooperation between Christendom and Islam. I congratulate Iran on these bold and successful initiatives!

Belligerents Cannot Be Expected to Act Impartially or Fairly Towards Their Enemies

Christopher Jon Bjerknes

http://www.jewishracism.com

Iran should object to the fact that the United States carries so much weight in the United Nations and is disproportionately involved in deciding Iran's fate, when the US has expressed its criminal belligerence towards Iran, and has openly tried to bait Iran into a conflict. The United States is presently illegally threatening Iran with imminent attack by maintaining carrier groups in the *Persian* Gulf, in direct violation of the UN Charter and International Law. In addition, it is a fact that the Israel Lobby has corrupted the Government of the United States of America, and is directing America to wage illegal war against Iran, and according to press reports has been asked to conspire with Israel to provide Israel with air space over which to illegally attack Iran.

Iran has a legal right to fair treatment and due process of law. Iran has a right to exclude belligerents hostile to Iran from determining Iran's fate in the United Nations.

We Must Prevent Holocaust II

Christopher Jon Bjerknes

http://www.jewishracism.com

The Jewish book of *Ezekiel* 5:12 states:

"A third *part* of thee shall die with the pestilence, and with famine shall they be consumed in the midst of thee: and a third *part* shall fall by the sword round about thee and I will scatter a third *part* into all the winds, and I will draw out a sword after them."

The Jewish book of *Zechariah* 13:8, 9 calls on Jews to ensure that two thirds of the extant population of Jews in the world is exterminated:

"8 And it shall come to pass, *that* in all the land, saith the LORD, two parts therein shall be cut off *and* die; but the third shall be left therein. 9 And I will bring the third *part* through the fire, and will refine them as silver is refined, and will try them as gold is tried: they shall call on my name, and I will hear them: I will say, It *is* my people: and they shall say, The LORD *is* my God."

Frankist Jewish bankers created the first Holocaust, or burnt offering to the Jewish God "Hashem", which took millions of Jews through disease and starvation. Are the Jewish bankers preparing a second Holocaust to take another third of the Jews by killing off all Israeli Jews by way of the sword, and thereby artificially fulfil Jewish prophecy?

Israel is the most corrupt nation on Earth. It is the source of an evil permeating the globe. Israel spreads war and disease. Israel engages in the white slave trade and produces pornography. It is the central hub of the global Jewish maffia. The requirements of the Jewish Talmud in the tractate *Sanhedrin* 97*a* have artificially been put in place. Are the Jewish bankers planning to

throw the decadent Jews of Israel into the sacrificial fire and knowingly and willfully lop off another third of the Jews? Will there be a rise in anti-Semitism around the world if the bankers succeed in manufacturing another world war? Is this what they want, so as to "draw out a sword after them."

The Frankist Jewish bankers are no friend of the Jewish People, rather they are the deliberate source of Jewish suffering. The Jewish bankers must be stopped, and World War III prevented, for the sake of all, including the Jews.

It is almost as ironic as it is tragic, that the spite of World Jewry towards Islam may well be the means the Frankist Jews use to kill off millions more Jews. The mad and vindictive push of World Jewry towards World War III may intentionally result in Holocaust II. We must prevent this.

Iran Should Draft and Distribute a Brief to Members of the UN

Christopher Jon Bjerknes

http://www.jewishracism.com

The Iranians should prepare a detailed legal argument citing points and authorities which prove that the UN's actions, under the coercion of Israel and the United States, are illegal. Iranians should not assume that people are aware of all of the issues and arguments involved. Instead,

Iranians should present their side in a formal and detailed brief.

The Jewish controlled media gives a very slanted perspective on this crisis. People are in general very ill informed, and are deliberately misinformed in a way that favors Israel and unfairly condemns Iran. It is incumbent upon Iran to rectify that situation to the extent that they can. Iran should also compile a list of the open threats and known plans of Israel and the United States to illegally and aggressively attack Iran. Iran should prove that Israel and the United States are attempting to manufacture a pretext for their long planned illegal attack on Iran. Iran should also make it clear that Israel and the United States are simply using the UN as forum to wage aggressive war on Iran.

Again, it is very important to NOT assume that people are well informed on these issues. They are not, and the information they receive comes from the mass media, which is an extension of the Mossad. There is abundant proof that Israel is taking illegal steps to manufacture a war of aggression against Iran. There is abundant proof that Israel is corrupting the political processes of the United States in order to cause America to illegally and aggressively attack Iran.

Iran can and should, must expose these facts in a detailed report and present it to diplomats, heads of state, religious leaders, etc. around the world. Make it clear that the Israelis' plans also call for the destruction of Syria, Egypt, Jordan, Saudi Arabia, Libya, etc. and that Iran is just one on a long list of states that Israel intends to illegally destroy. Prove to the nations of the world that they have a self interest in defending themselves against illegal Israeli aggression, by calling a halt to this open and prolonged attack on Iran. Most especially emphasize that the Israeli

attack is part of a pattern of aggression, and show how it mirrors the attack on Iraq, and is bound to have even worse consequences for the region and the world, and how it will lead to world war. Don't just make assertions, but prove these facts and logical arguments with a detailed analysis.

There are many ways for Iranians to defend themselves from this illegal Israeli aggression. It is very important for Iran to present a detailed legal defense and to distribute it, so that those who would help Iran in its defense will have a powerful resource to use in Iran's defense. Distribute it also to the media, and post it on the web. Such a document would improve not only Iran's legal case, but its international image, and would make it much easier for Iran's allies to unite against Israel.

Iran, you are making an appeal to public opinion against the Israelis, who are promoting an attack against you. Shape the mind of the court and give it arguments to use in your defense, so that those who would come to your defense can do so easily and with a minimum of effort, and will have the facts and arguments they need to defend you. By presenting and framing your arguments in your own words, you will also decrease the likelihood that those who purport to help you will actually hurt you by misrepresenting your actual positions.

The Runaway Train to World War III

Christopher Jon Bjerknes

http://www.jewishracism.com

On the eve of a Monday meeting in London of five permanent members of the UN Security Council and Germany to discuss sanctions on Iran, Iranian President Mahmoud Ahmadinejad declared that Iran's nuclear program is a runaway train without brakes or a reverse gear. In addition, Iran launched a rocket. What purpose, other than to derail any hopes of a negotiated settlement, could Ahmadinejad's inflexible statements serve?

The Zionist puppet at the other end of the Israeli theater of the absurd, Condoleezza Rice, declared that the US would talk to Iran if Iran complied with Zionist America's will and unconditionally halted its uranium enrichment program. Of course, no party would agree to its opponent's demand for unconditional surrender as a precondition for talks.

So we have an Israeli orchestrated impasse, which is meant to serve as the trigger for the fulfilment of a 2,500 year old Jewish plan to destroy humanity (*Ezekiel* 38-39). What can we as members of the human race do to stop this campaign by World Jewry to bring about our deaths? Our governments and mass media have been corrupted by Jewish financiers.

The situation is worse than many imagine. "Arab" and "Sunni" leaders, who are in fact Zionist agents, are playing on prejudices to create a rift in Islam, so that Moslems will commit genocide against Moslems, or at the very least cooperate with Israel to destroy Shia Islam. The Saudi crypto-Jews have developed, under Jewish guidance, an especially hostile strain of Islam, which wages war on the Shia, and specifically on Iran. Of course, after the Shia are wiped out, World

Jewry will turn on the Sunnia and enlist the aid of Christians to destroy the Sunni, *and the Russians*.

What can we do to stop this march to world war, when the leadership on all sides of the issue are under the control of Zionist Jews? Zionist Jews have always had a globalist agenda. Jewish prophets, Jewish planners, always called upon the Jews to take over the world and ruin Gentile Peoples. Jews were never great in numbers and alone only posed a threat to the human race to the extent that they were able to control the Goyim and trick them into killing one another. They have always installed their agents as the leaders of the Goyim. Caligula was assassinated so that a puppet of the Jews could replace him. Esther (a fiction) wormed her way into power so that she could genocide the enemies of the Jews.

What do we do? Marxist Jews, posing as "patriots", will tell us to respond to the pressure by overthrowing our leaders and ruining our economies with crippling strikes, refusals to pay taxes, and disasterous economic policies such as the gold standard, or universal currencies. This is how Marxist Jews destroyed the Russian Empire. They will be good to us and share their wonderful advice that the way to end the "corporate elite's" wars is to give up our national sovereignty and submit to world government. Since the Jews are a "light unto the nations" it is only natural that these Jews should rule us. The Marxist Jews will lead us down the same path as the neo-Conservative Zionist Jews. They are the same vampire, the same clown, enticing the Goy cattle to stampede to their end.

The neo-Conservative Jew waves the Red Flag, the "Rothschild", at us for us to charge. The

Marxist Jewish clown paints his face and waves his hands, and distracts our attention from the fact that this evil comes from Judah. Both are working together to thrust the Jewish fang, held tightly behind the back of the Hebrew matador, the Jewish vampire who would be our "Messiah", into the heart of humanity.

What do we do? Two good ways to kill a vampire are to expose it to sunlight and to deprive it of blood. We must continue to inform the public that it is Israel who is behind this push to world war. We must deprive World Jewry of wars. Soldiers must refuse to fight illegal wars. Honest persons must ceaselessly confront the traitors in their midsts. Presidential candidates must campaign with the promise to pardon all who combat this evil.

We must not be lead astray by the clowns, who blame us for the bloodlust of the vampire. We must not heed their calls to destroy our own economies and combat ourselves to fight the battle against the forces at the "top", for they are a shield hired by the Jewish bankers to distract our attention from our true enemy. The most powerful and dangerous people in the world are the Frankist Jewish bankers who are designing to destroy humanity.

Drag out this vampire from the cave of its banking vaults. Let the afternoon sun sanitize humanity, while we wipe the paint from the face of the Zionist clowns, who pose as "Marxists" and "Libertarians" and "Liberal Democrats", but who always deflect attention from the fact that it is a demonstrably Jewish elite who are at the top of the headstone of humanity pulling their strings and directing their voices to pit us against ourselves.

Note that Bush and Ahmadinejad are both Zionist stooges who will bring about a victory for Israel and the death of Iran and America. Expose them both as the enemies of humanity. Expose

them both as puppets of the Jewish bankers and by tugging on the puppets' strings pull down the vampire from his black throne.

Far More Significant than the Downing Street Memo

Christopher Jon Bjerknes

http://www.jewishracism.com

In July of 2006, shortly after the Israelis attacked the Lebanese, I went on the radio and revealed that the Israelis used the same model to attack the Lebanese that they had used to attack the Palestinians of Gaza. They set up their own soldiers as a pretext for aggressive war. I warned from the beginning that the Israelis would level Lebanon to "stubble" and would not stop until they were stopped by world public opinion. I warned that all of the Israeli promises that the attack would soon end were merely deceitful stalling tactics meant to buy the Israelis more time until the absolute destruction of Lebanon was an accomplished fact. I also blogged about this in August of '06, when I first started this blog. On 6 August 2006, I wrote,

"Jews are presently also scapegoating Hezbullah and the Palestinian People for the barbaric Jewish genocide of the Palestinian and Lebanese Peoples. Israelis followed the same model to create a pretext for the Jewish mass

murder of helpless Arabs. Israelis sent Jewish soldiers into foreign territory and then pretended that the capture of these soldiers constituted a *casus belli* for the genocidal wars Jews have been planning for 2,500 as found in the book of *Ezekiel*. Jews overrate the strength of Hezbullah so as to provide a pretext for the complete destruction of Lebanon Jews planned in *Ezekiel* Chapters 27 and 28. Jews offer false hope that their unprovoked aggression will soon end, then dash those hopes by intensifying their murder of helpless Lebanese children and babies and pour the blood of their victims back onto their victims by scapegoating them for Jewish atrocities."—Jews Have Always Scapegoated Their Victims

On 7 August 2006, I wrote,

"Lacking any legal justification for their long planned and unprovoked attack, Israel sent a few of its soldiers into Lebanon knowing that the Lebanese would have to take action against them and capture them. Israel then used Israel's violations of international law as a spurious pretext to invade Lebanon. Far from being sanctioned by the United Nations, Israel's unprovoked and genocidal aggression is instead the fulfillment of an illegal and inhuman 2,500 year old Jewish genocidal plan for the destruction of Lebanon mapped out in the Jewish book of Ezekiel chapters 27 and 28."—Who Violated United Nations Resolution 1559?

Both the Palestinians and the Lebanese were well within their rights to capture intrusive

soldiers, and both Peoples had the right to use the soldiers in negotiations for a prisoner exchange. The Israelis had taken infinitely more Arab prisoners, than the Arabs had captured intrusive Israeli soldiers. The Israelis violated International Law when they attacked the Lebanese on this false pretext.

Since the Israelis have admitted that their attack was premeditated mass murder, the Lebanese who have lost their loved ones, and their homes, and their businesses, have an even stronger case to sue the Israeli Government. The Lebanese Government should demand reparations from Israel, and should demand that the Israeli war criminals, the premeditated murderers, be prosecuted.

We know that Israel has plans to attack Iran with nuclear weapons. Given the proven instance of premeditated Israeli war crimes against Lebanon, the imminent danger of Israeli aggression against Iran must be prosecuted in the international courts.

Tortuous Interference

Christopher Jon Bjerknes

http://www.jewishracism.com

The Islamic Republic of Iran and numerous Iranian companies should consider the fact that a number of prominent Israelis have been touring the United States and the World pressuring companies and nations to break and avoid contracts with Iranian companies and with the Iranian Nation. These Israelis' actions are open and well documented in the press. It is also a well documented fact that the Israel Lobby exerts undue influence and has intimidated numerous individuals and companies into obliging its requests for fear of being boycotted or stigmatized with the label "anti-Semitic". Iran and Iranians might consider filing suits to recover damages for any tortuous interference they may discover.

Olmert Details Criminal Israeli Plan to Wage Illegal Aggressive War on Lebanon: Lebanese Should Sue Israel for Israel's Planned Destruction

Christopher Jon Bjerknes

http://www.jewishracism.com

It is amazing to me that the Moslem World, which is about to be annihilated by Israel, stands mute after Israeli Prime Minister Ehud Olmert has confessed that the Israeli war against Lebanon was a criminal conspiracy planned well in advance. Moslems should be loudly calling for war crimes trials! Moslems should be protesting in front of every Israeli Embassy and Consulate in the World. Moslems leaders should be demanding that Israel be criminally prosecuted. The Lebanese People should file millions of civil suits demanding that Israel pay

retribution for their planned Israeli war crimes! Wake up Moslems, and seize your opportunities!

The Israelis recognize the vulnerability Olmert has exposed. Members of the Israeli Knesset are desperate to disparage Olmert's admission. Israelis know that Olmert has admitted that Israel has perpetrated a massive crime. Israelis know that Israel ought to be prosecuted and that the Lebanese have a solid cause of action to sue Israel. The only people who seem to not recognize the significance of Olmert's confession are the Lebanese, and more broadly the World of Islam.

Good People, beautiful Moslems, God has given you a gift by which to save yourselves from the genocidal Israelis. Exercise your rights and fight for your survival, or you will soon be attacked as you have never been attacked before. Israel's popularity is at an all time low. Take this opportunity to drive it further into the mud. Take the offensive and drive the Israelis back on their cowardly and conniving heels. You are not likely to ever have such a golden opportunity to attack Israel politically again.

The supposed perpetual victim of Israel has admitted that it was the rabid aggressor. Innoculate yourselves from the terminal disease of Zionism.

A War Plan Waiting for a Pretext: Israel's Illegal Aggressive War on Lebanon

Christopher Jon Bjerknes

http://www.jewishracism.com

Israeli Prime Minister Ehud Olmert has revealed that Israel planned its aggressive war on Lebanon in March of 2006, several months before the barbaric Israeli attack took place in July of 2006. Olmert admitted that in these Israeli plans the capture of IDF soldiers would serve as a pretext for a broad offensive war against Israel's northern neighbor.

Within hours after Ehud Goldwasser and Eldad Regev were captured by Hezbullah on 12 July 2006, Olmert seized on the opportunity to attack Lebanon, pursuant to plans made months before these IDF soldiers were captured. This prompts the question, were these soldiers set up so as to provide the Israeli Government with a spurious pretext to attack Lebanon?

Of course, the capture of two soldiers is not just grounds for the massive assault Israel made

against Lebanon. In addition, Israel decided to attack Lebanon without first pursuing a comprehensive diplomatic solution. The criminal "Jewish State" instead eagerly pounded much of Lebanon into dust, just as it had planned to do months before two of its soldiers were taken.

In the News:

PM: Plan for Lebanon war made months in advance

The World community has yet to demand justice for the murdered of Lebanon. The war was a boon to the Israeli economy. The profiteers are lined up to profit from the Israeli destruction of Lebanese property.

The vile and cowardly Israelis attacked the Lebanese with white phosphorous and cluster bombs. Israelis have admitted that there are Israeli plans to aggressively attack Iran with nuclear weapons. The World must demand that Israel answer for its criminal attacks and criminal threats. We must force Israel to disarm and make the price of its aggression so high that Israel will not again dare to attack another nation.

It was only World public opinion which forced Israel to end its attack on the essentially defenseless Lebanese. Today, Israel is genociding the Palestinians with a strangling siege. Malnourished Palestinian children are suffering irreparable harm from this unprovoked Israeli aggression. How many more helpless civilians will die before aggressive Israel is forced to stop killing its neighbors? How many more helpless civilians will die before barbaric Israel is forced to give up its chemical, biological and nuclear weapons?

Zionist Crimes Against Iran

Christopher Jon Bjerknes

http://www.jewishracism.com

Ali Asqar Soltanieh, Permanent Representative to the International Atomic Energy Agency Board of Governors from Iran, gave an historic address to the IAEA Board of Governors today, in which he stated, among other very important things,

"The Israeli Regime while remaining outside the relevant international instruments continues quantitative and qualitative development of its nuclear weapons, without any concern, international pressure or monitoring. Those who are pushing Security Council to take punitive measures against the peaceful nuclear program of the Islamic Republic of Iran, continue to hinder any action by the Security Council against Israeli regime to force it to abide by the NPT regime. Doing so, they have given wide latitude to this regime and even encourage it to develop freely the clandestine and prohibited possession of nuclear weapons. [***] While Iran has been providing the Agency with access to all its nuclear material and facilities pursuant to its NPT Safeguards Agreement and the Agency is able to verify the non-diversion of declared nuclear material in Iran (as reflected

in paragraphs 26-27 of the report), few countries have been making daily threat of resort to attack Iranian fully safeguarded peaceful nuclear facilities uttered at their highest levels, in clear violation of Article 2 (4) of the UN Charter. The Islamic republic of Iran has already documented these unlawful and dangerous threats by sending official letters to the UN Secretary General and the Director General of the IAEA. And while overwhelming majority of the international community has been calling for a peaceful negotiated solution and Iran has announced its readiness for such a solution, the United States and Israel which both have a high record of vertical and horizontal proliferation activities are continuing to make threats against Iran's full-scope safeguarded facilities."—Ali Asqar Soltanieh, Permanent Representative to the International Atomic Energy Agency Board of Governors from Iran, in an address to the IAEA Board of Governors on 7 March 2007, "Full Text of Speech Delivered by Iran's Envoy to IAEA", *Fars News Agency www.farsnews.com*, http://www.farsnews.com/English/newstext.php?nn=8512160500, (7 March 2007).

The Charter of the United Nations, Chapter 1, Article 2, Paragraph 4, states,

"All Members shall refrain in their international relations from the threat or use of force against the territorial integrity or political independence of any state, or in any other manner inconsistent with the Purposes of the United Nations."

Ali Asqar Soltanieh's address provides us with valuable material that can be used to argue against an illegal Zionist war of aggression against Iran. Note that it is illegal to merely threaten unprovoked aggression against another State, as the United States is currently doing by moving increasing numbers of US warships into The Persian Gulf. Additional materials which are useful to us to expose illegal Zionist aggression include the following:

The Legacy of Jewish Communism in Asia

Christopher Jon Bjerknes

http://www.jewishracism.com

Russians versus Russians. Chinese versus Chinese. Koreans versus Koreans. Vietnamese versus Vietnamese. Cambodians versus Cambodians. Laotians versus Laotians. Who gains?

The Jewish bankers sicked Imperial Japan on Russia, and devastated the Russian People. The Jewish bankers used their fifth column of Russian Jews to promote devastating strikes in Russia, and caused Russia other economic crises, which they falsely blamed on the Czar. The Jewish bankers destroyed the Russian Empire and pitted Russians against Russians, Slavs against Slavs, mass murdering tens of millions of Slavs. The Jewish bankers drove the Germans into pan-Slavia, mass murdering tens of millions more Slavs. The Jewish bankers drove the English into China, and devastated the Chinese People. The Jewish bankers sicked the Imperial Japanese on the Chinese and again devastated the Chinese People. The Jewish bankers installed Communism in China and divided and yet again devastated the Chinese People.

Jewish Communism has killed off millions of Koreans, and pitted the Korean People against themselves. Jewish Communism has killed off millions of Vietnamese, Cambodians and Laotians, pitting each of these Peoples against themselves.

Brother against brother, it is the way of World Jewry. The Rothschilds created the American Civil War in order to pit Americans against Americans. Crypto-Jews created Protestantism to pit Christians against Christians, and Christians against Moslems and Slavs. Israel is attempting to pit Palestinians against Palestinians, Lebanese against Lebanese, Iraqis against Iraqis, Saudis against Saudis, Iranians against Iranians, Kurds against all of Islam, Arabs against Persians,

Sunnis against Shia, etc. Who is left standing, and where, after all of this genocide?

Mainland China and Taiwan: Reconciling the Divorce

Christopher Jon Bjerknes

http://www.jewishracism.com

The Jewish bankers created the conditions which resulted in the formation of Communist Mainland China, and Taiwan—which resulted in the division of the Chinese People. For their own purposes, the Jewish bankers are presently heating up tensions between Mainland China and Taiwan, and are pitting Chinese against Chinese, in order to strengthen the Jews. The Communist Chinese want to annex Taiwan. Taiwan wants to remain independent of the Communist Chinese.

Why do the Communists want Taiwan? Why is the prospect of a unified China so abhorrent to the Taiwanese? What stands in the way of a reconciliation of the Chinese People?

Note that it is the Mainland Chinese who are insisting upon annexing Taiwan, while the Taiwanese do not want the Communists to take over their country. It would be simplistic to call this mere Communist aggression, given that nationalism no doubt plays a role and is antithetical to Communism. Therein lies the contradiction and the failure of the Mainland Chinese to accomplish their desire to unify the Chinese People.

The Mainland Chinese ought to make Red China attractive to the Taiwanese, before asking them to unify with Mainland China. Since the Communists are appealing to nationalism, they will have to abandon the Judaizing elements which lie at the root of Marxism, and which are intentionally destructive of Chinese culture and Chinese nationalism. If Red China wishes to appeal to Chinese nationalism, then Red China must itself promote, instead of destroy, Chinese culture, and the Chinese ethnicity, and the Chinese national spirit, as opposed to promoting the Jewish destruction of all Gentile culture and Gentile nationalism. Red China must also promote individual freedom. Only when it becomes more appealing to join with Mainland China, than to remain independent, will Taiwan feel a nationalistic desire to unite with the Mainland. As long as the Communists continue to destroy all things traditionally Chinese, they will have no success making a nationalistic appeal to the Taiwanese.

The Communist Chinese and the Taiwanese ought to honestly examine their history to discover what has brought them to the current crisis. Both Mao Tse-Tung and Chiang Kai-Shek were under the employ of the Jewish bankers. Both collaborated with the Imperial Japanese, who were financed and directed by the Jewish bankers, to weaken China and leave it ripe for Jewish Communist "Revolution".

Jews see themselves as the "light unto the nations". Jews believe they have a "Jewish mission" to Judaize the world. Jews are taught to subvert and ruin all other cultures, religions and nations. The Communist Revolution in China was one step in the ancient Jewish plan of ruining all Gentile societies and creating a "Jewish Utopia"; which steals all the wealth of world, destroys all nations and religions, save Israel, and which enslaves the Goyim and then genocides

them.

Since there are sincere Chinese in Mainland China, who want to see the Chinese People reunited, they are obliged to work around those Chinese who are puppets of the Jewish bankers, and to curtail the corruption and degradation of the Chinese People which is Jewish Communism. There are many traitors in Mainland China. There are many dupes in Mainland China. But there are many more patriotic Chinese, who can overcome the Jewish brainwashing of Talmudic Marxism, and again become Chinese, instead of living out their lives as the puppets of World Jewry who stupidly glorify their own deliberate destruction and celebrate a Jew named Karl Marx who worked for the Rothschilds to help them ruin humanity with counterfeit liberalism.

Should the Chinese People come to know their history and the forces behind it, they will be able to unite against their common enemy, and it will indeed be an attractive option for the Taiwanese to unite with their Mainland Chinese brothers to combat World Jewry and its plan to remove China and Chinese culture from the map of history. True Chinese nationalism must be grounded in this fight to extinguish the "light unto the nations" which is burning down Chinese culture, and which will ultimately become a thousand nuclear flashs followed by a billion Chinese corpses.

George Bush's Zionist Warmongering Is Destroying the World Economy

Christopher Jon Bjerknes

http://www.jewishracism.com

The Jewish bankers are opening the door to Chinese finance, at the expense of the World economy. The weak dollar would be a blessing to American exporters, if America had its fair share of exporters, which it does not. The bankers complain that the dollar is not yet weak enough, and will use this as a pretext to gain control of the Chinese financial markets, so as to set them straight and further weaken the dollar. The Congress will call for protectionist measures, to counter the protectionist strategies of the Asians. That, too, might help American industry, if America had its fair share of industry, which it does not.

But what will happen if the Chinese economy really slides? And what if the bankers cut back on loans and slow the American economy on the pretext of strengthening the dollars they have deliberately weakened? How can America rebuild our industrial base under such dire conditions where American money is difficult to obtain and internationally worthless?

The Zionist Bush regime enjoys one virtue, it doesn't have any popularity to lose. Will they risk open rebellion and attack Iran, as the World economy collapses under the weight of the Zionists' warmongering? Will they be able to finance their fiasco? Will the World unite to destroy the American economy so as to prevent further Zionist aggression? Have they already done so?

I tried to warn people that if the US continued down the path of perpetual Zionist war, that the World would be forced to bury us economically so that we simply could not afford to continue to wage war. I called this the "Quiet Counter Attack" in November of 2006:

http://jewishracism.blogspot.com/2006/11/quiet-counter-attack.html

I had been warning of these events in September of 2006 (and much earlier, in fact):

http://jewishracism.blogspot.com/2006/09/isolating-israel.html

http://jewishracism.blogspot.com/2006/09/zionist-plague-on-america.html

http://jewishracism.blogspot.com/2006/09/peace-is-economic-necessity.html

It is, of course, a difficult question to answer whether our demise results from the Zionists' actions against our interests to cause us to destroy ourselves, or whether the World is quietly organizing to ruin our economy as a matter of self defense, but I believe the distinction is only apparent. The Jewish bankers want the US to fall, and with it the Goy universe. The "New World Order" is meant to be a "Jewish Utopia", in other words, a Gentile Hell.

Will Americans at long last wake up to the fact that Israel is our enemy?

Getting Where You Want to Go

Christopher Jon Bjerknes

http://www.jewishracism.com

Shia should show good will toward Sunni in Iran. Perhaps the Government of Iran could build a Sunni mosque, institute a unity holiday in the name of a Sunni figure from history, etc. Sunni should show good will toward Shia in Lebanon. Perhaps the Sunni in Lebanon could sponsor the Lebanese Government to build a Shia mosque, institute a unity holiday for a Shia figure from history, etc. Shia should show good will toward Sunni in Lebanon. Perhaps the Shia in Lebanon could sponsor the Government of Lebanon to build a Sunni mosque, institute a unity holiday for a Sunni figure from history, etc.

Promote Arab unity among the Arab People in spite of what given Arab leaders may or may not do. Keep things calm and focus on the appearance of unity. Even if you suspect that a given Arab leader is a Zionist puppet, use this to your advantage. You can listen to your enemy through his agent. You can give your enemy information, or false information, through your enemy's agent. It is unwise to blindly shut the back door to your enemy through his agents, though in many instances it may be wise to expose a stooge, but when doing so, timing is very important. The important thing is to accomplish your objective, to remain flexible, and if you can persuade an enemy agent who is operating under the guise of being an Arab leader to accomplish for you what you want done, then this person has done more for you than a friend who refuses your requests.

Trust is not an issue. There should be no need for trust nor reliance upon it from friend or foe. The issue is how to obtain objectives. Tens of millions of lives and the future of nations and world religions is at stake.

By helping the Arab People to unify, you will place pressure on Arab leaders to do what must be done to preserve Islam for all Moslems, and to preserve Moslem life from the Zionists who want to blot out the name of the "Amalekite" and "Ishmaelite" Moslems from the book of life. If it is necessary to incite the Arabs to overthrow traitorous leaders, then that can best be accomplished by strengthening Moslem unity and by working through the People, while maintaining the appearance of good relations with the selfish traitors at the top of some Arab nations. However, the best outcome, if possible, would be a slow shift in a calm atmosphere to a united Moslem World, where trade and peace lead to more trade and peace, and the economic might of Islam is united behind peace and justice for all of humanity.

Zionists have miscalculated their timing. The world economy is in trouble, and this will result in divisions in the European Union, and between America and its southern neighbors, and between America and Asia. Moslems have the opportunity to make the Middle East a calm sea in this coming storm, if only they can be united despite the Zionists' efforts to make the Middle East the flash point for their Third World War. Unite the People, and do not worry about the allegiances of the leaders, rather assume that they are working for the Zionists and make the best of the situation, for the sake of the People.

Money has a tendency to sail toward calm waters and fertile fields. Make The Gulf a calm sea and the Gulf States a fertile field for economic growth. Promote the interests of the region by

buying up international media and using it in a Public Relations campaign for the region. Create advocacy programs and materials so as to counter Zionist propaganda, and so as to make it easy for people of good will in Europe and America to help the Moslems. Zionist Jews are working hard to create advocacy programs and materials to vilify Moslems and promote Israel on college campuses, in the media and in government and corporate lobbies. World Jewry's campaign against Islam must be countered, or it will appear that Moslems have no defense, though nothing could be further from the truth. If the Gulf nations were to spend some of the billions they plan to spend on armaments they will not be able to use effectively, instead on media, it would accomplish far more for their nations.

But if the time is right to expose a Zionist stooge, do not hesitate to do so. You will have the greatest success if you have a dossier of irrefutable facts and present a detailed history of events which expose the criminal traitor. The case should be overwhelming and irrefutable, if possible. That way, the criminal will have a very difficult time taking the offensive, and by being forced on the defense, will appear guilty.

This is also true with respect to the entire global Zionist agenda. A detailed report issued jointly by many Moslem nations exposing and condemning Zionist crimes against humanity would have a devastating effect on global Zionism. One book by Jimmy Carter has badly hurt Israel, I would even say mortally wounded Israel. If a number of World leaders were to speak out, and if an abundance of materials and programs were produced exposing Zionism as the criminal and genocidal enterprise that it is, it would be devastating to Zionism, and would force Israel on the defensive. It would also take the World's attention away from Iran and focus it on Israel's crimes

against humanity, including the Jews.

The Creepy Noahide Laws Creep into Congress, Again and Again. . .

Christopher Jon Bjerknes

http://www.jewishracism.com

In House Joint Resolution 104, the One Hundred Second Congress of the United States of America institutionalized the seven Noahide Laws (one of which bans idolatry such as Christianity, Hinduism, etc. on pain of death by decapitation) when the Congress designated 26 March 1991, "Education Day, U.S.A."

This was not the only instance where the Noahide Laws found their way from the Jewish Talmud in the tractate *Sanhedrin*, folios 56*a*-60*b*, to the American Congress:

Chavez and Ahmadinejad

Christopher Jon Bjerknes

On Friday, 16 March 2007, Barbara Walters asked Hugo Chavez about Mahmoud Ahmadinejad and Israel. Chavez then seemingly mischaracterized Ahmadinejad's stance on the Zionist Regime, and distanced himself from what he, Chavez, asserted was Ahmadinejad's position. Instead of offering any criticism of Israel, Chavez took the opportunity to change the subject to American aggression.

Illegal Abuse of the UNSC to Forward Zionist Interests

Christopher Jon Bjerknes

http://www.jewishracism.com

The draft resolution of the United Nations Security Council contains a paragraph containing provisions which prove the undue and corrupt influence of the Zionist powers over the Council. The draft resolution states, in the relevant part:

"5. Decides that Iran shall not supply, sell or transfer directly or indirectly from its territory or by its nationals or using its flag vessels or aircraft any arms or related materiel, and that all States shall prohibit the procurement of such items from Iran by their nationals, or using their flag vessels or aircraft, and whether or not originating in the territory of Iran[.]"—"Text: Draft UN resolution on Iran", *www.news.bbc.co.uk*, http://news.bbc.co.uk/2/hi/middle_east/6455853.stm, (16 March 2007).

The press is reporting that this measure is designed to forward Zionist American imperialistic interests in Iraq, and Israeli imperialistic interests in Palestine and Lebanon. Clearly, this represents a Zionist abuse of the UNSC. Clearly, the Zionists have a list of goals they want to accomplish and are abusing the UNSC as forum through which to impose their criminal desires on other nations.

Not only does the UNSC have no jurisdiction over the central issue behind this draft resolution, the Zionist forces behind the draft have exploited the opportunity to illegally presume to regulate the international relations of the sovereign nation of Iran in a way unrelated to the issue at hand, and that violates the rights of Iran and other countries, and which favors Israel and aggressive Zionists in the United States.

It is as if a lonely Israeli sued his Iranian neighbor, without any proof, for desiring to buy the same type of car as the Israeli owns; and then asked the court to demand that the Iranian divorce his wife as damages; and then asked the court to order the Iranian's wife to marry the godforsaken Israeli as restitution.

These provisions of the draft resolution prove that the process is tainted, biased and that the Zionists behind the resolution are simply manufacturing excuses to impose the expansionist, warmongering Zionist agenda on the peaceful and law abiding Islamic Republic of Iran.

The UNSC's Draft Resolution Against Iran: A Fatally Flawed and

Contradictory Process Engineered to Fail

Christopher Jon Bjerknes

http://www.jewishracism.com

The United Nations Security Council's draft resolution against Iran makes no progress towards a legal settlement of the issues of Iran's rights under the Nuclear Non-Proliferation Treaty, in that it makes the same irrational and illegal demand as UNSC Resolution 1737, that Iran surrender its rights in order to avoid punishment for exercising its rights. A nation cannot lawfully be punished for exercising its due rights.

The draft resolution does not provide a realistic or fair basis for negotiations and talks, and is, therefore, an instrument of extortion, and not a legitimate attempt to bring about a political resolution to the crisis at hand. The draft resolution unlawfully demands compliance with illegal orders as a precondition to negotiations. This is tantamount to a doctor's insisting that a patient first commit suicide before requesting an antidote to the poison the doctor has injected into the patient as if it were a vaccination. The draft resolution's illegal demands are the same as if a court (which has been bribed, blackmailed and threatened) granted a thief a lien on your house for a hundred thousand dollars to secure the $100,000 in ransom money the thief demanded for your car which he had stolen from you, and then the same court demanded that you pay the ransom money before allowing you to negotiate for the return of your property, and the court concurrently held that you have no right to possess your property and that the thief would keep it in any event. On top of that, the court ordered that if you failed to pay the thief the funds he

was extorting from you, the court would impose ever increasing fines on you and garnish your wages and auction off your house.

The stated purpose of the UNSC's draft resolution is in conflict with the unilateral demands it imposes on Iran. The draft resolution states, in the relevant part:

"Emphasising the importance of political and diplomatic efforts to find a negotiated solution guaranteeing that Iran's nuclear programme is exclusively for peaceful purposes, and noting that such a solution would benefit nuclear non-proliferation elsewhere, and welcoming the continuing commitment of China, France, Germany, the Russian Federation, the United Kingdom and the United States, with the support of the European Union's High Representative to seek a negotiated solution[.]"—"Text: Draft UN resolution on Iran", *www.news.bbc.co.uk*, http://news.bbc.co.uk/2/hi/middle_east/6455853.stm, (16 March 2007).

In direct contradiction to the stated aims of the draft resolution, it states, in the relevant part:

"13. Affirms that it shall review Iran's actions in light of the report referred to in paragraph 12 above, to be submitted within 60 days, and:

that it shall suspend the implementation of measures if and for so long as Iran suspends all enrichment-related and reprocessing activities, including research and development, as verified by the IAEA, to allow for negotiations [.]"—"Text: Draft UN resolution on Iran", *www.news.bbc.co.uk*, http://news.bbc.co.

uk/2/hi/middle_east/6455853.stm, (16 March 2007).

The expressed purpose of the resolution runs counter to the process the resolution orders, and as such violates Iran's rights to due process. In contradiction to its stated purpose of promoting a "negotiated solution", the resolution forestalls a negotiated settlement and instead demands compliance with an illegal order and illegally punishes Iran for exercising its lawful rights under the Nuclear Non-Proliferation Treaty. In addition, the UNSC lacks jurisdiction over the matter and is selectively enforcing its own self-created and illegitimate powers in order to attack an individual nation, which the Zionist powers, who have demonstrably corrupted the UNSC, have openly stated they seek to destroy. This comes as part of a series of UNSC abuses, which have targetted Moslem Peoples specifically, and the Zionists' enemies generally.

Note that Russia and China are parties to this draft resolution, as I predicted would happen some time ago. Iran has handled this well, and not fallen into the trap of isolating itself.

Iranians Should Reframe the Debate

Christopher Jon Bjerknes

http://www.jewishracism.com

Ahmadinejad's rhetoric is flawed, in that it appears inflexible and aggressive, most especially so when quoted out of context by the Jewish controlled media. Ahmadinejad should make an occasional joke of the fact that the media misquotes him, and say something like, "Now you have all heard me say how I would like to resolve this matter, civilly, peacefully and reasonably, but watch how the media will quote part of what I said before and leave all of this out." Ahmadinejad often makes harsh and true statements, which he follows up with extraordinarily benevolent statements. The media quotes the harsh statements without reference to Ahmadinejad's benevolent statements, and the President has every right, and ought to, call the media to task.

Instead of stating that no sanctions will ever work, which gives the green light to the Israelis to attack Iran on the pretext that there will be no negotiated settlement, Ahmadinejad should state that the process is tainted, illegal and unjust, and is, therefore, unenforceable by all modern human standards of civilized conduct and law.

Perhaps the most important step needed to reframe the debate is to stop speaking of Iran's inability to comply with illegal requests as if they come out of a vacuum. Iran will find few allies if it continues to speak of its defense of its rights under the Nuclear Non-Proliferation Treaty as if that alone is what is at stake for Islam, and as if this is the first Zionist attack on Islam. Not only do most Moslems not care about Iran's rights under the Treaty, they do not want to see Iran develop nuclear technology.

Iran must make it clear that they are defending their rights and all of Islam from an *ongoing and highly destructive campaign* by the Zionists to attack all Moslem nations and strip them of

their rights, and that this overall campaign to destroy Islam and dehumanize and degrade Moslems must be stopped at some point and Iran is taking a stand now on behalf of all Moslems and all civilized human beings. Ahmadinejad should point out that the Zionists have taken the Palestinians' land. That they have bombed Lebanon and Iraq into ruins. That they have plans to destroy all of Islam. That this current attack on Iran is part of an overall Zionist strategy to destroy Islam one nation at a time, if possible, and in a massive conflagration, if necessary. If Ahmadinejad makes these minor adjustments to his rhetoric, his speeches will no longer play into the Zionists' hands, but will instead put the Zionists on the defensive and unite Moslems in their common struggle for survival.

Ultimately, if the Moslems themselves are not willing to draw a line in the sand and say enough to Zionist aggression on Iran's nuclear issue, then Iran must refocus on the Palestinian issue, which is a far more winnable strategy, and which has a greater chance of uniting Moslems and the rest of the World against Zionist aggression and subversion.

The things Ahmadinejad says about the UN are true and play well to powerless nations, but do not play well with powerful nations. However, if Ahmadinejad's accusations were to be supported by published factual material, and video documentaries, which established the truth of his assertions, then Ahmadinejad would more successfully convince citizens of the powerful nations of the justice and accuracy of his accusations against corrupt international bodies, which only serve the interests of a minority of humanity, to the detriment of most.

Lastly, play down the effect of the sanctions, because they are illegal and the product of corruption; as opposed to challenging the enemy to take harsher steps against Iran. Always

propose a civilized and legal method of resolving the crisis.

On Whom Will It Backfire?

Christopher Jon Bjerknes

http://www.jewishracism.com

There are those who hope that Ahmadinejad's upcoming speech before the United Nations Security Council will backfire against Iran. They hope that Ahmadinejad will say things that can be used against the Nation of Iran. In anticipation of this outcome, the Jewish controlled media is hyping the event.

At this point, Iran has very little to lose. It will not exercise its best option, which is to cool the uranium enrichment program and then launch a political offensive against the Zionists who seek to dominate the World.

Perhaps, the Iranians will exercise their next best option and disappoint the Zionist warmongers. Ahmadinejad will take center stage in the World arena, and has the opportunity to lay bare before the World the facts and the law surrounding the illegal aggression against Iran, of which the UN is allowing itself to become a party. This must be done with irrefutable facts and irrefutable logic.

Ahmadinejad's speech should be accompanied by published materials spelling out the facts, and, more importantly, a dramatic video presentation narrated by Ahmadinejad with English subtitles. Iran should make good use all of the notoriety the Jewish controlled media has given Ahmadinejad as a personality, and make it backfire against the Israelis by focusing in on their aggression against their peaceful neighbors.

Also point out the millions dead from sanctions in Iraq and North Korea, millions of innocents. Point out that the UN has become a tool which the US and Britain have used to cut off the lives of helpless people. Point out that the UN is being made into a Maffia, which extorts obedience to illegal demands, demands made by Israel and its subverted states.

The case law for "Malicious Prosecution" and "Vindictive Prosecution" in the United States establishes many good precedents and logical arguments that can be quoted in support of Iran's position (see, for example: U.S. Supreme Court, BLACKLEDGE v. PERRY, 417 U.S. 21 (1974).) It is illegal for a prosecutor to punish a person for exercising his or her rights. The Israelis want to punish Iran for exercising its rights under the Nuclear Non-Proliferation Treaty. The punishment they seek is not only baseless, it is hypocritical, and if it indeed had a basis, which it does not, it would represent selective enforcement and prosecution, in that Israel has covertly and illegally manufactured an arsenal of nuclear, chemical and biological weapons and the UN takes no action against them.

The Iranians might want to raise the issue of coercion in addition to the issue of illegal American and Israeli aggression. Lawful contracts and legally binding negotiations cannot occur in a climate of coercion and duress, such as exists where the US is threatening Iran with a warships and the threat of "leaving all options on the table" in an historical context in which the US has made such threats to Iraq and then attacked Iraq, creating a reasonable expectation among Iranians that the US is threatening them with attack. Israeli officials have made open threats to attack Iran, and whether it be as a first resort or last resort makes the threat no less of a threat. These illegal threats are direct violations of the UN Charter.

The press is reporting that the US is using intimidation tactics to coerce Pakistan's President Pervez Musharraf. This establishes the fact that the nations of the World composing the United Nations are under threat, and the process is therefore tainted and illegal. These threats also violate international law.

In conclusion, Ahmadinejad's speech could go very well for Iran, and in any event Iran stands to lose little if it will not change course on the nuclear issue. I again urge the Iranians to provide supplemental materials to make their case clear and grounded in irrefutable facts and cited legal authority. I again urge the Iranians to produce documentary films documenting and exposing Israeli and Zionist crimes against humanity and their criminal open aggression against Iran. The Lebanese and Palestinians, and other Peoples under threat of imminent attack, should do likewise. The larger the chorus, the further you will be heard above the din of the Jewish controlled mass media.

Iran and Russia, Beware of Israel!

Christopher Jon Bjerknes

http://www.jewishracism.com

Note that anyone who challenges Israel, or interferes with the plans of the "Jewish State" is usually roundly and relentlessly criticized in the Jewish controlled international press, and by Jewish controlled World "leaders". Is it not interesting that the press and "leaders" of the World have been largely silent about Russia's and China's supposed resistence to UN sanctions against Iran? This is proof that Russia and China are abiding by the wishes of World Jewry, even when they outwardly appear to be favoring Iran.

The enemies of Iran are taking a two pronged approach. Should the UN fail to impose

oppressive sanctions against Iran (perhaps due to World public opinion), then Israel will enlist this "failure" as a pretext to act unilaterally against Iran in "self defense" to prevent "another Holocaust". Under this scenario, Russia and China, by pretending to favor Iran, will instead be favoring Israel.

If Russia and China agree to sanctions, then Israel will cry out that Iran is a "pariah Nation" shunned by all the World, and even America's "enemies" are against Iran and see it is a threat. If Russia and China make false promises to Iran and sell Iran enough weapons to embolden Iran—they cannot sell Iran enough conventional weapons to defend Iran—they serve Israel's interest by suckering Iranians into thinking they might be able to defend the nation. Israel and America will not hesitate to nuke Iran and they have openly threatened to do so, and there is no conventional defense against a barrage of nuclear weapons.

If Russia were a true ally of Iran, they would set up a military training center on top of Natanz replete with large numbers of Russian forces. They would also move submarines and warships into The Persian Gulf. This would prevent an American or Israeli attack on Iran. What does Russia do instead? They use the press of Russia to falsely accuse Iran of aggression against America, when it is America and Israel who are openly threatening peaceful Iran, while they use their diplomats to placate Iranian concerns behind closed doors.

Russia wants out of Bushehr. Russia knows that Iran is about to be aggressively attacked. Russia does not want to be drawn into any conflict between Israel, America and Iran. It does not want to have any vested interests in Iran to defend, nor does it want to be shamed by failing to defend its interests. Russia does not want its people killed by Americans or Israelis.

Ironically, Russia is next on the Zionist hit list after Islam, and by allowing Islam to be destroyed, Russia is severely weakening its own position. Russians, who think they are preventing World War III and the next greatest Depression by setting up Iran for World Jewry, are sadly mistaken. They are instead helping World Jewry to kill off a nation that would help to defend Russia from the coming attack.

The Iranians are wise to demand that the Russian politicians make their private assurances public, but they would be unwise to depend upon them. Excuses are quickly fabricated.

Should President Ahmadinejad Choose to Speak before the United Nations Security Council. . .

Christopher Jon Bjerknes

http://www.jewishracism.com

Word is that the President of the Islamic Republic of Iran intends to speak before the United Nations Security Council on behalf of Iran's international rights. This is a smart move and could go very well for Iran.

I would suggest that Iran produce a published brief stating its case, the nature of its claims, the nature of the false claims made against it, the relevant law and precedents, and a documentation

of the illegal threats made against Iran by Israel, America and the UK. This will make it much easier for those who would defend Iran from illegal Zionist aggression, to defend Iran as Iran wants to be defended. This will also greatly bolster the impact of President Ahmadinejad's speech and make it more difficult for the Jewish controlled media to distort his words, as they so often do.

I would also suggest showing a video presentation documenting the atrocities Israel, America and the UK have committed against Palestinians, Lebanese and Iraqis in recent years. This video presentation could be made freely available on the internet and would make it abundantly clear to all right minded people that the Zionist Axis of horror is the real threat to peace, and is the aggressor and the criminal regime. If Ahmadinejad's name is attached to the video, hundreds of millions of people around the world will see it.

Handing Haman the Rope with which to Hang Himself: Ahmadinejad's Head on a Uranium Platter

Christopher Jon Bjerknes

http://www.jewishracism.com

It is wise to remember when dealing with the Lyin' of Judah, that the cat has four paws, America, Britain, Russia and China. It is also wise to remember that the Lion of Judah and the Lion and the Sun wear the same crown, and it sits upon head of the House of the Red Shield, the bloody drape that Hugo Chavez adorns when he promises to save Latin America from the Imperialists with Marxism. They will be "saved" as Cuba was saved, as Russia was saved, as Cambodia was saved, with millions dead and millions enslaved for generations.

Russia has set up Iran by making Iran empty promises, which emboldened Iranian leadership to openly speak its mind and take an aggressive stance in response to the Zionists' attacks against Iran. The same can be said of China, though Iran was less trusting of China. Russia was the Zionists' "good cop", who manipulated Iran, who handed Iran the rope with which to hang itself. Haman has built his own gallows. Ahmadinejad, who views himself like Elijah, like John the Baptist, will be sacrificed for the Messiah. Russia gained advantage for itself by using Iran to pressure the West.

However, it is wrong to think that the West and the East represent ultimate power. The leaders of both bow down to the Jewish financiers.

The Russians set up Iran and the Iranians dutifully stuck out their necks. Now the Russians are stepping aside to make room for the executioner to do his work. The Russians are taking their position to fall into the grave next in line after the Moslems, and are waving Iran forward.

The Iranians have no real allies. That does not mean that the Iranians have no means to manipulate World politics and World public opinion.

The Israelis are using Iran's uranium enrichment program as a pretext to destroy Iran and instigate World War III and a deep world-wide depression. This is working for them, because almost no other nation on Earth wants to see Iran develop the capacity to manufacture nuclear bombs.

The Iranians could take this weapon away from the Israelis and focus attention instead on Israel's illegal aggression and its illegal nuclear arsenal. But even this would require the cooperation of the Islamic World at large in order to be successful, and the Islamic World has been so long stressed that it takes any opportunity it can to relax, when it should instead seize its rare opportunities to take the offensive against World Zionism.

It is likely that Islam would simply go back to its old habits of silence and confusion if Iran were to suddenly abandon its nuclear ambitions. World Jewry, always aggressive, would continue its attack on Iran using Hamas and Hezbullah, which Israel created, as pretexts to aggressively attack Iran.

Iran cannot fight this fight alone. It has shown enthusiasm, and as of late, flexibility. Islam must save itself by saving Iran.

Bush is raising troop levels in Iraq and Afghanistan in preparation for an Israeli attack on Iran. Iran will be abandoned by almost all World players at the crucial time, and then Israel will attack.

Israel is trying to destabilize the Iranian Government with an old trick the Nazis used against Stalin. The Nazis sent Stalin falsified reports that Soviet leaders were Nazi agents. Stalin promptly executed many of his loyal leaders and did the Nazis' work for them.

Iran must combat the Mossad, as I have been saying for a very long time now, but they must also not become paranoid and do the Mossad's work for the Israelis.

Iran should also not fall into the trap of openly attacking the Russians, who have effectively provoked the Iranians. It would be wiser to give the appearance of friendship with all.

The playground of World politics is populated with the most treacherous and conniving psychopaths humanity and inhumanity can produce. Iran should trust none, and remember that outward appearances mean nothing other than to the World public, where they shape its opinions. Iran does not want to appear completely isolated, and the Russians are daring the Iranians to isolate themselves and add a few more coils of rope to the hangman's noose.

Manouchehr Mottaki Delivered a Brilliant Speech to the UNSC

Christopher Jon Bjerknes

http://www.jewishracism.com

Iran's Foreign Affairs Minister Manouchehr Mottaki defended Iran, humanity, truth and justice with grace and dignity, style and class.

The Zionists sought every unfair advantage they could connive and contrive, but nevertheless lost the day to one man, one brilliant, dignified human being who spoke the truth to the World in defense of his nation. The contrast between the humanity and integrity of Mottaki versus the corrupt cabal attacking Iran was striking. The regal lion effortlessly swatted back the pack of drooling wild dogs nipping at his heels.

Indeed, fifteen fleas against one man was no match. Mottaki brushed them off with ease.

Spotlight on Israel, Postponement and the Power the Media Have Given Ahmadinejad

Christopher Jon Bjerknes

http://www.jewishracism.com

Iran has no nuclear weapons. Iran's leaders have openly stated that nuclear weapons are antithetical to Islam and the Islamic Republic of Iran. Despite terrible efforts by the Zionists to manufacture evidence, there exists no credible evidence that Iran seeks to acquire nuclear weapons.

The American Zionists are worried that with all of the build up the media has given to Ahmadinejad's plans to speak before the UNSC, his speech might backfire on the Zionist Regime; in that Israel has nuclear weapons, has threatened to use them, and has threatened to destroy humanity with them viz. the notorious "Samson Option", not to mention Israel's Ambassador to the UN's declaration that the Zionists are fighting "World War Three". The Zionists are worried that Ahmadinejad will seize the opportunity to focus attention on the criminal Zionist enterprise known as Israel and the threat it poses to humanity.

Though the neo-Conservative Zionists who run the Bush Regime hope that Ahmadinejad will provide them with ammunition to use against the peaceful nation of Iran, they fear that he may instead call attention to Israel's criminal activities. To allow Ahmadinejad to speak entails a risk

for the Zionists.

On the other hand, Ahmadinejad has provided the Jewish controlled media with weapons to use against Iran. Iran runs a risk that this may occur should Ahmadinejad speak. Even with the best of intentions, things can, and do, sometimes go awry.

Manouchehr Mottaki, Foreign Affairs Minister of Iran, is a highly competent diplomat, with a firm grasp of the issues and the ability to effectively communicate Iran's position. He does not, for better or worse, command the international attention which Ahmadinejad is given by the Jewish controlled media. If he speaks for Iran at the UNSC, it will help Iran, but not greatly. Iran's objective is first and foremost to gain points in the arena of World public opinion. The UNSC is actually a secondary concern, because it has been so thoroughly corrupted by the Zionists.

If Mottaki does well, it will be a minor victory for Iran, and should he do poorly, it would really be no loss given the Zionist bias of the permanent members of the UNSC. To have Mottaki speak is the safe path. However, if Ahmadinejad were to do well and give a factual and legal argument that cannot be refuted, and were to shine a bright spotlight on Israel's crimes against humanity and Israel's nuclear program, and were to give a speech of the quality of his last speech at the UN, then it would be a major triumph for Iran. If he were to stumble, Iran would lose little it has not already lost, and it should consider changing quarterbacks.

If it were my decision, I would have Ahmadinejad give the speech. I would film it, and if it goes well, turn it into a documentary documenting Mordecai Vanunu's struggle to expose Israel's

covert nuclear weapons program, and Israel's crimes against humanity, as well as the neo-Conservatives decades old strategy to destroy Islam and all of the crimes Israel, Britain and America have committed against the Palestinians, the Lebanese, the Iraqis, the Afghanistanis, etc. But then, I am a gambler, and prudence may be the wiser choice. However, if Ahmadinejad speaks at the UNSC *and emphasizes Israel's crimes against humanity, then the media will be afraid to attack Ahmadinejad for fear of exposing Israel!* This is the best protection Iran has, to accuse Israel and International Zionism of their demonstrable crimes, and let the media dare to echo the accusations!

Iran has the option of asking the UNSC to postpone the vote until such time as Ahmadinejad and his team have the opportunity to arrive. In any event, it will be good to have either Mottaki or the President speak. I again suggest publishing supplemental materials to support Iran's arguments and producing a documentary to expose the Zionists' crimes. Even if Ahmadinejad speaks and it appears to go poorly, his notoriety can then be used to promote a documentary exposing the history of Zionist crimes against humanity, including the Jews.

Learn from the movie "300" that film has great power to shape public opinion. In American presidential politics, short, silly videos posted on YouTube are seen by millions and promise to sway the election. A professionally done Iranian documentary with Ahmadinejad's name on it would be seen by tens of millions, if not hundreds of millions world-wide. Film can be edited, points can be dramatically emphasized, and there is no better means to garner sympathy for the Islamic cause. Show Ahmadinejad meeting with Sunni, Christian and Jewish leaders, and promote peace and civilized dialogue in an atmosphere of respect and brotherhood.

A Zionist League to Wage Illegal War on Lebanon and Syria—in Addition to Iraq and Iran

Christopher Jon Bjerknes

http://www.jewishracism.com

In a series of blogs earlier this month, I detailed Israel's Prime Minister Ehud Olmert's admission that the illegal Israeli attack on Lebanon was planned months in advance and was an illegal war waiting for a false pretext. I suggested that the Lebanon war of aggression was a cause of action, and that Olmert's admission could serve as a basis for law suits against Israel for harms Israel caused Lebanon and the Lebanese. Refer to the following blogs:

A War Plan Waiting for a Pretext: Israel's Illegal Aggressive War on Lebanon

Olmert Details Criminal Israeli Plan to Wage Illegal Aggressive War on Lebanon: Lebanese

Should Sue Israel for Israel's Planned Destruction

Far More Significant than the Downing Street Memo

John Bolton, who was the American Ambassador to the United Nations at the time Israel waged illegal aggressive war on the largely defenseless Lebanese, has admitted that the Government of the United States was a party to Israel's aggression. The *BBC* reports:

"Former ambassador to the UN John Bolton told the BBC that before any ceasefire Washington wanted Israel to eliminate Hezbollah's military capability."—"Bolton admits Lebanon truce block", *BBC NEWS*, http://news.bbc.co.uk/2/hi/middle_east/6479377.stm, (22 March 2007).

In addition, we have admissions that American and French government officials wanted Israel to aggressively attack the Nation of Syria:

"Chirac asked that Israel act to topple the Assad regime, and promised in return to block any moves against Israel within the United Nations or European Union."—Ezra HaLevi, "France Urged Israel to Invade Syria During War", *Arutz Sheva www.IsraelNationalNews.com*, http://www.israelnationalnews.com/News/News.aspx/121878, (19 March 2007).

"I know this will annoy many of your readers. . . But the anger is over the fact that Israel did not fight against the Syrians. Instead of Israel fighting against Hizbullah, many parts of the American administration believe that Israel should have fought against the real enemy, which is Syria and not

Hizbullah."—Meyrav Wurmser, as quoted by Yitzhak Benhorin in, "Neocons: We expected Israel to attack Syria", http://www.ynetnews.com/articles/0,7340,L-3340750,00.html, (16 December 2006).

The Zionists' plans, which span several decades, to aggressively attack and destroy Iraq are well known and well documented. They have largely been fulfilled by a fifth column of traitorous Zionists who have subverted the American Government and the interests of the American People in favor of the perceived self-interests of Israel. Zionists around the world have made several open threats to attack the peaceful Islamic Republic of Iran, and to murder the President of Iran, Mahmoud Ahmadinejad.

The Zionists have abused the United Nations Security Council in particular, and the United Nations in general, to vilify peaceful, predominantly Moslem nations; and to wage illegal, aggressive war on these nations; and to prolong these illegal, aggressive Zionist wars so as to destroy the predominantly Islamic peoples of these peaceful and comparatively defenseless countries. The Zionists use the UN and other international bodies, which they have corrupted, to lay siege to Islamic peoples, to pit Moslems against Moslems and Christians against Moslems, and to starve Moslem children and babies to death. They are deliberately destroying country after country in the Middle East.

The Zionists' goals are racist and genocidal. Their open campaign to wage World War III on the human race threatens to end human life. We have no choice but to stop them, or perish at their hands.

Syria Should Also Speak to the UNSC

Christopher Jon Bjerknes

http://www.jewishracism.com

There have been a number of revelations over the past several months disclosing Zionist plans, in Israel and among Zionists outside of Israel, for Israel to aggressively attack the peaceful nation of Syria. These revelations disclose the continuation of much older Zionist plans to attack and destroy Syria. These aggressive war plans violate International Law. Syria might want to consider speaking before the UNSC to formally complain of this Zionist campaign to wage aggressive war against Syria. They might also wish to speak before the council in its deliberations of the draft resolution proposing additional sanctions against Iran. It will be in Syria's interest to raise these objections now, so as to establish an abundance of evidence of the criminal Zionist conspiracy to illegally destroy the Moslem nations of the Middle East. In any event, Syria ought to study the Zionist statements, plans, proposals and admissions, document them and file formal charges in the UN against those who threaten Syria.

Egypt, too, is increasingly becoming the target of Zionist aggression. Egyptians should survey and record Zionist threats against Egypt, many of which are openly made via the Jewish controlled media. Moslems should inundate the UNSC with formal complaints of illegal Zionist aggression, so that the Zionists are unable to isolate and destroy one country at a time, but instead succeed only in isolating themselves from all civilized and sane human beings.

Dirty Bombs and Dirty Pool

Christopher Jon Bjerknes

http://www.jewishracism.com

The Russians suffered very badly in World Wars I & II, and cannot be eager to enter into a third. In addition, Russia has, for centuries, been a cat's paw of the Lion of Judah.

After helping to set up Iran for the coming war, Russia has now flown its true colors. Iran's claim that it needs to manufacture enriched uranium because foreign sources are unreliable, has been vindicated, though to some extent by a self fulfilling prophecy.

At the critical time, right before the UNSC vote on a proposed resolution condemning and sanctioning Iran, to which Russia was a party, the Russians have stabbed the Iranians in the back. The Russians have many concerns, which World Jewry have exploited as excuses the Russians can use to justify their predictable (and predicted) betrayal. Israelis are concerned that the Iranians have no means to retaliate after an Israeli or American nuclear strike on Iran. They want Iran to have as little fuel with which to manufacture "dirty bombs" as possible. Many nations are concerned that the nuclear fall out from a Zionist attack be minimized. For these reasons, among others, the Russians have refused to deliver nuclear fuel to the Iranians and are pulling out of Bushehr.

This is a bad sign for Iran, and indicates that the Russians know of Zionist attack plans and approximate schedules and have given their consent for the coming attack. They are pulling out their people and their interests so that they cannot be drawn into the conflict, nor lose face, but instead have been rewarded in many ways by the Zionists for helping to destroy peaceful Iran. Likewise the Red Chinese, who were warned with a stock market shock who is in charge of the

World economy, are no faithful allies of the Iranians, but are instead led, and misled, by Zionists.

If, after the final vote is taken in the UNSC, Russia does not return to Iran, watch it! You will then know that their move was not a ploy to pressure Iran, but was an opportunistic act, and an act of self defense, made because of Russian knowledge that Iran is about to be attacked.

The Zionists are abusing the UNSC by using the nuclear issue to pile demands unrelated to the nuclear issue onto Iran as part of the Zionists' Middle East agenda. It is clear that the Zionists want to obstruct a negotiated settlement of the nuclear issue, and instead are exploiting it to destroy Iran and Islam. Mbeki and Mottaki have proposed reasonable measures that should satisfy all honest parties. The Zionists will reject these proposals because their interest is in aggressive war, not a negotiated, fair and sustainable resolution to the crisis, which they have created and are perpetuating. Iran can make things more difficult for the Zionists by issuing a very moderate and measured response to the fanatical Zionist attacks on Iran. Stick to the facts and the law and propose a forum to discuss these issues.

In addition to pointing out the illegality, corruption and unfairness of the draft resolution and the resolution which preceded it, the Iranians ought propose a resolution to establish an arbitration and negotiation process. There needs to be a civilized and legal process by which this issue can be resolved, instead of a series of maffia-style ultimatums, threats and attacks. The Zionists should not be allowed to abuse the UNSC as a means to aggressively attack others.

It would be wise for Iran to propose alternative avenues to a negotiated solution. Iran should request a list of particular and specific objections to its activities and request a forum in which

these objections can be met and discussed in compliance with International Law, without threats or the tortuous interference of international contracts. The core issue is to establish a verifiable means of determining that Iran's nuclear program is for peaceful purposes. This can be accomplished in a civilized manner. It only requires a good faith effort. The draft resolution put forth by the Zionists is not in good faith. It contains contradictions, obstructs negotiations and attaches unrelated issues to the nuclear issue so as to exploit the opportunity to forward a broad and aggressive Zionist agenda for the domination and destruction of Islam.

On the other hand, Iran has every right to point out that these Zionist abuses are a part of a pattern, which extends out over the full history of the UN and the League of Nations.

Evidence of the Abuse of the United Nations for the Purpose of Waging Illegal Aggressive War Against Predominantly Moslem Nations

Christopher Jon Bjerknes

http://www.jewishracism.com

The Charter of the United Nations prohibits aggressive war and prohibits threats of force against member nations. It states in the relevant part,

"All Members shall refrain in their international relations from the threat or use of force against the territorial integrity or political independence of any state, or in any other manner inconsistent with the Purposes of the United Nations."—Charter of the United Nations, Chapter 1, Article 2, Paragraph 4.

The United Nations, and other international bodies, have been corrupted by Zionists, who call for aggressive war, and/or threaten force, against predominantly Moslem countries, in direct violation of the United Nations Charter.

The former American Ambassador to the United Nations, John Bolton, a friend of AIPAC, recently stated,

"I believe that either regime change in Iran or, as a last resort, military action is the only thing that will stop the Iranians from getting nuclear weapons[.]"—John Bolton, Former American Envoy to the United Nations, as quoted by Janine Zacharia and Bill Varner, "Bolton Says U.S. Should Seek 'Regime Change' in Iran", *Bloomberg.com www.bloomberg.com*, http://www.bloomberg.com/apps/news?pid=20601087&sid=a.m.58sr9RqM&refer=home, (1 March 2007).

Jacques Chirac, who made a point of condemning anti-Semitism when announcing that he would not run for reelection, allegedly called upon Israel to aggressively attack Syria, and allegedly offered to obstruct the UN and bodies of the EU, so as to favor such an illegal aggression. Ezra HaLevi wrote,

"Chirac asked that Israel act to topple the Assad regime, and promised in

return to block any moves against Israel within the United Nations or European Union."—Ezra HaLevi, "France Urged Israel to Invade Syria During War", *Arutz Sheva www.IsraelNationalNews.com*, http://www.israelnationalnews.com/News/News.aspx/121878, (19 March 2007).

Meyrav Wurmser stated, in December of 2006,

"I know this will annoy many of your readers. . . But the anger is over the fact that Israel did not fight against the Syrians. Instead of Israel fighting against Hizbullah, many parts of the American administration believe that Israel should have fought against the real enemy, which is Syria and not Hizbullah."—Meyrav Wurmser, as quoted by Yitzhak Benhorin in, "Neocons: We expected Israel to attack Syria", http://www.ynetnews.com/articles/0,7340,L-3340750,00.html, (16 December 2006).

The UN stood silent for a very long time as Israel committed an illegal war of aggression on Lebanon, in 2006. The UN does not attack Israel, India or Pakistan for their nuclear weapons programs, but does attack Iran for exercising its lawful rights under the Nuclear Non-Proliferation Treaty to enrich uranium for peaceful purposes. Pakistan President Perez Musharraf, who recently participated in a campaign to unite Moslem nations, and who opposes an aggressive Zionist attack on Iran, now faces political upheaval. The United Nations has taken no serious action to enforce its many resolutions against Israeli crimes against humanity.

Clearly, the UN has been thoroughly corrupted by warmongering Zionists, and has repeatedly

violated its Charter, selectively enforced its powers, and openly abused its authority in a highly prejudicial, and openly genocidal manner. Millions of Moslems have died at the hands of Zionists with the approval of, or passive consent of, the UN. The UN is an instrument of Zionist aggression against humanity. It grew out of the Zionist League of Nations, and its demonstrable purpose was and is to steal the land of Palestine for World Jewry, and to prepare the way for the Jewish Messianic Kingdom of Judaic prophecy. Like International Communism, the United Nations grew out of an open plan by Jewish bankers, and their agents, to foment world wars which would leave the Gentiles clamoring for peace, so as to create an atmosphere where the Goyim could be duped into accepting World Government on the false premise that the elimination of national sovereignties (other than Israel) would result in eternal peace.

The Zionists are now exploiting the UN to create a Third World War, so that they can complete their "Jewish Utopia" and enforce the Noahide Laws, destroy all Gentile government, religion and culture, expand Israel to the borders of "Greater Israel", and begin the process of exterminating the hated Goyim once and for all, so that the godly Jews can restore divine order to the radioactive Earth.

Who Is Violating the Nuclear Non-Proliferation Treaty?

Christopher Jon Bjerknes

http://www.jewishracism.com

The Islamic Republic of Iran cannot lawfully be punished for exercising its due rights under the Nuclear Non-Proliferation Treaty, which states, in the relevant part,

"Considering the devastation that would be visited upon all mankind by a nuclear war and the consequent need to make every effort to avert the danger of such a war and to take measures to safeguard the security of peoples, [***] Recalling that, in accordance with the Charter of the United Nations, States must refrain in their international relations from the threat or use of force against the territorial integrity or political independence of any State, or in any other manner inconsistent with the Purposes of the United Nations, and that the establishment and maintenance of international peace and security are to be promoted with the least diversion

for armaments of the world's human and economic resources,

[***]

ARTICLE IV

1. Nothing in this Treaty shall be interpreted as affecting the inalienable right of all the Parties to the Treaty to develop research, production and use of nuclear energy for peaceful purposes without discrimination and in conformity with Articles I and II of this Treaty.

2. All the Parties to the Treaty undertake to facilitate, and have the right to participate in the fullest possible exchange of equipment, materials and scientific and technological information for the peaceful uses of nuclear energy. Parties to the Treaty in a position to do so shall also cooperate in contributing alone or together with other States or international organizations to the further development of the applications of nuclear energy for peaceful purposes, especially in the territories of non-nuclear-weapon States Party to the Treaty, with due consideration for the needs of the developing areas of the world."—TREATY ON THE NON-PROLIFERATION OF NUCLEAR WEAPONS

However, the United States of America is expressly barred from the "threat or use of force against the territorial integrity or political independence of any State" by the Nuclear Non-Proliferation Treaty and by the Charter of the United Nations, which states in the relevant part,

"All Members shall refrain in their international relations from the threat or use of force against the territorial integrity or political independence of any state, or in any other manner inconsistent with the Purposes of the United Nations."—Charter of the United Nations, Chapter 1, Article 2, Paragraph 4.

America is illegally threatening Iran with an American Naval presence in The Persian Gulf, American calls for "regime change" in Iran, American plans and actions to attack the political independence of Iran, and the American threat that "all options are on the table" indicating that the US will use military force against Iran if Iran does not comply with unlawful American demands that it cease enriching uranium and desist from developing nuclear technology to enrich uranium. The standards used in determining that these American actions do indeed constitute illegal threats must be broad, given that the criminals issuing such threats will naturally seek to avoid prosecution for their crimes and will be inclined to use guarded language, which, however, is nevertheless likely to be seen as a threat. It must also be taken into consideration when judging the nature of these unlawful threats, that the US has made similar threats in the past and carried through with them with forceful and devastating aggression, thereby leaving no doubt as to the threats contained in such statements and ultimatums.

It can hardly be said that America is attempting "to make every effort to avert the danger of [a nuclear] war and to take measures to safeguard the security of peoples," given that America refuses to negotiate with Iran without first making impossible preconditions, preconditions which demand compliance with unlawful American demands, and which impossible preconditions subvert the proposed purposes of the negotiations themselves, preconditions

which achieve the results sought by one party (the Americans) in advance of negotiations, while concurrently violating the rights asserted by the opposing party (the Iranians) which are the subject of the proposed negotiations.

It is clear from the American refusal to engage in normal, responsible and effective diplomacy, that America does not desire a negotiated settlement of the dispute, but instead desires a pretext to aggressively attack Iran. This contention is further bolstered by substantial evidence that controlling elements of the American Government have been planning an attack on Iran for decades in order to secure the interests of the Nation of Israel. Neo-Conservatives have openly stated that their goal is not "to safeguard the security of peoples," but rather to promote instability and chaos in the predominantly Islamic nations of the Middle East.

They have openly called for war on Iran, and their open calls for war on Iraq, Afghanistan and Lebanon have been heeded by the Israeli and American Governments, governments which are today calling for an aggressive American war against Iran. Given this demonstrable and well known history, America's actions must be reasonably interpreted as illegal threats against Iran, and it is America, and Israel with Israel's illegal nuclear weapons arsenal and illegal threats and use of force against its neighbors and Iran, which are violating the spirit and the letter of the Nuclear Non-Proliferation Treaty, and not Iran.

Another issue to be considered is the proliferation of "depleted uranium" munitions to Israel by the United States. A broad interpretation of the Treaty would deem the transfer of these weapons as a violation of the Treaty. Even a rigidly narrow interpretation of the Treaty would forbid the transfer of tactical nuclear weapons from the United States to Israel.

Iranian Foreign Affairs Minister Manouchehr Mottaki's Speech Before the UNSC

The previous link I posted to the address of the Foreign Minister was not the full text of his speech. The following appears to be the full and correct text of FM Mottaki's fine speech:

Statement by Iran FM at the UN Security Council

Unfortunately, I was unable to locate an online video of the C-SPAN broadcast, if, indeed, one is available.

Wake the World With Documentaries, and Criminally and Civilly Prosecute Zionist Lawbreakers

Christopher Jon Bjerknes

http://www.jewishracism.com

The PA should expose Zionist crimes against humanity with professionally produced documentaries for all the World to see. The camera is the best defense the Palestinians have against Zionist aggression, and the Zionists know it and have relentlessly violated the fundamental human rights of journalists and non-journalists to document Zionist atrocities on

"film".

Zionist Rabbi Meir Kahane once stated,

"[I]f I were the Prime Minister, the cameras wouldn't have been allowed in there, and no one would have seen anything."—Rabbi Meir Kahane, in an interview with Barry Farber, "Section", Rabbi Kahane Audio, "Kahane vs. Lenny Brenner", http://kahane.hostultra.com/, http://kahane.hostultra.com/RavKahane20m.mp3, about 9 minutes, 11 seconds into the interview.

The Lebanese ought to join with the Palestinians and expose Israeli atrocities and criminally prosecute those responsible for Zionist criminal offenses against the human race. Moslems cannot depend upon others to serve them justice. They must act on their own behalf. If the Moslem World makes a concerted effort to document and prosecute Israel crimes against humanity—should Moslems place the horror of Israeli crimes before the eyes of the World public and the courts—then World public opinion, already antagonistic towards Israel, will become decidedly pro-Moslem. No right-minded person can witness the Zionist attacks on women and children and be unsympathetic to their plight at the hands of the Israeli Government. At long last, the World will feel sympathy for Moslems in their struggle to defend themselves from aggressive International Zionism.

Israeli Prime Minister Ehud Olmert has admitted that the illegal aggressive Israeli attack on Lebanon last summer was a premeditated act. Former American Ambassador to the UN John Bolton has admitted that the US and Britain refused to act against the Zionist Regime to end its

illegal attack on Lebanon, until it was clear that Israel's aggression had failed to achieve its objectives. International bodies have had the responsibility to prosecute the Zionists for decades, but have failed to do so because they are thoroughly corrupted by undue Zionist influence.

Iranian Foreign Minister Mottaki revealed the recent Zionist corruption of the UNSC,

"To give this scheme a semblance of international legitimacy, its initiators first manipulated the IAEA board of governor and -- as they acknowledged themselves -- 'coerced' some of its members to vote against Iran in the board, and then have taken advantage of their substantial economic and political power to pressurize and manipulate the UNSC to adopt three unwarranted resolutions within eight months."—Iranian Foreign Affairs Minister Manouchehr Mottaki, as quoted in "IRI's N-program completely peaceful", *Islamic Republic of IRAN Broadcasting www.iribnews.ir*, http://www.iribnews.ir/Full_en.asp?news_id=233890, (25 March 2007).

Iranian President Ahmadinejad denounced Zionist bias,

"Why are the European statesmen so sensitive about the Zionists while so many Palestinians are killed everyday and 5 million Palestinians remain homeless for years?"—Iranian President Mahmoud Ahmadinejad, as quoted in "World Has Changed, No One Gives In to Literature of Force", *Fars News Agency www.farsnews.com*, http://www.farsnews.com/English/newstext.php?nn=8601040071, (24

March 2007).

Due to Zionist bias and corruption, Moslems will have to take the initiative to expose and prosecute the crimes which Zionists are committing against them. It would be wise for predominantly Moslem governments and organizations to produce documentary films showing Zionist violence and other abuse. They should also join forces to prosecute Zionist atrocities in the courts.

Document the long standing and open Zionist plans to destroy Moslem Peoples. Create an overwhelming international public sentiment that the Israelis and International Zionists must be punished for these crimes for the sake of humanity and justice.

The PA should protest the Israeli intimidation, murder, and restriction of journalists, and of all persons who capture Zionist crimes on "film". There should be international protections for freedom of the press, freedom of speech and freedom of property, which rights are regularly violated when Israeli citizens, soldiers and police insist that persons capturing Israeli crimes turn off their cameras, and/or the Zionist forces illegally seize these cameras and arrest, or murder, the journalists.

Nominations

Christopher Jon Bjerknes

http://www.jewishracism.com

I nominate the British Government for an academy award should they provide the script—if they haven't already. I suggest that Richard Simmons play the role of Tony Blair.

It was all very predictable. . . and oh how it will backfire on the British, who, like the Americans, have sold their dignity to Zion (and Hollywood?):

Iran denies British captives mistreated

Debriefed and Scripted?

I hope the British wake up before the Iranians are forced to further embarrass them. Israel is the only nation benefitting from this fiasco.

Zionist Savages Are Destroying America's Image, and America's Soul

Christopher Jon Bjerknes

http://www.jewishracism.com

A clear pattern is emerging, which is shaping World public opinion against America and the UK. The Zionists in control of the governments of the Bush and Blair regimes continually push for aggressive war, while Iran strives for peace. The Zionists provoke, revoke, obstruct and inflame, while the Iranians seek civilized, negotiated solutions to the problems which the Zionists deliberately create.

The Zionists are doing terrible damage to the reputation and psyches of Americans and Brits. The Government of Great Britain, once the very symbol of dignity, diplomatic grace and sophistication, refinement and nobility; is lowered to the status of an undignified Zionist puppet parroting the slovenly Judaist "pundits" of the Jewish controlled media. English politics are being Judaized in the worst way, not in the higher scientific sense of rigor and discipline which symbolizes the best of Jewish culture, but in the thuggish, confrontational, aggressive, juvenile and ridiculous sense, the sense in which Zionist organized crime stemming from the brothels and dirty streets of Eastern Europe has "distinguished" itself worldwide.

America, too, is looking ever more like Israel. We see Israeli-style images of American troops kicking in Moslem doors, torturing defenseless Moslems, genociding innocent peoples, mass

murdering women and children. American and British media, once the forum for civilized dialogue, now reflect the Judaists' penchant for screaming, screeching, reckless insult and censorship. The Judaists' tabloid journalism, and the Judaists' constant pounding on the drums of war, has infected the minds of America and Great Britain with irrational hatred and unsophisticated, uncivilized behavior. World Jewry is turning us into mindless mass murders, hate mongers, warmongers, and savages without morality, reason or any of the other cultivated virtues of Western Civilization. The Talmudic legacy of cunning, conniving and artful lying are now seen as virtues heavily promoted in the media.

We see the fruits of this rotten tree. America is rapidly declining. Britain is losing its "class". We are becoming Eastern European Jews in the worst sense, and without the charm that once distinguished that People.

The process is reversible. Those of us old enough to remember what it means to be a decent human being must school the young and shield them from the process of dehumanization carried out by the Zionists. We must speak out against the childish and barbaric tactics of the Jewish controlled media and their shameless, lying, psychopathic, uncivilized, divisive and destructive "talking heads", who censor, silence and obstruct civil discourse and who demean and degrade Americans and the British by the example of their trashy vulgarity.

They are deliberately rendering American politics a battle between two flavors of scum so as to leave Americans so disgusted, so revolted, so fearful and so reluctant, that all decent and reasonable Americans shy away from the political process and it becomes by default the domain

of the vile Zionist puppets. This is happening by design. The onus is upon the American People to turn away from the Jewish controlled media, to demand that the traitorous Zionists not be allowed to fund political campaigns, and to establish civilized networks for discussing political campaigns and political issues which are immune to the virulent influence of the disgusting Zionist media.

Media Campaign Against Iran Will Likely Backfire with a Revival of the Exposure of Abu Garib Horrors

Christopher Jon Bjerknes

http://www.jewishracism.com

The campaign by the media and the British Government to vilify the Iranians, as opposed to celebrating the peaceful and prompt end of the crisis over the famous fifteen, is likely to backfire on the Brits and drive a wedge between Great Britain and America. The prolonged captivity,

brutal treatment including rape and murder, which Western powers have inflicted upon innocent Moslems stands in stark contrast to the comparatively benign and brief treatment the Brits received in Iran.

The British are likely to state that the Americans are responsible for the atrocities at Abu Garib and elsewhere. This will create a division between British and Americans. The Americans have already scoffed at the actions of the British Military, thereby distancing Americans from the British. In their haste to vilify the Iranians, the bungling British are only succeeding in digging themselves deeper into a pit of humiliation.

There is a far more mature and civilized way to deal with this situation. The British should celebrate the fact that "all's well that end's well" and take this opportunity to better relations with Iran, instead of gobbling up sour grapes and enduring the gastric torture which is certain to follow. The Moslem World has yet to play its cards in humiliating the British, and things will go badly for the image of the former Empire if they continue to attack Islam without cause.

Of course, this contrived post-de-escalation escalation is exactly what the Jewish controlled media wants to create. The British public should insist that the British Government not fall into the trap which World Jewry is setting for the British and the Iranians.

Don't Let the Media off the Hook for its Collaboration with the Zionist Bush Regime in Ginning up the Iraq War Based on Obvious Lies

Christopher Jon Bjerknes

http://www.jewishracism.com

The anti-war internet community should take the media to task for needlessly ginning up a war against Iran, just as the Jewish controlled media worked in fascist lock step with the Zionist Bushkovites to lead America to aggressively and illegally attack Iraq. The Jewish controlled media is the fourth estate of the fifth column of Israel-first infiltrators and traitors who are deliberately destroying America for the benefit of Israel. Do not let it be forgotten that the media played a leading role in pushing Americans to mass murder millions of innocent Iraqis. America is only beginning to pay the cost for this genocidal crime against humanity.

Let it not be forgotten that the Jewish controlled media is the agent of the worst enemy America has ever faced, the Nation of Israel. Their goal is to lead us to attack and mass murder innocent human beings who have done us no harm. The Jewish controlled media is indoctrinating Americans to hate and mass murder innocent human beings. They are robbing us of our youth, our treasure, our humanity, our morality, our sovereignty, our sanity and our future. They are poisoning our gene pool and our environment with depleted uranium and other toxins. They are poisoning our minds with a propaganda campaign meant to dehumanize and vilify innocent Moslems. They are poisoning humanity with perpetual war.

Debriefed and Scripted?

Christopher Jon Bjerknes

http://www.jewishracism.com

The British are making a mistake with their predictable ingratitude towards the Iranians' humanitarian treatment of the famous fifteen. Has the British Government debriefed and scripted their military personnel and attempted to present a melodrama which would excuse their behavior, their admissions under comparatively light duress? I do not know.

In any event, the bottom line is that the fifteen were not harmed and were fairly promptly allowed to return home. The British should have let it go at that. The situation could have become much worse and the World can breathe a sigh of relief that it did not.

The Marines and Sailors will likely receive generous offers for their stories, and if they play their cards wisely, will end up rich, unless they are barred from profiting from their experiences. It is possible that they made some sort of a deal with the British Government to avoid any possible repercussions for their actions, but it is also possible that they did not, and that such an issue never arose. I do not know. I would guess that the British Government would want there to be a melodrama to vilify the Iranians, given their expressed ingratitude that the crisis ended well and peacefully. The British must be careful in the stories they tell, for the Iranians may have videotaped the entire process.

The Jewish controlled media is deeply disappointed that all ended up well and is trying to perpetuate a crisis which no longer exists. Instead of playing up the positives and promoting

better international relations, the Jewish controlled media are trying to foment hatreds and whip up the winds of war. Humanity ought to recognize the open threat that the Jewish controlled media poses to our safety, to international stability, and to our prosperity. It is the Jewish controlled media which is leading us towards war, not Iran.

The Iranians deliberately de-escalated the crisis. The Jewish controlled media is attempting to create new crises.

The Jewish controlled media is a danger to us all. As was the case in the First and Second World Wars, the Jewish controlled media is loudly beating the war drums. If they succeed in creating a Third World War, they will eventually lie and paint the Jews as if victims of the war World Jewry is at this very moment fomenting.

The Israeli Subversion of American Politics: Americans and Arabs, as Always, Mere Pawns of the "Jewish State"

Christopher Jon Bjerknes

http://www.jewishracism.com

Whose interests rule the American Government? With a crew of Zionist traitors holding the reins of power in America, Israel's interests supercede every other consideration for the soulless

harlots in Washington. Americans and Arabs better awaken to the fact that the Israelis plan to use Americans and Arabs to mass murder Iranians. Then the Israelis will have the Americans mass murder the Arabs, Sunni as well as Shia, again.

The Sunnis are being lured into a trap. The Israelis want to use the Sunnis to kill off the Shia. This is why the Americans are pretending to want to help the Palestinians. They play the same game everytime they attack a Moslem nation. They destroy Moslem unity against Zionist aggression by falsely promising that a Palestinian solution will soon be found. They always renege on their promises and blame the Palestinians themselves for the Zionist treachery.

If they succeed in destroying Iran, the Israelis will use the American "Christian" Zionists to kill off the Sunnis. Then they will mass murder all Moslems in Jerusalem, and build a Jewish Temple on the site of the Dome of the Rock and Al Aqsa Mosque. World Jewry will only arm their target nations enough to embolden them to engage in war which will weaken them. World Jewry will then destroy their target nations. The Israelis have targeted Saudi Arabia, Egypt, Lebanon, Syria, Libya, Jordan, etc. for extermination, as well as Iran.

Sunnis must join with Shia to resist the common Israeli enemy that wants to exterminate all Moslems. World Jewry is issuing vile propaganda in the United States meant to dehumanize Moslems. The Judaists have even coined a new smear word, "Islamist", which racist Jews use to degrade Moslems. Moslems must form a united front against this existential threat coming from Israel to kill all Moslems. Americans must rise against the Israeli subversion of our government and media.

Israel is the enemy of humanity. If we begin to fight back, they will be quickly defeated.

Israel is at its weakest and most vulnerable point since its inception. If the Arabs unite with the Iranians and hold a strong and united line for peace and justice, Israel will collapse from within from the damning weight of its unholy hatred of the World. Moslems unite and watch Israel sink into Hell.

Use Ahmadinejad's Fame to Maximum Advantage

Christopher Jon Bjerknes

http://www.jewishracism.com

The Iranians have handled the seizure of 15 Brits who encroached onto Iranian territory, and the resultant diplomatic crisis, very well. It was wise to make a humanitarian gesture to the British and present them with an Easter gift. It was also wise to remind the British that this was a

bilateral situation. The Iranians asked for nothing in exchange and skillfully avoided any appearance of hostage taking, much to the chagrin of the Jewish controlled media. I had considered offering all of these strategies as suggestions, but felt that this was the course the Iranians would naturally take and that to publicize these ideas would be counterproductive. One thing the Iranians have done, which is a brilliant move I never even considered, was for Ahmadinejad to pardon the trespassers.

In so doing, Iran demonstrates restraint, compassion, kindness, flexibility, forgiveness, and yet maintains that the Iranians were justified to take action against an international transgression, a transgression which is simply the latest in a series of transgressions. The British People know that they should not be in the region with warships, but they do not want their military personnel to pay for the crimes of their Zionist controlled politicians. The Iranians have peacefully driven a wedge between the British public and the Zionists, and rightly so.

President Ahmadinejad has focused attention on the corruption of the UN and its repeated failure to act in a just and responsible fashion. He has asserted that something must be done to either revise or replace the system. As far as I am aware, Ahmadinejad has not made specific proposals as to how this should be done, or what form international bodies should take. The Iranians have been leaders in the Islamic World and made bold and progressive proposals on how the Moslems ought to unify and take their fate into their own hands. The Iranians have gone further and sought to build coalitions in South America and Africa to cure the neglect and deliberate impediments and attacks Zionist controlled nations have imposed on these continents and their nations. The reaction of the Zionist powers will be slow and stupid. Should

the Iranians continue to offer solutions, while the UN and other Zionist controlled bodies offer only obstacles and corruption, the market place of ideas will be dominated by Iran.

I would suggest that the Iranians put Ahmadinejad's fame to work convincing World public opinion that much of human suffering over the last century has resulted from the Zionists and their international organizations. Take an historico-critical approach and document the facts in video documentaries. Then apply commonly accepted standards of human morality and offer just solutions to the problems the Zionists have created. World public opinion will favor this approach, and the Zionists will further alienate themselves as warmongers and troublemakers, while the Iranians will become increasingly seen as a nation under unjust, inhuman and racist attack. People will soon tire of the Zionist vampires crying out for more Moslem blood, and will turn to the positive and progressive solutions offered by the Iranians, most especially so if the Iranians and others succeed in uniting Islam for the cause of peace and prosperity. The contrast between Zionist warmongers and Islamic messengers of peace is becoming increasingly strong, and needs only a multimedia PR campaign to hasten the end of Zionist domination of World public opinion.

Show the carnage and injustice the Zionists have committed. Show what a shameful thing it is to be a racist, warmongering Zionist. Document the Zionist attack on humanity with irrefutable evidence. The truth favors the cause of Islam. Trust in the truth. Share the truth with the World.

Use the power the Jewish controlled media has given President Ahmadinejad. Produce a documentary of his career and interject the facts of Zionist corruption. Westerners are very curious about him. A documentary about him would be widely seen. Once you have the eyes and

ears of the West, you can persuade Western minds with the facts.

What the Russians Are Not Saying

Christopher Jon Bjerknes

http://www.jewishracism.com

Before the Russian media began reporting that Russian intelligence was aware of a planned attack on Iran, I warned on this blog that this was in fact the case:

What Does Russia Know That We Don't? What Do We Know That the Russians Don't?

We are now confronted with what the Russians are not saying. Though they claim to disapprove of an aggressive attack on Iran, and state that such an attack would be counterproductive for America, the Russians are not threatening to take any action against the aggressors in the event of such an aggressive attack on Iran. This signals a "green light" to America to attack.

Indeed, an American attack will be counterproductive for Americans, but will benefit Israel, and will weaken Russia's largest competitor and "strategic partner", America. It will also send the Islamic World into chaos.

What is the strategy of the "strategic partners"? To destroy America, instigate World War III, and artificially fulfil the Judaists' messianic myths of a "Battle of Armageddon", World government ruled by the Jewish King from Jerusalem and the annihilation of all religions save Judaism.

If there are any Iranians left who believe that Russia is on their side, they are mistaken. Iran should continue to pretend to friendship with Russia and use Russia's ruse for whatever it is worth, but Iranians should never come to depend on Russian support in a war. Russians are selling the Iranians weapons in order to embolden the Iranians to foolishly enter into war. They are not selling the Iranians weapons so that Iranians will defeat the Zionists. They are promoting Goy on Goy destruction and mass murder, which favors Israel.

Zionist Puppet Angela Merkel Exhibits Her Bias

Christopher Jon Bjerknes

http://www.jewishracism.com

David Ben-Gurion admitted in 1956 that the Jews had stolen the Palestinians' land, and that the Palestinians were being made to suffer for Nazi Germany's crimes,

"I don't understand your optimism,' Ben Gurion declared. 'Why should the Arabs make peace? If I was an Arab leader I would never make terms with Israel. That is natural: we have taken their country. Sure, God promised it to us, but what does that matter to them? Our God is not theirs. We come from Israel, it's true, but two thousand years ago, and what is that to them? There has been antisemitism, the Nazis, Hitler, Auschwitz, but was that their fault? They only see one thing: we have come here and stolen their country. Why should they accept that? They may perhaps forget in one or two generations' time, but for the moment there is no chance. So it's simple: we have to stay strong and maintain a powerful army. Our whole policy is there. Otherwise the Arabs will wipe us out.'"—David Ben-Gurion, quoted in: N. Goldmann, *The Jewish Paradox*, Grosset & Dunlap, New York, (1978), p. 99.

Black leader Stokely Carmichael stated essentially the same thing at a lecture in George Washington University in 1970. Pro-Israel supporters jeered at him. [*See:* "Carmichael, in Washington, Terms Arab Struggle Just", *The New York Times*, (10 April 1970), p. 22.] Iranian

President Mahmoud Ahmadinejad stated essentially the same thing as David Ben-Gurion, on 14 December 2005. Many Jews called Ahmadinejad "anti-Semitic" and made his statements a *casus belli* for annihilating Iran.

President Ahmadinejad stated,

"Today, they have created a myth in the name of Holocaust and consider it to be above God, religion and the prophets, [***] If you committed this big crime, then why should the oppressed Palestinian nation pay the price? This is our proposal: If you committed the crime, then give a part of your own land in Europe, the United States, Canada or Alaska to them so that the Jews can establish their country."—S. Delacourt, "Iranian President Denies Holocaust, Sparks Outrage", *The Toronto Star*, (15 December 2005), p. A1.

Often when World Jewry collectively attempts to shout someone down, World Jewry is attempting to silence the truth. World Jewry often attempts to make the truth a taboo subject. World Jewry often accuses those who speak the truth of "anti-Semitism".

Angela Merkel, a former East German, is Germany's version of the Zionist puppets George W. Bush and Tony Blair. She is eager to sponsor Israeli interests over those of humanity. Her lickspittle attitude has served her well. A petty and uninsightful politician, she has risen to become Chancellor of Germany, an unlikely event which occurred not long after Merkel defied the will of the German People and promoted America's illegal Zionist aggression against Iraq.

When this trio of Zionist marionettes, Merkel, Bush and Blair, parrot their Zionist agenda in chorus, they pretend that they represent the "voice of the international community". They only represent the voice of International Zionism. With Jewish controlled international finance and the Jewish controlled press behind the Zionist agenda, the Zionists Merkel, Bush and Blair are often able to coerce other nations into abiding the Zionist agenda.

This vulgar and vile corruption is apt to eventually backfire badly on the Jewish bankers who are behind it. For now, the Palestinians pay the price. Merkel gets her face in the newspapers and Germans can pretend to moral superiority by oppressing the Palestinians as they once oppressed the Jews, and again at the instigation of Zionist Jews who dictate their national policies from behind the scenes. Zionist Jews and their German stooges often work together to sponsor the formation of ghettoes, to starve defenseless people, and to promote segregationist national politics.

April's Foolish: The Tales of Three Blind Mice

Christopher Jon Bjerknes

http://www.jewishracism.com

Israel is being destroyed by three Zionist stooges, George W. Bush, Tony Blair and Angela Merkel.

Following the Second World War, one of the many negative legacies of the Bolshevik Zionist Adolf Hitler was the spread of Communism to Eastern Europe and the dissolution of Germany, which Zionist Jews had been planning since before the First World War. At the close of the European war, Germany was divided into occupied zones. Eastern Germany was stolen by the Soviets, who made it into a Soviet-dominated Communist nation.

While West Germany experienced the post-war "Wirtschaftswunder", East Germans became childish, lazy and docile. When Germany reunified, West Germany began to decline. Angela Merkel was an East German.

Angela Merkel scurries around the world promoting Israeli interests, much to the detriment of German and European interests. She is as much of a Zionist stooge as are Bush and Blair. Ironically, these three blind Zionist mice, and the growing list of Zionist lemmings leading the governments of the world, are pushing Israel off the cliff. As has so often happened in the past, the corruption, arrogance, and seemingly incurable animosity of World Jewry towards the Goyim, is bringing the world into escalating wars. As has so often happened in the past, this is likely to result in severe suffering for masses of Jews and the end of the Jewish military occupation of the Land of Palestine.

The Jews have never claimed to be the original inhabitants of the land they today call "Israel",

though they have always claimed that the theft of this land was their lease on life. The Jews always stated that they were an aggressive, invasive, and genocidal People, who stole the land and massacred the natives and pushed them off of their native land. Many Jews pride themselves on Jewish consistency and endurance through the ages.

They are taught to rejoice in the destruction of their enemies. Many Jews take pride in, even rejoice in, Jewish suffering. Unfortunately, the friends World Jewry have purchased at the expense of the human race are about to deliver the Jews of the World into the worst wave of anti-Jewish hatred the World has ever seen. This is by Zionist design. In Judaic myth, two-thirds of the Jews must die. The Jews have an ancient eugenics plan. They pass their own through the fires of Hell in order to purify themselves of their weaklings.

The Judaists, the Judases, are preparing a mass cemetery for their brethren. It is called the "Jewish State". Graves have always held a mystic importance to Jews. They are taught that Jewish bones from around the World will one day crawl through the Earth to Jerusalem. If the Zionist stooges World Jewry has placed on the warmongering thrones of Europe and America persist in their genocidal meddling and incompetent bungling, the dry and smoking bones of Israel will have a short trip through to the netherworld.

We can and must prevent this tragedy, if only for the sake of the innocent children—if only for the sake of ourselves.

Stephen Speicher (b. 13 December 1939, d. 31 March 2007): The "Speicher Plan" of 4 May 2000 to Nuke Teheran, Iran

Christopher Jon Bjerknes

http://www.jewishracism.com

Stephen Speicher has recently passed away. I first encountered this strange, unbelievably obnoxious and juvenile little man at the turn of the century, when I disclosed the fact on usenet forums that Albert Einstein was a career plagiarist. Speicher led a group, mostly composed of other Zionist Jews, who would stalk the usenet forums and viciously defame those of us who disagreed with the theory of relativity, and/or exposed the fact that Albert Einstein was a plagiarist. By challenging us to stoop to his abysmally low level of gutter personal attack, so as to provoke us to discredit ourselves, he and his rabid claque disrupted many civil discussions on these issues and made it impossible for us carry out a useful and productive discourse about Einstein and the theory of relativity on usenet, which was evidently his goal.

Speicher worked for Caltech and advertised that fact while conducting his smear campaign

against me. When I asked him if he was conducting his smear campaign against me on behalf of Caltech, he stated that he was not. Speicher, who was the most offensive human being I have ever encountered, became especially toxic when I brought up the issue of the article "Belated Decision in the Hilbert-Einstein Priority Dispute" in the journal *Science*, Volume 278, (14 November 1997), pp. 1270-1273, and the fact that the contentions of this article were based on mutilated printer's proofs of David Hilbert's lecture "The Foundations of Physics", but the article did not disclose that the evidence was mutilated.

I repeatedly asked Speicher, who was a namedropper who asserted that he knew several prominent figures in the Einstein papers project, if he had a relationship with one of the authors of this article, and if so what it was, but he refused to respond directly to my refutations of his attacks or to my questions and simply intensified his already intense smear campaign against me. Note that this refusal to respond to me came after Speicher had opened threads under my name, directed his postings to personally attacking me, and read my postings. Speicher had previously attempted to engage me in debate, and I destroyed and embarrassed him each and every time.

Speicher was also especially devoted to personally attacking me for exposing the fact that Mileva Einstein-Marity was the co-author, or sole author, of the 1905 paper attributed to Albert Einstein on the electrodynamics of moving bodies. This was years before the PBS documentary "Einstein's Wife" appeared, and Speicher and his cohorts depended upon the ignorance of others to defame me for bringing up this then little known issue. Was it Speicher's goal to suppress the information I was disseminating and to intimidate others from relying on, or even

mentioning, my work, which neither Speicher, nor his defamation squad could refute?

On 4 May 2000, on the usenet group *humanities.philosphy.objectivism*, in the thread "Re: Roofs and Ceilings", Stephen Speicher stated,

"Teheran has some ten million people or so. About eight hours from my time now it will be noon on Thursday in Teheran. At that time I say we issue an ultimatum. We tell Iran that they have forty-eight hours to give up their terrorists -- all of them -- and completely cease all terrorist activities. If they do not comply by noon on Saturday, we will destroy Teheran with a nuclear bomb."

http://groups.google.com/group/humanities.philosophy.objectivism/msg/fd3919a5d7800413?dmode=source&hl=en

http://groups.google.com/group/humanities.philosophy.objectivism/msg/fd3919a5d7800413?hl=en&

http://groups.google.com/group/humanities.philosophy.objectivism/browse_thread/thread/475a3d05d003f708/467264557a5dcda6?q=re%3A+roofs+and+ceilings&lnk=ol&hl=en&

As you can see, I have, for many years, been battling Zionist Jews who have advocated a nuclear attack on Iran. Stephen Speicher moved to California in 1978, where he worked on "top secret" software and mathematical analysis methods used by the Defense Nuclear Agency, according to the death notice posted here:

http://groups.google.com/group/humanities.philosophy.objectivism/msg/fa9294247ee312fa?dmode=source&hl=en

It would be interesting to investigate whether or not Stephen Speicher had connections to any intelligence agencies. The methods he and his crew used on internet forums to stifle civil and productive discourse, and to suppress the dissemination of verifiable factual information unfavorable to International Zionism, were similar to the methods some Zionist organizations have advocated.

Allen Esterson and the Mileva Einstein-Marity Dispute

Christopher Jon Bjerknes

http://www.jewishracism.com

In addition to following article, I invite my readers to investigate my other related writings:

C. J. Bjerknes, *The Manufacture and Sale of Saint Einstein* and especially chapter 18, "Mileva Einstein-Marity:

C. J. Bjerknes, "A Response to *Physics World's* 'Review' of *Albert Einstein: The Incorrigible Plagiarist*", *Infinite Energy Magazine*, Volume 8, Number 49, (May/June, 2003), pp. 65-68.

C. J. Bjerknes, *ARGUING ABOUT EINSTEIN-MARITY'S HUSBAND.*

Allen Esterson and the Mileva Einstein-Marity Dispute

(Christopher Jon Bjerknes)

In an obituary for Albert Einstein, physicist Abram Joffe wrote in reference to three famous papers published under the name "A. Einstein" in the *Annalen der Physik*, in 1905,

"The author of these articles--an unknown person at that time, was a bureaucrat at the Patent Office in Bern, Einstein-Marity (Marity--the maiden name of his wife, which by Swiss custom is added to the husband's family name)."--A. F. Joffe (*also:* Ioffe), "In Remembrance of Albert Einstein", *Uspekhi fizicheskikh nauk*, Volume 57, Number 2, (1955), p. 187.

Joffe's statement, together with a large number of other facts, has led many to conclude that Mileva Einstein-Marity was co-author, or the sole author, of three important works attributed to Albert Einstein. Consider the clues Joffe is giving us. Note that Joffe does not state that the author was "Albert Einstein", but rather Joffe states that the author was "Einstein-Marity". The only person who went by the name "Einstein-Marity" was Mileva Maric, Albert Einstein's first

wife and scientific collaborator. Furthermore, Joffe tells us that the author was an unknown person until that time, "Einstein-Marity", i. e. Mileva. It is well documented that Mileva Maric went by the name "Einstein-Marity" during and after her marriage to Albert Einstein, and her death notice states "Einstein-Marity". Albert Einstein is not known to have ever used the name "Einstein-Marity".

Allen Esterson ignores the contradiction in Joffe's statement. On the one hand, Joffe states,

"The author of these articles--an unknown person at that time, was a bureaucrat at the Patent Office in Bern,"

which indicates that the author was Albert Einstein. On the other hand, Joffe states that,

"The author of these articles--an unknown person at that time, was [***] Einstein-Marity",

which indicates that the author was Mileva Einstein-Marity. Not only does Joffe never use the name "Einstein-Marity" in any other context than this, he avoids the first name when identifying the author as "Einstein-Marity", while adding a fallacious parenthetical explanation. I suspect that the explanation came from Mileva, who met Joffe and told him that Albert was, by his own admission, a man who had, "no serious thoughts about science, much less about experiments." After meeting with Mileva, Joffe, who had gone out of his way to meet the author of the papers, left without speaking to Albert, who was not at home at the time. Joffe did not return, content with having met Mileva Einstein-Marity.

We know that Joffe meant that the papers were signed "Einstein-Marity" both from the identity Joffe makes of "author"="Einstein-Marity" and from Daniil Semenovich Danin's explicit statement that the papers were signed "Einstein-Marity",

"The unsuccessful teacher, who, in search of a reasonable income, had become a third class engineering expert in the Swiss Patent Office, this yet completely unknown theoretician in 1905 published three articles in the same volume of the famous 'Annalen der Physik' signed 'Einstein-Marity' (or Maric--which was his first wife's family name)."--D. S. Danin, *Neizbezhnost strannogo mira*, Molodaia Gvardiia, Moscow, (1962), p. 57.

Desanka Trbuhovic-Gjuric informs us that Joffe had seen the original manuscripts, and though she does not name the source of her information, her assertion is in perfect conformity with the known facts,

"The distinguished Russian physicist [***] Abraham F. Joffe (1880-1960), pointed out in his 'In Remembrance of Albert Einstein', that Einstein's three epochal articles in Volume 17 of 'Annalen der Physik' of 1905 were originally signed 'Einstein-Maric'. Joffe had seen the originals as assistant to Roentgen, who belonged to the Board of the 'Annalen', which had examined submitted contributions for editorial purposes. Roentgen showed his *summa cum laude* student this work, and Joffe thereby came face to face with the manuscripts, which are no longer available today."--D. Trbuhovic-Gjuric, *Im Schatten Albert Einsteins, Das tragische Leben der Mileva Einstein-Maric*,

Paul Haupt, Bern & Stuttgart, (1983), p. 79.

Roentgen reviewed the manuscripts. At the time, Joffe worked with Roentgen. We know from Joffe's accounts that both Roentgen and Joffe were intensely interested in Lorentz' theory on the electrodynamics of moving bodies, the mathematical formalisms of which are reiterated in the Einsteins' 1905 paper without an attribution, and with which the Einsteins were very familiar. Joffe identified Lorentz work, which he was studiously pursuing in 1905, as the "prehistory" of the theory of relativity, and would very much have wanted to have seen the Einsteins' submission and Roentgen would have been eager to have presented it to Joffe and would have wanted to discuss it with him.

Esterson apparently has nothing original to add to the debate over the meaning of Joffe's statements, and instead relies upon John Stachel and Alberto Martinez as authorities to claim that Danin has misquoted Joffe, but such a claim is entirely unjustified by any known evidence, and is based upon the false premise that Danin was supposedly attempting to quote Joffe. Esterson wrote in his article "My responses to Geraldine Hilton's replies to my rebuttals of claims in her 'Einstein's Wife' documentary":

"Martinez and Stachel (2005) have both documented that Danin misquoted Joffe's 1995 [*sic*] statement[.]"

In point of fact, neither Martinez, nor Stachel have demonstrated that Danin was attempting to quote Joffe. Danin clearly was not quoting Joffe. Danin was very careful in what he wrote, and barring any evidence to the contrary, and none has yet emerged, we must conclude that Danin

knew whereof he spoke. To the best of my knowledge, neither Stachel, nor anyone else, has brought any new facts to fore to discredit Danin's statement that the papers were signed Einstein-Marity. It is simply Stachel and a few others baseless opinion that Danin was mistaken. Esterson disregards the facts in favor of baseless opinion.

Juxtaposing a Fitting Hypothetical

In order to clarify the issues, let us first consider a hypothetical situation which will parallel the known facts. Assume for the sake of argument that Abram Joffe had written in the context of the three most famous papers published in 1905 in the *Annalen der Physik* under the name "A. Einstein", that,

"The author of these articles--an unknown person at that time, was a bureaucrat at the Patent Office in Leiden, Einstein-Lorentz (Lorentz--the name of his former professor, which by Dutch custom is added to the student's family name)."

Assume Daniil Semenovich Danin explicitly stated that the papers were signed "Einstein-Lorentz",

"The unsuccessful teacher, who, in search of a reasonable income, had become a third class engineering expert in the Dutch Patent Office, this yet completely unknown theoretician in 1905 published three articles in the same volume of the famous 'Annalen der Physik' signed 'Einstein-Lorentz' (or Hendrik Antoon Lorentz--which was his former professor's

name)."

Let us further assume that Joffe recounted a story of his attempts to visit Albert Einstein, who we will suppose was at the time living with Hendrik Antoon Lorentz. And that Joffe then said,

"I did not come to know Albert Einstein, until I met him in Berlin. [***] I wanted very much to talk to Einstein [***] and visited him in Leiden together with my friend Wagner. But we did not find him home, so we did not have a chance to talk, and his former professor, Hendrik Antoon Lorentz, told us that, according to his own words, Albert Einstein is only a civil servant in the patent office, and he has no serious thoughts about science, much less about experiments."

Now, in our hypothetical example, assume that many years later letters surfaced, the contents of which were unknown to Joffe, letters from Albert Einstein to Hendrik Antoon Lorentz, one of which stated,

"I am going to set about earnestly studying everything you and Drude have written on the electrodynamics of moving bodies. [***] When I become your research partner, we will want to engage in a quite diligent scientific collaboration, so that we don't become old Philistines, isn't it so?"

And assume in our hypothetical that Albert Einstein wrote the following words to Lorentz, which he in fact sent to Mileva Maric,

"How happy and proud I will be, when we two together have victoriously led our work on relative motion to an end!"--Letter from Albert Einstein to Mileva Maric of 27 March 1901, J. Stachel, Ed., *The Collected Papers of Albert Einstein*, Volume 1, Document 94, Princeton University Press, (1987), p. 282.

And assume that the early Einstein biographer, Alexander Moszkowski, who obtained his information from extensive conversations with Albert Einstein, wrote in 1921,

"Albert Einstein found consolation in the fact that he preserved a certain independence, which meant the more to him as his instinct for freedom led him to discover the essential things in himself. Thus, earlier, too, during his studies at Leiden he had carried on his work in theoretical physics at home, almost entirely apart from the lectures at the University of Leiden plunging himself into the writings of Kirchhoff, Helmholtz, Hertz, Boltzmann, and Drude. Disregarding chronological order, we must here mention that he found a partner in these studies who was working in a similar direction, a professor at the University of Leiden, Hendrik Antoon Lorentz, with whom he became a research partner in the year 1903."

Given such a hypothetical situation, we would conclude that Hendrik Antoon Lorentz was the co-author, or sole author, of the three papers in question. In an interesting aside, the special theory of relativity was in fact known as the Lorentz-Einstein theory for decades, up until Lorentz' death. In the same period, Albert Einstein was ridiculed in the international scientific community for being a career plagiarist.

The Facts

Now let us consider the established facts, which cannot be disputed, and which lead us to conclude that Mileva Einstein-Marity was the co-author, or sole author, of the three 1905 papers in question. Bear in mind that many who have criticized Albert Einstein in the past (including Nobel Prize laureates) were immediately smeared in the international press, their careers were impeded, or destroyed, and a horde of sycophants, who wanted to promote themselves by promoting Albert Einstein, howled in cowardly chorus to drown out the truth and assassinate the messenger in order to avoid the honest message. The press would publicize their lies, while suppressing the truth. This was once known as the "Einstein Terror". It continues to this day, and it has led, and continues to lead many to use guarded language when criticizing Albert Einstein, or when revealing embarrassing facts about him.

The facts establish even more firmly than our hypothetical could, that Mileva Einstein-Marity was the author, or co-author of the works in question, because, though Lorentz was not known as "Einstein-Lorentz", Mileva Maric was known as "Einstein-Marity", and she alone was known as "Einstein-Marity". I will not recount all of the evidence which supports the contention that Mileva and Albert collaborated, merely enough to make the case.

In an obituary physicist Abram Joffe published on the occasion of Albert Einstein's death, Joffe wrote in reference to three famous papers published in the *Annalen der Physik*, in 1905, under the name "A. Einstein",

"The author of these articles--an unknown person at that time, was a bureaucrat at the Patent Office in Bern, Einstein-Marity (Marity--the maiden name of his wife, which by Swiss custom is added to the husband's family name)."--A. F. Joffe (*also:* Ioffe), "In Remembrance of Albert Einstein", *Uspekhi fizicheskikh nauk*, Volume 57, Number 2, (1955), p. 187.

In addition, Joffe wrote,

"I did not come to know Albert Einstein, until I met him in Berlin. [***] I wanted very much to talk to Einstein [***] and visited him in Zurich together with my friend Wagner. But we did not find him home, so we did not have a chance to talk, and his wife told us that, according to his own words, he is only a civil servant in the patent office, and he has no serious thoughts about science, much less about experiments."-- A. F. Joffe, *Vstrechi s fizikami, moi vospominaniia o zarubezhnykh fizikah*, Gosudarstvenoye Izdatelstvo Fiziko-Matematitsheskoi Literatury, Moscow, (1962), pp. 86-87.

Joffe also wrote,

"Therefore Roentgen suggested to me that when I defended my doctoral dissertation in May of 1905, that I ought to discuss what one could now look upon as the prehistory of the theory of relativity: the Lorentz-equations and the hypothesis of FitzGerald. And then he asked me a question, 'Do you believe that there are spheres which are flattened when they move? Can you

confirm the fact that such electrons will forever remain a part of Physics?'--I answered, 'Yes, I am convinced that they exist, only we don't yet know everything about them. Consequently, we must study them further.'

When I defended my dissertation, something remarkable happened. The dean gave the welcoming address in Latin, which I did not understand. The only thing I could fathom was that my defense had gone well, because the speech ended with a handshake. But when I met Roentgen in the laboratory, he was indignant at the cold response I had given to the dean's speech. It turned out that the faculty had awarded me the degree of 'summa cum laude'--'with the highest praise possible'--for the first time in 20 years. This degree awarded me the right to give lectures. It was to be expected that I would have been overwhelmed with joy--and I did not know at that time that there were four levels of evaluation and I had received the highest. For a long time Roentgen refused to believe that I had not known of the rankings of the evaluation levels when I was presenting my defense. Afterwards, he reminded me of this incident, 'You are really a ridiculous person.'

In August of 1906, I traveled to Russia and witnessed the intelligentsia leaving the revolution with my own eyes. Given my Marxist convictions, I felt that at such a time I did not have the right to only concern myself with Physics far away from my homeland in Munich. I wrote Roentgen that I would not return and that my conscience would not allow me to leave the homeland while the reactionaries triumphed."--A. F. Joffe, *Vstrechi s fizikami,*

moi vospominaniia o zarubezhnykh fizikah, Gosudarstvenoye Izdatelstvo Fiziko-Matematitsheskoi Literatury, Moscow, (1960), pp. 19-20.

Daniil Semenovich Danin explicitly stated that the papers were signed "Einstein-Marity",

"The unsuccessful teacher, who, in search of a reasonable income, had become a third class engineering expert in the Swiss Patent Office, this yet completely unknown theoretician in 1905 published three articles in the same volume of the famous 'Annalen der Physik' signed 'Einstein-Marity' (or Maric--which was his first wife's family name)."--D. S. Danin, *Neizbezhnost strannogo mira*, Molodaia Gvardiia, Moscow, (1962), p. 57.

Desanka Trbuhovic-Gjuric informs us that Joffe had seen the original manuscripts, and though she does not name the source of her information, her assertion is in perfect conformity with the known facts,

"The distinguished Russian physicist [***] Abraham F. Joffe (1880-1960), pointed out in his 'In Remembrance of Albert Einstein', that Einstein's three epochal articles in Volume 17 of 'Annalen der Physik' of 1905 were originally signed 'Einstein-Maric'. Joffe had seen the originals as assistant to Roentgen, who belonged to the Board of the 'Annalen', which had examined submitted contributions for editorial purposes. Roentgen showed his *summa cum laude* student this work, and Joffe thereby came face to face with the manuscripts, which are no longer available today."--D. Trbuhovic-

Gjuric, *Im Schatten Albert Einsteins, Das tragische Leben der Mileva Einstein-Maric*, Paul Haupt, Bern & Stuttgart, (1983), p. 79.

Many years later letters surfaced, the contents of which were unknown to Joffe, letters from Albert Einstein to Mileva Maric, one of which stated,

"I am going to set about earnestly studying everything Lorentz and Drude have written on the electrodynamics of moving bodies. [***] As my dear wife, we will want to engage in a quite diligent scientific collaboration, so that we don't become old Philistines, isn't it so"--Letter from Albert Einstein to Mileva Maric of 28 December 1901, J. Stachel, Ed., *The Collected Papers of Albert Einstein*, Volume 1, Document 131, Princeton University Press, (1987), p. 330.

Albert Einstein also wrote to Mileva Maric,

"How happy and proud I will be, when we two together have victoriously led our work on relative motion to an end!"--Letter from Albert Einstein to Mileva Maric of 27 March 1901, J. Stachel, Ed., *The Collected Papers of Albert Einstein*, Volume 1, Document 94, Princeton University Press, (1987), p. 282.

Albert Einstein was an habitual plagiarist and a virulent misogynist. It was very much against his nature to award credit to Mileva Einstein-Marity. Albert would not have called the work "our work" were Mileva not his collaborator, or the sole source of the work. Note that Albert would indeed at times take sole credit for the work, but he was also concurrently taking sole credit for the work of Poincare and others when doing so, such that this is only further proof that Albert

was an habitual plagiarist, and Albert's claims are contradicted by his own express statements.

It was Albert's nature to plagiarize. Albert Einstein was a self-promoter, a parrot and a thief, not an exceptional innovator.

Early Einstein biographer Alexander Moszkowski, who obtained his information from extensive conversations with Albert Einstein, wrote in 1921,

"[Albert Einstein] found consolation in the fact that he preserved a certain independence, which meant the more to him as his instinct for freedom led him to discover the essential things in himself. Thus, earlier, too, during his studies at Zuerich he had carried on his work in theoretical physics at home, almost entirely apart from the lectures at the Polytechnic plunging himself into the writings of Kirchhoff, Helmholtz, Hertz, Boltzmann, and Drude. Disregarding chronological order, we must here mention that he found a partner in these studies who was working in a similar direction, a Southern Slavonic student, whom he married in the year 1903. This union was dissolved after a number of years. Later he found the ideal of domestic happiness at the side of a woman whose grace is matched by her intelligence, Else Einstein, his cousin, whom he married in Berlin."--A. Moszkowski, *Einstein: The Searcher,* E. P. Dutton, New York, (1921), p. 229.

Note that Moszkowski states that Mileva was working in a similar direction to Albert, and that they were "partner[s] in these studies". In addition to considering these facts individually, we

must consider them collectively. It cannot be a coincidence that all of these independent sources individually and collectively point us to the same conclusion, that Mileva Einstein-Marity was the co-author, or sole author of the three 1905 papers.

Allen Esterson's Defamations and His Repeated Attempts to Render My Research Taboo

Let us consider the defamatory attack Allen Esterson made against me when some of the text from pages 195-196 and 200 of my book *Albert Einstein: The Incorrigible Plagiarist* was quoted in defense of the truth. Note that Esterson does not contest my statements, and in no way attempts to refute them, rather he instead launches into a lengthy unprovoked assault on my character and asserts that it is taboo for anyone to quote me in a favorable way. Allen Esterson wrote in his article "My responses to Geraldine Hilton's replies to my rebuttals of the claims on the PBS 'Einstein's Wife' Website", published on Esterson's website http://www.esterson.org/Defending_Einsteins_Wife_Website.htm,

"ABRAM FEDOROVICH JOFFE (IOFFE) RECOUNTS THAT THE ORIGINAL PAPERS HE SAW WERE SIGNED "EINSTEIN-MARITY." "MARITY" IS A VARIANT OF THE SERBIAN "MARIC," MILEVA'S MAIDEN NAME. JOFFE, WHO HAD SEEN THE ORIGINAL 1905 MANUSCRIPT, IS ON RECORD AS STATING: "FOR PHYSICS, AND ESPECIALLY FOR THE PHYSICS OF MY GENERATION -- THAT OF EINSTEIN'S CONTEMPORARIES, EINSTEIN'S ENTRANCE INTO THE ARENA OF SCIENCE IS UNFORGETTABLE. IN 1905, THREE ARTICLES APPEARED IN THE 'ANNALEN DER PHYSIK', WHICH

BEGAN THREE VERY IMPORTANT BRANCHES OF 20TH CENTURY PHYSICS. THOSE WERE THE THEORY OF BROWNIAN MOVEMENT, THE THEORY OF THE PHOTOELECTRIC EFFECT AND THE THEORY OF RELATIVITY. THE AUTHOR OF THESE ARTICLES -- AN UNKNOWN PERSON AT THAT TIME, WAS A BUREAUCRAT AT THE PATENT OFFICE IN BERN, EINSTEIN-MARITY (MARITY -- THE MAIDEN NAME OF HIS WIFE, WHICH BY SWISS CUSTOM IS ADDED TO THE HUSBAND'S FAMILY NAME)." 286 . . .

ALBERT EINSTEIN NEVER SIGNED HIS NAME "EINSTEIN-MARITY" IN ANY OF HIS PUBLISHED PAPERS. SWISS LAW PERMITS THE MALE, THE FEMALE, OR BOTH, TO USE A DOUBLE LAST NAME, BUT THIS MUST BE DECLARED BEFORE THE MARRIAGE, AND IT WAS MILEVA, NOT ALBERT, WHO OPTED FOR THE LAST NAME "EINSTEIN-MARITY." A MARRIED PERSON MAY USE THE HYPHENATED "ALLIANZNAME" IN EVERYDAY USE, BUT IT WAS MILEVA WHO WENT BY "EINSTEIN-MARITY," NOT ALBERT. ALBERT SIGNED HIS MARRIAGE RECORDS SIMPLY "EINSTEIN." MILEVA'S DEATH NOTICE READS "EINSTEIN-MARITY." [***] The link on the Tesla Society webpage indicates that the passage in turn comes from a webpage on the website of Christopher John Bjerknes. Bjerknes is an eccentric anti-semite who posts on a Holocaust denier website.

Bjerknes's antipathy to Einstein is indicated by his describing him as the

"chief racist" among the political Zionists of his time, and his writing that "Einstein hated non-racist Jews". His book on Einstein received a scathing review from John Stachel.

I'm sure that Hilton would be horrified to know that, in regard to the second paragraph she has copied above (which purports to explain away the fact that Joffe clearly cited Einstein as the sole author of the three most celebrated of his 1905 papers), she is citing the arguments of a rabid anti-semite with an intense antipathy to Einstein. That does not, in itself, mean that Bjerknes's contentions in that paragraph are false. Like any assertions, they must be examined on their merits."

Let me stress the fact that I, Christopher Jon Bjerknes, am Jewish, and I oppose all forms of racism, including Zionist racism and anti-Semitism.

Esterson relies upon the work of Alberto Martinez. Martinez was one of the first to come out against the PBS documentary "Einstein's Wife" which exposed the issue of the Maric-Einstein collaboration to a broad public. In his critique, Martinez asserted several facts which he first learned from my book, and Martinez has conceded to me in correspondence which I have recorded, that he gleaned these facts from my book. Martinez learned from my book *Albert Einstein: The Incorrigible Plagiarist* that a passage of text mistakenly attributed to Abram Joffe in "Einstein's Wife" was in fact written by Danin. He discovered in my book my insight that Joffe met Mileva and learned that she went by the name "Einstein-Marity" at this meeting. Martinez also read a correct full translation of Joffe's comments about Einstein-Marity in my

book, before writing his critique of "Einstein's Wife", then published a, to use his words, "virtually identical" translation to that found in my book. My book, which Esterson is trying to make taboo, was very useful to Martinez in forming his arguments and he relied heavily upon it.

Esterson relies upon the work of John Jay Stachel (not to be confused with his deceased father Jacob Abraham Stachel) and refers his readers to John Stachel's "hit piece" against me. However, Esterson does not mention my rebuttal of John Stachel's nonsense, nor does he mention the facts surrounding John Stachel's "review" of my work, nor does Esterson mention that in addition to my refutations, John Jay Stachel has been criticized by A. A. Logunov, V. A. Petrov, M. A. Mestvirishvili, F. Winterberg, K. Sommer, D. Wuensch, etc. for failing to mention the fact that his evidence was mutilated in an article Stachel published in the journal *Science* in 1997 in an effort to dispute David Hilbert's well established priority for the generally covariant field equations of the general theory of relativity.

John Jay Stachel published his "review" after I informed him that I intended to write about his failure to inform his readers that the evidence upon which he relied was mutilated in a substantial way, and that he had failed to mention that fact in his article in *Science*. Obviously, these circumstances were apt to bias John Stachel against me and my work.

John Stachel did not mention these circumstances in his "hit piece" against me and my work. In an apparent effort to change the subject, he falsely claimed that I had cited Johannes Stark in my book *Albert Einstein: The Incorrigible Plagiarist*. The meagerest act of due diligence of simply checking the index of the book John Stachel pretended to "review" would have shown

him that I did not cite Stark, but John Stachel did not appear to be overly interested in the facts when "reviewing" my book. He recused himself from addressing the general theory of relativity (he didn't really address the special theory, either), and this should be examined in light of the avalanche of work which soon followed on the heels of my books and my response to Stachel, which rebuked John Stachel for his 1997 paper in *Science* on the Hilbert-Einstein priority dispute.

John Stachel did, however, falsely claim that I had difficulty demonstrating Albert Einstein's plagiarism in the general theory of relativity. I did not, and in my book I referred to Einstein's plagiarism of Galileo, Newton, Soldner, Bessel, Mach, Eotvos, Gerber, Planck, Varicek, Bateman, Hilbert, etc., and I expressly stated on page 109 of my book *Albert Einstein: The Incorrigible Plagiarist* that I would address the general theory of relativity in another book in my series of books on Albert Einstein's plagiarism. This work has since appeared and is entitled "Anticipations of Einstein in the General Theory of Relativity".

The following is a short list of works critical of John Stachel's *Science* article on the Hilbert-Einstein priority dispute--note that I reasserted Hilbert's priority in 2002 in *Albert Einstein: The Incorrigible Plagiarist* which prompted Prof. Friedwardt Winterberg to investigate the matter, and he found that the galley proofs of Hilbert's paper were mutilated in a way that removed the relevant equations, but that one could nevertheless determine from the remainder that Hilbert had the equations before Einstein:

Jacob Abraham Stachel (b. May of 1900, d. 31 December 1965)

Christopher Jon Bjerknes

http://www.jewishracism.com

Jacob Abraham Stachel, a. k. a. "Jack" Stachel (deceased), was successfully prosecuted by the United States Government and spent five in years in prison. He was a foreign born Communist of Jewish descent, who emigrated to the United States of America from Galicia. *The New York Times* stated in Stachel's obituary, on 2 January 1966, *inter alia*,

"Less well known than such party leaders as Eugene Dennis and Gus Hall, Jacob A. Stachel was one of the first 11 Communists convicted under the Smith Act in 1949 for conspiring to overthrow the United States Government and served five years in prison."[1]

Jacob Abraham Stachel was a follower of the "self-hating Jew" Karl Marx.[2] Galician Jews had an especially bad reputation and were criticized by friend and foe, Gentiles and Jews alike, from the racist Zionist Theodor Herzl to the racist Zionist Adolf Hitler. They were the grimiest prostitutes and greasiest pimps in the Ghettoes of Poland and New York, the most shameless and obnoxious shysters, and the most vile Communist infiltrators. A typical characterization of the Galician Jew of Jacob Abraham Stachel's generation is found in: E. A. Ross, *The Old World in the New: The Significance of Past and Present Immigration to the American People*, The Century Company, (1914), p. 146,

"Besides the Russian Jews we are receiving large numbers from Galicia, Hungary, and Roumania. The last are said to be of a high type, whereas the Galician Jews are the lowest. It is these whom Joseph Pennell, the

illustrator, found to be 'people who, despite their poverty, never work with their hands; whose town. . . is but a hideous nightmare of dirt, disease and poverty' and its misery and ugliness 'the outcome of their own habits and way of life and not, as is usually supposed, forced upon them by Christian persecutors.'"

There was a high concentration of Frankist Hasidic Jews in Galicia and one wonders how many of those Jewish Communist subversives who emigrated to America from Galicia were Frankist subversives. Frankists often promoted anti-Semitism as means to promote themselves and as a means to take over Gentile governments. Communist Jews used this tactic in America.

Nathaniel Weyl wrote in his book *The Jew in American Politics,*

"Although Communist leaders were normally taciturn about the extent to which Party membership was Jewish, Jack Stachel complained in *The Communist* for April 1929 that in Los Angeles 'practically 90 per cent of the membership is Jewish.' In 1945, John Williamson, another national leader of the American Communist Party, observed that, while a seventh of the Party membership was concentrated in Brooklyn, it was not the working-class districts, but in Brownsville, Williamsburg, Coney Island and Bensonhurst, which he characterized as 'primarily Jewish American communities.' [***] The extent to which American Communism remained an organization of the foreign-born was revealed by a boast in *The Communist*

for July 1936 that 45% of Party section organizers were now native-born as against none native-born in 1934. [***] In 1929, massacres of Jews by Palestine Arabs were described by the *Freiheit*, New York's Communist Party Yiddish organ, as a 'pogrom'. The Party promptly reprimanded the *Freiheit* for having failed to realize that these murders were a 'class war. . . against British imperialism and their Zionist agents.' The *Freiheit* proceeded to report the Palestine struggle in a Nazi fashion. 'Indeed,' comments Glazer, 'the cartoons it ran of hook-nosed and bloated Jews sadistically attacking Arabs could have appeared in any German anti-Semitic newspaper.'"[3]

Still More Proof the Israelis Have, for Many Decades, Controlled the American Government

Christopher Jon Bjerknes

http://www.jewishracism.com

Shmuel Rosner has called our attention to some very interesting text from the U. S. Senate Committee on Foreign Relations hearings of 9 June 1967:

"SUBSIDIZING THE REFUGEE CAMPS

Senator GORE. Mr. Secretary, I realize that we do not have power, as Senator Symington has punctuated, to give instructions and directions there.

There is one problem, it seems to me, about which we can have a say, and that is continued subsidization of this refugee camp. I went there ten years ago and found it an impossible situation in which they have continued all the while to feed and clothe, support those people, and there are some 200,000 more than when they went into the camp. So surely we can have something to say about no longer continuing to subsidize this.

Secretary RUSK. Well, that constitutes some pressure on the Arabs. It does not constitute any pressure on Israel.

Senator GORE. Well, Israel has taken over some of them, in the Gaza Strip and also in Jordan. They are now claiming sovereignty. So it seems to me it might be a pressure on both.

Secretary RUSK. Well, I do think that the refugee matter should be raised and looked at wholly anew in connection with a settlement of this present situation.

Senator GORE. The point I am trying to make is this is one subject on which we can have a say, and that is how long we are going to continue to pay a very heavy cost of these refugees if they are not dispersed into the countryside.

Secretary RUSK. Well, I do not want to underestimate influence in this situation, but I just want to point out that it is not necessarily decisive when you are talking with countries about what they consider the life and death issues for them.

TAX EXEMPTIONS FOR DONATIONS TO ISRAEL

Senator HICKENLOOPER. Do we not give tax forgiveness for moneys contributed to Israel, which is rather unusual? We could stop that.

Secretary RUSK. I believe contributions to the UJA are tax exempt, yes.

The CHAIRMAN. That is right.

The only country. Do you think you have the votes in the Senate to revoke that?

Senator CASE. Are you in favor yourself?

Senator HICKENLOOPER. I think we ought to treat all nations alike.

Senator CASE. That is correct. But are you in favor of it?

Senator HICKENLOOPER. As long as we do not give it to other nations, I do not——

The CHAIRMAN. The trouble is they think they have control of the Senate and they can do as they please.

Senator SYMINGTON. What was that?

The CHAIRMAN. I said they know they have control of the Senate politically, and therefore whatever the Secretary tells them, they can laugh at him. They say, 'Yes, but you don't control the Senate."

Senator SYMINGTON. They were very anxious to get every Senator they could to come out and say we ought to act unilaterally, and they got two, three.

The CHAIRMAN. They know when the chips are down you can no more reverse this tax exemption than you can fly. You could not pass a bill through the Senate.

Senator HICKENLOOPER. I do not think you could.

The CHAIRMAN. Changing that tax exemption contribution to the UJA. I would bet you ten to one you could not begin to pass a bill You do not believe they could under any circumstances.

Senator SYMINGTON. A bill to do what?

The CHAIRMAN. To revoke the tax exemption of gifts to the UJA. That is one of their major sources of income. You yourself have pointed out the money they paid for the French arms they got from the U.S.

Senator SYMINGTON. Each year the money we give annually for this is less than 1 percent of the cost of Vietnam.

The CHAIRMAN. I agree with that.

Senator HICKENLOOPER. There you go.

U.S. CONTRIBUTIONS PAY THE ISRAELI ARMS

The CHAIRMAN. But you know very well, you said yourself, that the arms they buy from France are largely paid for by contributions that come from this country.

Senator SYMINGTON. Because we would not sell it to them, so instead of selling them the arms——

Senator GORE. Has the President recommended that this be repealed?

The CHAIRMAN. No, he has not. I do not wish to make the point except the Secretary is quite correct when he says his leverage on Israel is very limited because of the political situation.

Senator HICKENLOOPER. I am sorry I brought it up.

Secretary RUSK. I did not say it.

The CHAIRMAN. If you did not say it, you do not disagree with it anyway.

Secretary RUSK. I think it should be pointed out though on this tax exempt matter that there are many other organizations, institutions, that would fall into the same principle, private foundations in their expenditures abroad,

churches, the voluntary agencies; there are very large sums of money going to foreign countries that are tax exempt in this country as the origin.

Senator HICKENLOOPER. I do not think it is analogous.

Senator GORE. It is tax deductible; you said tax exempt.

Secretary RUSK. Except the organizations are exempt. Contributions to them are tax deductible.

Senator COOPER. I suggest—it is possible after this that Israel may ask that this be removed as a sign of showing they are not absolutely dependent on the U.S."—"BRIEFING ON THE MIDDLE EAST SITUATION, Friday, June 9, 1967, U. S. Was Albert Einstein an Incestuous Rapist?

Christopher Jon Bjerknes

http://www.jewishracism.com

Albert Einstein took for his second wife his cousin Elsa Einstein, with whom he was a blood relative through both his mother and his father. We know that Albert Einstein desired to have sex with, and marry, his eventual second wife Elsa's daughter, Ilse, or her sister, Margot.[1] His second wife's daughter Ilse was disgusted by Albert Einstein's sexual advances towards her,[1] such that if Albert Einstein did indeed have sex with his wife's daughters, it is likely that this occurred, at least initially, as an act, or acts, of incestuous rape.

Albert Einstein referred to his wife Elsa, and her daughters Ilse and Margot, as his "small harem".[2] Albert Einstein was often seen with, and frequently lived with, his wife and cousin's daughters.[3] Albert Einstein often cheated on both his first and second wives—he admitted that he cheated on his first wife for years with his second wife, who was also his cousin, while still married to his first wife. Some suspect he had an affair with his cousin and wife Elsa's sister, Paula.[4]

Einstein's Violent and Perverse Nature

and

Einstein's Lack of Character.

Some suspect that Albert Einstein was a syphilitic and a whore monger.[5] We know that Albert Einstein was sadistically cruel to both of his wives.[6] From childhood onwards, Albert Einstein often exhibited the behavior of a ruthless and violent psychopath.[7] Albert was a misogynist.

He may have beaten his first wife Mileva Maric,[8] and his son Hans Albert claimed that Albert Einstein beat him.[9] We know that Albert Einstein was also a virulent racist, and a segregationist, who advocated the collective punishment and genocide of the Germans and the ruin of the Europeans.[10] In addition, Einstein was a career plagiarist, who betrayed the trust of his colleagues and friends, including Mileva Maric, Marcel Grossmann, David Hilbert, and Kamerlingh Onnes, among others, and stole credit for their work.

Barring the discovery of new evidence, it cannot be stated with any certainty that Albert Einstein raped his wife's daughters, but we know that he had the desire and the opportunity to fornicate with them, and that Isle, at least, was repulsed by his sexual advances towards her. Given the fact that Albert Einstein referred to these women as his "harem", as well as the other circumstances surrounding their relationship, it is a distinct possibility that Albert Einstein forced himself on these young women.

Allen Esterson's Fallacies and Fictions

Christopher Jon Bjerknes

http://www.jewishracism.com

Desanka Trbuhovic-Gjuric, Dord Krstic, Senta Troemel-Ploetz, Evan Harris Walker, Margarete Maurer and I, among others, have accumulated abundant evidence that Mileva Maric, Albert Einstein's first wife, was co-author, or the sole author, of the prominent papers published under Albert Einstein's name in 1905. Allen Esterson has comparatively recently entered into this debate. His attempts to deny Mileva Maric's role are largely built on fallacies and fictions. As I discovered only very recently, Esterson has smeared me with defamatory remarks at the following website:

http://cosmiclog.msnbc.msn.com. . .

I have begun to respond with the following two posts:

"It appears that Allen Esterson opts to shoot the messenger with unproven defamations in order to avoid the truthful message I am telling. Note that Mr. Esterson does not provide links to my rebuttal of John Stachel's irresponsible and discredited "hit piece", which response can be found here:

http://home.comcast.net/~xtxinc/Response.htm

"The Author of Albert Einstein: The Incorrigible Plagiarist Responds to John Stachel's Personal Attack." Has John Stackel ever retracted the untruths he has written about my book? Far from being anti-Semitic, I am Jewish and oppose all forms of racism, including Zionist racism. John Stachel himself has written that Albert Einstein was a racist, (I am quoting a citation from my book http://www.jewishracism.com/SaintEinstein.htm "The Manufacture and Sale of Saint Einstein" on page 11, which quotes J. Stachel, "Einstein's Jewish Identity", Einstein from 'B' to 'Z', Birkhauser, Boston, Basel, Berlin, (2002), pp. 57-83, at 68), "While he lived in Germany, however, Einstein seems to have accepted the then-prevalent racist mode of thought, often invoking such concepts as 'race' and 'instinct,' and the idea that the Jews form a race." Stachel errs in asserting that I endorse the theory of relativity, if indeed that is what Stachel claims. If that is not what Stachel claims, then his unproven and unsupported empty assertions are meaningless. Stachel does not argue against what I have actually said, rather Stachel raises strawmen of John Stachel's manufacture to knock down. In addition to my refutations, John Stachel has been also been discredited by A. A. Logunov, and others:

"How were the Hilbert – Einstein equations discovered?"

I have published a chapter on Mileva Einstein-Marity in my book http://www.jewishracism.com/SaintEinstein.htm "The Manufacture and Sale of Saint Einstein": www.jewishracism.com/SaintEinsteinChapter18a.pdf Chapter 18: Mileva Einstein-Marity. Another relevant chapter in my book is: www.jewishracism.com/SaintEinsteinChapter4a.pdf Chapter 4: Einstein the Racist Coward. On page 597 of the book (page 184 of the pdf), there are quotations which prove, to quote Kurt Blumenfeld, Albert Einstein's, "revulsion from assimilatory Jewry." If you attempt to censor my response, I will raise the issue elsewhere and note that I have been censored by you. I give you notice that you are publishing defamations against me and I demand that you immediately remove them."

"In the brief paragraph he has published to defame me, Allen Esterson has violated several fundamental rules of ethical argumentation. He has name-called. He has relied upon emotion, instead of upon logical and factual substantive argument. He has expressed defamatory innuendo. He has repeated, and linked to, discredited statements made against me, and failed to inform his readers of my rebuttal. He has failed to state the reasons and

evidence I present to substantiate my claims, and has in no substantive way attempted to answer my claims. His attack is a shallow intellectual grave he has dug for himself, and in which he lies interned.

Let me state again that I am a Jew who opposes all forms of racism including Zionist racism. Esterson's gutless attempts to change the subject, and shoot the messenger with a false personal attack, are reprehensible. I note that Esterson does not condemn Albert Einstein's well-known and well-documented racism, which even John Stachel has acknowledged. How can Esterson presume to be an authority on things "Einstein" when he was evidently unaware of Einstein's virulent racism and segregationist beliefs, and even thinks that by citing my exposure of Einstein's racism, he can discredit me?

Like the racist Zionist Theodor Herzl, Albert Einstein believed that anti-Semitism is good for Jews, in that it promotes Jewish segregation. Like ancient Jewish racists (Exodus 34:16. Deuteronomy 7:2-3. Ezra 9. Nehemiah 9:2; 13:3, 23-30), Einstein believed that Jews should not marry "Goyim", though he himself had married a Gentile. Like the racist Zionist segregationists of his day, including Israel Zangwill, Jakob Klatzkin and Ignatz Zollschan, Albert Einstein loathed Jewish assimilation and assimilationists. Esterson's apparent ignorance of these facts, which I have thoroughly documented in book "The Manufacture and Sale of Saint Einstein" http://www.jewishracism.com/SaintEinstein.htm , goes far

towards discrediting him as an "Einstein scholar". Albert Einstein was the most famous racist Zionist of his age and I have documented that he was used and promoted by influential Zionists in order to promote the racist Zionist cause, especially in America. Most Jews of his age were far more enlightened than the "genius" Albert Einstein, and vehemently opposed the Zionists. If Esterson wishes to contest these facts, let him try. In so doing, he will be forced to acknowledge his embarrassing ignorance of the subject he has pretended to address as a scholar.

Esterson again reveals his unfamiliarity with the history of the theory of relativity and of the biography of Albert Einstein, when he asserts that it is "startling" that I should accuse the Einsteins of the plagiarism of the work of their unacknowledged predecessors. I note that Esterson fails to address my arguments in the alternative with respect to Mileva Maric's role in the plagiarism.

Is Esterson unaware of the fact that Einstein was accused of the plagiarism of the works of Hendrik Antoon Lorentz, Henri Poincare, Paul Gerber, David Hilbert, Johann Georg von Soldner, and many others, throughout Einstein's career? In this context it is noteworthy that Stachel misrepresents the majority of the substantial criticisms Einstein faced, in order to raise a strawman to knock down. In point of fact, Einstein was criticized for plagiarizing the works of others through fallacy of petitio principii, and thereby of creating unacceptable metaphysical delusions, which plagiarized

the mathematical formalisms, as well as the more lucid metaphysical expositions, of his unacknowledged predecessors. For example, Einstein was criticized for copying the mathematical formalisms of Woldemar Voigt, FitzGerald, Larmor, Lorentz and Poincare in the misnamed "Lorentz Transformation", and the metaphysical expositions of Poincare defining relative simultaneity, and the relative nature of time and space. Einstein stood accused of turning the scientific theories of better minds into metaphysical delusions. While I acknowledge that Lorentz, Poincare, and others outshone the Einsteins as intellectuals, I do not agree with their relevant theories, nor would I argue that they are sound. Clearly, I am not to answer for John Stachel's misrepresentations of the history, nor am I to answer for the fictional beliefs he attributes to others. I will ask, though, why do these facts so easily elude our expert, Allen Esterson?

As time permits, I will rebut Esterson's fallacies and fictions regarding the Maric-Einstein priority dispute. He is apparently woefully ignorant of much of the evidence in this dispute, and his argumentation is terribly and fatally flawed, as I will prove."

"Whoso diggeth a pit shall fall therein: and he that rolleth a stone, it will return upon him."—Proverbs 26:27

http://www.jewishracism.com

The Zionist Blair government has badly embarrassed the British with its desperate attempts to vilify Iran. The repercussions of the Zionists' blunders are only beginning to be felt in the UK. The vindictive Jewish controlled media are punishing the British People for their failure to attack Iran using the seizure of the famous fifteen as a pretext. They are dividing the Brits on issues ranging from the sale of the stories of the fifteen, to the presence of women in the military, to the colonial and imperialistic presence of the British Military in the Middle East. How often do we find Syrian, or Iraqi, or Iranian warships and troops in the UK, or the English

Channel? What are British and American warships doing in The Persian Gulf?

Bush, too, has been threatened by the Jewish controlled media. We see that every time Bush fails to ramp up pressure for an aggressive attack on Iran, the issues of 9/11 and impeachment surface in the Jewish controlled media. These issues serve as a sword of Damocles over Bush's cowardly head. Since the Zionists control the Democrats with as tight a left rein as that with which they steer the Republicans to the right, they believe they cannot lose by pitting these tightly controlled groups against one another to forward their perceived Zionist self-interests galloping straight ahead. However, they risk broad exposure of the Israeli connection to 9/11, and the attendant backlash against Zionist Jewish traitors. They also, to the detriment of their warmongering schemes, weaken the chain of command of the American Military, and render Americans doubtful of the veracity of all politicians, politicians World Jewry control.

Eager to ridicule the Iranians, the Jewish controlled media are hyping Russian claims that the Iranians are exaggerating their nuclear development program. This, too, actually helps the Iranians and undermines the bloodlust of World Jewry to slaughter Iranians. The Jewish controlled media are so steeped in genocidal hatred and a vindictive spirit, that they seemingly cannot help themselves from undermining their own vile ambitions when confronted with an opportunity to smear those they hate.

I again urge the Iranians to drive a wedge between the Russian People (their Government is so infected with Zionist Jews, and crypto-Jews, as to be irretrievable at this time) and the Israelis, by exposing the "Christian" Zionist plan to mass murder the Russian "Gog and Magog", and the long standing and successful Jewish campaign to genocide the Slavic Peoples. I again urge the

Iranians to drive a wedge between the truly Moslem Turkish People (their Government is so infected with Zionist Jews, and crypto-Jews, as to be irretrievable at this time) and the Israelis, by exposing the ancient Zionist plan to pit Christian Europe against Islam, and the manifestation of this plan in the destruction of the Turkish Empire from within and without by Zionist Jews. Expose the fact that Jews were behind the "Young Turks'" genocide of Christian Armenians, and drive a wedge between Turkey together with Christendom, against World Jewry. Oppose Zionist deceit with the factual truth and the Zionists will continue to be consumed in the pits they dig and have dug for others.

It is no wonder when one obverses the present course of World Jewry, that the ancient Jews, knowing their own behavior, warned against it in the Jewish book of *Proverbs*, Chapter 26,

"4 Answer not a fool according to his folly, lest thou also be like unto him. 5 Answer a fool according to his folly, lest he be wise in his own conceit. 6 He that sendeth a message by the hand of a fool cutteth off the feet, *and* drinketh damage. 7 The legs of the lame are not equal: so *is* a parable in the mouth of fools. 8 As *he that* bindeth a stone in a sling, so *is* he that giveth honour to a fool. 9 *As* a thorn goeth up into the hand of a drunkard, so *is* a parable in the mouths of fools. 10 The great *God* that formed all *things* both rewardeth the fool, and rewardeth transgressors. 11 As a dog returneth to his vomit, *so* a fool returneth to his folly. 12 Seest thou a man wise in his own conceit? *there is* more hope of a fool than of him. [***] 17 He that passeth by, *and* meddleth with strife *belonging* not to him, *is like* one that taketh a dog

by the ears. 18 As a mad *man* who casteth firebrands, arrows, and death, 19 So *is* the man *that* deceiveth his neighbour, and saith, Am not I in sport? 20 Where no wood is, *there* the fire goeth out: so where *there is* no talebearer, the strife ceaseth. 21 *As* coals *are* to burning coals, and wood to fire; so *is* a contentious man to kindle strife. 22 The words of a talebearer *are* as wounds, and they go down *into* the innermost parts of the belly. 23 Burning lips and a wicked heart *are like* a potsherd covered with silver dross. 24 He that hateth dissembleth with his lips, and layeth up deceit within him; 25 When he speaketh fair, believe him not: for *there are* seven abominations in his heart. 26 *Whose* hatred is covered by deceit, his wickedness shall be shewed before the *whole* congregation. 27 Whoso diggeth a pit shall fall therein: and he that rolleth a stone, it will return upon him. 28 A lying tongue hateth *those that are* afflicted by it; and a flattering mouth worketh ruin."

The British Zionists who work for World Jewry should take heed of this advice. The Israelis and their traitorous overseas agents are seemingly a lost cause, unredeemably buried in the pit of their racist hatred and genocidal ambitions.

The Backlash Has Already Begun: The Brits Divide Themselves in

Their Haste to Vilify Iranians

Christopher Jon Bjerknes

http://www.jewishracism.com

The British must be careful. One demonstrable lie, one mistake, one exaggeration, and the already strained credibility of the UK will go down the drain. And for what? The mature and responsible thing to do is take the opportunity of the humanitarian, good will gesture of the Iranians in freeing the famous fifteen to improve the lot of Britain and the World, not to escalate tensions and create provocations as the Zionist Blair regime is so eager to do.

The British are good natured, civilized and dignified people. What their government is doing under the Zionist Blair is beneath the British and the dignity of their military. The Iranians have yet to respond, but if they are forced to, their response is apt to further humiliate the British, who are already doing a fair job of humiliating themselves. The British public ought to join with Iranians and fight back against the slimy Israelis who are threatening the very existence of both Peoples.

Form a Moslem Federation and You Will Survive

I strongly urge Islamic leaders to study the *Federalist Papers*, which were written to encourage Americans, especially Northern Americans, to adopt the Constitution of the United States of America. There are audio recordings available on the internet for free:

americana PHONIC

There are also text versions available for free:

The Federalist Papers Online

Federalist Numbers 2 through 10 are especially important, in that they reveal how imperialistic powers exploit disunity among neighboring nations to artificially provoke wars which weaken those nations and strengthen the hands of imperial powers. The *Federalist Papers* correctly predicted the Civil War in America, and may well have served as the inspiration to the Rothschilds to manufacture that war. Moslems will learn from the *Federalist Papers* why the Zionists are Balkanizing Iraq and other Islamic countries, and what to do to defend yourselves

from this imperialistic Zionist aggression, which seeks to pit Sunnis against Shia, and Christians against all Moslems.

Consider a brief quotation from John Jay's Federalist Number 4, which discusses how wars can be artificially manufactured, and the dangers of a tyranical monster like the Zionist George Bush, who serves NOT the interests of the American People, but is instead a traitor under the control of World Jewry who has led America into needless war for the sake of his Jewish Zionist masters,

"MY LAST paper assigned several reasons why the safety of the people would be best secured by union against the danger it may be exposed to by JUST causes of war given to other nations; and those reasons show that such causes would not only be more rarely given, but would also be more easily accommodated, by a national government than either by the State governments or the proposed little confederacies.

But the safety of the people of America against dangers from FOREIGN force depends not only on their forbearing to give JUST causes of war to other nations, but also on their placing and continuing themselves in such a situation as not to INVITE hostility or insult; for it need not be observed that there are PRETENDED as well as just causes of war.

It is too true, however disgraceful it may be to human nature, that nations in general will make war whenever they have a prospect of getting anything by it; nay, absolute monarchs will often make war when their nations are to get

nothing by it, but for the purposes and objects merely personal, such as thirst for military glory, revenge for personal affronts, ambition, or private compacts to aggrandize or support their particular families or partisans. These and a variety of other motives, which affect only the mind of the sovereign, often lead him to engage in wars not sanctified by justice or the voice and interests of his people. But, independent of these inducements to war, which are more prevalent in absolute monarchies, but which well deserve our attention, there are others which affect nations as often as kings; and some of them will on examination be found to grow out of our relative situation and circumstances.

With France and with Britain we are rivals in the fisheries, and can supply their markets cheaper than they can themselves, notwithstanding any efforts to prevent it by bounties on their own or duties on foreign fish.

With them and with most other European nations we are rivals in navigation and the carrying trade; and we shall deceive ourselves if we suppose that any of them will rejoice to see it flourish; for, as our carrying trade cannot increase without in some degree diminishing theirs, it is more their interest, and will be more their policy, to restrain than to promote it.

In the trade to China and India, we interfere with more than one nation, inasmuch as it enables us to partake in advantages which they had in a manner monopolized, and as we thereby supply ourselves with commodities

which we used to purchase from them.

The extension of our own commerce in our own vessels cannot give pleasure to any nations who possess territories on or near this continent, because the cheapness and excellence of our productions, added to the circumstance of vicinity, and the enterprise and address of our merchants and navigators, will give us a greater share in the advantages which those territories afford, than consists with the wishes or policy of their respective sovereigns.

Spain thinks it convenient to shut the Mississippi against us on the one side, and Britain excludes us from the Saint Lawrence on the other; nor will either of them permit the other waters which are between them and us to become the means of mutual intercourse and traffic.

From these and such like considerations, which might, if consistent with prudence, be more amplified and detailed, it is easy to see that jealousies and uneasinesses may gradually slide into the minds and cabinets of other nations, and that we are not to expect that they should regard our advancement in union, in power and consequence by land and by sea, with an eye of indifference and composure.

The people of America are aware that inducements to war may arise out of these circumstances, as well as from others not so obvious at present, and that whenever such inducements may find fit time and opportunity for operation, pretenses to color and justify them will not be wanting. Wisely, therefore, do they consider union and a good national government as

necessary to put and keep them in SUCH A SITUATION as, instead of INVITING war, will tend to repress and discourage it. That situation consists in the best possible state of defense, and necessarily depends on the government, the arms, and the resources of the country."

Moslems, unity is the key to your survival. Zionists are provoking internecine fighting and Balkanization in the hopes that by doing so, they will kill you off.

United States Senator and US Presidential Candidate John McCain Dehumanizes Iranians

Christopher Jon Bjerknes

http://www.jewishracism.com

When confronted with his call to bomb Iran, John McCain's response was to further dehumanize Iranians and dodge direct questions as to his true intent. The *Associated Press* reported,

"Asked if his joke was insensitive, McCain said: 'Insensitive to what? The Iranians?'"—Libby Quaid, "Group Launches Ad Against McCain's Joke", *Associated*

Press, http://apnews.myway.com/article/20070420/D8OKDF7G0.html, (20 April 2007).

Note that McCain said, "Insensitive to what?" and not "Insensitive to whom?" Note further that he has yet to state that he did not mean what he said.

Though his statement was called a joke, McCain's attempt to make his thoughts appear in a humorous form do not mean that he was less than deadly serious in his threat to bomb Iran. On the contrary, the fact that he treated the lives of Iranians so lightly and inhumanely is only further evidence that he does not value their lives, and therefore would not hesitate to bomb the Iranians. We must consider McCain's juvenile jingoism in the context of one million dead Iraqis, many of them infants and children, who were first dehumanized and threatened by such "jokes".

United States Senator John McCain Incites Genocide and Violates the UN Charter

Christopher Jon Bjerknes

http://www.jewishracism.com

The Jewish controlled media has recently criticized Don Imus for making derogatory remarks against blacks and women. What will the Jewish controlled media do in response to John McCain's incitements to genocide and his violation of the UN Charter, Article 2, Paragraph 4?

The Charter of the United Nations, Chapter 1, Article 2, Paragraph 4, states:

"All Members shall refrain in their international relations from the threat or use of force against the territorial integrity or political independence of any state, or in any other manner inconsistent with the Purposes of the United Nations."—Charter of the United Nations, Chapter 1, Article 2, Paragraph 4.

The Martyrdom of Socrates and the Judaist Enemies of Liberty

Christopher Jon Bjerknes

http://www.jewishracism.com

In his defense, Socrates stated that, "the unexamined life is not worth living," (*Apology* 38*a*). At the second revolutionary convention in Virginia, on 23 March 1775, Patrick Henry declared, "I know not what course others may take, but as for me, give me liberty or give me death!"

After being convicted of irreligion, of creating new divinities, and of corrupting the youth of Athens because he dared to examine life, Socrates was sentenced to death. So as not to flout the law, Socrates swallowed hemlock and did the tyrants' illegal work for them.

Unlike Socrates, Patrick Henry took up arms and organized an army to blow the heads off the criminal tyrants who sought to oppress him. That was progress.

We today recognize that no government can lawfully violate our fundamental rights to think for ourselves and to freely express our ideas. It is the tyrannical government which acts criminally when it seeks to suppress our liberty, not the citizen who exercises his or her fundamental rights in spite of illegal proscriptions against doing so.

Organized Jewry is an open and mortal enemy of our most precious and most fundamental liberties. Judaists have always taught that their law is absolute, supernatural and cannot be

violated. Judaists believe that they are the divine presence of God on Earth and the source of all law (In the Hebrew Bible, see: *Exodus* 34:11-17. *Psalm* 2; 72. *Isaiah* 2:1-4; 9:6-7; 11:4, 9-10; 42:1; 61:6. *Jeremiah* 3:17. *Micah* 4:2-3. *Zechariah* 8:20-23; 14:9. In the Jewish Talmud, see: *Sanhedrin* 56*a*-60*b*, 99). When Judaists contaminated the European mind with their dogma, they plunged the ancient World into the dark ages. It was only by overcoming Judaist intolerance and Judaist dogma, that Western Civilization was able to escape the grasp of Judaist mythology. It took the Jews several hundred more years to catch up to the liberated Gentiles, and it was only through emancipation from the Jewish ghetto that Jews were set free from their intolerant mythologies.

Today, Judaists again want to dominate our thoughts and tear out our tongues. Today, Judaists are again clouding the skies over Europe and imposing a new dark age of their tyranny over the European Goy.

We must fight them with all of our strength. The guillotines of the "Terror" of the "French" Revolution were in fact the guillotines of the Jewish Talmud and its Noahide Laws. Judaists plan to behead all who violate the mandates of their mythologies. Judaists are genocidal tyrants and our freedom, our very lives, depend upon our ability to fight them back. It will never again be easier to fight them than it is today. I will progress from Henry's words and shout out, "Fight back, or die!"

The Zionists' License to Commit Genocide Has Finally Expired

Christopher Jon Bjerknes

http://www.jewishracism.com

We know from their recorded statements, that Zionists planned to use Hitler's rise to power as an opportunity to force Jews to emigrate to Palestine. They were delighted with each escalation of the Nazi persecution of European Jewry. We know that Zionist Jews placed Adolf Hitler in power for the purpose of "reminding Jews who they are" and segregating Jews at a time when Jews were finally beginning to assimilate in large numbers and become modern and loyal members of those societies in which they lived. The Zionists viewed good relations between Jews and non-Jews as if the extermination of the "Jewish race", the extermination of the divine presence, the extermination of the God of Israel.

Zionist Jews thought, in agreement with ancient Jewish mythology, that by sacrificing a large percent of the "race" they could preserve it. They counted on the fact that there were Jews scattered all over the World, who would restock the "race" after they had decimated it in order to preserve it. They asserted that if they failed to act to segregate a large number of Jews in a "World Ghetto", that the "race" would be lost to assimilation. These are recorded facts.

The Zionists have a self-interest in covering up their crimes against the human race of creating, funding, directing and collaborating with the Nazis. Jews in general use the Holocaust as a weapon with which to intimidate, defame, ruin and silence anyone whose life they choose to destroy. They do not wish to be disarmed.

Just as Zionist Jews used the anti-Semitism they themselves manufactured as an excuse to commit the Holocaust of European Jewry, Zionist Jews use the Holocaust they themselves manufactured, as if a justification to commit genocide against the Palestinians. This degenerate abuse of human compassion as a shield behind which to hide while committing heinous acts of genocide was planned by the Zionists long before the Holocaust occurred, and it was done at their direction.

Zionism was not a product of the Holocaust. The Holocaust was a deliberate product of Zionism. In addition, Judaists have been using the charge of anti-Semitism to silence people from ancient times onward. It is a part of Jewish culture and Jews are inculcated with the belief that they are entitled to use the vile practice of defamation, and Jews have suffered enormous harm throughout the centuries as a result of this cowardly and unethical practice.

The ability to smear people with the term "anti-Semite" is a crutch and a vice which Jews have indulged and exploited for thousands of years. They are addicted to it and the popular myths surrounding the Holocaust makes the poison infinitely more effective and its use infinitely more empowering—until that key tipping point when the World public catches on to the deceit and determines to punish the fiends who have perpetuated and exploited it—a consummation devoutly to be dreaded by Zionist Jews.

Who Dishonors the Dead?

Zionist Jews dishonor the dead of the Holocaust, whom they murdered, by exploiting their deaths to promote the genocide of the Palestinians and by destroying democracy and freedom in

their names. As with all groups who wield a weapon of advantage, Zionist Jews are corrupt and the acid of their corruption has eaten away the walls which once contained their lies.

The truth is the mortal enemy of the Zionist Jew, because it reveals that Zionist Jews perpetrated the Holocaust, have lied about what occurred in it, and have used it as a blunt tool with which to recklessly club others and smash democracy and free speech.

Since their lies are now being turned against them, Zionist Jews believe they have the option and the duty to take away our fundamental freedom of speech. They have corrupted our democracy through their control of the media, which in turn gives them control over the election process. They put this power towards evil purposes and as has happened so often in the past, all Jews are bound to suffer the whip of the backlash against these ugly tyrants and, until recently, hidden oppressors.

World Jewry have sealed the fate of Israel in the tomb of the Holocaust and have poisoned many Jews with the gaseous stink which fills this shut coffin. As this rotting vessel wrecks on the reef of dissent and the box springs open, the fresh air may rescue some, but the dry bones of Israel, the choking tongues wet and swollen with lies, will sink down into the syrupy mud of the swamp of Zionist deceit, forever.

The Zionists' license to commit genocide has indeed expired. The contaminated vapor of fear and intimidation, which has served as the animating force for the formation of Israel, is escaping between the ribs of the rotten corpse of the Zionist dream, as the light shines through the archway of lies onto the blackened dead heart of Israel. The vampire has been unearthed in

the daylight.

The fleeing ghosts of Zionist lies rattle the fetid flaps of green flesh with a last raspy gasp. The ungodly Jews of Israel want to commit nuclear genocide against the Iranians, but their license to mass murder has expired. If they succeed in killing these defenseless people, the backlash against all Jews is bound to be infinitely more severe than the backlash against Jews for the Israeli aggression against Lebanon, infinitely more severe even than the backlash against all Jews for the Zionist crime of World War I and the Bolshevik revolution.

Post-Holocaust Zionism is a religion practiced in a temple with a roof but no walls, a roof that has been falling from heaven for decades and which is about to land on the faithful fools and drive these spiritually dead demons into their hellish grave. The shadow grows ever darker as the end approaches. Sadly, this death of Zionism will serve up no justice to the millions who died in disgrace in the Holocaust at the hands of Zionist Jews, and the millions more whose humanity was numbered, grayed and striped, then stripped with the whip of Zionist racism. The tens of millions of Gentiles, who were murdered by Jewish bankers, will receive no compensation when this lot of vipers is finally stamped out.

The Only Way Out as Day Retreats into Night

There is a reason why the Israelis act like Nazis. Both the Nazis and the Israelis are the products of Zionist ideology, Zionist religion and Zionist culture.

The racist, segregationist Israelis are the next generation of the racist, segregationist Nazis. They showed their true face last summer when they barbarically attacked Lebanon and spitefully

dumped millions of cluster bomblets when the genocidal Israelis withdrew from the tidal wave of World public opinion which was rising against them. The internet rescued the Lebanese from complete annihilation at the hands of the racist Jews of Israel.

The Israelis should consider the fact that Jews ended up in concentration camps after the First World War because Europeans understood that Zionist Jews had caused that war and had brought America into it. Europeans also knew that Jewish bankers had destroyed Russia and mass murdered tens of millions of Slavs. Were it not for this knowledge, the Zionist Nazis would not have succeeded.

It does not take much imagination to picture the horrors which will follow, if Zionist Jews succeed in their plans to launch a nuclear Third World War against the human race, and destroy Islam and Russia, and mass murder hundreds of millions, if not billions, of people. Humanity will not suffer a thorn which has poisoned its blood.

Israel can have peace. All the Israelis need do is stop attacking humanity. The Israelis must cease corrupting our media and our governments. Israelis must stop polluting our destiny with their wars. Israelis must abandon their plans for our death, and in so doing win themselves a license to live among us as normal, moral human beings. Otherwise, they have no future. We will lift the lid on their coffin in the daylight of truth, whether they succeed in proscribing freedom of speech, or not. They only anger us further when they attempt to tear out our tongues to spite the truth.

Ask John Hagee for His Views

In July of 2006, John Hagee was interviewed by Jeremy Gimpel and Ari Abramowitz on "A7 Radio's 'Light Unto The Nations'", which interview can be heard here:

http://www.israelnationalnews.com/News/News.aspx/122150.

During the course of the interview, about 32 minutes and 38 seconds in, Jeremy Gimpel stated, among many other things,

"But right now here in Israel we're going through so many different, you know, tough times, physically, spiritually, and the one obstacle that's, I believe, stopping the Jewish and Christian World uniting together against our enemy, which is the Islamic World[. . . .]"—Jeremy Gimpel, "Christian Zionist Leader Pastor John Hagee", *Light Unto The Nations, IsraelNationalRadio.com*, http://www.israelnationalnews.com/News/News.aspx/122150, approximately 32 minutes and 38 seconds into the audio file, (July 2006/17 April 2007).

At another point in the interview, at about 38 minutes, 46 seconds in, Jeremy Gimpel stated,

"We need to see these enemies of Israel as enemies of God[. . . .]"—Jeremy Gimpel, "Christian Zionist Leader Pastor John Hagee", *Light Unto The Nations, IsraelNationalRadio.com*, http://www.israelnationalnews.com/News/News.aspx/122150, approximately 38 minutes and 46 seconds into the audio file, (July 2006/17 April 2007).

Hagee, a highly influential man, asserts that he will pressure American politicians to favor Israel. Hagee did not directly address Gimpel's statements quoted above.

We ought ask John Hagee to state for the record whether or not he believes that the Christian World and the Jewish World are enemies of the Islamic World. We should ask Hagee to state for the record whether or not he believes that the Jewish World and the Christian World ought to unite against the Islamic World. Furthermore, we should question Hagee as to whether or not he believes Israel's enemies are enemies of God.

Russian Self-Preservation

Christopher Jon Bjerknes

http://www.jewishracism.com

Russia has endured a chronic attack from the Jewish banking elite for centuries. Jewish financiers have become especially aggressive during times of war. The Jewish banking elite created Protestantism, and developed and promoted anti-Russian mythologies in the Protestant and "Christian" Zionist churches. They instigated and financed Napoleon's attack on Russia. They instigated and financed the Crimean Wars. They instigated and financed the Japanese attack on Russia. They instigated and financed the revolution attempt of 1905. They instigated and financed the "Russian" Revolution of 1917. They directed and financed the Bolshevik Jews who mass murdered tens of millions of Slavic Christians. They directed and financed the Nazis, who mass murdered tens of millions of Russians. They forced the Russians to wither on the vine and robbed the wealth of Russia, when they finally freed the Russians from the Bolsheviks at the end of the last century. Today, the Jewish banking elite are eagerly instigating and financing a Third World War, another "Russian" revolution, and plan to mass murder more Slavs than the tens of millions of Slavs which they have already slain, combined.

There is a fifth column of Jews, crypto-Jews and traitors in Russia, who are doing the bidding of the Jewish banking elite. For Russia to survive, the Russians must weed out this force from the Russian Government, and especially out from the Russian military, and most especially out from the Russian nuclear weapons defense system. It will take a few years to accomplish this result. The process should begin immediately.

Russians should examine the histories of all those in critical positions of power and responsibility and check for ties to Israel, and/or Western banking interests. They should closely watch all persons involved in positions of power and responsibility in the nuclear weapons

program and defense systems. Most importantly, they must replace most, if not all persons currently in positions of authority in these systems, regardless of their background. The Russians should begin to carefully select talented young individuals from rural areas with families that can be traced back several generations, which had no connections to the Bolsheviks, Zionists, Frankists, bankers, etc., and intensively train these individuals and closely monitor them so that they can replace the current group watching over Russia's nuclear defenses with fresh recruits. This is the only way to secure the national defenses of Russia from the traitorous fifth column currently in place. Since this is by no means a guarantee of security from the instillation of new generations of corrupt and compromised individuals, the Russian should develop a system of isolating these new recruits into subsystems, which are forbidden to communicate with each other, or with the "outside world". These individuals should also be replaced periodically.

As new individuals enter the systems and subsystems, these systems should be revised such that little useful information can be passed along by former employees. Former employees should be watched, and/or isolated. Though these measures may seem harsh, one must consider the fact that the Jewish banking elite are intent upon enslaving and then exterminating the Slavs, and have already enslaved the nation of Russia more than once and have already mass murdered tens of millions of Russians. The Russians must adopt the phrase "Never Again!" for themselves.

Concurrently and concomitantly with these measures, and others like them, the Russians must explain to the World community why they are taking these steps. They must produce research articles and popular books documenting the historic war World Jewry has waged against Russia. They must show photographs and films of the starving and dead Ukrainians, the scarred

churches and the destroyed cities left behind the Nazis and the Bolsheviks, who were agents of the Jewish banking elite.

Russians must expose the World to the genocide World Jewry has perpetrated against Russia over the course of centuries. Russians must also expose the Zionist corruption of Christian churches to make them genocidally anti-Russian. Russians should also expose, as they did in the 1970's, Zionist atrocities against the Palestinians and other Arab and Moslem Peoples.

What Zionist Jews have done to Iraq and Lebanon, they will soon do to Russia. What Zionist Jews have already done to destroy Russia, they will soon do again, and far more intensely.

Those Russian Jews, who are loyal to Russia, should turn in all traitors. The minority of Jews composing Israel's fifth column in Russia must be exposed in order to secure the future of Russian Jews, which these traitors are risking for the sake of the Jews in Israel, and England and America. In order for the Zionists' attack on Islam to be a war of extermination, they must maintain ultimate control over Russia's nuclear arsenal. Unseat that control, and you will defang the Zionists to a very large degree.

Let it not be forgotten, that we in America must defang the Israelis' fifth column in America, who are destroying us and who control our nuclear arsenal.

Holocaust Denial Israeli-Style: How the Israelis Denied the Dead Jews of the Holocaust Justice

Christopher Jon Bjerknes

http://www.jewishracism.com

Adolf Eichmann was a Zionist crypto-Jew. In violation of international law, the Israelis kidnaped Eichmann after the war and brought him to Israel to stand trial so that they could use this trial for political gain for the political Zionist cause.

The Israelis faced several dilemmas. Eichmann had negotiated with other fellow Zionist Jews to reach a deal favorable to the Zionists, but which cost assimilated Hungarian Jews their lives. Contrary to all of their hype, the Israelis were not interested in punishing all those responsible for the Holocaust. On the contrary, the Israelis sought desperately to cover up the responsible parties' crimes and protect the criminals. They were Holocaust deniers in charge of Holocaust trials.

In typical Zionist fashion, the Israelis asserted that they were a special race of distinct human beings who could handle their crimes internally (by covering them up and leaving them unpunished) and deny humanity justice and deny the "people's right know", for, after all, the Goyim are just Goyim. An influential Israeli had the power to silence the editors of major newspapers so that they would not expose Zionist criminals who had perpetrated the Holocaust.

The Israelis are the worst Holocaust deniers of all. They cover up the crimes of the Zionists.

Eichmann and Joel Brand had worked on a deal whereby 10,000 trucks would be exchanged for 1,000,000 Jews. Zionist Western leaders declined the offer. At the expense of some half million assimilated Hungarian Jews, Adolf Eichmann also worked out a deal with the Zionist Jew Dr. Rudolf Kastner, which ultimately resulted in the deaths of countless assimilated Hungarian Jews, and the survival of the fittest Zionist Jews for transport to Israel, Zionist Jews who were Kastner's friends. Eichmann stated, *inter alia*,

"As a matter of fact, there was a very strong similarity between our attitudes in the SS and the viewpoint of these immensely idealistic Zionist leaders who were fighting what might by their last battle. As I told Kastner: 'We, too, are idealists and we, too, had to sacrifice our own blood before we came to power.' I believe that Kastner would have sacrificed a thousand or a hundred thousand of his blood to achieve his political goal. He was not interested in old Jews or those who had become assimilated into Hungarian society. But he was incredibly persistent in trying to save biologically valuable Jewish blood—that is, human material that was capable of reproduction and hard work. 'You can have the others,' he would say, 'but let me have this group here.' And because Kastner rendered us a great service by helping keep the deportation camps peaceful, I would let his groups escape. After all, I was not concerned with small groups of a thousand or so Jews."— A. Eichmann, "Eichmann Tells His Own Damning Story", *Life Magazine*, Volume 49, Number 22, (28 November 1960), pp. 19-25, 101-112; and "Eichmann's Own Story: Part II", *Life Magazine*, (5 December 1960), pp. 146-161; at 146.

Zionist Jews are engaging in a world-wide campaign to take away our freedom of speech, so that we cannot expose their crimes. They do this in the name of preventing the non-existent "crime" of "Holocaust denial", wait, I shouldn't say non-existent, because the Israelis do deny the Zionists' attacks on the Jews and they commit the crime of misprison of genocide. Apparently, Zionist Jews believe they have the right to take Jewish life with impunity.

The story hardly begins or ends with Kastner and Eichmann. Jewish bankers created Adolf Hitler as a political figure and placed him in power in order to terrify and segregate European Jews for forced deportation to Palestine. Jewish bankers were even seen marching in Nazi parades asking the Germans to throw the Jews out of Germany. Zionist Jews crafted Nazi ideology and taught German children to hate all Jews. Zionist Jews caused and carried out the Holocaust, and they were its only beneficiaries. They are still denying the Holocaust, denying humanity justice for the crimes racist Zionist Jews committed against the human race.

Turmoil in Russia and Turkey: World War Won Part Three

Christopher Jon Bjerknes

http://www.jewishracism.com

I have been warning for some time that Russia is next on the Zionist hit list after Islam. As happened immediately before and during the First World War, the Zionists, through Jewish and crypto-Jewish agitators, are rousing revolutions in Turkey and Russia. The Kurds are again being used to create disruptions and divisions in the Islamic World.

Russia is being weakened economically, by tacit threats of war, and by unimaginably wealthy Jews who are stoking up a "revolution" in the name of "democracy", which is in fact another declaration of war by World Jewry against Russian Slavs. The last time that happened, Jacob

Schiff and his fellow Jewish bankers destroyed Russia by cutting off its access to funds, provoking a war with Japan and funding Japan, using Jewish and crypto-Jewish *agents provocateur* to foment crippling strikes, and by heavily financing Jewish and crypto-Jewish subversives. I prove this fact in my book *The Manufacture and Sale of Saint Einstein* in, among other places, subchapter 5.9, "Jewish Bankers Destroy Russia and Finance Adolf Hitler".

World Jewry wants Russia to be weak and focused on the artificially manufactured internal problems Jewish subversives are causing Russia, rather than on Zionist aggression in the Middle East when World Jewry starts its nuclear war against Iran. They are attempting to overthrow the Russian Government in the name of democracy, so that they can afford Putin the opportunity to make Russia a dictatorship. If Putin goes against World Jewry, they will destroy Russia in the name of saving it, plunge Russia into chaos in the name of freedom, and then propose a dictator of their choosing in the name of restoring order. This is what World Jewry did to Russia in 1917, it is what they doing to Iraq today, and it is what they will again do to Russia during World War III.

World Jewry has mass murdered tens of millions of Slavs. Their bloodlust is not yet sated, there are is still Slavs left to kill and the unimaginably wealthy Jews behind the "Christian" Zionist movement are fomenting a genocidal campaign among Americans to attack Russia with nuclear weapons by telling "Christian" Americans that this will be the battle of "Gog and Magog", which is supposed to be post-Millennial and cannot take place today, and that Russia is the "anti-Christ". Russians better watch out, because the Jewish bankers are hungry for more Slavic blood and more Slavic flesh and according to their interpretation of *Ezekiel* chapters 38 and 39, they

are determined to have it.

As was the case in World War I, World Jewry is also weakening and trying to maintain tight control over Turkey, which is a member of NATO and which desires to join the EU. The crypto-Jew Ataturk set out to destroy Islamic culture and religion in Turkey, in fulfilment of the Noahide Laws, and the "Jewish Mission" to be the "light unto the nations", which is to say the self-appointed role of World Jewry to burn down all Gentile culture, nations and religions, and supplant them with soulless Jewish Cabalistic "logical positivism" and Jewish World rule. Crypto-Jews are today trying to prevent Turkey from returning to its Islamic roots. Should Turkey regain its heritage and join with its fellow Moslems to combat the international Zionist attack on Islam, World Jewry would face enormously greater difficulties in its plan to knock off Moslem Peoples one nation at a time.

The EU was a dialectic alternative to the Communism that spread from the Jewish Ghettoes of the East during the World Wars, which were in part fomented to weaken Europe in preparation for a Communist takeover. Hitler and Stalin worked together to destroy Eastern Europe and leave it terribly vulnerable to the Communists. Already in World War One, Communist Jews instigated strikes and the war itself to weaken Germany and for a brief period took over Bavaria and made it a Soviet Republic. Hitler fought with the Bolsheviks and marched in Kurt Eisner's funeral procession. The *Freikorps*, who battled back the Bolshevists, would often ask, "Where was Hitler when we were fighting the Bolshevists?" After the Second World War, Konrad Adenauer and Charles de Gaulle engaged in *rapprochement* and set the stage for the EU in order to counter the very real Communist threat in France, Germany, Italy, Greece, etc. However, the EU itself furthered the ancient Jewish messianic dream of World government.

We are well on our way to WW III, and those who closely observe events can see the not so hidden hand of World Jewry fomenting all of the requisite conflicts and preconditions for the next catastrophe, exactly as was the case with parts one and two of the Zionist World War Won.

Billionaire Boychiks Battle for Media Empire

On 19 June 1920, the Trib reported,

"TROTZKY LEADS

RADICAL CREW

TO WORLD RULE

Bolshevism Only a

Tool for His Scheme

BY JOHN CLAYTON.

(Chicago Tribune Foreign News Service.)

(By Special Cable.)

(Copyright: 1920: By the Tribune Company.)

PARIS, June 18.—For the last two years army intelligence officers, members of the various secret service organizations of the entente, have been bringing in reports of a world revolutionary movement other than Bolshevism. At first these reports confused the two, but latterly the lines they have taken have begun to be more and more clear.

Bolshevism aims for the overthrow of existing society and the establishment of an international brotherhood of men who work with their hands as rulers of the world. The second movement aims for the establishment of a new racial domination of the world. So far as the British, French and our own department's inquiry have been able to trace, the moving spirits in the second scheme are Jewish radicals.

Use Local Hatreds.

Within the ranks of communism is a group of this party, but it does not stop there. To its leaders, communism is only an incident. They are ready to use the Islamic revolt, hatred by the central empires for England, Japan's designs on India, and commercial rivalry between America and Japan.

As any movement of world revolution must be, this is primarily anti-Anglo-Saxon. It sees its greatest task in the destruction of the British empire and the growing commercial power of America. The brains of this organization are in Berlin.

Trotzky at Head.

The directing spirit which issues the orders to all minor chiefs and finds money for the work of preparing the revolt is in the German capital. Its executive head is none other than Trotzky, for it is on the far frontiers of India, Afghanistan, and Persia that the first test of strength will come. The organization expert of the present Russian state is recognized, even among the members of his own political party, as a man of boundless ambition, and his dream of an empire of the east is like that of Napoleon.

The organization of the world Jewish-radical movement has been perfected in almost every land. In the states of England, France, Germany, Poland, Russia, and the east it has its groups. It is behind the Islamic revolt with all the propaganda skill and financial aid at its command because it hopes to control the shaping of the new eastern empire to its own ends. Sympathy with the eastern nationals probably is one of the chief causes for the victory of the pro-nationals in the bolshevik party, which threw communism solidly behind the nationalist aspirations of England's colonies.

Out to Grab Trade Routes.

The aims of the Jewish-radical party have nothing of altruism behind them beyond liberation of their own race. Except for this their aims are purely commercial. They want actual control of the rich trade routes and production centers of the east, those foundations of the British empire which always have been the cornerstone of its national supremacy.

They are striking for the same ends as Germany when she entered the war of 1914 to establish Mittel Europa and so give the Germans control of the Bagdad railway. They believe Europe is tired of conflict and that England is too weak to put down a concerted rebellion in part of her eastern possessions. Therein lies the hope of success. They are staking brains and money against an empire.

'Westward the course of empire makes its way,' but even it swings backward to the old battleground where for countless ages peoples have fought. Nations have risen and crumbled around control of eastern commerce."—John Clayton, "Trotzky Leads Radical Crew to World Rule", *The Chicago Daily Tribune,* (19 June 1920), p. 1.

The Doenmeh Crypto-Jews Threaten Coup to Defend Their Grip on Turkey

Christopher Jon Bjerknes

http://www.jewishracism.com

The "Young Turks" were in fact old Jews, who deliberately destroyed the Turkish Empire, and who sought to supplant Islam with secular logical positivism, in fulfillment of the Cabalistic books of the Jews, and in fulfillment of the Noahide Laws of the Jewish Talmud in the book of

Sanhedrin folios 56-60. These crypto-Jewish Doenmeh subversives were originally centered in Salonika, but moved to Istanbul, Paris, Vienna, London, and elsewhere, spreading their Shabbataian-Russoian-Frankist Cabalistic revolution around the globe.

Long before the "cultural revolution" of Communist China, and starting before the Bolshevik Jews of Russia destroyed Christianity and Christians in the Slavic World, the Doenmeh, and especially Ataturk, tried very hard to stip Turkey of its religion and of its culture. It is vital to World Jewry to prevent the Moslems of Turkey from taking back their nation and their faith, and aligning themselves with their Moslem neighbors. The Doenmeh will fight hard to maintain a firm Jewish grip on Turkey and force Moslems to obey Europe and Israel, and betray their Islamic faith and their co-religionists in Iran, Syria, Palestine, Lebanon, etc. Moslems have a religious duty to defend one another and this is key to their survival given the Jewish Zionist threat they face, but it is the Doenmeh crypto-Jews who control the Turkish Army, and who will attack the Kurds and spark an internecine fight among Moslems, then who will draw NATO into the conflict to annihilate Islam.

What's All This Zionist Talk of the Battle of Armageddon? Russia and Iran Be Warned! Zionists Be Damned!

Christopher Jon Bjerknes

http://www.jewishracism.com

For centuries, Jewish converts to Christianity have been teaching Gentiles the myth that Russia is the Magog of the Jewish book of *Ezekiel* chapters 38 and 39. Jewish converts to Christianity have long propagandized the genocidal myth that Russia will produce the anti-Christ and must be utterly destroyed. These Jewish propagandists fail to mention the fact that according to the Christian book of *Revelation* 20:6-8 the battle against Gog and Magog is post-Millennial and cannot be identified with Russia for a number of reasons,

"6 Blessed and holy *is* he that hath part in the first resurrection: on such the second death hath no power, but they shall be priests of God and of Christ, and shall reign with him a thousand years. 7 And when the thousand years are expired, Satan shall be loosed out of his prison, 8 And shall go out to deceive the nations which are in the four quarters of the earth, Gog and Magog, to gather them together to battle: the number of whom is as the sand of the sea."

The Zionist Scofield Reference Bible has been one major source of this Jewish Zionist myth that Russia must be destroyed in the "Battle of Armageddon". But we have more modern Jewish Christians pushing this Jewish Zionist myth on mainstream media, including one Joel C. Rosenberg, who was an aide to Benjamin Netanyahu and worked with other Israeli Prime Ministers. Rosenberg appeared on Glenn Beck's CNN program, where he stated, *imter alia*,

"Well, I sort of lived a little schizophrenic life, because professionally, I've been working for former Israeli prime ministers and deputy prime ministers, American political leaders.

But personally, I'm an evangelical Christian from an orthodox Jewish heritage. My family actually escaped out of Russia around 1907 when the czar was trying to wipe out of the all the Jews.

So personally I have had a fascination with what do the Bible prophecies say about the coming of Jesus. And where does Russia fit in? Where does Israel fit in? Where does Iran and these Middle Eastern countries fit in?"—Joel Rosenberg as quoted in the transcript of "GLENN BECK: Encore Presentation: Honest Questions about the End of Days", *CNN.com*, http://transcripts.cnn.com/TRANSCRIPTS/0704/27/gb.01.html

It is a fair question to ask if Mr. Rosenberg's perspective on Russia has been colored by his view that, "the czar was trying to wipe out of the all the Jews." One might also wonder if Rosenberg is biased to favor an anti-Iranian and anti-Russian interpretation of the Bible by his close contacts with Israel's chief leaders. Rosenberg stated, among other things,

"Well, Gog is not a name. We're not talking about Fred Gog or Dmitri Gog. This is a title, like a pharaoh or a czar. He's a political meter (ph). He's a tyrant. He's described in Ezekiel Chapter 38 as having an evil plan.

He's in charge of a territory called Magog. When you go and do the historical

detective work and discover what does that mean in modern territory, you find that it's Russia. I document that in the book 'Epicenter'. Doctor LaHaye has written about it extensively. And Tim and Jerry wrote about it in their first novel, 'Left Behind'.

So you've got Russia and a Russian dictator. The next country that they're allied with is Persia. Well, until 1935, Persia was the official legal name of Iran.

So you have a Russian-Iranian alliance with another group of Middle Eastern countries, Libya, Syria, Lebanon, Turkey, a group of others, Sudan. But what's fascinating is, in the 2,500 years since Ezekiel wrote that prophecy, Russia and Iran have never had a military alliance, until now."—Joel Rosenberg as quoted in the transcript of "GLENN BECK: Encore Presentation: Honest Questions about the End of Days", *CNN.com*, http://transcripts.cnn.com/TRANSCRIPTS/0704/27/gb.01.html

As Rosenberg has noted, another arch-Zionist, United States Senator and Presidential candidate, John McCain stated in the context of an aggressive American attack on Iran,

"I think we could have Armageddon.."—John McCain as quoted in the transcript of "Meet the Press with Tim Russert", Transcript for April 2, *MSNBC*, http://www.msnbc.msn.com/id/12067487/page/3/

We have an obligation to confront the Zionists with their dangerous mythologies and to warn

the Russians and the Iranians that this propaganda war is being waged against them, and threatens their very existence—and ours.

Russia in the Crosshairs: Is Kasparov the Checker Who Becomes the King, the Bishop Who Anoints the King, the Rook Who Rooks Russia?

Christopher Jon Bjerknes

http://www.jewishracism.com

Boris Berezovsky recently declared that he intended to use force to overthrow the Russian Government headed by Vladimir Putin. What purpose did this very public announcement serve? Would it not be counterproductive to reveal this plot? Garry Kasparov has also been agitating for changes, which revolutionary turmoil has also been counterproductive. Why are not Jewish leaders simply waiting for Putin's term to expire?

It appears that the Jewish bankers intend to provide Putin with a series of pretexts by means of which he will be able to fundamentally change the nature of Russian society and the Russian Government. The Jewish bankers are giving Putin his Reichstag fire so that he can pass the equivalents of the Ermaechtigungsgesetz and Gleichschaltung laws and assume tyrannical powers, if that will favor their interests.

Israelis desire that Russian Jews emigrate to Israel. In any event, they hope that Jews worldwide segregate and do not assimilate. Zionists want to pit Russian Jews against Russian Slavs, and to make life in Russia difficult for Russian Jews—and eventually impossible for Russian Slavs.

As evinced by the moderator's questions and the candidates responses in last night's "debate", World Jewry is ginning up hostilities against Russia. I predicted long ago that this would happen. It will become far worse and eventually lead to war and revolution. Pressuring Putin enables Putin to seize control over Russia for as long as he serves the interests of World Jewry. Looking beyond Putin, it sets the stage for upcoming elections in Russia, and disrupts Russian society, and the Asian Continent, at a time when World Jewry is about to attack Islam with a massive war of extermination.

World Jewry has belled the cat it wants to scapegoat in Russia. Next will come the economic attack and Putin and his descendants will be scapegoated for any and all problems the Jewish bankers deliberately cause the Russian People. World Jewry is once again teaching Russians to distrust and loathe their own government.

Note the process unfolding before your eyes. A nation challenges the interests of the Jewish bankers, and the Jewish controlled media and Jewish controlled politicians gin up a devastating war against it. Quite often, the leader of the target nation is working in cahoots with World Jewry, to help them foment the desired war. Note that Putin, while playing along with the escalation of tensions, is not strengthening Russia's ties with Islam, which would be his best measure of defense, in that Russia could lead and secure an energy boycott centered in The

Persian Gulf to secure peace and justice. Putin is cutting Russia's own throat by neglecting allies in Islam, and this despite the well known history of World Jewry's prolonged genocide of the Russian People through two world wars and Bolshevik mass murder. Do not forget who is to blame when World War III commences. There may be a limited window of opportunity in which to act to prevent a nuclear exchange.

Israelis Plan Further Attacks on Arabs, Scapegoat Arabs for Jewish Aggression

Christopher Jon Bjerknes

http://www.jewishracism.com

History has shown that when Israelis warn that Israel is about to be attacked, the reality is that Israel and/or the United States is about to attack a Moslem nation. I have been warning for some time now, that the Israelis are not going to end their genocidal aggression against their

neighbors after they destroy Iran and Syria. The Israelis also want to utterly destroy Egypt, Lebanon, the Palestinians, Saudi Arabia, Jordan, Lybia, etc. Greater Israel extends from the Nile to the Euphrates. Jewish messianic hegemony covers the entire globe.

Democrats Debate

Christopher Jon Bjerknes

http://www.jewishracism.com

Barack Obama did very well. He could not have handled the questions with greater ease if they

had been provided to him in advance. Barack Obama was asked who are America's three most important allies in the World. He reasonably responded that the EU and Japan represent our strongest allies. The moderator jumped on Obama for not naming Israel.

Obama is worrisome because he will oblige the Israelis' bloodlust to destroy Iran and instigate World War III. Furthermore, Obama took a very circuitous route to the US Senate. The Senate race which placed him center stage was bizarre, culminating in a race between Barack Obama and Bill Kristol's friend Alan Keyes, who was brought in from out of state and who repeatedly made an ass of himself. Obama had to win and he did.

None of the other candidates endorsed Kucinich's move to impeach Cheney. Kucinich did well. His warnings and his attempts to protect the American People will unfortunately be vindicated when it is too late to heed his advice.

Edwards did poorly. He was unanimated, enervated. Clinton, too, appeared scripted and her voice was annoying. These people are actors, not great minds, not great leaders. They are puppets. The candidates with the best chance of winning, at present, are anti-Iranian and want to use our troops in Iraq to attack Iran. They represent the Jewish bankers, not the American People.

Mike Gravel strongly opposed an attack on Iran and expressly warned the American People that the puppets want to nuke Iran.

Articles of Impeachment Against Richard B. Cheney

Christopher Jon Bjerknes

http://www.jewishracism.com

Our national honor demands that we impeach and remove from office the warmongering Zionist criminal Dick Cheney. Our national survival demands that we thwart the Zionist criminals' plans to illegally and aggressively attack Iran. Congressman Dennis J. Kucinich has provided us with a means to protect ourselves. Our enemies will not help him, or us. We must protect ourselves and support Kucinich.

I have seen "journalists" personally attack Kucinich, but I have not seen the allegations against Cheney refuted in any way. The proposed Articles of Impeachment are specific charges, which

fully inform Cheney of the accusations made against him, and which merit Cheney's impeachment and removal from office. If the American People support Kucinich, it will have a severe chilling effect on the Zionists' plans to attack Iran. Regardless of whether or not Bush is also impeached, or even whether or not Cheney is ultimately impeached and then removed from office, the charges alone apply pressure against the warmongers. Do not worry that Pelosi, due to the negligence of my fellow Americans, is next in line to replace Cheney and Bush and become President. If Bush and Cheney are removed the signal will be so strong, and the message so clear, that Zionist Pelosi will not dare to attack Iran. Please, support Kucinich in his courageous move to impeach Dick Cheney.

Norman Finkelstein Is a Disappointment

Christopher Jon Bjerknes

http://www.jewishracism.com

I suppose it would be unduly harsh to call Norman Finkelstein a sophist. Most sophists ply their craft with a bit more skill than Finkelstein can muster, and it is therefore unfair to lump them all together with him. Finkelstein tends to rely on personal attack, often in the form of backhanded compliments, and when that fails him, he patronizes, lectures, minimizes, whines, changes the subject, serves up *non sequitur* after *non sequitur*, and otherwise avoids the issues which he finds uncomfortable. He reminds me of Noam Chomsky. Both often face off against Alan Dershowitz. James Petras put Finkelstein in his place in a recent "debate".

I enjoyed the Klezmer music which started off the program, or is it Middle Eastern? Who is Hagit Borer? My opinion is that she was biased against Petras and changed the subject time after time, when Petras defeated Finkelstein on point after point.

Does it elude Finkelstein, that the Israel-first fifth column of neo-Conservative Zionist Jews becomes stronger and more powerful as they subvert America's interests and make Israel stronger? These Jews exercise their power, which is Israel's power, and Israel becomes stronger as it uses, and uses up, America to fight Israel's wars. Jewish bankers, war profiteers and Wall Street moguls grow ever richer as Americans sink into unpayable debts. Even if Wolfowitz is chewed up as he acts on behalf of Israel, Israel and its fifth column in the USA grow ever stronger as the USA grows weaker, consumed by a vampire which sucks off our blood and treasure.

Does Mr. Finkelstein believe that Israel would grow stronger by NOT using Americans to do its

dirty work, and pay its debts and supply it with arms? What exactly is his point? Where the choice is between using an Israel-first fifth column to subvert America's interests for the sake of Israel's interests, or using an Israel-first fifth column to promote America's interests at the expense of Israel, the Israel-first fifth column will clearly put Israel's interests over those of America. This is the expression of their power, not the diminution of it. It is their role, not their undoing.

John McCain and James Woosley, a Match Made in Tel Aviv?

Arch neo-Conservative Zionist James Woosley has joined the warmongering "bomb Iran" John McCain team. Woosley is famous for wanting a war with Syria, for blaming Iraq for 911, and for calling for the release of Jonathan Pollard.

Why are the Governments of the World Falling into the Hands of Radical Zionists?

One tell tale sign of a crytpo-Jew is that they are often the most devout followers of their

pretended religions. In Spain and its colonies, one could spot a crypto-Jewish family by searching out who most rigidly followed the rituals of the Catholic religion and made the biggest show of it. In the Turkish Empire, those who appeared to be most devoutly Moslem, were often crypto-Jews. These are well known facts. The following article, which discusses the ardent Zionists (more Zionistic than most Israelis) George Bush, Angela Merkel, Stephen Harper, and Nicolas Zarkozy, states, *inter alia*,

"The grandfather of Sarkozy, who Sarkozy considers to have been the greatest influence in his life, was a Sephardic Jew who converted to Christianity. Sarkozy himself, in stark contrast to nearly every politician in France, is a devout Christian."—Bruce Walker, "Help of on the way for Israel", *WEBCommentary, www.webcommentary.com*, http://www.webcommentary.com/asp/ShowArticle.asp?id=walkerb&date=070406, (6 April 2007).

Here is another article, which evinces Sarkozy's continued ties to the synagogue, and to the Sephardic French Jews of Salonikan descent, who are loyal to Israel (note that the article claims that only 20% of French Jews are Ashkenazic),

French Jews Favor Conservative

The article asserts, among things, that,

"The Jews of North African origin are strongly attached to Israel, don't hide their ethnic affiliation and don't fear a charge of 'dual loyalty' to both France

and Israel. The young generation doesn't bow to the old French Jewish model of being French first and Jewish later, and aren't embarrassed about showing a 'communitarian' preference for a particular political candidate."—

JTA, "French Jews Favor Conservative", *The Jewish Week, www.thejewishweek.com,* http://www.thejewishweek.com/news/newscontent.php3?artid=13926, (20 April 2007).

Who Is Nicolas Sarkozy?

Christopher Jon Bjerknes

http://www.jewishracism.com

According to the French Wikipedia page dedicated to Sarkozy, his father was an Hungarian and his mother descended from the Sephardic Jews of Salonika. She converted to Catholicism. Another website asserts that both of Sarkozy's parents were Jewish.

Sephardic Jews from Salonika are perhaps most famous for producing the "Young Turks". Baruchyah Russo became the Jewish Messiah after Shabbatai Zevi. He founded an immensely wealthy and highly influential sect of crypto-Jews in Salonika, some of whom would pretend to be Catholics, some of whom would pretend to be Moslems, some of whom would pretend to be both Catholic and Moslem. Jacob Frank emerged from this lineage. The writings of these crypto-

Jews reveal that they intended to pretend to convert to other religions so that they can subvert Gentile societies and destroy them from within and from without.

Jacob Frank's immediate relatives were the motive force behind the "French" Revolution, and all of the bloodshed which followed. Frank and his followers pretended to be Catholics and destroyed the flourishing Polish Empire from within. They infiltrated the Catholic Church and have rotted it out from within. They enabled the Rothschilds to take over control of the Church and to bilk Catholics, especially French Catholics, of their wealth. French Catholics believed they had a duty to pay the debts the Popes ran up so as to create a perpetual source of income for the Rothschilds.

In the Turkish Empire, the Salonika crypto-Jews pitted Moslems against Christians and destroyed the power of both in the Middle East. They also mass murdered the Armenians.

The Presidential Puppet Show Continues

Christopher Jon Bjerknes

http://www.jewishracism.com

In last nights "debate", there were common themes iterated by leading Republican candidates for President of the United States of America. Largely devoid of personal merit, they wrapped themselves in the Republican Reagan myth. Like the Democrats, they warmongered against Iran based on unsubstantiated and refuted allegations. They placed the interests of the Israelis above those of Americans.

United States Senator and Presidential candidate John "Bomb Iran" McCain stated,

"Iran is a state sponsor of terrorism. We all know that. Iran continues their efforts to build nuclear weapons. Iran is now exporting lethal IED's and jihadists and suicide bombers into Iraq killing American soldiers. The Iranians encouraged Hezbullah to attack Israel from Lebanon recently. Iran

poses one of the greatest threats to the world, to the security of the world, and in the Middle East. I believe the Iranians have got, we have got to bring greater pressures, diplomatic, economic, political, join with our European allies. We still fear greatly the effect of a cut off of oil on, from, into Europe. We have to work together. If the Russians and the Chinese are not helpful to us, then we had better figure out a way to put additional pressures encouraging democracy and freedom within Iraq, which is a very cultured socie. . . within Iran, which is a very cultured society. At the end of the day, we cannot allow Iran to acquire nuclear weapons. [. . .] My greatest fear is the Iranians acquire a nuclear weapon, and give it to a terrorist organization, and there is a real threat of them doing that. The trip wire [for a U. S. strike at Iran] is, that if they acquire these weapons, and their, our intelligence tells us, that this is a real threat to the state of Israel, to other states in the region. But I want to emphasize, Chris, there's lots of additional efforts that can be made and must be made before we consider that option. There's lots of things we can do. That is the ultimately final option and I don't think we need to exercise it at this time."—U. S. Senator and Presidential candidate John McCain, Republican Presidential Candidate Debates, http://video.msn.com/v/us/msnbc.htm?f=00&g=&p=hotvideo_m_debate_rep&t=c3684&rf=http://www.msnbc.msn.com/id/18296908/&fg=

U. S. Congressman and Presidential candidate Tom Tancredo stated,

"If there is a threat to the existence of Israel, which is by the way I think a

potential threat to the existence of the United States, then you have to come to that, the aid of Israel."—U. S. Congressman and Presidential candidate Tom Tancredo, Republican Presidential Candidate Debates, http://video.msn.com/v/us/msnbc.htm?f=00&g=&p=hotvideo_m_debate_rep&t=c3684&rf=http://www.msnbc.msn.com/id/18296908/&fg=

U. S. Presidential candidate Rudy Giuliani stated,

"It really depends on what our intelligence says. I mean the reality is the use of military force against Iran would be very dangerous. It would be very provocative. The only thing worse would be Iran being a nuclear power."—U. S. Presidential candidate Rudy Giuliani, Republican Presidential Candidate Debates, http://video.msn.com/v/us/msnbc.htm?f=00&g=&p=hotvideo_m_debate_rep&t=c3684&rf=http://www.msnbc.msn.com/id/18296908/&fg=

U. S. Congressman and Presidential candidate Duncan Hunter stated,

"Right now Iran is moving equipment into Iraq that is being used to kill Americans. Iran has crossed the line. The United States has absolute license at this point to take whatever actions are necessary to stop those deadly instruments from being moved across the line being used in explosives, roadside bombs inside Iraq. And, lastly, you know we should not get to the edge of the cliff on this enrichment of uranium and plutonium to be used for

a nuclear weapon in Iran. The United States needs to move very quickly."—U. S. Presidential candidate Duncan Hunter, Republican Presidential Candidate Debates, http://video.msn.com/v/us/msnbc.htm?f=00&g=&p=hotvideo_m_debate_rep&t=c3684&rf=http://www.msnbc.msn.com/id/18296908/&fg=

Outside of Zionist politicians in search of Jewish money, and the Jewish controlled media which controls the fate of politicians, I do not hear Americans clamoring for war against Iran. The Israelis are pushing hard for America to attack Iran. The Zionists have a lock on both the leading Republican and Democratic candidates to the detriment of Americans and the rest of humanity. The current crop of leading Presidential candidates are the most scripted, uninsightful and uninspiring group headed for the Oval Office I have yet to witness. Their competition is too weak, too underfunded, or too unsophisticated, to realistically challenge them, and the American public is still too complacent to put policy, principle and genuine self-interest above polish and glitter. In addition, the Zionist politicians have the Zionist media on their side.

Yet Again, the Israeli Government Seeks to Interfere in Internal American Politics and Pit Christians Against Moslems

Christopher Jon Bjerknes

http://www.jewishracism.com

America's mortal enemy Israel, the segregationist and genocidal "Jewish State", openly seeks to subvert the American political process and to use Christians as a weapon against their enemies. Israel, which sends its spies to steal our precious secrets, Israel, which has attacked our Navy and slaughtered our sailors, Israel, which has pimped our politicians and controls our media, Israel seeks to turn our loving Christians into Israeli mercenaries, against the best interests of the American People. Israel is the worst enemy America has ever faced. Those who side with Israel, side with the enemy. The Jewish Talmud demands that Jews chop off the heads of Christians and it teaches Jews that Jesus is the son of a whore, and that Jesus was a sorcerer, who is now boiling in excrement in hell.

Will a Radical Lifelong Zionist Replace Tony Blair?

Christopher Jon Bjerknes

http://www.jewishracism.com

The People of Great Britain should be alert to the fact that an ultra-Zionist may become your next Prime Minister. Many believe that Gordon Brown is slated to replace Blair. As recently as 25 April 2007, Brown stated before the Board of Deputies of British Jews, *inter alia*,

"First, let me tell you how I came to become so close to the Jewish community. I have told some of you before how my upbringing in a small town of Kirkcaldy, Fife brought me in contact from my earliest days, I remember, with the people of Israel. It was because my Father — a Church of Scotland Minister — chaired the church Israel committee, and used to travel at least twice a year to Israel. I grew up from the 1950's in Scotland surrounded by stories, books and, if you remember back to that time, I was shown on old projector slides all the great sites of Israel And I grew up impressed and motivated by the struggles the sacrifices and, yes, the great achievement of the ancient dream of the Jewish nation becoming reality in the modern state of Israel. [***] That conviction is why I remain a life-long

friend and supporter of Israel. [***] But I speak on behalf of the British Government, and when Tony Blair and I say Israel will always have our support, we mean it. Britain will be a true and constant friend — in good times and bad and we will never compromise our relationship to political expediency."—The Rt Hon Gordon Brown MP, speaking at the President's Dinner of the Board of Deputies of British Jews on 25 April 2007, *The Board of Deputies of British Jews www.bod.org.uk*, http://82.198.226.33:8080/mmc98dj/bod/index.jsp?page=extra&address=news\stories\2007-04-30gb.jsp.

Clearly, it is not in Great Britain's best interest to have such an ardent Zionist as Prime Minister. Brown openly avows undying support for a nation which is dragging down the good name and economy of the UK. Brown inextricably ties the UK to Israel, which nation last summer launched an unprovoked, illegal, aggressive and barbaric attack on Lebanon. Tzipi Livni is the daughter of Eitan Livni, who was an Irgun member, and who has been associated with the Irgun King David Hotel bombing attack on the British.

One cannot have absolute loyalty to two nations. Loyalty to Israel is demonstrably loyalty to a racist, apartheid regime, which was founded on terrorism directed at, among others, the British, and which aggressively attacks its neighboring countries.

Changing of the Zionist Guard in Europe?

Christopher Jon Bjerknes

http://www.jewishracism.com

Germany is led by the ultra Zionist lackey ever ready to lick up Israel's spittle, former Communist Angela Merkel. However, Germans are fond of the slogan "Nie Wieder!" and never again wish to be used to fight World Jewry's wars against humanity.

England has lost its ruling Queen. Tony Blair is stepping down. It is very telling that the Iranian capture of encroaching British forces was not used as a pretext for a British attack on Iran—the British have lost their taste for Zionist wars. There have been illegitimate prosecutions of Moslems on falsely alleged charges of terrorism, which would make it more difficult for the Zionists to win British favor for war with a false flag attack. The Zionists know, and knew, that Great Britain was not ripe for another illegal aggressive war against innocent Moslem nations.

France is being primed to become the new Zionist force against Islam in Europe. France assisted Israel in the development of Israel's nuclear arsenal. France committed numerous atrocities against Algerians. France has long had a strong Communist element. France led America into Vietnam, which weakened America and drew America's attention away from Israel's crimes of aggression. France betrayed Lebanon, and Syria, when Israel aggressively and barbarically attacked Lebanon last summer. Can we expect a "terrorist" attack in France with fabricated Iranian earmarks?

Ron Paul, Friend or Foe?

Christopher Jon Bjerknes

http://www.jewishracism.com

Ron Paul presents himself as a dissenting voice presumably representing America's founding values, but is he in fact, wittingly or unwittingly, a pawn of the Zionist Jewish bankers? Is Ron Paul a new Senator Nelson Wilmarth Aldrich, who will flip the bankers' coin in their game of corrosive inflation followed by destructive deflation?

Paul receives the golden seal of approval from gold merchants and Israel-first Zionist Jews posing as if "Christian American patriots". On the other hand, Paul, to his credit, opposes Zionist inspired American aggression against Moslem nations in the Middle East, but can this noble stance be exploited to peel away votes from more viable candidates? Could Ron Paul be used as a spoiler candidate, and then as a voice in Congress for banking "reforms" which will profit the Jewish bankers who control the World's gold? Elections often swing on a handful of votes.

Jewish bankers have traditionally hired, or duped, Shabbas Goys to demand banking reforms, after the Jewish bankers have deliberately created the conditions for an economic crash. This provides the Jewish bankers with an opportunity to institute the policies they seek to employ to further rob nations of their wealth. Before creating the Federal Reserve in 1913, the Jewish bankers first rocked the financial world with numerous scams meant to destroy the American economy, so as to leave Americans clamoring for reforms, and the Jewish bankers had ready "reforms" which would rob the American People and fatten the Jewish bankers.

It appears that history is repeating itself as the Jewish bankers plan for a replacement of the Federal Reserve System with a new system that will again prevent the American People from issuing their own currency, and which will greatly enrich the already unimaginably wealthy Jewish banking families who already control the majority of the wealth of the World, and who have sought absolute control over the money supply of the World for 2,500 years. The Jewish bankers want to seal the coffin on America and have taken many steps to weaken to us.

Do not blindly follow, nor dismiss, Ron Paul. Carefully examine his candidacy in the broader context of the election of both parties' candidates. Consider how he might be used to swing these elections, and test him to see if he is dogmatic, or open minded, in his disastrous plan to push America into a ruinous "Gold Standard", a plan that would only profit the Jewish bankers when they sell us back the gold which they have stolen from us, and secure the debts they have led America into and on which they intend to collect by land, or by gold. Test Paul and see if he will identify the fact that the Jewish bankers who created the Federal Reserve were Zionist Jews led by the Rothschilds, who sought to become Kings of the Jews and by extension Kings of the

human race. Is he really fighting the Jewish bankers, or merely creating opportunities for them to change the system to their liking and to our detriment? Is he an anti-Zionist, or controlled opposition?

Christian Bashing in the Zionist Controlled "Alternative" Media

Christopher Jon Bjerknes

http://www.jewishracism.com

Crypto-Jews, posing as if evangelical Christians, are viciously attacking Catholic Christians in the "alternative" media. This programming is largely controlled by Zionist Jews, who wish to defame Jesus and destroy the Christian faith.

These deceitful propagandists, afraid to openly state their views, instead slither along pretending to be Christians, so that they can destroy Christianity by pitting Protestants against Catholics, and coaxing unaware, and/or greedy, Christian dupes to join these Jews in defaming Christian churches. These crypto-Jews often exhibit typical Zionist behaviors, such as practicing censorship. Their fundamental lack of honor and their inability to follow normal human standards of courage and fairness prompts them to seek an unfair and undignified advantage behind which these cowards can hide and from which these gutless mice can lie and spew out their hatred against Jesus and against Christians.

I warn Protestants, and other Christian churches, that these Zionist Jews intend to utterly destroy all forms of the Christian faith. They are using you to attack Catholics, so that they can weaken Christianity in general. They will not stop at the Catholic Church. Their religious books expressly demand that Jews behead all Christians (*Sanhedrin* 56-60).

The Jews posing as if they were Christians in the "alternative" media today are part of a long

process by which World Jewry has been undermining the Christian faith. In the *Kulturkampf*, Jewish propagandists viciously attacked the Catholic Church and ridiculed Catholic Priests and the Pope. Their goal was turn Christianity against itself. They artificially created deep hatreds which made it easier for World Jewry to instigate World War I. The tensions between Germany and France were largely the product of the war Jews created between German Protestants and French Catholics. This is one reason why the Dreyfus Affair occurred. French Catholics grew weary of the defamations German Jews hurled at them, and at Jesus Christ.

When these crypto-Jews ridicule the Jesuits, the nonexistent "Black Pope", the Pope, the Vatican, Catholic Priests, etc., what they are really doing is slandering Jesus and defaming all Christians. They want all people to attack, and to laugh at, Christians. This produces the psychological atmosphere Judaists need to eliminate all religions other than Judaism. It also satisfies their vindictive lust and affords them with the opportunity to scapegoat Christians for Jewish crimes against humanity.

It was easier for Judaists to defame Jesus and end Christianity in countries they absolutely controlled. In the Soviet Union, Jews persecuted Christian clergy, turned Christian churches into pig barns, or filled the churches with Christians and burned them to the ground. Judaists are seizing ever greater control over America. Their campaign to undermine Catholicism and to scapegoat Catholics for Jewish crimes, is part of a larger strategy to destroy American culture, and the American nation.

I urge my readers to react to this Judaist attack on the Christian faith and to see beyond any inter-Christian bias they may have against Catholics. Do not allow Judaists to use your bias as a

tool with which to destroy Christianity in general. I suggest you confront Christian bashing crypto-Jews in the Zionist controlled "alternative" media, and demand that they stop defaming Christianity with their lies. Expect that these cowards will continue their Zionist habits of censorship, but do not let that dissuade you. Expose them at every opportunity and show that they are gutless propagandists unwilling to debate. This will make it more difficult for these vicious propagandists to destroy Christianity, because their dupes will start to catch on to what the Jesus hating Judaists are doing. Protestants will come to realize that the crypto-Jews in the Zionist controlled "alternative" media will openly attack Protestants next (they are already defaming them indirectly by defaming Catholic Christians and by implication all Christians), if Protestants allow themselves to be used to attack Catholics. Judaists in the Zionist controlled mainstream media are already openly attacking Protestants. All of these Judaist are working together in order to erase Christianity from the World. They are not your friends and they do not mean you well.

Beware of Obscurantists in the Zionist Controlled "Alternative" Media

Christopher Jon Bjerknes

http://www.jewishracism.com

There are numerous obscurantists operating the Zionist controlled "alternative" media, who attempt to obfuscate the central Zionist role in the worst crimes humanity has endured. There are Communist Jews, who pretend to defend the interests of the Arab World, while undermining those Arab interests and scapegoating America and faceless "corporations" for demonstrably Jewish crimes. There are also phony "Protestant Christians", who are in fact Zionist Jews who scapegoat the Catholic Church for demonstrably Jewish Crimes.

Lying by Omission

Zionist obscruantists will defame the Catholic Church and minimize the crimes of the Zionists by saying something juvenile and untrue, such as, "I don't care if it's the Zionists or the Vatican

which is at the top of the New World Order pyramid. They're all evil Illuminati luciferian devil worshippers." Zionist obscruantists will follow this falsehood with a glittering generality that appeals to the stupid as if it were a logical reason for ignoring the demonstrated fact that the Zionists are the cause of the worst problems America faces today, "I just want my country to be the way it was!" The irrationality of the *non sequitur* Zionist obscruantists express in such "arguments" is to be found in the fact that telling the truth about the Zionists does not prevent our taking America back from Zionist subversives, but rather it is crucial that we identify the demonstrated fact that the Zionist are the source of the problems, because in so doing we confront and combat the true demonstrated enemy which is attacking us, and this is the only way that we can take our country back from the Zionists.

Zionist obscurantists lie by omission when they discount, or ignore, or aggressively suppress the fact that the Zionists are to blame for America's worst problems, and the greatest crimes against humanity that have ever been committed. Zionist obscurantists are so vile as to attempt to justify their lies by omission in the name of preventing divisiveness, when in fact they are dividing the victims of Jewish crimes from the truth, which truth can save these same victims from further Jewish crimes in the future. When Zionist obscurantists tell you not to discuss Zionism because all people should work together to fight the "luciferian controllers", tell them to stop lying by omission and tell the whole truth and nothing but the truth. Ask them if murderers should go free because there are other murderers out there, and how it is that we supposedly protect ourselves from future murders by ignoring the identity of past murderers and let those murderers roam free and take charge of our society, merely because there are other murderers? Ask them how we are supposedly going to battle the demonstrated enemy, when, on their "good

advice", we refuse to name and combat it directly?

Minimizers and Scapegoaters

Zionist obscurantists love to scapegoat Catholics for Jewish crimes. This has been going on for a very long time. Nero's Jewish wife Poppaea burned Rome. She scapegoated the Christians for this Jewish crime. In another among countless examples to be found in history, Jews were behind the Reformation, which made the ludicrous claim that the Pope is the anti-Christ, when in fact the New Testament (New Covenant) identifies Jewry as the anti-Christ. While eager to lie and blame some non-existent "Black Pope" and Jesuits for Jewish crimes, modern Zionist obscurantists suddenly become generalists and minimizers when the facts point to leading Jews as the criminals committing the crimes at issue. Suddenly, when the facts are brought to the fore, the ethnicity of the criminal is not important and it is racist to mention it, despite the fact that the criminal openly commits his or her crime out of tribal loyalty to the Jews and does so in name of Jewry. Zionist obscurantists will try to convince their dupes that it is divisive to tell the truth, that by honestly identifying the Jewish criminal and his or her openly Jewish motives, one plays into the hands of the "luciferian controllers". The truth becomes the enemy in the hands of these Zionist liars posing as Protestant Christians. Of course there is nothing divisive about catching the crooks and prosecuting them. There is nothing racist about identifying the criminals' racist Zionist motives. Self preservation does not preclude self preservation, and we can only preserve ourselves by honestly identifying the criminals and their motives, and combating them.

Zionist obscurantists often attempt to let criminal Jews off the hook by spuriously claiming that

criminal Jews are not "real Jews". Zionist obscruantists quote the New Testament (New Covenant) book of *Revelation* 2:9 and 3:9 as if these passages refer to Ashkenazi Jews who are not "real Jews", and based on this false premise they then erroneously conclude that no Jews are to blame even when known Jews commit heinous crimes against humanity in the name of Jewry and in order to forward Jewish interests. The fact is that most of the human beings calling themselves "Jews" today are Ashkenazi Jews, and most of the Zionist obscurantists who put out this absurd propaganda are themselves Ashkenazi Jewish poseurs imposturing as evangelical Christians.

John of Patmos wrote the book of *Revelation* many centuries before the Ashkenazim evolved and he had no knowledge of them. When John of Patmos wrote the words which he put in Jesus' mouth in verses 2:9 and 3:9, he had no knowledge of Ashkenazi or Frankist Jews, but was instead inspired by Jesus' rejection of the Jews who as a nation rejected and murdered Jesus and the Jewish prophets.

The Sephardim supply many of the worst Zionist criminals, including bloodlines among the Jewish bankers, and the Salonika Jews who committed genocide against the "Young Turks". It makes no difference whether or not today's Ashkenazim and/or the Frankist Jews are blood descendants of the "Tribe of Judah", they are the vast majority of today's Jews and the criminals among them are often Jewish criminals committing crimes meant to forward Jewish interests in general.

Subverting Political Movements and Undermining Whistleblowers

Zionist obscurantists desperately search for any means to shoot down the credibility of whistleblowers so that those who should benefit from their story instead turn against them and the value of their knowledge is lost, or becomes counterproductive. Zionist obscurantists will attempt to paint the whistleblower as a coward and thereby avoid the truth the whistleblower reveals with such irrelevant personal attacks as, "why didn't they speak up when they had the chance?" In order to subvert a political movement, Zionist obscurantists will change the subject at issue to an issue of contention, so that no coalition can form on the relevant issue.

No Hope of Defeating Zionists Without Political Maturity and Savvy

Americans are notoriously naive and gullible. One of the reasons why foreigners have long sought to emigrate to America is the fact that Americans fall easy prey to trickery. Corrupt groups have an easy time exploiting the good will and naivete of the general American public. No corrupt group has so taken advantage of Americans' good nature as Zionist Jews, who have cursed America with perpetual war and perpetual debt. Americans must grow up and become politically sophisticated, or we will suffer the fate of the Roman Empire, the Spanish Empire, the French Empire, the Holy Roman Empire, the Turkish Empire, the Russian Empire, the German Empire, Imperial Japan, etc. Jewry has always taken great pride in their genocide and destruction of civilizations. Judaism teaches that only the Jews can rule and only Jewish culture and Jewish People can survive into the Messianic Era. Zionists, Jewish and their Christian dupes, take great pride in ruining America. It is only the welfare of the Nation of the Jews which concerns them.

Jewish Racism

Welcome to Francrael

Christopher Jon Bjerknes

http://www.jewishracism.com

The Salonikan Jew Nicolas Sarkozy has appointed a Zionist Jew as Foreign Minister of France, Bernard Kouchner, who started off his political career as a Communist; and the Israelis couldn't be happier about it. Kouchner is tied to the hard-right Jewish MP Pierre Lellouche, who advises Sarkozy.

American Zionists: Genocidal and Dishonest Orwellian "Peace Brokers"

Christopher Jon Bjerknes

http://www.jewishracism.com

Not content with a grossly unfair fight favoring them, the cowardly, racist Israelis corrupt the American government to gain an even greater advantage over the Palestinians, whom the Israeli Jews are genociding. And the Zionists in America, a shameless fifth column of genocidal Israeli-first psychopaths, oblige the Israelis' bloodlust, and are so vile as to pretend to be unbiased against the Palestinians. They feign a "peace process" so that they can persuade the Arabs to war with the Persians.

The Zionists have no intention of granting the Palestinians any measure of justice, and instead seek to annihilate them. The Zionists plan to renege on all of their promises, once the broader war begins, and they will scapegoat the Arab Sunnis for the Zionists' war on the Persians, so that the Zionists can then attack their war-weakened Arab "allies". The Zionists will say, "We never wanted to attack Iran! It was the Saudis and the Jordanians who made us fight with the Iranians. We actually always wanted to fight these Arab warmongers."

Recall that this is the current Zionist tactic with respect to Iraq and Iran. The Zionists lie and state that they never wanted to attack Iraq, but instead wanted to attack Iran. They will play the same game against Saudi Arabia, Jordan and Egypt, after they have wiped Iran off the face of the map and weakened the Arab nations with unnecessary and internally divisive war, which pits Sunni against Shia, and Arab against Persian, in each country.

The Saudi and Jordanian Royals, Egyptian leaders, and other "Moslem leaders" working with the CIA and Mossad to alienate Iran, had better pay attention to the fact that though the Zionists in the US Government state that they are preparing the way for a Palestinian State, these career liars have no intention of following through on their empty promises. Once they have destroyed Iran and Syria, and with them Shia and Bathist resistence to Zionism, they will next turn their attention to stealing "Greater Israel" including the nations of Saudi Arabia, Jordan, Lebanon and Egypt. Look to Iraq and you will see your fate, if you fail to unite with Iran and all of Islam for peace and regional stability. Look to the tens of millions mass murdered under the Jewish Bolsheviks and you will see your fate, if you fail to unite with Iran and all of Islam for peace and regional stability.

The Israelis do not want peace. They want war so that they will have the opportunity to genocide Moslems and Christians and steal ever more land. If the Israelis had wanted peace, they could have had it long ago. For Moslems, the choice is clear: unity and peace, or, division and death.

The Persian Gulf in the News

Christopher Jon Bjerknes

http://www.jewishracism.com

Just as the Iranians upstaged the British by releasing unharmed the captured British military personnel who had encroached on Iranian waters, Ahmadinejad has stolen the show in The Persian Gulf from the Zionist warmonger Dick Cheney. Whereas the unlikable Cheney is again issuing illegal threats of the use of force against Iran, in violation of International Law, and is covertly trying to pit Sunni against Shia and Arab against Persian; Ahmadinejad is calling for peace and regional unity. This will play very well with the majority of Arab Moslems, both Sunni and Shia, and promote much needed unity in the Moslem World.

I suggest that the regional powers draft an international petition to the United Nations calling for the US Navy to leave The Persian Gulf. Drive a wedge between Arab States and Zionists in the UN. Of course, first test the political waters around the Gulf, and obtain commitments, before going public with the idea. Appeal to the public of Arab States, as well as to their governments. If the petition is rejected, take the opportunity to prove to the world yet again that the UN is a tool of the Zionist imperialists, and does not honor the rights of Moslems, nor does it honestly pursue its mandate and promote peace and stability.

Scriptures Define "Christian" Zionists As Anti-Christian

Christopher Jon Bjerknes

http://www.jewishracism.com

"Christian" Zionists are indoctrinated to worship Jews as if the chosen people of God. In so doing, "Christian" Zionists are worshiping anti-Christ.

The Scriptures are specific. "New Testament" means "New Covenant", and according to the New Covenant, Christians are the chosen of God, and Jews, in the sense of the Covenant, no longer exist and are the anti-Christ (*Acts* 15:1-12; 16:3. *Romans* 2:21-29; 6:3-11, 9:6-8; 14:14,20; 16:18. I *Corinthians* 2:2; 3; 7:18-19; 10:18. II *Corinthians* 3:18-4:6; 11:12-12:10. *Galatians* 1:7-8; 2:12, 19; 3:1, 16-29; 4; 5:2-3, 11, 24; 6:11-18. *Philippians* 3:2-3. *Colossians* 1:12-13; 2:8, 16, 20. I *Thessalonians* 2:14-16. I *John* 2:18, 22; 4:2-3. II *John* 1:7).

John 3:15-18 states that there is only one path to salvation, despite the fact that influential Jews have corrupted many "Christian" churches to reject the teachings of Jesus and themselves become anti-Christ. *John* 3:15-18:

"15 That whosoever believeth in him should not perish, but have eternal life.

16 For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life. 17 For God sent not his Son into the world to condemn the world; but that the world through him might be saved. 18 He that believeth on him is not condemned: but he that believeth not is condemned already, because he hath not believed in the name of the only begotten Son of God."

"Christian" Zionists Undermining American Interests for the Benefit of Israel

Christopher Jon Bjerknes

http://www.jewishracism.com

John Hagee is subverting American interests for the sake of Israel. He is pitting American "Christians" against Islamic nations in order to forward the Israelis' perceived self-interests.

Jesus said,

"Blessed *are* the peacemakers: for they shall be called the children of God."—*Matthew* 5:9

and,

"Put up again thy sword into his place: for all they that take the sword shall perish with the sword."—*Matthew* 26:52

The first President of the United States, George Washington, stated,

"Observe good faith and justice towards all nations; cultivate peace and harmony with all. Religion and morality enjoin this conduct; and can it be, that good policy does not equally enjoin it? It will be worthy of a free, enlightened, and at no distant period, a great nation, to give to mankind the magnanimous and too novel example of a people always guided by an exalted justice and benevolence. Who can doubt that, in the course of time and things, the fruits of such a plan would richly repay any temporary advantages which might be lost by a steady adherence to it? Can it be that

Providence has not connected the permanent felicity of a nation with its virtue? The experiment, at least, is recommended by every sentiment which ennobles human nature. Alas! is it rendered impossible by its vices?

In the execution of such a plan, nothing is more essential than that permanent, inveterate antipathies against particular nations, and passionate attachments for others, should be excluded; and that, in place of them, just and amicable feelings towards all should be cultivated. The nation which indulges towards another a habitual hatred or a habitual fondness is in some degree a slave. It is a slave to its animosity or to its affection, either of which is sufficient to lead it astray from its duty and its interest. Antipathy in one nation against another disposes each more readily to offer insult and injury, to lay hold of slight causes of umbrage, and to be haughty and intractable, when accidental or trifling occasions of dispute occur. Hence, frequent collisions, obstinate, envenomed, and bloody contests. The nation, prompted by ill-will and resentment, sometimes impels to war the government, contrary to the best calculations of policy. The government sometimes participates in the national propensity, and adopts through passion what reason would reject; at other times it makes the animosity of the nation subservient to projects of hostility instigated by pride, ambition, and other sinister and pernicious motives. The peace often, sometimes perhaps the liberty, of nations, has been the victim.

So likewise, a passionate attachment of one nation for another produces a

variety of evils. Sympathy for the favorite nation, facilitating the illusion of an imaginary common interest in cases where no real common interest exists, and infusing into one the enmities of the other, betrays the former into a participation in the quarrels and wars of the latter without adequate inducement or justification. It leads also to concessions to the favorite nation of privileges denied to others which is apt doubly to injure the nation making the concessions; by unnecessarily parting with what ought to have been retained, and by exciting jealousy, ill-will, and a disposition to retaliate, in the parties from whom equal privileges are withheld. And it gives to ambitious, corrupted, or deluded citizens (who devote themselves to the favorite nation), facility to betray or sacrifice the interests of their own country, without odium, sometimes even with popularity; gilding, with the appearances of a virtuous sense of obligation, a commendable deference for public opinion, or a laudable zeal for public good, the base or foolish compliances of ambition, corruption, or infatuation.

As avenues to foreign influence in innumerable ways, such attachments are particularly alarming to the truly enlightened and independent patriot. How many opportunities do they afford to tamper with domestic factions, to practice the arts of seduction, to mislead public opinion, to influence or awe the public councils? Such an attachment of a small or weak towards a great and powerful nation dooms the former to be the satellite of the latter.

Against the insidious wiles of foreign influence (I conjure you to believe me,

fellow-citizens) the jealousy of a free people ought to be constantly awake, since history and experience prove that foreign influence is one of the most baneful foes of republican government. But that jealousy to be useful must be impartial; else it becomes the instrument of the very influence to be avoided, instead of a defense against it. Excessive partiality for one foreign nation and excessive dislike of another cause those whom they actuate to see danger only on one side, and serve to veil and even second the arts of influence on the other. Real patriots who may resist the intrigues of the favorite are liable to become suspected and odious, while its tools and dupes usurp the applause and confidence of the people, to surrender their interests.

The great rule of conduct for us in regard to foreign nations is in extending our commercial relations, to have with them as little political connection as possible. So far as we have already formed engagements, let them be fulfilled with perfect good faith. Here let us stop. Europe has a set of primary interests which to us have none; or a very remote relation. Hence she must be engaged in frequent controversies, the causes of which are essentially foreign to our concerns. Hence, therefore, it must be unwise in us to implicate ourselves by artificial ties in the ordinary vicissitudes of her politics, or the ordinary combinations and collisions of her friendships or enmities.

Our detached and distant situation invites and enables us to pursue a

different course. If we remain one people under an efficient government. the period is not far off when we may defy material injury from external annoyance; when we may take such an attitude as will cause the neutrality we may at any time resolve upon to be scrupulously respected; when belligerent nations, under the impossibility of making acquisitions upon us, will not lightly hazard the giving us provocation; when we may choose peace or war, as our interest, guided by justice, shall counsel.

Why forego the advantages of so peculiar a situation? Why quit our own to stand upon foreign ground? Why, by interweaving our destiny with that of any part of Europe, entangle our peace and prosperity in the toils of European ambition, rivalship, interest, humor or caprice?

It is our true policy to steer clear of permanent alliances with any portion of the foreign world; so far, I mean, as we are now at liberty to do it; for let me not be understood as capable of patronizing infidelity to existing engagements. I hold the maxim no less applicable to public than to private affairs, that honesty is always the best policy. I repeat it, therefore, let those engagements be observed in their genuine sense. But, in my opinion, it is unnecessary and would be unwise to extend them.

Taking care always to keep ourselves by suitable establishments on a respectable defensive posture, we may safely trust to temporary alliances for extraordinary emergencies.

Harmony, liberal intercourse with all nations, are recommended by policy, humanity, and interest. But even our commercial policy should hold an equal and impartial hand; neither seeking nor granting exclusive favors or preferences; consulting the natural course of things; diffusing and diversifying by gentle means the streams of commerce, but forcing nothing; establishing (with powers so disposed, in order to give trade a stable course, to define the rights of our merchants, and to enable the government to support them) conventional rules of intercourse, the best that present circumstances and mutual opinion will permit, but temporary, and liable to be from time to time abandoned or varied, as experience and circumstances shall dictate; constantly keeping in view that it is folly in one nation to look for disinterested favors from another; that it must pay with a portion of its independence for whatever it may accept under that character; that, by such acceptance, it may place itself in the condition of having given equivalents for nominal favors, and yet of being reproached with ingratitude for not giving more. There can be no greater error than to expect or calculate upon real favors from nation to nation. It is an illusion, which experience must cure, which a just pride ought to discard.

In offering to you, my countrymen, these counsels of an old and affectionate friend, I dare not hope they will make the strong and lasting impression I could wish; that they will control the usual current of the passions, or prevent our nation from running the course which has hitherto marked the

destiny of nations. But, if I may even flatter myself that they may be productive of some partial benefit, some occasional good; that they may now and then recur to moderate the fury of party spirit, to warn against the mischiefs of foreign intrigue, to guard against the impostures of pretended patriotism; this hope will be a full recompense for the solicitude for your welfare, by which they have been dictated."—George Washington's Farewell Address 1796

Will "Cosmic Log" Publish All of My Submissions?

Christopher Jon Bjerknes

http://www.jewishracism.com

I have submitted the following statement to "Cosmic Log". Perhaps it will persuade the censors to publish my previous submissions, perhaps not. If not, I will note the fact here and elsewhere.

It appears that I have, for the second time, been censored on this forum. I have submitted two articles to "Cosmic Log", which have not appeared on "Cosmic Log", but which I have posted here:

http://jewishracism.blogspot.com/2007/05/on-allen-estersons-defamations.html

and here,

http://jewishracism.blogspot.com/2007/04/allen-estersons-fallacies-and-fictions.html

I will continue to discredit Allen Esterson on my blog, though I will not continue to endure censorship on "Cosmic Log":

http://jewishracism.blogspot.com

Note the ironic fact that I have been repeatedly defamed for standing up for free speech, and that my defense to those personal attacks has been censored. Note further that what you are observing on "Cosmic Log" is absolutely typical of the way Einstein and his advocates have stifled debate with smear tactics and censorship for 100 years. I present many examples of it

from the past in my book "The Manufacture and Sale of Saint Einstein":

http://www.jewishracism.com/SaintEinstein.htm

You have witnessed it before your very eyes.

I will gladly debate Allen Esterson, though I will not submit to a forum in which I am censored while others defame me without my having the ability to respond directly. Now let us see if Allen Esterson will condemn the censorship of my words and join me in a fair forum.

On Allen Esterson's Defamations

Christopher Jon Bjerknes

http://www.jewishracism.com

Allen Esterson has now confirmed that he is the person who was posting under his same name at the following website,

http://dailyablution.blogs.com/the_daily_ablution/2005/08/emigration_deba.html

and has given personal details not likely to be known by others, which confirm his identity as the author of the defamations against me posted under his name at the Cosmic Log website. He has affirmed that it is wrong to call people "nasty names" including "anti-Semitic" and he has

confirmed that he is the author of several articles in which he so labels me. I submitted the following article to Cosmic Log last night at about 3:00AM my time. We will see if it eventually appears on the website.

I thank Esterson for correcting my mistaken attribution of comments to him which were not his, but then we learn that Allen Esterson wrote the following:

"Writing as Jew, [***] Posted by: Allen Esterson at Aug 4, 2005 5:02:25 PM"

"On the one hand we have people perceiving anti-Jewish or anti-Semitic sentiments all around, on the other hand we have the claims of endemic 'Islamophobia', and that 'America and Britain are at war with Islam'. Let's get past this 'victim' consciousness stuff, and challenge or grapple with people's arguments instead of finding nasty names to call them: 'Jew-baiter', 'anti-Semitic', 'Islamophobic', 'fascist'. . . Posted by: Allen Esterson at Aug 4, 2005 5:50:11 PM"

Is it correct that you, Allen Esterson, wrote the above comments? If so, why do you not follow your own advice and why have you repeatedly libeled me in your widespread smear campaign against me?

Now I will address some of Esterson's sophistry. Esterson stated,

"Unfortunately there are two possible readings of the word 'racist' in this context, one that is purely descriptive, an attempt to classify different

groups of human beings, the other that describes the advocating of discrimination against a particular 'racial' group. Bjerknes fails to distinguish between. [sic]"

Esterson ridiculously parses words to avoid the issue and the numerous quotations of Einstein's racist remarks found in my book, which statements by Einstein are clearly "racist" remarks in both senses of the term Esterson elects to adopt as definitions of the term "racist". Does Esterson ask me to define each word in the English language I use, and is he incapable of understanding terms without express definitions attached to each term?

My charges against Einstein are factually based and thoroughly proven, and Esterson only demonstrated his ignorance when he sought to mock them. As for Stachel's comment, my statement in reference to it was absolutely correct and Esterson simply sophistically attempts to change the subject, as he so often does, by inappropriately parsing words. Einstein was notorious for his inconsistencies, and the fact that his statements were inconsistent on the subject of his racial views, a fact I note in my book, does not change the fact that Einstein made virulently racist remarks, promoted anti-Semitism, and promoted a racist, segregationist Zionism, for which he was the most famous spokesman of the day. I have also proven that Einstein was repulsed by assimilatory Jewry. Esterson, instead of ceding the point, elects to prevaricate with sophistry and unnecessarily extend arguments which were already settled based on the facts.

Esterson loves to condemn me for standing up for the fundamental human right of freedom of speech and freedom of thought. He does not contest my arguments, but instead repeatedly

smears me with innuendo. I am not ashamed of the fact that I am an advocate of the human right of free speech and I will cry out for freedom from every rooftop.

Esterson has the chutzpah to deny that he was attempting to shoot the messenger when he defamed me to Geraldine Hilton, and whoever else read his hateful remarks. Esterson writes, and note that Esterson misrepresents the context of my remark,

"Bjerknes writes: 'It appears that Allen Esterson opts to shoot the messenger with unproven defamations in order to avoid the truthful message I am telling.' In fact the point I was actually making in the passage in question was that Geraldine Hilton (writer/producer of 'Einstein's Wife') indiscriminately copies whole passages in a most unscholarly fashion from any source that accords with the message she is propagating (e.g., sections from Wikipedia and the writer Andrea Gabor). I pointed out that in the instance in question she was quoting a passage by Bjerknes, and that she would no doubt be horrified to find the source of the quotation was someone who posts on the 'Holocaust Revisionism' website CODOH, founded by the Holocaust denier Bradley R. Smith, who attended the notorious 2006 Tehran Holocaust Conference at which he endorsed the following: 'The alleged slaughter of millions of Jews by the Germans during World War II did not happen. The extermination allegation is properly termed a hoax, that is to say, a deliberately contrived falsehood.'"

In contradiction to Esterson's false claim that I was referring to his defamations against me on

another website, I was referring to Esterson's vicious smears posted on Cosmic Log. He has so often defamed me with lies, that it must be difficult for him to keep track of his defamations. He attempts to weasel his way out of the fact that he sleazily introduced his smear tactics into what ought to be an academic debate, and attempts to deny that he was shooting the messenger, when it was obvious that he was doing just that. In addition, his vicious and hateful remarks stand as an open threat that any who knowingly quote me will be smeared. He is attempting to render my work taboo.

In point of fact, this is what the disingenuous smear monger Allen Esterson said, and note that Esterson again failed to mention my refutations of John Stachel's "review", though he hypocritically and incorrectly accuses me of being tendentious,

"The link on the Tesla Society webpage indicates that the passage in turn comes from a webpage on the website of Christopher John Bjerknes. Bjerknes is an eccentric anti-semite who posts on a Holocaust denier website. Bjerknes's antipathy to Einstein is indicated by his describing him as the 'chief racist' among the political Zionists of his time, and his writing that 'Einstein hated non-racist Jews'. His book on Einstein received a scathing review from John Stachel. I'm sure that Hilton would be horrified to know that, in regard to the second paragraph she has copied above (which purports to explain away the fact that Joffe clearly cited Einstein as the sole author of the three most celebrated of his 1905 papers), she is citing the arguments of a rabid anti-semite with an intense antipathy to Einstein. That

does not, in itself, mean that Bjerknes's contentions in that paragraph are false. Like any assertions, they must be examined on their merits."

http://www.esterson.org/Defending_Einsteins_Wife_Website.htm

Esterson wastes many words confirming that what I said in my article "Was Einstein an Incestuous Rapist?" was perfectly correct, while pretending that he, Esterson, has somehow refuted what I had said. Esterson pretends that by his repeating the correctness of my assertions he has somehow discredited me, while avoiding all of the points made in my book and in my article. Esterson does not mention Einstein's perverse desire to fornicate with his cousin's daughters, or the fact that Einstein was conducting an incestuous and adulterous relationship with his same cousin, while seeking to bed her daughters. Esterson seems to miss the salient and incontestible points that Einstein was a licentious man, who had employed violence against his family on repeated occasions. Just as Esterson has failed to condemn Einstein for Einstein's racism, Esterson fails to condemn Einstein for Einstein's violence, or Einstein's sexual degeneracy, and completely avoids the issues raised in my book and in my article.

MSNBC's CosmicLog and Things Zionist and Einstein

Christopher Jon Bjerknes

http://www.jewishracism.com

I invite my readers to observe events on the message board dubbed "Cosmic Log" to witness how many of Einstein's defenders obfuscate issues Einstein and rely upon personal attack and innuendo, instead of reasoned and responsible argument.

http://cosmiclog.msnbc.msn.com/archive/2006/11/27/15908.aspx

I have submitted the following response, and note that one of my previous submissions has not appeared, though it is quoted in one of my previous blogs:

Note that Allen Esterson, in his desperation to shoot the messenger and avoid the message, has not once attempted to address my factually based arguments regarding Mileva Maric. Instead, he hopes and prays that the statements I have made on other issues, and supported with thousands of pages of documentation, will shock the uninformed reader. Esterson only cursorily addresses that evidence in some instances, while completely ignoring it in others. He opts to mine for points he believes he can show to be weak, but even there fails to refute my arguments, but instead offers up his groundless opinion that the facts just are not good enough for him, though they represent precisely what I have contended they represent, and Esterson has nowhere shown otherwise.

Why are the issues of Zionism, Jews, Judaists and Jewish and Zionist racism so fascinating for our Allen Esterson, and why does he race (no pun intended) to Einstein's defense instead of condemning Einstein for Einstein's virulent racism and segregationism? Why does Esterson ignore the many racist things Albert Einstein stated, for example Einstein's assertion, which is a commonly expressed racist Zionist myth, that anti-Semitism is good for the Jews, in that it

keeps Jews segregated?

In search of answers to these questions, I found that Allen Esterson wrote the following Herzlian Zionist nonsense:

"Posted by: Allen Esterson at Aug 4, 2005 5:02:25 PM [***] Whether you prefer to think of anti-Semitism as a virus or a cancer, the reality is that almost two thousand years of bloody and bitter history has shown that it is utterly incurable, and thus, the only really effective method of combating anti-Semitism is not the JDL or the courts but aliya."

Esterson also stated:

"Posted by: Allen Esterson at Aug 4, 2005 5:50:11 PM [***] And I don't believe it's incorrect to describe Islamist theocratic aspirations as at least akin to fascism."

These quotations are found here:

http://dailyablution.blogs.com/the_daily_ablution/2005/08/emigration_deba.html

In reference to his first point, I note that Esterson posts from London. America has never been a hotbed of anti-Semitism, in part because Zionist Jews have never made a concerted effort to sponsor anti-Semitism in America, as they did in Germany when they funded Adolf Hitler and praised his segregationist policies. One way to combat anti-Semitism is to abandon such Zionist

myths as the lie that anti-Semitism is inevitable and necessitates Jewish segregation in a "world ghetto"--to use Herzl's phrase, which lie is a defamation against all of humanity. There is nothing inherent in the DNA of Jews which would make Jews the natural and inevitable targets of hatred, nor is segregation any kind of a solution to anti-Semitism.

Esterson fails to acknowledge the fact that Judaist theocratic aspirations inspired Islam, and call for the enslavement of non-Jews, and a world-wide government ruled by a Jewish King from Jerusalem, as proven below. Is Esterson ignorant of Jewish messianic beliefs?

Esterson quotes a passage from one of my works, The Jewish Genocide of Armenian Christians, which states at pages 65-66:

"The Jewish genocide of Armenian Christians makes for a good case study of classical and cultural Jewish racism and Jewish deception. It demonstrates the highly developed Jewish arts of genocide, war and control of public opinion to do evil while appearing to be the victim, scapegoating others for Jewish crimes, etc."

http://www.jewishracism.com/JewishGenocide.pdf

Esterson omits to mention that I prove these facts in my books. I quote directly from Jewish texts which define the Jewish People as if a "chosen people" above all others (Deuteronomy 7:6), who must not intermarry or interbreed with allegedly inferior races (Exodus 34:16. Deuteronomy 7:2-3. Ezra 9. Nehemiah 9:2; 13:3, 23-30), which Jews are destined to rule the world (Exodus 19:5-6. Numbers 24:17-20; 33:50-56. Deuteronomy 7:6; 28:10. Psalm 2:1-12 (see

also: Sukkah 52). Psalm 18:40-50; 72:8-11; 110:1-7. Isaiah 2:1-4; 9:6-7; 11:4, 9-10; 40:23; 42:1; 49:7, 23; 60:12; 61:6, 9; 65; 66. Jeremiah 3:17; 10:10. Ezekiel 39:17-18. Micah 4:2-3;17:16-17. Zechariah 8:20-23;14:9), and which Jews must exterminate the "Amalekites" (read Armenians) in an absolute murderous genocide (Exodus 17:14-16. Numbers 24:17-20. Deuteronomy 25:17-19. I Samuel 15:1-35. Malachi 1:1-14. Sanhedrin 20b), ultimately leaving only the "righteous" left alive, meaning obedient Jews and Goyim who slavishly submit to Jewish world rule and the Noahide Laws which forbid Christianity (Sanhedrin 56-60, 99. Zechariah 8:20-23. Shabbath 32b). I cite many examples of Jewish deception, including that of the crypto-Jew Esther, who committed genocide, and other crypto-Jews who committed genocide, most especially the "Young Turk" old Jews who perpetrated the Jewish genocide of Armenian Christians. I document Theodor Herzl's accounts that he would employ a corrupt "Jewish press" to control the fate of the Sultan of Turkey.

Esterson does not dispute the facts I present, nor does he question the logic of my conclusions. Does not Esterson find the Armenian Genocide an act of evil? Does he dispute the fact that it was perpetrated by crypto-Jews deceptively calling themselves "Young Turks"? Does he dispute the fact that today influential Jews and Jewish organizations are attempting to quiet talk of the Armenian Genocide, and have exercised undue influence in governments and media to do so? Why is Allen Esterson, who avers that Aliya is the only option for Jews to combat anti-Semitism, attempting to render my work taboo, when it has been so valuable to so many, including Alberto Martinez, upon whom Esterson relies?

Now onto Einstein's overt racism and his evil belief that anti-Semitism is good for Jews. I will

pull a few of the many quotations by Einstein, and those who knew Einstein, found in my book The Manufacture and Sale of Saint Einstein, many of which passages appear in concentrated form here:

http://www.jewishracism.com/Albert_Einstein.pdf

and note that Esterson nowhere acknowledges the fact that I fully support my contentions regarding Einstein's virulent Zionist racism with verifiable facts:

"Anti-Semitism will be a psychological phenomenon as long as Jews come in contact with non-Jews—what harm can there be in that? Perhaps it is due to anti-Semitism that we survive as a race: at least that is what I believe."--A. Einstein, English translation by A. Engel, The Collected Papers of Albert Einstein, Volume 7, Document 37, Princeton University Press, (2002), p. 159.

"Antisemitism must be seen as a real thing, based on true hereditary qualities, even if for us Jews it is often unpleasant. I could well imagine that I myself would choose a Jew as my companion, given the choice. On the other hand I would consider it reasonable for the Jews themselves to collect the money to support Jewish research workers outside the universities and to provide them with teaching opportunities."--A. Einstein as quoted in M. Born, The Born-Einstein Letters, Walker and Company, New York, (1971), p. 16.

"[The Allied Powers] whose victory during the war I had felt would be by far the lesser evil are now proving to be only slightly the lesser evil. [***] I get

most joy from the emergence of the Jewish state in Palestine. It does seem to me that our kinfolk really are more sympathetic (at least less brutal) than these horrid Europeans. Perhaps things can only improve if only the Chinese are left, who refer to all Europeans with the collective noun 'bandits.'"--

Letter from A. Einstein to Paul Ehrenfest of 22 March 1919, English translation by A. Hentschel, The Collected Papers of Albert Einstein, Volume 9, Document 10, Princeton Univsersity Press, (2004), pp. 9-10, at 10.

"With adults it is quite similar as with children. Due to race and temperament as well as traditions (which are only to a small extent of religious origin) they form a community more or less separate from non-Jews. [***] It is this basic community of race and tradition that I have in mind when I speak of 'Jewish nationality.' In my opinion, aversion to Jews is simply based upon the fact that Jews and non-Jews are different. [***] Where feelings are sufficiently vivid there is no shortage of reasons; and the feeling of aversion toward people of a foreign race with whom one has, more or less, to share daily life will emerge by necessity."--A. Einstein, English translation by A. Engel, The Collected Papers of Albert Einstein, Volume 7, Document 34, Princeton University Press, (2002), pp. 153-155, at 153-154.

"I am neither a German citizen, nor is there in me anything that can be described as 'Jewish faith.' But I am happy to belong to the Jewish people, even though I don't regard them as the Chosen People. Why don't we just let the Goy keep his anti-Semitism, while we preserve our love for the likes of

us?"--A. Einstein quoted in A. Foelsing, English translation by E. Osers, Albert Einstein, a Biography, Viking, New York, (1997), p. 494.

"JUST WHAT IS A JEW? The formation of groups has an invigorating effect in all spheres of human striving, perhaps mostly due to the struggle between the convictions and aims represented by the different groups. The Jews, too, form such a group with a definite character of its own, and anti-Semitism is nothing but the antagonistic attitude produced in the non-Jews by the Jewish group. This is a normal social reaction. But for the political abuse resulting from it, it might never have been designated by a special name. What are the characteristics of the Jewish group? What, in the first place, is a Jew? There are no quick answers to this question. The most obvious answer would be the following: A Jew is a person professing the Jewish faith. The superficial character of this answer is easily recognized by means of a simple parallel. Let us ask the question: What is a snail? An answer similar in kind to the one given above might be: A snail is an animal inhabiting a snail shell. This answer is not altogether incorrect; nor, to be sure, is it exhaustive; for the snail shell happens to be but one of the material products of the snail. Similarly, the Jewish faith is but one of the characteristic products of the Jewish community. It is, furthermore, known that a snail can shed its shell without thereby ceasing to be a snail. The Jew who abandons his faith (in the formal sense of the word) is in a similar position. He remains a Jew. [***] WHERE OPPRESSION IS A STIMULUS

[***] Perhaps even more than on its own tradition, the Jewish group has thrived on oppression and on the antagonism it has forever met in the world. Here undoubtedly lies one of the main reasons for its continued existence through so many thousands of years."--A. Einstein, "Why do They Hate the Jews?", Collier's, Volume 102, (26 November 1938); reprinted in Ideas and Opinions, Crown, New York, (1954), pp. 191-198, at 194, 196.

"To deny the Jew's nationality in the Diaspora is, indeed, deplorable. If one adopts the point of view of confining Jewish ethnical nationalism to Palestine, then one, to all intents and purposes, denies the existence of a Jewish people. In that case one should have the courage to carry through, in the quickest and most complete manner, entire assimilation. We live in a time of intense and perhaps exaggerated nationalism. But my Zionism does not exclude in me cosmopolitan views. I believe in the actuality of Jewish nationality, and I believe that every Jew has duties towards his coreligionists. [***] [T]he principal point is that Zionism must tend to strengthen the dignity and self-respect of the Jews in the Diaspora. I have always been annoyed by the undignified assimilationist cravings and strivings which I have observed in so many of my friends."--A. Einstein, "Jewish Nationalism and Anti-Semitism", The Jewish Chronicle, (17 June 1921), p. 16.

The Israeli Vampires Flap Their Slimy Wings and Bare Their Toxic Fangs

Christopher Jon Bjerknes

http://www.jewishracism.com

In violation of the most fundamental principles of civilized behavior, the barbaric, racist and genocidal Israelis promise to murder the leaders of the Palestinians. Instead of lifting their inhuman embargoes on the Palestinians, instead of ending their seige of the Palestinians, instead of ceasing to fund and foment civil war, instead of living in peace and brotherhood with their neighbors; the poisonous Israelis are openly threatening to murder the political leaders of the Palestinian People. The Israelis are doing everything in their power to make the life of the average Palestinian hell, so as to provoke them to violence so that the racist and homocidal Israelis can blame the Palestinians for the Israeli genocide of the Palestinians.

The depraved Israelis degrade and murder Palestinian women and children. The bloodthirsty Israelis only recently carried out a deliberate premeditated aggressive assault on defenseless Lebanon, whose government they had first subverted with treacherous puppets, and whose land the Israeli Jews wish to steal. The kleptomaniacal Israelis have countless Mossad agents provocatuer operating in Lebanon and Palestine to provoke civil wars and to carry out and foment insignificant attacks on Israel, which the Israelis then use as a pretext to commit genocidal attacks on Palestine and Lebanon. It is difficult to imagine a more reprehensible people than the Jews of Israel.

The Deadly Doenmeh, Who Genocided Christian Armenians, and Who Have Subverted Governments and Media Around the Globe

Christopher Jon Bjerknes

http://www.jewishracism.com

The Doenmeh are alive and well in Turkey. These two-faced crypto-Jews are secretly behind the current machinations taking place in Turkey, and throughout the World, to subvert democracy and religious freedom in Turkey. They laud the crypto-Jew Ataturk and deride Islam, while pretending to be Moslem. They hire Moslem protesters to carry the signs and flags they provide, in order to subvert Islam.

Secrecy and contempt work in their favor and serve as an excuse and a shield for the crypto-Jews' hidden agendas and secretly subversive activities. Though supposedly hated by most Jews, they are the current motive force behind World Jewry's ancient pursuit of World conquest and the theft of "Greater Israel" from the indigenous populations of Palestine, Syria, Lebanon,

Jordan, Saudi Arabia, Iraq, Egypt, etc., and the many genocides this 2,500 year old Jewish plan requires.

Jews were never a native population in "Israel". They were always a temporary genocidal invading force for evil. In the ancient World, as today, they were an intrusive source of violence and instability in the region.

Most human beings revile genocidal hypocrites like the Doenmeh, who pretend to be what they are not, so that they can ride inside a Trojan horse and corrosively destroy their Goy neighbors. The Doenmeh exploit and manufacture the illusion of contempt, which provides them with cover behind which to hide and shield their Jewish agenda from scrutiny and exposure. They blame their cowardly and viciously hateful subversive and genocidal practices on their victims.

Like the crypto-Jewish Bolsheviks, who changed their names to Russian sounding names, then committed genocide against the Russians and other Slavs, so that they could blame their victims for their crimes; the crypto-Jewish Doenmeh commit genocide and destroy Goy religions as a Jewish religious duty, but these wretched vampires hide their true Jewish identity and scapegoat Christians and Moslems for their Jewish crimes.

The Doenmeh follow the vile heritage of the myth of the crypto-Jewess Esther and the Jewish genocide of Gentiles, which the Jews celebrate each year in their favorite holiday, Purim. Like the Doenmeh, today's Hassidic Jews are among the descendants of the Shabbataians and Frankists. "True Torah Jews" revere the Talmud as a part of the Torah. It is a myth that "True Torah Jews" supposedly reject the poets, prophets and histories of the Hebrew Bible. It is also a

myth that they reject the Talmud, which is their most revered set of holy books. Like their false Jewish messiahs Shabbatai Zevi, Baruchyah Russo and Jacob Frank, "True Torah Jews" embrace Cabalah. They also consider the Talmud to be a part of the Torah, because they hold to the myth that the "oral tradition" was given to Moses on Sinai, and passed through him to his brother Aaron and down through the priests of Aaron to eventually be recorded, with commentaries, in the Talmud.

It would be interesting to scratch Nicolas Sarkozy's ancestry and sniff for the rotten stink of descent from the false Jewish messiahs Shabbatai Zevi, Baruchyah Russo and Jacob Frank, or one their most ardent followers. Sarkozy is descended from Salonikan Jews. Sarkozy's grandfather, like Jacob Frank, converted to Catholicism, and Nicolas was very close to him. Perhaps, Sarkozy has no line of descent from the followers of the false Jewish messiahs.

The Frankist plan to subvert the leading governments of Europe with ultra-Zionists has been fulfilled. France, Italy, the United Kingdom and Germany have each recently been ruled by Zionists more ardently Zionistic than most Israelis. The Judaists' plan has always been to rule the World. It appears that they have succeeded. But what has their rule brought to mankind, other than wars, genocide and the destruction of the living environment of the Earth?

Alas, that is also part of the Jewish grand plan called "Judaism". We are meant to perish at their hands.

Barack Obama: By Definition an Israel-Firster

Christopher Jon Bjerknes

http://www.jewishracism.com

Barack Obama has proven that he is a Zionist puppet. Knowing what he must know, he insists upon misrepresenting the obvious facts and scapegoating the Palestinians and Moslems for the fact that America is a dishonest broker in the "peace process" and that Israel has consistently and deliberately scuttled every attempt at peace.

Though Israel could live in peace with its neighbors, Israelis prefer to perpetually war against their neighbors and desire to steal ever more Arab land. Israel has again and again aggressively and illegally attacked its Arab neighbors. The Israelis created Hamas and Hezbullah and the Israelis and Americans have "strengthened Iran", created "a chaotic Iraq", and brought about "the resurgence of al Qaeda, the reinvigoration of Hamas and Hezbollah".

Israel is the enemy of the United States, yet Obama bows down and licks their blood stained

boots. Obama writes,

"For more than three decades, Israelis, Palestinians, Arab leaders, and the rest of the world have looked to America to lead the effort to build the road to a lasting peace. In recent years, they have all too often looked in vain. Our starting point must always be a clear and strong commitment to the security of Israel, our strongest ally in the region and its only established democracy. That commitment is all the more important as we contend with growing threats in the region -- a strengthened Iran, a chaotic Iraq, the resurgence of al Qaeda, the reinvigoration of Hamas and Hezbollah. Now more than ever, we must strive to secure a lasting settlement of the conflict with two states living side by side in peace and security. To do so, we must help the Israelis identify and strengthen those partners who are truly committed to peace, while isolating those who seek conflict and instability. Sustained American leadership for peace and security will require patient effort and the personal commitment of the president of the United States. That is a commitment I will make. Throughout the Middle East, we must harness American power to reinvigorate American diplomacy. Tough-minded diplomacy, backed by the whole range of instruments of American power -- political, economic, and military -- could bring success even when dealing with long-standing adversaries such as Iran and Syria. Our policy of issuing threats and relying on intermediaries to curb Iran's nuclear program, sponsorship of terrorism, and regional aggression is failing. Although we must not rule out using

military force, we should not hesitate to talk directly to Iran."—United States Senator and Presidential candidate Barack Obama, "Renewing American Leadership", *Obama '08, www.barackobama.com*, http://www.barackobama.com/2007/05/31/renewing_american_leadership.php, (31 May 2007).

A vote for Barack Obama is a vote for the continued subversion of American interests for the benefit of racist, warmongering Israelis, who refuse to live in peace, and who do everything they can do to create instability and war. I recommend that people investigate the tortuous path Barack Obama took to become a United States Senator and note the attention that was lavished upon him by the Jewish controlled media as they deliberately made him a star and overrated his rather mediocre mind. They are now receiving the returns on their investment.

It will be interesting to see if the media is using Obama and will sink his campaign at a strategic moment, as the Israelis sink every vessel carrying the seeds of peace.

In Politics, Name Recognition Is Darn Near Everything

Christopher Jon Bjerknes

http://www.jewishracism.com

The Presidential primaries have turned into a cattle call of candidates. With such a vast field of

contenders, name recognition will likely be the deciding factor for many voters. The Jewish controlled media controls name recognition, and thus controls the election.

Much the same thing happened in the Illinois Senate race, in which Barack Obama, against all odds, was eventually elected. Jack Ryan won the Republican primary inspite of his scandal, because in the cluttered field, his name stood out. But the party and the press forced him out. Then Bill Kristol's old friend Alan Keyes parachuted into Illinois at the behest of the Republican Party—an obviously bad choice. Keyes repeatedly made an ass of himself, ensuring Obama the victory.

In the Presidential primaries, many voters will scan the shelf of candidates and choose the brand they have seen in the commercials. It is a betrayal of the American voter, but it works, and in politics, that is all that counts.

A Weaker Dollar Will Change the Nature of Immigration to America, and Emigration from America, Resulting in a Demographic Shift

Christopher Jon Bjerknes

http://www.jewishracism.com

As the American dollar declines, it becomes less profitable for Europeans to emigrate to the United States to earn money to send to, or to take back to Europe where the dollar is increasingly losing value when exchanged. The weakening dollar is also encouraging Europeans to leave the United States and head for Europe, where their earnings will have more value.

These jobs are being filled by Latin Americans and Asians, many of whom enter America illegally. Severe costs and debts accrue to the American taxpayer as a result of this changing demographic in immigration and emigration. The Latinization of the United States with illegal immigration coming from our southern neighbors makes it easier for the Jewish bankers to destroy the national sovereignty of the USA. These Latins are being schooled by the bankers' agents in Communism, which they will deliberately spread to the US.

A weakened America is far more susceptible to Communist subversion. If we fail to take control of our currency through our government, and fail to help our southern neighbors to help themselves, the American experiment will be washed away by the red tidal wave currently swelling in Latin America, and the Jewish bankers will sucker us into adopting another form of

their currency, be it an international currency which will make it possible for the Jewish bankers to create an international depression almost overnight, or a ruinous "gold backed" "American" currency which will further enrich them while depleting American wealth and leaving us vulnerable to a sharp contraction of the money supply and deadly deflation. The solution is for the American Government to issue the American People our own money based on our productive capability and needs.

The Jewish bankers have taught some of their agents this path to economic growth. The Jewish bankers taught Adolf Hitler that the "Gold Standard" and privately held central banks are among the Jewish bankers' methods of robbing nations of their wealth.

The Hearts and Minds of the Turks

Christopher Jon Bjerknes

http://www.jewishracism.com

Ataturk is revered by some Turks, so revered in fact, that to honor him, they have retired his name and forbid its use by anyone other than the original Mustafa Kemal "Ataturk". Ataturk is seen as the guardian of the Turkish People from the corruption of internal politics, especially religious internal politics, and external forces. Ataturk is seen as the symbol of Turkish

modernity, Turkish Europeanism, and Turkish identity as an example to the rest of Islam of progress, of moving forward rather than backward. The Turks know that he hailed from Salonika, but do not know that he was a crypto-Jew. Those Turks who honor Ataturk take great comfort in their belief that someone strong and powerful stood up for the Turkish People and defended them from all enemies foreign and domestic.

The role of Ataturk as the paternal guardian of Turkish honor, of Turkish freedom, of Turkish modernity, has been taken over by the leader of the Turkish Army. He is believed to be completely apolitical. He stands guard ready to intervene to stomp out any threat to liberty, sovereignty, security or independence; whether it comes from (in their perspective) the Talibani Kurds, the Americans, the backward Arabs, or their own President, Vice President or Chief Prosecutor. The military watches the watchers and Turks need have no fear because the military is just, honorable and serves only the interests of the Turkish People without foreign influence and without political ambitions. The military have not, do not and would not intervene unless necessary, and then restrict themselves only to doing what is necessary and appropriate to restore the Turkish Nation to the mission set for it by Ataturk—in their view. Some Turks feel secure in the fact that the military does not play around, but executes its role with brutal efficiency to execute politicians who stray from the principles of the revolution, and to crush foreign threats, always placing the honor and interests of Turkey above any other concerns including the desires of America, Britain and Turkey's Islamic neighbors. If a political leader abuses power, or threatens Turkey and its people, the Army will take him out, and Ataturkish Turks see this as the proper function of their military and the safeguard of their liberty.

Ataturkish Turks are caught in a series of crises and changes in both domestic and international politics. They see themselves as not only neutral, but indifferent in a hospitable and respectful way. Do not mess with me and I will not mess with you. Mess with me and I will kill you, or die trying. What happens in other countries is their business, and I will not allow other countries to interfere in my business. It would help the Turkish economy to join the EU, but we are not eager to oblige an encroaching EU agenda, and are aware of bigotry against us and the fact that Europeans are not apt to adopt the poor of Turkey.

Turks know that the Europeans are toying with them and waiting for World War III to begin, so that they can leverage Turkey's desire to join the EU as an incentive to cajole Turkey to fight with NATO against Islam. As when the Americans attacked Iraq, Turkish leaders must turn to their people with two alternatives which appear to be agreeable to the people. When the Americans attacked Iraq, Turkish leaders sought to placate the Turkish populace by either opposing the invasion and standing up for the rights of a Moslem nation, or accepting funds (up front—they did not want to be fooled twice) which would improve the Turkish economy. It is important in Turkish politics, as in all politics—but especially in Turkish politics, to demonstrate a self interest and a general Turkish interest to the Turkish People as the basis of political decisions.

The increasing fractionalization of Turkey between Ataturkish Turks and more orthodox Moslems in Turkey is as unfortunate and unnecessary, as it is deliberate. Turkey should not restrict religious freedom, nor should it restrict the rights of Turks to be non-religious or "progressively" religious. Turkey should not be a military dictatorship, nor should it become a theocracy.

There is a third way, which is yet under explored. Dogmatism, both that of orthodox Moslems and orthodox revolutionist Ataturkish Turks, must make way for genuine self interest and Turkish cohesiveness in the face of numerous threats, foreign and domestic foreign. Form an alloy whose properties exceed those of the base metals, an alloy which is strong and resists corrosion, yet is flexible, machinable, and malleable. Fighting amongst yourselves will only weaken Turkey and discourage foreign investment and economic growth. Most importantly, shed your naivete, without abandoning your pride, and learn the truth of your history and realize that the Army itself must be watched and is under crypto-Jewish control with foreign interests, and when it comes to human social behavior, everything is political, including the Turkish military. The Turkish People must watch the watchers. The Turkish People must gain oversight and power over both the government and the military.

Turkey lost its empire in two world wars. A third may consume Turkey itself.

Instead of subverting Turkish interests in hopes of winning membership in the EU, Turkey should resume its historic role as a leader among Moslem countries. Turkey should join with Iran and Saudi Arabia and use its influence to advance modernity in Islam, but not abandon its unity with other Moslem nations to promote peace and security in the region. Turkey should strengthen its already strong ties to the US and Europe by being a wise friend, as opposed to an unwise and obliging friend, a wise friend who promotes peace, prosperity and unity among Moslems in the Middle East. Zionists are working very hard to promote civil wars and international conflicts in the Middle East, and it is only a matter of time before the "European" Turks find themselves embroiled in these artificial conflicts and first used by the European

Zionists in a way which weakens Turkey itself, then attacked by them, as has happened many times in the past.

Maddening Madness in the Republican Presidential Debates: Zionists Are Conditioning Americans to Accept and Expect a Nuclear World War III

Christopher Jon Bjerknes

http://www.jewishracism.com

Several Zionist puppets are running for President of the United States of America. In a Zionist puppet show, which was moderated by the rabid Zionist Wolf Blitzer—former Washington correspondent for the *Jerusalem Post* with purported ties to AIPAC, several of these Zionist Presidential candidates iterated their psychotic delusion that the United States has a right and a duty to aggressively wage nuclear war against Iran if Iran fails to toe the Zionist line. These psychopathic lunatics, these radical Zionists, presume to call the most vile of crimes against humanity, aggressive nuclear war, an "option". Not merely do they falsely presume that this planned criminal act is an "option", which it certainly is not, they demand that the American People consider aggressive nuclear war to be a reasonable approach to foreign policy, for, so they say, only a fool would remove this "option" from the table, for, so they say, only a fool would remove *any* "option" from the table.

What other "options" are there? Are racist concentration camps "options" for Zionist Americans,

as they are for Israelis? Is staged genocide an "option" for Zionist Americans, as it is for Israelis? Must racist mass murder, racist extermination camps, racist torture chambers, racist rape centers, etc. be "options" to these Zionists, which "options" must be "left on the table"?

Before the Zionist media poisoned our minds, we Americans did not consider crimes against humanity to be "options", but Zionist Jews have so polluted our World with their inhuman filth that Americans sit idly by sucking their thumbs while the traitorous agents of Israel call us to nuclear arms against our fellow human beings. We have entered an era of Judaization in which America is kicking down civilians' doors in their own country and terrorizing and murdering defenseless families in their own homes, just as the Israelis do to the Palestinians. America is openly torturing prisoners in our custody, just as the Israelis do. America is openly threatening aggressive nuclear war, just as the Israelis do. America is openly committing all of these crimes against humanity at the behest of the Israelis, who control our political elections through Jewish funding and Jewish media domination.

Though these criminal Zionists running for President should at the very least have been pilloried in the international media and have been tarred and feathered by the American People for proposing crimes against humanity exceeding the scale of Nazi atrocities, the Jewish controlled media numbs the minds of the American public and conditions them to accept and expect, as if inevitable, the descent of humankind into the hell of aggressive nuclear war at the behest of the Israeli puppet masters.

It is not just the genocide of the Iranians these Zionist Jews seek. No, they plan to continue their Khazarian war on the Russ and plan to drag the World into a nuclear attack on Russia. It is not

revenge enough on the Russians, that World Jewry mass murdered tens of millions of the best of the Gentile Slavs, and enslaved the rest for the better part of the Twentieth Century. These vampires will not quench their thirst until the blood is gone.

For the sake of all that is wise, just, loving, human and sane, consider the fact that on a Zionist dominated program in which many grown men in positions of authority participated, Ron Paul alone raised a voice of dissent against these warmongering crazies, and the media gives their crimes against humanity, and all life, its Talmudic approval through its silence. Each time these foul calls to nuclear war go largely unchallenged, the American public grows numbed and dumbed. These maniacs utter their Zionist cries for nuclear war, and the American public has been so corrupted by the Judaists, that it passively waits for what it is told is inevitable, the mushroom clouds sprouting from the dung of Zionist controlled American traitors.

Americans are so stupid that they fail to recognize that aggressive nuclear war is a crime against humanity, and is *not* an "option". Americans are so insane that they fail to see that launching aggressive nuclear war is an act of nuclear war, not the prevention of nuclear war. Americans have been so blinded by Jewish hatred for Islam, that they fail to recognize the illogic of using nuclear war as a means to prevent nuclear war.

Doubt it not, that just as the laws passed which preceded the Zionist traitor George W. Bush's illegal attack on Iraq, enabled by a traitorous Zionist Congress, this maniacal and inhuman rhetoric from Zionist Presidential candidates calling for nuclear war, and the laws which have been passed to enable the President of the United States of America to wage aggressive nuclear

war, are the groundwork for such an attack and it will come unless we act now to prevent it.

Human life itself is at stake, but these inhuman Zionists seem more concerned that fellow Zionist Libby be pardoned for his crimes, than that the human race survive the Zionists' lust for nuclear war.

These Zionist vampires are the enemies of the human race. They have voiced their intentions. Hear them!

The Zionists begin talk of nuclear war at about 19 minutes into the first segment, and Ron Paul alone speaks out against them at about 4 minutes into the fourth segment:

Republican Presidential Debate Home Page at CNN.COM

Direct Feed of the Debate

After the Zionists have conditioned Americans to accept and expect illegal aggressive nuclear war as if an "option", they will next begin to condition Americans to *demand* that America attack the World with nuclear weapons.

Different Era, Same Tactics

Christopher Jon Bjerknes

http://www.jewishracism.com

The Rothschilds buried Russia with war and debt and then cut off Russia's access to funds in the international money markets, while plunging Russia into the Russo-Japanese War and then World War I. The Rothschilds not only cut Russia off from the money markets, they covertly funded the Japanese and Jewish "revolutionaries" to destroy Russia. Racist Jews will tell you that these easily proven facts are an "anti-Semitic canard". The Rothschilds bankrupted Egypt and then used Egypt's plight as a manufactured opportunity to buy the Suez Canal. The Rothschilds bankrupted the Turkish Empire in order to steal Palestine.

Today, Jews employ the same tactics. Former Israeli Prime Minister Benjamin Netanyahu is using the power of World Jewry to bankrupt Iran. The Israelis stole the Palestinians' funds to drive them into desperation and then fomented the Palestinian civil war. Not only was this predictable behavior, I warned it would happen long ago.

How did I know? I knew because World Jewry is simply acting today as it always has to destroy its neighbors through economic means.

Political Ping Pong: What Motivates Some Leading Jews to Deny the Armenian Holocaust, While Others Are Eager to See It Acknowledged?

Christopher Jon Bjerknes

http://www.jewishracism.com

There are, of course, many Jews who, without ulterior motives, discuss the Armenian Holocaust. There are also Jews who do have ulterior motives for denying the Holocaust of Armenians, and those who have ulterior motives for demanding recognition of the Holocaust of Armenian Christians. But why the disparity?

Some Zionist Jews are aware of the British Ambassador to the Ottoman Empire's, Gerard Lowther's, accusations that the so-called "Young Turk Revolution" was in fact a Jewish takeover. These Zionist Jews are further aware of the fact that the Balfour Declaration was made to draw America into the war through Jewish influence.

It is an historical fact that some Jews have feared broad exposure of the reality that the "Young Turk Revolution" was a Jewish takeover. This would give those Jews, past and present, an incentive to seek to suppress knowledge of, and investigations into, even to deny the very existence of, *The Jewish Genocide of Armenian Christians.*

There are other Jews who believe that the Armenian Holocaust can be laid at the doorstep of the Moslems, and some of those are likely to be eager to pit Moslems and Christians against one

another, as Jews have done for centuries. Some of these Jews may be ignorant of the fact that the genocide was planned, financed and perpetrated by Jews, others may simply suffer from the hubris that World Jewry will continue to be able to suppress the general public's knowledge of these facts. These Jews may believe that it is to their advantage to raise public awareness of the Armenian Holocaust in the hopes that it will defame Islam and provoke Christians to hate Moslems.

Though there are certainly honest Jews involved in the debate, there are also Jews, and agents of World Jewry, on both sides of the issue whose motives may be other than they appear to be on the surface. One is especially suspicious that some Jews should take such an interest in denying the Holocaust of Armenians, given the hypocrisy and double standards many of these Jews express, and since one must ask, "What business is it of theirs and why do they take such an interest in denying the history?"

Irrational Metaphysics and Hero Worship Inhibit the Progress of Science

The following article briefly mentions my book *Albert Einstein: The Incorrigible Plagiarist*:

The Old Man And The E

Several issues are raised in this article which are of relevance to the theme of my blog. First, Einstein is said to sit upon a pedestal of fame comparable to that of Newton. Einstein plagiarized many concepts from Newton, who in turn plagiarized many concepts from Huyghens, Hooke and others. Newton was a Cabalistic Jew who sought to destroy Christianity and insert occult beliefs into science, including the occult belief in universal attraction with the "Divine Arm" as its source. He was heavily criticized for his Jewish mysticism by Leibnitz and others, but was supported by other Cabalistic Jews and their agents and sycophants, including Voltaire.

Newton was not especially popular in his day, far surpassed in fame as a physicist by Des Cartes. Newton introduced metaphysical mythologies into science and politics which have had a corrosive effect to this day. To this day, the physical cause of gravitation is still obscured by a

cult of Cabalistic Jews who want to attribute the effect to mysterious agents and metaphysical causes. To this day utterly Judaized "Christians" slave and soldier for the Jews so as to bring about the end of the Earth and the extermination of the Gentiles, as Newton insisted they do:

The first Christian Zionist? Secret writings by Isaac Newton reveal his views on the Jewish return to Israel

Smolin states that the educational system fails to promote non-conformist and creative individuals. I agree.

I would add that the theory of relativity and its cult of adherents both discourage and denigrate such individuals. Einstein's advocates regularly and maliciously attribute any disagreement with the theory of relativity to malice and anti-Semitism, thereby chilling debate and discouraging free thinking persons from entering the field. This was Einstein's approach to suppressing criticism and his followers have followed his lead.

Beyond this, the theory of relativity is a self contradictory metaphysical theory, which depends upon numerous obvious fallacies, including countless fallacies of *Petitio Principii*. This also discourages the brightest from entering the field, because when these individuals question the fallacies they are immediately labeled anti-Semitic and stupid. This has created an environment in which sycophants, liars and hatemongers dominate the field. This also creates an environment in which only the uncreative and conformists can thrive and achieve fame and success. There are new ideas and creative people, but the Einstein fanatics band together to ridicule them and regularly suppress their ideas, acting as gatekeepers in the journals to prevent

the publication of new ideas and scientific theories which are critical of their hero's plagiarized metaphysical theories.

Rothschild Intermarriage

Christopher Jon Bjerknes

http://www.jewishracism.com

I have been asked in correspondence to respond to the question as to why, if racial purity is so important to Jewish elite, have some of the Rothschilds intermarried with Gentiles. This is a good and a fair question, and I believe my answer will be of interest to the readers of my blog.

My response:

It is a mistake to judge all generations and all of history by the actions of few generations in a given era. Inbreeding has been a problem for the Rothschild family for the very reason that they not only sought to marry Jews, but that they sought to marry each other. The infusion of fresh blood is a matter of survival and the infusion of foreign blood has a regenerating effect. If we look at the overall history of Rothschild marriages, I can think of no other line which has so jealously guarded its blood.

In addition, marriages have always been made among rulers which garner them more power, secure alliances, end disputes, ect. Beyond that, wherever human beings coexist and segregation is not the law of the land, people of different ethnicities will fall in love and intermarry. This is demonstrably our nature as human beings, and this is the reason why Jewish leaders have sponsored anti-Semitism throughout history in order to forcibly segregate Jews and prevent intermarriage. Are Jewish leaders oftentimes hypocritical? Of course they are. They live by double standards and the ethics of convenience. The goal of Judaism is the ultimate segregation of the extermination of the seed of the Gentiles. Jewish leaders are willing to take a wandering path to get there, especially if it suits their personal needs at the time. Hypocrisy and inconsistency are to be expected whenever we examine human behavior, especially over the course of 2,500 years. When World Jewry builds the Temple, I expect that they will tighten up on segregation through many means, and there will then be more pressure on the rulers to obey the mandates of Judaism. Times change and different generations behave differently and have different needs, concerns and opportunities.

Life Is Good for the Jews of Iran

Christopher Jon Bjerknes

http://www.jewishracism.com

Israelis have unsuccessfully attempted to persuade Iranian Jews to emigrate to Israel with large cash incentives. Israelis have offered Iranian Jewish families $60,000 for simply moving to Israel from Iran—this on top of the normal perks offered to Jews who make *aliyah*—but there have been few takers.

So what are we to make of the Chicken Little weeping and whining of warmongering Jews who seek to bring America and Israel into unnecessary and illegal aggressive war against Iran on the false premise that Iran is the Nazi Germany of the modern era and is supposedly crawling with "Islamofascists" who supposedly want to murder all Jews? What is so great about life in Iran for Jews, and what it so dismal about life in Israel for Jews, that free money holds no allure?

It appears that Iranian Jews have much more to fear from warmongering Israelis, than they do from the non-existent bogey of "Islamofascists". Maybe the lunatics in the government of Israel will promise to target Iranian Jews for attack, the way that devilish Jews targeted innocent Jews in Iraq long ago, in order to force Jews to flee from the country in which they prefer to live to the madhouse of Israel. Thus far, even with the Israelis threatening to nuke Iran, the Jews of Iran prefer life among Iranian Moslems to life among the Israeli Jews. Can anyone wonder why?

In the News:

Israel is using cash incentives to encourage Jewish immigration from Iran

Time running out for strike against Iran

Mark Dankof's interview with Christopher Jon Bjerknes on RBN on 18 July 2007

Mark Dankof interviewed Christopher Jon Bjerknes on RBN:

Hour 1

Hour 2

Hour 3

Dankof and Bjerknes discuss Bjerknes' book "The Jewish Genocide of Armenian Christians". The interview is about the Armenian Genocide and how it relates to other Zionist crimes and the events of today.

I have written to Dr. Corry, Dr. Renn and Dr. Stachel, co-authors of

the article; "Belated Decision in the Hilbert-Einstein Priority Dispute", _Science_ Volume 278, (14 November 1997), pp. 1270-173; asking each:

"Would you please state for the record why you elected to avoid mention of the fact in your above referenced article in the journal 'Science' that this document, Doc. Ms. D. Hilbert 634, is in an incomplete copy, which has been mutilated at some point in its history to remove the upper portion of one sheet, thereby removing the printed matter atop printed pages 7 and 8, and with it, equation (17)?"

Dr. Stachel has since responded. He confirms that document 634 has been mutilated at some point in its history--he knows not when. His explanation for the failure to mention the fact is that the paper in _Science_ was an incomplete and preliminary report. I pointed out to him that his statement appears to contradict the face of the article itself. My reply to his response states, among other things:

Your statement contradicts the face of the article, which makes the following statements:

"Belated Decision"

which indicates, without further explication, that a final judgement has been reached after

"[a] close analysis[.]"

This "Belated Decision" contradicts that which you acknowledge to be the

"commonly accepted view"

"presently accepted. . . among physicists and historians of science[.]"

You avow that

"Detailed analysis. . . of these proofs. . . enabled us to construct an account. . . that radically differs from the standard view[.]"

I fail to see how you could not have noticed that the top section of a sheet of this document had gone missing, while conducting your detailed analysis. I could not find any statement in your paper that it was a "preliminary and incomplete report[.]" On the contrary, you style it as a "Belated Decision[.]" Surely, in four pages there was room for a mention of the material fact that the document upon which you relied had been mutilated to exclude text and an equation. I suspect that the pages of "Science" would not have been overburdened by a mention of this material fact in the intervening years.

[END QUOTATION]

Dr. Stachel has mentioned that he has since made mention of the mutliation in "Hilbert's Foundation of Physics: From a Theory of Everything to a Comstituent of General Relativity", Preprint 118 of the Max-Planck-Institut fuer Wissenschaftsgeschichte, (1999). And he states that he notes the missing portion of printed page 7 of document 634 with note 72, on page 33 and that of printed page 8 with note 40, on page 17.

Dr. Stachel has also mentioned that he wanted to take the opportunity of our correspondance to mention to me that he has been asked to publish a review of my book, "Albert Einstein: The Incorrigible Plagiarist". He wonders if the complete absence of any mention of anti-Semitism in my book leaves me vulnerable to being accused of plagiarizing the German media of Nazi-times. I must confess that I fail to follow Dr. Stachel's line of thought.

Is Bolshevist Oppression Coming to America?

Christopher Jon Bjerknes

http://www.jewishracism.com

Many have asked how the Russians and Ukrainians allowed themselves to be taken over and massacred by a handful of Marxist Jews. Many have asked how the Nazis were able to turn cosmopolitan and modern Germany into a racist, supremacist, totalitarian and repressive state, on the Judaic model. In the future, will they ask how Americans allowed a handful of Jewish elite to take away their rights, rob their wealth, and dupe them into illegal aggressive war (note that the three horrors are intertwined like the cords of a hangman's noose)?

I Am Not the Only Author Who Has Been Attacked for Exposing the Armenian Genocide

Turkish Denial of Armenian Genocide

On the Scapegoating of Ultra-Orthodox Jews for the Zionism of the Rothschilds

There is a very small group of Rothschild apologists who are attempting to deflect attention away from the easily proven fact that the Rothschilds were the motive force behind Zionism from the early 1800's onward. This minute group of Rothschild apologists attempt to scapegoat Ultra-Orthodox Jews for the Zionism of the Rothschilds. In point of fact, prior to the formation of the Nation of Israel, Ultra-Orthodox Jews were the harshest critics of the Rothschilds' Zionism. See for example:

What Lubavitcher Rebbe Schneersohn said about Zionism

Remember when Lubavitch was anti-Zionist?!

It is well known that I have long been a critic of the Lubavitcher movement and of Ultra-Orthodox Judaism, despite false and disingenuous claims to the contrary. However, it is incorrect to attach blame to the Ultra-Orthodox Jews for the Rothschilds' Zionism, which the Ultra-Orthodox Jews vehemently opposed. In addition, history has shown what a danger it is to scapegoat Ultra-Orthodox Jews for what the Jewish bankers have done. The Nazis, who were financed and placed in power by Jewish bankers, persecuted Ultra-Orthodox Jews, while the Zionist Jewish bankers who financed the Nazis mostly sat out the Holocaust in comfort and luxury.

In my books *The Jewish Genocide of Armenian Christians* (see for example pages 231 and forward) and *The Manufacture and Sale of Saint Einstein*, I document the Rothschilds' Zionism and the plan to make a Rothschild King of the Jews seated on a throne in Jerusalem.

This tiny group of Rothschild apologists attack me because my book on the Armenian Genocide is receiving a great deal of attention, as if that were a crime. It is interesting to note that this attack comes at a time when the Armenian community is attempting to gain recognition of the genocide in the U. S. Congress. This tiny group has also attacked Rev. Ted Pike, who has diligently worked for years to safeguard our rights to free speech, and this attack occurred when attempts were made in the Congress to pass "hate crimes" legislation, which Rev. Pike opposed. In addition, this group has attacked Jim Condit, Jr., who is attempting to organize a civil and responsible political movement in America to oppose disproportionate Zionist influence. Their attacks often take the form of a vicious smear campaign.

The Collapse of the American Financial System and the Destruction of Islam

Christopher Jon Bjerknes

http://www.jewishracism.com

There is a group of Jews out of England, who have converted to Islam, and who are advising the governments of Islamic countries as to how to destroy the American financial system. They talk a hard anti-Zionist line and are helping the Moslems to destroy the American system, and are concurrently bolstering the economies of some Islamic nations. Other Zionists are concurrently selling these nations arms in preparation for war, and are sucking off the wealth which should be invested in infrastructure, agriculture, education and industry in these nations.

To the Americans, these Jews out of England also preach a harsh anti-Zionist line and pit Americans against the American Government, calling out for revolution, which subversion weakens American society. Eventually, the Americans will attack the Islamic nations which are being taught how to destroy the American financial system as an act of self-defense. America will be destroyed in these aggressive wars, as will the Islamic nations which America destroys. If these Zionists succeed in suckering Americans into destroying their own society, they will then

have the opportunity to fully Bolshevize America.

Who benefits from all of this orchestrated destruction? The Zionist bankers benefit.

What is needed is active and responsible political organization. For example, we need to help Rev. Ted Pike to preserve our fundamental human rights to free speech. We need to participate in the political process in order to safeguard our nation from, among other attacks, the attacks being made against our economy by our seemingly anti-Zionist friends from abroad who ask us to destroy our own government.

What we as Americans need to do is to partner with the Islamic nations to build each other up. This will require cooperation and organization. Look to those who are making constructive contributions and avoid the destructive subversives like the deadly plague that they are.

On the Methods of Subversion

Christopher Jon Bjerknes

http://www.jewishracism.com

Here are some of the things subversives will do to destroy an opposition political movement:

Mock the movement with clownish antics in order to make it look ridiculous.

Belittle people by associating with them, then acting insane.

Make preposterous and unsupported claims, thereby discrediting themselves and all who are associated with them.

Threaten those who refuse to discredit themselves, with a smear campaign to discredit them, if they fail to parrot ridiculous and unsupported claims.

Sucker people into breaking the law, or committing slander or libel, and question their sincerity if they fail to do so.

Create disunity, disorganization and paralysis through intimidation, smear tactic, paranoia and by pitting people who are natural allies against one another.

Question the sincerity of those who are successful, and thereby undercut their success by turning those who benefit from their success against them.

Steal the thunder of those at the cutting edge, and then diminish the effectiveness of their message by introducing apologetics, diversions and mistakes into the message.

Belittle whistle blowers as if plants, or traitors, thereby discouraging courageous people from speaking out, and destroying their credibility when they do.

These are just a few of the methods subversives use to prevent a cohesive resistence party from making progress, or even from forming. I may add to this list as time permits, and give a few examples and further explanations.

I am Receiving Flak from a Phony

Christopher Jon Bjerknes

http://www.jewishracism.com

There is a character out there presenting himself as an anti-Zionist, who is attacking my reputation as a scholar. He manufactures things to argue against, which he attributes to me, but which I never said. I asked him the following questions, which he read, but did not answer:

"Were you a Cabalistic Jew who converted to Islam?"

"Have you worked with other converts to Islam in the areas of banking?"

How many anti-Zionists would hesitate to answer these straightforward questions?

This man takes issue with my arguments that the Rothschilds ever would be King of the Jews, but he does so by misrepresenting what I have said, and ignoring the voluminous evidence I and others have presented. Instead of celebrating the success of my anti-Zionist work, he raises straw men of his manufacture to knock down in order to attack instead of help.

Was Frankism in Any Way Involved?

Christopher Jon Bjerknes

http://www.jewishracism.com

The Hebrew Bible tells of many instances of the human sacrifice of the first born among Jews (see, for example: *Exodus* 13:2. *Leviticus* 27:28-29. *Judges* 11:31, 39. I *Kings* 13:1-2. I *Kings* 13:1-2. II *Kings* 16:3-4; 17:17; 21:6; 23:20-25. II *Chronicles* 28:1-4. *Jeremiah* 19:5; 32:35. *Ezekiel* 16:20-21; 20:26, 31; 23:37). Later passages in the Hebrew Bible condemn the practice.

The Frankists, who began in the 1700's, and who keep accurate ancestral records, teach their followers that evil is good, and that they should do the opposite of the moral commandments of the Torah. The Frakists are also reputed to engage in sexual perversions and often pursue careers in politics.

I suspect the book which the woman mentioned might have been *Lilith's Cave: Jewish Tales of*

the Supernatural, but it is difficult to understand what she said.

Video of Watertown Town Council Meeting

Christopher Jon Bjerknes

http://www.jewishracism.com

I suggest that the Moslem-American community pay careful attention to this town council meeting and learn from the Armenian-American community that you do not have endure intimidation. Fight back with cohesive, organized political action and you will win! I also encourage everyone to support Rev. Ted Pike's monumental efforts to preserve our fundamental human rights to free speech.

Jews Are Again Using the Jewish Genocide of Armenian Christians as a Weapon With Which to Attack Islam

Christopher Jon Bjerknes

http://www.jewishracism.com

I recently presented a seminar on my book *The Jewish Genocide of Armenian Christians* in Glendale, California. I advised my audience that there would be Jews who would exploit the issue of the recognition of the Armenian genocide as an opportunity to attack Islam.

Some Jews are in a quandary to understand why any Jewish leader would hesitate to seize upon this opportunity to attack Turks and Moslems. These Jews evidently do not know the truth, which is that Jews perpetrated the Armenian genocide. These Jews perhaps do not realize that Mossad agents and other Jews perpetrate false flag terrorism against fellow Jews outside the "Jewish State" in nations like Iraq and Turkey in order to scare them into making *aliyah* to Israel. The Mossad agents of Israel organize groups to terrorize Jews and keep them segregated and afraid, and to create in them a desire to move to racist, apartheid Israel, where they can

assist the Israelis in committing genocide against the Palestinians. While defaming Islam, these Jews who seek to seize upon and exploit the mass murder of 1.5 helpless Armenians to further the Jewish agenda to stigmatize Islam and Turks, these Jews make no mention of the racist, genocidal Jewish mythology of the Amalekites, let alone recall the fact that the Jews who murdered millions of Armenians believed that their Jewish God had commanded them to blot out the Armenian "Amalekites".

I should also point out that crypto-Jews dominate Turkish society and absolutely control and lead the Turkish military, which oversees the government with a Stalin-like iron fist. Jews in Turkey prosper, while ethnic Turks struggle in poverty. Many Jews in Turkey hide their immense wealth, in part to avoid taxes and resentment. Many Jews in Turkey hide the fact that they are Jews. This has been going on for centuries.

Two New Projects

Christopher Jon Bjerknes

http://www.jewishracism.com

I am working on two new projects, *The Jewish Genocide of Greeks and Assyrian Christians in the Ottoman Empire* and *The Jewish Genocide of the Russians*. I would be very grateful for any recommendations any of you may have for relevant literature I should read on these topics, as well as suggestions for names and events to investigate regarding these subjects.

Please e-mail me at:

Thank you in advance!

Did Foxman Truly Grovel Before the Jewish Controlled Turkish Government?

Christopher Jon Bjerknes

http://www.jewishracism.com

I have seen numerous reports in the Turkish media, and media throughout the Middle East, that Abraham Foxman of the ADL sent a letter to Turkish Premier Recep Tayyip Erdogan on Friday and reversed his position that the Armenian genocide was a genocide, apparently now claiming it was not a genocide. I have been waiting for the ADL to either confirm or deny these widely circulated press reports, but have not been able to find anything yet. Has the ADL posted the entire letter on the internet? If not, why not? If so, where? Has the ADL indeed denied that the genocide was a genocide? Has the ADL confirmed or denied these reports?

I have found the following news reports, among many others, but eagerly wait to see a copy of the letter straight from the Foxman's mouth, and a full explanation from Foxman as to the meaning of his letter:

ADL'S Foxman sends letter to Erdogan

US Jewish group retracts stance on Armenian genocide

Note the completely different tone Foxman's letter, as quoted, has towards the Turks, than his grudging and resentful press releases concerning the Armenians. Why, you'd almost think Foxman had offended the false Jewish messiah Shabbatai Zevi, or his heir to the Jewish throne.

Peace Is the Enemy of Your Enemy

For those under direct attack by World Jewry, including the Americans, Russians, Moslems and Armenians, peace is the enemy of your enemy. Work towards improving relations and trade. Build friendships and unite against the common foe. War will only profit the Israelis and Jewish bankers, and only lead to your own destruction.

Focus Attention on Jewish Crimes Against Humanity by Suing Israel and Jewish Bankers

Christopher Jon Bjerknes

http://www.jewishracism.com

Nations and Peoples should file law suits, individually, and collectively, against the Jewish bankers and Israel for their acts of theft, genocide, revolution and war. Make this struggle for self preservation an economic and political battle, instead of a physical fight. Drain the economic resources of World Jewry and expose their inhuman crimes and then World Jewry will no longer have the ability to drag the human race into another World War of their manufacture.

Instead of fighting one another in a war, both Armenia and Turkey should sue the Jewish bankers, and Israel which has profited from the crimes of the Jewish bankers, for the destruction of the Turkish Empire and Turkish culture, religion and self-rule, and for the genocide of the Armenian People.

This will end the march towards war which World Jewry is ginning up between Armenians and Turks by pitting them against one another. The mere act of filing such suits at law will focus the attention of the World public on Jewish crimes against the human race, and discourage further such acts of violence and subversion.

Learn from the Jews how they are starting a fight between Turks and Armenians for the sake of Jewish profits, and defeat them by joining with the Moslems against the common foe. Do not let World Jewry be the arbiter of your fate, or you will revisit the horrors of 1915 compounded by

the force of nuclear bombs, and fooled twice in the same way the blame will rest in large part on your own shoulders as evil people exploit your greed, opportunism and anger to destroy you exactly as they have done in the past.

Continue to work with decent Jews who have the common objectives of peace and justice. What a wonderful World it will be if we can divide World Jewry and turn it towards good purposes instead of foul.

Jewish Leaders Eye Baku

Christopher Jon Bjerknes

http://www.jewishracism.com

Jewish bankers, Zionist Jews and Doenmeh Jews were the motive force behind the Armenian genocide. They wanted to ruin the Turkish Empire in order to take Palestine from the Arabs. Genociding the Armenians was a part of their strategy to ruin the Turkish Empire. These same Jews also wanted to seize control of all of the oil of the Middle East, including the Armenian oil of Baku.

Judaism is both a supernatural and a political religion and there are no distinctions between the two. There are many religious aspects to these Jewish crimes against the Turks and the Armenians. One aspect of Zionism is the Jewish religious mythology that God has commanded

the Jews to steal all of the wealth of the Goyim. Jewish bankers have stolen the wealth of the Armenians and of the Turks, whom they duped into destroying their own vast empire in the name of "Turkish pride". The Jews did the same thing a few years later to the Russians, whom the Jews duped into destroying their own Empire in the name of "workers' rights".

After ruining Russia with the money given them by the Jewish banker and Rothschild agent Jacob Schiff, the Jewish Bolsheviks then carted off the wealth of Russia to Schiff's banking house of Kuhn, Loeb & Co. Both the Jewish "Young Turks" and the Jewish Bolsheviks (including some of the key players like Vladimir Jabotinsky and Alexander Israel Lazarevich Helphand a.k.a. "Parvus" who profiteered with his boss Emanuel Carasso from the war and revolution they caused) were deliberately fulfilling the Jewish messianic prophecy that the Jews are to steal all of the wealth of the non-Jews. In the Ottoman Empire and in Soviet Russia, Jews took over the jobs, businesses and property of the Slavic and Armenian Christians whom they mass murdered, strictly according to the ancient plan iterated in the Hebrew Bible, the Talmud and Jewish Cabalistic writings and legends. The Jewish book of *Isaiah* for example, calls upon the Jews to steal all the wealth of the Goyim, and to enslave non-Jews,

"54:2 Enlarge the place of thy tent, and let them stretch forth the curtains of thy habitations, spare not; lengthen thy cords, and strengthen thy stakes. 54:3 For thou shalt spread abroad on the right hand and on the left; and thy seed shall possess the nations, and make the desolate cities to be inhabited. 54:4 Fear not, for thou shalt not be ashamed. Neither be thou confounded, for thou shalt not be put to shame; for thou shalt forget the shame of thy youth, and the reproach of thy widowhood shalt thou remember no more.

[***] 60:5 Then thou shalt see and be radiant, and thy heart shall throb and be enlarged; because the abundance of the sea shall be turned unto thee, the wealth of the nations shall come unto thee. [***] 60:8 Who are these that fly as a cloud, and as the doves to their cotes? 60:9 Surely the isles shall wait for Me, and the ships of Tarshish first, to bring thy sons from far, their silver and their gold with them, for the name of the LORD thy God, and for the Holy One of Israel, because He hath glorified thee. 60:10 And aliens shall build up thy walls, and their kings shall minister unto thee; for in My wrath I smote thee, but in My favour have I had compassion on thee. 60:11 Thy gates also shall be open continually, day and night, they shall not be shut; that men may bring unto thee the wealth of the nations, and their kings in procession. 60:12 For that nation and kingdom that will not serve thee shall perish; yea, those nations shall be utterly wasted. [***] 60:16 Thou shalt also suck the milk of the nations, and shalt suck the breast of kings; and thou shalt know that I the LORD am thy Saviour, and I, the Mighty One of Jacob, thy Redeemer. 60:17 For brass I will bring gold, and for iron I will bring silver, and for wood brass, and for stones iron; I will also make thy officers peace, and righteousness thy magistrates. [***] 61:5 And strangers shall stand and feed your flocks, and aliens shall be your plowmen and your vinedressers. 61:6 But ye shall be named the priests of the LORD, men shall call you the ministers of our God; ye shall eat the wealth of the nations, and in their splendour shall ye revel. [version of the Jewish Publication Society]"

In their religious mythologies, the Jews promise themselves the land from the Nile river to the river Euphrates. The Jews were never the native inhabitants of the land of Palestine. Their Jewish God instructs them to steal this land by genociding the native populations and most importantly to exterminate every last "Amalekite". The Jews who ruined the Turkish Empire and genocided the Armenians, and who are to this day genociding the Moslems and Armenians, are attempting to fulfill these Jewish messianic commandments. The Jewish book of *Numbers* 33:50-56 states,

"50 And the LORD spake unto Moses in the plains of Moab by Jordan near Jericho, saying, 51 Speak unto the children of Israel, and say unto them, When ye are passed over Jordan into the land of Canaan; 52 Then ye shall drive out all the inhabitants of the land from before you, and destroy all their pictures, and destroy all their molten images, and quite pluck down all their high places: 53 And ye shall dispossess the inhabitants of the land, and dwell therein: for I have given you the land to possess it. 54 And ye shall divide the land by lot for an inheritance among your families: and to the more ye shall give the more inheritance, and to the fewer ye shall give the less inheritance: every man's inheritance shall be in the place where his lot falleth; according to the tribes of your fathers ye shall inherit. 55 But if ye will not drive out the inhabitants of the land from before you; then it shall come to pass, that those which ye let remain of them shall be pricks in your eyes, and thorns in your sides, and shall vex you in the land wherein ye dwell. 56 Moreover it shall come to pass, that I shall do unto you, as I

thought to do unto them. [KJV]"

The Jewish book of *Deuteronomy* 25:17-19 states,

"17 Remember what Amalek did unto thee by the way, when ye were come forth out of Egypt; 18 How he met thee by the way, and smote the hindmost of thee, even all that were feeble behind thee, when thou wast faint and weary; and he feared not God. 19 Therefore it shall be, when the LORD thy God hath given thee rest from all thine enemies round about, in the land which the LORD thy God giveth thee for an inheritance to possess it, that thou shalt blot out the remembrance of Amalek from under heaven; thou shalt not forget it. [KJV]"

The Jewish book of *Exodus* 17:14-16 states,

"And the LORD said unto Moses, Write this for a memorial in a book, and rehearse it in the ears of Joshua: for I will utterly put out the remembrance of Amalek from under heaven. And Moses built an altar, and called the name of it Jehovah-nissi: For he said, Because the LORD hath sworn that the LORD will have war with Amalek from generation to generation. [KJV]"

It is important for people to understand that there is no distinction in Judaism between politics and religion. Politics is religion in Judaism. When someone claims that the Jewish bankers annihilated the Armenians in order to take their oil, not for religious reasons, they miss the point. Stealing the wealth of the Goyim is a religious commandment to the Jews. They also

ignore the Jewish commandment to blot out the Armenian "Amalekites" and the Jews' religious desire to steal Palestine in order to take the seat of government of the World, build the Jewish Temple, anoint the Jewish messiah, and begin the process of the final extermination of all non-Jews, which is the ultimate goal of Judaism. The Jewish Genocide of Armenian Christians was a religious exercise for those Jews who perpetrated it, spiritually, politically and economically.

Today, the descendants of the same Jews who genocided the Armenians of the Ottoman Empire are again out to blot out the Armenian "Amalekites" and steal the oil of Baku. They have thoroughly infiltrated and corrupted Armenian leadership at the highest levels and are duping the Armenians, truly Moslem Turks and truly Moslem Azers into starting World War III, by again pitting Moslems and Christians against one another. After these fools have done the Jews' work for them by destroying themselves and one another in the false name of national pride and honor, the Jews will step in and steal the oil as they did after the First World War the Jews artificially manufactured—that is if there is any human race left at the end of World War III.

Moslems and Christians should unite against the common enemy which is pitting them against one another. They should reconcile for common profit and for peace. The Jewish community is the source of the Armenian genocide, a genocide which continues, and which will soon escalate if the Armenians are stupid enough to take the Jewish bait and repeat the same mistakes of the past out of greed for oil and a misdirected sense of nationalism. First chase out the corrupting Zionist influence, then take advantage of the wealth of the region together with your neighbors. War will likely lead to another series of massacres and the final death of the Armenian Republic. Publicly identify the enemy and unite with Moslems, then seek justice from all of the guilty

parties.

Armenians must realize that the leaders of Jewry are playing games with you and are pitting the Turks and Azers against you, and you against them. If you fight a war with these Moslem people, it is likely the Jews who will walk away with Baku and with all of Armenia and its wealth.

Jews Are Again Trying to Pit Moslems and Christians Against One Another in Order to Steal the Oil of Baku and to Spark a Third World War

Christopher Jon Bjerknes

http://www.jewishracism.com

It is vitally important to warn Turkish and Azerbaijani Moslems that Jews in Turkey and Azerbaijan, and traitors and crypto-Jews in Armenia, are trying to foment a war over the issue of the Armenian genocide. Top Jews hope that this war will balloon into World War III and drag in Russia and Iran. Top Azers are after Northern Iran, which has a large Azer population, and much territory which rightfully belongs to Armenians, and which is demographically predominantly Armenian. Top Armenians are again eager to sacrifice millions of Armenian lives in hopes of getting their hands on the oil of Baku. The Turks and Russians are also after Baku.

World Jewry is promising top Armenians that if they instigate World War III, then after this war the map of the region will be redrawn to expand Armenia into what is today Eastern Turkey, Azerbaijan and Northern Iran. World Jewry is promising the Azers that if they help provoke

World War III, that after this war there will be a peace conference which will expand the borders of Azerbaijan to take much of Armenia, Iran and Nagorno-Karabakh. World Jewry is promising the Kurds that if they instigate World War III, they will ultimately be given the oil of Northern Iraq and Baku, and the city of Kirkuk, and that a new nation of Kurdistan will be formed. The Turks are being promised that if they roll over the Kurds and Armenians, that they will absorb Azerbaijan and seize control of Baku.

Obviously, these are mutually exclusive, false promises. The benefactors will be, and only be, the Israelis who have desired to take "Greater Israel" from the Nile of Egypt to the Euphrates of Iraq, and beyond, for 2,500 years or more. Rich Jews will take over the oil fields of the entire region, including Baku, as they did after the First World War, and as they have sought to do since the 1870's.

A political solution is needed to head off this Jewish instigated march towards World War III. Perhaps Armenia and Azerbaijan could unite and form a prosperous superstate and chase out the Jewish influence which is deliberately bringing them into conflict. Armenia and Turkey can seek rapprochement by exposing the Jewish origins of the "Young Turks" and chasing the Doenmeh out of power in Turkey. This would relax the growing tensions in the region and promote stability, trade and prosperity for all of the parties involved, and for the sake of humanity at large.

Jewish Leaders in Israel, Turkey and Azerbaijan Deny the Armenian

Holocaust

Christopher Jon Bjerknes

http://www.jewishracism.com

Tzipi Livni, Vice Prime Minister of Israel, recently stated,

"The global Holocaust denial led by Iran is a political move meant to de-legitimize Israel, and it is unacceptable that a country that denies the Holocaust is accepted by the world as part of the international community [.]"—Tzipi Livni, Foreign Affairs Minister and Vice Prime Minister of Israel, as quoted in Lilach Shoval, "Anti-Semitism very much alive, says Livni", *www.ynetnews.com*, http://www.ynetnews.com/articles/0,7340,L-3363734,00.html, (11 February 2007).

Israeli leaders have attempted to make Iranian President Ahmadinejad's Holocaust conference a *casus belli* for wiping Iran off the map. What of the global Armenian Holocaust denial led by the Jews of the Middle East? And what of the ADL and Israel hypocritically asking Armenians to submit to an Armenian Holocaust conference founded on Turkey's official denial of the Armenian Holocaust?

Why does it appear to be Jews who are behind all of this denial in Israel, Turkey and Azerbaijan? Is it because Jews perpetrated the Armenian Holocaust, that Jews lead the charge to deny it and block attempts to gain recognition for it? Why is it that most American Jews appear to favor recognition of the Armenian genocide, while the Jews in the Middle East, who

are closest to the den of the Doenmeh in Turkey—the Doenmeh who still run the country of Turkey—are eager to see these facts forgotten?

The ADL's Lewy and Foxman Issued a Statement on the Armenian Genocide

Christopher Jon Bjerknes

http://www.jewishracism.com

ADL National Chair Glen S. Lewy, and ADL National Director Abraham H. Foxman issued a statement today, which stated, in part,

"We must encourage steps to create an atmosphere in which Armenia will respond favorably to the several recent overtures of Turkey to convene a joint commission to assist the parties in achieving a resolution of their profound differences."

This statement exhibits bias in favor of Turkey and against Armenia; in that it demonstrates support for the "overtures" by Turkey without comment as to their nature, appropriateness or reasonableness; and further, in that it ignores Armenia's reasons for rejecting those "overtures" based on their unreasonable and inappropriate nature. The ADL's statement implies that Armenia is to blame for the failure of the two states to reach a consensus and proceed on Turkey's "overtures". The ADL ignores the fact that Turkey has denied the Armenian genocide. Perhaps Lewy and Foxman will realize this fact and amend their statement.

Further on in their joint statement Lewy and Foxman imply that Armenia is acting based on emotion; and *not* on logic, fact, and normal scholarly and ethical standards; when Armenia

demands recognition of the Armenian genocide,

"The force and passion of the debate today leaves us more convinced than ever that this issue does not belong in a forum such as the United States Congress."

The ADL should be asked why it makes such intrusive suggestions in an issue not of its direct concern, and why it appears to side with Turkey's positions. The Jewish dominated Turkish Government clearly has incentives to prevent the US Congress and Israel from officially recognizing the Armenian genocide. Exposure of the genocide will inevitably lead to further exposure of the ethnic and religious origins of the Jewish "Young Turks" who sought to exterminate the Armenians. Recognition of the genocide by the US and Israel will also provide an additional legal basis for the award of reparations to the Armenians for the genocide.

I agree with the overall sentiment that there should be a rapprochement between Turks and Armenians. It is in the best long term interests of both peoples and the world and will promote peace, stability and trade in the region and throughout world. However, injustice, mythology and unethical denial are not the basis for rapprochement. Respect for the lives lost and the damages done, and an attempt at an equitable settlement, are the basis for reestablishing sound relations and strong friendships. This also applies to the Kurds and Jews, who participated in the Armenian genocide. Is the ADL oblivious to these obvious truths?

The ADL, Israel and the Armenian Genocide: What to Do Next

Christopher Jon Bjerknes

http://www.jewishracism.com

Abraham Foxman has regrettably not changed his position on the proposed resolutions in the US Congress to recognize the Armenian genocide. I suggest the Armenians attempt to engage

the ADL directly in dialogue in a good faith effort to resolve this matter quickly. I suggest the Armenian Government query the ADL as to its knowledge of the ethnic and religious origins of the Jewish "Young Turks" who attempted to exterminate the Armenians in the Ottoman Empire.

The Armenians can ask the ADL whether or not it is a foreign agent of the Israeli Government. After the ADL partially amended its national policy with respect to the Armenian genocide, the Turkish Government turned to the Israeli Government. Why is that?

It is interesting history to explore how the ADL was founded after B'nai B'rith leader Leo Frank raped and murdered 13 year old Mary Phagan.

The nation of Israel has not officially recognized the Armenian genocide. The Armenian Government should enter into a dialogue with the Israeli Government, and ask them if they are aware of the ethnic and religious origins of the Jewish "Young Turks" who sought to exterminate the Armenians in the Ottoman Empire. Armenians can help to make all Americans aware of the plight of the Palestinians, and Israel's illegal aggression against Lebanon in the Second Lebanon War. Armenians can lobby the American Government to cut off aid to Israel on the basis of these crimes against humanity and violations of international law.

Armenians should bolster their already good relations with the broader Jewish community. It is in the interest of both communities that the complete history of the Armenian genocide be told and officially recognized. It is only by thoroughly investigating the facts behind genocides, and identifying the perpetrators, that we can learn from them, and discourage and prevent future genocide.

Subject: Cyrus, King of Persia; Esther; and Ahasuerus, King of Persia

[***]

Cyrus, King of Persia (Iran), defeated the Babylonians and freed the Jews from their exile in Babylon. Cyrus then restored the Jews to Judea and helped to rebuild Jerusalem and the Temple. Later, Ahasuerus', King of Persia's, wife died (killed by the Jews?). Mordecai persuaded Esther (her Jewish name was Hadassah) to conceal the fact that she was Jewish and offer herself to the King for a new wife. Hadassah became Queen Esther. Haman, descended from Esau through the Amalekites, allegedly had attempted to persuade King Ahasuerus to punish the Jews for refusing to worship the King. This a doubtful account, but at any rate, Esther talked her husband, the King of Persia, into hanging Haman on the gallows he had prepared for the Jews. Esther then persuaded the King to mass murder all of Haman's people. This is the genocide of Haman/Amalek/ Esau, that the Jews celebrate during Purim. The story is told in the book of "Esther" in the Old Testament. Many lesson are contained in this story. For the Israelis, it must be ironic, if not intentional, and I believe it is intentional, that they are again using a Persian/Iranian King/President, to accomplish their ends, this time to destroy the Persians, themselves, and perhaps to trigger a violent response and a war. It is a reminder of what ultimately happens to those who serve Zionists. I also wonder if after the coming air strikes on Iran, another staged attack will hit us in the US, which it will be claimed was an Iranian retaliation, and this will be used as a pretext to begin the next world war.

God commands the Jews to exterminate Esau/Amalek/Haman (Gentiles), a commandment they must not forget lest God will exterminate them:

"Remember what Amalek did unto thee by the way, when ye were come forth out of Egypt; How he met thee by the way, and smote the hindmost of thee, even all that were feeble behind thee,

when thou wast faint and weary; and he feared not God."—Deuteronomy 25:17-18

"And the LORD said unto Moses, Write this for a memorial in a book, and rehearse it in the ears of Joshua: for I will utterly put out the remembrance of Amalek from under heaven. And Moses built an altar, and called the name of it Jehovah-nissi: For he said, Because the LORD hath sworn that the LORD will have war with Amalek from generation to generation."—Exodus 17:14-16

"Therefore it shall be, when the LORD thy God hath given thee rest from all thine enemies round about, in the land which the LORD thy God giveth thee for an inheritance to possess it, that thou shalt blot out the remembrance of Amalek from under heaven; thou shalt not forget it."—Deuteronomy 25:19

Many Jews pretended to convert to Islam and they lived in Turkey. They were called Donmeh (various spellings). The supposed converts showed their true face when the Young Turks under the leadership of Jews revolted against the Sultan, destroyed the old culture, and committed genocide against the Christian Armenians, the enemy of the Jews--from the Jewish perspective. An Armenian Delegation Should Query Foxman on the Facts

Christopher Jon Bjerknes

http://www.jewishracism.com

Top Armenian leaders and Armenian Government officials should formally ask Abraham Foxman if he is aware of the ethnic and religious origins of the so-called "Young Turks" who were behind the Armenian genocide. They should also officially query the Israeli Government, and demand that it immediately and officially recognize the Armenian genocide and the ethnic and religious origins of the Jewish "Young Turks" who sought to exterminate the Armenian People in the Ottoman Empire. These letters of inquiry should be accompanied by press releases. This should immediately forward this issue into the public arena, and if it does not, there will be more obvious questions to be asked.

It is well known that many Armenian leaders in the period from 1894-1923 were cowards, who not only failed to save the Armenian People from their enemy, but openly cooperated with that enemy to mass murder Armenians in the hopes of personal and political profit, which never came. Many of these cowards were Freemasons, who justified their inhumanity and treachery as obedience to a murderous gang "with a higher purpose". The common Armenian needs to wake up to this treachery. Another Armenian genocide is in the works for World War III. Fortunately, there are Armenians today who are willing to fight for the security and dignity of the Armenian People.

We Have Won Round One, But the ADL's Half-Measures Do Not Go Far Enough

Christopher Jon Bjerknes

http://www.jewishracism.com

The ADL has just released the following press release which acknowledges the well known fact that the slaughter of Christian Armenians was in fact an act of genocide. However, Foxman stated,

"Having said that, we continue to firmly believe that a Congressional resolution on such matters is a counterproductive diversion and will not foster reconciliation between Turks and Armenians and may put at risk the Turkish Jewish community and the important multilateral relationship between Turkey, Israel and the United States."

This is unacceptable. It is an insult to the 1.5 million murdered Armenians, and to the dignity and intelligence of Armenians worldwide. The US Congress should recognize the Armenian genocide. Furthermore, we should push for an apology from the Turkish Government, from the Kurds, and from World Jewry for the crime of the Armenian genocide. Israel, Turkey and the Kurds should also make reparations to the Armenians and Armenia, though there is truly no way to justly compensate them for the mass murder of one and a half million people.

Since when do we the American People allow the crypto-Jews who run Turkey to regulate our

internal politics? Unfortunately, for quite some time now. . .

Can anyone imagine what would happen if a leader who purports to combat bigotry had said that we should ignore the genocide of European Jewry because that is a matter between Jews and Germans and we do not wish to strain our relationship with Germany? Ask yourselves what is truly behind this messy fiasco.

When you think of the victims of the Armenian genocide, have the decency to feel for their suffering as you feel for the suffering of the victims of Nazi genocide. When you condemn the Jews, Turks and Kurds who perpetrated this crime against humanity, have the decency to condemn them in the strongest terms with which you condemn the Nazis.

It Is Time For Decent Jews to Stand Up and Be Heard

Christopher Jon Bjerknes

http://www.jewishracism.com

When the indecent Jewish "Young Turks" took over the Ottoman Empire and began to slaughter Christians in 1909 and 1911, Brits pleaded with decent Western Jews to do something to end the carnage. Their cries for help not only went unheeded, but indecent Jewish leaders defamed those who spoke out on behalf of the Armenian Christians, whom Jews were mass murdering in the Ottoman Empire. Then, in 1915, these Jews who led the Ottoman Empire genocided 1.5 million Armenian Christians.

If decent Jews had spoken out, these 1.5 million Armenians would not have been murdered. The same happened in 1919, when Brits begged decent Jews to demand that the indecent Jewish Bolsheviks stop mass murdering Christian Slavs. Again, indecent Jewish leaders ridiculed these cries for help, and decent Jews were largely silent. Tens of millions of Christian Slavs then perished at the hands of Jewish Bolshevists like Lazar Kaganovich.

Today, Armenians are merely asking for recognition of the crimes perpetrated against them. Jewish leaders have long obstructed such recognition—little wonder why. When we tell the truth about these crimes, defamations are hurled at us for reporting the facts. It is high time for decent Jews to demand that this end once and for all time.

Today, indecent Jewish leaders are defaming Moslems and mass murdering them in Iraq, Palestine and recently in Lebanon; just as they defamed Armenian and Slavic Christians before genociding them. These criminals are attempting to provoke Americans to genocide the Iranians and Syrians with nuclear bombs. Then will come the genocide of the Saudis, Jordanians,

Egyptians, Lebanese, etc. and again the Armenians, and again the Russians and Chinese, whom Jewish Bolsheviks and Jewish "Young Turks" have been killing in the millions for decades. The murder will escalate to billions, perhaps to the extermination of the human race, if we do not stop these killers.

This ancient Jewish war against the human race has got to end now, and decent Jews must stand up now and be heard. Psychopathic presidential candidates, bought and paid for by unimaginably wealthy Jews in Herzliya and New York, are openly calling aggressive nuclear war "an option" which must be "left on the table"—like the annihilation of the Iraqis was before, for this same group of Jewish leaders. Is genocide truly "an option"? For them, it quite demonstrably is.

The source of this madness is the Jewish community, and this madness must end. Decent Jews must rise as never before and put a halt to the criminal insanity of Jewish leaders who are again organizing and orchestrating genocide against helpless human beings. Jewish leadership is deliberately leading the World toward a nuclear World War III. There can be no better eyeopener for decent Jews who are unaware of this history, than the obstacles Jewish leaders put on the path to recognition of the Armenian genocide, which Jewish leaders perpetrated 92 years ago, four years after Jews in general were politely asked in the pages of the *Times* of London to do something to stop the killing of Christians.

An Advisory to the Armenian Community

Christopher Jon Bjerknes

http://www.jewishracism.com

There is a group of embarrassing phonies who are attempting to steal my thunder on the issue of *The Jewish Genocide of Armenian Christians* (as they have done on many other issues I have covered). This same group has attempted to incite violence against me, and has attempted to defame me with lies and innuendo. Note that they repeat things I have said in my book, and on television and radio, virtually verbatim, but do not mention my name, though they are demonstrably aware of my work. This group attacked me right when my work on the Armenian genocide received broad attention, and they viciously attacked me just as I was preparing my lecture to the Armenian community in Glendale, California—a lecture which was well received despite the efforts of this group to defame me.

Normally, I would ignore these provocateurs, but I feel obliged to the Armenians to let them know that this group has been exposed on CNN and is likely to embarrass you.

Foxman's Folly

Christopher Jon Bjerknes

http://www.jewishracism.com

Why is it so important to some Jewish leaders that the US Congress NOT recognize the Armenian genocide? Why would they engage in obvious and self-defeating hypocrisy, rather than join with the Armenian community to condemn the genocide? If you read my book *The Jewish Genocide of Armenian Christians*, you will discover that some Jewish leaders in 1911 ridiculed correspondents to the *Times* of London who warned Jews to condemn the massacres of Christians in the Ottoman Empire, which the Jewish "Young Turks" were perpetrating. Had Jewish leaders heeded these cries for help, the 1.5 million Armenian Christians the Jews mass murdered would have instead been spared.

Some Jews today are in quandary to figure out why any Zionist Jew would decline the opportunity to capitalize on the genocide of 1.5 million helpless Christians as an opportunity to generate animosity towards Moslems and Islam. Other Jews are appalled by the hypocrisy of denying this genocide.

Nevertheless, Abraham Foxman is holding firm. The ADL is suffering from an increasing number of dissensions:

2 members of regional ADL board quit

Fortunately for the United States and for humanity, John J. Mearsheimer and Stephen M. Walt have expanded their original paper *The Israel Lobby and U.S. Foreign Policy* into a book which

will be released on 4 September 2007:

The Israel Lobby and U.S. Foreign Policy

Foxman has killed his credibility just in time for the release of Foxman's response to Mearsheimer and Walt, a fact which should be pointed out when Mearsheimer and Walt's book is discussed together with Foxman's response:

The Deadliest Lies: The Israel Lobby and the Myth of Jewish Control

The question is, why would Foxman suffer such heavy blows to his credibility at this time when he stands to lose so much? What could possibly be a greater loss to organized Jewry than the ADL?

Two of the Worst Genocidal Mass Murderers in History Were Crypto-Jewish Freemasons Working for the Rothschilds

Christopher Jon Bjerknes

http://www.jewishracism.com

It is well known that Lev Davidovich Bronstein, a.k.a. "Leon Trotsky" was a Jewish Freemason under the employ of the Rothschilds. What is less well known is that Talaat Pasha was also a Jewish Freemason working for the Rothschilds.

A couple of sources claim that Talaat was a Bulgarian Gypsy. Other sources point out that Talaat was a Doenmeh crypto-Jew from Salonika. On page 52 of my book *The Jewish Genocide of Armenian Christians*, there is a reference to "Osman Talaat" as a Doenmeh Freemason. This reference comes from the Constantinople Correspondent of the *Times* of London, and it originally appeared on 9 August 1911, on page 3 of the *Times*. On page 223 of my book, there is a reference to Talaat Bey as a Doenmeh from Salonika. This reference comes from an article by Marcelle Tinayre first published in the French newspaper *L'Illustration* in December of 1923,

which was then translated as "Saloniki" and published in *The Living Age*, Volume 320, Number 4156, (1 March 1924), pp. 417-421. On page 224 of my book, there is yet another reference to Talaat as a Doenmeh of Salonika. The reference is from Rafael De Nogales in his book *Four Years Beneath the Crescent*.

The Doenmeh sought to conceal their Jewish identity, so it is not surprising that Talaat would circulate false claims as to his anscestry. In addition, many Moslems were raising concerns that the Ottoman Empire had been taken over by Zionist Jews who wanted to take Palestine from the Arabs, and Jerusalem from Islam. This also created an incentive for Talaat to lie about his anscestry. There are many sources in my book which refer generally to the leaders of the Committee of Union and Progress as Jews, but I have not mentioned these, though they are evidence, given that Talaat was such a leader.

On Disloyal "Armenians" Who Chase after Fame and Fortune

Christopher Jon Bjerknes

http://www.jewishracism.com

The Armenian community is rotten with disloyal Freemasons, crypto-Jews and Socialist-Communist Revolutionaries ready to do the bidding of the Jewish bankers to bring Armenian Christians into conflict with Moslems, and to destroy the Armenian nation through deliberate depopulation and economic strangulation—and eventually through war. Many of the historians

who have written about, and produced documentaries covering the Armenian genocide fit into these categories. Others have a personal axe to grind against the Turkish Government. These "historians" largely ignore, and some even attempt to subvert and marginalize, efforts to expose the Jewish and Freemasonic origins of the Armenian genocide. In a forthcoming documentary, I will expose this campaign of silence and the collaboration of Armenian traitors and crypto-Jews with Zionist Jews to pin *The Jewish Genocide of Armenian Christians* solely on Moslems, Islam and Germany.

Just as happened when the Armenian genocide began, Armenian traitors and crypto-Jews are helping the Jewish bankers to destroy the Armenian People and the Armenian nation. They are leading Armenians to clamor for their own destruction in the name of Armenian nationalism. Some of these traitors want to profit from the oil of Baku. Others want to fulfil Freemasonic goals, which have become the artificial fulfilment of Jewish messianic prophecy. Still others hate Armenians and want to see them massacred in wars supposedly meant to enrich rich Armenians in the diaspora, but which will only profit Zionist Jews.

It is critical at this time to promote peace and stability in the Middle East. Tell the full truth about the Armenian genocide and seek justice from all of the guilty parties in the interest of peace and stability. Expose all of the criminals. This is a good way to end the continuing genocide of the Armenians, which has its roots in Zionism, Jewish racism and Jewish messianic prophecy.

There are two good books on the Armenian genocide, which I recommend, and which were

written by Armenians:

Pierre Hepess, *LE DERNIER BAL DU "GRAND SOIR" OU LA "REPUBLIQUE UNIVERSELLE" DE L'AN UN A DEUX MILLE: ETUDE SOCIOLOGIQUE, POLITIQUE ET HISTORIQUE*, Beirut, (1957);

and,

John S. Kirakossian, *The Armenian Genocide: The Young Turks Before the Judgment of History*, Sphinx Press, Madison, Connecticut, (1992); which was first published as two volumes in Armenian in 1982 and 1983, which were then translated into Russian in 1986, and then into English in 1992.

The following article is interesting. However, in order to have true democracy and freedom of speech, the Turks will have to wrest the Turkish media from the hands of the Doenmeh and

Censorship Allegation

Christopher Jon Bjerknes

http://www.jewishracism.com

Ynetnews.com is reporting that "following appeals from senior government officials" a Turkish television "network decided to shelve the tape" of "Israeli soccer fans cursing the Prophet Muhammad". Why is a television network in Turkey working against the interests of Moslems in Turkey, and against the interests of preserving and disseminating the truth, in the name of maintaining good relations with bigoted, anti-Islam Israel? Why are senior government officials in Israel working against the interests of Christian Armenians, and against the interests of preserving and disseminating the truth, in the name of maintaining the interests of the crypto-Jews who run Turkey? What is the common denominator which dominates Turkish and Israeli politics? Clearly, it is not Islam, or Christianity.

John J. Mearsheimer and Stephen M. Walt: The Israel Lobby and U. S. Foreign Policy

Christopher Jon Bjerknes

http://www.jewishracism.com

As of the moment I write this article, John J. Mearsheimer and Stephen M. Walt's new book *The Israel Lobby and U.S. Foreign Policy* has reached an "Amazon.com Sales Rank: #163 in Books". This is huge news, though you wouldn't know it from the glaring lack of mainstream reviews on the amazon.com page. I suggest that everyone point out the ADL's involvement in the Armenian genocide issue, and Israeli President Shimon Peres' pledge to advocate for Turkey in the US, as support for the thesis of Professors Mearsheimer and Walt, who have courageously stuck out their necks for our country. I have recently blogged on these issues:

Take the Zionists to Court for Their Crimes Against Humanity

Christopher Jon Bjerknes

http://www.jewishracism.com

It is appears that some Lebanese are going to seek damages for the harm the Israelis have done to them:

Hezbollah to file lawsuits against Israel for damage caused in war

I long ago pointed out that Israel's attack on Lebanon was premeditated, and that this fact formed the basis for a cause of action in the courts to sue Israel. Long before Ehud Olmert admitted this fact before the Winograd Commission, I stated publicly in my blog and in the first edition of my book *The Jewish Genocide of Armenian Christians* that the Israelis followed the same model to create a pretext for annihilating Lebanon that they used in Gaza, of having their people invade and using their capture as a pretext for massive and incomprehensibly disproportionate collective violence against their neighbors. See, for example:

Russians, Americans, Germans, Armenians, Turks, etc. each individually, and all collectively, have causes of action against Israel and the Jewish bankers for the war against humanity which they have been waging, which has manufactured two world wars and a coming third, and countless other wars, genocides and vastly destructive revolutions. As I said long ago, the mere act of filing such suits calls international attention to Zionist crimes against the human race.

Shahan Natalie planned and organized the successful execution of Talaat Pasha for the crime of committing genocide against the Armenian People. Talaat Pasha was a crypto-Jew from Salonika. Talaat was Minister of the Interior of the Ottoman Empire, a member of the Committee of Union and Progress, and Grand Master of the Grand Orient Masonic Lodge of Constantinople. He issued orders for the complete extermination of the Armenians in the Ottoman Empire.

Under orders from Shahan Natalie, Soghomon Tehlirian assassinated Talaat Pasha, in Berlin, on 15 March 1921. It appears that Watertown, Massachussetts is a city of destiny. The Wikipedia page for Shahan Natalie states,

"Shahan Natalie died on the morning of April 19, 1983, at his home in Watertown, Massachusetts; he was 99."

On the Myth That It Is Legal for the Jewish Lobby to Pressure Congress to Commit Crimes Against Humanity

Christopher Jon Bjerknes

http://www.jewishracism.com

The Jewish lobby and those who fear being called "anti-Semitic" for telling the truth, float the myth that it is legal for these agents of Israel to subvert our democracy and conspire to lead us into crimes against humanity, and other crimes directly against the interests of the American People. It is a pernicious and persistent myth that traitorous Zionist Jews and their hires have the right to steal our wealth, lead us into unnecessary war and ruin our reputation around the World.

Their criminal organizations, which bribe, blackmail and coerce our politicians, do not do so under the cover of law, but under the cover of cowardice and corruption. It is illegal for them to

conspire to cause the United States of America to violate international law. It is illegal for them to conspire to steal our national treasure. It is illegal for them to conspire to corrupt our politicians in order to win their support for Israeli crimes against humanity.

The fact that they are successful in their crimes and commit them with seeming impunity, does not mean that they are operating within the law. Rather it means that Americans have been led into collusion with these crimes and are too corrupted and lazy to stand up for the law and for their own rights under the law.

There is no freedom of the press, when the press is owned by a foreign power intent upon corrupting and destroying our country. The principle of a free press is not fulfilled by submitting to a private tyranny.

The system has failed to secure our rights and we do not abandon these rights by securing them against a wealthy disloyal minority which has exploited our naivete and passiveness, and purchased our press. We must shatter the Zionist monopoly of our press, and this can be accomplished with the stroke a pen. The right to free expression is not the right of a disloyal minority to own and manipulate all of the main arteries of public expression. No such right exists in a free society. We have to abandon the childish delusion that only our government can impose tyranny upon us. We have a very private tyrant whose loyalty to his nation calls for him to use and destroy us.

We would not tolerate it if the government took over our press. Why do we tolerate it when a private, disloyal and hostile Zionist cartel has taken over our press? Is it less a destructive

tyranny because it is in private hands? We demand a free press to secure our liberty. Liberty is the higher principle and is not achieved by allowing criminals to enslave us through predominant ownership and corruption of our press, which must exist to preserve our liberty if we are to be free. A monopolized press which creates and perpetuates slavery and treason is the enemy of liberty and life.

America Is the Blind Slave of Israel

Christopher Jon Bjerknes

http://www.jewishracism.com

In order for a slave to free himself from his master, he must first realize his condition of bondage. Americans, open your sleep worn eyes and have a look at how Israeli Jews and their agents in America control "your" US Congress and your daily lives and future:

Israel must get US Jews to back down, Turkey's envoy tells 'Post'

Note that the Turkish Government turns to the Israeli Government, not to the American Government, in order to control the US Congress. And note further that the Israeli President Shimon Peres has pledged to pimp for Turkey and subvert American "democracy" and that he commits this act of war against us as openly, freely and easily as a master whips his slave, and the press in America ignores this attack on our sovereignty and our dignity.

Israel is an unkind master that tears at our moral soul and spills our blood around the world. It steals from our purse and spits in our face. It pledges to make us liars to cover up its crimes, and it enjoins our aid to commit further Jewish genocide against helpless Moslems and Christians.

We must break this yoke from our neck, or lie down in it and wait for the blade to fall, for it is a guillotine of our own making, sharpened by our stupidity and lifted by our greed.

The irony is that Zionist Jews cannot make up their minds as to whether it is "good for the Jews" to cover up their crime of genociding the Armenians, or to scapegoat the Moslems and capitalize on this opportunity to pin a Jewish crime on Islam. They will play their games and watch the winds toss the hollow balloons which they have floated.

We have to act for ourselves and claim our freedom and dignity by acting freely and without fear. Our master is a sick little old man and if we tug ever so slightly at the chains which bind us to him, it is he who will fall and choke on the dust. We are a lion cowering before a yapping miniature mutt. He has bitten our nose and one swipe of our paw will end the noise. Recognize the enemy and tell the Israelis to stay out of our country or we will respond to their war against us.

Mearsheimer and Walt, the ADL and the Armenian Genocide

Christopher Jon Bjerknes

http://www.jewishracism.com

The American-Armenian community should invite Professors Mearsheimer and Walt, authors of the new book *The Israel Lobby and U.S. Foreign Policy*, to speak about the undue and destructive influence the Zionist lobby has on American politics. The good professors would learn helpful lessons from the Armenians and their struggle against the ADL and other Jewish organizations, and the Armenians would learn helpful lessons about the generally negative impact the Israel Lobby has on all of humanity.

Court Precedent Set for Victims of the Israeli Attack on the U.S.S. Liberty

Christopher Jon Bjerknes

http://www.jewishracism.com

The following case sets a precedent for the recovery of damages from Israel for its attack on the U.S.S. Liberty:

US court fines Iran 2.65 bln for 'heinous' 1983 Lebanon attack

Moslem nations should establish their own common court in which to seek justice for Israeli, British, French, American, and other Zionist and Colonial crimes committed against you. With the leverage you have on the West with oil, you will be able to enforce the judgements you make. This court could grow to include the Slavic nations, which ought to sue the bankers for engineering and financing the world wars and Communist revolutions which murdered tens of millions of Slavs. The best way to defeat the Zionists is to take away their ill gotten disproportionate wealth. On a level playing field, they will lose. Iran, for example, could sue for the illegal threats made against it by America, Great Britain, France, Germany and Israel. Iran could also sue for the tortuous interference against its trade and international relations accomplished through coercion and illegal manipulation of the UN and IAEA.

I blogged about this idea back in February:

The Triumph of Humanity Over Politics

This is absolutely the best way for Turkey to proceed:

For the first time in history Turkish MP speaks of Armenian Genocide recognition

By taking a dignified, principled, just and fair approach to the current situation, Turkey can gain friendly and profitable relations with its Armenian neighbors, with Russia, and with Europe and the West in general. This will more than compensate any expenses incurred by making restitution, and will maintain and promote peace and stability throughout the region. Trade with Armenia alone will more than recover any debts paid. But far beyond this will be the priceless promise of peace between neighbors.

Armenians Keep Up Pressure on the ADL—Where Are the Moslems?

Christopher Jon Bjerknes

http://www.jewishracism.com

The Armenian community will not tolerate the ADL's intolerable behavior:

Third town severs ties with ADL

BREAKING: Commission advises Selectmen to pull out of No Place for Hate program

An Open Letter to Abraham H. Foxman, National Director, ADL

The Moslem-American community should speak out now as never before and counter the Israeli Lobby. I know that the American Government has criminally sought to intimidate you, but things will get worse if you do not fight back, and you now have the perfect opportunity to demand that your voices be heard. Take an early stand with the Armenians and insist that the Jewish role in the Armenian genocide be recognized.

"Genocide Zealots"?

The Wikipedia page for the *National Review* states, among other things,

"The magazine's current editor is Rich Lowry. Many of the magazine's commentators are affiliated with think-tanks such as the Heritage Foundation and the neoconservative American Enterprise Institute. This arrangement encourages these and other groups to share most political opinions with the magazine.

One would not be surprised to find a Zionist bent to such a publication.

The *National Review Online* published the following article:

Judgment Time: Should America recognize an Armenian Genocide? By Barbara Lerner

Lerner dubs those seeking recognition of the Armenian genocide, "genocide zealots", which incorrectly implies that these persons are proponents of genocide, when in point of fact they are active opponents of genocide. For this reason alone, Lerner and the *National Review Online* should retract her inflammatory and irresponsible article and apologize for it. But there is more. . .

Though she, herself, states that Israel, and organized Jewry, have long opposed recognition of the Armenian genocide, she demeans and accuses Armenians who acknowledge these same facts which she has acknowledged, of being conspiratorialists,

"On many blogs and websites, Armenians often accuse these scholars of being part of a Jewish and/or Zionist conspiracy, because Israel has always steadfastly rejected the genocide charge, as Turkey's own Jewish citizens do. In America, all of the existing long-established Jewish organizations also reject it (that is, until last month when one major American Jewish organization capitulated under mounting pressure)."

Lerner is alarmed that Turkey, which is by her account "99-percent Muslim", should elect

Moslem leadership. She appears to condemn the EU for celebrating the triumph of democracy over dictatorship, and Lerner endorses instead the dictatorial rule of the crypto-Jew Ataturk, who was descended from the false Jewish messiah Shabbatai Zevi, and who destroyed the Turkish Empire and the Armenian Republic. Lerner writes,

"Popular grief and anger builds as the Turkish death toll rises, week after week, feeding into a growing Islamist trend in Turkey, as witnessed by the fact that Turkey is no longer governed by any of its old secular parties. It is now instead governed by what the EU and trans-nationals everywhere are pleased to call 'a moderate Islamic party.' This party not only embraces the EU, but also has much closer relations with the Arab world than any previous government of the Turkish Republic Ataturk foundedin [*sic*] 1923. All this leaves our traditional, longtime Turkish friends — pro-American, Ataturk-style, secular Republican nationalists — between a rock and a hard place."

Do not Moslems enjoy the human right of self determination and self rule, or is self government the sole province of Zionist Jews who steal territory from Moslems by means of bloodshed, war, concentration camps, terror and state-sponsored genocidal apartheid?

Zionist Jews Are Scapegoating Turkish Moslems and Armenian Christians for the Zionist Jews' Desire to Cover up the Armenian

Genocide

Christopher Jon Bjerknes

http://www.jewishracism.com

Scapegoating is an ancient Jewish tradition found in the Hebrew Bible in the Jewish book of *Leviticus*, chapter 16, and in the Jewish Talmud in the book of *Yoma*. Since the "Young Turks" who sought to exterminate the Armenians were in fact genocidal Jews, not Moslem Turks, Jews have an incentive to suppress official recognition, and the attendant public awareness, of the Armenian genocide. At the same time, Zionist Jewry is eager to create more wars so that they can add more Armenian victims to the death toll, and so that they can accelerate their Jewish genocide of Moslem peoples.

Since truth, decency, honor, integrity and humanity are no obstacle to these inhuman monsters, Zionist Jews are agitating tensions between Moslems and Christians worldwide and are forever lying about the history of the Armenian genocide in ways which sow the seeds of discord between Christendom and Islam, and which hide the predominant Jewish role in the Armenian genocide and in the destruction of the Turkish Empire.

In Turkey and Azerbaijan, and now in the US, Jews are smearing Armenians as if anti-Semites, and are telling Moslems that it is in their best interests to attack these Christians yet again. Other Jews in the US, Armenia and Europe, are misleading Christians into believing the mythology that the allegedly terrible Moslems and the allegedly genocidal religion of Islam caused the Armenian genocide. Nowhere do they acknowledge the fact that the "Young Turks"

were old Jews, and that the genocidal and racist Jewish religious mythology of the Amalekites, and the Jewish lie that Armenians are the Amalekites, were key elements in *The Jewish Genocide of Armenian Christians*.

Of course, if the genocide resolutions pass, this will increase the likelihood of lawsuits for reparations and restitution. Such lawsuits will lead to the investigation of the genocide, with a strong incentive to identify the guilty parties. Both the Armenians and the Turks will discover that it was World Jewry which committed the crime. This process of discovery will also be accelerated by the fact that the general public will take an interest in this subject and read my book, and all of the information which is certain follow on this issue.

There are Jews who are desperate to prevent exposure of this Jewish crime against humanity. This is why it seems that everywhere you turn in the news to find information about the Armenian genocide resolutions in the US Congress, some Jew is defaming Armenians, Turks, Islam, and/or Christianity. Some Jews deny the genocide, proffering the excuse that they do so to appease the Turks, but in so doing these Jews scapegoat the Turks for the Jewish cover up, and defame the Turks as if potential, or very active, anti-Semites. These same Jews are often now defaming the Armenians by calling them anti-Semites, as well. They do not acknowledge the increasingly well known fact that Jews committed the Armenian genocide and that Jews destroyed the Turkish Empire.

Other Jews heap all of the blame for the Armenian genocide on Moslems and Islam, and attempt to stir up genocidal hatred in Christians towards Moslems. Decent Jews watch in amazement as indecent Jews commit seemingly inexplicably heinous acts against Armenians

who merely ask for the same recognition of the genocide of their people, which Jews have received. Too often, when well meaning people attempt to explain to these otherwise decent Jews what it is that underlies this seemingly inexplicable and hypocritical Jewish behavior, they react with a kneejerk response and whine, "anti-Semitism!" It is 1915 all over again!

Jewry is lying, committing genocide and denying genocide, yet Jewry accuses the rest of the world of "anti-Semitism". If it weren't so deadly serious, it would be tragically humorous.

The Key to Success Against the Zionists

Christopher Jon Bjerknes

http://www.jewishracism.com

Zionists often have a feeding frenzy when they find a coward to jump on. However, when dignified people refuse to be intimidated, the Zionists often slink away.

Though Professors John J. Mearsheimer and Stephen M. Walt were viciously and unfairly attacked when they published their paper *The Israel Lobby and U.S. Foreign Policy*, they wisely stood their ground. They did not back down. They did not even begin to backpedal.

This is one of the chief reasons why the Zionists have called upon their smear mongers to back

off of Mearsheimer and Walt. There are of course other reasons why the Zionists are crawling back into their rotten caves. President Jimmy Carter's book *Palestine: Peace Not Apartheid* accomplished a great deal. Dr. Stephen J. Sniegoski was early to criticize the Israel Lobby. Before him was Congressman Paul Findley with his groundbreaking book *They Dare to Speak Out: People and Institutions Confront Israel's Lobby*. James Petras published an important book *The Power of Israel in the United States*.

Mearsheimer and Walt's new book *The Israel Lobby and U.S. Foreign Policy* is nearing the top ten on amazon.com, as of this writing: "Amazon.com Sales Rank: #15 in Books".

Victims of the Holocaust of European Jewry Should Sue the Jewish Bankers Who Financed It

Christopher Jon Bjerknes

http://www.jewishracism.com

It is well known that Jewish bankers financed the Nazis and placed them in power. If Holocaust victims want to go after the guilty parties, they ought to go after the Jewish bankers who financed the Holocaust and who profited from it. Those Germans who also suffered as a result of the Nazi takeover, as well as other groups who suffered from this aggression, including perhaps most notably the Poles and Russians, should also sue the Jewish bankers who created the Nazis

and WW II, and who profited from it. Their pockets are deep and stuffed with the gold which they harvested from the graveyard of your ancestors.

Zionist Jewry Adds Insult to Injury

Christopher Jon Bjerknes

http://www.jewishracism.com

I have proven that The Jewish Genocide of Armenian Christians was perpetrated by Jewish leaders deceptively calling themselves "Young Turks". In addition to this well documented Jewish crime, World Jewry is perpetrating another series of crimes against the Armenian People. Instead of attempting to mitigate the harm that Jewry caused the Armenians through the genocidal Jewish "Young Turks" by openly admitting the crime and offering reparations, World Jewry is aggravating that harm with a new onslaught of attacks on the dignity and security of Armenians. World Jewry is again attempting to stir up conflict between Turks and

Armenians. World Jewry is openly campaigning to deny the Armenian holocaust.

And now, World Jewry is accusing the Armenians of "anti-Semitism" for telling the truth about the crimes which Jews have committed against Armenians, and against humanity. It is difficult to imagine a more shocking example of blaming the victim than this Jewish campaign to smear Armenians for daring to expose genocidal Jewish crimes against Armenians.

Fortunately, I have discredited this campaign in advance by proving the Jewish origins of the "Young Turks" and their racist and genocidal hatred of the Armenians, whom they dub "Amalekites" to be genocided by Jews. After murdering some 1.5 million Armenians, World Jewry is now attempting to kill their reputation and bring scorn upon them. Wise Armenians better wake up quickly and join me and the large number of Armenians who have supported me in our efforts to expose the Jewish crime of the Armenian genocide. It is your best defense against World Jewry's continued attacks against you and your nation. Continue to welcome decent Jews to help us in our movement to disseminate the truth and preserve the dignity and security of the Armenian People.

"Turkish Jew-Hate" or Vice Versa?

Christopher Jon Bjerknes

http://www.jewishracism.com

Andrew G. Bostom has published another emotional article criticizing Islam:

Turkish Jew-Hate By Andrew G. Bostom

In his article, Bostom presents "these protoypical comments based upon Koran 2:61/ 3:112" as an example of anti-Semitism:

In fact no amount of pages or lines would be sufficient to explain the Qur'anic chapters and our Lord Prophet's [Muhammad's] words that tell us of the betrayals of the Jews... The prophets sent to them, such as Zachariah and Isaiah, were murdered by the Jews...

But these lines differ but little from the words of Jesus Christ in the New Testament book of *Matthew* 23:31-39, which states in the relevant part:

"31 Wherefore ye be witnesses unto yourselves, that ye are the children of them which killed the prophets. 32 Fill ye up then the measure of your fathers. 33 *Ye* serpents, *ye* generation of vipers, how can ye escape the damnation of hell? 34 Wherefore, behold, I send unto you prophets, and wise *men*, and scribes: and *some* of them ye shall kill and

crucify; and *some* of them shall ye scourge in your synagogues, and persecute *them* from city to city: 35 That upon you may come all the righteous blood shed upon the earth, from the blood of righteous Abel unto the blood of Zacharias son of Barachias, whom ye slew between the temple and the altar. 36 Verily I say unto you, All these *things* shall come upon this generation. 37 O Jerusalem, Jerusalem, *thou* that killest the prophets, and stonest them which are sent unto thee, how often would I have gathered thy children together, even as a hen gathereth her chickens under *her* wings, and ye would not! 38 Behold, your house is left unto you desolate. 39 For I say unto you, Ye shall not see me henceforth, till ye shall say, Blessed is he that cometh in the name of the LORD."

Paul writes in I *Thessalonians* 2:14-16:

"14 For ye, brethren, became followers of the churches of God which in Judaea are in Christ Jesus: for ye also have suffered like *things* of your own countrymen, even as they *have* of the Jews: 15 Who both killed the Lord Jesus, and their own prophets, and have persecuted us; and they please not God, and are contrary to all men: 16 Forbidding us to speak to the Gentiles that they might be saved, to fill up their sins alway: for the wrath is come upon them to the uttermost."

Was Jesus Christ an anti-Semite?

Bostom is doing a good job of alienating Turks from Israel and one would hope from the Doenmeh.

Armenians and Turks Should Unite Against the Common Enemy of Israel and Zionism

Christopher Jon Bjerknes

http://www.jewishracism.com

I hope that Christians side with true Turks and Moslems against the onslaught coming from Zionist Jews, and that Turks and Armenians recognize the common enemy of Zionist Jewry and confront it with peace and justice between themselves and all of humanity, just as Christianity and Islam teach them to do. Leave the hatred to the Zionists, they are good at it. Ignore any attempts to pit Christians and Moslems against one another. Encourage Turkey to leave Israel behind and join with Armenia in building on peace and stability in the region. Armenians and Turks should realize that Israelis and Zionists are warring against you and that your best option is a union between Islam and Christendom to form a common front against Zionist aggression and subversion.

Turks and Armenians should realize that Israel is attacking you both, whether you have the guts and self-respect to fight back, or not. The best means to fight back is to make amends with one another, form alliances instead of enmity, and shut out the Zionist agitators who are pitting you against one another, as they did in 1915.

Christianity will be stronger with Islam as an ally rather than an enemy. Islam will be stronger

with Christendom as an ally rather than as an enemy. Israel, it seems, refuses to make peace with any religion including Judaism, though it exploits other religions to their detriment.

Armenia in particular will be much stronger and far more likely to last another 2,000 years with Islam as a friend, rather than an unnecessary enemy. Imagine the trade and prosperity potential with 1.5 billion Moslem friends, and with Armenia as the natural bridge between Russia and Turkey. Pollyannaish, or the true tenets of Islam and Christianity put into play? The choice is between forming a common front against a common enemy, or mutual assured destruction, and it is your choice to make.

Stephen Walt Takes Round One Over Abraham Foxman

Christopher Jon Bjerknes

http://www.jewishracism.com

Professor Stephen M. Walt, who, together with Professor John J. Mearsheimer, authored the new book *The Israel Lobby and U.S. Foreign Policy*, was interviewed by Terry Gross on National Public Radio. Following this interview, Gross then interviewed Foxman, who gave a very poor showing and misrepresented what Walt and Mearsheimer have said. Foxman needs to calm down and learn a new vocabulary, if he ever wants to be taken seriously again. If Foxman is the best the Zionists have to offer to counter Mearsheimer and Walt, they will waltz all over

Foxman time after time.

Robert Spencer: Another Andrew G. Bostom?

Christopher Jon Bjerknes

http://www.jewishracism.com

Like Andrew G. Bostom, Robert Spencer is an author who has written books which are highly critical of Moslem "Jihad". Like Bostom, Spencer is erroneously attempting to define the Armenian genocide as if it were a Moslem "Jihad", without mentioning a word about the Jews who were behind The Jewish Genocide of Armenian Christians, or their racist and genocidal Judaist belief that the Armenians are the Amalekites and that the Jews must exterminate the Armenians.

Note the last two paragraphs of the following article, and also note the information on Robert Spencer's background, which appears below the article:

Abe Foxman's Fear By Robert Spencer

"Foxman's Fear"? Indeed! Is Abraham Foxman unaware of the documented history of the Armenian genocide, and the fact that Jewish leaders were behind it? Daniel Pipes, a highly influential Jewish Zionist, has heard of the British Ambassador to the Ottoman Empire Sir Gerard Lowther's statements that the "Young Turks" were led by Jews.

http://www.danielpipes.org/article/2889#_ftnref8

The Euro-Asian Jewish Congress knows that many Armenians believe, "that Jews organized the Genocide in 1915."

http://www.eajc.org/program_art_e.php?id=39

But what of Abraham Foxman? Is he unaware of this history? The Armenian Government should ask him.

The ADL's Propaganda Campaign to Vilify Iran

Christopher Jon Bjerknes

http://www.jewishracism.com

The Anti-Defamation League has announced that it is launching a broad propaganda campaign to turn the world against Iran in order to generate a climate of fear and panic which will sponsor more aggressive action in the United Nations destined to harm and weaken the Iranian People. The ADL plans to distribute posters which will generate alarm about the alleged Iranian peril:

No Nuclear Iran

ADL Campaign Says 'No' to Nuclear Iran

ADL Campaign Says 'No' to Nuclear Iran

The Nazis used to pass out posters vilifying Jews. This same type of *Volksverhetzung* led to the mass murder of millions of Iraqis through vicious "sanctions" which were a *de facto* campaign of genocide, and through the genocidal and aggressive American attack on Iraq. In a nation which tolerates poster campaigns to vilify a group of human beings, there is likely to eventually be a poster campaign to attack Jews as if a sub-human "race". The ADL is setting the precedent for such an attack.

More Proof that Zionists Are Using the Kurds to Foment WW III

Christopher Jon Bjerknes

http://www.jewishracism.com

For more than a year, I have been warning that Zionist Jews are using the Kurds to foment a nuclear WW III. I stated that Zionist Jews are promising the Kurds that after they provoke WW III, and the wars come to an end, that there will be peace conferences at which the Zionists will

grant the Kurds a large nation of Kurdistan.

What will in fact happen, is that the Kurds will be exterminated, as will the Armenians, and the Turks and Persians, together with the Arabs and Russians, will be weakened to the point of impotence. Jewish bankers will then take over the region, as they did after the First World War, which they also created in a similar fashion. Jewish bankers will steal the oil of Baku and the entire Caspian Sea region, and World Jewry will steal "Greater Israel".

Jet Propelled Trial Balloons Bombing Syria: Setting a Contemporary Precedent for Bombing Iran

Christopher Jon Bjerknes

http://www.jewishracism.com

Israel has again attacked Syria. Syria did not take the bait to counter-attack when Israel recently waged war against Syria. Now Syria is calling for the UN to meet its obligations and act against Israel's illegal military aggression. The credibility of the UN is on the line.

Israel, obviously disappointed that Syria did not take the bait, is scapegoating Syria for Israel's criminal attack. Israel is using the Zionist owned media to promote the idea that Israel was acting in self-defense. Israel is attempting to turn its provocation to war into a precedent for more war against Iran under the false pretense of self-defense.

If the UN fails to meet its responsibility to act against Israel for the illegal Israeli attack on Syria, the UN will be giving the Israelis the green light to attack Iran. Iran will likely respond to the illegal aggression with a counter-attack, especially since the UN will yet again have shown that it is owned and operated by the Israelis, and will not function to protect Iranians from illegal Israeli aggression, but will instead shield Israel from prosecution for Israeli crimes.

Call for a Live Debate: Barack Obama Versus John J. Mearsheimer and Stephen M. Walt

Christopher Jon Bjerknes

http://www.jewishracism.com

Barack Obama is a polished speaker, but it is my belief that Obama's glitter is gold leaf laid over a mediocre mind, a mushy mind that has been molded by Zionist dies. Oabama's victory in the Illinois Senate race came after a prolonged series of scandals and shenanigans, and it is beyond strange that the Republican Party, given all the options in the world, opposed Obama with neo-Conservative and rabid Zionist William Kristol's old friend Alan Keyes, who dutifully made an ass of himself almost daily, thereby not only guaranteeing Obama victory, but making Obama appear to be a genius and a political marvel by comparison.

Since the Zionist owned media does not question politicians about their disloyalty to the United States and their Israel-first agenda, we should enter a new era where politicians not only debate one another, but where scholars openly debate politicians in an unencumbered confrontation. I should note that political "debates" among competing candidates have become more a platform for shallow pronouncements, than serious debate.

Let Barack Obama, who seeks to become the most powerful political leader in the world, and who has interjected himself into the discussion about Mearsheimer and Walt's book *The Israel Lobby and U.S. Foreign Policy*, debate Mearsheimer and Walt in a public forum for all the world to see. I suspect that we will discover that Obama is not the person we want as president, and that his devotion to serving Israel's interests is not in the best interests of the United States of America. Perhaps we can even lead Obama to read the book which he presumes to criticize based upon the opinions of others.

There should be a very public debate about Mearsheimer and Walt's book, and politicians should participate in it. Of course, Obama would likely decline the invitation to debate, but by doing so, he would tacitly confess that his veneer is ever so thin and cracks to reveal a hollow core when he is confronted with a real challenge to his agenda, not a horse's rump like Alan Keyes.

Israel Is a Fundamentally Racist, Apartheid State

Christopher Jon Bjerknes

http://www.jewishracism.com

In the following article, Moshe Zimmerman points out the rampant racism in Israel among Jews:

What about other racists? Uproar over neo-Nazi gang masks other types of Israeli racism

Israel provides a frightful example of how racism of any kind tends towards all kinds of racism. The fundamentally racist nature of the "Jewish State" produces a mind set where humanity is artificially segregated into opposing camps. The mentality becomes so all engrossing that it leads to anti-Jewish racism in the "Jewish State" itself.

This is, of course, not a new phenomenon. Racist Zionism produced racist Nazism, and then the hair splitting took over, with "blondies" preferred even among German shephards, the archetype phenotype of racist myth. Long before, Ezra and Nehemiah taught the Jews that it was an offense to their divine seed to mix it with the subhuman Goyim (*Genesis* 28:1, 6. *Exodus* 34:16. *Leviticus* 20:26. *Numbers* 23:9. *Deuteronomy* 7:1-6. *Ezra* 9. *Nehemiah* 9:2; 13:3, 23-30).

Julius Streicher affirmed at his Nuremberg trial, that the Nazis based the segregationist laws of Nazi Germany on Jewish law. Streicher stated,

"Yes, I believe I had a part in it insofar as for years I have written that any further mixture of German blood with Jewish blood must be avoided. I have written such articles again and again; and in my articles I have repeatedly emphasized the fact that the Jews should serve as an example to every race, for they created a racial law for themselves—the law of Moses, which says, 'If

you come into a foreign land you shall not take unto yourself foreign women.' And that, Gentlemen, is of tremendous importance in judging the Nuremberg Laws. These laws of the Jews were taken as a model for these laws. When, after centuries, the Jewish lawgiver Ezra discovered that notwithstanding many Jews had married non-Jewish women, these marriages were dissolved. That was the beginning of Jewry which, because it introduced these racial laws, has survived throughout the centuries, while all other races and civilizations have perished."—*Trial of the Major War Criminals Before the International Military Tribunal, Nuremberg, 14 November 1945 — 1 October 1946*, Volume 12, Secretariat of the Tribunal, Nuremberg, Germany, p. 315.

http://www.jewishracism.com

At this time when one smear monger has taken it upon himself to attack me for no reason other than that I dare to tell truths he cannot contest, but does not want known, the Armenian community has sent me many kind letters of support. I thank all of you, and assure you that there is no need to apologize for the actions of this one man. My many contacts with Armenians have been exceptionally positive. I will quote from but one letter which included the following statement which was submitted to "Blogian's" blog,

"Dear Mr. Blogian (Magakhian?),

In your post *Anti-Semitism, Zionism and the Armenian Genocide* (for

unknown reasons posted under the headline *Denial and Armenian Genocide*) you baselessly accused Christopher J. Bjerkness in anti-Semitism. Moreover you accused majority of Glendale Armenian community in "idiotism". Are you sure that Rev. Bedros Hajian is anti-Semite? And great John Kirakosian ?

I would like to inform you that Christopher J. Bjerknes is from famous family of European scientists-aristocrats (see Wikipedia) and to talk with him in a language you choose is inadmissible. We, Armenians, must be grateful to Christopher for his titanic efforts to help Armenian cause, establish new facts and vision, and at least do not hinder his work by light-minded remarks and insults.

Christopher J. Bjerknes's thorough investigation *Jewish Genocide of Armenian Christians* deserves intent attention of Armenian people, and decent Turks and Jews.

I post this message only so that those who have not yet had the good fortune of knowing Armenians, do not judge them by "Blogian", but rather by their general faithfulness to fairness and truth. I have observed that Armenians in general uphold the highest standards of civil discourse and honorable behavior.

What Happened to "Blogian"?

Christopher Jon Bjerknes

http://www.jewishracism.com

Come on, "Blogian", give us your name and try to defend the outrageous things you have said. Let's have a little debate in an open forum which you cannot censor. Explain to us why you are defending the Jewish mass murderers of the Armenian People, and prove to us that the Armenians and Assyrians committed the same crimes as I have proven that the Jewish mass murderers Talaat Pasha, Djavid Bey, Emmanuel Carasso, and Dr. Nazim, to name but a few, have committed, those Jews who slaughtered helpless Armenian men, women and children, whose ethnic origins you claim it is "anti-Semitic" to identify. Prove to us that the Armenians and Assyrians had the same racist religious hatred of the Armenians, which I have proven the Jews had. Prove to us how they took over the Ottoman Empire as I have proven the Jews took over the Ottoman Empire. Why is it that you do not want these facts, which identify the Jewish origins of the Armenian genocide, exposed? Why are you spreading libelous lies, instead of attempting to argue the issue?

Why don't you try to prove what British Ambassador to the Ottoman Empire, Sir Gerard Lowther, wrote to the British Foreign Office wrong, when he said, among other things,

"[T]his new Freemasonry in Turkey, unlike that of England and America, is

in great part secret and political, and information on the subject is only obtainable in strict confidence, while those who betray its political secrets seem to stand in fear of the hand of the Mafia. Some days ago a local Mason who divulged the signs of the craft was actually threatened with being sent before the court-martial, sitting in virtue of our state of siege. [***] [T]he Young Turkey movement in Paris was quite separate from and in great part in ignorance of the inner workings of that in Salonica. The latter town has a population of about 140,000, of whom 80,000 are Spanish Jews, and 20,000 of the sect of Sabetai [Z]evi or Crypto-Jews, who externally profess Islamism. Many of the former have in the past acquired Italian nationality and are Freemasons affiliated to Italian lodges. Nathan, the Jewish Lord Mayor of Rome, is high up in Masonry, and the Jewish Premiers Luzzati and Sonnino, and other Jewish senators and deputies, are also, it appears, Masons. [***] Emannuele Carasso, a Jewish Mason of Salonica, and now deputy for that town in the Ottoman Chamber, founded there a lodge called 'Macedonia Risorta' in connection with Italian Freemasonry. He appears to have induced the Young Turks, officers and civilians, to adopt Freemasonry with a view to exerting an impalpable Jewish influence over the new dispensation in Turkey[.] [***] The inspiration of the movement in Salonica would seem to have been mainly Jewish[.] [***] Carasso began to play a big rôle, including his successful capture of the Balkan Committee, and it was noticed that Jews of all colours, native and foreign, were enthusiastic

supporters of the new dispensation, till, as a Turk expressed it, every Hebrew seemed to become a potential spy of the occult Committee, and people began to remark that the movement was rather a Jewish than a Turkish revolution. The Italian Government appointed a Jew and Mason called Primo Levi, who was not in the consular career, as consul-general at Salonica, and Oscar Strauss, who, together with Jacob Schiff, had influenced the American Jews in favour of Jewish immigration into Mesopotamia as opposed to other Territorialist plans and as an extended form of Sionism, was appointed American Ambassador here. [***] Carasso was one of the bearers of the message of deposition to Abdul Hamid, who was conveyed to Salonica and confined in the house of the Italian Jewish bankers of the Committee, while a brother of Remzi Bey was set over him as keeper. After the deposition the Jewish papers of Salonica sent up a loud cry of deliverance from 'the oppressor of Israel' who had twice turned a deaf ear to the appeals of Herzl, the Sionist leader, and who, by the imposition of the red passport, like our own Aliens Act, against Polish Jewish immigrants, and otherwise, had thwarted the realisation of the ideals of Sionism in Palestine. The ninth Sionist Congress in December 1909 at Hamburg announced that the divisions in the Jewish world between Territorialists and Sionists, 'as a miracle of the Turkish revolution', had been healed. At the same time Javid Bey, Deputy for Salonica, an exceedingly clever and gifted Crypto-Jew and Freemason, was made Minister of Finance, while Talaat Bey, also a Freemason, became Minister of the Interior. [***] Parliament

was 'ordered' to pass a very stringent Press Law, and a Salonica Crypto-Jew and Freemason was made 'Directeur du Bureau de la Presse', a post of enormous power, as its holder can suppress a paper for severe 'criticism of the new régime' (dubbed 'reaction'), or have the proprietor or editor court-martialled. A semi-inspired Ottoman telegraph agency [***] was started under the direction of a Baghdad Jew, and an all but successful attempt was made to appoint a Salonica Jewish lawyer and Mason as adviser to the Ministry of Justice. The Constantinople head branch of the Committee of Union and Progress is also run by a Salonica Crypto-Jew and Mason. Another Salonica Crypto-Jew and Freemason made determined attempts to be appointed 'Préfet', i.e. Lord Mayor, of the capital, but has not yet succeeded in his aim, though Prince Said Ha[lim] an Egyptian Freemason, has become Deputy Mayor. [***] [T]he old Ministry of Police was replaced by the 'Sûreté Publique' controlling the police and gendarmerie, and put in charge of a Salonica Freemason. [***] Talaat Bey, the Minister of the Interior, who is of Gipsy descent, and comes from Kirjali, in the Adrianople district, and Javid Bey, the Minister of Finance, who is a Crypto-Jew, are the official manifestations of the occult power of the Committee. They are the only members of the Cabinet who really count, and are also the apex of Freemasonry in Turkey. [***] A Turk described it as a process of 'drugging the latter with Jewish hashish'. From the foregoing or any close inspection of the Young Turkey movement in its present stage, it will appear to be

principally Jewish and 'Turkish' as opposed to other Ottoman elements, e.g. Arabs, Greeks, Bulgarians, Armenians, etc. [***] It was hoped in the beginning that the Armenians, Bulgarians, Greeks and the Ottoman Jew would serve as economic props, but the Young Turk seems to have allied himself solely with the Jew, Ottoman and foreign, and to have estranged the other races. The same result has been witnessed in Hungary, where the Hungarian, who is of Turkish stock and is similarly devoid of real business instincts, has come under the almost exclusive economic and financial domination of the Jew. [***] [A]s Turkey happens to contain the places sacred to Israel, it is but natural that the Jew should strive to maintain a position of exclusive influence and utilize it for the furtherance of his ideals, viz, the ultimate creation of an autonomous Jewish state in Palestine or Babylonia, as explained by Israel Zangwill in his article in the 'Fortnightly Review' of April. He would kill two birds with one stone if he could obtain from the Turk unrestricted immigration of Jews into Turkey, an aim that he has been pursuing for years back, and transfer to Mesopotamia some millions of his co-religionists in bondage in Russia and Roumania. In return for 'unrestricted immigration' of foreign Jews, he has offered the Young Turk to sacrifice his mother-tongue and replace it by Turkish, and even to take over the whole of the Turkish National Debt. Dr. Nazim, one of the most influential members of the Salonica Committee and said to be of Jewish extraction, has, in company, with his fidus Achates, a certain Faik Bey Toledo, a Crypto-Jew of Salonica, visited the Paris branch of the I.C.A.

(Judaeo-Colonisation Association) and has since openly advocated importing 200,000 Roumanian Jews into Macedonia and some millions of Russian Jews into Mesopotamia. [***] Doubtless, when Young Turkey with its heavy military expenditure is in need of borrowing, further pressure will be applied by the Jewish lenders. [***] For the 'Aurore' ('Shefak'), a Sionist organ started a year ago in Constantinople, is never tired of reminding its readers that the domination of Egypt, the land of the Pharaohs, who forced the Jews to build the Pyramids, is part of the future heritage of Israel. [***] Mesopotamia and Palestine are, however, only the ultimate goal of the Jews. The immediate end for which they are working is the practically exclusive economic capture of Turkey and new enterprises in that country. [***] [T] hey hold or control all the pivotal points in the machinery of the Young Turkey Government, though the Ministry of Public Works [***] is still held by an Armenian, Halajian Effendi. When his predecessor, another Armenian, was got rid of, a determined attempt was made to appoint a Jew or a Jewish nominee. [***] His position is now still shaky, and the most bitter and constant attacks on him come from a Jewish-financed paper, 'Le Jeune Turc', while there are rumours that his successor will be a Jew, or a Turk with a Jew at his elbow. It is obvious that the Jew, who is so vitally interested in maintaining his sole predominance in the councils of the Young Turkey, is equally interested in keeping alive the flames of discord between the Turk and his (the Jew's) possible rivals, i.e. the Armenians,

Greeks, etc., while it is to be inferred that he would not be averse to the new regime increasing the national indebtedness to the Hebrew financiers. [***] The Jew hates Russia and its Government[.] [***] The Jew can help the Young Turk with brains, business enterprise, his enormous influence in the press of Europe, and money in return for economic advantages and the eventual realisation of the ideals of Israel[.] [***] The Jew has supplied funds to the Young Turks and has thus acquired a hold on them; but in order to retain this hold he has to appear at least to approve and aid the Young Turk towards the accomplishment of 'national' dreams. Secrecy and elusive methods are essential to both. The Oriental Jew is an adept at manipulating occult forces, and political Freemasonry of the continental type has been chosen as the most effective bond and cloak to conceal the inner workings of the movement. [***] The 'Jeune Turc', which, like some other organs in the Ottoman capital, is subventioned by the Jews[.] [***] But all this is dependent on European, i.e. mainly Jewish, financiers supplying it with the sums required to keep up an army which is disproportionate to its actual state of economic development."—Letter from G. Lowther to C. Hardinge 29 May 1910, His Majesty's Stationary Office, Lowther Papers, Foreign Office 800/193A; and see: 800/193B. The complete letter is published in: E. "It is a well-known fact that the Salonika Committee was formed under Masonic auspices with the help of the Jews and Donmehs, or crypto-Jews of Turkey, whose headquarters are at Salonika, and whose organization took, even under Abdul Hamid, a Masonic form. Jews like Emmanuel Carasso, Salem, Sassun, Fardji, Meslah, and Donmehs or crypto-Jews, like Djavid Bey and the Baldji family, took an influential part both in the organization of the Committee and in the deliberations of its central body at Salonika. These facts, which are known to every Government in Europe, are also known throughout Turkey and the Balkans, where an increasing tendency is noticeable to saddle the Jews and Donmehs with responsibility for the sanguinary blunders which the Committee has made."—Vienna Correspondent for *The London Times*, "Jews and the Situation in Albania", *The London Times*, (11 July 1911), p. 5."

A Critical Analysis of "Blogian's" Smear Campaign, and of His Whitewash of the Predominant Role Which Jews Played in the Armenian Genocide

Christopher Jon Bjerknes

http://www.jewishracism.com

A web-based commentator is engaging in a vicious, though transparently hollow and childish, smear campaign against me—a Jew—in an obvious attempt to intimidate anyone who would identify the predominant Jewish role in the Armenian genocide. He has thus far failed to identify himself by name, though I have requested from him his name. He posts under the nom du plume "Blogian" at http://blogian.net, which is registered to Simon Maghakyan.

"Blogian's" arguments are rather juvenile and ill conceived. Somehow, when I, a Jew, point out that leading figures in the Armenian genocide were Jews, Blogian feels justified in defaming me, but when he parrots precisely the same facts which I have brought to the fore, the same action is mysteriously transformed into an act worthy of praise. Blogian sophistically attempts to distinguish the same set of facts, without proving a difference.

He argues that because there were other players than Jews involved in the Armenian genocide,

the proven predominant role of Jews cannot be recognized as a Jewish role. For example, Blogian waves his hands and screams at the world that he is not interested in the facts and has not read my book, but nevertheless is entitled to criticize it,

"And please. Don't tell me I need to waste my time reading a 500-page book that tells me my people were cleansed out of their ancestral homeland by the Jews. The fact that some masterminds of the Armenian Genocide had Jewish heritage doesn't prove much - there were masterminds who also had Assyrian and even Armenian blood. And, perhaps, some individual Jews have benefitted from the Armenian Genocide by having some business competition eliminated, etc. But what does this have to do with the Armenian-Turkish conflict?"

The Jewish origin of the genocide, of course, has everything to do with the Armenian genocide, as I have thoroughly proven, much to Blogian's dismay. The known Jews Talaat Pasha, Emmanuel Carasso, Djavid Bey and Dr. Nazim, among many others, led the so-called "Young Turks" who genocided the Armenians. Why is this an inconvenient fact for Blogian? Is he not interested in the truth?

As I have proven, the Jews believed that Armenians are Amalekites, a race which the Jewish God commands the Jews to exterminate, a quite relevant fact in the Armenian genocide. The Jews sought to take over Armenian businesses. The Jewish British Prime Minister Benjamin Disraeli set up the Armenians by taking away Russian guarantees of protection in the Treaty of Berlin. The Jews Talaat Pasha and Dr. Nazim issued direct orders for the complete

extermination of the Armenians in the precise terms with which Judaism compels the Jews to exterminate the Amalekites. The predominant Jewish role, and the Zionist motives for the overthrow of the Ottoman Empire, were well known to contemporaries including the British Ambassador to the Ottoman Empire, Sir Gerard Lowther. I will not bother to attempt to explain to our Blogian the Jewish role in inspiring pan-Turkism. Such factual subtleties he has deemed irrelevant and expressions of "anti-Semitism", except when he copies them, of course.

If "Blogian" can prove, as he claims, that there were Assyrian and Armenian masterminds behind the Armenian genocide, then he should offer his proof. Let him show, as I have shown of the Jews, that there is a racist mythology entrenched in the religious beliefs of Assyrians and Armenians which claims that Armenians are a race which must be exterminated. Let him quote the orders of Assyrians and Armenians, as I have done of the Jews, which call for the complete extermination of the Armenians in the precise language of their religious mythologies. Let him show that Armenians and Assyrians took over the leading role of the Armenians in the Ottoman Empire, as I have shown of the Jews. This, Blogian cannot do, and his excuse for ignoring the predominant and extensive Jewish role in the Armenian genocide is therefore based on a false comparison, and even if it were not, it would not constitute a reason to whitewash the proven predominant and extensive Jewish role in the Armenian genocide.

Ironically, this "Blogian", who pretends to lecture the world on tolerance, iterated the following chauvinistic attack directed at a woman,

"I have my own conspiracy theory about Ms. [woman's name deleted]; she needs to get laid."

Such is the base and vulgar level of Blogian's writings. But what is it that motivates this person to whitewash the Jewish role in the Armenian genocide? Will he debate the issue? Is "Blogian" capable of expressing himself in a rational fashion, without hiding behind *ad hominem* attack?

I doubt it. In the brief correspondence I have had with "Blogian", he only grows increasingly childish and insulting when confronted with reality.

According to Abraham Foxman, Turkey Is Israel's Second Most Important Ally

Christopher Jon Bjerknes

http://www.jewishracism.com

Abraham Foxman has made two bold declarations which may strike many of my readers as amazing statements, but which come as no surprise to me:

"There was also our concern for the safety and wellbeing of Israel, whose relationship with Turkey is very critical. After the United States, Turkey is Israel's most important ally."

and,

"We are not apologetic about the way we have handled this sensitive subject."

Turkey is more important to Israel than Great Britain, at this time. To me, that indicates that Israel is preparing for the Third World War, which will set the Middle East on fire. Israel cannot survive the inferno it plans to start without the aid of Doenmeh-controlled Turkey. I have known this all along and have been speaking and writing about it for years.

This is why I have been stressing the importance of driving a wedge between Israel and Turkey, between the Moslem Turks and the Jews and crypto-Jews who tyrannically run their lives and work against their best interests.

As I have been saying for quite some time, one of the best ways to prevent World War III is to inform the Turks as to how they are being manipulated and controlled and to instruct them as to how to save themselves and humanity from the subversive Jews whose ancestors destroyed the Turkish Empire and committed genocide against the Armenians. This Turkish Jewish culture

has produced some of the worst crimes against humanity the world has as yet endured, and it produced the First World War. We cannot allow it to produce a nuclear Third World War. There are no more vile and dangerous messianic lunatics on earth than the Doenmeh Jews who run Turkey. They retain Jacob Frank's original plans for the destruction of the human race.

Exposing The Jewish Genocide of Armenian Christians will expose the genocidal Doenmeh Jews of Turkey and their Frankist plan for WW III. Please, help me to accomplish this most desirable end.

Stilling the Voices of Dissent

Christopher Jon Bjerknes

http://www.jewishracism.com

Being a people "of the book", Jews have always practiced censorship, and sought to imprison and murder those who dare to disagree with the "Rabbis and sages". The Jewish Talmud, in *Erubin* 21*b*, states (see also: *Sanhedrin* 88*b*),

"[A]s to the laws of the Scribes, whoever transgresses any of the enactments of the Scribes incurs the penalty of death. [***] This[8] teaches that he who scoffs at the words of the Sages will be condemned to boiling excrements. [***] [F]or [neglecting] the words of the Rabbis[3] one deserves death[.]"—I. Epstein, *Erubin* 21*b*, "Erubin", *The Babylonian Talmud*, Volume 9, The Soncino Press, London, (1938), pp. 148-151, at 149-150.

This dogmatism on pain of death hurt Jewry during the Enlightenment. Christians advanced,

while Jews lagged behind. Jewry's demand that all obey Jewish dogma compels Jews to chop off the heads of Christians, Moslems, Buddhists, Hindus, and other "idolaters", pursuant to the Noahide Laws of the Talmud in *Sanhedrin* folios 56*a*-60*b*. Many Jews feel justified in wrecklessly defaming anyone who tells truths which defy the dogma World Jewry sets forth in self-aggrandizement and to cover up Jewish crimes and Jewish lies. World Jewry is bold enough to demand that World leaders not violate Jewish dogma, lest they be imprisoned. World Jewry obstructs free and open discussion on issues it deems taboo.

Bibi Netanyahu Criticized for Telling the Truth

Christopher Jon Bjerknes

http://www.jewishracism.com

I've said it before, I'll say it again. Israel is a uniquely vile nation in many respects including its lack of respect for honesty and integrity. What other nation criticizes its leaders when they speak

the truth? What other nation demands leaders who deliberately lie and obfuscate?

Israelis are a disgusting people. In addition to being genocidal racists, Israelis are habitual liars.

They most certainly should NOT be trusted with nuclear weapons.

Two More Zionist Jews Beat the Drums for War on Iran

Christopher Jon Bjerknes

Sarkozy and Kouchner, two Zionist Jews who lead France, are talking war on Iran.

Mearsheimer and Walt for President

Christopher Jon Bjerknes

http://www.jewishracism.com

Don't you wish we had impeached Bush and Cheney years ago? Of course, the Zionists would still own the media and the Congress, but impeachment would have put an end to the success of their war plans, because impeachment would have shown that the American People will not

stand for more Zionist mass murder of innocent people. Instead of fighting a Bill of Impeachment, Bush and Cheney are planning to drop tactical nuclear weapons on Iran:

Bush setting America up for war with Iran

Report: US wants war with Iran

I predicted on 31 January 2006 that Bush and Cheney would attack Iran with tactical nuclear weapons, and my prediction was surprising and shocking to Ray McGovern, a retired CIA officer:

http://www.iamthewitness.com/mp3/Smith_McGover_31Jan2006_2.mp3

The Congress is largely silent, as are the American People. However, the economy is teetering on the brink of disaster, and if Bush and Cheney attack Iran, America will be severely impacted. A third party team of presidential candidates will stand a fair chance at getting elected, because the Democrats in Congress who were elected to end the war did not fulfill their duty to the American People and the Constitution, and because Bush and Cheney have not been denounced by the Republican Party. Americans will turn away from both of these Zionist controlled parties, if given a sane alternative.

Enter a team like John J. Mearsheimer and Stephen M. Walt, who could lead an anti-war America first party. The American People will soon be so disgusted with the Zionist controlled mass media and Congress, that they will welcome a gutsy third party run by highly respected figures of the quality of Mearsheimer and Walt, who have proven the courage of their

convictions and their willingness to defend the best interests of the nation. The mere act of running could help to prevent the coming war on Iran, if some anti-war candidates adopt the proper platform.

The anti-war party should pledge to pardon all military, enlisted and officers, who refuse to obey illegal orders to conduct aggressive, undeclared war. The anti-war party should pledge to prosecute all traitors who place Israel first and act to bring America into unnecessary and illegal war. They should pledge to seek the death penalty for all such acts of treason. If the American People show interest in such a platform, the cowardly psychopaths pushing and planning for nuclear war will crawl back under their rocks.

The anti-war party could garner instant attention with commercials depicting the horrors of nuclear war, and showing Zionists like Clinton, Obama, Romney and Giuliani openly talking about nuking Iran. Show human beings with their flesh burned off, with their faces dripping off into their bone bare hands. Tell Americans that nuclear war against Iran could very well lead to nuclear war against them. That will wake up Americans! If not, we will all burn in a Hell of our own making.

The Desperate Cover-Up of the Jewish Genocide of Armenian Christians

Christopher Jon Bjerknes

http://www.jewishracism.com

A friend has informed of two interesting articles.

As I have proven in my book *The Jewish Genocide of Armenian Christians*, the "Young Turks" who genocided the Armenians were Jews. The following article also points this out:

"On August 25, commenting on ADL's continuously changeable stance on the Armenian Genocide, 'Azg' wrote, 'Let us not forget that us not forget that the Jewish organizations have the task to preserve the 'exclusiveness' of the Holocaust, as well as to save the 'dyonmes', the Jews from Saloniki who had fictiously adopted Islam and had an immediate part in the planning and realization of the Armenian Genocide. Moreover, those scoundrels, who were sentenced to death by the military tribunal, were the closest milieu of

Mustafa Kemal Ataturk. Therefore, saving the 'dyonmes', the Jewish organizations are also saving the Kemalists'. [***]The United States, ever observing the interests of Israel, start campaign against Iraq and Iran, so as to isolate them and deprive of the assistance of the neighboring states. [***] In other words, the task of ADL and Foxman was to restrain Turkey and make it obey the interests of the USA and Israel."—FOXMAN'S AND HIS ORGANIZATION'S GOAL TO IS MANIPULATE ERDOGAN'S GOVERNMENT

Former U. S. Secretaries of State, all of them rabid Zionists, some of them Jews (in the case of Albright, her family hid the fact that they were Jewish—like Talaat Pasha, the Doenmeh Jew who ordered the genocide of Armenian Christians), have asked Speaker of the House, Nancy Pelosi, to block the introduction of a House Resolution to recognize the Armenian genocide. Why would these heavyweights lend their names to an effort to suppress the truth?

"We are writing to express concern that H. Res. 106 could soon be put to a vote. [***] We strongly urge you to prevent the resolution from reaching the house floor."—TEXT OF FORMERS SECRETARIES OF STATE LETTER TO SPEAKER PELOSI

"[Lee] Bollinger, a Jew himself [. . .]"--Ed Koch

Christopher Jon Bjerknes

http://www.jewishracism.com

Ed Koch wrote, *inter alia*, in his blog,

"Bollinger, a Jew himself, gave Ahmadinejad ammunition to be used among Islamic supporters that the battle at Columbia was primarily a battle between Islam and the Jews, and Ahmadinejad had bravely stood up to the mocking of the Jewish Bollinger. [***] All in all, it was a fiasco for America and a blunder by Bollinger, as well as a coup for Ahmadinejad."—Ed Koch,

Koch's Comments: The Columbia lion

This week the President of Columbia University, Lee Bollinger issued a prolonged *ad hominem* attack on his invited guest, the President of the Islamic Republic of Iran, Mahmoud Ahmadinejad, in what should have been a cordial and academic discussion. Bollinger's personal attack followed an advisory to the students to be polite and respectful to their invited guest. The leaders of the university ought to have followed their own advice to their audience.

Koch noted that Bollinger designed his campaign of vilification around issues of more concern to Jews and Israelis, than to Americans in general. This made it all too obvious that it is primarily Jewry who want to attack Iran, and those who are not stupid will draw that obvious conclusion.

In the past, Jews were often excluded from European universities, in part because they had a

reputation for being insulting, childish, uncivilized, intolerant, dogmatic, uninsightful, boorish, pushy, aggressive, clannish, corrupt, disloyal to the host nation, and meanspirited.

The Genocidal Hypocrisy of the "Chosen People"

Christopher Jon Bjerknes

http://www.jewishracism.com

Jews around the world are trying to gin up a nuclear attack on Iran under the false pretext that Iran's development of nuclear technology under the NNPT is a just *casus belli*. Meanwhile, in typically Judaist fashion, Israel seeks exemption from Goyish law.

The Orchestrated Destruction of Armenia

Christopher Jon Bjerknes

http://www.jewishracism.com

The Jewish war on "Amalek" continues from "generation to generation". The Jewish book of *Exodus* 17:14-16 states,

"And the LORD said unto Moses, Write this *for* a memorial in a book, and rehearse *it* in the ears of Joshua: for I will utterly put out the remembrance of Amalek from under heaven. And Moses built an altar, and called the name of it Jehovah-nissi: For he said, Because the LORD hath sworn *that* the LORD *will have* war with Amalek from generation *to* generation."

Armenia is being attacked economically. This economic attack is engineered to depopulate and cripple the nation to the point where it is no longer a viable entity. Armenians should learn how the enemy corrupts your leaders and brings your nation into unpayable debts. Armenians should expose these crimes and sue the banks and intelligence agencies which seek to undermine your nation by issuing loans through corrupted leaders for projects which mostly benefit foreign interests, and which cripple Armenia. Armenia could join with Latin American and Carribean nations in "class action" style suits.

Jewry Versus Iran Is Jewry Versus Humanity

Christopher Jon Bjerknes

http://www.jewishracism.com

When we hear about Iran in the Jewish controlled media, we hear two lies of concern to Jewry. One is that Ahmadinejad is a "Holocaust denier" and the other is that Ahmadinejad has said that he "wants to wipe Israel off the map". When we see protests against Iran, two things are prominent. One is the dehumanizing signs, which are a hate crime under current law causing fear among Moslems, which signs are promoted by Jewish organizations. The other is Jews

wearing yarmulkas and scarves (Jewish women are not supposed to show their natural hair and are required to wear wigs or scarves in public).

This orchestrated, artificial aggressive attack on Iran is clearly a Jewish war on Iran and nothing else. Those who are not Jewish who are sponsoring it are traitors, with either an interest in personal gain or a psychotic religious motive for doing so which has been created and sponsored by Jewry for the purpose.

As Jews around the world beat the war drums through the media and politicians they own, it is important to remember that Iran is simply the current target of their ancient war on the human race. Israel attacked its neighbor Lebanon last year and Syria this year, and has been committing genocide by attrition on the Palestinians for a very long time.

By its own accounts, Jewry destroyed, or used others to destroy, Egypt, Rome, Greece, Babylon, etc. Jewry was behind the Crusades, the invasion of the Americas and subsequent genocides, Napoleon, Talaat Pasha, Trotsky, Stalin, Tojo, Hitler, Mao, and now Bush.

Iran is not the first nation that Jewry has targeted, nor do they plan to stop at Iran. After they have genocided the Iranians, they will kill off the Arabs, Kurdish and Turkish Peoples who have helped them, one nation at a time. They will again destroy Russia. And they will most viciously crush America.

Iranians cheered as Saddam fell. Now Iranians are under fire. Saudis cheer as Iranians are attacked. Next Saudis will rot. Americans wave flags as they soldier and slave for Jewry. Next, Americans will die.

We all have a common enemy who is warring against us. We should unite against it, instead of doing its work for it. We can end the Jewish war on the human race quickly and humanely. We need only preserve our dignity as human beings and work together for peace and the betterment of mankind. We need only name the enemy and show its machinations. We need only refuse to become degenerate, genocidal beasts, and extend a hand of friendship to the world. It will be our lives and our souls we save, together with the rest of the human race.

The Ugly Ambush at Columbia

Christopher Jon Bjerknes

http://www.jewishracism.com

Columbia University invited the President of the Islamic Republic of Iran, Mahmoud Ahmadenijad, to speak today at the university. Ahmadinejad graciously obliged the offer.

The invitation to the President of Iran to speak soon proved to have been a dirty trap, a lure into

an ambush. Under the pretense of celebrating free speech, the President of the University, Lee Bollinger, issued a humorless barrage of personal insults at the President of Iran in a prolonged and uninterrupted diatribe; which, rather than glorifying free speech and open debate, instead made a mockery of free speech and civil discourse. Bollinger badly embarrassed himself, Columbia University and the United States of America. He obviously only extended the invitation to provide himself with the opportunity to express his hatred. The talk began and ended with slurs and ridicule from the leaders of the university.

Ahmadinejad handled himself very well, with the exception of his claim that there are no homosexuals in Iran. I wonder if he instead meant that there is no capital punishment of homosexuality in Iran?

At any rate, Columbia gave a very bad showing of itself, with the university's president, Bollinger, asking loaded and insulting questions, then condescendingly predicting that his non-serious and highly disrespectful questions would not be taken seriously, nor given the dignity of a response. Bollinger showed himself to be a pompous, unfair ass. With a phony, sanctimonious air, Bollinger offered his invited guest and his audience a platter of Bollinger's stool smothered in a sauce of Bollinger's drool.

Ahmadinejad's talk with the National Press Club went very well. It is vitally important that Ahmadinejad not let the ambush rattle him, and that he give a strong and undistracted speech at the UN and not let the press hound him over Bollinger's attack. Keep the focus on the double standards of the Zionists, and on their persecution of the Palestinians. Keep the focus on the double standards of the US and the rights of Iran under the Nuclear Non-Proliferation Treaty

and the Charter of the United Nations. The Zionist press is desperate to change the subject.

Continue to answer their false, loaded questions with the facts.

Pelosi's Plight: The Jewish Quandary I Caused

Christopher Jon Bjerknes

http://www.jewishracism.com

Speaker of the House Nancy Pelosi is being torn apart by two arms of the same octopus. On the one hand, Zionist Jewry wants to attack Islam and stick the genocide label on Moslems. On the other hand, the most powerful Jews in the World are well aware that their ancestors perpetrated *The Jewish Genocide of Armenian Christians*.

The Bush Administration is openly opposed to congressional resolutions condemning the genocide of Armenian Christians, this while they are busy committing genocide against the

Iraqis and planning genociding the Iranians and Syrians for the benefit of the bloodthirsty Israelis who own them. Pelosi plays the role of opposition to this neo-Conservative lunacy, but top Jews are growing increasingly anxious that the Moslems will not suffer from exposure of the Armenian genocide, but rather the World public will learn that Jewry is responsible. What will puppet Pelosi do, now that her strings are all bunched up in a knot?

Sides are being taken in the media. It appears that I have placed World Jewry in a terrible quandary. The worms are squirming like the confused tentacles of a mad octopus which refuses to embrace the truth from any direction.

The Mossad of Old: Acts 23:12-35

Christopher Jon Bjerknes

http://www.jewishracism.com

The New Testament is filled with stories of the plots of "The Jews" to kill Jesus Christ and Paul.

Here is but one, *Acts* 23:12-35,

"12 And when it was day, certain of the Jews banded together, and bound themselves under a curse, saying that they would neither eat nor drink till they had killed Paul. 13 And they were more than forty which had made this conspiracy. 14 And they came to the chief priests and elders, and said, We have bound ourselves under a great curse, that we will eat nothing until we have slain Paul. 15 Now therefore ye with the council signify to the chief captain that he bring him down unto you to morrow, as though ye would inquire something more perfectly concerning him: and we, or ever he come near, are ready to kill him. 16 And when Paul's sister's son heard of their lying in wait, he went and entered into the castle, and told Paul. 17 Then Paul called one of the centurions unto him, and said, Bring this young man unto the chief captain: for he hath a certain thing to tell him. 18 So he took him, and brought him to the chief captain, and said, Paul the prisoner called me

unto him, and prayed me to bring this young man unto thee, who hath something to say unto thee. 19 Then the chief captain took him by the hand, and went with him aside privately, and asked him, What is that thou hast to tell me? 20 And he said, The Jews have agreed to desire thee that thou wouldest bring down Paul to morrow into the council, as though they would inquire somewhat of him more perfectly. 21 But do not thou yield unto them: for there lie in wait for him of them more than forty men, which have bound themselves with an oath, that they will neither eat nor drink till they have killed him: and now are they ready, looking for a promise from thee. 22 So the chief captain then let the young man depart, and charged him, See thou tell no man that thou hast shewed these things to me. 23 And he called unto him two centurions, saying, Make ready two hundred soldiers to go to Caesarea, and horsemen threescore and ten, and spearmen two hundred, at the third hour of the night; 24 And provide them beasts, that they may set Paul on, and bring him safe unto Felix the governor. 25 And he wrote a letter after this manner: 26 Claudius Lysias unto the most excellent governor Felix sendeth greeting. 27 This man was taken of the Jews, and should have been killed of them: then came I with an army, and rescued him, having understood that he was a Roman. 28 And when I would have known the cause wherefore they accused him, I brought him forth into their council: 29 Whom I perceived to be accused of questions of their law, but to have nothing laid to his charge worthy of death or of bonds. 30 And when it was

told me how that the Jews laid wait for the man, I sent straightway to thee, and gave commandment to his accusers also to say before thee what they had against him. Farewell. 31 Then the soldiers, as it was commanded them, took Paul, and brought him by night to Antipatris. 32 On the morrow they left the horsemen to go with him, and returned to the castle: 33 Who, when they came to Caesarea, and delivered the epistle to the governor, presented Paul also before him. 34 And when the governor had read the letter, he asked of what province he was. And when he understood that he was of Cilicia; 35 I will hear thee, said he, when thine accusers are also come. And he commanded him to be kept in Herod's judgment hall."

English Slaves Dutifully Criminalize Self-Defense and Ban Freedom of Expression

Christopher Jon Bjerknes

http://www.jewishracism.com

Christianity condemns the "synagogue of Satan" (*Revelation* 2:9; 3:9). It also states that the means to heaven is through belief in Jesus Christ (*Matthew* 12:30. *John* 3:15-21). Christianity blames the Jews for murdering Jesus Christ (*Matthew* 27:25. *John* 7:1. I *Thessalonians* 2:14-

16). Is it illegal to be a Christian in England?

Judaism teaches Jews that all Christians, Hindus, Buddhists, etc. must be beheaded pursuant to the Noahide Laws (*Sanhedrin* 56*a*-60*b*). Is Judaism illegal? Or is it just illegal for a Gentile to criticize Judaism for Judaism's expressed hatred of the human race?

I guess the prosecutors and their Bolshevik commissar masters will choose which Goys will go first into the cage. When enough of the defiant are locked away, it will be easy enough for Jewry to enforce the Noahide Laws. By then it will be a capital offense to complain that it is a capital offense to be a Christian, or to have an opinion opposed to Jewry and its vile criminal religion, which has been criticized for its hatred of the human race by some of the finest minds from Jesus and Tacitus onward.

It is now a crime to reject the open hatred and genocidal beliefs of Judaism. What do they style this "crime" of loving and defending humanity? Why, it is a "hate crime", of course, for how else could genocidal Jewish hatred go unquestioned and love of the human being be punished by death; without first confounding love of the human race with hatred of God, and hatred of humanity with the love of God? What could be more intolerant and hateful than the prohibition of freedom of thought and freedom of expression?

Religious hate now a crime in U.K.

Whose Side Is Nancy Pelosi on, America's or Israel's?

Christopher Jon Bjerknes

http://www.jewishracism.com

Speaker of the House of Representatives Nancy Pelosi, who found her way into that position as effortlessly as a snake makes its way from side to side—Pelosi claims to be against the war in Iraq, but is she controlled opposition representing Israel? Why isn't Pelosi leading a move to impeach Bush and Cheney before they attack Iran and expand the illegal and disastrous war in Iraq? Why does she stand in the way of efforts to end this genocidal war, which is rotting away America as surely as it is crucifying Iraq on the cross of Jewish war lust?

Pelosi and her treacherous Zionist ilk are a pox on both our congressional houses. The contagion spreads from Israel. It is a fifth column in our midst, clouding the clarity of any movement to rescue America with a subversive and divisive squirt of ink from the octopus of the Jewish fourth estate and Zionist controlled Congress. It blackens our future and turns us against ourselves, as we most need to unite against our enemy Israel. Our "saviors" muddy the waters

and seep Israeli cess into our cisterns of power.

The Jewish Genocide of Armenian Christians and the Death Throes of Zionism

Christopher Jon Bjerknes

http://www.jewishracism.com

Historians who discuss it are assassinated. Zionist American Secretaries of State form a pressure group to prevent exposure of the crime. The ADL loses credibility over the issue. Israel does not want to recognize it. What is it about *The Jewish Genocide of Armenian Christians* that prompts such alarm, convulsions and organized public silence?

The investigation of this crime inevitably leads to the perpetrators, who were Jews. Could it be that some people do not want it widely known that Jewry was behind the Armenian genocide? If the Turks and Moslems can be wrongly blamed, why can't the Jews be rightly blamed?

Will Nancy Pelosi cave into the pressure and block the introduction of House Resolution 106, which recognizes the genocide? I suggest that the Armenian community redraft the HR 106, to incorporate the fact that the perpetrators, financiers, and organizers of the Armenian genocide

were Jews, and that the genocide was carried out partially in pursuit of the Jewish genocidal religious myth that Armenians are Amalekites, and therefore, according to Jewish myth, must be exterminated in order for the Jews to live in peace in Palestine.

Denial of the Armenian genocide is an additional crime. Make Jewry pay a price for each new crime it commits against the Armenian People, and make no mistake about, the drive for denial and silence is being steered by Jews around the world, and by Jews and crypto-Jews in Turkey.

A Good Book on How the Rothschilds Subvert the Best Interests of Humanity

Christopher Jon Bjerknes

http://www.jewishracism.com

A friend has informed me of an important book, which is available for free on the internet:

L. B. Woolfolk, *Great Red Dragon, or London Money Power: The Foreign Money Power in the United States*, George E. Stevens, Cincinnati, (1890).

This book explains how the Rothschilds corrupted and curtailed the growth of American wealth and prosperity, and destroyed India. It also describes how the Rothschilds use agents to act on their behalf. It appears to the public that these men are immensely wealthy, but when the agents die, they do not have such great wealth to bequeath to their families, and the assets which they apparently controlled reverted back to the Rothschilds. This book was written in 1889 and published in 1890. J. P. Morgan provided yet another fitting example of the process, when he died on March 31, 1913, (note that Auguste Belmont (August Schoenberg) was also a Rothschild agent),

Many of you are probably familiar with the website WhatReallyHappened.Com that links to news articles, blogs and other websites of interest, many of which are highly critical of Zionism, Israel and Jewish organizations. He has in the past graciously linked to some of my blogs, and I received a fair amount of traffic from his generosity, which I would not have otherwise received.

Today, while interviewing guest speakers at the No More Wars for Israel Conference, Mike Rivero told a bit about his family history, noting that he descended from Sephardic Spanish Jews of nobility, who had fought in the Crusades to "get back the old homestead back—that didn't work out", and who were forced to convert to Catholicism under the edicts of Queen Isabella—a conversion which did not take. I had suspected that he might of been of converso ancestry and he has confirmed the fact. His website is perhaps the best source of news stories of

interest to anti-Zionists I have yet to find.

That said, I have noticed that his commentary on stories related to the Armenian genocide and Turkey which I have seen, and I have not looked at each and every link he has posted nor read or heard everything he has written or said, are shallow and uninsightful and do not address the issue of the Doenmeh crypto-Jews. Perhaps he *has* touched upon these issues and I have missed it. Perhaps he is unaware of these issues. Perhaps he disagrees with my position. In any event, it would be interesting hear his take on the Jewish involvement in the Armenian genocide and on the Doenmeh's disproportionate influence in Turkey and around the world.

Two Top Neo-Conservative Zionist Jews Head to Turkey

Christopher Jon Bjerknes

http://www.jewishracism.com

Why would the Zionist Bush Administration send two Zionist Jews to Turkey? Are they heading to Turkey to discuss matters with the Zionist crypto-Jews who run Turkey? Eric Edelman was not well liked by the Turkish People. I suggest that my readers investigate the Sibel Edmonds case, with an emphasis on Eric Edelman.

The American Ambassadorship to Turkey has long been considered a "Jewish outpost". Why is that? Why have America's and Turkey's interests so often been subverted for the interests of

Jewry? During the Armenian genocide, America's ambassadors to Turkey were Zionist Jews, a comparatively rare commodity at that time. I suggest my readers investigate the book by Henry Morgenthau III, *Mostly Morgenthaus: A Family History*, Ticknor & Fields, New York, (1991), pp. 98-99, 101-103 and 107.

The Duplicity of the Zionist Traitor George W. Bush

Christopher Jon Bjerknes

http://www.jewishracism.com

Israeli puppet George W. Bush promised early in the year 2000 that,

"The Armenians were subjected to a genocidal campaign that defies comprehension and commands all decent people to remember and acknowledge the facts and lessons of an awful crime in a century of bloody crimes against humanity. If elected president, I would ensure that our nation properly recognizes the tragic suffering of the Armenian people."—George W. Bush, while campaigning for President of the United States of America on 19 February 2000, as quoted by Wolf Blitzer, *CNN*.

While the Armenian Genocide Resolution was before the House Foreign Affairs Committee on 10 October 2007, President Bush used his bully pulpit to demand that Congress not recognize the Armenian genocide. What, other than my book *The Jewish Genocide of Armenian Christians*, has changed about the history of the Armenian genocide? Did my book make it more difficult for Jewry to vilify Moslems with the history of the Armenian genocide? Are they troubled that I am exposing their Jewish crimes against the human race?

Don't Whine, Fight Back!

Christopher Jon Bjerknes

http://www.jewishracism.com

Armenians have shown the world that fighting back against World Jewry works. Israeli interests are not all powerful and can be easily defeated. It is only the myth of their invincibility and their

use of smear tactics which keeps them on top. Both are failing them. We have to organize and show courage. We can clean up our political system if only we become more involved in it.

Consider the following report:

"In contrast to past years, when many Jewish organizations lobbied against similar Armenian genocide resolutions, most Jewish groups avoided taking a stance on the issue.

According to one Jewish leader, this was the result 'of the growing Armenian pressure on the Jewish community.' He said the decision of American Jewish organizations not to take a stance would 'absolutely' affect the relationship these groups had with Turkey and could spill over into the Turkish-Israeli relationship."—Hilary Leila Krieger and Herb Keinon, "Israel braces as US-Turkey crisis erupts", *The Jerusalem Post*, http://www.jpost.com/servlet/Satellite?cid=1191257286794&pagename=JPost%2FJPArticle%2FShowFull, (12 October 2007).

Turkey Looks Like a Big, Stupid Bully

Christopher Jon Bjerknes

Dear Turkey,

You are being set up for World War III in the exact same way that you were set up for the First World War. Jewry controls your government, now as then. Jewry has artificially created an apparent subversive group within your territory, now as then. Jewry is making you appear to be a mindless bloodthirsty nation in the international press they control, now as then.

Soberly consider the parallels. Jewry has planted a subversive revolutionary group on your soil in a subgroup of Kurds, just as they did with Armenians. They have promised these Kurds a nation, if they provoke you to provoke the Third World War and slaughter them, just they did with the Armenians, the First World War and the Armenian genocide. With all your threats and genocide denial, you appear exactly as did the "Red Sultan". You are following the Jewish script to the letter. They are following exactly the same formula which they used to alienate and destroy the Turkish Empire and the Aremnians, to alienate and destroy modern Turkey and the Kurds.

Memo to Turkey: Violence Is the Stupidest Way to Refute a Charge of Genocide

Christopher Jon Bjerknes

http://www.jewishracism.com

I appeal to the Turkish People to think rationally about your situation and look to improve it, rather than worsen it. World Jewry has been holding you back and destroying your society, your one-time vast empire, for centuries. They have sought to make you part of the homogenous Goy soup which they are commanded to brew in the Noahide Laws (*Sanhedrin* 56*a*-60*b*). They have sought to steal Palestine from your empire, and destroy the rest of it. They have sought to exterminate the Armenian "Amalekites" who kept your empire alive and thriving. They have

sought to take the oil fields under your control. They have sought to rob you of the trade routes between East and West. Ultimately they seek to viciously enslave you and mass murder you. They have deliberately caused two world wars and brought Jewish Bolshevism to your borders and placed you under the yoke of crypto-Jewish dictators. They now plan to issue you the *coup de grace* and begin World War III.

Your leaders are their citizens, secret members of the tribe. Consider the self-destructive and self-defeating policy they are implementing of responding to a charge of genocide by threatening the genocide of the Kurds. Who benefits from this other than Israel, which has been training the Kurds to attack you, and which wants to spark a third world war through your retaliation against the aggression against you, which Jews are secretly orchestrating. Who will lose? Kurdish and Turkish Moslems will lose. Pan-Islam will lose as South-West Asia and North-East Africa fall into Jewish hands to form "Greater Israel", as the Al Aqsa Mosque and Dome of the Rock are demolished to make room for a Jewish Temple, and as the Jewish Messiah Al-Dajjal is anointed King of the Jews and King of the World.

You are stupidly doing everything World Jewry wants you to do. Even some of those among you who expose the Doenmeh refuse to blame the Doenmeh for the Armenian genocide. These same persons take the Doenmeh dictator Ataturk as the ideal model for "Turkishness". You cannot afford to be this dumb.

Turkey has many opportunities, and through peace and better international relations can prosper, as can the entire Middle East. The heaviest burden of the yoke which Jacob has place around your neck is that it has seemingly cut off the flow of blood to your brain. Find leaders

who can think, instead of react with violence to every challenge. Your long term survival depends upon your ability to use your head, instead of your fists.

Your crypto-Jewish leaders have scripted your mindless actions to have you play the role and fulfill the stereotype of stupid and violent Ishmael, so that they will have a pretext to vilify and dehumanize all Moslems, then kill you all. Do not oblige their plans for your destruction. Fight back by being peaceful. Peace is the enemy of World Jewry and the best means to defeat them.

The Honorable Way Out for Turkey

Christopher Jon Bjerknes

http://www.jewishracism.com

Turkey must do something to curtail Kurdish terrorism. That said, slaughtering Kurds and invading Iraq is not the best response to the Armenian Genocide Resolutions in the US Congress. A far better response is to point out the well documented fact that the "Young Turk" leaders who perpetrated the Armenian genocide were Jews, and these racist Jews committed this crime in order to fulfill Jewish religious mythologies of the theft of Palestine and the annihilation of the "Amalekite" Armenians. These Jews deliberately destroyed the Turkish Empire while mass murdering the Armenians.

Do not allow the Jews to lead you into more self destruction. Clothe yourselves in the truth and it will protect you and flatter your honor.

The Armenians are not your enemy. Your enemy is Israel. Israel, the nation of the Jews, destroyed the Turkish Empire, soiled your good name, and brought you into world war. They want to do the same to you again. Fight your real enemy, Israel, and side with your real allies, Armenia and pan-Islam.

The Kurds Are Only Just Beginning to Pay the Price for Siding up with Israel

Christopher Jon Bjerknes

http://www.jewishracism.com

Perhaps it is bad Karma stemming from the aid the Kurds gave the Jewish "Young Turks" when the Kurds assisted Jewry in its campaign to exterminate the Armenians. The Kurds have only begun to taste their own blood. They will soon drown in it. Jewry has no intentions of letting Moslem Kurds or Turks or Azers control the oil of Baku and Kirkuk. Rather, Jewry is exploiting the greed and opportunism of Kurdish leaders to lead the Kurds into beginning their own annihilation. The Kurds would be well advised to break off their ties to Israel and to join with the rest Islam against Zionism and the many genocides that Jews have perpetrated in the Middle East will finally end. If the Kurds continue to partner with an enemy which despises them and which views their very lives as a crime against God, the Kurds will themselves suffer the fate they seek to impose on others and the sword which severs their heads will be held in Jewish hands.

Armenians once thought they could work with Zionist Jews to form an Armenian nation at the expense of a few million Armenian lives sacrificed without permission by treacherous Armenian leaders. Instead, they got the iron boot of Jewish Bolshevism followed by deliberate depopulation and economic strangulation.

The Kurds are scheduled by Jewry for death. Kurdish leaders are dutifully obliging their Israeli masters' orders for the destruction of the Kurdish People based on the false promise that it will ultimately result in the formation of Kurdistan. I predicted these events a long time ago. There

has got to be a better way. . .

The Real Reason for the Turkish Threats Against the PKK, Iraq and American Forces in Iraq

Christopher Jon Bjerknes

http://www.jewishracism.com

The crypto-Jews who run Turkey made it all too obvious that their present threats to invade Iraq are meant to quash the Armenian genocide resolution. Note that these threats are made the day

before the House Foreign Affairs Committee will hear the issue of House Resolution 106 which recognizes the Armenian genocide. Note further that these threats against the Kurds, Iraqis and Americans were made together with threatening letters to Pelosi and Bush warning them of the consequences of passage of House Resolution 106 recognizing the Armenian genocide. It is all a little too coincidental to escape the attention of a watchful eye.

Note the blatant hypocrisy and double standards of the Zionist warmongers in the Bush regime. In their quest for a pretext to commit genocide on the Iranians, at the behest of Israel and World Jewry, Zionists in the American Government are calling for an American attack on Iran for allegedly interfering in Iraq. Contrast this with the fact that these same Zionists reward the Turks for threatening Iraq and America, by themselves calling on the House of Representatives to NOT pass the Armenian genocide resolution because it might provoke a Turkish attack on Iraq. We must never allow America to be openly threatened without an aggressive response! However, instead appropriately responding to the open Turkish threats of aggressive war, the Jewish fifth column in the White House joins in the chorus of these threats against the American People and the American Military!

Traitors, these Zionists are traitors! But we must not blame the Turkish Moslems, most of whom want only to live in peace. We must point the finger of blame directly at World Jewry and the Doenmeh who continually subvert Turkish and American interests in favor of Israeli warmongering. We must point the finger of blame at the traitorous Bush Administration which has sold out the American People and the American Military to the Jewish warmongers. They disgrace us each day with their treachery and genocidal attacks on innocent people.

This little game which World Jewry is playing with the Turks, Americans, Iraqis and Kurds threatens to draw the World into World War III, and Jewry is playing it simply to cover up the fact that Jewry committed the Armenian genocide. This is the level of selfish inhumanity we face when we fight back against the Jewish war on the human race. Billions might die only so that Jewry can hide its past genocide against Christian Gentiles. Count yourself among the billions at risk.

Further Sabotage of the Armenian Genocide Resolution

Christopher Jon Bjerknes

http://www.jewishracism.com

World Jewry is putting pressure on the US Congress at this time when the Armenian genocide resolution is coming up, by creating a crisis between Turkey and the US. Erdogan and much of the rest of the Turkish government are either crypto-Jews or controlled by crypto-Jews. Secular Turks love their army and see it as a continuation of the legacy of Ataturk—and it is, to the detriment of Turkey and the region.

The Kurdish rebels are also controlled by Jews, more specifically by Israelis. World Jewry can spark World War III at any time by using the Kurds to provoke the Turks. The Kurds will obey the orders of the Mossad, because Jewry has promised the Kurds that after WW III they will be given a large nation of Kurdistan and control the oil of Kirkuk and possibly even Baku. Turkey is run by Jews in both government and private institutions. Turkey will attack any nation at any time at the request of the Jewish bankers, and a large segment of secular Turkey will cheer on their own demise as they did when the Jewish "Young Turks" destroyed the Turkish Empire in the name of Turkish pride.

This threat looms large, but the present brush fire is meant to pressure the US Congress to NOT agitate Turkey at this time by passing House Resolution 106. It is a game meant to give Jews in Congress a pretext for denying the genocide and quashing the resolution before there is even a vote.

The Turks Are Waking Up, or Are They Being Set Up for a Still Worse Nightmare?

Christopher Jon Bjerknes

http://www.jewishracism.com

A friend has tipped me off to the following interesting article, which describes the fact that the Turks are waking up to the existence of the Doenmeh crypto-Jews who run, and run down, Turkey:

The Protocols of the Elders of Turkey

It is, however, odd that an anti-Doenmeh would be a devotee of Ataturk, who was himself not only a Doenmeh, but by his own accounts a direct descendant of Shabbatai Zevi. This may be explained by the fact that Ataturk promoted "Turkish Nationalism" in order to trick the Turks into destroying their own vast empire in the name of Turkish pride. This "Turkishness" which Ataturk promoted was crafted by Jewish positivists and is based on the Jewish Noahide Laws and the Jewish Cabalah.

Ataturk's campaign to Turkify Turkey was instead the Judaization of Turkey, the destruction of Turkish culture, Islam and the Turkish Empire. We have a parallel situation in America, where, at the covert instigation of Zionist Jews, "Christian" Zionists violate the most sacred of Christian principles in the name of Christianity, and destroy American democracy in the name of spreading democracy abroad.

Zionist Jews under the employ of the Rothschilds corrupted Turkey with the myth of pan-Turkism in order to sow the seeds of discord in the Ottoman Empire and to pit the Turks against Armenians, Greeks, Assyrian Christians, Arabs, Bulgarians, Serbians, etc. and thereby weaken the Turkish Empire in the name of strengthening it. This began long before the Doenmeh "Young Turks" took over the Turkish Empire, and was part of the Jewish bankers' strategy to take Palestine for the Jews, and the oil of Baku for the Rothschilds.

It may be that loyal and genuine Turks have succumbed to a counterfeit brand of Turkish nationalism promoted by the Jewish "Young Turks", which places them in the same Jewish hands that Russian nationalism in the form of Bolshevism places the most ardently nationalist Russians into Jewish hands, today as in the early 20th Century in both instances. But it is also odd that any anti-Doenmeh would seek to punish anyone who recognizes the Armenian genocide, on the false grounds that it "insults Turkishness". While it is true that it is still largely taboo to point the finger at Jewry for this crime which Jewry committed, one would think that Turks so bold as to take on the Doenmeh would correct the historians who "insult Turkishness" and join forces with them to lay the blame where it belongs, at the doorstep of the Zionist Jews and Doenmeh. Anti-Doenmeh should be challenged for not disclosing the fact that Ataturk was

a Doenmeh and that the Doenmeh and Zionist Jews committed the Armenian genocide. If they balk and become emotional and refuse to discuss these facts, or accuse you of being a Zionist agent for pointing to these facts, I would be suspicious of them. If instead they ask for your evidence and discuss these issues in a civil and productive fashion, then the truth will be found for the benefit of all who are honest.

Turks should maintain a secular government, but not infringe on the fundamental human rights of Moslems. They should enter an era of true democracy and not be led by a military dictatorship of Doenmeh Jews and a fourth estate of Jewish media moguls. They should also be careful to promote what is truly in Turkey's best interests.

Whatever are the ultimate motives of those who are exposing the Doenmeh, their campaign will ultimately lead to the truth. The truth is that the "Young Turks" were a Jewish nightmare. The truth is that Ataturk was not the father of the Turks, but the guardian of Judaization. The truth is that Turkey should assume its natural role as a leader in Islam for unification, stability and peace throughout the Middle East. It can accomplish this role by exposing the Doenmeh, Israel and Zionists in general. But it must be careful not to generate an upheaval, which will give the Doenmeh the opportunity for a crack down on the society and the opportunity to execute all those who stand in opposition to the Jewish subversion of Turkish society.

Instead, proceed logically, patiently and strategically. Seek genuine allies, like the Armenians, who have more to revenge against the Doenmeh than even the ethnic Turks who lost their empire and their Turkishness in the name of crypto-Jewish Turkish pride. Be scrupulously faithful to the factual history of the Doenmeh and do not glorify any of their villainous leaders. If

you are true to the history, you will save yourselves the horror of repeating it. Beware, the Germans were led into a prolonged nightmare by crypto-Jews who pretended to be anti-Semites so as to lead Germany into self-destruction and to found Israel. Do not let anti-Zionists who do not tell the full truth lead you into a similar pitfall, which may be a trap meant to expand Israel into "Greater Israel" and destroy Islam for all time. The likelihood of any such possibility (and the possibility itself is remote) ever being successful is very low. So encourage anyone and everyone to continue to expose the Doenmeh, but pay especial attention to what is left out, and what is preached as your salvation. Do those who expose these facts talk of peace and prosperity through growth and better international relations, or are they out to constrain Turkey in a tighter grasping fist and deliver it more securely to Jewry in the name of opposing Jewry?

Consider that the Talibani Kurds, Hamas Palestinians, Hezbullah Lebanese, etc. are all products of Jewry meant to throw Islam into internecine war. Use them, instead of being used by them. Promote peace and self-determination for all people.

Keep the wealth of Turkey for Turks and grow that wealth through better international relations. Pass a law that the Doenmeh must declare themselves and provide their family trees.

Rely on facts, not accusations. Get at the truth. The names of these families can be used by researchers around the globe to track down these crypto-Jews and investigate them.

The Doenmeh will themselves create anti-Doenmeh factions to control their opposition, so do not allow divisiveness on this issue, but rather promote openness and civil discourse. Watch out for smear mongers trying to muddy the waters, who recklessly charge anyone and everyone who

is successful with being a Doenmeh. One way that the Doenmeh can ensure that their opposition will never have leaders who are not owned by them, and that their opposition will never achieve success, is to charge everyone who is successful at fighting the Doenmeh and reaching the public with the truth, with being a part of the Doenmeh. When everyone who is successful is shot down as if an agent of the enemy, there can never be success. Watch out for subversives who want to control information and people and promote petty infighting. Listen to those who promote honest disagreements and who promote unity and the active exchange of information even among those who disagree. Listen to those who provide solutions to the problems and work to make those solutions a success. Look to those who are looking to build. Watch out for those who tear down and cry out for revolution without first making an honest effort for civilized political action.

Things are about to heat up. The Doenmeh cannot hide. Shine a light on each and every one, and reward those who voluntarily come forward to expose the others. If we do not stop this Shabbataian movement, it may exterminate the human race.

11th Hour Attempt by Jewry to Sabotage the Armenian Genocide Resolution

Christopher Jon Bjerknes

http://www.jewishracism.com

Jane Harman, a Zionist Jew who has been investigated for her ties to AIPAC, is making an 11th hour attempt to sabotage the Armenian genocide resolution in the House of Representatives. She has sent a letter to fellow Zionist Jews Tom Lantos, who wants to use NATO to enforce Israeli interests in the Middle East—a key factor to consider when Turkey is involved, and Ileana Ros-Lehtinen, who has been tied to Scientology, and whose mother was a Jewish convert to Catholicism. What a cast of characters!

All of which prompts the question, why is World Jewry so concerned that there not be widespread recognition of

The Jewish Genocide of Armenian Christians?

On the Lies Jewry Are Spreading About the Armenian Genocide Resolution

Christopher Jon Bjerknes

http://www.jewishracism.com

In order to justify their depravity and scapegoat the Armenians and common Democrats for the organized Jewish campaign to trivialize the Armenian Genocide, for which genocide Jewry is responsible, Jews in the press and Jewish controlled politicians have spread several outrageous and obvious lies. If we had a legitimate press, instead of a Jewish controlled press, and if we had America-first politicians instead of Israel-first politicians, these Jewish lies would have no legs, like the snake which spreads them uncontested in the mass media it owns.

Jews are now spreading the lie that there is a legitimate academic dispute as to whether or not the Armenian Genocide was in fact a genocide. The Jewish controlled media has taken to wrapping quotation marks around the word genocide in Armenian Genocide. Though it had already been established beyond reasonable doubt that the Armenian Genocide was just that, all

of the new evidence reinforces that fact.

Jews in the media are spreading the lie that Democrats introduced the Armenian Genocide Resolution knowing that Turkey would seize on this opportunity to raise the issue of the PKK in order to destabilize Iraq, and that Turkey, our key ally, would have no choice when the truth was told but to stab America in the back and as our key ally kick us out of their country. They assert that was done to end the war in Iraq.

The reality is that Nancy Pelosi has worked to continue the Iraq War and spread it to Iran and Syria. Placed into power without opposition or choice as the Speaker of the House of Representatives, she immediately took the option of impeaching the Zionist warmongers George Bush and Dick Cheney off the table, thereby ensuring their ability to continue to subvert American interests for Israeli interests. She has led a crowd of dishonest Democratic leaders who control opposition to the war and do what they can to ensure that it continue to spread, while deceitfully pretending to oppose it. It may well be that these Democrats knew what would be the planned Turkish response and hoped to trigger World War III in this way, but they most certainly were not out to end the Iraq War.

If we had an honest media, instead of a Jewish controlled media, they would point out the known and proven fact that Israel and America have been training the PKK to attack Turkey and Iran, and have done next nothing to end those attacks. It is America and Israel which have deliberately destabilized Iraq and promoted the fighting between the PKK and Turkey.

Yet the Jewish controlled press scapegoats the Armenians and the Democratic Party for this

crisis, which Jewry has created with their Communist agents in the PKK and their Doenmeh control over Turkey. Jewry has long been planning to use this manufactured crisis to trigger an expansion of the Jewish war on Islam, as I have been pointing out for years.

Where is the condemnation of Turkey for insisting that America deny the Armenian Genocide? Where is the condemnation of Turkey for threatening alleged American interests? Where is the condemnation of Turkey for contributing to the destabilization of the Middle East over the moral act of telling the truth? Where is the Jewish voice demanding that genocide be recognized and officially condemned? Where is the Jewish outrage that genocide denial is accompanied by threats of additional violence in Turkey? Why is not the Jewish controlled media pointing out that the very reason why the Armenian Genocide must be recognized is to discourage further Turkish violence?

Turkey needs America and Europe far more than we need them. The American cowardice in the face of Turkish threats is as phony as the "opposition" to the war of Zionist snakes like Nancy Pelosi, but as long as we continue to allow the snakes to control every aspect of the debate, we will never be able to untangle them, and they will win by default—which of course means that we will lose.

Much Good Has Come from the Armenian Genocide Resolution

Christopher Jon Bjerknes

http://www.jewishracism.com

Compared to a year ago, when few knew of Armenia, let alone of the Armenian Genocide, today the Armenian Genocide receives intensive international attention. That in itself is a major victory.

Even the wiser of the Jews in the media, and their agents in government, are smart enough to acknowledge the genocide they seek to trivialize, lest they face inevitable stigmatization as genocide deniers when the Armenian community recovers from the blow Jewry has just delivered them—from the betrayal of friendships and moral principles—from the blatant Jewish hypocrisy—from the organized Jewish campaign to laud the Turks and defame the Armenians—when the Armenian community recovers its wind after the swift Zionist kick to the groin and begins to expose the liars and hypocrites.

The lessons for the American People in general are clear. The media and the leaders of the Democratic Party are effectively neo-Conservative Jews and their agents, who have only pretended to be anti-war so that they can control the opposition and not only keep the war going, but expand it. The Jewish controlled mass media and the Jewish controlled American Government seize on every opportunity to forward the Israeli war agenda, which is to foment World War III and destroy the Moslem nations of the Middle East.

Though it is forever scapegoating others, the enemy has exposed itself. The snake has struck without warning and mercilessly bitten the Armenians in the back. It is to be expected, given that Jewry attempted to exterminate the Armenians in the Jewish controlled Ottoman Empire.

The recent bite in the back was a lesson the Armenians had to learn and will not forget.

I hope the American People, and real Turks, also closely examine the duplicitous scales of the snake, which camouflage the poisoned fangs that sink into all those who have the misfortune to stumble upon it. The serpent, which daily spits lies into our eyes to blind us from the danger, is coiled around us and will soon chew on our souls, as well.

Balkanizing Turkey: Is It Good for the Jews?

Christopher Jon Bjerknes

http://www.jewishracism.com

Moslem Turks, truly Moslem Turkey as opposed to the duplicitous genocidal Doenmeh Jews who pretend to be Moslem Turks, better pay attention to how quickly the Jews turned on the Armenians when they deemed it was "good for the Jews" to do so, which Jewish mantra is the sole criterion by which many of them judge and determine their actions. These Jews have no obedience to principles, morality or common decency. Those noble human qualities are merely tools by which they regulate the opinions of the Goys, often with deliberate lies.

Moslem Turks better heed the lesson of the double standards with which Zionist Jewry treat the genocide of European Jewry as compared to their treatment of the Armenian genocide. You may think this plays into your hands, but ultimately it is a sword of Damocles hanging over your heads, and it reveals the nature of your "ally" who considers you subhuman and an offense to God. Your "ally" is your worst enemy and is so vile as to pretend to be your friend so that it can exploit and parasitically consume you.

Zionist Jewry planned, financed and led the destruction of the Armenians—and the destruction and literal Balkanization of the Turkish Empire. Today, they are planning, financing and leading the destruction of the Kurds and Balkanization of Turkey in exactly the same way.

It would be wrong to call them fair weather friends. They are instead a genocidal enemy who sometimes pretends to be a friend. Yesterday, they led the charge to stigmatize Islam and Turkey with *The Jewish Genocide of Armenian Christians*. Today, they lead the camp of genocide deniers. Yesterday, Zionist Jewry created the PKK and trained it to attack Turks and Iranians. Today, they are organizing the Turks and Iranians to step into a trap and slaughter the Kurds.

Tomorrow, Zionist Jewry will vilify the Turks and claim that you are genetically prone to mass murder and genocidal aggression. Tomorrow, Zionist Jewry will Balkanize Turkey. Turks, real Turks who are sincerely loyal to Turkey, are Moslems. Turkey's army is today a good tool for killing Moslems. But tomorrow it will pose a potential threat to Jewish messianic ambitions, to the enforcement of the Noahide Laws which proscribe Islam, to the destruction of Al Aqsa and the Dome of the Rock in order to build the Jewish Temple on the site, to the mass executions of Palestinians, Lebanese, Syrians, Egyptians, Saudis, Jordanians, Iraqis—and Turks—who dare to set foot on "Greater Israel".

Enjoy the success Jewry is handing you today, but do not forget that the banquet has been poisoned. The sweet is deadly sour and is already quietly killing you.

Barbara Lerner Compares Armenians to Palestinians

Christopher Jon Bjerknes

http://www.jewishracism.com

Barbara Lerner, with whom my regular readers are already acquainted—she gave us the term "Genocide Zealots" in her article for the *National Review Online*, "Judgment Time: Should America recognize an Armenian Genocide?"—has published another article, "History Speaks: The moral case against the Armenian Genocide resolution." In this second article, Lerner likens the Armenians to the Palestinians, claiming that both are good propagandists, but incompetent at governing. It is an interesting comparison, though her conclusions are false and incredibly insulting. Evidently, Ms. Lerner often travels to Israel:

EYELESS IN GAZA: what the terrorists know that we don't by Barbara Lerner

I would say that both Armenians and Palestinians are targets of World Jewry and both have endured the Jewish genocide of their peoples for the Jewish cause of stealing Palestine from its indigenous population. Both are targets of the Jewish media and both endure the vilification of their peoples in the Jewish media. Both Armenians and Palestinians are called "anti-Semites" when they tell the truth about the Jewish genocide of their peoples. Both Armenians and Palestinians are "Amalekites" in the eyes of World Jewry; and, therefore, in the eyes of World Jewry, both Armenians and Palestinians must be exterminated.

Armenians would be wise to observe the comparisons. It is the basis of your modern history, the

Armenian Genocide under the Jewish "Young Turks", the deliberate depopulation and economic strangulation of Armenia today, and the current round of defamations being hurled at the Armenians in the Jewish press.

The Dangers of Rewarding Genocide and Threats

Christopher Jon Bjerknes

http://www.jewishracism.com

What if Zionist Pelosi, and Murtha, who sometimes pretends to oppose the war in Iraq but always seems to stand in the way of measures to stop it, quash the Armenian genocide resolution; but Turkey unleashes unholy hell on the Kurds anyway? Is not one of the chief reasons for condemning genocide, the prevention of future genocides? Is there not evidence that the failure to condemn and punish genocide leads to a repetition of genocide?

How will the genocide deniers in Congress look if they fail to follow through on the genocide resolution, if and when the Turks, under orders from the Jewish Doenmeh, commit slaughter on the Kurds? The American Congress, which, together with the media, are controlled by Jewry, are empowering and rewarding those who have committed genocide, and encouraging them to repeat their crimes against the human race. The message Congress is sending to the World is

that if you commit genocide, the best way to cover up your crime is to pledge to commit further genocide and to throw the World into chaos. The American Congress, controlled by Jewry, is rewarding genocide and encouraging threats of future genocide.

The Jewish controlled press has even added quotation marks to the genocide in the Armenian Genocide. Jews are degrading and mocking the target group of genocide, the Armenians, a group very much still at risk in Turkey and in Armenia. Denial of genocide also encourages genocide. Jews around the World are again providing us with countless examples of how Jewry has always encouraged and perpetrated genocide by defaming and ridiculing target populations and by ginning up wars to provide the theater for their Jewish campaigns of genocidal slaughter.

The Armenians should produce ads showing butchered Armenians and then flash the genocide deniers in Congress on the screen and quote their lies and excuses. Show Turkish leaders denying the genocide, then show the mutilated corpses of Armenian scholars.

Show the genocided Kurds that the Zionists' friend Saddam Hussein attacked. Let the Turks know that they are being set up, as was Saddam and Iraq, for a genocidal attack on them. The Jewish controlled American Government gave Saddam the go ahead to attack Kuwait. Not long after, they hanged Haman Hussein, Kurd killer and invader.

The lesson the Kurds took from this history is that they are a step closer to a nation of Kurdistan, because Saddam slaughtered them. They are baiting you, Turkey, with the same Zionist trap. The Zionists want the oil of Baku and Kirkuk. They also want the corpses of tens of millions more Moslems, including you, Turkey. Take pride for now, if you must, in the American

Government's feigned cowardice before your threats. The fall that accompanies that pride will shatter Turkey into several pieces.

Defending the Armenian Community

Christopher Jon Bjerknes

http://www.jewishracism.com

Armenians can inform the American public with a television campaign and counter the media's campaign to scuttle the Armenian Genocide Resolution in the House of Representatives. Armenian leaders should fund and produce a series of television "commercials" showing the horrors of the Armenian genocide and calling on Americans to pressure their representatives in the Congress to pass H. Res. 106. This will be an effective way of countering the media's assault on the Armenian community.

Politicians will have a far more difficult time voting against the resolution when the American

public have been exposed to the horrors of the Armenian genocide and seen images of it. Any politician who votes against the resolution will then have associated him or herself with the genocide and this will provoke an emotional reaction in their constituency, and they will know it. Armenians have to make it unpopular to oppose the genocide resolution, and running a series of "ads" on television, and in print media, condemning Armenian genocide denial, and putting a human face on the genocide, is a good way to do this.

Jewry Blame the Armenians and the Democrats for the Zionist Fabricated Crisis

Christopher Jon Bjerknes

http://www.jewishracism.com

It is amazing (but not surprising) that the Jewish controlled media, especially the supposedly

liberal British branch of the Jewish controlled media, are encouraging genocide denial, after savaging David Irving, and are attempting to scapegoat the Armenians and Democrats for the actions of the Doenmeh Jews in Turkey. Jewry had hoped to stigmitize Islam with the label of genocide. Their plans have backfired on them, because it has come out that crypto-Jews were the planners, financiers, and leaders of the Armenian genocide.

Now Jewry seeks to cover up and deny the Armenian genocide, but their plans are backfiring on them, because the issue is receiving far more attention due to their denial, than if they had simply passed the resolution and then shut up. The supposed liberal, anti-war media, which has been so ineffective at stopping the war in Iraq and preventing the planned war on Iran—deliberately so, of course—now complains that the Armenian genocide resolution may provoke Turkey to curtail American efforts to continue the war in Iraq. Odd that, is it not? Jewry attempts to deny that they were behind the war on Iraq, and yet when an opportunity arises to end the war, they complain with bitter disappointment that the war may end, this from many of the same Jews who claim that they had always opposed an attack on Iraq.

In a fallacy of *cum hoc ergo propter hoc*, Zionist Jews and the media which they control, seek to blame Democrats and Armenians for Turkey's threats and America's prolonged failure to stabilize an Iraq and a Middle East, which America has intentionally destabilized.

Why is it that Turkey so loudly and violently protests genocide recognition? It is because Turkey is ruled by secret Jews who follow the cult of Shabbatai Zevi, Baruchyah Russo and Jacob Frank. They are known as the "Doenmeh". They are descendants of the Jewish "Young Turks" who

committed the Armenian genocide, and they seek to hide their guilt, not only because exposure of their crime will harm them, but because it will hurt the cause of Zionism, which is built on the genocide of the Armenians, and it will inhibit the ability of Jews to smear others with the threat of tying them to the Holocaust of European Jewry—because the retort will then be, "What about *The Jewish Genocide of Armenian Christians*? Don't we have a right and a duty to protect ourselves from genocidal Jewry?"

If truly Moslem Turks, as opposed to Jews who pretend to be Moslem Turks, ruled Turkey and were genuinely concerned about their honor, and about the Kurdish terrorism which plagues the nation: They would expose the fact that the leadership of the "Young Turks" who committed the Armenian genocide were Jews, thereby honorably acknowledging the truth and properly apportioning blame to the guilty, while rescuing Moslem and Turkish honor. They would demand that Israel stop training Kurds to attack them, thereby beginning to curtail Kurdish aggression, which is being caused in no small part by Israeli Jews who want to destabilize the region and pit Islam against itself. They would pass their own resolutions condemning America for the genocide of the Iraqis, and Israel for the genocide of the Palestinians, thereby reducing the likelihood of further genocides in their neighborhood. They would stop facilitating Jewish American aggression on Moslem Peoples, thereby protecting themselves from the wrath of Christendom which Jewry is fomenting against all of Islam, and from the wrath of Islam against Christendom, which Jewry is concurrently fermenting as they dehumanize Moslems in the media and "Christian" churches they have covertly subverted and dehumanize Christians in Moslem sects they have covertly created and in the Moslem media they own.

Instead of solving the problems they have created and improving the situation, the crypto-Jews

in Turkey, the Israelis, World Jewry and the Jewish controlled media seize on every opportunity to raise tensions in the Middle East, polarize American politics, blame the victim Armenians, balkanize Iraq, and provoke World War III. The underlying problems are the denial of crypto-Jews in Turkey of the Armenian genocide their ancestors committed, the terrorism and secessionism of the Kurds, the Jewish genocide of the Palestinians and the Jewish instigated American genocide of the Iraqis. Those are the problems that need to be addressed and resolved. Recognizing the Armenian genocide, and exposing its true Jewish source and causes will go a long way towards solving the other problems Jewry has created for the World. Do not allow them to change the subject, scapegoat their victims, and kill millions more—perhaps billions more—people, in their pursuit of their plan to ruin the human race.

Though they appear to be doing a good job of defeating themselves with their emotional and poorly conceived reactions, it is only because we continue to expose the truth. If the Doenmeh succeed in brainwashing the Moslem Turks to follow a self defeating agenda, we will be forced to alienate Turkey to protect ourselves, which is regrettable, because Turkey is a beautiful nation and the Turkish People do not deserve to suffer for their Jewish leaders. The World will see that the Turks are capable of genocide, if they hammer the Kurds, instead of rooting out the Mossad among the Kurds and pressuring Israel to end its covert aggression against Turkey. Islam will see that Turkey is a willing and stupid slave of Jewry. Tourism and trade will sharply decline. The average Turk will sink deeper into poverty. All this as the blessing of the Jews on the Turks for subverting Turkish interests in favor of Jewish interests.

Ultimately, Turks will have an identity problem they should at last begin to face. They must ask

themselves, who are Turks? Armenians, Kurds and others are ancient inhabitants of "Turkey" and the Seljuk Turks disappeared long ago. Turkey is a multi-ethnic country and should celebrate that reality, not seek to genocide its own citizens—and I warn you Turkey, though Jewry wants you to attack the Kurds and wipe them out, they are not doing this to help Moslem Turks.

After you have committed these crimes and obliged Jewry's bloodlust, Jewry will turn completely against you and the Armenian genocide will be exposed in every media outlet they own, and they will make scores of movies blaming Turks for the Armenian genocide, and tying it to what will be called the "Kurdish genocide". Jewish comedians will ridicule you around the world and mock how stupid you are to commit genocide in pursuit of denying genocide. You will be forever stigmatized as if a bloodthirsty race and will suffer as Germany has suffered the loss of its honor. You are being set up to destroy yourselves, just as you were set up a century ago to destroy the Turkish Empire. Jewry is cajoling you to commit a crime against humanity, so that they can pit humanity against you.

They way out is clear. Simply tell the truth and join with the Armenians in exposing *The Jewish Genocide of Armenian Christians*.

Why Is Kasparov Badmouthing Russia Abroad?

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

I know a somewhat famous man who has met Kasparov. He stated that Kasparov was a half-Jew. Bobby Fischer has, I believe, also stated that Kasparov is at least half-Jewish. I do not know if these beliefs are true.

When I hear Kasparov speak, he is often ridiculing Russia. He calls Russia undemocratic and implies that Putin is a fascist dictator who suppresses opposition with a terror squad state police force. Kasparov reminds me of the men and women from Afghanistan and Iraq, who used to parade themselves in the American media, and who defamed their leaders and their country. America has since laid Iraq and Afghanistan to waste.

In the First World War, German Jews who were initially very pro-German began a vicious smear

campaign against Germany when the Zionists struck a deal with England for the Balfour Declaration in exchange for bringing America into the war against Germany. Russian Jews—Jews in general—have been defaming Russia and Russians in the West for centuries. They made the Protestant churches they invented very anti-Russian and called the Czar the "anti-Christ", a trend which continues to this day when crypto-Jewish televangelists on the Zionist payroll call Russia and the Russian People "Gog and Magog" as they wrap themselves in the Israeli flag and trick their parishioners into worshiping Jews and abandoning Jesus Christ and the Gospels.

The regular defamations of the Russian People in the Jewish controlled press is very alarming. It appears that the Khazars will have their revenge on the Russ—and the Americans—and the rest of the human race. The Rothschilds have been waging a personal war on the Russian People for centuries. Will the Russians ever begin to fight back in a sensible way?

The Russian Government should produce documentaries exposing how the Israelis have created a "Christian" Zionist fifth column in America, which they are directing to bring nuclear war against Russia based on the Jewish myth of the "Rapture". The Russian Government should document the Jewish war on the Russian People which has been waged for centuries and which has claimed tens of millions of slavic victims of Jewish genocidal aggression. The Russian media, if there is any, should show Kasparov running around American television telling Americans that Russians are terrible.

It Is Time for Turks and Armenians to Reassess Their Options

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

On the face of it, the US Congress has chickened out to turkey, um, Turkey. But what has Turkey gained? A war, international public exposure of the Armenian Genocide, alienation from the US who now knows that Turkey is not a reliable ally, potential civil war and increased sedition, economic losses and losses of good will, the appearance of being a stupid bully who denies genocide and then threatens genocide to cover up genocide, etc.

Armenians are disappointed, and to some unspoken extent, I suspect a little relieved for now, given that the Jewish controlled media and government were blaming them for the war between Turkey and the PKK and the failure of the War on Iraq. But the anger and resentment will grow.

The smart move for the Turks would be to open a new investigation into the Armenian Genocide with an eye towards identifying the true ethnic and religious origins of the so-called "Young Turks". It makes you look bad to deny genocide, even if it makes you think you look powerful by backing down the Congress. However, you should read the press stories very carefully. The Congress is calling this a postponement.

What if they are postponing the resolution until such time as they spring the trap on you and turn on you as quickly and as cruelly as they have recently turned on the Armenians and the

Kurds? What then? What if every Jewish controlled media outlet in the World reports that the genocidal Turks, who viciously attacked Kurdish children, who destabilized Iraq just when Bush was about to succeed, who stabbed America in the back, who betrayed NATO alliances, etc. etc. etc. WHO NEED TO BE STOPPED! Well, it should be obvious how Jewry hangs a sword of Damocles over your head until such time as you acknowledge the genocide. You can do that and preserve your honor by merely telling the truth, that the leaders of the "Young Turks" were Jews. You can also solve your problems with the Kurds by informing the World that Israel is fomenting the fight and is behind the PKK. Both problems solved without any bloodshed and without any loss of honor. In fact, you can seize the opportunity to puff up your chest, gloat that you have backed down America for the honor of Turkey and Islam, and that you have mercifully brought about the beginning of the solution of the Kurdish insurrection by proving that it is a Jewish agitation.

Armenians, I again urge you to produce a professional video documentary telling the full truth of The Jewish Genocide of Armenian Christians, which can serve as a basis for rapprochement with Turkey as well as a basis for reparations *from Turkey, the Kurds and the Jewish bankers and Israel!* Include in this documentary not only the fact that the leaders of the "Young Turks" were Jews, but that Jews are the main force behind Armenian genocide denial and sabotaged the Armenian Genocide Resolution by blaming you for the fight between Turkey and the PKK, which Jewry created and perpetuates. Show the politicians denying genocide and blaming Armenians. Show newspaper ads from Jews insisting upon genocide denial, etc. Emphasize the fact that Turkey and Israel deny the genocide, and that Turkey and Israel insist that the US deny the genocide. You are in a far better position today than yesterday to win your case in the court

of public opinion. Jewry has shown its guilt. Turkey has shown its guilt. Now you have the opportunity to capture these images in a striking documentary and show it to the World.

U.S. and Turkey Thwart Armenian Genocide Bill

Sponsors of Armenian genocide resolution back off

US sponsors postpone push for Armenian genocide bill

Vote on Armenian 'genocide' resolution put off

P.S. I left out the PKK because they are an arm of the Mossad and will continue to murder Turks in the hope that Turks will murder Kurds in the hope that the West will murder Turks.

"The 8 Stages of Genocide" and Jewish Laws Which Stereotype Moslems as If Enemies of the State

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Zionist Jewish Congresswoman Jane Harman introduced the "Violent Radicalization and Homegrown Terrorism Prevention Act of 2007" in April of this year. It has now passed the House. Harman recently sent a letter to Tom Lantos and Ileana Ros-Lehtinen asking that they not approve the Armenian Genocide Resolution.

Harman aside, World Jewry are working very hard to gin up World War III, which will likely begin as a Western war on Islam instigated by the Jewish controlled press and Jewish controlled politicians. As history has proven, world wars serve as theaters for Jewish genocides of defenseless peoples, including fellow Jews. Once Jewry are successful at instigating World War III, and perhaps even before, it appears from the daily vilification of Moslems in the Jewish controlled media that some Jews wish to genocide the Moslems of America.

This new legislation may well serve them to fulfill several of The 8 Stages of Genocide. It will provide the American Government with a means to officially designate Moslems as if enemies of the State, and therefore prime candidates for genocide. It will open the door to witch hunts by those with a pre-existing hatred of Moslems to target Moslems for investigation and implicate them as if enemies of the State merely by investigating them. It will enable the American Government to dub Moslems a target class for investigation, a target class for genocide.

On its face, this legislation is dangerous to our liberties, but the danger is truly darker and deeper. This legislation is a blueprint for genocide, and I believe it will be used to genocide the Moslems and all who speak up to defend them. It is the new expression of "Democratic Centralism" and Nazi "Ermaechtigungsgesetz" and "Gleichschaltung" laws and will obviously be used to target Moslems. It is worse than mere totalitarianism. It is totalitarianism with an eye

towards genocide—and it is a resounding success in the Israel-first US Congress which empowered Zionist George W. Bush to genocide the Iraqi People. It appears the next step will bring genocide closer to home.

Jewish Bolshevik Witch Hunt Laws

Christopher Jon Bjerknes

http://www.jewishracism.com

Jews were infamous in the Bolshevik Soviet Union for "denouncing" their fellow citizens, often resulting in the deaths of their victims. Today, the same happens in Canada, though the punishments are not yet deadly.

World Jewry is now instituting Jewish designed witch hunt laws in America, which laws obviously intimidate Moslems, who are regularly defamed and dehumanized by Jewish controlled media, Jewish controlled government officials and Jewish organizations. Zionists are openly threatening Moslems with barbed wire fences and concentration camps. The threats gain a reality and the genocide of Moslems grows nearer as American Jewry push through more anti-American legislation designed to proscribe thoughts and speech they wish to extinguish by force, the ultimate force of tyrannical Jewish dominated government.

One of the stages of genocide is to manufacture groups which are defined as a threat to the state

and then to look for, or manufacture, reasons meant to justify pre-existing hatreds of those groups. Jews in America have created bureaucracies designed to manufacture evidence of a Moslem conspiracy against Jewry and America, so that they can justify their desire to exterminate Moslems, or at least round them up and deport them from our shores. They have already fomented genocidal wars against Moslems abroad, and their war on Islam has reached our neighborhoods, our schools and our courts. Cowardly and cruel American Jews wish to take away the natural right of Moslems to self defense against these Jewish attacks. Too cowardly to directly confront those they hate, these Jews corrupt the American Government and use it to intimidate, and likely to eventually genocide, the Moslems in America.

When the Jews took over the Ottoman Empire and the Russian Empire, they exterminated the *intelligentsia*. The Jews of America are now exterminating our rights to think and to express our thoughts. They are taking away our freedom of thought and expression so that they can eventually take away our lives. Their demonization of Moslems, and of those who speak out against Jewish aggression against us, is one stage on the path to their genocide of us.

World Jewry's Blessings on the Kurds for the Kurdish Blessing on the Jews: Mossad Trains While JINSA Jabs

The Kurds are beginning to taste their own blood. It is their reward for siding with Israel against Islam. Now they are starting to feel the hurt Kurds perpetrated on the Armenians at the instigation of the Jewish "Young Turks"—Armenians who were also betrayed by traitors among their own people. Note that American Zionists and the Israeli Government call for the demolition of the PKK, while the Israeli Government trains the PKK it created:

Ask the Treacherous Israelis, They Created, Finance, Train and Otherwise Support the PKK

Christopher Jon Bjerknes

http://www.jewishracism.com

Gates laments the fact that the slaughter of the Kurds will not be effective in crushing the PKK, which America and Israel train to commit terrorist acts against Turkey and Iran, until such time

as accurate intelligence is gathered as to their whereabouts:

Gates: More intel needed on Kurdish rebels in northern Iraq

Instead of blaming the Armenians for the Turkish-PKK conflict, the US Government ought to demand that our "ally" (read worst enemy) Israel disclose all of its information related to the PKK, so that this terrorist organization can be disbanded. After all, the PKK is an arm of the Mossad, meant to agitate Israel's second most important "ally" Turkey into starting World War III.

If the Turks truly want to shut down the PKK, instead of working with the Israelis to betray and kill the Kurds, then Turkey should demand that the Israelis open their books and lead the Turks to the PKK, which are an arm of the Mossad. Of course, that would mean that Israel would have to admit to the World public that they are inhuman scum who pretend to be an ally of the Turkish People, while concurrently creating and sponsoring a terrorist organization to attack Turkey and divide Turkish citizens against themselves. Of course, that would mean that Israel would have to openly betray its organization the PKK to certain death at the hands of outraged Turks, but then that was the plan from the beginning!

Yes, Israel, show what a noble ally you are to Turkey and give them your intelligence on the PKK which you created and trained in order to Balkanize Turkey and spark World War III.

More Evidence that World Jewry Deliberately Lies in Order to Foment Wars, Dehumanize Groups and Commit Genocide

Christopher Jon Bjerknes

http://www.jewishracism.com

Tzipi Livni has made it clear that the Israelis are well aware that their fear mongering and scare tactics are calculated lies iterated to gin up a war against peaceful Iran:

Livni behind closed doors: Iran nukes pose little threat to Israel

Such lies, meant to mischaracterize Iranians as if an existential threat to Jews, set the stage for the Jewish genocide of Iranians. "Christian" Zionists ought to reconsider their support for the deceitful and murderous nation of Israel. Consider what Jesus stated as quoted in *John* 8:44-45,

"Ye are of *your* father the devil, and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him. When he speaketh a lie, he speaketh of his own: for he is a liar, and the father of it. And because I tell *you* the truth, ye believe me not. "

The Curse of Blessing Israel

Christopher Jon Bjerknes

http://www.jewishracism.com

"Christian" Zionists, who, as Rev. Bedros Hajian puts it, heretically worship Jewish nationality, not Jesus Christ—pseudo-Christian Zionists believe that if they bless the modern state of Israel and worship Jews, they will themselves be blessed (*Genesis* 12:3). History proves otherwise.

America has always blessed the Jew. In return, World Jewry has sent the English to war on us. World Jewry divided our nation against itself, and financed and led both sides in the Civil War. World Jewry financed our worst enemies and dragged us into World War I and World War II, both of which wars World Jewry created. World Jewry financed our enemies of Germany and Imperial Japan. World Jewry created and financed our enemies of Nazi Germany and the Jewish Bolshevik Soviet Union. World Jewry has sold and given our Communist enemies our military secrets, most notably our nuclear secrets. World Jewry has attacked our naval vessel the USS Liberty in hopes of dragging us into war. World Jewry has been caught many times spying on us. Yet, World Jewry considers the United States to be its most important ally!

And who is World Jewry's second most important ally? According to Abe Foxman of the ADL, Israel's most important ally after the US is the nation of Turkey. World Jewry has created, financed and trained the PKK to attack Turkey and bring it into civil war and conflict with other nations. That is how good World Jewry is to its two most important allies!

World Jewry destroyed the Turkish Empire, which offered Jewry sanctuary when Spain expelled the Jews. World Jewry destroyed Germany, which made Jews the economic powerhouse they are today. World Jewry destroyed the Russian Empire in which the majority of Jewry lived. Such are the blessings of the Jews on those who bless them. Such is the curse of siding up with World Jewry. To do so is ultimately to side with your worst enemy against yourself and your own people, as the Kurds and the Turks are now learning as they consume one another at the behest of the Jews whom they have sought to bless.

Closing the Front Door. . . and the Back Door. . . of the Trap

Christopher Jon Bjerknes

http://www.jewishracism.com

The Jewish controlled PKK are prodding the Turks to strike into Iraq. The Jewish Doenmeh of Turkey are propagandizing the Turks to attack the Kurds.

Real Turks and real Kurds ought to shut the doors to this trap.

Turkey will only worsen matters if it falls into the trap of invading Iraq. Kurds will only suffer if they do not do everything in their power to shut down the PKK and turn in the Mossad and crypto-Jews who run the PKK. The UN must address Israel's perpetual agitations for war in the

Middle East. Turkey and the Kurds ought to sue the Israeli warmongers.

Turkey cannot afford a prolonged conflict in mountainous regions as winter approaches. Turkey cannot afford dramatically increased sedition, and outright civil war, on its soil. Kurds, you will not gain Kurdistan by provoking World War III, despite what the Jews have falsely promised you. Azers, you will not take Eastern Armenia, Northern Iran and become a part of a greater Azerbaijan by joining with Turks in war, despite what the Jews have falsely promised you. Armenians, you will not take Western Armenia and Baku when Turkey is Balkanized in the planned war, despite what the Jews have falsely promised you. All you all will receive is ruined cities and corpses piled up to the moon, if you play along with the Jews in hopes of expanded territory and ancient glory.

Instead of killing one another off to profit the Jews, unite and confront your common enemy with peace between you. Build the region into a prosperous and cooperative hub between East and West. Let Israel, instead of you, rot on their scavenger diet. Force the parasite into cannibalism.

Moslems and Christians of the Middle East, you must create new institutions to resolve conflicts between you and promote peace and stability. World Jewry controls the international institutions of the World today, and is using them to destroy you. Save yourselves and keep them out. Stop fighting one another and start helping one another. In this way you will close out your real enemy and help yourselves.

Why Should Armenians Be Blamed for Turkish Attacks on the Kurds, When It Is Jews Who Are Training the PKK to Attack Turkey and the Turks Know It?

Christopher Jon Bjerknes

http://www.jewishracism.com

Please have a look at the following article:

PM Erdogan to press Olmert to give up supporting Iraqi Kurds

Why is not Erdogan screaming bloody murder to the World over Israel's efforts to pit the Turks and Kurds against one another in order to spark World War III? I have been writing and speaking about this Jewish plan for years:

More Proof that Zionists Are Using the Kurds to Foment WW III

I have also been warning, for years, that World Jewry wants the US to hit Iran with nuclear weapons, and that Jewry want to destroy Russia. I issued these warnings long before today's events began to unfold, before Turkey threatened to invade Iraq, before Sy Hersh wrote about the plan to nuke Iran, before Zionists in the US began to threaten Russia with a missile shield in Europe, etc.

World Jewry is behind this campaign to destroy the human race. We must begin to defend

ourselves from our mortal enemy. Their plan is not new. A Hungarian Jew (like Herzl) manufactured the pan-Turkic movement, the rabid Steppenwolf of Turkish racism, which will soon be used to provoke Turkish aggression into Iraq and Armenia, even into Georgia, Russia, and Eastward. The Jewish bankers want the oil of the Caspian region and the oil of Kirkuk. They also want to bury the Russ who buried their Khazar Kingdom.

Jewry have been pitting Turks against Russians for a very long time. Jewry created the Crimean War, the Russo-Turkish War, World War I, the destruction of the Armenian Republic, etc.

The Hungarian Jew Arminius Vambery created the Nazi-like *Blut und Boden* myth of pan-Turkism even before his fellow Jews created the crypto-Jewish Nazis (*see:* Jacob M. Landau, *Pan-Turkism: From Irredentism to Cooperation*, Second Revised and Updated Edition, Indiana University Press, Bloomington and Indianapolis, (1995), p. 2). Just as Jewry created Nazism to destroy Germany in the name of creating a German Empire, by pitting Germany against England and Russia; Jewry earlier created pan-Turkism to destroy the Turkish Empire in the name of creating a pan-Turkic Empire, by pitting Turkey against England and Russia.

Jewry's plans have not changed. They will have "Greater Israel" extending from the Nile to the Euphrates. They will destroy Al Aqsa and the Dome of the Rock in order to build the Jewish Temple in their place. They will Balkanize Turkey and every other Moslem nation in the Middle East, and then begin to exterminate their populations. They will exterminate the Russian People, the Gog and Magog of their fanatical and genocidal Jewish myths.

Having studied Jewry, I was able to predict years ago what is taking place today. I hope that

what I foresee for tomorrow does not so accurately follow the success of my former predictions.

We can stop this madness by identifying Israel and Jewry as the source of this war on humanity. We can stop this madness by uniting and confronting the enemy with peace. We can stop this madness by proving their crimes in the courts and taking back our monies, our lands and our souls from the eternal enemy of the human being. But we had better do it now. There will be no second chances.

Turkey Should Put a Bounty Out on Foreign Subversive Agents

Christopher Jon Bjerknes

http://www.jewishracism.com

The Turkish Government should offer substantial rewards for information leading to the capture of foreign agents, including the Mossad, who are operating to train and agitate the

Kurds to attack Turkey. If and when Turkey captures these criminals, or simply gathers enough proof, if it does not have it already, Turkey should sue the Israeli Government and all other involved governments for damages.

In addition, Moslem nations should form an international police force to root out the Mossad and crypto-Jews, and other foreign forces operating to create instability in the Middle East. Merely offering these rewards and creating this policing agency will call international attention to the problem and make it more difficult for these professional murderers to drag us into World War III—the Jewish war on the human race.

The United Nations Should Guard the Turkey-Iraq Border

Christopher Jon Bjerknes

http://www.jewishracism.com

I had a feeling that some of the terrorists among the Kurds, together with their Mossad and C. I. A. trainers and advisors, would try to provoke a Turkish incursion into Iraq by murdering Turks. I suspect much more of this will occur. The leaders of World Jewry want WW III and the oil of Kirkuk and Baku. They are promising the Kurds an independent nation if they provoke the next world war, but instead the Kurds will be genocided and the Jewish bankers will take the oil profits of the region and begin to exterminate and transplant the indigenous populations.

The U.N. should intervene and guard the border, while the Turkish Government works with the indigenous Kurdish citizens of Turkey to end the terrorism and address the grievances of the Kurds. It will be a long and difficult process, but making this difficult and frustrating effort is far better than the imminent prospect of World War III, unless you are a racist, supremacist Jew who wants to kill all the Moslems.

We can also expect the Zionists in the American Government and the media to waver on the issue of the Armenian Genocide Resolution so as to agitate Turkey's Doenmehs. The Zionists want war not peace.

How Will We Survive the Third World War Which We Are Starting?

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Of course, the best means for survival is to prevent World War III. Perhaps by demanding that Americans face the realities of what a Third World War will mean, and by insisting that we plan for the consequences of our aggression, we can shake the collective psyche of Americans to a will to survive, despite the fact that the American People have become murderous warmakers.

It is beyond dispute that World Jewry is the not so hidden hand pushing us into WW III. So we must ask ourselves, "what do they want to transpire in their war on the human race, and what will it mean for us if and when World Jewry succeeds in suckering us into their war?"

My understanding is that World Jewry considers the Northern European the single greatest threat to the hegemony of the Jewish People in the "End Times". They find the British far more

gullible and feeble of mind—easier to control and manipulate and ever ready to fight wars for the benefit of the Jews at the expense of the British People. World Jewry believes that Americans are even more gullible and weakminded than British, Southerners all the more so, being traditionally largely descended from British stock. Solid stupid cannon fodder is how they view the British and Americans.

World Jewry's hatred of the Slav—especially the Russian, Pole and Ukrainian—is well known. World Jewry also cannot tolerate the industrious and independently minded and prideful Japanese.

Having read a great deal of Zionist literature published in the late Nineteenth and early Twentieth Centuries, and having studied the statements of racist Zionists including Disraeli, Einstein, Zangwill, and many others, I suspect that World Jewry seeks to annihilate the Northern European, the Eastern Slav and the Japanese. Their desire to devastate Islam is taken as a given for the purposes of this discussion.

The only power capable and willing to wipe out Northern Europe is potentially Russia. The only power capable and willing to wipe out the Russians is NATO and Israel. If my presumptions are correct, it would seem a rather straightforward matter that World Jewry will attempt to have Russia annihilate Northern Europe, and then have America, Britain and Israel annihilate Russia.

It wouldn't be a World War worth having for the Jews, unless it had such World altering consequences, would it? Why would they interrupt business and throw the World into chaos, and risk a backlash of unimaginable horrors against themselves, unless they have hopes of

changing the complexion of the Earth to match their End Times prophecies?

So, what are our plans to survive the Third World War we are eagerly planning to start at the behest of World Jewry? Ask your friends and neighbors if they know how to treat severe wounds, radiation sickness and how to purify water and grow food. Ask them if it is worth it to lose their lives, their country and all future generations of their genes for the sake of World Jewry's hatred of the human race.

Most importantly, ask them what they plan to do when the war reaches us. Ask what they will do when they see the mushroom clouds rising. Will they kiss their spouses and children and say goodbye to them forever? Will they curse their gullibility and stupidity? Or will they blame those "damn Russians" Jewry engineered us to attack, and die as stupidly as they have lived?

World Jewry has harvested hundreds of millions of innocent lives in their quest to artificially fulfill Jewish messianic prophecy. Do not doubt even for an instant that they plan to do it to us as surely as we have done it to others at their request.

The Final Solution to the German Question: Germany's Fate in World War Three

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Jewry have often expressed pride in their destruction of ancient Egypt, Ancient Greece and Ancient Rome. I suspect that Germany is slated to suffer an even worse fate, on the pretext of retaliation for Nazi war crimes.

Some Jews have complained that Germany got off virtually scot-free after the Second World War. They lament the fact that the German People worked very hard to rebuild their nation after the crypto-Jewish Nazis deliberately destroyed it. The Zionist Jew Henry Morgenthau, Jr. created a plan to annihilate the Germans. The Jew Theodor Newman Kaufman advocated the genocidal sterilization of all Germans as a "final solution" in 1941 in his book *Germany Must Perish!*, Argyle Press, Newark, New Jersey, (1941), before the Wannsee-Konferenz occurred. Some Jews even sought to literally "poison the wells" of the German People and mass murder at least six million Germans after the war. The soul of World Jewry cries out for revenge, despite the catastrophic bombing of German cities and mass murders of millions of German POW's during and after the war.

However, the Jewish race war on the German People predates the Second World War by a very long time. The Racist Zionist Jew Moses Hess called for a Jewish race war of extermination against Germany in the 1860's in his book *Rom und Jerusalem*, which was later translated into English as *Rome and Jerusalem: A Study in Jewish Nationalism*. During the First World War, Jewish sociologists declared that the Germans were a warlike race that must be destroyed.

Again, Jewry has conducted an ongoing war of extermination against the German People for a very long time. They Balkanized Germany into East and West, and then robbed it of its sovereignty through the EU and its puppet Zionist government which is an Israeli fifth column that is subverting the interests of the German People.

Having studied organized Jewish behavior over the centuries, I predict that the Jewish war of extermination against the German People has not ended. I expect that during World War III, Jewry will foment Russian hatred of the Germans for the crimes of the Second World War, and will use its control of Russia to launch a severe series of nuclear strikes on German cities. Germany is highly vulnerable to such an attack for many reasons, including its close proximity to Russia.

Germans would be wise to realize that their slogan of "NIE WIEDER KRIEG" is not only meaningless, it is self-destructive given that World Jewry continues to wage a war of extermination on the German People, defaming you, subverting your government and sovereignty, poisoning your environment, and setting up Russia to annihilate you once and for all time. They will have their revenge on you, if you let them. The Russian attack on Germany may serve as an excuse for the absolute destruction of Russia at the hands of the Jewish controlled Americans.

Deja Vu All Over Again: Israel Expected to Deny Another Jewish Genocide of Gentiles—Blames Russians for Immoral Israeli Denial

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

World Jewry has been the main force behind the aggressive denial of *The Jewish Genocide of Armenian Christians*. Jewry has also long been denying and covering up the Jewish genocide of the Slavs. They do not want their crimes exposed and have brought us to the brink of World War III in order to keep them hidden.

Jewish bankers planned, financed, organized and orchestrated the Russian Revolutions of 1905 and 1917. They created the First World War, in part to destroy the Russian monarchy—and the Russian People. It was an act of revenge of the Jews against the Russians for the Pale of Settlement and for daring to seek to control and keep their own wealth, which World Jewry believes belongs to them. The Jews needed to free up the Jews of the Russian Empire for settlement in the Middle East from Baku to Jerusalem. They needed Jewish soldiers to kill Turks and Arabs.

When the Jews took over the Russian Empire, they began to mass murder the Russians, just as when they took over the Ottoman Empire, they began to mass murder the Armenians, and other Christians. The Jews trapped the Armenians between the Jewish controlled Ottoman Empire

and the Jewish controlled Bolsheviks and stole away their newly formed country.

The Jews destroyed Russia in stages. They pitted the Imperial Japanese against the Russians and created the Russo-Japanese War. They funded the Japanese and blocked Russia's access to the money markets. Jews caused massive strikes and pitted the Russian People against the Czar who was trying to save them from Jewry. Before all of this, Jews pitted the Russians against the Turks, and Jews sought to control the trade routes between East and West and block the Russians and Turks from their due profits and participation in this trade, which Rothschild believed belongs to the Jews. In the Crimean War and then the Russo-Turkish War, Jewry progressively weakened Russia and Turkey and pitted Christians against Moslems, and Western Christians against Eastern Christians.

Today, Jewry is again ginning up wars involving Turkey and Russia. They are again blaming Armenian Christians for Jewish crimes against the human race. Today, Israel denies the Armenian Holocaust, which Jewry caused, while falsely blaming Armenians for the war between the Jewish controlled PKK and the Jewish controlled Turkish Government, which war Jewry caused.

Jewry also caused the Ukrainian genocide. The Jew Lazar Kaganovich murdered some ten million innocent Ukrainians at the behest of World Jewry. Jews often bare long held grudges and lusted after Ukrainian blood for a very long time. The Khmelnytsky/Chmielnicki Rebellion, the Deluge and the Russo-Polish War claimed many Jewish lives. In the 1640's, Orthodox Ukrainian Bohdan Chmielnicki alleged that Jews and Polish Catholics had enslaved the peoples who were under Polish control. In retaliation, Chmielnicki allegedly slaughtered large numbers

of Jews. Some Jews saw this holocaust as the punishment which signaled the coming of the Messiah. Shabbatai Zevi arrived shortly thereafter to claim the throne of King of the Jews. There were also more recent pogroms, increasingly so in the early 1920's though they have been exaggerated.

The Jewish Bolsheviks, under the control of the Jew Lazar Kaganovich, took revenge and genocided at least ten million Ukrainian slavs. Christian mothers boiled and ate their babies, as Jews burned grain stores to ensure that the Ukrainians would starve. Jews insisted that Christians turn one another in to Jewish authorities in order to ensure that no food would be available and so that no two Christians could cooperate to save themselves from the genocidal Jews who were genociding them.

Just as Israel today denies the Armenian Genocide and scapegoats the Turks for forcing them into this immoral and unconscionable denial, though in reality the Jews are simply covering up their crime of genociding helpless Armenian Christians and scapegoating the Turks for their additional Jewish crime of denial; Israel is expected to deny the Jewish genocide of the Ukrainians and scapegoat the Russians for the Jewish crime of the genocide and the Jewish crime of denial. Anshel Pfeffer writes in *Haaretz*,

"Ukrainian President Victor Yushchenko is expected to ask Israel to recognize the genocide of the Ukrainian people in the 1930s by their communist government when he visits here in about two weeks, sources said. Israel is not expected to accede to the request, which has won the support of Jewish community leaders in Ukraine, so as not to damage its

relationship with Vladimir Putin's government at a sensitive time."—Anshel Pfeffer, "Ukraine to seek Israeli recognition for 1930s genocide", *HAARETZ.com*, http://www.haaretz.com/hasen/spages/917798.html (30 October 2007).

Keep Israel Out of NATO

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Many have thrown stumbling blocks and placed roadblocks on Turkey's path to entering the EU. Turkey should return the favor and point out that Israel has committed and sponsored terrorist acts against NATO members, most recently through the PKK. Israel should not be allowed into NATO and Turkey can help to prevent this disaster from ever happening.

If Only We Could Get Hersh to Report on the Doenmeh

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

It would be a real coup if we could somehow get Seymour Hersh to report on the Doenmeh who run Turkey, and show as I have that this war is being agitated by Doenmeh in Turkey and the Mossad PKK and has been artificially manufactured by World Jewry—on both sides. The broad exposure he could give to these facts could well stop this phase of the Jewish bankers' plans to instigate their Third World War.

Thankfully, Word Is Spreading

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

I have been trying to warn people of the PKK threat to the World for years. We need more and more people to sound the alarm and stop this mad march to World War III. Sy Hersh has reported on many issues which I have raised years ago. . . the plans for attacking Iran with tactical nuclear weapons. . . the PKK, etc. We need to get this out everywhere so that the Zionist Jews who provoke these wars face such broad exposure that the World public will finally act to

stop them and prosecute them.

Hersh often fails to draw all of the correct conclusions, but I have predicted these things and explained why they are happening long ago. People aren't stupid. Many people will connect the dots as word spreads. Please help to speed up the process.

Hersh: US, Israel support PKK

Who's Behind the PKK?

Elie Wiesel Waxes Philosophical About the Armenian Genocide

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

A friend has informed me of an interesting article, which is available on the internet. While pontificating on the Armenian Genocide, Elie Wiesel purportedly said,

"No one is asking for the Turks to take responsibility. All the Armenians want is the right to remember. Seven generations separate us from the events that happened in World War I and nobody in his right mind would

say that today's Turks are responsible for what happened."—E. Wiesel, as quoted by Harut Sassounian, "Commentary: Wiesel is Right on Genocide Recognition; Wrong on Armenians' Quest for Justice", *The California Courier*, http://groong.usc.edu/news/msg208776.html (1 November 2007).

Contrast this with Nobel Peace Prize laureate Elie Wiesel's statement in 1968, where he was a bit less circumspect about the guilt of modern Germans, who, unlike Turks who largely deny the Armenian Genocide, do not by and large deny the genocide of Europe's Jewry,

"Every Jew, somewhere in his being, should set apart a zone of hate—healthy, virile hate—for what the German personifies and for what persists in the German. To do otherwise would be a betrayal of the dead."—E. Wiesel, *Legends of Our Time*, Schocken Books, New York, (1982), p. 142.

Wiesel is an overrated poseur. When he opens his mouth, especially in response to an unexpected question, he shows what a mediocre mind he has. It is not wise to look to Wiesel for wisdom.

Bob Novak Reports that Rabid Zionist Congressman Rahm Emanuel Always Opposed Official Recognition of the Armenian Genocide

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Robert Novak reports that,

"Rep. Rahm Emanuel, the House Democratic Caucus chairman, dissented from Speaker Nancy Pelosi's support of a resolution condemning the 92-year-old Armenian genocide that has proved to be the big blunder of her tenure. [***] [H]e always has opposed the long-standing effort by the Armenian-American community, dating back to his days as President Clinton's political aide."—Robert Novak, "Emanuel didn't back Pelosi on Armenian genocide resolution", *Chicago Sun-Times*, http://www.suntimes.com/news/novak/623639,CST-EDT-NOVAK28.article, (28 October 2007).

Why would the highly influential Zionist Jew Rahm Emanuel have long opposed recognition of

the Armenian Genocide? Leon T. Hadar wrote of Emanuel,

"The build up was choreographed by a skillful White House team led, ironically, by a presidential assistant, Rahm Emanuel, who had served in the Israeli military during the Gulf War and whose father had fought in the 1948 Middle East war as a member of the Irgun. (Emanuel, incidentally, played the role of Yasir Arafat in the preceremony rehearsal.)"—Leon T. Hadar, "The Picture and the Spin", *Journal of Palestine Studies*, Volume 23, Number 2 (Winter, 1994), pp. 84-94, at 84.

Elisabeth Bumiller wrote,

"All are the sons of an Israeli father, now a 70-year-old Chicago pediatrician, who passed secret codes for Menachem Begin's underground."—Elisabeth Bumiller, "The Brothers Emanuel", *The New York Times*, http://query.nytimes.com/gst/fullpage.html?sec=health&res=9E0DE1DF173FF936A25755C0A961958260, (15 June 1997).

Another Warning to Turkey

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Israeli Knesset, which as an arm of World Jewry controls our Israeli fifth-column Congress, was a party to the postponement of the Armenian Genocide Resolution. I again warn the Turks to carefully read the press reports and note well that the resolution still hangs over your heads by the tattered thread of a prayer shawl, like a sword of Damocles waiting to fall on your neck when World Jewry has turned on you. *Haaretz* reports:

"Two and a half weeks ago the U.S. House Foreign Affairs Committee decided to recognize the Armenian genocide - that Turkey had perpetrated genocide against its Armenian population. The harsh Turkish response to this decision, and the pressure exerted by Turkey, resulted in the decision to not bring it before Congress for approval, and this worsened the crisis even more. The Knesset, it turns out, was a party to the pressure. [***] The truth is that even before the Congressional committee's decision, Turkish Foreign Minister Ali Babacan met with Steinitz during a visit to Israel, and ask Steinitz's assistance in opposing the decision. Steinitz says that he mentioned this, of his own volition, to several congressmen. He believes that the Israeli position influenced the shelving of the committee's decision. The Armenian holocaust will have to wait for a time when Turkey's strategic importance declines."—Shahar Ilan, "Defining breach of trust", *HAARETZ.com*,

http://www.haaretz.com/hasen/spages/918285.html, (30 October 2007).

Armenia offers you true friendship. Israel lies and waits, lies in wait to ambush you at the proper time. They will defame you all over the World as if Turks were genetically predisposed to racism and genocide. They will scapegoat you for the actions of the Jewish "Young Turks". Remember that Jewry has required human scapegoats ever since the destruction of the Temple.

The Jewish mythology of the scapegoat is found in the Hebrew Bible at *Leviticus* 16 and in the Jewish Talmud in the book of *Yoma* and your Turkish red flag will hang from the door of the Jewish Temple when they tear it from your neck and send you to the Devil—the Temple that will rise like the Gates of Hell bursting through the crumbling Earth, rise where Al Aqsa and the Dome of the Rock stand today, if you let them fall.

Turkey, you are being set up. When they are done using your army for their purposes, they will defame you and then destroy you.

Your best defense against the Zionists is the truth. Your best weapon is peace.

Communist-Mossad PKK -Versus- Doenmeh Crypto-Jews: Who Pays for this War? Who Benefits from It?

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Iran gave Turkish leadership a golden opportunity to again identify Israel as the sponsor of the PKK:

Iran accuses US, Israel of supporting Kurdish rebels

Perhaps some in the Turkish Government may not like to believe it, but they do know who is behind the PKK:

PM Erdogan to press Olmert to give up supporting Iraqi Kurds

So why don't the leaders of Turkey scream bloody murder to the World and take every opportunity to point out the proven fact that the PKK is an Israeli front group deliberately agitating Turkey in order to artificially manufacture a war? The following article states it is only a militant faction within the Turkish military who want war, and only the Jewish Communist-Mossad PKK among the Kurds who want war:

Turkey reluctantly prepares for attack on Kurds

This militant faction in the Turkish military is the Doenmeh crypto-Jew faction. Crypto-Jew versus crypto-Jew equals dead Turks and dead Kurds, but the Israelis and Jewish bankers want more than dead Goyim. For a century and a half they have been teaching the Turks a racist

myth, which persists to this day, propagandized by crypto-Jews in Turkey, some of whom who even pretend to be anti-Doenmeh, but who praise the Doenmeh Jew "Ataturk" and call for "Pan-Turkey".

The Pan-Turk, and pan-Turanian, movements which crypto-Jews created long ago, and which crypto-Jews sponsor today, threaten to provoke Turkey into aggression in the same way that Germany was deliberately agitated into aggression to "rescue" the Germans of Czechoslovakia and Poland. There are crypto-Jewish agitators and subversives in Turkey, Syria, Azerbaijan, Iraq, Iran, Turkmenistan, Kazakhstan, Uzbekistan, Afghanistan, etc., who are fulfilling the old Rothschild plan of duping the Turks into creating an Eastern "Pan-Turkish" Empire.

This will ultimately accomplish the deaths of the Kurds, making it easier for Jews to steal their oil and land in and around Kirkuk; the Balkanization and depopulation of Turkey, making it easier for the Jews to demolish Al Aqsa and the Dome of the Rock and build a Jewish Temple in their place from which Al-Dajjal will rule the World; the deaths of the Azerbaijanis and Armenians, making it easier for the Jews to steal the oil of Baku and the entire Caspian region; the attainment of "Greater Israel" from the Nile to the Euphrates; and the start of World War III, making it easier for World Jewry to genocide the Moslems and Russians.

We see before our eyes crypto-Jews in the PKK murdering Turks and crypto-Jews in Turkey ordering the Turks to murder Kurds in retaliation, and who profits from this mass murder other than World Jewry, which created it and which perpetuates it? Who complains other than me and Iran? Won't you join us?

This completely unnecessary and artificially manufactured mayhem can be stopped. Turkey must go after the leaders and agitators of the PKK and more publicly and more often accuse the Israelis and Americans of deliberately creating this problem. The Iraqis, Turks and Iranians can and should cooperate to infiltrate the PKK and eliminate its leaders and financial supporters—its Mossad and CIA connections. Then the terrorism against the Iranians, Turks and Iraqis will subside and the manufactured problem will end.

Real Turks must confront the Doenmeh without falling into the hands of the Doenmeh's agents who are peddling Turkish racism and pan-Turkism. Hold on to the Turkey you have. The Jews who are pushing you into pan-Turkism want you and Turkey proper destroyed in the world war they want you to begin. Then World Jewry will Balkanize Turkey and kill you. It will be the price you pay for helping them, just as the Kurds are today paying the price for siding with Jewry.

I do not dare to calculate the price we Americans will pay for the crimes against the human race we are committing at the behest of Israel and its fifth column, which has taken control of our government, press and many of our churches, synagogues, mosques, and religious movements. . .

Zionist Jews Want to Trick Anti-Zionists into Pulling Themselves Out of the Voting Pool

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Beware of Zionist Jews who are trying to trick anti-Zionists into not voting. They typically and sophistically pitch the myth that your voting gives the system credibility and that not voting makes a statement. The statement that not voting makes is that the non-voter is stupid.

The solution to corruption is for us to become more involved in the voting and political processes, not by stupidly and voluntarily withdrawing ourselves from it on the good advice of Zionist Jews posing as if anti-Zionists who tell us that we are stupid to vote and would be better off it we didn't vote. Elections can swing on a single vote, and if these *agents provocateur* combine their efforts with a few other minor and cheap tricks, they can swing elections by duping stupid patriots into rendering themselves politically irrelevant.

If you want to know how important it is to vote and become directly involved in the political process in order to defeat Zionism, consider the following article from *The Jewish Daily Forward* (many thanks to a reader who tipped me off to this article!):

Open Borders Threaten Jewish Clout

You don't see Zionist organizations telling their followers not to vote.

The Feted Jew

Christopher Jon Bjerknes

http://www.jewishracism.com

The media are telling us that France's President Nicolas Sarkozy is in love with America and George Bush, and that George Bush and the Congress are in love with Sarkozy. What they aren't telling us is that Sarkozy is descended from a Salonikan Jew, and that the love affair is incestuous—Israel's fifth column in America is embracing Israel's fifth column in France.

Bush and Sarkozy are not in love with America, or with France. They are in love with Israel. For what is their common ground? Hatred of Islam and the destruction of Moslem nations coupled

with a love for and obedience to the racist apartheid nation of Israel. What is missing? The promotion of American and French interests. There is a third lover in this *manage a trois* of Israeli fifth columns, Frau Merkel of Germany.

Jewish Media Promotes Gang Culture in America as a Gateway to Jewish Bolshevism—as a Gateway to the Noahide Laws and Slavery

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Jewish media, which is targeted to American youth, is promoting gang culture to our children in several ways, from promoting tattoos, to promoting communes and interdependent groups stripped of their privacy and subject to group condemnation and alienation. Childhood icons, especially in the music industry, are corrupted with drugs, promiscuity, homosexuality and

Cabalah. They are subject to public promotion and then public humiliation.

This trains our youth to be corrupt and surrender their privacy, dignity and independence to group approval and group condemnation—usually a group of scum who judge them by the standards of scum and insist that they too behave as scum and submit to the degradation of the gang, of the commune, admission to which figuratively requires a public beating and literally, severe humiliation. The public humiliation and corruption of youth idols trains our youth to submit themselves to Jewish Communism and ultimately to abject slavery under the Jewish Noahide Laws, by which code each Jew becomes a god with 2,800 Goy slaves who must obey every command from a Jew and surrender their religious beliefs and human independence on pain of death by decapitation.

Whereas Americans used to promote independence, dignity, and family life; the Jewish media now promotes judgmental and degenerate communes, homosexuality, drug abuse, Cabalah and public humiliation. They want each Goy to feel owned and dependent on a class of masters for their sense of self and self worth. They want each Goy to obtain a sense of security as an obedient and mediocre member of the gang, of the Jewish commune, in which they will ultimately be the dutiful subjects of a Jewish master pursuant to the Jewish Noahide Laws in the Talmud in *Sanhedrin* folios 56*a*-60*b*, *Shabbath* 32*b*, and in the Hebrew Bible in *Zechariah* 8:23.

The Jewish book of *Zechariah* 8:23 promises the Jews that ten Gentiles will gladly slave for every Jew,

"Thus saith the LORD of hosts; In those days *it shall come to pass*, that ten

men shall take hold out of all languages of the nations, even shall take hold of the skirt of him that is a Jew, saying, We will go with you: for we have heard *that* God *is* with you."

The Jewish Talmud at *Shabbath* 32*b* increases the number of Gentile slaves per Jew to 2,800,

"Resh Lakish said: He who is observant of fringes will be privileged to be served by two thousand eight hundred slaves, for it is said, *Thus saith the Lord of hosts: In those days it shall come to pass, that ten men shall take hold, out of all the languages of the nations, shall even take hold of the skirt of him that is a Jew, saying, We will go with you,* etc."—I. Epstein translator, *Shabbath* 32*b*, *The Babylonian Talmud*, Volume 7, The Soncino Press, London, (1938), p. 149.

In an interesting aside, consider how the Jewish media, intentionally or not, promoted the housing bubble and debt crisis with home improvement shows and home shopping networks. . . .

Why Is the Dollar So Vulnerable?

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

One good way to give our nation's currency solid value is to ensure that it is an instrument which can be used to purchase the superior products and services of American labor—assuming that there is an actual supply of same and a strong demand for same. Another good way to give our currency solid value is to regulate the supply of money to match the need for it—which assumes that Americans loyal to the interests of the nation have complete control over the supply of money.

There are benefits to having a strong dollar. It lowers the cost of imports. It attracts quality people from around the World, who come to America to earn dollars which they can exchange at a favorable rate for their own currencies back home. It builds faith in our nation and makes our money an international medium of exchange, which means that other nations will be inclined to sell us their goods even more cheaply in order to our acquire our dollars so that they can use them in trade—this is especially true if we maintain the stability of, or improve upon the strength of, our dollars.

There are bad ways to artificially increase the value of our currency. We can demand that it be used as a medium of exchange abroad, thereby lowing the cost of imports and increasing the demand for dollars, which, however, leaves us vulnerable to the compliance of other nations with this unfair and artificial demand. We can offer specie payments in exchange for dollars, offering this value as a bonus to the value of the dollar as a medium of exchange. However, in order to do this we must borrow the gold and silver at interest from the bankers, thereby depriving ourselves of the ownership of our own money supply. We would also become highly

vulnerable to the bankers and syndicates which could demand specie payments and thereby cause competitive banks to fail and constrict the money supply of our nation without our consent and against our interests. They would also have the power to deliberately bring us into a depression and deflation by constricting our money supply, which would afford them the opportunity to steal our wealth. In addition to these problems, we would forever accrue debts for which the currency did not exist to pay off these debts, which would require us to borrow more from the bankers, and continually dig ourselves deeper into debt. Whenever we make it profitable to increase the debts of our nation, subversives will bring us into debt by ginning up wars, promoting self-destructive materialism, legalizing usury, etc.

Our currency is vulnerable because we have allowed World Jewry to supply it to us at interest, basing it on debt. This gives World Jewry the power to regulate our money supply and bring us into depressions, as they did in the Thirties (and many times before). This also gives World Jewry the incentive to gin up wars, as they consistently have, and legalize usury, as they have. In more recent decades, our currency has maintained its value somewhat based on its use by other nations for, among other uses, the purchase of oil. This has provided us with benefits, but it is a highly vulnerable system, and, as I explained a year ago, the nations of the World are engaged in a "Quiet Counter-Attack" to destroy our economy so as to subvert our ability to engage in more Jewish instigated wars. Since we have allowed ourselves to become genocidal monsters, the dogs of war for Jewry, the nations of the World have not only the incentive, but the urgent need to destroy the dollar and the US economy, and they are doing it.

Guess who is teaching them how? A group of crypto-Jews from England working for the

Rothschilds, who pretend to be Moslem converts and anti-Zionists. . . but that is a story for another day.

It takes work to build a strong nation and a strong currency. We need to produce quality, ethical people, as opposed to ignorant drug addicts and bloodthirsty psychopathic mercenaries. Degenerate gang culture has taken over our nation. It is the culture which the Jewish mafia has sold us in exchange for our souls.

In order for our currency to have authentic, sustainable value, we must make our workforce the best in the World. We have to cease running up unnecessary debts. We have to make sound use of our natural resources for the benefit of all of our people, not just the rich, and not foreigners. We must stop starting wars and build back some good will toward our nation and our people. We must show the World that we are investing in ourselves and that their investment in us is a sound investment, which will not be abused by the warmongering Zionist Jews to eventually attack them.

I hope to write more about the mechanics of producing a sound and sustainable currency in the future as time permits and circumstances warrant. We must in any event not allow the bankers to rob us yet again when they propose the solutions to the problems which they themselves have deliberately caused us. Keep a sharp and watchful eye on characters like Aaron Russo, who will assuredly pop up with easy and false answers to complicated questions. We must be especially watchful as to how the Jewish bankers maneuver to secure their investment in our debt with real assets they can steal from us, such as lands, businesses, property, gold and silver, etc. The full faith and credit of the US is zilch without something upon which they can foreclose, be it our

lands, our military, or even our homes, cars, savings, products, agricultural goods, etc. They want us on the gold standard so that they can loan it to us at interest, then take it back, and with it everything else we have; but even if they fail to trick us into demanding a gold standard or an "Amero", they will still try to secure our debt with real property and genuine services.

We owe them nothing but contempt, and we ought to take back our wealth from them, wealth which they have stolen from our people for centuries.

Just as Independent Media Is Supplanting Zionist Controlled Media, Citizen Organizations Should Supplant Zionist Controlled Government

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

We have all witnessed the power of the internet, which has enabled us to bypass the closed system of the Zionist controlled media. In many ways, we can do the same with Zionist controlled governments.

By organizing our own groups and institutions, we can pass our own resolutions and impose our own sanctions by way of boycott, and other means such as lawsuits, civil disobedience, strike and the production and dissemination of informational materials. We should assume the same attitude towards the Israeli fifth column governments that we take toward the Israeli fourth estate media, and should empower ourselves in the same way in our response to hostile government that we have in our response to hostile media.

The Heresy of "Christian" Zionism: On the New Idolatry of Jew Worship and the Human Sacrifice of Islam in Idolatrous Pursuit of the "Rapture"

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

World Jewry has brainwashed tens of millions of American "Christians" to worship Israel and the Jewish People as idols, and abandon the Gospels of Jesus Christ and the blessings of peace. Zionist Jewry have taught these false Christians that if they make human sacrifices out of Moslem and Russian lives to the alter of World Jewry, that they will be blessed.

In this new heresy, Israel and Jewry are the Golden Calf and American "Christian" Zionists have

already aided, abetted and committed the kosher slaughter of a million Iraqis and untold numbers of Afghanistanis in order to receive the blessings of their idol, Israel. Predictably, "Christian" Zionist Idolaters have instead been cursed with skyrocketing debt, genetic diseases, lower wages, unemployment, devalued currency, and more wars sold to them on the false promise of still greater "blessings", which will inevitably bring more curses to the anti-Christian idolaters.

"Christian" Zionist Idolaters have been propagandized to believe that they will be blessed if they genocide the Iranians in a mass human sacrifice to their god Israel. These anti-Christ heretics desire to instigate a nuclear world war, so that they can murder billions of human beings in a sacrificial ritual Jewry has taught them will resurrect Christ to the Earth.

Of course, Jewry does not believe the many myths they manufacture for their idolatrous dupes. They set these stumbling stones on the path of former Christians in order to turn them against God and to turn God against them. Jewry has always despised Christianity and delighted in subverting it. They have sought to make Christians their slaves from the very beginning and have succeeded in suckering "Christian" Zionists into worshiping Jews and Israel and committing mass murder as human sacrifices to this new idol, Israel.

We Have to Fight World Jewry on a Billion Fronts

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

We must attack World Jewry from a billion fronts in legal and peaceful ways. We must keep them so occupied in so many confusing conflicts that they have not the time, the manpower, or the endurance to attack the human race with their Third World War.

Governments around the World should pass resolutions condemning Israel and World Jewry for the Jewish genocide of the Armenians, the Slavs, the Germans, the Chinese, the Iraqis, the Palestinians, the Afghanistanis, etc. If the governments won't do it, and they won't, then citizen organizations ought to do it by themselves.

Force Jewry to respond to a billion charges of genocide from around the globe. It will tax their resources and their endurance and keep them too busy on the defensive to start more aggressive mischief. Since World Jewry will be roundly accused of starting wars and mass murdering innocent civilians, we will shine a spotlight on them making it far more difficult for them start more wars and mass murder more people. Scream from every rooftop that Jewry must stop murdering innocent people! Inspire more research into their crimes against the human race.

Governments around the World should sue the Jewish bankers for robbing their citizens of their wealth. Jewry's banking systems have stolen more wealth than has ever been produced resulting in the deliberate enslavement of the human race to Jewry. We must not borrow gold from Jewry

at interest on which to base our collapsing currency, because if we borrow gold to create currency we must surrender our currency to the Jews to pay back the debt and borrow yet more to pay the interest. Borrowing gold from Jewry is an unsustainable, unnecessary and disastrous way to manufacture money. If we want gold, we should take back the gold which they have stolen from us.

Consider the fact that if Jewry loans you ten gold coins and charges you an eleventh gold coin as interest so that you will have money with which to run an economy, you must surrender your money back and borrow another coin at interest which cannot be paid back except by further borrowing for the simple reason that it does not exist. Consider that Jewry can at any time melt down the gold of our country by demanding specie payments and ship it off to another country. Jewry can cut back on loans and destroy our businesses and economic growth. Deadly deflation will then hit us, in which our prices will become pathetically low. A man will trade his automobile for a month's worth of food. Jewry will then have the gold to buy up our wealth quite literally at pennies on the dollar.

Alternatively, if we continue to allow Jewry to manufacture our money through debt under the present system which was installed by Jewish bankers in 1913, we give them the incentive to drag us deeper into debt—further into more of their wars. We give them the incentive to make us suffer through depressions of their manufacture. Ultimately, whether we continue to allow them to rob us with their "Federal" Reserve System, or if we take their bait and follow their pied pipers to borrow gold from them at interest, they will demand something substantial in repayment.

They will use Jewish usury to steal all of our businesses, lands and other property. It is Jewish usury which is killing our economy today, the same garrote Jewry wrapped around the neck of ancient Egypt, Greece and Rome. The same choking mechanism which caused them to be expelled from country after country. And do not doubt it, Jewish leaders want Jews expelled from America to Israel. It is their most cherished wish.

Since our governments are in their hands, we must tie their hands with class action lawsuits demanding back our wealth. Struggling countries whose corrupt leaders have accepted loans which funnel the funds straight back into Jewish coffers, and which strangle these nations with unpayable debt with no return, must sue the Jewish bankers for damages. Make them fight on a billion fronts and they will not have the manpower or endurance to fight back.

Since the press is almost entirely in World Jewry's hands, tie those hands with a billion arguments around the globe. Expose Jewish crimes at every opportunity and demonstrate that the media is little more than an outlet for corrosive hatemongering and warmongering Jewish propaganda. Make politicians pay a political and criminal price for their treason. Keep up the fight across the internet and challenge them at every turn. Wear them down and eat up their resources. At the same time continually expose their crimes and shine a spotlight on them which keeps them on the defensive.

Demonstrate the corrosive impact of the Jewish monopolization of our professional institutions and universities. Prove how corrupt, dogmatic and tribal they are. Show how they clannishly organize to defame innovators and degrade honest individuals. Force them on the defensive and demand reform. They will not have the resources or the endurance to fight forever on a billion

fronts.

We can defeat this demon which sips our blood from a golden ladle dipped in a silver cistern which it stole from us. The more fronts we open in our legal and peaceful fight to recapture our humanity from their assault, the sooner we will win. Each peaceful and legal front we open is a blade in the purse of World Jewry, from which our coin will spill out back into our hands. Each crime of theirs which we expose is an open wound they cannot heal through which the light of day will shine onto the seeds of our victory.

For the Profits of Five Million Israeli Jews, Tens of Millions More Gentiles May Die

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

World Jewry is destroying the World economy with its Jewish manufactured wars and Jewish instigated rumors of wars. The depressions Jewry will cause will take the lives of tens of millions of human beings through starvation and disease. Jewry's Third World War may kill us all. It has already destroyed the nations of Iraq, Afghanistan and Lebanon.

Israeli fifth columns in America, France and Germany have all blessed Israel's war on Islam, and the Jewish fourth estate couldn't be happier about it. On the scales of Jewish injustice Zionists placed have the dead weight of five million racist, corrupt, bloodthirsty Israeli Jews and the stolen lands of Palestine tipped against the ruin of Iraq, Afghanistan and Lebanon—soon to be America, Europe, Asia, Africa—the World and the countless corpses accruing in the Jewish war on the human race. But there will never be enough death and destruction to satisfy the bloodthirst of the vampires of Israel. Their selfishness and ingratitude are that of the parasite. It will consume until the host is consumed. For 2,500 years Jewry has sought to consume the entire human race in its prophesied war of ultimate destruction. They will not cease until they are successful. We must stop them. They will not relent by choice.

We have to take back our nations from their control. We have to silence their propaganda. We have to cease all trade and support for their criminal nation. We have to recover our stolen wealth from their bankers. We have to recover our souls, our dignity and our mindset from their hateful and destructive conditioning which again and again has led us to murder one another, and destroy ourselves.

Day after day World Jewry is conditioning us to hate one another, and murder millions upon millions more Moslems. They have already succeeded in turning America into a conscienceless and murderous machine pounding peaceful nations into bloodsoaked sand. They have already succeeded in ruining our economy and poisoning our genetics with radioactive weapons whose poisons will kill our children forever.

Know the enemy. Name the enemy. Israel is our enemy.

They also war against us as they design to kill off Islam. We grow weaker each hour we fight their wars, each hour wasted when we should be fighting them.

Our spirits grow grey and old and cold. Our debts get heavier and higher. Our soldiers' souls sink lower and lower as their bent backs bear the leaden burden of our leaders' treason.

Jewry has pointed us towards a poisoned well. With each bucket of blood we draw from the deadly depths, our thirst gets worse and our days in Hell draw nearer.

We have to stop this now before our children's future is fixed in a coffin made of cowardice. Five million Israeli vampires are not worth the cost in blood of the human race.

Know the enemy. Name the enemy. Isreal is our enemy.

Nail the enemy to its warmongering words and spill light on its terrible tongue. Let the sparkling sun bleach out the sanguine signs of hate and murder which World Jewry has scribbled on the sanctum of sanity, like a tormented death mask which Israel purposefully placed over the face of humanity.

Why Would Israel Hesitate to Recognize the Ukrainian Genocide?

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Organized Jewry and the Jewish State of Israel go to extraordinary extremes to deny *The Jewish Genocide of Armenian Christians*. Will they take such extreme steps to deny the Jewish genocide of Ukrainian Christians?

The Ukrainians have not forgotten who murdered millions of their ancestors. John Marone writes,

"Ukraine's genocide claim comes closer — but is by no means a direct fit — to that of Armenian claim against the Turks. [***] There is no evidence to suggest that a large number of Ukrainians who died during the Holodomor were the victims of direct violence. Moreover, one would be hard pressed to prove ethnic hatred as a motive, excluding the claim by some Ukrainians that the orders from Moscow were made by mostly Jewish communists."— John Marone, "UKRAINE'S 'HUNGER' FOR HISTORICAL JUSTICE", *EURASIAN HOME ANALYTICAL RESOURCE*, http://www.eurasianhome.org/xml/t/opinion.xml?lang=en&nic=opinion&pid=905 (7 November 2007).

The Jewish mass murderer Lazar Kaganovich, who planned and perpetrated the Ukrainian

Genocide, especially targeted the "Kulaks", the intelligent and independently minded Ukrainian peasant leaders. Jewry wanted to destroy the genes of the Ukrainian People and leave only the stupid, obedient and passive left alive. They encouraged Ukrainians to spy on one another and report each other to the Jewish authorities. The Jews burned the food which the Ukrainians grew to feed themselves and other nations.

The official excuse which the Jews gave for exterminating the best among the Gentiles and starving some ten million Ukrainians to death, was that they dared to resist Jewish Bolshevik "collectivization". The real reasons were that the Jews wanted to degrade the genes of the Gentiles by killing off their best, the Jews wanted to revenge centuries old scores with the Ukrainian People, the Jews wanted to prevent any possibility that the Gentiles might rule themselves, and the Jews wanted to take the jobs and positions of authority left vacant when they killed off Gentile leaders. Jewry has always sought to hide their crime against the Ukrainians and the human race.

Will Israel's Fifth Column of "Christian" Zionists Genocide 1.5 Billion Moslems for the Sake of 5 Million Israeli Jews—Jews Who Are in No Danger?

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Israel has created a large fifth column of "Christian" Zionists in America, who worship Jews not Christ, and who will help Jewry to build a Jewish Temple and anoint the Jewish "Messiah" which "anti-Christ" will mock Jesus by his very existence. These fuming and foaming at the mouth genocidal maniacs are eager to attack our fellow human beings with nuclear weapons. What will happen to us when the nuclear bombs start falling, they care not. They believe in the Jewish manufactured lunacy of the "Rapture" and hope to kill us in the billions so that they will be whisked away to Heaven.

A more selfish, stupid, evil, inhuman, hypocritical, murderous, sinful, mentally sick group of human beings is difficult to imagine, until one calls to mind the Jewish billionaires and trillionaires who call the "Christian" Zionists' genocidal tune—and the Israeli Government which has infected our nation with tens of millions of these disloyal and bloodthirsty fanatics.

These anti-Christian Zionists are vampires, who hope to live forever by feeding on the blood of the human race. Michael Anbar predicts:

"However, the Islamo-fascists may not have realized that to kill Judaism they must first get rid of Christian Zionism. As long as Christian Zionism exists, it will not allow the demise of the Jewish nation. Consequently, Islamo-fascists might change their priorities and instead of trying to

eliminate Israel, prefer to go after its protectors, the American Christian Zionists. This is when they will suffer their fatal defeat."—Michael Anbar, "Christian Judeophilic Zionism vs. Islamic Misojudaic Fascism", *israelinsider*, http://web.israelinsider.com/Views/12311.htm (3 November 2007).

Jews and Blacks

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

From the time of the ancient world, up until the post-Nazi period, the greatest minds of the age often thought that Jews suffered from two universal faults:

1). A tendency to self-adoration/self-glorification.

2). A lack of creative intelligence.

From Apion and Tacitus to Chamberlain and Wagner (himself of Jewish descent?), Jews were considered self-promoters and intellectual thieves who corrupted and destroyed the beautiful cultures of other peoples and inhibited the normal progress of the arts and sciences. They were not considered gifted. It was thought that they could not produce great art or innovations in science, at least not on the level of other ethnicities. Instead, so it was said, they had to lower the standards to a level on which they could compete, and they had to monopolize the flow of

information so that they could deceive the general public into believing that Jews excelled while Goys could not keep up with them.

Historically, Jews suffered a disadvantage when competing with Gentiles in the arts and sciences. Their religion taught them that God provided the law, that the law is absolute, and that a Jew cannot question God. In both the written and oral traditions, Jewish law is dogmatic. Even Maimonides, who is today a source of Jewish dogma, was attacked for adding to, and questioning, the laws of God.

This began to change with the Shabbataians, who thought that heresy would usher in the Messianic Age. These Jews believed that all Jews would have to obey the law, as in *Deuteronomy* 30, or that, conversely, Jews would have to become heretical, as in *Sanhedrin* 97*a*, in order to provoke God to begin the Messianic Era. Knowing themselves, these Jews opted to attempt to make Jews heretical and to bring absolute evil to the entire World, as opposed to trying to promote good in the World. These Shabbataian Jews had a multi-pronged approach to achieving their goal of making Jewry heretical and also of turning the World to evil. They introduced the reform movements in Jewry through their agent Moses Mendelssohn—who also, pursuant to Cabalistic doctrine, encouraged Jewry to enter the arts and sciences, a push furthered by Heine and others. This group, with the might of the Frankist movement behind them, also in pursuit of Cabalistic doctrine, pushed for revolution and the destruction of monarchies. They gave us what would become known as Jewish Bolshevism, which deliberately spread evil and heresy to every corner of the World. In particular, Communism deliberately made Jews irreligious so as to provoke God to destroy the World and create a "New Earth" and

"New Heavens" (*Isaiah* 65:17; 66:22) for the "elect" righteous Jews (*Isaiah* 65:9).

Being culturally tribal, self-adoring and self-glorifying, to the point that the Jewish faith commands Jews to praise one another and to insult non-Jews—Jews used their wealth and influence to take over the power of the press; the worlds of theater, music and art; and the professions and sciences. Each of these took on Jewish social characteristics. They became more dogmatic, as Jews became less religiously dogmatic. Jewish views predominated and Goyish thoughts were plagiarized and often corrupted to lowered Jewish standards. The press became less sophisticated, more vulgar, and a venue for Jewish smear campaigns and political manipulation; thereby hindering social, artistic and scientific progress as compared to what they might have been were it not for this Jewish corruption and debasement.

However, from a Jewish point of view, Jewry finally broke the yoke of Judaism and began to progress scientifically and in the arts. As they did this, they shameless promoted themselves and ridiculed Gentiles, as Jewry is commanded to do and continues to do even as they lose the faith which promoted this cultural imperative.

Jews are taught to demonstrate tribal loyalty to other Jews. It is a religious commandment found in, among many other places, *Leviticus* 19:17-8, which states,

"17 Thou shalt not hate thy brother in thine heart: thou shalt in any wise rebuke thy neighbour, and not suffer sin upon him. 18 Thou shalt not avenge, nor bear any grudge against the children of thy people, but thou shalt love thy neighbour as thyself: I *am* the LORD."

In this admonition, "neighbor" refers only to fellow Jews. Jews are also taught to cover up the sins of fellow Jews, lest the tribe suffer as a whole. *Numbers* 16:22 states,

"And they fell upon their faces, and said, O God, the God of the spirits of all flesh, shall one man sin, and wilt thou be wroth with all the congregation?"

Israel Shahak wrote in his book *Jewish History, Jewish Religion: The Weight of Three Thousand Years*,

"There is also a series of rules forbidding any expression of praise for Gentiles or for their deeds, except where such praise implies an even greater praise of Jews and things Jewish. This rule is still observed by Orthodox Jews. For example, the writer Agnon, when interviewed on the Israeli radio upon his return from Stockholm, where he received the Nobel Prize for literature, praised the Swedish Academy, but hastened to add: 'I am not forgetting that it is forbidden to praise Gentiles, but here there is a special reason for my praise'—that is, that they awarded the prize to a Jew."—I. Shahak, *Jewish History, Jewish Religion: The Weight of Three Thousand Years*, Pluto Press, London, (1997/2002), p. 93.

Rev. I. B. Pranaitis wrote in his book *The Talmud Unmasked: The Secret Rabbinical Teachings Concerning Christians*, Eugene Nelson Sanctuary, New York, (1939), p. 69,

"In *Abhodah Zarah* (20, a, *Toseph*) it says:

'Do not say anything in praise of them, lest it be said: How good that Goi is!'[*Footnote:* Maimonides (in *Hilk. Akum* X, 5) adds: 'Moreover, you should seek opportunity to mix with them and find out about their evil doings.']

In this way they explain the words of *Deuteronomy* (VII, 2) . . . *and thou shalt show no mercy unto them* [*Goim*], as cited in the *Gemarah*. Rabbi S. Iarchi explains this Bible passage as follows:

'Do not pay them any compliments; for it is forbidden to say: how good that *Goi* is.'

In *Iore Dea* (151,14) it says:

'No one is allowed to praise them or to say how good an *Akum* is. How much less to praise what they do or to recount anything about them which would redound to their glory. If, however, while praising them you intend to give glory to God, namely, because he has created comely creatures, then it is allowed to do so.'"—English translation of I. B. Pranaitis, *Christianus in Talmude Iudaeorum sive, Rabbinicae doctrinae de Christianis secreta: quae patere fecit*, Officina Typographica Academiae Caesarae Scientiarum, Petropoli, (1892).

The Jewish book of *Deuteronomy* 7:2 states,

"And when the LORD thy God shall deliver them before thee; thou shalt smite them, *and* utterly destroy them; thou shalt make no covenant with them, nor shew mercy unto them:"

The Jewish law of *din moser* entitles rabbis to pronounce a death sentence on any Jew who informs on the tribe:

"A group of rabbis have issued a halachic opinion implying that OC Central Command Maj.-Gen. Yair Naveh deserves to be killed. The rabbis, all connected with a movement to resurrect the Sanhedrin, the ancient Jewish governing body, said in their halachic ruling this week that Naveh was guilty of being a moser, a Hebrew word that can be roughly translated as an informant or traitor."—Matthew Wagner, "Rabbis: Naveh deserves to be killed", *The Jerusalem Post*, http://www.jpost.com/servlet/Satellite?c=JPArticle&cid=1167467765105&pagename=JPost%2FJPArticle%2FShowFull, (18 January 2007).

"Two additional halachic laws are of special importance both generally and specifically when related to the Rabin assassination. These two laws, employed since talmudic times to kill Jews, were invoked by the assassin, Yigal Amir, as his justification for killing Prime Minister Rabin and are still emphasized by Jews who approved or have barely condemned that assassination. These are the 'law of the pursuer' (din rodef) and the 'law of

the informer' (din moser).[*Notation:* 'Moser,' the Hebrew word for informer, is a terrible insult for Jews, similar to the word 'collaborator' for Palestinians.] The first law commands every Jew to kill or to wound severely any Jew who is perceived as intending to kill another Jew. According to halachic commentaries, it is not necessary to see such a person pursuing a Jewish victim. It is enough if rabbinic authorities, or even competent scholars, announce that the law of the pursuer applies to such a person. The second law commands every Jew to kill or wound severely any Jew who, without a decision of a competent rabbinical authority, has informed non-Jews, especially non-Jewish authorities, about Jewish affairs or who has given them information about Jewish property or who has delivered Jewish persons or property to their rule or authority. Competent religious authorities are empowered to do, and at times have done, those things forbidden to other Jews in the second law. During the long period of incitement preceding the Rabin assassination, many Haredi and messianic writers applied these laws to Rabin and other Israeli leaders. The religious insiders based themselves on later developments in Halacha that came to include other categories of Jews who were defined as 'those to whom the law of the pursuer' applied. Every Jew had a religious duty to kill those Jews who were so included. Historically, Jews in the diaspora followed this law whenever possible, until at least the advent of the modern state. In the Tsarist Empire Jews followed this law until well into the nineteenth century."—I. Shahak and N. Mezvinsky, *Jewish Fundamentalism in Israel*, Pluto Press,

London, (1999), pp. 137-138.

Jews are taught that non-Jews, the hated Goyim, are "the wicked" and that the names of "the wicked" are to be blotted out of the book of life. There are many Jewish religious writings which call for the name of Amalekites to be forgotten. Jews were simply following their ancient traditions when they promoted Einstein as if he had created the theory of relativity, and when Jews smeared Einstein's predecessors and demanded that their names be forgotten. The Jewish book of *Proverbs* 10:7 states,

"The memory of the just *is* blessed: but the name of the wicked shall rot."

The Jewish book of *Deuteronomy* 7:2 states,

"And when the LORD thy God shall deliver them before thee; thou shalt smite them, *and* utterly destroy them; thou shalt make no covenant with them, nor shew mercy unto them:"

Given that Jews largely control the flow of information, the appointment of professorships, the press, and professional organizations, it is little wonder that they excel. They have corrupted these fields and institutions with Jewish dogma, Jewish tribalism and Jewish irrationality; and tailored them to suit Jewish needs and Jewish sensibilities. This deliberately and practically discourages non-Jews from participating in, and determining, the evolution of culture and knowledge in a proportional manner.

Non-Jews often confront Jewish irrationality, Metaphysics, and traditionally poor and vulgar

tastes, with questions, and even with disgust. When they do so, Jews often tribalistically attack and defame them, thereby suppressing non-Jewish voices, unless those voices parrot the Jewish line and ceaselessly praise Jews and all things Jewish. Jewish self-esteem grows as non-Jews are increasingly ridiculed even by non-Jews. Jews who do not follow the mandates of the tribe are treated the same as, or far worse than, non-Jews.

We see the effects in America where the Jewish controlled media forever ridicules Northern Europeans and Slavs—two groups who have suffered terribly during the Jewish manufactured World Wars. We are taught to laugh at and hate Germans and all things German, while we are taught to laugh with and praise Jews and all things Jewish.

Far worse than this attack on the dignity and heritage of Northern Europeans and Slavs, has been the incessant attack on blacks in America. Jews have consistently pirated and profiteered off of black culture and contributions to the arts and entertainment industries. Jews sold them off into slavery and played a significant role in the Klan. The Jewish controlled media forever denigrates blacks.

While it is true that many Jews participated in the civil rights movement, it is also true that at the highest levels this was done to further Jewish interests, not black interests, and Jewry has always promoted unreasonable and flaky black leaders while suppressing sophisticated and accomplished black voices. While Jews have always encouraged education at the highest levels among their own, they fill black minds with the mythologies of Jewish socialism and drug culture. Jewish bankers bankrupted the school system to promote a cheap labor force for their

industries, and the blacks have suffered the most from this process of deliberate deterioration. In Africa, Jews promote Communism and destroy and subvert black governments and promote discord between blacks and whites, and infighting among blacks.

Blacks have absorbed into their hearts and minds much of this deliberate attack on their psyche and progress. I have met many highly intelligent blacks from around the World who buy into the myths that blacks cannot rule or do well in school and society, and that dark skinned blacks are inferior to light skinned blacks. I have spoken with highly intelligent and very wealthy East African blacks, who denigrate dark-skinned West African blacks.

The same type of deliberate attack which has suppressed blacks, has now taken hold of many non-Jewish American whites. Even highly intelligent whites from around the World have absorbed the myth that Asians and Jews are more intelligent than Europeans and that Europeans cannot compete in school and society with Asians and Jews. Historically, the opposite has been the case, and it was only by deliberately sabotaging the progress of Europeans, that they have been able to produce even a semblance of such results.

I know that these corrosive concepts are engineered myths, because I have met some highly intelligent blacks who were not successful in school or society, and it was often the case that this resulted from their cultural pursuits of self-destruction and drug use, not from any lack of natural talent, skill or intelligence. On the other hand, I have seen people of average, or even sub-average, talent, skill and intelligence, do very well in school and in society.

Jewry has deliberately turned things upside down, so that their people (who lagged far behind due in part to their vulgar Ghetto culture) can compete and surpass others. The best among non-

Jews are often ridiculed and attacked because they oppose the Jewish system, while the mediocre are promoted due to their compliance and lack of insight and competitive abilities. Almost all Jews are promoted, and systems which benefit Jews and harm others are also promoted.

When Jews seize absolute control over a society, they often go so far as to mass murder the best among the Gentiles, as they did in the Soviet Union and its satellites, in the Ottoman Empire, and through the wars they forever manufacture. This is done to prevent "counter-revolution". In other words, this done to lower standards and reduce competition to Jewry. The Jewish genocide of the Armenians and of the Kulaks provide fitting examples.

One can observe that in the concentration camps in which Jews imprison Palestinians, the Jews taunt the Palestinians to attack their dignity and intelligence. Those Palestinians who show any signs of rebellion, personal dignity, or ingenuity, are immediately shot to death. This deliberately breeds a race of compliant and stupid people. Israeli Jews also imprison Palestinians in their most productive years, thereby reducing their population as compared to what it otherwise would have been. Jewish leaders keep Gentiles tied up during their most productive years in military service and in prison, thereby reducing their population and terribly affecting the normal development of Gentile children and families. This is done deliberately, as is the poisoning and genetic destruction of military personnel.

On a level playing field, where Jews are not inhibited by dogma, and Gentiles are not inhibited by deliberate attacks on their culture, self-esteem and natural progress, I suspect human beings would average out about the same.

Judaizing Christianity: Is John Hagee the Prophet—the "Elijah" / "John the Baptist"—of the Jewish Anti-Christ?

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

I have been warning that World Jewry already has its anti-Christ—Messiah prepared and awaiting the construction of the Jewish Temple on the site of the Al Aqsa Mosque and Dome of the Rock. I have also been warning that Jewry wants to provoke a war between Christendom and Islam which will leave the Jews standing as masters of the Earth. I have also warned that the Jewish "Messiah" will reject Jesus and mock him, for the Jewish Messiah, who walks the Earth today impatiently waiting to announce himself to the World as if God on Earth, hates the fact that Jesus dared to be Messiah of the Jews.

In Jewish prophecy, there will be a prophet who will announce the coming of the Messiah. His name will be Elijah. The Jewish book of *Malachi* 3:1; 4:5, states:

"3:1 Behold, I *will* send my messenger, and he shall prepare the way before me: and the LORD, whom ye seek, shall suddenly come to his temple, even the messenger of the covenant, whom ye delight in: behold, he *shall* come, saith the LORD of hosts. [***] 4:5 Behold, I *will* send you Elijah the prophet before the coming of the great and dreadful day of the LORD:"

Christians believe that John the Baptist was "Elijah" who paved the way for Jesus "Christ", Moshiach Yeshua, the "Anointed" son of God (*Matthew* 3; 11:10; 17:10-13). However, the anti-Christ, who must of necessity pretend to be the fulfillment of Jewish messianic prophecy, will also have his "Elijah" / "John the Baptist", which pseudo-Elijah will deny that Jesus was the "Christ", the "Messiah", the "Anointed", the "Moshiach"—*and will announce the arrival of the Jewish anti-Christ, claiming that the Jewish anti-Christ is the true Messiah.*

Jewry mocks Christian beliefs and tells Christian Zionists to await the coming of the Messiah who will then tell the World whether he is Jesus or not, knowing full well that their assumed Messiah is alive today and is waiting to genocide all Christians and blot out the name of Jesus. They are preparing Christians for the day when the Jewish King announces himself and is anointed in the Temple. On this day they will insist that Christians worship this Jewish King and deny Jesus or be beheaded.

We find John Hagee, who has subverted Christianity and converted it into the heresy of anti-Christian Zionism, Hagee who puts Israel first, we find Hagee declaring that Jesus was not the Messiah of the Jews, which means that the Messiah must therefore be yet to come. This fits the

agenda of Jewry perfectly. The Jews fear the Christian prophecies which demand the conversion of a remnant of Jews to Christianity and the destruction of the rest. The Jews resent Christian worship of Jesus Christ and have campaigned to divide and destroy Christianity for thousands of years. For thousands of years, Jews have desired to steal Palestine and build a Jewish Temple. They await the anointing of their Jewish King who will exterminate the hated Goyim.

What has stood in their way? Christianty's belief that Jesus is the Christ, the Messiah, and Islam's control of Palestine and the "Temple Mount". Hagee's teachings would destroy Christianity and demolish Islam, and make room for the rule of anti-Christ / Al Dajjal. He is an obvious and obedient servant of Jewry. By definition, his teachings are anti-Christ. I *John* 2:22-23 states:

"Who is a liar but he that denieth that Jesus is the Christ? He is antichrist, that denieth the Father and the Son. Whosoever denieth the Son, the same hath not the Father: [*but*] *he that acknowledgeth the Son hath the Father also*."

Hagee's ministry, if successful, will also fulfil the Noahide Laws, for by his doctrines true Christians would become idolaters, worshiping an insurrectionist as if the anointed son of God. The doctrine of the trinity would have to be abandoned. Most importantly, *observe how way is being made for the enthronement of the anti-Christ*, the modern Messiah of the Jews, and for former Christians to worship this genocidal King as if God Himself, and to serve him as his army to genocide real Christians and Moslems—and Buddhists, Hindus, atheists, etc. Again, I warn you that this man is alive today and seeks to announce himself as King of the Jews.

Jewry's ultimate goal is to turn Christians into an anti-Christian army with which to smash Islam —Jacob will use Esau as his soldiers. They also want to turn Christians into obedient slaves who worship the Jewish King, a living breathing man walking the Earth this very day, as if he, the Jewish King, were God. They want, as I have been saying, to artificially fulfill Jewish messianic prophecy, and build the Jewish Temple, anoint their King as if God on the Earth to rule the World from Jerusalem, and to enslave and genocide all non-Jews. Hagee's propaganda in effect "prophecies" this rise of the Jewish King / anti-Christ and gives World Jewry what it wants.

Jewry is agitating for World War III so that they can artificially fulfill their Jewish religious myths. They have already accomplished the creation of the Jewish State. The Jewish King is eager to ascend his throne in his lifetime and is putting tremendous pressure on the organs of Jewish power to make this 2,500 year old dream a present day reality. He is moving a little too fast and is exposing his agenda to the World. If we work hard, we can make his desperate attempts to deceive us his very undoing.

With Thanksgiving Approaching, Turkey Will Make the Perfect

Scapegoat

Jews have the myth that as the End Times approach and their power becomes nearly absolute, they will no longer have to control their hubris and will be able to openly express their self declared superiority and authority. Before that time, they are taught that they must hide their power and influence and wealth.

World Jewry, believing that it no longer had to hide its strength, exposed itself as the motive force behind the American wars on Iraq and Afghanistan, and Zionist Jewry loudly beat the drums for aggressive war on Iran. They miscalculated badly, and our efforts have exposed them and turned the World public against them for their genocidal ambitions. They want now to slink back into hiding—cowards almost to a man.

We should learn from this that we have far greater power than they, if only we use it, and that we must protect our rights of free speech and safeguard our ability to use the internet as a medium of communication. As World Jewry attempts to conceal itself, we should also keep the World public focused on who it is precisely who is behind the warmongering, revolutions, upheavals and wars, which are escalating around the globe.

World Jewry still has Iran in its sights, and the rhetoric is only slightly toned down as the

economy and dollar slide down, so as to keep Americans from realizing that Israel is our worst enemy and is responsible for the demise of our economy. If they can do it, World Jewry will first attack Iran.

But there is, and has been for a long time, a plan B. The Israelis have seized total control of the Kurds. There are many Jews and crypto-Jews among the Kurds, and have been for a very long time. Israelis are colonizing "Kurdish" Iraq. The Mossad set up and runs the PKK and the CIA helps out with the PJAK.

Jewry also controls Turkey and its massive military, through the Doenmeh crypto-Jews. Israel thinks it can use its PKK, PJAK and Mossad assassins to strike at Turks and Turkmen in Turkey and Iraq, and then have its Doenmeh controlled Turkish Army strike back. In this way, World Jewry will start its Third World War, and scapegoat the Kurds, Turks and even the Armenians, for its Jewish crimes.

As we have stalled the Israeli attack on Iran, by exposing the fact that World Jewry is behind the warmongering, we can try to prevent the coming Turk-Kurd disaster by exposing the fact that Israel is behind it. We have to remain vigilant and continue to protect our rights, *and to exercise them!*

What we are doing is working, and we have to keep it up. We have to have more endurance and patience than our enemies. Where possible, we have to use the Gatekeepers as Gateways, by providing a superior alternative and using every bit of information they are forced to disclose in order to forward their agenda as part of the larger story we reveal to the World public.

Remember, if one approach doesn't work, don't waste time and energy complaining, but rather immediately devote yourself to thinking of another way to accomplish what needs to be accomplished.

World Jewry is a massive bureaucracy. As such, it is slow to adjust and we can defeat it by doing unexpected things for which it has no immediate response planned. We have to continually use our creativity and work harder and smarter than the enemy. Our freedom, our economies, our very lives at are stake.

Peace and stability are our best defense. Information is our weapon. World Jewry does not want it known that they are behind the plundering of our wealth and the endless wars which they use as a debt machine to line their pockets with gold. Don't let them hide the truth. . . never again let them hide the truth.

Expose their war plans and expose how they have stolen our wealth, in large part by creating wars.

Madeleine Albright Is the Wrong Person to Be Our Authority on Genocide

Christopher Jon Bjerknes

When asked by Lesley Stahl on CBS's *60 Minutes*, on 12 May 1996, in reference to genocidal sanctions against Iraq,

"We have heard that a half million children have died. I mean, that's more children than died in Hiroshima. And, you know, is the price worth it?"

Madeleine Albright responded,

"I think this is a very hard choice, but the price, we think the price is worth it."

In addition, Albright, a Zionist Jew, was signatory to a letter to Nancy Pelosi, which urged Speaker of the House Pelosi to quash the Armenian Genocide Resolution before it could reach the House floor, which the Speaker has the power to do. *See:*

TEXT OF FORMER SECRETARIES OF STATE LETTER TO SPEAKER PELOSI [scroll down the webpage to find the text]

Albright trivialized the significance of the Armenian Genocide with respect to the prevention of genocide when speaking to the press as co-chair of the "Genocide Prevention Task Force". *See:*

Albright's parents feigned a conversion to Catholicism and hid the fact that they were Jews, much like the Doenmeh crypto-Jews of Turkey, who committed the Armenian Genocide.

"Those who cannot remember the past are condemned to repeat it"—George Santayana

Two Zionist Jews, Madelaine Albright and William Cohen, speaking as co-chairs of the

"Genocide Prevention Task Force", defended the cover up of the Armenian Genocide by means of suppressing the Armenian Genocide Resolution in the House of Representatives. Albright was a signatory to a letter to ardent Zionist Nancy Pelosi, which urged the Speaker of the House to quash the Armenian Genocide Resolution before it could reach the House floor.

Albright and Cohen trivialized the significance of the Armenian Genocide, and ignored the fact that one of the stages of genocide is denial, which fact compels a "Genocide Prevention Task Force" to fight genocide denial. They also failed to acknowledge the importance of recognizing historical genocides as a means to recognize and prevent future genocides. Are these prominent Zionist Jews involved in a "Genocide Prevention Task Force", or an Armenian Genocide Recognition Prevention Task Force?

Iraqi Turkmen, Kurds, Turks and Israelis

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

I expect that the ongoing Kurdish (Mossad) assassinations of Iraqi Turkmen will soon escalate into massacres, which will be used as a pretext by the Doenmeh Jews of Turkey to invade Iraq through to the oil fields of Kirkuk so as to rescue their Turkish "brothers" from the Kurds. This is a set up by World Jewry on all sides.

A Jew named Arminius Vambery created the racist mythology of pan-Turkism, which is promoted in Turkey to this day by crypto-Jews and their dupes. Just as pan-Germanism was used to create the First and Second World Wars, pan-Turkism will be used to create the Third World War.

I suspect that the Israelis, a growing population in "Kurdish" Iraq, will instruct the Kurds to slaughter Turkmen and instigate revolts in Turkey. Just as staged attacks on Germans were used to instigate the German invasions of Poland and Czechoslovakia, these staged attacks will be used as a pretext for Turkey to march its enormous Army into Kirkuk to "liberate" the Turkmen —to hand the oil fields over to the Jews.

Then, the Turks and Israelis will genocide the Kurds and Jewry will move in to take the Kurds' place. The ties between the Turks and the Khazars reach back into the 900's and beyond. They are now being wrapped around the neck of the Kurds, and the stupid Kurds are insisting that they be extra tight. The Kurds, believing the Israelis to be their friends, are stepping into a fatal trap.

George Koval: Another Communist Zionist Jew Who Betrayed Us

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Note that the Jewish Autonomous Oblast—in the Soviet Union in Khabarovsk Krai in the districts of Birobidzhansky, Leninsky, Obluchensky, Oktyabrsky and Smidovichsky—was a Zionist project to combat "red assimilation" which was leading to the loss of Jewish segregation.

Stalin, who was a puppet of the Jewish bankers, created a Jewish nation within the Soviet Union. World Jewry wanted for Jews to be segregated in their own state in order to preserve the divine race and keep it from mingling with the Goyim. They planned to use this state as a training ground for Zionist Jews in preparation for the eventual takeover of Palestine—and the World. George Koval was one such divine Communist Zionist Jew, who viciously betrayed Americans for Jewish Bolshevik interests. He was one among many such treacherous Jews—Jews who are often feted in honor of their duplicity:

The Sephardim of Curacao

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

A reader has called to my attention a genealogical research project into the historically important Sephardic Jewish families of Curacao:

Curaçao Sephardic Jewry Genealogical Data

The influence of Sephardic Jews on the development of the Americas, and on the growth of the Netherlands and Ottoman Empire after the expulsion of the Jews from Spain, is under reported. Many suspect that Christopher Columbus was a Jew, and that World Jewry had knowledge of the Americas and wanted to make America a homeland for Jews.

Though Americans' focus is, understandably, centered on the slave trade in the US, there was a huge trade in the Carribean and South America in order to man the lucrative sugar plantations. Jews, who controlled much of the shipping and sugar trade, were heavily involved in this traffic:

Jewish Involvement In Black Slave Trade To The Americas

Jews were also the force behind the piracy which plagued the United States, and which included the treachery of the Zionist Jew Mordecai Manual Noah, who devised (or at least advertised) the plan to establish a Christian Zionist movement to secure a Jewish invasion of Palestine, and who floated the idea that it was in the interest of Christians to seize control of the Suez as a trade route and to "restore the Jews to Palestine" as a means of securing the investment (in fact, the Rothschilds wanted this trade route to China and India for their own interests, and they wanted Christians to secure it and Palestine for the Jews):

What Will the Reign of the Anti-Christ Look Like? The Seventh Year and Shmita

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The books of the Frankists have been carefully collected and hidden away. That fact alone tells us that World Jewry's plans are dangerous and a peril to the human race. We find evidence as to what it is they have planned for us in their Jewish "End Times" in the books of the prophets in the Hebrew Bible, in the Talmud, Zohar and Lurian Cabalah, in the Jewish apocryphal apocalyptic works which predate John of Patmos' revelation, and in the legendary works *Avkat Rokhel*, the *Sefer Zerubbabel*, *The Wars of King Messiah* and the writings of Rabbi Simon Ben Yohai.

These works predict—read instruct—that the Jews will exterminate the Goyim, that the climate will change towards marked global warming, that disease and famine will spread as never

before, that Jews will persecute Christians and destroy Christianity, that the Jews will rule a One World Government, that Jewry will take "Greater Israel", etc. Modern technology provides Jewry with the means to artificially fulfill all of these predictions/instructions.

Dates are very important in Judaism. Note that the Jewish calendar is approaching the year 6,000. This is significant and does not bode well for the human race if we allow World Jewry to determine our fate. Judaism teaches that the Earth must rest for a thousand years, the seventh thousand after the 6,000 thousand years expire, after the three two thousand year cycles have passed, as they soon will.

The Hebrew Bible sets forth the law of *Shmita*, which states that the land must rest in the seventh year, the Sabbath, and that in the seventh year the debts of Jews must be forgiven. Recall that God rested on the seventh day.

For Jewry, this means that before the seventh year of the Jewish calendar, Gentiles must be exterminated and the Earth must be made desolate by war and climate change. Jews believe that the Jewish People will then endure a thousand year resting period, which at the end will seem to have been a single day (*Psalm* 90:4). During this thousand years, the Earth and nature will restore themselves and the Jews will purify their divine blood, thereby restoring order to the World and creating a "New Earth" populated only with righteous Jews (*Isaiah* 11:4; 42:1; 65; 66. *Jeremiah* 33:15-16). Jews believe that Satan impregnated Eve in the Garden of Eden and that Gentiles are the product of this union, are therefore inherently evil, and must be killed off.

This Jewish plan is set forth in, among other places, the Talmud in *Sanhedrin* 97. Note that the

Jews fulfilled their religious myths by putting Hitler/Haman into power to persecute the Jews and artificially fulfill their messianic prophecies. *Sanhedrin 97b* states,

"R. Joshua said to him, if they do not repent, will they not be redeemed! But the Holy One, blessed be He, will set up a king over them, whose decrees shall be as cruel as Haman's, whereby Israel shall engage in repentance, and he will thus bring them back to the right path."

Given that the leaders of World Jewry were willing to do that to their own, we have no reason to expect that they will hesitate to exterminate the remainder of the human race. We must face this enemy whose reason for existence is to exterminate us.

Worldwide famine can today be artificially created by economic means and by deliberately destroying food, as World Jewry did when they deliberately genocided the Ukrainians. Jews are at this time manufacturing genetically targeted biological weapons meant to kill off the Goyim while preserving the Jews. The Jewish bankers have exploited the Third World and destroyed the forests and natural processes of the Earth resulting in climate change. Genetic analysis now affords Jewry a means to arbitrarily define that which is Jewish in the human family and surrogate mothers could easily provide the Jews with a means to multiply their ranks exponentially in the near future.

If you doubt these things, I suggest you ask yourselves why Jewry has wasted so many resources to steal Palestine and continually agitates for World War III? Why is Jewry continually degrading cultures, mass murdering intellectuals, destroying nations, destroying the

environment, and destroying non-Jewish religions? What does this nihilistic destruction accomplish, if not the artificial fulfillment of Jewish messianic prophecy?

If Jewry succeed in their plans, it will not be a human race which awakens after the thousand year rest.

Pin the Tail on the Anti-Christ

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

John Hagee's latest blasphemous proclamation that Jesus Christ was not the not Messiah paves the way for his followers to welcome the anointment of the Anti-Christ in Jerusalem sometime in the near future. This prompts the question, "Who is the present King of the Jews?"

Do not doubt that the Jews have a living, breathing King, who anxiously awaits the death of Islam and of Christendom so that he can ascend the throne and rule the World from Jerusalem. There are pretenders to his throne, or at least pretenders who pretend that a ghost will be King of the Jews.

Some of the Chabad Lubavitchers worshiped Rebbe Menachem Mendel Schneerson as if the Messiah. Some of these believe that the late Rebbe will return if the Jews would just show a little bit more faith. However, this contradicts even the core beliefs of this sect of ultra-orthodox Jews. The Rebbe was seventh in a line of seven and his death is to herald the arrival of the Messiah, not the Rebbe's appointment and anointment as Messiah. Surely the Anti-Christ resents this Lubavitcher blasphemy.

It is said that the Sephardim and the Ashkenazim have competing Messiahs vying for the crown. It must also be borne in mind that Jews have the myth that there are two Messiahs, Moschiach ben Joseph (*Isaiah* 53) and Moschiach ben David (*Isaiah* 2), the suffering Messiah and the conquering Messiah, which some Christians view as the first and second coming of Jesus Christ —John Hagee not among them.

From the time of the false Jewish messiah Shabbatai Zevi of the Seventeenth Century onwards, there has been an unbroken line of very real Jewish Kings who have increasingly come to rule the World as best a minority can, including Baruchiah Russo, Jacob Frank, and the Rothschild dynasty. Anka Muhlstein wrote in her book *Baron James: The Rise of the French Rothschilds*,

"The success of the five brothers, who seemed to share Europe among themselves without ever dividing their forces, fired the imagination. The best writers of the time gave credence to the notion of the all-powerful bankers. 'The Jewish banker says: '[God] has given me the royalty of wealth and the understanding of opulence, which is the scepter of society. . . . 'A

Jew now reigns over the Pope and Christianity. He pays monarchs and buys nations,' stated Alfred de Vigny.[12] Jewish polemists joined in and declared: 'There is only one power in Europe, and that is Rothschild. . . and speculation is his sword. . . . Rothschild needed states in order to become Rothschild. . . . However, today he no longer needs the state, but the state needs him.'[13] Heine put it more humorously, recalling olden times when the King would have had the teeth of M. de Rothschild pulled out had he refused a loan. Today, 'Rothschild, Baron and Knight of the Order of Isabella the Catholic, may stroll over to the Tuileries whenever it strikes his fancy, without fear of losing even one tooth to a cash-hungry King.'[14] Metternich's spies took the same line and in their reports feigned surprise at the presence in James' office of General Rumigny, whom Louis-Philippe had put in charge of everything related to the Bourse. Rothschild, wrote a certain Klindworth to Count Apponyi, the Austrian Ambassador, 'places in each ministry, in every department at all levels, his own creatures who feed him the greatest variety of information.'[15]

While the European press devoted long articles to the Rothschild triumphs, American newspapers, often influenced by a group of German Jews to whom the image of an all-powerful Court Jew was familiar, portrayed Rothschild as fabulous and fantastical: 'The Rothschilds govern a Christian world. Not a cabinet moves without their advice. They stretch their hand, with equal ease, from Petersburg to Vienna, from Vienna to Paris, from Paris to London,

from London to Washington. Baron Rothschild, the head of the house, is the true king of Judah, the prince of the captivity, the Messiah so long looked for by this extraordinary people. . . . The lion of the tribe of Judah, Baron Rothschild, possesses more real force than David—more wisdom than Solomon.'[16] Even the wildest rumors came to seem credible. In 1830 an American weekly reported on its front page that the Rothschilds had purchased Jerusalem: 'We see nothing improbable that in the pecuniary distress of the sultan, he should sell some parts of his dominions to preserve the rest; or that the Rothschilds should purchase the old capital of their nation. They are wealthy beyond desire, perhaps even avarice; and so situated, it is quite reasonable to suppose that they may seek something else to gratify their ambition, that shall produce most important effects. If secured in the possession, which may be brought about by money, they might instantly, as it were, gather a large nation together, soon to become capable of defending itself, and having a wonderful influence over the commerce and condition of the east—rendering Judah again the place of deposit of a large portion of the wealth of the 'ancient world.' To the sultan the country is of no great value; but, in the hands of the Jews, directed by such men as the Rothschilds, what might it not become, and in a short period of time?'[17]"—A. Muhlstein, *Baron James: The Rise of the French Rothschilds*, The Vendome Press, New York, Paris, (1982), pp. 104-106.

In an article entitled "Modern Jewish Worship", the *New York Evangelist*, Volume 12, Number

40, (2 October 1841), p. 1, wrote,

"Through all their wanderings, they have followed the direction of Moses, to be *lenders* and not *borrowers*. The sovereigns of Europe and Asia, and the republics of America, are their debtors to an immense amount. The Rothschilds are Jews; and they have wealth enough to purchase all Palestine if they choose; a large part of Jerusalem is in fact mortgaged to them. The oppressions of the Turkish government, and the incursions of hostile tribes, have hitherto rendered Syria an unsafe residence; but the Sultan has erected it into an independent power, and issued orders throughout his empire, that the Jews shall be as perfectly protected in their religious and civil rights, as any other class of his subjects; moreover, the present controversy between European nations and the East seems likely to result in placing Syria under the protection of Christian nations. It is reported that Prince Metternich, Premier of Austria, has determined, if possible, to constitute a Christian kingdom out of Palestine, of which Jerusalem is to be the seat of government."

The Rothschilds have faithfully fulfilled their role as Messiah by slaughtering hundreds of millions of Goyim, by stealing Palestine from the Palestinians, by accumulating the wealth of the World, and by making the nations of the Goys their footstool. I discuss the Rothschilds as Messiah of the Jews in chapter 3 of my free online book *The Manufacture and Sale of Saint Einstein*.

But, you have waded through this long article expecting a name. Perhaps Rupert, our Moslem Jewish banker friend will tell you, perhaps not. . . He sometimes tries to steal my thunder.

As for me, now is not quite yet the time to pin the tail on the Anti-Christ. We all know what is bound to happen when you speak of the devil.

How Operatives in the "Patriot Movement" Are Fulfilling THE PROTOCOLS OF THE LEARNED ELDERS OF ZION

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

World Jewry often acts as a hidden hand to trick the Goyim into demanding their own ruin and destroying themselves in the name of preserving themselves. Subversive Jews and crypto-Jews often teach the Goyim myths which prompt the Goys to destroy their religion in the name of saving it, to destroy government in the name of rescuing it, to restrict the press in the name of freeing it, to bind themselves more tightly to debt in the name of eliminating it, to ruin their cultures in the name of progress, etc. These subversive Jews don't actually believe the lies they promote to the Goyim (consider the growing number of former Communist Jews who now promote Straussian "neo-Conservatism"), rather they lead the Goys into one trap after another, and keep them forever confused and fighting amongst themselves.

If you think the "Patriot Movement" is above such infiltration, you are sadly mistaken. There are

many operatives working to undermine our efforts to establish a resistence to organized Jewish power. They use several of the tactics advocated in *The Protocols of the Learned Elders of Zion* and their goals are overtly or covertly the same as those expressed in that work, an English translation of which is republished in chapter 5 of my free online book *The Manufacture and Sale of Saint Einstein*.

One of the more obvious methods of subversion being employed by enemy operatives is the method of scapegoating Catholics for Jewish crimes. *The Protocols* explain how this is done:

"When the King of Israel [the Jewish Messiah] places the crown offered to him by Europe on his sacred head, he will become the Patriarch of the World. The necessary sacrifices made by him will never equal the number of victims sacrificed to the mania of greatness during the centuries of rivalry between the Goy governments."—Protocol 15

"We will abolish all unlicensed teaching. Students will have the right to gather, with their relatives, in their colleges as if in clubs. During these gatherings, on holidays, the teachers will read supposedly unbiased lectures on problems of human relationship, on the law of imitation, on the cruelty of unrestricted competition, and finally, on new philosophical theories which have not yet been disclosed to the world.

We will promote these theories into dogmatic beliefs, using them as stepping-stones to our faith. After having presented our program of action

for the present and for the future, I will read to you the principles of these theories."—Protocol 16

"We have already taken care to discredit the clergy of the GOYS and thus to undermine their function, which at the present time could have been very much in our way. Their influence over the people diminishes daily.

To-day freedom of religion has been proclaimed everywhere; consequently, it is only a *question of a few years before the complete collapse of Christendom*. It will be still easier to deal with other religions, but it is too early to discuss this problem. We will confine clericalism and clericals within such a narrow field that their influence will have an effect opposite to what it used to have.

When the moment comes to annihilate the Vatican completely, an invisible hand, pointing towards this court, will guide the masses in their assault. When, however, the masses attack, we will come forward as defenders to prevent too much bloodshed. By this method we will penetrate its very heart and will not leave it until we have undermined its power.

The King of Israel [the Jewish Messiah] will become the real Pope of the Universe, the Patriarch of the International Church.

But until we have accomplished the re-education of the youth to new transitional religions and finally to our own, *we will not openly attack the*

existing churches, but will fight them by means of criticism, thus creating dissension.

In general, our press will denounce governmental activities and religion, and will expose the inefficiency of the GOYS in the most unscrupulous terms, so as to humiliate them to such an extent as only our ingenious race is capable of doing. Our rule will simulate the God Vishnu, who resembles us physically; each of our hundred hands will hold one of the springs of the social machine. We will see everything without the aid of the official police; in its present organization, however, which we have worked out for the GOYS, the police prevent the government from seeing anything. According to our program, one-third of our subjects will watch the others from a pure sense of duty, as volunteers for the government. Then it will not be considered disgraceful to be a spy and an informer; on the contrary, it will be regarded as praiseworthy. Unfounded reports, however, will be severely punished to prevent abuse of this privilege.

Our agents will be recruited both from among the highest and the lowest ranks of society; they will be selected from among the pleasure-loving governmental officials, editors, printers, booksellers, salesmen, workmen, drivers, butlers, etc. This police force will have no official rights or credentials, which give opportunity for the abuse of power, and consequently it will be powerless; it will merely act as observer and will make reports. The verification of such reports and the issue of warrants for

arrests will rest with a responsible group of police controllers. The actual arrests, however, will be made by a gendarme corps or the municipal police. In case of failure to report any political matter which has been observed or rumored, the person who should have reported it may be brought to trial for concealment of crime, if it is proven that he is guilty.

***In the same way that our brethren are now under obligation to report on their own initiative on all apostates*, or on any person marked as being opposed to the Kehillah, so in our Universal Kingdom it will be obligatory for all subjects to serve the state in that direction."**—Protocol 17

This is not a new tactic by World Jewry. Jewry has sought to divide and conquer Christendom for a very long time, while concurrently Judaizing and enslaving Christians. The "reformers" Martin Luther, John Calvin, Jan Huss, Melchior Hofmann, etc. were each either agents of Jewry or Jews themselves. The counter-reformers like Ignatius Loyola, the father of the Jesuits, were also Jews, or Jewish agents, provoking Christians to battle and destroy one another in the name of defeating the "Anti-Christ", who is instead prophesied to be a Jewish King. A good example of this Jewish engineered battle was the *Kulturkampf*, during which Jewry pitted Protestants against Catholics and erased the last vestiges of the Holy Roman Empire.

Today, Christian Zionists are Judaizing Christianity and paving the way for the rise of the Jewish King in Jerusalem, the Jewish Anti-Christ / Al-Dajjal, and for the Jewish Noahide Laws. Today, crypto-Jewish Protestants in the "Patriot Movement" are scapegoating Catholics for Jewish crimes against the human race. They continually deflect attention away from Jewish

power and Jewish messianic prophecies which are the true source and ultimate goal of "New World Order" dogmas.

They desperately attempt to hide the fact that Jewry prophecies and works towards its messianic goals of the enthronement of a universal Jewish King to rule and judge all human beings (a. k. a. the "Anti-Christ"), the Jewish messianic goal of One World Government ruled by the Jewish King from Jerusalem, the Jewish messianic goal of attaining "Greater Israel" and building a Jewish Temple on the site of the Dome of the Rock and Al Aqsa Mosque, and the Jewish messianic goal of the universal enslavement of the Gentiles, the theft of the wealth of the World and an Apocalyptic war to end all wars.

Jews have been feverishly pursuing these their openly stated objectives for 2,500 years, but this fact is absent in the rhetoric of the Catholic bashing crypto-Jews. While defaming and dehumanizing Catholics, they are constant hypocritical apologists for Jewry, demanding that we all get along—as long as we seek to smear and destroy the Catholic Church. They appeal to the moral principles of Christians as a means to distract them from the truth and to provoke Christians to fight one another.

Not all of the subversive agents in the "Patriot Movement" sell the same snake oil, which they scrape off of their slimy selves. Instead, World Jewry tries to confuse the Goyim and generate fights amongst their Goyische ranks. Some Jewish operatives in the "Patriot Movement" point out the lies of other operatives so as to win themselves credibility and an audience, which they then subvert, and confuse, and pit against other Goys.

One such team even stages fights among its team members creating a soap opera drama which perpetually distracts from the pressing issues of the day, and which creates confusion and disunity in authentic anti-Zionist movements. The same players alternatively attack, then reconcile, with one another, while Jewry wages war on the human race.

This team stages dramas meant to re-educate Goyim to Bolshevik immorality and amorality. They teach the Goys to spy on one another, with staged fights, just as the Cheka/NKVD/KGB, the Stasi, the Nazis, and other Bolsheviks taught their followers and slaves to do. They teach their gullible Goys to fear being recorded and to denounce one another, just as Bolsheviks always do.

In this way, they humiliate people and discourage organization by discouraging communication and fellowship. This same team runs cover for the Bush Administration, discouraging efforts at impeachment, or even mere criticism, on the sophistical basis that Bush and his crew are not the top men in the Zionist gang. We must, of course, pursue all legal and peaceful means to end disproportionate, traitorous and destructive Jewish influence in our nation, and unseating Bush would go a long way towards that end, not by necessarily providing a superior replacement, but rather by establishing for all to see that the American People do not support Zionist warmongers.

We do not ignore crack dealers merely because they are tools of higher powers. We arrest them and pursue their bosses.

It is interesting to observe this team and note how often they utter the same ultimate message as FOX News, though they use differing sophistical means to arrive at it. They often throw up

names of powerful Jews, and Jewish religious movements, who are competitors to top Zionist Jews, and in this way Zionist Jewry uses its operatives in the anti-Zionist movement to pressure other competing Jews.

We can see how they sometimes waver in their message, even to pressure Bush and Cheney when they show signs of reluctance to pursue Jewish wars. Then when Bush & Co. again start to toe the radical Zionist line, the pressure is relaxed and the old mantra returns.

When political events really heat up, this team stages fights to distract from events of the day, and/or seeks to coopt the message and steal the thunder of true leaders of the anti-Zionist movement, and thereby embarrass the movement with the team's farcical antics, bogus conspiracy theories, hoaxes and scripted outrageously paranoid delusions. This team has also acted as *agents provocateur* attempting to incite violence and revolution.

Note that when it is most important for alternative media to speak up and organize to oppose Zionist aggression, as in the case of the Lebanon War and the war between Turkey and the PKK, some elements honorably do just that, whilst others stage distracting fights and/or coopt the message with lies such as stating that these events are "unintended consequences" of American foreign policy.

I will have more to say on these issues in the future, including an explanation as to how the *Protocols* pertain to presidential politics, the gold standard, the nebulous bogeyman of the "corporate elite" and the use of Jewish bankers as operatives in the anti-Zionist movement.

Why World Jewry Seeks to Exterminate the Armenians

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

A friend has tipped me off to the following article (in Russian) which presents a history of the Jewish myth of the Amalekites and the Jewish belief that the Armenians are the Amalekites. This racist and genocidal Jewish mythology compels Jewry to exterminate every last Armenian man, woman and child:

А. Адонц «Бог дает добро на убийство». A. Adonts, *God Approves of Murder.*

The article makes reference to a book with which I am not yet familiar:

А. Саркисян «Сионизм от Теодора Герцля до лорда

Ротшильда и Армянский вопрос», Ереван, 2005 г. A. Sarkisian, *Zionism from Theodor Herzl to Lord Rothschild and the Armenian Question*, Yerevan, Armenia, (2005).

I would be grateful for any information about this book.

Adolf Eichmann Was a Crypto-Jewish Zionist Nazi

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Adolf Eichmann was a crypto-Jewish Zionist Nazi, who, together with other such Jews, attempted to force European Jewry to emigrate to Palestine against their will. According to

Hennecke Kardel in his book *Adolf Hitler: Begruender Israels*, Eichmann was a full-blooded Jew. According to Eichmann himself, he was a radical Zionist.

Adolf Eichmann identified himself as a Zionist in 1939 in a conversation with Anny Stern,

"'Are you a Zionist?' Adolph Eichmann, Hitler's specialist on Jewish affairs, asker her. 'Jawohl,' she replied. 'Good,' he said, 'I am a Zionist, too. I want every Jew to leave for Palestine.'"—L. Dickstein, "Hell's Own Cookbook", *The New York Times*, Book Review Section, (17 November 1996), p. 7.

Nazi Zionist Adolf Eichmann stated in 1960,

"[H]ad I been a Jew, I would have been a fanatical Zionist. I could not imagine being anything else. In fact, I would have been the most ardent Zionist imaginable."—A. Eichmann, "Eichmann Tells His Own Damning Story", *Life Magazine*, Volume 49, Number 22, (28 November 1960), pp. 19-25, 101-112; at 22.

Adolf Eichmann stated,

"I issued the cloth [yellow cloth for the badges Jews were forced to wear] to my Jewish functionaries and they trotted off with them. [***] There was a Jewish lawyer in Vienna who said to me, 'Sir, I wear this star with pride.' This man impressed me. He was an idealist. So I let him emigrate soon afterward. [***] We even had some Jewish SS men who had taken part in the early struggles of the Nazis—about 50 of them in Germany and Austria. I

remember giving my attention to a Jewish SS sergeant, a good man, who wanted to leave for Switzerland. I had instructed the border control to let him pass [***] He was a 100% Jew, a man of the most honorable outlook. [***] I am no anti-Semite. I was just politically opposed to Jews because they were stealing the breath of life from us. [***] Certainly I too had been aiming at a solution of the Jewish problem, but not like this. [***] I would not say I originated the ghetto system. That would be to claim too great a distinction. The father of the ghetto system was the orthodox Jew, who wanted to remain by himself. In 1939, when we marched into Poland, we had found a system of ghettos already in existence, begun and maintained by the Jews. We merely regulated those, sealed them off with walls and barbed wire and included even more Jews than were already dwelling in them. The assimilated Jew was of course very unhappy about being moved to a ghetto. But the Orthodox were pleased with the arrangement, as were the Zionists. The latter found ghettos a wonderful device for accustoming Jews to community living. Dr. Epstein from Berlin once said to me that Jewry was grateful for the chance I gave it to learn community life at the ghetto I founded at Theresienstadt, 40 miles from Prague. He said it made an excellent school for the future in Israel. The assimilated Jews found ghetto life degrading, and non-Jews may have seen an unpleasant element of force in it. But basically most Jews feel well and happy in their ghetto life, which cultivates their peculiar sense of unity. [***] [W]e did not want to punish individual Jews. We wanted to work toward a political solution. [***]

Himmler would not stand for that kind of thing. That is sadism. [***] 'I will gladly jump into my grave in the knowledge that five million enemies of the Reich have already died like animals.' ('Enemies of the Reich,' I said, not 'Jews.') [***] Long before the end, any of the Jews I dealt with would have set up foreign exchange for me in any country I had named, if I had promised any special privileges for them. [***] It would be too easy to pretend that I had turned suddenly from a Saul to a Paul. No, I must say truthfully that if we had killed all the 10 million Jews that Himmler's statisticians originally listed in 1933, I would say, 'Good, we have destroyed an enemy.' But here I do not mean wiping them out entirely. That would not be proper—and we carried on a proper war. Now, however, when through the malice of fate a large part of these Jews whom we fought against are alive, I must concede that fate must have wanted it so. I always claimed that we were fighting against a foe who through thousands of years of learning and development had become superior to us. I no longer remember exactly when, but it was even before Rome itself had been founded that the Jews could already write. It is very depressing for me to think of that people writing laws over 6,000 years of written history. But it tells me that they must be a people of the first magnitude, for law-givers have always been great."—A. Eichmann, "Eichmann Tells His Own Damning Story", *Life Magazine*, Volume 49, Number 22, (28 November 1960), pp. 19-25, 101-112; at 23, 24, 102, 104, 106, 110; and "Eichmann's Own Story: Part II",*Life Magazine*, (5 December 1960), pp. 146-161; at 150, 158, 161.

In violation of international law, the Israelis kidnapped Eichmann and placed him on trial for his life. He was probably alarmed by the ingratitude of the Israelis, who owed their existence to Eichmann's work.

At his trial in Jerusalem, Session Number 90, 26 Tammuz 5721, 10 July 1961, Eichmann confirmed that he twice requested permission to learn Hebrew from a Rabbi.[1] He also stated that the annihilation (*Vernichtung*) of the Jews to him meant deportation and Zionism, however, he further stated that Hitler later changed course in the middle of the war and sought the physical annihilation of the Jews. Adolf Eichmann stated that he had sought a deal with the Western Allies to exchange one million Jews for 10,000 trucks to be used on the Eastern front. Jewish Communist turned Zionist, Joel Brand had established a relationship with the Nazis and tried to arrange the deal with the Western Allies.[2] The offer was declined. This story was publicly exposed in 1956.[3]

Eichmann told another story of his dealings with the Zionist Dr. Rudolf Kastner, which ultimately resulted in the deaths of countless assimilated Hungarian Jews, and the survival of the fittest Zionist Jews for Israel, Jews who were Kastner's friends. Eichmann stated, *inter alia*,

"As a matter of fact, there was a very strong similarity between our attitudes in the SS and the viewpoint of these immensely idealistic Zionist leaders who were fighting what might by their last battle. As I told Kastner: 'We, too, are idealists and we, too, had to sacrifice our own blood before we came to power.' I believe that Kastner would have sacrificed a thousand or a

hundred thousand of his blood to achieve his political goal. He was not interested in old Jews or those who had become assimilated into Hungarian society. But he was incredibly persistent in trying to save biologically valuable Jewish blood—that is, human material that was capable of reproduction and hard work. 'You can have the others,' he would say, 'but let me have this group here.' And because Kastner rendered us a great service by helping keep the deportation camps peaceful, I would let his groups escape. After all, I was not concerned with small groups of a thousand or so Jews."—A. Eichmann, "Eichmann Tells His Own Damning Story", *Life Magazine*, Volume 49, Number 22, (28 November 1960), pp. 19-25, 101-112; and "Eichmann's Own Story: Part II", *Life Magazine*, (5 December 1960), pp. 146-161; at 146.

Hannah Arendt wrote in her book *Eichmann in Jerusalem: A Report on the Banality of Evil*,

"Of greater importance for Eichmann were the emissaries from Palestine, who would approach the Gestapo and the S.S. on their own initiative, without taking orders from either the German Zionists or the Jewish Agency for Palestine. They came in order to enlist help for the illegal immigration of Jews into British-ruled Palestine, and both the Gestapo and the S.S. were helpful. They negotiated with Eichmann in Vienna, and they reported that he was 'polite,' 'not the shouting type,' and that he even provided them with farms and facilities for setting up vocational training camps for prospective immigrants. ('On one occasion, he expelled a group of nuns from a convent to provide a training farm for young Jews,' and on another 'a special train

[was made available] and Nazi officials accompanied' a group of emigrants, ostensibly headed for Zionist training farms in Yugoslavia, to see them safely across the border.) According to the story told by Jon and David Kimche, with 'the full and generous cooperation of all the chief actors' (*The Secret Roads: The 'Illegal' Migration of a People, 1938-1948*, London, 1954), these Jews from Palestine spoke a language not totally different from that of Eichmann. They had been sent to Europe by the communal settlements in Palestine, and they were not interested in rescue operations: 'That was not their job.' They wanted to select 'suitable material,' and their chief enemy, prior to the extermination program, was not those who made life impossible for Jews in the old countries, Germany or Austria, but those who barred access to the new homeland; that enemy was definitely Britain, not Germany. Indeed, they were in a position to deal with the Nazi authorities on a footing amounting to equality, which native Jews were not, since they enjoyed the protection of the mandatory power; they were probably among the first Jews to talk openly about mutual interests and were certainly the first to be given permission 'to pick young Jewish pioneers' from among the Jews in the concentration camps. Of course, they were unaware of the sinister implications of this deal, which still lay in the future; but they too somehow believed that if it was a question of selecting Jews for survival, the Jews should do the selecting themselves. It was this fundamental error in judgment that eventually led to a situation in which the non-selected

majority of Jews inevitably found themselves confronted with two enemies—the Nazi authorities and the Jewish authorities. As far as the Viennese episode is concerned, Eichmann's preposterous claim to have saved hundreds of thousands of Jewish lives, which was laughed out of court, finds strange support in the considered judgment of the Jewish historians, the Kimches: 'Thus what must have been one of the most paradoxical episodes of the entire period of the Nazi regime began: the man who was to go down in history as one of the arch-murderers of the Jewish people entered the lists as an active worker in the rescue of Jews from Europe.'"—H. Arendt, *Eichmann in Jerusalem: A Report on the Banality of Evil*, Viking, New York, (1963), pp. 55-56; in the revised 1964 edition at pp. 60-61.

Zionist Jews around the World delighted in the rise of the Nazis and celebrated the Nazis' Jewish-inspired segregationist laws. This fact was recorded in Eichmann and Hagen's own reports,

"Nationalist Jewish circles expressed their great joy over the radical German policy towards the Jews, as this policy would increase the Jewish population in Palestine, so that one can reckon with a Jewish majority in Palestine over the arabs in the foreseeable future."—K. Polkehn, "The Secret Contacts: Zionism and Nazi Germany, 1933-1941", *Journal of Palestine Studies*, Volume 5, Number 3/4, (Spring-Summer, 1976), pp. 54-82, at 74; citing "RFSS film roll 411".

Jewish author Emil Ludwig (b. Emil Cohn) stated that,

"Hitler will be forgotten in a few years, but he will have a beautiful monument in Palestine. You know the coming of the Nazis was rather a welcome thing. So many of our German Jews were hovering between two coasts; so many of them were riding the treacherous current between the Scylla of assimilation and the Charybdis of a nodding acquaintance with Jewish things. Thousands who seemed to be completely lost to Judaism were brought back to the fold by Hitler, and for that I am personally very grateful to him."—M. Steinglass, "Emil Ludwig before the Judge", *American Jewish Times*, (April, 1936), p. 35; *as quoted in:* L. Brenner, *Zionism in the Age of the Dictators*, Chapter 6, Croom Helm, London, L. Hill, Westport, Connecticut, (1983), p. 59.

I Nominate Abe Foxman to Play the Role of Talaat Pasha

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

I have been urging the Armenian community to produce a video documentary and major films depicting the Armenian Genocide in all its horror. On 2 August 2006, I urged Mel Gibson to make a movie exposing the Frankist crypto-Jews and their genocides. I think this entitles me to make a few suggestions for the cast. I nominate Abe Foxman to play the role of Talaat Pasha. Sacha Baron Cohen could play the role of Djavid Bey. Isaac Mizrahi could play Ataturk.

In the News:

Gibson urged to reject film with Armenian allegations

If Gibson takes on the project, I hope he doesn't forget who it was who was behind the First World War, nor who committed The Jewish Genocide of Armenian Christians.

Wikipedia Is Used as a Vehicle for Smear Campaigns. I Know. It Happened to Me.

Christopher Jon Bjerknes

Some of the administrators at the online "encyclopedia" Wikipedia are coming under fire:

Secret mailing list rocks Wikipedia

Wikipedia black helicopters circle Utah's Traverse Mountain

There is even a website dedicated to redressing abuse on Wikipedia:

http://wikipediareview.com

One of the administrators discussed on this page took a personal interest in attacking me. Wiki

users and administrators reverted a page on me to *proven* lies again and again. I forced them to remove the dishonest pages. They also tried to send the Wiki page "Relativity_Priority_Dispute" down the memory hole and falsely accused me of having written it. When those who did write the page contested their false claims, they tried to delete mention of my work from the page, this despite the fact that I am the reason that there is a broad discussion of Einstein's plagiarism taking place today, and the others cited in the article rely upon my prior work. The attempts to completely suppress mention of my work have failed, so gross a misrepresentation of reality is the attempted manipulation by some of the Wiki administrators and their supporters.

I note that the administrators involved were particularly sensitive to my proofs that Einstein was a racist Zionist and that Jewry was behind the Armenian Genocide. They also did not want my side of the story told about John Stachel's *ad hominem* attack against me. Nor did they want mention of the undeniable fact that Stachel co-authored an article in the journal *Science* in 1997, which relied upon mutilated evidence, but which article did not disclose the fact that the evidence was mutilated.

Should Armenians Grovel and Lick Jewish Boots, or Should Jewry Apologize to the Armenians, Stop Obstructing Genocide Recognition and Make Reparations?

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

A small minority of Armenians want to join with World Jewry in covering up the predominant Jewish role in the Armenian Genocide. They hope that the Jews will help them to gain official recognition of the Armenian Genocide, which they believe will open the door to reparations from Turkey and enforcement of the Treaty of Sevres and other obligations. These Armenians plead with the very group which is most active in obstructing recognition and beg them to help Armenians obtain recognition.

A sounder strategy is to openly accuse organized Jewry of opposing recognition and to demand that they respond to questions of the Jewish involvement in the Armenian Genocide. This will cast suspicion on those Jews who oppose recognition as to why they oppose it. This will make it far more difficult for Jewry to suppress recognition of the Armenian Genocide. It will, therefore, open the door for just reparations not only from the Turks, but also from the Jews.

Many Armenians have touted the two-faced Zionist Jew Henry Morgenthau, Sr. as if he were a noble savior of the Armenians and a "righteous Jew". Morgenthau did nothing to save the Armenians. Instead, he used their plight as a means to try to bring the United States into war with the Jewish controlled Ottoman Empire. He was a treacherous snake, who betrayed the American People, the Armenians and the other citizens of the Ottoman Empire. The *Times* of London, on 8 October 1915, pinned the tail on the snake pointing out that Morgenthau's

primary and in effect his sole concern was Zionism. He wanted to steal Palestine and hand it over to Jewry, this despite the fact that most Jews at the time were not Zionists. The *Times* wrote,

"The attempts of the American Ambassador to procure some alleviation of the lot of Armenians have thus far proved unsuccessful. Mr Morganthau, in the opinion of good observers, wasted too much diplomatic energy on behalf of the Zionists of Palestine, who were in no danger of massacre, to have any force to spare. Talaat and Bedri simply own that persecuting Armenians amuses them and turn a deaf ear to American pleadings. German and Austro-Hungarian residents in Turkey at first approved of the punishment of Armenian 'traitors', but the methods of the Turkish extremists have sickened even Prussian stomachs. True the Jewish Baron von Oppenheim, now in Syria, has been preaching massacre, and the German Consular officials al Aleppo and Alexandretta have followed suit, perhaps with the idea of planting German colonists in the void left by the disappearance of the Armenians when the war is over."—"THE ARMENIAN MASSACRES: EXTERMINATING A RACE: A RECORD OF HORRORS", *Times of London*, (8 October 1915), http://www.timesonline.co.uk/tol/news/world/europe/article2641064.ece / http://www.timesonline.co.uk/tol/news/world/europe/article2641064.ece?token=null&offset=24

In 1911, the *Times* made public the fact that the "Young Turk Revolution" was a Jewish takeover, and that Jewry was responsible for the Adana Massacres of 1909, and other crimes against

Christians. Correspondents for the *Times* called upon Western Jewry to condemn and act to end the Jewish Genocide of Armenian Christians. Leading Jews instead stepped up to shamelessly lie on behalf of Jewry, and we have as a product of their deceit the Jewish Genocide of Armenian Christians of 1915. I will only briefly quote from the long series of correspondence which took place on the pages of the *Times* in 1911 which is reproduced in full in my book *The Jewish Genocide of Armenian Christians* which can be found at: http://www.jewishracism.com/JewishGenocide.htm.

A correspondent for the *Times* wrote,

"THE SALONIKA COMMITTEE

The author, who in his indignation invokes diplomatic aid for the perishing Albanians, overlooks the circumstances which, in this instance, must render diplomatic action ineffectual or belated. Diplomatists can appeal only to the Ottoman Government, but not to the unofficial, intangible Salonika Committee, whose behests Torgut Shevket executed in his ill-treatment of the Albanians last year—ill-treatment that provoked the present revolt—and whose secret programme he is now attempting to carry out. To be efficacious influence must be brought to bear upon the Committee from quarters which the Committee will respect, or at least fear. These quarters are the honest and humanitarian Jews of England, the United States, Italy, and other countries.

It is a well-known fact that the Salonika Committee was formed under

Masonic auspices with the help of the Jews and Donmehs, or crypto-Jews of Turkey, whose headquarters are at Salonika, and whose organization took, even under Abdul Hamid, a Masonic form. Jews like Emmanuel Carasso, Salem, Sassun, Fardji, Meslah, and Donmehs or crypto-Jews, like Djavid Bey and the Baldji family, took an influential part both in the organization of the Committee and in the deliberations of its central body at Salonika. These facts, which are known to every Government in Europe, are also known throughout Turkey and the Balkans, where an increasing tendency is noticeable to saddle the Jews and Donmehs with responsibility for the sanguinary blunders which the Committee has made. To apportion responsibility justly is at present impossible. It appears unquestionable that the Jews supplied the brains for the Committee movement, and it is equally certain that, if and when the movement ends in disaster, they will be made to incur the odium for events like the Adana massacres, the beatings of Bulgarian peasants last autumn, and the present Albanian operations, which have shed so sorry a light upon the Young Turkish *regime*.

The enlightened and humanitarian Jews in England and other countries—those who did not fear to organize Jewish committees for the purpose of combating the white slave traffic carried on chiefly by their depraved co-religionists abroad—have assuredly no notion of the situation that is developing throughout the Near East, nor of the weapons that are being put into the hands of every palliator of Pogroms. Frank and fearless inquiry

would reveal to their eyes a state of things of which diplomatists and statesmen have been whispering for months past, and to which sporadic but necessarily obscure allusions have been made from time to time in the European Press. Now, in view of the position in Albania, reticence would be misplaced.

There is reason to believe that a direct appeal from the humanitarian Jews of the Western world to the Jewish organizations in Turkey would do more to stay the hand of Torgut Shevket and to prevent the development of a catastrophe in the Near East than all the notes or injunctions which European diplomacy can indite and address to the Golden Horn."—Vienna Correspondent for *The London Times*, "Jews and the Situation in Albania", *The London Times*, (11 July 1911), p. 5.

This humanitarian appeal to rescue the Armenians was met with ridicule by Jewry. Had it been properly received, the lives of 1.5 million Armenians would have been spared from the racist Jews who ordered their complete destruction.

Another ambassador to the Ottoman Empire, one who was not a treacherous Zionist Jew, Sir Gerard Lowther, British Ambassador to the Ottoman Empire, wrote to the British Foreign Office,

"[T]his new Freemasonry in Turkey, unlike that of England and America, is in great part secret and political, and information on the subject is only obtainable in strict confidence, while those who betray its political secrets

seem to stand in fear of the hand of the Mafia. Some days ago a local Mason who divulged the signs of the craft was actually threatened with being sent before the court-martial, sitting in virtue of our state of siege. [***] [T]he Young Turkey movement in Paris was quite separate from and in great part in ignorance of the inner workings of that in Salonica. The latter town has a population of about 140,000, of whom 80,000 are Spanish Jews, and 20,000 of the sect of Sabetai [Z]evi or Crypto-Jews, who externally profess Islamism. Many of the former have in the past acquired Italian nationality and are Freemasons affiliated to Italian lodges. Nathan, the Jewish Lord Mayor of Rome, is high up in Masonry, and the Jewish Premiers Luzzati and Sonnino, and other Jewish senators and deputies, are also, it appears, Masons. [***] Emannuele Carasso, a Jewish Mason of Salonica, and now deputy for that town in the Ottoman Chamber, founded there a lodge called 'Macedonia Risorta' in connection with Italian Freemasonry. He appears to have induced the Young Turks, officers and civilians, to adopt Freemasonry with a view to exerting an impalpable Jewish influence over the new dispensation in Turkey[.] [***] The inspiration of the movement in Salonica would seem to have been mainly Jewish[.] [***] Carasso began to play a big rôle, including his successful capture of the Balkan Committee, and it was noticed that Jews of all colours, native and foreign, were enthusiastic supporters of the new dispensation, till, as a Turk expressed it, every Hebrew seemed to become a potential spy of the occult Committee, and people began to remark that the movement was rather a Jewish than a

Turkish revolution. The Italian Government appointed a Jew and Mason called Primo Levi, who was not in the consular career, as consul-general at Salonica, and Oscar Strauss, who, together with Jacob Schiff, had influenced the American Jews in favour of Jewish immigration into Mesopotamia as opposed to other Territorialist plans and as an extended form of Sionism, was appointed American Ambassador here. [***] Carasso was one of the bearers of the message of deposition to Abdul Hamid, who was conveyed to Salonica and confined in the house of the Italian Jewish bankers of the Committee, while a brother of Remzi Bey was set over him as keeper. After the deposition the Jewish papers of Salonica sent up a loud cry of deliverance from 'the oppressor of Israel' who had twice turned a deaf ear to the appeals of Herzl, the Sionist leader, and who, by the imposition of the red passport, like our own Aliens Act, against Polish Jewish immigrants, and otherwise, had thwarted the realisation of the ideals of Sionism in Palestine. The ninth Sionist Congress in December 1909 at Hamburg announced that the divisions in the Jewish world between Territorialists and Sionists, 'as a miracle of the Turkish revolution', had been healed. At the same time Javid Bey, Deputy for Salonica, an exceedingly clever and gifted Crypto-Jew and Freemason, was made Minister of Finance, while Talaat Bey, also a Freemason, became Minister of the Interior. [***] Parliament was 'ordered' to pass a very stringent Press Law, and a Salonica Crypto-Jew and Freemason was made 'Directeur du Bureau de la Presse', a post of

enormous power, as its holder can suppress a paper for severe 'criticism of the new régime' (dubbed 'reaction'), or have the proprietor or editor court-martialled. A semi-inspired Ottoman telegraph agency [***] was started under the direction of a Baghdad Jew, and an all but successful attempt was made to appoint a Salonica Jewish lawyer and Mason as adviser to the Ministry of Justice. The Constantinople head branch of the Committee of Union and Progress is also run by a Salonica Crypto-Jew and Mason. Another Salonica Crypto-Jew and Freemason made determined attempts to be appointed 'Préfet', i.e. Lord Mayor, of the capital, but has not yet succeeded in his aim, though Prince Said Ha[lim] an Egyptian Freemason, has become Deputy Mayor. [***] [T]he old Ministry of Police was replaced by the 'Sûreté Publique' controlling the police and gendarmerie, and put in charge of a Salonica Freemason. [***] Talaat Bey, the Minister of the Interior, who is of Gipsy descent, and comes from Kirjali, in the Adrianople district, and Javid Bey, the Minister of Finance, who is a Crypto-Jew, are the official manifestations of the occult power of the Committee. They are the only members of the Cabinet who really count, and are also the apex of Freemasonry in Turkey. [***] A Turk described it as a process of 'drugging the latter with Jewish hashish'. From the foregoing or any close inspection of the Young Turkey movement in its present stage, it will appear to be principally Jewish and 'Turkish' as opposed to other Ottoman elements, e.g. Arabs, Greeks, Bulgarians, Armenians, etc. [***] It was hoped in the beginning that the Armenians, Bulgarians, Greeks and the Ottoman Jew

would serve as economic props, but the Young Turk seems to have allied himself solely with the Jew, Ottoman and foreign, and to have estranged the other races. The same result has been witnessed in Hungary, where the Hungarian, who is of Turkish stock and is similarly devoid of real business instincts, has come under the almost exclusive economic and financial domination of the Jew. [***] [A]s Turkey happens to contain the places sacred to Israel, it is but natural that the Jew should strive to maintain a position of exclusive influence and utilize it for the furtherance of his ideals, viz, the ultimate creation of an autonomous Jewish state in Palestine or Babylonia, as explained by Israel Zangwill in his article in the 'Fortnightly Review' of April. He would kill two birds with one stone if he could obtain from the Turk unrestricted immigration of Jews into Turkey, an aim that he has been pursuing for years back, and transfer to Mesopotamia some millions of his co-religionists in bondage in Russia and Roumania. In return for 'unrestricted immigration' of foreign Jews, he has offered the Young Turk to sacrifice his mother-tongue and replace it by Turkish, and even to take over the whole of the Turkish National Debt. Dr. Nazim, one of the most influential members of the Salonica Committee and said to be of Jewish extraction, has, in company, with his fidus Achates, a certain Faik Bey Toledo, a Crypto-Jew of Salonica, visited the Paris branch of the I.C.A. (Judaeo-Colonisation Association) and has since openly advocated importing 200,000 Roumanian Jews into Macedonia and some millions of

Russian Jews into Mesopotamia. [***] Doubtless, when Young Turkey with its heavy military expenditure is in need of borrowing, further pressure will be applied by the Jewish lenders. [***] For the 'Aurore' ('Shefak'), a Sionist organ started a year ago in Constantinople, is never tired of reminding its readers that the domination of Egypt, the land of the Pharaohs, who forced the Jews to build the Pyramids, is part of the future heritage of Israel. [***] Mesopotamia and Palestine are, however, only the ultimate goal of the Jews. The immediate end for which they are working is the practically exclusive economic capture of Turkey and new enterprises in that country. [***] [T] hey hold or control all the pivotal points in the machinery of the Young Turkey Government, though the Ministry of Public Works [***] is still held by an Armenian, Halajian Effendi. When his predecessor, another Armenian, was got rid of, a determined attempt was made to appoint a Jew or a Jewish nominee. [***] His position is now still shaky, and the most bitter and constant attacks on him come from a Jewish-financed paper, 'Le Jeune Turc', while there are rumours that his successor will be a Jew, or a Turk with a Jew at his elbow. It is obvious that the Jew, who is so vitally interested in maintaining his sole predominance in the councils of the Young Turkey, is equally interested in keeping alive the flames of discord between the Turk and his (the Jew's) possible rivals, i.e. the Armenians, Greeks, etc., while it is to be inferred that he would not be averse to the new regime increasing the national indebtedness to the Hebrew financiers. [***] The Jew hates Russia and its Government[.] [***] The Jew can help the

Young Turk with brains, business enterprise, his enormous influence in the press of Europe, and money in return for economic advantages and the eventual realisation of the ideals of Israel[.] [***] The Jew has supplied funds to the Young Turks and has thus acquired a hold on them; but in order to retain this hold he has to appear at least to approve and aid the Young Turk towards the accomplishment of 'national' dreams. Secrecy and elusive methods are essential to both. The Oriental Jew is an adept at manipulating occult forces, and political Freemasonry of the continental type has been chosen as the most effective bond and cloak to conceal the inner workings of the movement. [***] The 'Jeune Turc', which, like some other organs in the Ottoman capital, is subventioned by the Jews[.] [***] But all this is dependent on European, i.e. mainly Jewish, financiers supplying it with the sums required to keep up an army which is disproportionate to its actual state of economic development."—Letter from G. Lowther to C. Hardinge 29 May 1910, His Majesty's Stationary Office, Lowther Papers, Foreign Office 800/193A; and see: 800/193B. The complete letter is published in: E. Kedourie, "Young Turks, Freemasons and Jews", *Middle Eastern Studies*, Volume 7, Number 1, (January, 1971), pp. 89-104; *reprinted:* E. Kedourie, *Arabic Political Memoirs and Other Studies*, Chapter 16, Frank Cass, London, (1974), pp. 243-263. For additional correspondence to and from Lowther, see also: British Documents on the Origins of the War, 1898-1914, 11 Volumes in 13, His Majesty's Stationary Office, London, (1927); and the Hardinge Papers and the Grey Papers.

I predicted that many Jews would support the Armenians, before it happened. I also predicted that some of these Jews would have sincere motives, while others would be Zionist Jews out to defame Moslems which Zionist Jews wished to use the Armenian Genocide, which Jewry created, to yet again gin up war on Islam. My predictions were demonstrably correct. Now ask yourselves a question while pondering the nobility, or lack thereof, of World Jewry, how many Jews have publicly expressed their regret for the Jewish role in the Armenian Genocide? To date I count myself as one.

Not just Abe Foxman as an individual, but the ADL as a Jewish organization, and not the ADL alone, but AIPAC and several other Jewish organizations have spoken out against recognition of the Armenian Genocide in the United States Congress. The "Jewish State" of Israel, which rests on stolen Arab land freed up by the Jewish Genocide of Armenian Christians, officially denies the genocide by refusing to officially acknowledge and condemn it. It is not merely a set of random Jews who have opposed recognition, not merely a set of prominent politically active and highly influential Jews and/or radical Zionists including Shimon Peres, Tzipi Livni, George W. Bush, Rahm Emanuel, Jane Harman, Madeleine Albright, William Cohen, Charles Krauthammer, etc. etc. etc. Rather, World Jewry is engaged in an organized international Jewish campaign to defeat official recognition of the Armenian Genocide, which campaign is led by the highest officials of the "Jewish State" itself, a racist apartheid nation which is 20% Arab, and Jews and Zionist Gentiles at the highest levels of the American Government. Armenian Genocide denial is promoted by the Doenmeh in Turkey and other Turkish Jews.

Armenians should take their fate into their own hands and stop looking to organized Jewry to

accomplish for them what they can accomplish for themselves by instead pointing a finger at Jewry and declaring, "*J'accuse!*"

How Einstein Helped Hitler

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Albert Einstein was a racist Zionist. He believed that anti-Semitism was good for the Jewish "race" because it promoted segregation and separated Jews from the, to use his word, "*Goyim*".

John Stachel wrote,

"While he lived in Germany, however, Einstein seems to have accepted the

then-prevalent racist mode of thought, often invoking such concepts as 'race' and 'instinct,' and the idea that the Jews form a race."— J. Stachel, "Einstein's Jewish Identity", *Einstein from 'B' to 'Z'*, Birkhaeuser, Boston, Basel, Berlin, (2002), pp. 57-83, at 68.

Einstein helped Hitler and the Zionist Nazis by promoting the belief among Jews that anti-Semitism was the Jews' salvation. Einstein stated,

"I am neither a German citizen, nor is there in me anything that can be described as 'Jewish faith.' But I am happy to belong to the Jewish people, even though I don't regard them as the Chosen People. Why don't we just let the Goy keep his anti-Semitism, while we preserve our love for the likes of us?"—A. Einstein quoted in A. Foelsing, English translation by E. Osers, *Albert Einstein, a Biography*, Viking, New York, (1997), p. 494; which cites speech to the *Central-Verein Deutscher Staatsbuerger Juedischen Glaubens*, in Berlin on 5 April 1920, in D. Reichenstein, *Albert Einstein. Sein Lebensbild und seine Weltanschauung*, Berlin, (1932). This letter from Einstein to the Central Association of German Citizens of the Jewish Faith of 5 April 1920 is reproduced in *The Collected Papers of Albert Einstein*, Volume 9, Document 368, Princeton University Press, (2004).

Einstein also stated,

"The way I see it, the fact of the Jews' racial peculiarity will necessarily influence their social relations with non-Jews. The conclusions which—in

my opinion—the Jews should draw is to become more aware of their peculiarity in their social way of life and to recognize their own cultural contributions. First of all, they would have to show a certain noble reservedness and not be so eager to mix socially—of which others want little or nothing. On the other hand, anti-Semitism in Germany also has consequences that, from a Jewish point of view, should be welcomed. I believe German Jewry owes its continued existence to anti-Semitism."—

Albert Einstein, A. Engel translator, "How I became a Zionist", The Collected Papers of Albert Einstein, Volume 7, Document 57, Princeton University Press, (2002), pp. 234-235, at 235.

Einstein stated,

"Anti-Semitism will be a psychological phenomenon as long as Jews come in contact with non-Jews—what harm can there be in that? Perhaps it is due to anti-Semitism that we survive as a race: at least that is what I believe."—

Albert Einstein, English translation by A. Engel, The Collected Papers of Albert Einstein, Volume 7, Document 37, Princeton University Press, (2002), p. 159.

Einstein was not an original thinker. In fact, Einstein was an habitual and psychopathic plagiarist. His dreadful views on "race" and segregation were first iterated by such prominent Jews as Spinoza and Theodor Herzl. They were cliches among racist Zionists.

In 1896, racist Zionist Theodor Herzl wrote his widely read book *The Jewish State*,

"Great exertions will not be necessary to spur on the movement. Anti-Semites provide the requisite impetus. They need only do what they did before, and then they will create a love of emigration where it did not previously exist, and strengthen it where it existed before. [***] I imagine that Governments will, either voluntarily or under pressure from the Anti-Semites, pay certain attention to this scheme; and they may perhaps actually receive it here and there with a sympathy which they will also show to the Society of Jews."— T. Herzl, *A Jewish State: An Attempt at a Modern Solution of the Jewish Question*, The Maccabaean Publishing Co., New York, (1904), pp. 68, 93.

Einstein stated in 1938,

"JUST WHAT IS A JEW?

The formation of groups has an invigorating effect in all spheres of human striving, perhaps mostly due to the struggle between the convictions and aims represented by the different groups. The Jews, too, form such a group with a definite character of its own, and anti-Semitism is nothing but the antagonistic attitude produced in the non-Jews by the Jewish group. This is a normal social reaction. But for the political abuse resulting from it, it might never have been designated by a special name.

What are the characteristics of the Jewish group? What, in the first place, is a Jew? There are no quick answers to this question. The most obvious answer would

be the following: A Jew is a person professing the Jewish faith. The superficial character of this answer is easily recognized by means of a simple parallel. Let us ask the question: What is a snail? An answer similar in kind to the one given above might be: A snail is an animal inhabiting a snail shell. This answer is not altogether incorrect; nor, to be sure, is it exhaustive; for the snail shell happens to be but one of the material products of the snail. Similarly, the Jewish faith is but one of the characteristic products of the Jewish community. It is, furthermore, known that a snail can shed its shell without thereby ceasing to be a snail. The Jew who abandons his faith (in the formal sense of the word) is in a similar position. He remains a Jew.

[***]

WHERE OPPRESSION IS A STIMULUS

[***]

Perhaps even more than on its own tradition, the Jewish group has thrived on oppression and on the antagonism it has forever met in the world. Here undoubtedly lies one of the main reasons for its continued existence through so many thousands of years."—A. Einstein, "Why do They Hate the Jews?", *Collier's*, Volume 102, (26 November 1938); reprinted in *Ideas and Opinions*, Crown, New York, (1954), pp. 191-198, at 194, 196. Einstein expressed himself in a similar way to Peter A. Bucky, P. A. Bucky, Einstein, and A. G. Weakland, *The Private Albert Einstein*, Andrews and McMeel, Kansas City,

(1992), p. 87.

Albert Einstein was parroting racist political Zionist leader Theodor Herzl, who wrote in his book *The Jewish State,*

"Oppression and persecution cannot exterminate us. No nation on earth has survived such struggles and sufferings as we have gone through. Jew-baiting has merely stripped off our weaklings; the strong among us were invariably true to their race when persecution broke out against them. This attitude was most clearly apparent in the period immediately following the emancipation of the Jews. Later on, those who rose to a higher degree of intelligence and to a better worldly position lost their communal feeling to a very great extent. Wherever our political well-being has lasted for any length of time, we have assimilated with our surroundings. I think this is not discreditable. Hence, the statesman who would wish to see a Jewish strain in his nation would have to provide for the duration of our political well-being; and even Bismarck could not do that. [***] The Governments of all countries scourged by Anti-Semitism will serve their own interests in assisting us to obtain the sovereignty we want. [***] Great exertions will not be necessary to spur on the movement. Anti-Semites provide the requisite impetus. They need only do what they did before, and then they will create a love of emigration where it did not previously exist, and strengthen it where it existed before. [***] I imagine that Governments will, either voluntarily or

under pressure from the Anti-Semites, pay certain attention to this scheme; and they may perhaps actually receive it here and there with a sympathy which they will also show to the Society of Jews."—T. Herzl, *A Jewish State: An Attempt at a Modern Solution of the Jewish Question*, The Maccabaean Publishing Co., New York, (1904), pp. 5-6, 25, 68, 93.

In 1938, Einstein stated in his essay "Our Debt to Zionism",

"Rarely since the conquest of Jerusalem by Titus has the Jewish community experienced a period of greater oppression than prevails at the present time. [***] Yet we shall survive this period too, no matter how much sorrow, no matter how heavy a loss in life it may bring. A community like ours, which is a community purely by reason of tradition, can only be strengthened by pressure from without."—A. Einstein, "Our Debt to Zionism", *Out of My Later Years*, Carol Publishing Group, New York, (1995), pp. 262-264, at 262.

Theodor Herzl wrote,

"What would you say, for example, if I did not deny there are good aspects of anti-Semitism? I say that anti-Semitism will educate the Jews. In fifty years, if we still have the same social order, it will have brought forth a fine and presentable generation of Jews, endowed with a delicate, *extremely sensitive* feeling for honor and the like."—Theodor Herzl, as quoted by Amos Elon, Herzl, Holt, Rinehart and Winston, New York, (1975), pp. 114-115.

Herzl wrote in his diary,

"the Pressburg anti-Semite Ivan von Simonyi [***] Loves me!"—T. Herzl, English translation by H. Zohn, R. Patai, Editor, *The Complete Diaries of Theodor Herzl*, Volume 1, Herzl Press, New York, (1960), p. 317.

Herzl also stated,

"In the beginning we shall be supported by anti-Semites through a *recrudescence of persecution (for I am convinced that they do not expect success and will want to exploit their 'conquest.')"**—T. Herzl, English translation by H. Zohn, R. Patai, Editor, *The Complete Diaries of Theodor Herzl*, Volume 1, Herzl Press, New York, (1960), p. 56.

Herzl believed,

"The anti-Semites will become our most dependable friends, the anti-Semitic countries our allies."—T. Herzl, English translation by H. Zohn, R. Patai, Editor, *The Complete Diaries of Theodor Herzl*, Volume 1, Herzl Press, New York, (1960), p. 84.

Herzl declared the virtue and justice, in his racist mind, of anti-Semitism,

"[W]e want to let respectable anti-Semites participate in our project [***] Present-day anti-Semitism can only in a very few places be taken for the old

religious intolerance. For the most part it is a movement among civilized nations whereby they try to exorcize a ghost from out of their own past. [***] The anti-Semites will have carried the day. Let them have this satisfaction, for we too shall be happy. They will have turned out to be right because they *are* right. They could not have let themselves be subjugated by us in the army, in government, in all of commerce, as thanks for generously having let us out of the ghetto. Let us never forget this magnanimous deed of the civilized nations. [***] Thus, anti-Semitism, too, probably contains the divine Will to Good, because it forces us to close ranks, unites us through pressure, and through our unity will make us free."— T. Herzl, English translation by H. Zohn, R. Patai, Editor, *The Complete Diaries of Theodor Herzl*, Volume 1, Herzl Press, New York, (1960), pp. 143, 171, 182, 231.

In 1897, Herzl told the First Zionist Congress,

"The feeling of communion, of which we have been so bitterly accused, had commenced to weaken when anti-Semitism attacked us. Anti-Semitism has restored it. We have, so to speak, gone home. Zionism is the return home of Judaism even before the return to the land of the Jews."—"The Zionist Congress: Full Report of the Proceedings", *The Jewish Chronicle*, (3 September 1897), pp. 10-15, at 11.

Racist Zionist Max Nordau wrote in 1905,

"Anti-Semitism has also taught many educated Jews the way back to their

people."—M. Nordau and G. Gottheil, *Zionism and Anti-Semitism*, Fox, Duffield & Company, (1905), p. 19.

Like Herzl, Einstein stated that Jews exercised undue influence in Germany. Einstein wrote in the *Juedische Rundschau*, on 21 June 1921, on pages 351-352,

"This phenomenon [*i. e.* Anti-Semitism] in Germany is due to several causes. Partly it originates in the fact that the Jews there exercise an influence over the intellectual life of the German people altogether out of proportion to their number. While, in my opinion, the economic position of the German Jews is very much overrated, the influence of Jews on the Press, in literature, and in science in Germany is very marked, as must be apparent to even the most superficial observer. This accounts for the fact that there are many anti-Semites there who are not really anti-Semitic in the sense of being Jew-haters, and who are honest in their arguments. They regard Jews as of a nationality different from the German, and therefore are alarmed at the increasing Jewish influence on their national entity. [***] But in Germany the judgement of my theory depended on the party politics of the Press[.]"—A. Einstein, "Jewish Nationalism and Anti-Semitism", *The Jewish Chronicle*, (17 June 1921), p. 16.

Einstein's Jewish racism made him disloyal to Germany and treacherous. On 8 July 1901, Einstein wrote,

"There is no exaggeration in what you said about the German professors. I have got to know another sad specimen of this kind — one of the foremost physicists of Germany."—A. Einstein to J. Winteler, English translation by A. Beck, *The Collected Papers of Albert Einstein*, Volume 1, Document 115, Princeton University Press, (1987), pp. 176-177, at 177.

Einstein wrote sometime after 1 January 1914,

"A free, unprejudiced look is not at all characteristic of the (adult) Germans (blinders!)."—A. Einstein, English translation by A. Beck, *The Collected Papers of Albert Einstein*, Volume 5, Document 499, Princeton University Press, (1995), pp. 373-374, at 374.

After the First World War, Einstein and some of his friends alluded to much earlier conversations with Einstein, where he had correctly predicted the eventual outcome of the war. In his diaries, Romain Rolland recorded his conversations with Einstein in Switzerland at their meeting of 16 September 1915,

"What I hear from [Einstein] is not exactly encouraging, for it shows the impossibility of arriving at a lasting peace with Germany without first totally crushing it. Einstein says the situation looks to him far less favorable than a few months back. The victories over Russia have reawakened German arrogance and appetite. The word 'greedy' seems to Einstein best to characterize Germany. [***] Einstein does not expect any renewal of

Germany out of itself; it lacks the energy for it, and the boldness for initiative. He hopes for a victory of the Allies, which would smash the power of Prussia and the dynasty. . . . Einstein and Zangger dream of a divided Germany—on the one side Southern Germany and Austria, on the other side Prussia. [***] We speak of the deliberate blindness and the lack of psychology in the Germans."—R. Romain, *La Conscience de l'Europe*, Volume 1, pp. 696ff. English translation from A. Foelsing, *Albert Einstein: A Biography*, Viking, New York, (1997), pp. 365-367. *See also:* Letter from A. Einstein to R. Romain of 15 September 1915, *The Collected Papers of Albert Einstein*, Volume 8, Document 118, Princeton University Press, (1998); *and* Letter from A. Einstein to R. Jews often sought to Balkanize nations so as to weaken the power of any faction within a nation and to create perpetual agitation between the nations which could be exploited for profit and other Jewish gains. For example, the Rothschilds created the American Civil War and profited from the debts it generated. They hoped to divide America into two nations and to pit these against one another. They were successful. Jews had long been pitting North German Protestants against South German and Austrian Catholics. Jews were the motive force behind the *Kulturkampf*. After creating these divides and promoting perpetual agitations amongst neighbors, Jewry could then fund one side against the other to destroy it whenever Jewry decided to wreck a given nation.

Einstein's dreams during the First World War remind one of the "Carthaginian Peace" of the Henry Morgenthau, Jr. plan for the destruction of Germany following the Second World War. Morgenthau worked with Lord Cherwell (Frederick Alexander Lindemann), Churchill's friend and advisor, who planned to bomb German civilian populations into submission. Lindemann studied under Einstein's friend, Walther Nernst, who worked with Fritz Haber, a Jewish developer of poisonous gas. James Bacque argues that the Allies, under the direction of General Eisenhower, starved hundreds of thousands, if not millions of German prisoners of war to death. [J. Bacque, *Other Losses: An Investigation into the Mass Deaths of German Prisoners at the Hands of the French and Americans after World War II*, Stoddart,Toronto, (1989).]

Einstein often spoke in genocidal and racist terms against Germany, and for the Jews and England, and he betrayed Germany before, during and after the war. Einstein's Jewish treachery and that of other such Jewish traitors as Georg Bernhard, Theodor Wolff and Maximilian Harden, who "stabbed Germany in the back" during and after World War I, led to Hitler's rise to power. Einstein wrote to Paul Ehrenfest on 22 March 1919,

"[The Allied Powers] whose victory during the war I had felt would be by far the lesser evil are now proving to be *only slightly* the lesser evil. [***] I get most joy from the emergence of the Jewish state in Palestine. It does seem to me that our kinfolk really are more sympathetic (at least less brutal) than these horrid Europeans. Perhaps things can only improve if only the Chinese are left, who refer to all Europeans with the collective noun 'bandits.'"—

Letter from A. Einstein to Paul Ehrenfest of 22 March 1919, English translation by A. Hentschel, *The Collected Papers of Albert Einstein*, Volume 9, Document 10, Princeton

Univsersity Press, (2004), pp. 9-10, at 10.

While responsible people were trying to preserve some sanity in the turbulent period following World War I, racist Zionists including Albert Einstein sought to validate and encourage the racism of anti-Semites. The Dreyfus Affair taught them that anti-Semitism had a powerful effect to unite Jews around the world.

The Zionists were afraid that the "Jewish race" was disappearing through assimilation. They wanted to use anti-Semitism to force the segregation of Jews from Gentiles and to unite Jews, and thereby preserve the "Jewish race". They hoped that if they put a Hitler-type into power—as Zionists had done in the past, they could use him to herd up the Jews of Europe and force these Jews into Palestine against their will. This would also help the Zionists to inspire distrust of, and contempt for, Gentile government, while giving the Zionists the moral high-ground in international affairs, despite the fact that the Zionists were secretly behind the atrocities.

Albert Einstein wrote to Max Born on 9 November 1919. In this letter, Einstein encouraged anti-Semitism and advocated segregation (one must wonder what role Albert's increasing racism played in his divorce from Mileva Maric, who was a Gentile Serb whom Einstein's racist mother hated),

"Antisemitism must be seen as a real thing, based on true hereditary qualities, even if for us Jews it is often unpleasant. I could well imagine that I myself would choose a Jew as my companion, given the choice. On the other hand I would consider it reasonable for the Jews themselves to collect

the money to support Jewish research workers outside the universities and to provide them with teaching opportunities."—M. Born, *The Born-Einstein Letters*, Walker and Company, New York, (1971), p. 16.

In 1933, the Zionists publicly declared their allegiance to the Nazis. They wrote in the *Juedische Rundshau* on 13 June 1933,

"Zionism recognizes the existence of the Jewish question and wants to solve it in a generous and constructive manner. For this purpose, it wants to enlist the aid of all peoples; those who are friendly to the Jews as well as those who are hostile to them, since according to its conception, this is not a question of sentimentality, but one dealing with a real problem in whose solution all peoples are interested."—English translation in: K. Polkehn, "The Secret Contacts: Zionism and Nazi Germany, 1933-1941", *Journal of Palestine Studies*, Volume 5, Number 3/4, (Spring-Summer, 1976), pp. 54-82, at 59.

On 21 June 1933, the Zionists issued a declaration of their position with respect to the Nazi regime, in which they expressed a belief in the legitimacy of the Nazis' racist belief system and condemned anti-Fascist forces. Einstein's close friend and collaborator Michele Besso wrote that it might have been Albert Einstein's racism and bigotry which caused him to separate from his first wife Mileva Maric in 1914. Besso wrote to Einstein on 17 January 1928,

"[. . .]perhaps it is due in part to me, with my defense of Judaism and the Jewish family, that your family life took the turn that it did, and that I had to bring Mileva from Berlin to Zurich[.]"—English translation quoted from J. Stachel, "Einstein's Jewish Identity", *Einstein from 'B' to 'Z'*, Birkhaeuser, Boston, Basel, Berlin, (2002), pp. 57-83, at 78. Stachel cites M. Besso, A. Einstein, *Correspondance, 1903-1955*, Hermann, Paris, (1972), p. 238.

The hypocrisy of racist Zionists often manifested itself. Einstein was but one of many racist Zionist Jews who married a Gentile. As another example, consider the fact that racist Zionist Moses Hess was married to a Christian Gentile prostitute named Sybille Pritsch.

Einstein may have been affected by his mother's early racist opposition to his relationship with Maric. Another factor in the Einsteins' divorce was, of course, Albert's incestuous relationship with his cousin Else Einstein, and his desire to bed her daughters, as well as Albert's general promiscuity—some believe he was a syphilitic whore monger.

Albert Einstein opposed his sister Maja's marriage to the Gentile Paul Winteler on racist grounds and thought that they should divorce. Albert Einstein wrote to Michele Besso on 12 December 1919 and stated that,

"No mixed marriages are any good (Anna says: oh!)"—Letter from A. Einstein to M. Besso of 12 December 1919, English translation by A. Hentschel, *The Collected Papers of Albert Einstein*, Volume 9, Document 207, Princeton University Press, (2004), pp. 178-179, at 179.

Besso was married to a Gentile, Anna Besso-Winteler. Denis Brian wrote,

"When asked what he thought of Jews marrying non-Jews, which, of course, had been the case with him and Mileva, [Albert Einstein] replied with a laugh, 'It's dangerous, but then all marriages are dangerous.'"—D. Brian, *The Unexpected Einstein: The Real Man Behind the Icon*, Wiley, Hoboken, New Jersey, (2005), p. 42.

On 3 April 1920, Einstein wrote, criticizing assimilationist Jews,

"And this is precisely what he does *not* want to reveal in his confession. He talks about religious faith instead of tribal affiliation, of 'Mosaic' instead of 'Jewish' because the latter term, which is much more familiar to him, would emphasize affiliation to his tribe."—A. Einstein, English translation by A. Engel, *The Collected Papers of Albert Einstein*, Volume 7, Document 34, Princeton University Press, (2002), pp. 153-155, at 153.

After declaring that Jewish children segregate due to natural forces and that they are "different from other children", not due to religion or tradition, but due to genetic features and "heritage", Einstein continued his 3 April 1920 statement,

"With adults it is quite similar as with children. Due to race and temperament as well as traditions (which are only to a small extent of religious origin) they form a community more or less separate from non-Jews. [***] It is this basic community of race and tradition that I have in mind when I speak of 'Jewish nationality.' In my opinion, aversion to Jews is simply based upon the fact that Jews and non-Jews are different. [***] Where feelings are sufficiently vivid there is no shortage of reasons; and the feeling of aversion toward people of a foreign race with whom one has, more or less, to share daily life will emerge by necessity."—A. Einstein, English translation by A. Engel, *The Collected Papers of Albert Einstein*, Volume 7, Document 34, Princeton University Press, (2002), pp. 153-155, at 153-154.

Einstein made similar comments in a document dated sometime "after 3 April 1920". Einstein was in agreement with Philipp Lenard that a "Jewish heritage" (read for "heritage", "racial instinct") could be seen in intellectual works published by Jews. Einstein stated,

"The psychological root of anti-Semitism lies in the fact that the Jews are a group of people unto themselves. Their Jewishness is visible in their physical appearance, and one notices their Jewish heritage in their intellectual works, and one can sense that there are among them deep connections in their disposition and numerous possibilities of communicating that are based on the same way of thinking and of feeling.

The Jewish child is already aware of these differences as soon as it starts school. Jewish children feel the resentment that grows out of an instinctive suspicion of their strangeness that naturally is often met with a closing of the ranks. [***] [Jews] are the target of instinctive resentment because they are of a different tribe than the majority of the population."—A. Einstein, English translation by A. Engel, *The Collected Papers of Albert Einstein*, Volume 7, Document 35, Princeton University Press, (2002), pp. 156-157.

Albert Einstein often referred to Jews as "tribesmen" and Jewry as the "tribe". Fellow German Jew Fritz Haber was outraged at Albert Einstein's racist treachery and disloyalty. Einstein confirmed that he was disloyal and a racist, and was obligated,

"[. . .] to step in for my persecuted and morally depressed fellow tribesmen, as far as this lies within my power[.]"—A. Einstein quoted in: H. Gutfreund, "Albert Einstein and the Hebrew University", J. Renn, Editor, *Albert Einstein Chief Engineer of the Universe: One Hundred Authors for Einstein*, Wiley-VCH, Berlin, (2005), pp. 314-318, at 316.

Einstein bore no such loyalty to Germans, who had fed him and made him famous. In fact, Einstein wanted to exterminate Gentile Germans.

In a draft letter of 3 April 1920, Einstein wrote that children are conscious of "racial characteristics" and that this alleged "racial" gulf between children results in conflicts, which instill a sense of foreigness in the persecuted child. Einstein wrote,

"Unter den Kindern war besonders in der Volksschule der Antisemitismus lebendig. Er gruendete ich auf die den Kindern merkwuerdig bewussten Rassenmerkmale und auf Eindruecke im Religionsunterricht. Thaetliche Angriffe und Beschimpfungen auf dem Schulwege waren haeufig, aber meist nicht gar zu boesartig. Sie genuegten immerhin, um ein lebhaftes Gefuehl des Fremdseins schon im Kinde zu befestigen."—Letter from A. Einstein to P. Nathan of 3 April 1920, *The Collected Papers of Albert Einstein*, Volume 9, Document 366, Princeton University Press, (2004), p. 492. Also: *The Collected Papers of Albert Einstein*, Volume 1, Princeton University Press, (1987), p. *lx*, note 44.

Like Adolf Stoecker before him, [*See:* P. W. Massing, *Rehearsal for Destruction: A Study of Political Anti-Semitism in Imperial Germany*, Howard Fertig, New York, (1967), pp. 278-294.] Albert Einstein advocated the segregation of Jewish students. Peter A. Bucky quoted Albert Einstein,

"I think that Jewish students should have their own student societies. [***] One way that it won't be solved is for Jewish people to take on Christian fashions and manners. [***] In this way, it is entirely possible to be a civilized person, a good citizen, and at the same time be a faithful Jew who loves his race and honors his fathers."—P. A. Bucky, Einstein, and A. G. Weakland, *The Private Albert Einstein*, Andrews and McMeel, Kansas City, (1992), p. 88.

Einstein also stated,

"We must be conscious of our alien race and draw the logical conclusions from it. [***] We must have our own students' societies and adopt an attitude of courteous but consistent reserve to the Gentiles. [***] It is possible to be [***] a faithful Jew who loves his race and honours his fathers."—A. Einstein, *The World As I See It*, Citadel, New York, (1993), pp. 107-108.

Einstein had a reputation as a rabid anti-assimilationist. He was an ardent Jewish segregationist. Here again Einstein merely parroted the racist anti-assmilationism of his Zionist predecessors, like Solomon Schechter who dreaded assimilation more than pogroms—and one notes that Zionists encouraged pogroms in order to discourage assimilation.

Others repeated Theodor Herzl's theme, that Jews could not assimilate, because the presence of Jews in a host nation ultimately led to anti-Semitism due to Jewish parasitism—according to Herzl. Hilaire Belloc was a strong advocate of the view that Jews should not integrate. Belloc published a book on the subject entitled *The Jews* in 1922, and expressed similar convictions in *G. K.'s Weekly* in the 1930's. Belloc wrote biographies of men who had fallen under the influence of Zionists, like Oliver Cromwell and Napoleon. Belloc, however, was strongly opposed to Nazism. Douglas Reed took a similar Zionist stance on the alleged unassimilability of Jews in the late 1930's, though he later opposed Zionism. [*See:* D. Reed, *Disgrace Abounding*, Jonathan Cape, London, (1939).]

Racist Zionist Solomon Schecter stated, in harmony with numerous political Zionists, though in opposition to the vast majority of Jews,

"It is this kind of assimilation [the death of a "race" through integration], with the terrible consequences indicated, that I dread most; even more than pogroms."—S. Schechter, *Zionism: A Statement*, Federation of American Zionists, New York, (1906); reprinted in the relevant part in A. Hertzberg, *The Zionist Idea*, Harper Torchbooks, New York, (1959), p. 507.

On 15 March 1921, Kurt Blumenfeld wrote to Chaim Weizmann,

"Einstein [***] is interested in our cause most strongly because of his revulsion from assimilatory Jewry."—J. Stachel, *Einstein from 'B' to 'Z'*, Birkhaeuser, Boston, (2002), p. 79, note 41.

Einstein stated in 1921,

"To deny the Jew's nationality in the Diaspora is, indeed, deplorable. If one adopts the point of view of confining Jewish ethnical nationalism to Palestine, then one, to all intents and purposes, denies the existence of a Jewish people. In that case one should have the courage to carry through, in the quickest and most complete manner, entire assimilation. We live in a time of intense and perhaps exaggerated nationalism. But my Zionism does not exclude in me cosmopolitan views. I believe in the actuality of Jewish nationality, and I believe that every Jew has duties towards his coreligionists. [***] [T]he principal point is that Zionism must tend to strengthen the dignity and self-respect of the Jews in the Diaspora. I have

always been annoyed by the undignified assimilationist cravings and strivings which I have observed in so many of my friends."—A. Einstein, "Jewish Nationalism and Anti-Semitism", *The Jewish Chronicle*, (17 June 1921), p. 16.

In 1921, Einstein declared, referring to Eastern European Jews,

"These men and women retain a healthy national feeling; it has not yet been destroyed by the process of atomisation and dispersion."—J. Stachel, "Einstein's Jewish Identity", *Einstein from 'B' to 'Z'*, Birkhaeuser, Boston, (2002), p. 65. Stachel cites, *About Zionism: Speeches and Letters*, Macmillan, New York, (1931), pp. 48-49. For Zionist Ha-Am's use of the image of atomisation and dispersion, *see:* A. Hertzberg, *The Zionist Idea*, Harper Torchbooks, New York, (1959), p. 276.

On 1 July 1921, Einstein was quoted in the *Juedische Rundshau* on page 371,

"Let us take brief look at the *development of German Jews* over the last hundred years. With few exceptions, one hundred years ago our forefathers still lived in the Ghetto. They were poor and separated from the Gentiles by a wall of religious tradition, secular lifestyles and statutory confinement and were confined in their spiritual development to their own literature, only relatively weakly influenced by the forceful progress which intellectual life in Europe had undergone in the Renaissance. However, these little noticed, modestly living people had one thing over us: *Every one of them belonged with all his heart to a community*, into which he was incorporated, in which

he felt a worthwhile member, in which nothing was asked of him which conflicted with his normal processes of thought. Our forefathers of that era were pretty pathetic both bodily and spiritually, but—in social relations—in an enviable state of mental equilibrium. Then came emancipation. It offered undreamt of opportunities for advancement. The isolated individual quickly found their way into the upper financial and social circles of society. They eagerly absorbed the great achievements of art and science which the Occidentals had created. They contributed to the development with passionate affection, and themselves made contributions of lasting value. They thereby took on the lifestyle of the Gentile world, turning away from their religious and social traditions in growing masses—took on Gentile customs, manners and mentality. It appeared as if they were being completely dissolved into the numerically superior, politically and culturally better organized host peoples, such that no trace of them would be left after a few generations. The complete eradication of the Jewish nationality in Middle and Western Europe appeared to be inevitable. However, it didn't turn out that way. It appears that racially distinct nations have instincts which work against interbreeding. The adaptation of the Jews to the European peoples among whom they have lived in language, customs and indeed even partially in religious practices *was unable to eliminate all feelings of foreigness* which exist between Jews and their European host peoples. In short, this spontaneous feeling of foreigness is ultimately due to a loss of energy. For this reason, *not even well-meant arguments can*

***eradicate it*. Nationalities do not want to be mixed together, rather they want to go their own separate ways. A state of peace can only be achieved by mutual tolerance and respect."—**

Einstein stated that Jews should not participate in the German Government,

"I regretted the fact that [Rathenau] became a Minister. In view of the attitude which large numbers of the educated classes in Germany assume towards the Jews, I have always thought that their natural conduct in public should be one of proud reserve."—R. W. Clarck, *Einstein, the Life and Times*, World Publishing Company, USA, (1971), p. 292. Clarck refers to: *Neue Rundschau*, Volume 33, Part 2, pp. 815-816.

Einstein merely parroted the Zionist Party line. Werner E. Mosse wrote,

"While the leaders of the CV saw it as their special duty to represent the interests of the German Jews in the active political struggle, Zionism stood for. . . systematic Jewish non-participation in German public life. It rejected as a matter of principle any participation in the struggle led by the CV."—W. E. Mosse, "Die Niedergang der deutschen Republik und die Juden", *The Crucial Year 1932*, p. 38; English translation in: K. Polkehn, "The Secret Contacts: Zionism and Nazi Germany, 1933-1941", *Journal of Palestine Studies*, Volume 5, Number 3/4, (Spring-Summer, 1976), pp. 54-82, at 56-57.

In 1925, Einstein wrote in the official Zionist organ *Juedische Rundschau*,

"By study of their past, by a better understanding of the spirit [Geist] that accords with their race, they must learn to know anew the mission that they are capable of fulfilling. [***] What one must be thankful to Zionism for is the fact that it is the only movement that has given many Jews a justified pride, that it has once again given a despairing race the necessary faith, if I may so express myself, given new flesh to an exhausted people."—English translation by John Stachel in J. Stachel, "Einstein's Jewish Identity", *Einstein from 'B' to 'Z'*, Birkhaeuser, Boston, (2002), p. 67. Stachel cites, "Botschaft", *Juedische Rundschau*, Volume 30, (1925), p. 129; French translation, *La Revue Juive*, Volume 1, (1925), pp. 14-16.

On 12 October 1929, Albert Einstein wrote to the *Manchester Guardian*,

"In the re-establishment of the Jewish nation in the ancient home of the race, where Jewish spiritual values could again be developed in a Jewish atmosphere, the most enlightened representatives of Jewish individuality see the essential preliminary to the regeneration of the race and the setting free of its spiritual creativeness."—J. Stachel, "Einstein's Jewish Identity", *Einstein from 'B' to 'Z'*, Birkhaeuser, Boston, (2002), p. 65. Stachel cites, *About Zionism: Speeches and Letters*, Macmillan, New York, (1931), pp. 78-79.

Einstein's public racism eventually waned, but he continued to publicly express his

segregationist philosophy in the same terms as anti-Semites, as well as his belief that Jews "thrived on" and owed their "continued existence" to anti-Semitism. Einstein stated in December of 1930 to an American audience,

"There is something indefinable which holds the Jews together. Race does not make much for solidarity. Here in America you have many races, and yet you have the solidarity. Race is not the cause of the Jews' solidarity, nor is their religion. It is something else—which is indefinable."—A. Einstein quoted in "Einstein on Arrival Braves Limelight for Only 15 Minutes", *The New York Times*, (12 December 1930), pp. 1, 16, at 16.

Einstein's confusing public statement perhaps resulted from his desire to promote multi-culturalism in America, which had the benefit of freeing up Jewish immigration to the United States. [*See:* E. A. Ross, *The Old World in the New: The Significance of past and Present Immigration to the American People*, Century Company, New York, (1914), p. 144.] Einstein was also likely parroting, or trying to parrot, a fellow anti-assimilationist political Zionist whose pamphlet was well known in America, Solomon Schechter and his *Zionism: A Statement*, Federation of American Zionists, New York, (1906), in which Schechter states, among other things,

"Zionism is an ideal, and as such is indefinable."—Reprinted in the relevant part in A. Hertzberg, *The Zionist Idea*, Harper Torchbooks, New York, (1959), p. 505.

Einstein avowed, circa 3 April 1920, that,

"If what anti-Semites claim were true, then indeed there would be nothing weaker, more wretched, and unfit for life, than the German people"—A. Einstein, English translation by A. Engel, *The Collected Papers of Albert Einstein*, Volume 7, Document 35, Princeton University Press, (2002), pp. 156-157.

Einstein often avowed that the anti-Semites' beliefs were true, and, hence, Einstein wished the Germans dead. When discussing the meaning of life, Einstein spoke to Peter A. Bucky about persons and creatures who "[do] not deserve to be in our world" and are "hardly fit for life." [P. A. Bucky, Einstein, and A. G. Weakland, *The Private Albert Einstein*, Andrews and McMeel, Kansas City, (1992), p. 111.]

Einstein's language is quite similar to the language of Hitler's "T4" "*Euthanasia-Programme*".

After siding with Germany's enemies in the First World War—while living in Germany, and after intentionally provoking Germans into increased anti-Semitism, which he thought was good for Jews, and after defaming German Nobel Prize laureates in the international press to the point where they felt obliged to join Hitler's cause, which cause eventually resulted in the genocide of Europe's Jews; Einstein sponsored the production of genocidal weapons to mass murder Germans, whom he had hated all of his life, in the famous letter to President Roosevelt that Einstein signed urging Roosevelt to begin the development of atomic bombs—before the mass murder of Jews had begun. [*Cf.* A. Unsoeld, "Albert Einstein — Ein Jahr danach", *Physikalische Blaetter*, Volume 36, (1980), pp.337-339; *and* Volume 37, Number 7, (1981), p. 229.]

Einstein callously asserted that the use of atomic bombs on civilian populations was "morally

justified". I quote Einstein without delving into the question of who first bombed civilian centers,

"It should not be forgotten that the atomic bomb was made in this country as a preventive measure; it was to head off its use by the Germans, if they discovered it. The bombing of civilian centers was initiated by the Germans and adopted by the Japanese. To it the Allies responded in kind—as it turned out, with greater effectiveness—and they were morally justified in doing so."—A. Einstein, "Atomic War or Peace", *Atlantic Monthly*, (November, 1945, and November 1947); *as reprinted in:* A. Einstein, *Ideas and Opinions*, Crown, New York, (1954), p. 125.

Einstein advocated genocidal collective punishment,

"The Germans as an entire people are responsible for these mass murders and must be punished as a people if there is justice in the world and if the consciousness of collective responsibility in the nations is not to perish from the earth entirely."—A. Einstein, "To the Heroes of the Battle of the Warsaw Ghetto", *Bulletin of the Society of Polish Jews*, New York, (1944), reprinted in *Ideas and Opinions*, Crown, New York, (1954), pp. 212-213.

Einstein also stated,

"It is possible either to destroy the German people or keep them suppressed; it is not possible to educate them to think and act along democratic lines in the foreseeable future."—A. Einstein, quoted in O. Nathan and H. Norton, *Einstein*

on Peace, Avenel Books, New York, (1981), p. 331.

Albrecht Foelsing has assembled a compilation of post-WW II quotations from Einstein, which evince Einstein's lifelong habit of stereotyping people based on their ethnicity. Einstein expressed his hatred to Max Born,

"With the Germans having murdered my Jewish brethren in Europe, I do not wish to have anything more to do with Germans, not even with a relatively harmless Academy. [***] The crimes of the Germans are really the most hideous that the history of the so-called civilized nations has to show. [***] [It was] evident that a proud Jew no longer wishes to be connected with any kind of German official event or institution. [***] After the mass murder committed by the Germans against my Jewish brethren I do not wish any publications of mine to appear in Germany."—A. Einstein quoted in A. Foelsing, *Albert Einstein: A Biography*, Viking, New York, (1997), pp. 727-728.

Einstein wrote to Born on 15 September 1950 that his views towards Germans predated the Nazi period,

"I have not changed my attitude to the Germans, which, by the way, dates not just from the Nazi period. All human beings are more or less the same from birth. The Germans, however, have a far more dangerous tradition than any of the other so-called civilized nations. The present behavior of these other nations towards the Germans merely proves to me how little

human beings learn even from their most painful experiences."—A. Einstein quoted in M. Born, *The Born-Einstein Letters*, Walker and Company, New York, (1971), p. 189.

On learning that Born would return to Germany, Einstein wrote on 12 October 1953,

"If anyone can be held responsible for the fact that you are migrating back to the land of the mass-murderers of our kinsmen, it is certainly your adopted fatherland — universally notorious for its parsimony."—A. Einstein quoted in M. Born, *The Born-Einstein Letters*, Walker and Company, New York, (1971), p. 199.

Einstein's statements and those of other like-minded racist Zionists threw fuel on the fire of Nazi Zionism, which was begun and ruled by crypto-Jews. The Einsteinian Zionist promotion of anti-Semitism is reflective of the spirit and tone enunciated in the *Protocols of the Learned Elders of Zion*, Number 9, which states,

"Nowadays, if any States raise a protest against us, it is only *pro forma* at our discretion, and by our direction, for their anti-Semitism is indispensable to us, for the management of our lesser brethren."—L. Fry, *Waters Flowing Eastward: The War Against the Kingship of Christ*, TBR Books, Washington, D. C., (2000), p. 137.

Banking Reforms, or Bank Bailouts? How the American People Will Suffer the Fate of the Third World If We Are Not Vigilant

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

I have observed several monetary reform movements in the "Patriot Community" which hype "banking reforms". These take two general forms. One proposes that we go on the "Gold Standard" and permit specie payments. The other proposes a fiat money system run by the government. Both, as commonly proposed, serve the interests of the bankers, and not the interests of the American People.

If we were to go on the Gold Standard, then we would first have to obtain the gold. This can only be done by borrowing the gold at interest, or confiscating it. If we borrow the gold needed to create the money supply, at interest, we cannot pay back the loan because we will have to borrow more gold simply to pay the interest on the debt, and we require the initial gold which we borrowed in order to have a money supply, in order to maintain the money supply.

In addition, the Gold Standard affords the bankers with the opportunity to hoard the gold and

ship it out of the country, causing deflation in America and inflation and positive growth in some other land or lands. The bankers would then be able to buy our goods, services and property at artificially low prices, and they would have the means to destroy our economy by restricting our money supply by melting and shipping off gold and by cutting back on loans. By simply holding gold and cutting back on loans, they would lose the interest on those loans, but would gain much greater benefits than their losses, from the reduced prices and foreclosures they would artificially manufacture.

Those pushing for a fiat money system, run by the government, would, on the face of it, appear to be working for the interests of the American People. However, they often state that we cannot and should not prosecute the bankers for their crimes against us, when that is exactly what we ought to do. They also protect the interests of the banks, not the People, by means of the mechanisms which they propose to put money into circulation, in effect bailing out the banks at the expense of the taxpayer. For example, one such group proposed that we pay off the national debt with debt free fiat money manufactured by the Federal Government.

This would cause massive inflation. Their "solution" is to bail out the banks and make the wealthy wealthier by paying off the national debt almost all at once, and the debts of the banks, with "government money", thereby passing on the debts the banks have created through fractional reserve banking onto the American taxpayer, much as the IMF and World Bank have passed along the debts of the Third World onto the American taxpayer, which useless and unproductive debts they deliberately created, and through which debts they profit.

This group justifies their proposal to bail out the banks as one means to contract the money supply, which they would grossly increase, by converting the fractional reserve system into one in which the banks would be required to maintain full reserves, but they accomplish this end by giving the banks the money with which to fill their reserves and freeing them of their criminal responsibility to pay back America the wealth they have fleeced from us through fractional reserve banking. In addition, this group would profit the bankers by paying off the debts which never should have accrued, and which were created by corrupt means. It is the wealthiest few who would profit from this system of paying off the national debt. They hold the title to it. This group who would be our "saviors" is no friend of the American People.

Another such group pushing for fiat money profits the bankers by paying off the national debt, granting the bankers immunity for their crimes, and giving the elite complete control over the issuance of money by means of putting government money into circulation on their terms. Always watch out for the proposals of our "saviors" and how they secure "our" debts with real assets, and how they propose that money be put into circulation. This is where you will find their true allegiance to the bankers.

For example, they will propose that debt free fiat money manufactured by the Federal Government be put into circulation by means of the government purchase of corporate bonds, or other such means which would provide their agents in the government with the ability to regulate business in America and provide them with a means to obtain inside information for the purposes of corrupt "speculation", which would no longer be speculation, but a rigged system. It is crucial for us to watch out for their proposed means of circulating money.

Watch how they protect the banks as a means of circulating money, and how they keep money out of the hands of the poor and middle class by proposing that it circulate through civil works projects, which appear on their face to be philanthropic. They appear to be philanthropists who propose that new money be circulated by giving it to local governments for projects which build infrastructure, etc.

However, they are in fact using the same corrupt means to fleece the American citizen that the World Bank and IMF used to fleece the Third World and the American taxpayer. They want to have the American People produce wasteful projects which profit them, not us, and to have us pay for their gains. It is a form of banker welfare, proposed as if philanthropic projects for Americans.

The Rothschilds raped the America People, and the Chinese and East Indians, in this very way in the 19th Century, having us pay for their railway systems and other projects, which were pitched to us as if philanthropic enterprises.

There are reasonable ways of introducing a fiat money system, but I do not intend to explore them here, rather, I wish to point out the traps which are being set for us by our "friends" and "saviors" in the "Patriot Movement". Much more needs to done than merely securing a stable debt free money supply. We need to recover monies which the bankers have stolen from us. We also need to distribute the wealth more equitably. We also need to improve the quality of our people and facilitate the growth of our economy in sustainable ways. Money is the grease, not the machine.

Hustlers in the "Patriot Movement" pitch us the snake oil panacea proposal that all our problems will be solved by simply reforming the banking system. They want to profit and immunize the banks in one way or another. We have to profit the American People and secure our future for generations to come, or we will be left as the Third World has been left, impoverished and debt ridden.

For example, we could reduce the tax burden by passing legislation which would make "social injustice" a cause of action for civil suit, quite literally instituting "class action law suits". Those who find themselves impoverished could sue the wealthy classes for damages. However, we ought to require that judgements for such claims take the form of interest bearing loans, which would compel the plaintiff-poor awarded judgements to perform certain equitable requirements meant to ensure their ability to pay back the loans to the wealthy-defendants. For example, the recipients of awards must make an honest effort to obtain work training and perform community service in order to receive payments, which will be obtained in judgements and held in trust to be distributed as the recipient becomes more productive and can put this capital to use with a reasonable expectation of success. They must also then make an honest effort to pay back the loans.

This system is a superior means of wealth transfer to taxation, in that; it taxes the wealthiest in order to provide justice to the poorest; it creates an incentive to the rich to improve the lot of the poor, and thereby reduce the rich elite's own burden, by providing the rich with a means to recoup their losses/investment through increasing the production and wealth of the poor so as to enable the poor to repay the loans; it prevents the creation of a welfare state; it creates an

incentive for the poor to become more productive and provides them with the means to do so; etc.

We also have to drive a stake through the heart of the Israeli fifth column which is destroying our nation. We should create exceptions to the provisions of the *ex post facto* defense, where it can be shown that the normal functions of government to protect the citizens from criminal activity were circumvented by individuals or organizations. For example, if the Israeli fifth column in the United States has lobbied or otherwise engaged in pressuring the Congress and/or the President to prevent legislation which was necessary to protect the interests of the American People, and there are then laws passed or civil suits filed which prosecute the Israeli fifth column for criminal behavior which was "legal" when committed, but which was known to the fifth column to be against the interests of Americans at large, as proven by their lobbying and other efforts, then the fifth column should not be entitled to claim *ex post facto* provisions as a defense.

The same exceptions should apply to their traitorous warmongering campaigns. The fifth column knew well what behaviors were proscribed by the standards of that which is in the interests of the American People, which is why they lobbied to short circuit the mechanisms of government in the first place. Therefore, it cannot legitimately be claimed that they lacked knowledge of that which is proscribed by law given that they deliberately corrupted the process of the dutiful creation and potential execution of the law.

This issue is crucial to securing our economic future. World Jewry is destroying our future with its usury which employs war as a means of generating debt.

We have to recapture our wealth from the bankers and we can do this through taxation, law suit and by making it an issue of national security. But we also have to better ourselves so that we are more competitive and productive as a nation. We have to provide incentives to rich and poor for the equitable distribution of wealth. We have to ensure that the bankers do not exploit us, as they have exploited the Third World, with their agents posing as if enemies of the banks but who propose "reforms" drafted by the bankers themselves.

Who Was Behind the Armenian Genocide?

Armenians Believe That Jews Made Turks and Armenians Hostile

Pawning Off America

China has a huge investment in American debt and American cash. This prompts the question.

Why are they not major players in the banking industry?

China produces a large quantity of stuff. They make money through production. They are not yet masters at making money with money, but they will soon have to learn this simple art.

What can the Chinese do with their dollar holdings and investment in American debt? If they simply start buying stuff with the paper they own, and purchase land, businesses, bonds, stocks, etc. and put that money directly into circulation before it becomes worthless, they will cause inflation and thereby diminish the value of their remaining dollar holdings. Add to that the fact that few things, at least as things stand at the moment, are as liquid as cash. But then it is better to convert dollars into something of value before it is too late, unless a means of protection can be found, such as adjustable rate loans secured with easily seized assets.

Heretofore, the Chinese have missed out on many potential profits to be derived from the cycle of loosely financing America's debt. They have allowed the Jewish bankers to glean these profits. As banks begin to fail, the Chinese will have the opportunity to fill the void that will be created in the credit markets. They will learn to control business cycles and to use them to monopolize markets and gain near total domination of the World's industrial production. By strategically loaning and then forcing foreclosures, they will takeover businesses, trade secrets, and entire industries.

Should the World sink into depression, and should the West and especially America turn to protectionism, the Chinese will lose many of their costumers abroad, but they will learn to ameliorate this condition by promoting consumerism at home, something the Communists have not yet tried, but which would be easy for them to do. From each according to his ability (at the point of a bayonet), to each according to his need—and a Communist government could make the citizens very needy and greedy, if it so chose. The Chinese will also learn how to colonize other nations and themselves profit from the protectionism meant to harm them.

There many reasons why we are still living higher on the hog than the Chinese. For example, China has missed out on the automobile industry and China has missed out on the banking business. China has not learned how to rob the Third World or take advantage of its consumers at home.

I suspect that China will have to learn to enter the banking industry in a substantial way. If we try to counter with protectionism, we risk inflation due to the higher cost of imports and the Chinese will dump our dollars causing more inflation and a precipitous drop in the value of the dollar. If we lower interest rates to ease credit, we again face similar problems and set ourselves up for a doomsday drop in the near future.

I guess that the Chinese will cast out a safety net of loans of their dollar holdings directly to the American People, which will harvest in more of our wealth, earn the Chinese a place in the world of international finance, and afford the Chinese with the opportunity to take advantage of more of the profits to be derived from their trade with us and the use of credit in that trade. They will have to play a more intelligent role in the control of our money supply than simply buying debt without profiting from the many mechanisms of debt.

We have to start fighting back against the Israeli fifth column which is destroying us from within and without, and we have to more equitably distribute wealth to our People. If we could only persuade Americans to take this course of action, we can rescue ourselves, repair the damage Israel has done to us, and emerge stronger than ever before, freed from the yoke Jacob has placed on our neck as we plow our fields for his profit.

Jewish Zionist Jane Harman Convenes a Sanhedrin in Congress in Order to Trick Americans into Clamoring for the Loss of Their Liberty

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Jane Harman bashed Islam and promoted her witch hunt legislation H.R. 1955: Violent Radicalization and Homegrown Terrorism Prevention Act of 2007. C-Span caught the spectacle on video:

Use of the Internet by Terrorists

Note that her experts reveal that their goals are to infiltrate and sow the seeds of discord in internet groups they would target. Note also that the claim is made that video rankings are artificially moved up and down to promote certain videos and to suppress the videos they want to suppress. Note further that shills are used to degrade people and points of view they wish to suppress. Note still further that Harman's legislation is already being used to degrade Moslems and to generate fear of Islam, especially when Jews like Adam Gadahn are the spokesmen for

the forces she opposes. World Jewry creates terrorism and then proposes the loss of liberty and government intrusion as the solution to terrorism.

On 25 October 2007, I predicted this would happen:

Jewish Bolshevik Witch Hunt Laws

"The 8 Stages of Genocide" and Jewish Laws Which Stereotype Moslems as If Enemies of the State

The Protocols of the Learned Elders of Zion states, in Protocol 1,

"Our government, following the line of peaceful conquest, has the right to substitute for the horrors of war less noticeable and more efficient executions, these being necessary to keep up terror, which induces blind submission. A just but inexorable strictness is the greatest factor of governmental power. We must follow a program of violence and hypocrisy, not only for the sake of profit, but also as a duty and for the sake of victory."

Protocol 3 states,

"The modern constitutional scales will soon tip over, for we have set them inaccurately, thus insuring an unsteady balance for the purpose of wearing out their holder. The Goys thought it had been sufficiently strongly made and hoped that the scales would regain their equilibrium, but the holder—

the ruler—is screened from the people by his representatives, who fritter away their time, carried away by their uncontrolled and irresponsible authority. Their power, moreover, has been built up on terrorism spread through the palaces. Unable to reach the hearts of their people, the rulers cannot unite with them to gain strength against the usurpers of power. The visible power of royalty and the blind power of the masses, *separated by us*, have both lost significance, for separated, they are as helpless as the blind man without a stick.

To induce the lovers of authority to abuse their power, we have placed all the forces in opposition to each other, having developed their liberal tendencies towards independence. We have excited different forms of initiative in that direction; we have armed all the parties; we have made authority the target of all ambitions. We have opened the arenas in different states, where revolts are now occurring, and disorders and bankruptcy will shortly appear everywhere."

Protocol 7 states,

"In short, to sum up our system of shackling the Goy governments of Europe, we will show our power to one of them by assassination and terrorism, and should there be a possibility of all of them rising against us, we will answer them with American, Chinese, or Japanese guns."

Protocol 9 states,

"When we are enthroned we will substitute for the liberal words of our Masonic catchword, 'Liberty, Equality, and Fraternity,' another group of words expressing simply ideas, namely, 'the right of Liberty, the duty of Equality, the ideal of Fraternity.' Thus we will speak and. . . we shall have the goat by the horns. . . . *De facto*, we have already destroyed all governments except our own, although *de jure* there are still many left. At present, if any of the governments raises a protest against us, it is done only as a matter of form, and at our desire, and by our order, because *their anti-Semitism is necessary to enable us to control our smaller brothers*. I will not further explain this, as it has already been the object of numerous discussions.

In reality there are no obstacles before us. Our supergovernment exists under such extra-legal conditions that it is common to designate it by an energetic and strong word—a Dictatorship.

I can honestly state that at the present time we are lawmakers; we are the judges and inflict punishment; we execute and pardon; we, as the chief of all our armies, ride the leader's horse. We rule by indomitable will because we hold in our hands the fragments of a once strong party now subject to us. We possess boundless ambition, burning greed for merciless revenge, and bitter hatred.

From us emanates an all-embracing terror. People of all opinions and of all

doctrines are in our service; people who desire to restore monarchies, demagogues, socialists, communists, and other utopians. **We have had to put all of them to work; every one of them is undermining the last remnant of authority, is trying to overthrow all existing order. All the governments have been tortured by this procedure; they beg for peace, and for the sake of peace are prepared to make any sacrifice, but we will not give them peace until they recognize our international super-government openly and with submission.**

The masses have begun to demand the solution of the social problem by means of an international agreement. ***The division into parties has delivered all of them to us, because in order to conduct a party struggle money is required, and we have it all.***

We might fear the union of the intelligent power of the Goys' rulers with the blind power of the masses, but we have taken all measures against such a possibility. Between the two powers we have raised a wall in the form of mutual terror; thus the blind power of the people continues to be our support, and we alone will act as its leader and, naturally, we will direct it towards our goal.

[***]

You may say that there will be an armed rising against us if our plans are discovered prematurely; but in anticipation of this we have such a

terrorizing manoeuver in the West that even the bravest soul will shudder.

Underground passages will be established by that time in all capitals, from where they can be exploded, together with all their institutions and national documents."

Protocol 11 states,

"Any of these impressions would be detrimental to the prestige of the new constitution. It is necessary for us that, from the first moment of its proclamation, when the people are still dumbfounded by the accomplished revolution and are in a state of terror and surprise, they should realize we are so strong, so invulnerable, and so mighty that we shall in no case pay attention to them, and not only will we ignore their opinions and desires, but be ready to and capable of suppressing at any moment or place any sign of opposition with indisputable authority. We shall want the people to realize, that we have taken at once everything we wanted, and that we shall under no circumstances share our power with them. Then they will close their eyes to everything out of fear and will await further developments.

The Goys are like a flock of sheep—we are wolves.

Do you know what happens to sheep when wolves get into the fold?

They will also close their eyes to everything because we will promise to return to them all their liberties after the enemies of peace have been

subjugated and all the parties pacified.

Is it necessary to say how long they would have to wait for the return of their liberties?"

Is Russia's Constitutional Line of Succession Dmitri A. Medvedev's Death Warrant, or His Life Insurance Policy?

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

In a calm and dignified, if a bit starchy and unanimated address, Putin's nominee for President of Russia, Dmitri A. Medvedev, reciprocated and stated that he would appoint Vladimir Putin as Prime Minister of Russia. It was, after all, the gentlemanly thing to do, was it not?

My understanding, and I may be wrong on this, is that the Russian Constitution contains term limits which prevented Putin from again consecutively *running* for President, but do they not also prevent Putin from again *becoming* President? Perhaps not, since by way of appointment to Prime Minister by his slated successor, there is an interruption of his Presidency. This is an

important question, for, if I am correct, the Prime Minister of Russia is first in line to *become* President should Mr. Medvedev fall out of an airplane, or something, or simply resign or be forced out of office.

A really interesting question arises from all of this. What if Putin were, in the event President-to-be Medvedev could not fulfill his likely upcoming term, to claim both the Presidency and the Prime Ministry? Perhaps, Putin would remain as Prime Minister and the next in line of succession would succeed Medvedev as President?

What if Medvedev simply hands off the Presidency to Putin and Putin carries it to the goal line? No, that would be too obvious, I say with tongue in cheek. However, it is noteworthy that Putin chose a comparatively weak personality to succeed him, if only temporarily.

Mockingbirds, When Politicians / Intelligence Officials Write the News Israel's Voice Mysteriously Sounds

Christopher Jon Bjerknes

Who challenges the words of politicians, when they themselves write the news? Consider what Jewish Zionist Jane Harman has to say as she spins the news of the National Intelligence Estimate, which report exonerated Iran and vindicated the statements of Iranian President Mahmoud Ahmadinejad:

The Limits of Intelligence By PETER HOEKSTRA and JANE HARMAN

Recall that Zionist Harman sponsored the bill H.R. 1955: Violent Radicalization and Homegrown Terrorism Prevention Act of 2007.

Recall also that Zionist Harman recently sent a letter to Tom Lantos and Ileana Ros-Lehtinen asking that they not approve the Armenian Genocide Resolution.

Jewish Bankers Again Target Russia for Revolution

As Jewish bankers again take aim at Russia, we ought to recognize the danger of the situation for the Russian People, and the American People. History teaches us that Jewish leaders are capable of treachery and genocidal murder, the scale of which can only be understood by examining the facts. Many Americans have wondered how the tragedy of the Soviet Union and the Red Terror could possibly have occurred, when the World could so easily have stopped the criminals, so few were they. But the World let the Jews of Russia mass murder and enslave the Russian People and then the other peoples of Eastern Europe.

History is repeating itself. Ask yourself what you and your government, your neighbors, your press, your church. . . what is anyone outside of Russia doing to stop the attack on Russia?

The attempted Russian Revolution of 1905 was widely known at the time to have been the work of Jews, and many Jews took great pride in that fact. For example, *The Maccabean* of London wrote in an article entitled "A Jewish Revolution" on page 250 in November of 1905,

"The revolution in Russia is a Jewish revolution, a crisis in Jewish history. It is a Jewish revolution because Russia is the home of about half the Jews of the world, and an overturning of its despotic government must have a very important influence on the destinies of the millions living there and on the many thousands who have recently emigrated to other countries. But the revolution in Russia is a Jewish revolution also because Jews are the most

active revolutionists in the Tsar's empire."—As quoted in: L. Fry, *Waters Flowing Eastward: The War Against the Kingship of Christ*, TBR Books, Washington, D. C., (2000), p. 40.

William Eleroy Curtis delivered an address to the National Geographic Society on 14 December 1906, in which he stated, among other things,

"THE VENGEANCE OF THE JEWS

Perhaps these reforms are the cause of the present tranquility, because the revolutionary leaders nearly all belong to the Jewish race and the most effective revolutionary agency is the Jewish Bund, which has its headquarters at Bialystok, where the massacre occurred last June. The government has suffered more from that race than from all of its other subjects combined. Whenever a desperate deed is committed it is always done by a Jew, and there is scarcely one loyal member of that race in the entire Empire. The great strike which paralyzed the Empire and compelled the Czar to grant a constitution and a parliament was ordered and managed by a Jew named Krustaleff, president of the workingmen's council, a young man only thirty years old. He was sent to the penitentiary for life, and had not been behind the bars more than three weeks when he organized and conducted a successful strike of the prison employees.

Maxim, who organized and conducted the revolution in the Baltic provinces, is a Jew of marvelous ability. Last fall he came over here lecturing and

collecting money to carry on the revolutionary campaign, but for some reason has vanished and nobody seems to know what has become of him.

Gerschunin, the most resourceful leader of the terrorists, who was condemned to life imprisonment in the silver mines on the Mongolian frontier, has recently escaped in a water cask, and is supposed to be in San Francisco. He is a Polish Jew only twenty-seven years old. I might enumerate a hundred other revolutionary leaders and every one of them would be a Jew. Wherever you read of an assassination or of the explosion of a bomb you will notice in the newspaper dispatches that the man was a Jew. The most sensational and dramatic episode that has occurred since the mutinies was on October 27, when, in the very center of Saint Petersburg, at the entrance of Kazan Cathedral, four Jews held up a treasury wagon and captured $270,000. They passed the package to a woman, who instantly vanished, and no trace of her has ever been found; but they were all arrested and were promptly punished. On the 8th of November a few Jewish revolutionaries entered a treasury car near Ragow, in Poland, got $850,000 and disappeared.

Every deed of that kind is done by Jews, and the massacres that have shocked the universe, and occurred so frequently that the name 'pogrom' was invented to describe them, were organized and managed by the exasperated police authorities in retaliation for crimes committed by the

Jewish revolutionists."—W. E. Curtis, "The Revolution in Russia", *The National Geographic Magazine*, Volume 18, Number 5, (May, 1907), pp. 302-316, at 313-314.

In preparation for the 1905 revolution, the Jewish bankers manufactured a war between Russia and Japan. They had long been conducting an economic war against Russia, which weakened the nation. The bankers wanted to further weaken Russia with war in order to make it frail and ripe for revolution, and to drive it deeper into debt and to collapse the economy. Their near absolute control over the international press enabled them to blame the Czar for all of the problems which the Jewish bankers were deliberately causing the Russian People. They pitted the World against Russia, and turned the Russian People against the Russian Government and scapegoated the Czar for Jewish crimes.

The German-Jewish banker Jacob H. Schiff was the most prominent representative of the Rothschild syndicate in its war on the Russian People. Schiff implemented their plan to destroy Russia. The ties between the Rothschilds and Schiffs went back to the Jewish Ghetto in Frankfurt, Germany, where they shared a residence. The Schiffs are still prominent in America.

Russia supported the Union in the American Civil War and subverted the Rothschilds' plan to divide America into two opposing nations which the bankers could perpetually pit against one another, as they had done to the nations of Europe. Czarist Russia was a tested and proven ally of the United States.

Jacob H. Schiff worked against American interests and destroyed America's faithful Civil War ally, Czarist Russia. John Hays Hammond gave testimony to the fact that Jewish bankers had

ruined Russia in the Russo-Japanese war, in *The New York Times* on 18 November 1911, on page 2,

"I, however, convinced them that there was no lack of friendliness toward Russians on the part of Americans, who remembered Russia's friendship to us at the time of our civil war. [***] Mr. Jacob H. Schiff has done more to accentuate the troubles of his co-religionists in Russia than any other one man, because of his boastful statement that the money of Jewish bankers had made it possible for Japan to wage a successful war against Russia."—

In *The New York Times* on 24 March 1917 on pages 1-2, George Kennan explained how Jacob Schiff assisted Russia's enemies and how Schiff financed and trained Russian revolutionaries —

note that Japan and the Soviet State which Schiff created became virulent enemies of the United States, enemies who came to power under Jacob Schiff's tutelage and financial patronage—note that Jewish bankers created the enemies of the United States and financed their wars against Americans,

"PACIFISTS PESTER TILL MAYOR CALLS THEM TRAITORS

Socialists at Carnegie Hall Fail to Make Russian Celebration a Peace Meeting.

RABBI WISE READY FOR WAR

Sorry We Cannot Fight with the German People to Overthrow Hohenzollerism.

KENNAN RETELLS HISTORY

Relates How Jacob H. Schiff Financed Revolution Propaganda in Czar's Army.

The most violent clash between patriots and pacifists that has occurred in New York City since relations were broken with Germany marked the celebration of the Russian revolution held last night in Carnegie Hall. It was precipitated by Mayor Mitchel, whose declaration that we were about to go to war in behalf of the same kind of democracy that had freed Russia was met with a determined demonstration by pacifists, evidently previously organized, which threatened for a time to break up the meeting.

After the uproar had lasted for fifteen minutes, the Mayor, white with anger, stepped to the edge of the stage and shouted:

'This country is on the verge of war—' A loud chorus of 'No' greeted him, but above the tumult he made his voice heard with: 'And I say to you in the galleries that tonight we are divided into only two classes—Americans and traitors!'

'I hope they put you in the first ranks,' shouted a leader of the pacifists.

'You do me the greatest honor,' replied the Mayor, and the applause which followed, coupled with the ejection of some of the trouble makers, gave the Mayor's supporters the majority.

The meeting started in orderly fashion. The century old fight of Russian revolutionists was pictured in glowing words, matched by the promise of the

Russia to be.

On the front of the speaker's stand hung a pair of leg irons, from a Siberian prison. They were unlocked. An authority on Russian affairs, George Kennan, told of how a movement by the Society of the Friends of Russian Freedom, financed by Jacob H. Schiff, had at the time of the Russo-Japanese war spread among 50,000 Russian officers and men in Japanese prison camps the gospel of the Russian revolutionists. 'And,' said Mr. Kennan, 'we know how the army helped the Duma in the bloodless revolution that made the new Russia last week.'

The galleries were largely filled with Socialists, downstairs an admission fee had been charged and the crowd was more orderly until awakened by the protestations of the pacifists.

Mayor Mitchel was introduced by Herbert Parsons, President of the Society of Friends of Russian Freedom, as a 'man of a race that has also struggled for freedom.' There were rumblings of trouble when a few voices in the galleries started to hoot the Mayor.

'We are gathered here,' the Mayor began, 'to celebrate the greatest triumph of democracy since the fall of the Bastile.' There were some cheers. 'America rejoices,' he said. 'How could she do otherwise when she sees power in Russia transferred from the few to the many, and in the country where there seemed the least hope of the cause of democracy triumphing.

'America, the great democracy, is proud tonight because democracy in Russia has supplanted the greatest oligarchy that remained on the face of the earth.' Then the Mayor stepped back and said:

'But I submit we have another reason to be proud. It is now inevitable, so far as human foresight can make a prediction, that the United States is to be projected into this world war and—'

'No! No!' rolled the chorus from the galleries.

There was quiet for an instant. Then the audience downstairs and in the boxes began to rise and a shout of 'Yes! Yes!' answered the galleries.

'The United States is for peace!' a voice from the gallery cried, and the tumult started anew. The ushers escorted some of the leaders of the disturbance out of the arena, and when the Mayor got partial order he said:

'We are to be projected into the war through no fault of ours, but because of conditions which have been thrust upon us—'

'No! No! No!' the galleries started again. Some one shouted an epithet at the Mayor, which brought, even from the galleries, shouts of 'Put him out! Choke him!'

'And when America does enter the contest,' shouted the Mayor, 'it will be to vindicate certain ideas as fundamental as those on which the Republic was builded, and among them will be the cause of democracy throughout the

world. Let us be glad that, instead of fighting side by side with autocratic Russia, we shall be fighting side by side with democratic Russia.'

It was at this point that the galleries became so demonstrative that Mr. Mitchel told them they must be Americans or traitors.

'You are for America or you are against her,' he said, and here the Mayor made an indirect reference to the accusations he made against Senator Wagner. 'You are for America or against her, whether in private life or in legislative halls,' he said.

The Mayor then left the hall, followed by shouts of condemnation and of praise.

When the tumult had died down Rabbi S. S. Wise, a worker for world peace but not an extreme pacifist, was introduced.

'I feel it is my duty to say one word in support [hisses] and in reply to the Mayor. I would have this great audience know that I believe the Mayor was right—[This brought shouts of 'No. You're as bad as he is.']

'I am here to talk, and I'm going to talk,' shouted the Rabbi. 'If you don't like what I say, go; I am going to stay. The Mayor is right when he says we are on the verge of war. I pray God it may not come, but if it does the blame will not rest upon us, but upon that German militarism, which may it be given to the German people to overthrow as the Romanoffs have been forever

overthrown.

'God knows we want peace. No man has ever fought and stood for peace as has Woodrow Wilson. [Cheers.] I do not believe that war is absolutely inevitable, but I thank God I am a citizen of a republic that has been patient.

'I am for peace, I say, but I would to God it were possible for us to fight side by side with the German people for the overthrow of Hohenzollernism.'

Then the rabbi praised the Russian revolution, but he ran into opposition when he said:

'At the risk of incurring the displeasure of those of you who have such bitter memories I hope that amnesty will be extended to the Czar himself. May God forgive the Czar.' [Shouts of 'No, never!'] 'May God forgive the monarch who never knew what mercy was.'

This was followed by shouts by a man in the gallery.

'I cannot forget,' continued the Rabbi, 'that I am a member and a teacher of a race of which half has lived in the domain of the Czar and as a Jew, I believe that of all the achievements of my people, none has been nobler than that part the sons and daughters of Israel have taken in the great movement which has culminated in the free Russia.'

It was after a review of the struggle of the Russian revolutionists, of whom he has been the leading American writer, that Mr. Kennan told of the work

of the Friends of Russian Freedom in the revolution.

He said that during the Japanese-Russian war he was in Tokio, and that he was permitted to make visits among the 12,000 Russian prisoners in Japanese hands at the end of the first year of the war. He told how they had asked him to give them something to read, and he had conceived the idea of putting revolutionary propaganda into the Russian Army.

The Japanese authorities favored it and gave him permission. Later he sent to America for all the Russian revolutionary literature to be had. He said that one day Dr. Nicholas Russell came to him in Tokio, unannounced, and said that he had been sent to help the work.

'The movement was financed by a New York banker you all know and love,' he said, referring to Mr. Schiff, 'and soon we received a ton and a half of Russian revolutionary propaganda. At the end of the war 50,000 Russian officers and men went back to their country ardent revolutionists. The Friends of Russian Freedom had sowed 50,000 seeds of liberty in 100 Russian regiments. I do not know how many of those officers and men were in the Petrograd fortress last week, but we do know what part the army took in the revolution.'

Mr. Parsons then arose and said:

'I will now read a message from White Sulphur Springs sent by the gentleman to whom Mr. Kennan referred.' This was the message:

'Will you say for me to those present at tonight's meeting how deeply I regret my inability to celebrate with the Friends of Russian Freedom the actual reward of what we had hoped and striven for those long years! I do not for a moment feel that if the Russian people have under their present leaders shown such commendable moderation in this moment of crisis they will fail to give Russia proper government and a constitution which shall permanently assure to the Russian people the happiness and prosperity of which a financial autocracy has so long deprived them.

'JACOB H. SCHIFF'

This message from President Wilson was read:

'The American Ambassador in Petrograd, acting under instructions from this Government, formally recognized the new Government of Russia. By this act the United States has expressed its confidence in the success of and its natural sympathy with popular government. WOODROW WILSON'

Vladimir Resnikoff, the blind Russian baritone, sang a number of folk songs and the Symphony Orchestra, directed by Nikolai Sokoloff played Tschaikowsky's Symphony No. 4 in F minor and other selections. Miss Lillian D. Wald delivered a eulogy of Mme. Catherine Breshkovskaya, the Russian revolutionist, who had visited this country and who is now in Siberia, to be brought back at the age of 70 years to see in Petrograd the

triumph of the cause for which she worked and suffered.

The following resolution was unanimously adopted:

***Resolved*, That the Mayor of the City of New York be requested to transmit the following cable to Professor Paul N. Milyoukoff, Minister of Foreign Affairs in the new Russian Government:**

'Citizens of New York having at the call of the Society of the Friends of Russian Freedom assembled in mass meeting at Carnegie Hall on this 23d day of March, 1917, extend their congratulations to the Russian people upon the success of the revolution in Russia, and express their admiration for those who in the years gone by and those who in recent days have fought so bravely for liberty. They convey their earnest wishes for Russia's complete realization of self-Government, and declare their conviction that it will mean enduring friendship and co-operation between the Governments and peoples of Russia and the United States of America.'

At the close of the meeting the pictures of the revolutionary leaders were shown upon a screen, together with a picture of George Grey Bernard's statue of Lincoln which is to be placed in Petrograd.

BREAK UP PACIFIST MEETING

Police Disperse Crowd Around Auto

of Orators in Wall Street.

The police stopped a pacifist street meeting in the Wall Street district yesterday afternoon after a big crowd had surrounded the speakers and had begun to dispute with them. Benjamin C. Marsh and other pacifist orators had been telling the crowd that the firm of J. P. Morgan & Co. and other financial interests were engineering a 'go-to-war' movement. Mr. Marsh spoke from an automobile.

'I am engaged in a fight against surrendering the Government to Wall Street,' he said. 'If the privileged class and their wealth were to be conscripted in case of war there would be no possibility of this country becoming involved.'

'What are you going to do about the German submarines?' some one in the crowd asked.

'I consider it more important to fight against special privileges than to engage in a war against poor, beaten Germany,' was the reply.

The crowd became unruly, and a police Lieutenant in charge of reserves made them move on before Mr. Marsh had finished speaking.

Dr. David Starr Jordan spoke against war yesterday at a meeting in Horace Mann Auditorium, Broadway and 120th Street, under the auspices of the

Collegiate Anti-Militarism League and the Institute of Arts and Sciences.

Dr. Jordan, the Rev. Judah L. Magnes, Morris Hillquit, Arthur Le Soeur, James P. Maurer, and others will speak at a mass meeting of the Emergency Peace Federation in Madison Square Garden tonight. John F. Moors, President of the Boston Associated Charities, yesterday joined the 'unofficial commission' which is trying to find 'a way out' without war."

Rabbi Stephen S. Wise had been a member of the "Anti-Militarism Committee" which was formed to combat the "cult of preparedness" that sought "to stampede the nation". [*See:* "Starts Open Fight Against Preparedness", *The New York Times*, (22 December 1915), p. 12.] He had been opposed to any talk of war, until war became a Jewish cause, until American intervention in the war became "good for the Jews", even though it remained very bad for America and humanity.

The New York Times reported on 30 December 1917 on page 4 in an article entitled "KAHN ASKS ARMY OF 6,000,000 MEN":

"Jacob H. Schiff said that it now appeared reasonably sure that, at the end of this war, nationalities formerly subject would be freed and that, among them, Palestine would be restored to the Jews. He said that, although there had been much disagreement among the Jews of the world as to what was desirable for their future, they were now nearing an agreement and were preparing for the restoration of the Jewish State. In this situation he said

that it was the duty of Jews to inquire into the reason why the Jewish nation had formerly fallen and been shattered, in order that the new Jewish State would stand. He asserted that their loss of country was originally due to their abandonment of their religion, and that a religious revival was the means of insuring the national future."

The Jewish Communal Register of New York City 1917-1918 wrote of Jacob H. Schiff,

"Schiff, Jacob Henry, was born in 1847, at Frankfort-on-the-Maine, Germany. He received his education in the schools of Frankfort. In 1865 he came to America, where he settled in New York City. Here, he joined the staff of a banking house. In 1873, he returned to Europe where he made connections with some of the chief German banking houses. Upon returning to the United States, he entered the banking firm of Kuhn, Loeb and Company, New York, of which he later became the head. His firm became the financial re-constructors of the Union Pacific Railroad, and since then is strongly interested in American railroads. Mr. Schiff's principle of 'community of interests' among the chief railway combinations led to the formation of the Northern Securities Company, thus suppressing ruinous competition. The firm of Kuhn, Loeb & Co., floated the large Japanese War loans of 1904-05, thus making possible the Japanese victory over Russia. Mr. Schiff is director of numerous financial companies, among them the Central Trust Company, Western Union Telegraph Company, the National State Bank of New York. He is also vice-president of the New York Chamber

of Commerce.

Mr. Schiff is widely known for his many philanthropic activities and for his interest in education. Of his numerous philanthropies only a few can be mentioned here. He founded the Chair in Social Economics at Columbia University; he presented the fund and the building for Semitic studies at Harvard, he is chairman of the East Asiatic Section of the Museum of Natural History of New York, which has sent out many expiditions for the study of Eastern history and conditions; he made donations to the various museums of the city, and presented the New York Public Library with a large number of works, dealing with Jewish subjects.

Mr. Schiff is the Jewish philanthropist par excellence. His philanthropies embrace every phase of the Jewish life. He is intensely interested in hospital work and is the president of the Montefiore Home, and a contributor to Mount Sinai Hospital and all other important Jewish hospitals of the city. He is profoundly interested in Jewish education and took a leading part in the reorganization of the Jewish Theological Seminary of America; he is also the founder of the Bureau of Education. In addition Mr. Schiff is trustee of the Baron de Hirsch Fund and the Woodbine Agricultural School. He has provided the building and funds for the Young Men's Hebrew Association of New York City.

Mr. Schiff has always used his wealth and his influence in the best interests

of his people. He financed the enemies of autocratic Russia and used his financial influence to keep Russia from the money market of the United States.

When last year, Mr. Schiff celebrated his seventieth birthday, all the factions of Jewry in the United States and elsewhere united in paying tribute to him."—*The Jewish Communal Register of New York City, 1917-1918*, Second Edition, Kehillah, New York, (1919), pp. 1009-1010 (In the First Edition at pp. 1018-1019).

Elinor Slater and Robert Slater wrote in their book *Great Jewish Men*,

"Schiff also served as a director or advisor for many banks, insurance firms, and other companies. He helped float loans to the American government as well as to foreign countries. The most important was the two-hundred-million-dollar bond issue for Japan at the time of the 1904-1905 Russo-Japanese War. Furious with the Russians over their anti-Semitic policies, Schiff called the czarist government 'the enemy of government.' He was pleased to support the Japanese in their war effort. He also encouraged an armed revolt against the Czar. When the Japanese won the war, Schiff was presented with the Second Order of the Treasure, becoming the first foreigner to receive an official medal at the imperial palace.

In 1910 Schiff was one of several Americans who campaigned to revoke a commercial treaty with the Russians over their mistreatment of Russian Jews. Although the Russians sought him out for loans as well, he was

steadfast in his refusals to grant them. Schiff made sure that no one else at Kuhn, Loeb underwrote Russian loans either. He did provide financial support for Russian-Jewish self-defense groups. It was only with the fall of the Czar in 1917 that Schiff dropped his opposition to underwriting the Russian government; he provided some support for the Kerensky government. But, angry at the Russians for refusing to honor the passports of American Jews, he successfully campaigned to abrogate the Russian-American Treaty of 1932. [***] During World War I Schiff and some of his American Jewish peers were assailed by the newer generations of Zionist leaning leaders for their indifference to Zionism. Schiff had indeed been a strong foe of Zionism, believing it a secular, nationalistic perversion of the Jewish faith and incompatible with American citizenship. He gave some funds to agricultural projects in Palestine, however, and by 1916 he had shifted his beliefs to be in favor of Zionist efforts, openly supporting the notion of a cultural homeland for Jews in Palestine."—E. Slater and R. Slater, "Jacob Schiff", *Great Jewish Men*, Jonathan David Publishers, New York, (2003), pp. 274-276, at 275-276.

Schiff sponsored the rabid Zionist Rabbi Judah Magnes. Schiff funded the Russian Revolution and funded the Japanese against the Russians in their war. Schiff obstructed the Russians' access to international financing with which to fight the war, feed the Russian people and maintain the Russian economy. Many were amazed by Japan's ability to defeat mighty Russia.

Schiff initially favored Germany in the First World War. Schiff, like many American Jewish financiers, was born in Germany; and since Germany agreed to work toward the emancipation of Russian Jews and secure Palestine for the Zionists—actions Zionist Israel Zangwill, a British Jew, defended in spirit, while Zangwill concurrently tried to bring America into the war on the side of England. [*See:* I. Zangwill, "Zangwill Urges Jews to Support Allies", *The London Times*, (10 September 1914), frontpage; *and* "Mr. Schiff on Peace", *The London Times*, (25 November 1914), p. 9; *and* "The Voice of Jerusalem", *The London Times*, (2 December 1914), p. 9.]

The New York Times, 22 November 1914, Section 5, page SM4, published a long article about, and an interview with, Jacob Schiff together with a large portrait of the man glorifying him as if a visionary of the war to end all wars; which article was entitled, "JACOB H. SCHIFF POINTS A WAY TO EUROPEAN PEACE; He Sets Forth the Disastrous Results to America That Would Follow the Complete Humiliation of Either Germany or England and Believes We Can Do Much to End This War and with It All War." [*See also:* "Consequences of the War", *The New York Times*, (22 November 1914), Section 3, p. 2; *and* "See Peace Campaign in Mr. Schiff's Talk", *The New York Times*, (23 November 1914), p. 3.]

The London Times portrayed the *The New York Times* interview with Schiff as pro-German propaganda on 23 November 1914, on page 8, and note the statement, "their line of attack is to secure a lasting peace", further note Schiff's call for a peace conference, long the ambition of the Zionists for it would provide them with the opportunity to petition for the formation of a "Jewish State" in Palestine:

"GERMAN PRESS CAMPAIGN

ADVANCE ON THE OLD METHOD.

MR. JACOB SCHIFF'S VIEWS.

(FROM OUR OWN CORRESPONDENT.)

WASHINGTON, Nov. 22.

There are signs that the Germans are again planning to make a bid for American sympathy by peace talk. The *New York Times* publishes a long interview with Mr. Jacob H. Schiff, one of the leading German-American bankers, and a close friend of the German official representatives in the United States, which shows clearly that their line of attack is to secure a lasting peace.

Mr. Schiff argues that neither the Allies nor Germany should be allowed to score a smashing victory. A complete triumph for the Allies would hand over the world to England and her navies, while 'in the role of world-conqueror Germany would be a world-dictator and would indulge in a domination which would be almost unbearable to almost every other nation.' For the United States a complete British triumph would be especially disastrous.

Probably the permanence of the Anglo-Japanese Alliance would saddle upon Americans the burden of a defensive militarism. If Germany won, the Monroe doctrine might, among other things, become a scrap of paper. Both England and Germany are patriotically resolved to fight until exhaustion supervenes. That means for Europe a prolonged period of bloodshed and misery. Hence for humanitarian and selfish reasons alike the United States is interested in ending the conflict. The United States should see whether she could not devise some sort of conference at which the belligerents could talk things over. It might perhaps be managed without an armistice.

I believe it to be not beyond the bounds of possibility that if this course could be brought about a way out of this struggle and carnage might be found, and I know I am not alone in this belief. The situation is unprecedented. . . . The peace must not be temporary. It must mark the ending of all war. . . . Towards this end America may help tremendously, and herein lies, it seems to me, the greatest opportunity ever offered to the American Press. Let the newspapers stop futile philosophizing on the merits and demerits of each case. . . . Let them begin stimulating public opinion in favour of rational adjustment of the points at issue. . . . Have we not the right to insist that the interests of neutral nations should be given some consideration by the nations whose great quarrel is harming us incalculably?

The moderation of Mr. Schiff's brief for Germany, his lamentation over the misery of the war, annotated as it is by accounts of suffering Flanders, his

appeal to the humanitarian instinct of the American people, to their sympathy with the under-dog, to say nothing of his other points, all show a considerable advance of the Teutonic grasp of the American point of view since the Bernstorff maneuvers at the end of the summer. Even the *New York Times*, whose grasp of the basis of the issue, I have often pointed out, is particularly clear-visioned, while it thinks the plea is rather premature, hopes that in a few months, should one side or other score decisively enough to snatch from its enemies the hope of ultimate victory, the proposal of a conference might be opportunely pressed. It also expresses what is undoubtedly the general opinion over here, when it says:—

Whatever aims the belligerents in moments of heat and passion may profess, we here in America do not want to see Germany crushed; none of us want to see England crushed, or France or Russia. We have no wish to see any great people crushed. Such a result of the war would be an almost irreparable disaster, and we should share the loss.

The lessons of the above are fairly obvious. The peace campaign already launched by enterprising journalists, amiable pacifists, financiers worried by heavy German commitments, and by German propagandists, will sooner or later gain inconvenient strength. No pains must be spared to continue to advertise above-board our conception of the fundamental issues. It must be continually made clear that we are fighting against German militarism and not against the German people; that no peace can be lasting until the present

German regime is crushed. Nor, judging from comment current here, is it enough simply to proclaim the fact.

Privately, Germans are trying to capitalize what they call the vindictive tone of certain British utterances. They draw attention, for instance, to the indiscriminate abuse of Germans as 'Huns' and of the way in which not only the Prussian contingent but the Bavarians, Wurtemburgers, &c., are bespattered with sneers. If, argue the German propagandists, such things really represent British opinion, how much reliance can be placed on British protestations that Prussian militarism is the only enemy? Does it not rather seem that Great Britain is embarked on a jealous crusade to crush utterly its dangerous rivals in the race for world supremacy?

***Mr. Jacob Henry Schiff, whose views are given above, is a native of Frankfurt-on-Main, where he was educated. He went to the United States in 1865 at the age of 18 and settled in New York. He is a member of the banking firm of Kuhn, Loeb, and Co., of which his son, Mortimer Schiff, is a partner."**

Schiff, who was born in Germany, and the other Zionist Jews, turned against Germany, when the Zionists made a deal with Great Britain to bring America into the war on the side of Allies and against Germany, in exchange for the Balfour Declaration, which favored Palestine as a Jewish homeland. They used their control over the press to defame Germany in the American press. They used their control over President Wilson to make it illegal in America to speak out against the war, or to speak on behalf of Germany. These Jews from Germany and Russia, who

plundered the wealth of America, had no loyalty to Germany, Russia, or America. Instead, they pitted these nations against one another and brought each under the tyranny of direct and indirect Jewish leadership.

Zionist spokesman Israel Zangwill, who was British but felt no loyalty to Great Britain because his only loyalty was to his fellow Jewish Zionists and their money—Zangwill ran to Schiff's defense. Schiff proposed that the First World War be the war to end all wars, which became an international mantra after the war. The absolute end of all war heralded the Jewish Messianic Era in which the Jews would be "restored" to Palestine, where they would rule the world from Jerusalem. Jewish bankers deliberately created the First World War in order to articially fulfill Jewish Messianic prophecy by staging the "Battle of Armageddon", by creating a World government run by Jews known as "The League of Nations", by "restoring" the Jews to Palestine, by destroying the Empires and Monarchies, by enslaving the Gentiles with Bolshevism, by placing the wealth of the World in Jewish hands, etc. etc. etc. Schiff believed that the First World War fulfilled the prophecy of *Isaiah* 2:1-4, which states,

"1 The word that Isaiah the son of Amoz saw concerning Judah and Jerusalem. 2 And it shall come to pass in the last days, *that* the mountain of the LORD's house shall be established in the top of the mountains, and shall be exalted above the hills; and all nations shall flow unto it. 3 And many people shall go and say, Come ye, and let us go up to the mountain of the LORD, to the house of the God of Jacob; and he will teach us of his ways, and we will walk in his paths: for out of Zion shall go forth the law, and the word

of the LORD from Jerusalem. 4 And he shall judge among the nations, and shall rebuke many people: and they shall beat their swords into plowshares, and their spears into pruninghooks: nation shall not lift up sword against nation, neither shall they learn war any more."

The London Times printed a letter from racist Zionist Israel Zangwill, a man who had earlier asserted that the mixture of Jewish genes with Russian Slavic genes resulted in the horrible degradation of the Jewish race. Zangwill's letter was published on 25 November 1914 on page 9,
